Dinner Pails—Dividend Checks

With the officials who will serve Rahway for the next year now named by the people, the citizens' important task is just beginning.

Now the people are faced with the responsibility of taking an active interest in the affairs of government.

Participation by the masses of people in the operation of their community has always been a crying need. Hardly a year goes by but the need is shouted from the speakers' platform and from the printed page. But never has the need been more demanding and necessary than at the present moment.

Never will we be able to have concerted public action on all important questions of mutual interest, because too many people are content to sit in their arm chairs and let the other fellow do it. Regardless of how much particular problems affects the everyday lives of all our citizens, many of us will be content to growl and complain about conditions—and then absolutely refuse to do anything about it.

However, even with this lack of participation in municipal affairs, the coming year will see a greater need for public participation in local governmental affairs than ever before in the memory of any of us.

The next year will be critical and on how well we solve the problems of which we even now hear rumblings will depend in large measure the future success of the city.

The people have elected their officials—and those officials are determined to give their all for the proper government of the city. But they need and want the support and active participation of the people whom they serve. They are not all slaves. No really honest man thinks otherwise. They do have some backbone, ground upon which to lean, but they must know what the people want, what they are thinking about and how they want the city government operated if the city is to be governed wisely and well.

There will be many municipal problems facing the city during the next year which should have the co-operative attention of every citizen. The ever-present tax nightmare will, of course, be heading the list. But there will be a problem of poor relief and creation of jobs; an internal sewer system to give Rahway full value from the Rahway valley trunk sewer and its disposal plant, the building of the late room of the church, with Miss Margaret Mansfield presiding, passed a resolution to extend heart-felt sympathy to Miss George Underhill on the death of her sister, Miss M. Louise Underhill, whose presence and fellowship will be greatly missed within the society.

Decide now to eliminate unnecessary talk and put your shoulder to the municipal wheel next year to the mutual benefit of every person residing within our gates.

To The Future

Age, mellowed by the experience of the years, is one of the finest attributes of any church congregation. The celebrating the centennial anniversary of Methodism, the 186th anniversary of First M. E. church, Rahway Methodists can look with pride at the history of their denomination as well as the local congregations.

The three anniversaries will be observed this month by the two local churches.

From these two churches have come the inspiration and teaching that has meant much in the lives of men and women who, through the years, have contributed their bit toward the building of our city. Today the members of the churches can easily look back and name men and women who have served well. They can also look with pride at the accomplishments of their church and what it has meant in the life of Rahway.

Thus we pause to offer congratulations and express the hope that the churches will continue to serve Rahway people as they have done in the past. In so doing we believe we speak for all of Rahway.

Visit Your Schools

When local citizens visited the various school buildings in the city to see their votes Tuesday, it was the first time many of them had been in the buildings since the primary last spring.

With National Education Week being observed this week, it is a good time for taxpayers to resolve to take more interest in the educational plant of the city which annually expends thousands of dollars to promote the city's most important function.

Teachers should be interested in their schools. The education of their children is an important consideration with which they should familiarize themselves. The Parent-Teacher associations of the city have worked a strenuous feeling of understanding between the school staffs and parents.

National Education Week is a good time for citizens to resolve to take more interest in their schools.

Death?

Nothing strikes so suddenly as death. Nothing is so horrible; nothing claws so maliciously at the very marrow of our being.

And unless we people of Rahway do something immediately to eliminate a very definite danger, death will unsuspectingly and suddenly drop into one of more Rahway homes and take another child from us.

We refer to the youthfully careless bicycle riders who hitfully disobey every regulation we have designed for safety on our streets.

Without regard to traffic lights or any of the other traffic regulations, including lights on their vehicles for night riding, these riders every day lay themselves open to serious injury or death.

The responsibility lies with parents and police to see that traffic rules are obeyed—and the lives of our children protected.

