Windshield Not For Tax Stamps

New Jersey Law Forbids Placing Stickers On Windows Too

In a bulletin issued by Chief of Police Clifford W. Dunphy Rahway motorists are warned against pasting Federal Usage Tax stamps on the windshield, the front or side windows of any New Jersey licensed motor vehicle. Chief Dunphy's bulletin reads as follows:

"It has been announced by the Motor Vehicle Department that the Federal use tax stamps which must be attached to all motor vehicles effective February 1, should not be affixed to either the windshield or the front side windows of New Jersey registered motor vehicles.

"They can be affixed to the instrument panel of the vehicle, to the back of the rear-view mirror, rear windows or to any other part of the vehicle where it will be conspicuous and not become mutilated or detached.

"The foregoing is in accordance with the N. J. Statutes, which forbids stickers or emblems being affixed to the windshield or front side windows.

"Failure to comply with this regulation provides the penalty of being summoned into Court.

Clifford W. Dunphy,
Chief of Police.

Didja Notice

that Rahway seems to be doing everything possible to defeat the national program to conserve gasoline and auto tires?

In addition to the absolute waste of gasoline through being compelled to drive long distances to reach a given point a block or two away, motorists must also suffer constant damage to their tires by broken glass on the streets which, instead of being swept up, usually lies until it is picked up and carried away in automobile tires.

just between you and me

by ding

War is and has been, forced to the thinking and planning of the United States. The leaders and citizens of other nations have always expended a large part of their energies in thinking and planning for war. Unwillingly and against our nature, we must now make destruction the first order of the day.

It can be a long war or a shorter one. It can be a stalemate with armed camps all over the world, with suspicion and hate corroding humanity to the hearts of men. It is to our credit if we are very willing the shortest possible period.

An unpleasant job calls for all-out attention, a singleness of purpose, an intensity of effort. No dawdling, no recrimination, no philosophizing as to what might have been. That should be out on the calendar for discussion after peace comes.

Air Raid Sirens Being Installed

More To Come In Ten Days; Plan Tests Daily At Noon

Two of the five air raid sirens ordered by the city have arrived and have been installed, one at City Hall, the other at Grover Cleveland School. The delivery of the other three is expected in ten days.

When the sirens have been connected to central control headquarters at police headquarters, they will be tested daily at noon with one blast. At present special wires are being set up connecting sirens with police headquarters.

The public is reminded that the official "alert" signal is a series of short blasts over a two minute period, and the "all clear" signal is a continuous blast at steady pitch of about two minutes duration.

Many Books Donated To Men In Service

The local Victory Book Campaign, to collect books for soldiers, sailors and marines, is off to a flying start, according to the chairman, Miss Ruth L. Peters, with 324 books donated since the beginning of the drive on Monday, including 216 fiction, 102 non-fiction, 5 text-books and one French novel.

The receiving centers in the Rahway Savings Institution, Rahway National Bank, Y. M. C. A. and Girl Scout Headquarters are all active and the one in the Pennsylvania station will be established as soon as permission comes from the railroad authorities.

Books Sorted

Mrs. A. A. Durand and Miss Peters worked yesterday in sorting and packing books already received and report the total of adventure, western and mystery stories is high and the quality excellent. A number of other types of fiction is included along with some volumes on current events, etc. Several high school algebras are the only textbooks and more high school and college textbooks are hoped for as well as all types of technical books published since 1936.

Books Collected

Patriotic Teachers Associations have been invited to send their books to the schools which they represent. Mrs. Peter L. Manahan has done all the collecting so far and where only one or two books are to be given the donor is asked to take them to nearest receiving center; however, if the number of books is large and the contributor has no means of transportation, a call to the Public Library or Girl Scout Headquarters will bring a collector to the house.

Air Wardens Complete Plan Of Operation

Will Be Inducted Next Week, Receive Their Official Insignia

MAPS PREPARED

A conference of local air raid wardens Monday night made plans for the completion of group organization prior to the official induction of all wardens next week. At that time they will be finger-printed and receive official arm bands.

Section Zone Wardens and Section Wardens have chosen assistants and detailed maps have been prepared by the Defense Council engineering committee. All homes in the city will receive leaflets in the near future from their district wardens instructing householders on the proper precautionary steps to be taken during air raid alarms.

Captain Nicholas Coppola, of the fire department, will give special instruction to wardens next week on the handling of incendiary bombs. Films which will later be shown to the general public will be used to supplement the instruction.