THE SCRAPBOOK

History of Rahway from Newspaper Files
 Wednesday, November 7, 1934

Rahway 65 Years Ago

From The National Democrat—November 7, 1869

Last week a telegraph wire was introduced into the State House at Trenton to expedite the transaction of executive and legislative business.

Rahway 50 Years Ago

From The Rahway Advocate—November 7, 1884

DEATH TAKES AN OLD RESIDENT—At about half past nine o'clock this morning, Mrs. Mary Cook, one of Rahway's oldest residents, died at her home on Campbell street, at the advanced age of 84 years.

Rahway 25 Years Ago

From The Rahway News-Herald—November 7, 1909

Senator Kean was in Rahway early Tuesday with his big red automobile.

Rahway 15 Years Ago

From The Rahway Record—November 7, 1919

With a more decisive voice than two years ago, the voters of the city decided in favor of the trunk sewer project. The first district of the First Ward was the only one of the nine districts going against the plan.

Rahway 5 Years Ago

From The Rahway Record—November 7, 1929

The Ladies Sewing Society of the Second Presbyterian church yesterday afternoon in the lecture room of the church, with Miss Margaret Mansfield presiding, passed a resolution to extend heart-felt sympathy to Miss George Underhill on the death of her sister, Miss M. Louise Underhill, whose presence and fellowship will be greatly missed within the society.

You And Me

by ding

Continued from Page One

But there are other responsibilities which are of especial importance today. For example, the people expect their newly elected officials, in co-operation with the present carry-over officials, to do everything within their power to make the Rahway police department worthy of its name. How can we have a progressive community if our own police department is operated in a slovenly and none-too-satisfactory manner, the people ask.

The people will expect their officials to make a thorough study and solution of the relief problem. They will expect an answer to the thousands of dollars being spent for relief and how we can get the idea out of the heads of many who receive relief that "the government will take care of me."

The question of maintenance of city credit and the proper upkeep of city property, including streets and buildings is also laid squarely in the lap of those who are this minute being elected to office.

Continued support of public education and broadening of the scope which our schools will cover in the education of our children will be another responsibility which voters are today giving to their public officials.

The question of salaries of city employees will be another question which these officials may well be expected to solve within the next year. Will they find it necessary to continue salary reductions or will they find a means of bringing salaries up to their old levels? The people will be waiting for an answer.

These are only a few of the questions to which these men today elected to office will have to give serious and careful consideration during the year to come. There will be a hard job, no matter who receives public support.

Incidentally, I'd surely like know that story about Abie's Irish Rose.

SUGGESTS NAMING LOCAL PARK FOR JAMES FURBER

The design and layout of the park was prepared and presented by the mayor to the people at a public meeting in the Rahway high school.

To encourage our present and future officials to serve us honestly and conscientiously we should show that we have the ability to recognize and appreciate such efforts. We should show that we know when a man is carrying the ball for the good of our city or for his own self interest.

I say with absolute certainty that if it had not been for the late James F. Furber we would not have had the park we now enjoy.

PRICE THREE CENTS

Dill May Seek

Recounting Of Tuesday's Vote

Democrat Awaits Official Return Before Announcing Plans

Ballot Boxes Guarded In Hudson and Essex

Trenton, Nov. 9.—The possibility of recount in the state's gubernatorial election, the closest in years, and in one Congressional contest, loomed today.

William F. Dill, Democrat, defeated Edward G. Hoffman by 1,000 votes, according to unofficial returns, refused to commit to his plans. His son, James Dill, called upon his father to observe the day as he felt it.

Application made to the justice of the State Supreme Court and the candidate applying must post bond sufficient to cover cost of the recount.

City Liabilities Should the result of the election be changed, the city would be liable for the expense involved in a recount. The city's liability must bear the expense.

Ernest Remondel, a Republican, was elected to the office of city clerk. He was elected by a vote of 1,000 to 500.

Mayor Asks Armistice Day Observance Here

Mayor Alfred C. Brooks has tonight proclaimed municipal observance of Armistice Day in Rahway.

The day has been proclaimed as a day of remembrance and reflection on the sacrifices made by our countrymen in the great war.

The proclamation reads: "Sunday, November 11, 1934, will mark the 16th anniversary of the end of the great war."

The proclamation reads: "Sunday, November 11, 1934, will mark the 16th anniversary of the end of the great war."

Begin Sewer Jobs Here On Tuesday: To Pay On Notes

Payment Of \$2,000 Will
Save Interest Charges,
Committee Reports

Work on the installation of sanitary sewers in Smith and Hart streets and in Broadway will be begun Tuesday, it was learned during the meeting of the Township Committee yesterday night when Engineer Franklin Marsh reported that plans for the job had been completed.

The committee reported that the work will be done by \$250 labor while \$2,000 for materials have been appropriated by the Township. Plans are also under way to have approval given the installation of sewer in Union street as an SRA project. The first job to be done will be in Smith street.

The committee authorized Clerk still to communicate with the engineering department of the Lehigh Valley railroad asking that labor be employed in the grade crossing elimination in Union street and Broadway street.

A request for \$7,000 unpaid in 1933 taxes was laid over for future consideration. In an effort to have interest charges on the \$7,000 reduced, payment of \$1,000 each on notes of \$7,000 and \$13,500 has been made.

Engineer Marsh reported that the condition could be remedied by the installation of a \$1,000 sewer. Chief of Police Henry Grober reported 11 calls, five automobile accidents, three court cases, 10 investigations and three arrests in October.

Building Inspector James Tull reported October building operations totaling \$440. Collector J. Edgar Tumbo reported October tax collections of \$8,077.77, of which more than \$5,000 in 1934 taxes.

Treasurer Clarence D. Kitch reported a balance of \$10,894.74. The next meeting of the township will be held on Tuesday, November 12, at 8 p. m.

Mayor Charles Schultz has been elected to the Township Committee for the year 1934. The board of education will meet Tuesday, November 13, at 8 p. m.

The fact that the board has been elected will also mean that the township will have a new board of supervisors. The next meeting of the township will be held on Tuesday, November 12, at 8 p. m.

Myrick Threatens Suit Of Township Committee

Former Mayor Will Press Suit For Slander Unless
Group Retracts Statements That He Received
\$1,235 For Land

Wells E. Myrick, former mayor here, has threatened to sue the Township Committee for alleged slander resulting from the reading of 1934 Township minutes reporting payment of \$1,235 to Myrick for a tract of land in Hartman road taken in condemnation proceedings.

The minutes were read during the final October meeting of the Committee. Myrick's threat to sue was made during the session of the Township Committee held at the Lehigh Valley railroad station in the grade crossing elimination in Union street and Broadway street.

Myrick charged "collusion and conspiracy" and named Health Commissioner Jerome Portant and Clerk Henry Hill with the Committee. He threatened to sue the Committee for slander.

Myrick's threat to sue was made during the session of the Township Committee held at the Lehigh Valley railroad station in the grade crossing elimination in Union street and Broadway street. He threatened to sue the Committee for slander.

HIGH SCHOOL BASKETBALL TEAM WILL PLAY 20 GAMES DURING COMING SEASON

Woodbridge Is Back On Card
After Long Absence; Locals
Play Practice Game Today

Couch Walter To Start Drills Soon After Football Season Is Closed; Loss Of Last Year's Players Makes This Season Big Task

Twenty basketball games which will be played by the Woodbridge High School basketball team during the coming season, it was reported during the meeting of the Athletic Council yesterday afternoon.

The team will play 20 games during the season, which has not been met in several years. During the basketball season this year, the local school team will play 20 games, which will be a big task for the team.