Active Program For Young People

First Baptist Groups Conduct Vesper Services, Evening At "Y"

Paul Schoedler and Claire Boulton were leaders at the Vesper Service at 4 P. M. last Sunday at First Baptist Church, while Frank Richey and Harold VanHorn were ushers. Young people also conducted a social period at 5 o'clock and the World Wide Guild provided the young people's supper at 5:45. The young people will continue conducting the Vesper Services which are proving more popular than the evening services previously held.

Eleanor Hall led the B. Y. P. U. meeting last Sunday at 6:30. It was announced that the organization will sponsor Baptist Night which will be held at the Y. M. M. C. A. Saturday evening at 8 o'clock. Plans have been made to provide full use of the Y. M. C. A. equipment, including the swimming pool. The Choir Association is postponing its regular meeting in order to co-operate with the B. Y. P. U.

Donovan Calls Action Of Council Illegal

Discussion Of 'Caucus' Meeting 'Out Of Order' As Matter Was Referred To Committee; No Chairman Named

JUDGE DAVID NEEDELL RENAMED

Any action taken by the City Council last night in reference to the "caucus" meetings was declared "illegal" by Councilman Dennis P. Donovan, Republican member from the Third Ward. Councilman Donovan based his statement on the fact that the matter had been referred to the Committee of the Whole and that group failed to organize by naming a chairman before discussing or acting upon the matter. The President of the Council presided at the meeting but no aetion was taken naming him chairman of the Committee of the Whole.

Councilman Donovan made his statement after a lengthy and repetitious letter from the Mayor, extolling the merits of the "caucus" meeting, had been read to the members of the Council. At the conclusion of the reading of the communication it was unanimously voted to spread the contents on the minutes. At this point the Council President announced that the Council would follow the proceedure of last year and hold "caucus" meetings.

Moves Adjournment

It was then that Councilman Donovan declared the entire discussion illegal and moved for an adjournment. The motion was seconded and before the vote was taken Donovan accused the presiding officer of signaling to the members to vote 'no' on the motion to adjourn by shaking his head. The Council President denied that he had done any such thing. The motion to adjourn was lost by a six to five vote. The Republicans voting for the motion.

Needell Renamed

Judge David Needell was renamed Police Court Justice by a resolution approved by the Council. Following the reading of the resolution renaming Judge Needell an amendment naming Ludwig H. Schneider to the position was offered by Councilman Clifford Case. The amendment was lost by a six to five vote. On the naming of Judge Needell all of the Republicans reported as 'not voting.' When the resolution was carried Councilman Walton L. Selover offered a motion to make the appointment of Judge Needell unanimous. This motion carried with eleven 'aye' votes.

A resolution of condolence to the members of the family of the late Harry Moredraft was unanimously approved.

Councilman Donovan asked for an ordinance prohibiting City Officials or employees appearing for clients with claims against the city. The matter is in the hands of the legal committee. A report is scheduled to be read at the meeting of the Council next Wednesday night.

Church Leader To Speak Here Sunday

Dr. Frederick Thorne Will Address Young People At Evening Service

Dr. Frederick Thorne, of New York City, secretary of young people's work in the Board of National Missions, will speak 8 o'clock Sunday evening at First Presbyterian Church, with the service in charge of the young people of the parish, and the public is invited to attend. Dr. Thorne will also show moving pictures which he has taken.

As a representative of the missions board, Dr. Thorne travels throughout the United States, visiting mission stations. He then speaks before various churches, telling of the work accomplished by these missions.

Special music will be provided by the Fellowship Double Quartet, which consists of Mrs. Clifford Laurent, director; Mrs. Emlyn Edwards, Mrs. George Bartlett, Miss Anne Hunsicker, Robert Miner, Charles Perry, Clifford Laurent and Bernard Zaehing. Miss Mildred Ludlow will serve as accompanist.

At the 11 o'clock morning service Rev. Dr. Chester M. Davis will deliver a sermon on "War on Two Fronts." The Fellowship will meet in the Community House at 7:30 Sunday evening for a brief service of worship in charge of Charles Schultz.

Monday at 6:30 P. M. the annual canvassers' dinner will be served at the Community House, when final plans will be made for the every member canvass which will start February 1, known as "Loyalty Sunday." A preparatory service for communion, which will be celebrated February 1, will be held Wednesday evening at 8 o'clock in the Community House.

Women Enrolled In Nursing Course

Additional Classes To Be Organized Soon

About 135 women are now receiving instruction in Red Cross Home Nursing in six classes being conducted by Mrs. Alexander E. Breslow, Mrs. Medora D'Ambrosa and Mrs. William W. McClenaghan. Mrs. McClenaghan was previously associated with the Henry Street Settlement and with the Hudson Guild, both New York City organizations.

Approximately 160 women are registered for classes to be held on Tuesday and Thursday. Three classes will begin as soon as teachers receive authorization from the National Red Cross, and registrants will be notified of the starting date.

The course is conducted two hours a week for 12 weeks. Only afternoon and evening classes have so far been scheduled, but according to an announcement by Mrs. Breslow, morning classes will be arranged if a sufficient number of requests are received. The Defense Council room in the City Hall is open daily for new registrations.

The bride was attired in a dress of winter white flannel with matching hat. Her bouquet was of white rhapsody and sweetpeas. Miss Claire Schlesinger, of Roxborough, Pa., the maid of honor, was dressed in winter blue flannel and carried a bouquet of pink roses. Pvt. Larry Graziano, of Brooklyn Army Base, was best man.

Reception At Eagles' Home

Mrs. Paulsen, mother of the bride, wore blue crepe and a corsage of pink roses, and Mrs. Colini, mother of the bridegroom, was attired in maroon silk and wore a similar corsage of pink roses.

A reception was held at the Eagles' Home, West Grand avenue, for about 100 guests from this city, Woodbridge, Carteret, Perth Amboy, Elizabeth, Westfield, Brooklyn and Long Island, following which the couple left for a short wedding trip to Virginia Beach. Upon their return they will reside at 994 Hamilton street.

Both were graduated from Rahway high school and are members of St. Mary's Church. Pvt. Colini is stationed at the Brooklyn Army Base as a member of the military police. Following his enlistment in the army three years ago, he was stationed with the military police at Pearl Harbor, the Hawaiian Islands, returning to the States three months ago. Since that time he has been stationed at Brooklyn. Pvt. Colini is a graduate of Rahway high school and was employed by the Ford Motor Company for two years before his enlistment in the army.

Pvt. Graziano and the bridegroom first met three years ago at the recruiting station in Newark, and have been close friends since that time, both being stationed together at all times. Pvt. Colini will return to his military duties tomorrow night after a six-day furlough. He was previously employed at Koos Bros., St. George avenue. Mrs. Colini is employed as a member of the office staff of Koos Bros.

Music Dept. Members Study Opera At Meeting

BUY DEFENSE STAMPS AND BONDS NOW

Clark School News

The students of Abraham Clark School are co-operating almost 100 per cent in making the sale of defense stamps and bonds a success. The sewing rooms of the school will be open each Monday afternoon at 3 o'clock for Red Cross knitting classes, and all adult knitters interested in this work are invited to attend.

The kindergarten children held a toy show recently, with students of the first grade as their guests.

The first grade has started a unit of study of the community and its various protective agencies, according to a letter from subject the fire department. This will be followed by a study of the police department and at the close of the unit 30 such agencies will have been studied.

Robert Williston Rickson, of the third grade, has completed his defense stamp book and has received his defense bond. He is nearing a total of three bonds purchased by members of the third grade since September. Third grade students are making a patriotic alphabet, correlating social study work with art, English, spelling and reading.

The following eighth grade students have completed defense stamp books and have bought defense bonds: Lester Grube, 3; Andrew Kovalisky, 1; Norma Chaiten, 1. The students of this class have composed a creed for defense as follows: 1. save pennies and paper; 2. buy defense stamps and bonds; 3. be careful of telling news and make sure that this news is confirmed by the United States government.

The March of Dimes campaign was in charge of Miss Jane B. Lee for the elementary grades, and Mrs. Charlotte Wolf, the primary grades. Miss Mora McDonough had charge of the Red Cross emergency fund drive. Posters were made by the art department.

Know New Jersey

By C. A. Bradshaw

Old Bergen Church, Jersey City

Reminiscent of the early Dutch settlers in Jersey City is Old Bergen Church, located on Highland and Kerrigan Parks, Jersey City. The dark brownstone and brick structure, flanked by a lawn, houses the congregation in New Jersey. Founded in 1660, the congregation built its first church of logs in 1672. A larger one of field stones, was built in 1680; the first on the present site. A second stone church was built in 1724.