Building operation this year for the month of

October totaled \$66,725, according to statistics

compiled from the office of Lewis A. Springer, building

inspector. This constitutes a considerable drop from

the figures presented for the corresponding month of

last year, when a total of \$128,842 was reported with

72 permits issued. This year's number of permits

was only 61.

just between

You And Me

by ding

Continued from Page One

In 1933 the total national income was slightly

in excess of \$40,000,000,000. Most economists believe

that the 1934 figure will be about the same. As a re-

sult, government spending for the current year will

amount to 42 percent of all the money we receive.

The fact that part of the expenditures are

being made with the aid of bond issues, which

will not be paid until some future date, does not

affect the principle at stake. The main fact is

that our government is reaching the point

where it will exceed the ability of the public to

pay. A substantial part of the cost of everything

we buy is represented by taxes. Taxes are part

of the cost of a glass of beer or a gallon of gas;

of a fur coat or a pair of shoes, or of a coffee pot.

The manufacturer who makes an article, the

middleman who distributes it, the dealer who

sells it—all are heavily taxed, each must pass his

tax to the ultimate consumer—each of us.

It is our mutual interest, whether worker or

employer, to demand that all branches of govern-

ment cut expenses, precisely as business and indi-

viduals have been forced to do in order to survive.

And that is the big problem that faces those officials

elected all over the country last Tuesday.

The Barger-Talley majority vote Tuesday

which Barger won by 23 votes reminds old times of

the contest between Schuyler C. Terrell and the late

Thomas A. Fyffe in which Terrell lost by a margin of

26 votes. This year's contest was one between two

strong men and the popularity of both made it im-

possible for one to gain a sizeable majority.

The boys and girls at The Record office were

kept busy answering the telephone Tuesday

night and Wednesday morning and handing out

information on the returns in the voting. One of

the calls received early Wednesday morning

came from the bedside of Mayor Brooks.

Mayor Barger, Councilman Gettings and City

Chairman James J. Kinnealy were among the last

to leave the city hall after all returns had been re-

ceived Wednesday morning.

Mark Irons, who ran ahead of Frank Fox in

the Third Ward, received word of his election by

406 majority in Roosevelt school shortly after 4

a. m. Fox was also there to get news of his de-

feat.

One of the election boards had to return to city

hall at 8 Wednesday morning to approve correction

of an error in the tabulations which gave Talley more

votes than he received against Barger. The affair

was handled in official way with City Clerk Bui-

win, the press and Barger on hand to see that the act

was done according to the right rules of the election

law. The tabulation gave Talley 39 more votes

and would have left Barger with a city plurality of

Letters to the Editor

PRESIDENT URGES SUPPORT OF RED CROSS ROLL

Our people continue to look to the American Red Cross as the body and always helpful good neighbor to whom they turn for aid in times of emergency.

It is our mutual interest, whether worker or employer, to demand that all branches of government cut expenses, precisely as business and individuals have been forced to do in order to survive.

And that is the big problem that faces those officials elected all over the country last Tuesday.

The Barger-Talley majority vote Tuesday which Barger won by 23 votes reminds old times of the contest between Schuyler C. Terrell and the late Thomas A. Fyffe in which Terrell lost by a margin of 26 votes.

This year's contest was one between two strong men and the popularity of both made it impossible for one to gain a sizeable majority.

The boys and girls at The Record office were kept busy answering the telephone Tuesday night and Wednesday morning and handing out information on the returns in the voting.

One of the calls received early Wednesday morning came from the bedside of Mayor Brooks.

Mayor Barger, Councilman Gettings and City Chairman James J. Kinnealy were among the last to leave the city hall after all returns had been received Wednesday morning.

Mark Irons, who ran ahead of Frank Fox in the Third Ward, received word of his election by 406 majority in Roosevelt school shortly after 4 a. m.

Fox was also there to get news of his defeat.

One of the election boards had to return to city hall at 8 Wednesday morning to approve correction of an error in the tabulations which gave Talley more votes than he received against Barger.

The affair was handled in official way with City Clerk Buiwin, the press and Barger on hand to see that the act was done according to the right rules of the election law.

The tabulation gave Talley 39 more votes and would have left Barger with a city plurality of