The present structure, topped by a square tower, was dedicated in 1841. Much of the old, is part, from the stones of the former buildings. Cemented in the front wall, between the two doors, is the corner stone of the first church, with the inscription "CW 1724" above and a stone from the second church inscribed "Kerk Gebout Het Jaer 1680. Rout in det Jaer 1772."

It's an ill wind that blows no body good and while many people scuttled around trying to keep warm and feeling like a member of the Bird Watchers, others sharpened their skates and waxed their skis in preparation for winter sports. Since we spend so many of our winter hours indoors, whether in school or in automobiles winter sports are valuable in that they relieve us of the excessive and frenzied energy. Even the most confirmed wearer of skates has to admit that proper fresh air is beneficial to him from top to toe and the expert derives as much pleasure from a well executed figure eight or flawless jump as a golfer gets from a perfect swan dive.

Those who do not indulge in the invigorating sport of skating as a means of exercise in order to maintain good health throughout the year, have a chance past when one who indulged in sports and exercise, stayed young and lefty, and today sports are recognized as a necessary part of a well rounded keeping fit in this time of national emergency. It behooves each and every one of us to keep ourselves in the best physical condition possible and for this reason if no other, we should avail ourselves of the opportunities to indulge in the sports of our choice.

Those who prefer the more strenuous sports such as basketball, swimming, boxing, wrestling, etc., have a chance to give him it was his birthday.

History Teacher: Who was the first president to live in the White House?

Confused Rahway High Student: Louis, the Thirteenth—no, the Fifteenth—no, the Fourteenth—no, the——well, anyway, he was one of them.

Tomorrow the dean travels to Elizabeth to take on Thomas Jefferson High School. It's going to be a swell game, don't miss it. No words are expressive enough to describe the way our team bowls over the opposition tinder. So everyone be there.

"Aroundabout"

By Gertrude O'Malley

Why are those seniors bees with sorrow?

Don't you know? Exams start tomorrow. Woe is!

The Hi-Y has begun its annual March of Dimes for the President's Infantile Paralysis Fund. This worthy cause should be supported by every high school pupil. Besides every loyal citizen should.

Yesterday, the Senior Class donated the net proceeds of the day's candy sales to the Red Cross drive. It's inspiring to know that so many groups organizations, and clubs in school are doing the very same thing.

If you refuse me I shall die.

She refused him.

Sixty years later he died.

Mr. Konde certainly was in a fog last Thursday when some one mentioned the rapid approach of exams. He looked at his watch exclaiming, "My are exams fast, aren't we for.

Tomorrow's dean travels to Elizabeth to take on Thomas Jefferson High School. It's going to be a swell game, don't miss it. No words are expressive enough to describe the way our team bowls over the opposition tinder. So everyone be there.

Jr. Red Cross Members Knit For Two-Year-Olds

The Junior Red Cross group met last Wednesday with their adviser, Miss Josephine Raub. During the course of the meeting the members voted to present the local Red Cross with a sum of money taken from the club's dues. The girls also knitted sweaters which will be given to two-year-old children.

Miss Raub announced the results of the Junior Red Cross Membership Drive. The following rooms 214 100% $3. room 313, 100% $4.50. Room 306, 100% $2.14; Room 203, 100% $3.50. The goal of the drive is to obtain at least two dollars from each home room.

Three Rooms Achieve Perfect Banking Score

By Corinne Harriman

According to the report issued last Tuesday by adviser Herman Kagan, only three rooms of Rahway High School have maintained their perfect banking records. These sections were 101, 205 and 216, with LeRoy S. Potts, Mrs. Matilda Kneebi and Edward Pervine, proctors.

Good records were made by Miss Thelma Prandke's room with 98 per cent of the students banking and Miss Anna O'Connell's room with 88 per cent.

Mr. Kagan announced that 45 per cent of the student body banked a total of $128.56.

Hot Chocolate With New Twist

By BEULAH V. GILLASPIE
Director, Scalfest Laboratory Kitchen

Courtesy Scalfest Laboratory Kitchen

CERTAINLY hot chocolate can be served with a new taste—and without much additional effort. And it's an incomparable companion to so many meals, to so many afternoon or evening snacks. These suggestions will delight family or guests.

HOT CHOCOLATE WITH SPICED WHIPPED CREAM

1¾ squares chocolate
¼ cup granulated sugar
½ cup water
Few grains salt
4½ cups milk
Nutmeg, cinnamon, cloves
Sweetened whipped cream

Combine the chocolate, sugar, water and salt in the upper part of a double boiler placed directly over the heat. Stir constantly until the chocolate is melted, bring to a boil and cook for about 2 minutes, stirring constantly. Place over hot water and stir in the milk gradually. When hot, beat with a rotary beater if desired. Add a dash of nutmeg, cinnamon and cloves to the whipped cream and serve on the hot chocolate. Six servings.

HOT MOCHA

Make one half of the recipe for Hot Chocolate (given above) and add 2½ cups hot coffee, add more sugar to taste. Serve with sweetened whipped cream flavored with vanilla. Six servings.

HOT CHOCOLATE EGG NOG

Make one the recipe for Hot Chocolate. Just before serving beat 2 to 3 eggs well and stir in the hot chocolate gradually. Serve in hot cups. Serve with sweetened and flavored whipped cream if desired. Enough to eight servings.

Hi-Y Members Speak At Grammar Schools On "March Of Dimes"

The Rahway High School Hi-Y Service Club opened the Infantile Paralysis "March of Dimes" Campaign at the Grover Cleveland School Monday morning with two talks on the campaign given by Robert Pohl and Harlan Rush, both members of the Hi-Y. Robert Pohl stressed the urgency of the need for funds to combat infantile paralysis and Harlan Rush outlined the procedure of the campaign to be conducted for the week in all the Rahway schools.

A sound film entitled, "A Report to the People" which traced the history and work of the Infantile Paralysis Foundation was shown at 9:30 in a music period. The uses of the sound machine and films were donated by Ephraim Black of Rahway as his contribution to this drive for funds. During the week, the Hi-Y will present assembly programs at St. Mary's School, Franklin School and Roosevelt School as part of their project in conducting the campaign.

Anthony Konde is the Hi-Y faculty adviser and chairman of the School Campaign "March of Dimes" committee conducting the campaign throughout Union County. Paul Boys is Mr. Konde's Secretary. is assistant county chairman.

Collegettes Hold An Open Forum At Meeting

By Gilda Musachio

At the regular discussion meeting of the Collegette Club held last Monday evening in the Y. W. C. A. the girls investigated different ways in which they could improve their appearance. Angie Smith, Marie Sullivan, Alice Robinson, and Catherine Murphy read magazine articles on this subject and led the discussion which followed.

This club is an organization of Sophomore, Junior, and Senior girls. During the year the members participate in many activities such as a trip to New York, a brief vacation at the seashore, and several parties.

The officers are Audrey Comer, president; Alice Robinson, secretary; Catherine Murphy, treasurer; and Barbara Stuart, vice president. Miss Elise Laurene is the adviser.

Blue Triangle To Invite Park Girls

By Giles Mosseips

At the regular meeting of the Blue Triangle Club held last Tuesday the girls spoke plans for a party at which they will entertain the Girl Reserves from Roselle Park. The affair is to be held Thursday, February 19.

Norma Higgins, president, chose the following committees for the event, entertainment, Catherine Murphy, Minie Baumgarner, Madelyn Hall, Mildred Dell and Gilda Musachio; refreshments, Eleanor Abate, Virginia Taylor and Doris Mastrave, invitation, Elaine Brigbouch; decorations, Marie Waschow, Ann Rose and Rose German.

The girls also decided to sell candy to raise money for the Red Cross Christmas drive now in progress.

Miss Lee Owen, adviser, announced that at the next meeting of the club a game called "Animal Crackers" will be played.

Question: What is your favorite color? Why?

Answers:

Virginia Goldstein — I like lavender because it is soft and not flashy.

Dick Eales — I like blue, because—

Carmela Capobianco — I like red and black because they are our school colors.

Hank Doncherry — I like green; it appeals to my eye.

Bumps Murphy — I like blue, because blue is for boys.

Lou Sisto — I like tan, because it stands out and is very attractive.

Shirley Feist — I like blue, because that's Columbia's color.

Bebe Charles — I like red, because it's a cheerful color.

The Teacher Speaks

It is autumn and I'm sitting
Thin silvery,
Intermittently, feathers rising
That I have learned to call
My soul.
Thin deep
Emotional, high thing.
That I keep hidden, even
From myself.
This precious,
Sometimes sick thing.

Live forever.

Away from myself.

I rang away one night
To the starry, calm sky, so

I cried there, with my face
buried in soft grass.
Till I was tired.
Then I went back.

National Honor Society Joins N. J. Conference

By Bill Goth

At the monthly meeting of the National Honor Society held last Thursday, it was decided to join the North Jersey Conference of National Honor Societies.

Richard Golden, the president, appointed the following chairmen of the Chapel to arrange assembly programs for the year; the distribution of Distinguish Service Awards.

The club also made plans to hold a Valentine Social at the meeting of February 11. The Valentines in charge are Bob Post, chairman, Gilda Musachio, Bill Stroman, Jeanne Bitler and Edward Partenope.

The club had plans for finishing the semi master to the school so that it may be sung on appropriate occasions.

Other club officers are Bob Post, treasurer; Norma Higgins, finances, and Barbara Brunning, secretary.

Office News

By Kay Sahnstedt

The Parent-Teacher Association meeting held last Monday was entitled "Defending American Ideals Through Education."

Principal Ralph N. Kocher conducted a short business meeting, and following this, some vocal and instrumental numbers were presented. Arlene Gardner sang "We Are My Sunshine" and Shirley Flues played "Romance" by Sibelius, on the piano. Next on the program was Superintendent Arthur L. Perry, who delivered his talk to the parents, and stressed the importance of healthy bodies and sound minds in such times as these. Martin Miller then gave a brief summary of some of the activities going on in the school at present. Among these were the Red Cross Drive, the March of Dimes, the Latin Club Trip, and the successes of the basketball team. When this was over, the faculty and guests went into the cafeteria for tea and cookies.

Loy E. Owen Returns To English Department

By Janet Kennedy

We welcome back to the High School faculty our old friend, Miss Loy Owen. Upon investigating, we find that during his absence he was Branch Manager in Newark for the Fuller Brush Company. In this position he spent half a day selling. He also taught for a month in Arts High School, Newark, during the absence of the English teacher. When asked how he feels about coming back, Mr. Owen said, "I return as I left—happily."

St. Latin Club Plans Annual Trip To N. Y.

By Mitzie Rosenzweig

The Senior Latin Club discussed its trip to New York last Wednesday at their regular meeting. President Edward Partenope led the group.

Miss Chaplin continued, her plans to the discussion, one of which was accepted. A committee will complete the plans. Mr. Ward Perrine is the club's adviser.

Science Club To Work On Individual Projects

By George Lezobis

Joseph Parkhurst, president, suggested at a meeting of the Science Research Club held last Tuesday that the club discontinue its entire club projects and that each individual member or small group select separate undertakings.

After some discussion which was directed by Lee Roy Fellers, adviser, it was decided to adopt this plan. It was further decided that Charles Bester, Nicholas Nevaretta, and Douglas Baumann had already begun work on a new project.

Since this was meeting the election of club officers was postponed, the nominations for president and secretary-treasurer were postponed. Marian Rechsteg and Barbara Burke to these offices.

Gertrude O'Malley Is School Winner In Legion Contest

By Jeanne Bitler

Gertrude O'Malley was chosen to represent Rahway High School in this year's American Legion Oratorical Contest during the assembly program last Wednesday.

Gertrude was selected by a judging committee as the best of the five speech students who had reached the final elimination of the school contest. The committee, Christine O'Malley, Richard Golden, Edward Lance, and Alex Kemps presented six speeches on the Constitution.

The judges, consisting of Principal Ralph N. Kocher, Miss Lucille Cashart, Mrs. Jane Asmus, Robert J. Conn, and Vice-Principal Joseph D. Parsons, announced their decision to the assembly.

Gertrude will now compete with orators from the other high schools in the county. If she should be successful there, she will enter the state contest. Further county contests, followed by the state contest, and finally the national contest. Richard Golden was named by the committee to be her alternate.

Miss Rosemarch acted as the chairman for the assembly and introduced the judges. Miss Cashart is Miss Kemp's Piano Concerto Number One.

Theatre Art Group Discusses Elissa Landi

By Doris Geyer

The main topic for discussion at the regular, monthly meeting of the Theatre Arts Club last Monday afternoon in the girls' work room was the actress, Elissa Landi.

Interesting and distinguished phases of Miss Landi's career were given by the legitimate stage.

The program has begun that they will attend Julian Bryan's motion picture, "Ambassador Dodd," adviser, stressed the fact that the performance will be held in Rahway and will therefore entail no traveling expenses.

Due to present day conditions the club has decided to abandon a trip to New York this season. Opportunities about our own city afford.

The members who decided to ordinarily spend for car fare or trips to the Junior Red Cross.

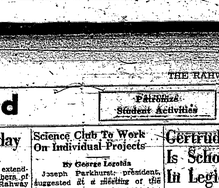
Cottage For Small Family With All Essentials, Reduced Costs

Dwelling Planned For Modern Living; Ample Sized Rooms Eliminating Waste Space

The answer to repeated demands by a small home containing all the essentials to modern living needed by a small family, yet luxuries eliminated, the Architects Co-Operative Plan Service, Inc., supports the attractive cottage plan sketched on this page today and named "The Norwich."



"The Norwich"

Now one finds good-sized rooms, but no room and space needed. There is a dining room, with a space for a table off the kitchen. The porch, or "sun parlor" is of generous size, small to accommodate a chair or two and a table, but large enough to seem cozy. A fireplace in the living room, and another upstairs in the master bedroom might wish to install such an added feature at some future time. Even the bathroom invites greater expenditure though it furnishes it provides all the features afforded by one piled and elaborately equipped.

Pleasing Exterior

Exterior framing is quite simple and choice of exterior finish is sufficiently wide to please any owner's whims. A "streamlining" has been effected by the architect to give the house a "low" appearance.

The attached screened porch fits in nicely with the living room and add measurably to the floor space of living room to this end. Two wall space and window openings have been made to give due consideration of possible furniture arrangement. The side window on the front of the house is a most important innovation adroitly introduced.

Opposite the front entry, across the living room, is a hall area with doors opening on two bedrooms, bathroom and stairs leading to the basement. In this hall is a coat closet which might be reserved for members of the family, leaving a large closet in one corner of the living room especially to accommodate the hats and wraps of visitors.

The bedrooms are unusually large, the one measuring 11 4x12 2 feet, the other 11 4x9 8 feet. Both rooms have windows on two exposures, giving cross ventilation, and each contains ample closet clothes closet. In the plan of the larger bedroom a recessed alcove is devised to accommodate a dressing table, dresser or highboy. If preferred, this space could be converted into additional closet room for the use of the master bedroom.

Ideal Arrangement

The kitchen and dinette, off the living room at the front of the house, seem to be a near-perfect arrangement. These two rooms have a total floor area of 209 3 feet and, as shown on the floor plan sketching, could be partitioned off into two distinctly separate rooms by a semi-dividing wall. The door connecting the kitchen and dinette space is flanked by the range and the refrigerator. This arrangement of the range makes it convenient to the working counter and sink. Then occupy the remaining wall space on this side of the room. Incidentally, this location of the range makes possible the flue connection with the chimney.

Service Entrance

Across the room from the living room door is a service entrance. Between this service doorway and entrance to the dinette, wall space is sufficiently large to accommodate a built-in ironing board if desired.

The dinette successfully meets the needs of a dining room for the small family. A casement window looking out on the front of the house would prove a worthwhile extra here. This room, with its built-in china cupboard and almost unlimited possibilities is the way of interior decoration, could be made one of the truly charming parts of the house.

Plans Are Available

Complete plans for "The Norwich," may be obtained at moderate cost. To receive your print of these documents, write to the Home Building Editor of the Rahway Record and enclose a self-addressed envelope bearing a three-cent stamp. At least one week should be allowed for the reply.

LINOLEUM CORNERS

Many home owners tolerate the petty nuisance of linoleum edges turning up at the point where it meets the doorway of the kitchen. This can be eliminated in old linoleum and prevented in laying new linoleum by the use of brass strips manufactured for this purpose.

Garden Science

By FRED D. OSMAN
Union County Agricultural Agent

If you've ever had a yen to grow pumping, flowering or vegetable plants to set out into your garden this is a good year to start.

March has been a pretty windy month, so talk about starting plants in the house. But the fact remains that you've grown in the average sunny window sill a pretty fair the light they would get in a frame out-of-doors. It is much better to use a frame preferably a heated one. But if that is impossible, lettuce, cabbage and onions can be started in cold frames quite early, provided glass has been on the frame for a few weeks before so that the ground is somewhat warmed.

If a mat of straw, burlap or plenty of hay is used to cover the frames at night, lettuce, cabbage and onions may be started in February and tomatoes and possibly peppers in late March.

Simple to Build Cold Frame

It is quite simple to build a coldframe. Just get a standard sash, which is generally three by six feet, although you can use one two-by-four. Then build a box to hold it, making it about eight inches high in front and 12 to 14 inches high in back. Place this structure over the spot selected and bank it with soil to keep it as warm as possible.

By placing the sash on tight and leaving it exposed to the sun, you will find it warm enough to start plants. It is possible to hold the heat accumulated on sunny days by covering at night. If you have some way of heating the frame, possibly with electrical cables, you will find it even more satisfactory.

If you will use care in watering and fertilizing such a frame, there is no reason why you can't grow as good plants as you can in a greenhouse.

Rahway High School Quintet Adds Sixth and Seventh Victories

Soph Quintet Takes Older Boys' League

Wallop Lillienfield Scrappers, Former Champs, 36 To 15, To Take Y. M. C. A. Basketball Loop Championship

CHURCH TEAM BEATS HOOPSTERS

Coach Earl Walter's High School Sophomore basketball team are the champions of the Older Boys' basketball league, sponsored by the Y. M. C. A. by virtue of a well earned victory, Saturday afternoon, over the Lillienfield Scrappers. The score was 36 to 15. Coach Eddie Johnson's Y team, the Lillienfield Scrappers, each were league champions last year went down fighting but too much team play on the part of Coach Walter's charges scrapped the Scrappers...In a preliminary game played to decide third and fourth places in the league standing the First Presbyterian Daynes triumphed over the Senior Hoopsters, 36 to 31.

The final league standings show the Sophomores, first; Scrappers, second; First Presbyterian Jaynes, third; the Senior Hoopsters, fourth.

Teamwork Triumphs

The title contest, between the sophs and the Scrappers, proved that team work is better than individual play. The Sophs were working together and the Scrappers were not. Using a man-to-man defense the Sophs time and again, recovered the long shots of the Scrappers and then worked the ball down the court to score a set-up. The Sophs, coached by Dave Taylor, who was usually high scorer for the basket, and by this offense Taylor scored six field goals in the game. The Scrappers, Taylor also had a foul shot to his credit to give him a total of 13 counters. Travis, at guard, did yeoman work under the basket and scored a total of six points. Weiss, center, had four counters, for the short time in was in the game. Belovetto was high for the losers with seven points.

The game to decide third and fourth position in the league standings between the Hoopsters and the First Presbyterian crew, was nip and tuck from start to finish with the Jaynes finishing in front by two points. At the half the Hoopsters were leading six to four but the third period saw the winners outscore their opponents 13 to 6 to win a five point lead. The Hoopsters pulled to within two points in the last period and outscored the Church team 9 to 6 in the last period.

Alex Lee Team Wins Contest

Defeats Hibernian Five In Recreation League Game, 63-33

In a free scoring contest at Franklin School Monday night, the Alex Lee Association defeated the Hibernians, 63 to 33. Jack Smith, Jim Henry and Andy Virosko accounted a total of 35 points between them to set a new scoring record for the Recreation League. Smith had 26 points, Henry 20 and Virosko 19.

Owing to shift work at the Merck plant the Merck quintet was unable to assemble a team and withdrew from the league race. A new team will be formed in time to include the five teams left in the circuit.

State Champs Too Much For Rahway Y Five

Rutherford Quintet Wins, Scores 42-27 Victory Over Local Team

FITZGERALD STARS

The Rutherford Y. M. C. A. basketball quintet, last year's State Champs and runners up for the National Y title, proved too much for a handicapped Rahway Y combination Saturday night.

Visitors from Rutherford took early lead and were never headed, finally coasting away to a 42 to 27 victory. Rahway was handicapped by having to play without the services of Jake Cles, high scoring center, who has been laid up for the past two weeks with a badly sprained ankle. Cles' shots would have made a world of difference in the play of the Irving streeters.

Although Coach Charley Mauldin's charges were beaten they were far from disgraced for they forced Rutherford to do most of their scoring from mid-court on set shots. Few were the ten counters made by Rutherford from under the basket. Failure to sink their shots was one of the faults of local team's downfall. Rahway matched them for field goals all the way through the game but for some unknown reason, Rutherford made theirs and Rahway didn't.

Fitzgerald, flashy forward for Rutherford and taking everything into consideration, Rahway had a better offense than their opponents.

Fitzgerald, Rommel Star

Bill Fitzgerald and Danny Rommel were sparkplugs of the Rahway combination and defensively they gave the visitors plenty of trouble all the way. Fitzgerald was high man in the scoring column with nine points. Doc Di Nardo was runner up with eight markers to his credit. Paxson led the winners with ten counters.

In a preliminary contest the Jaycees started a new winning streak with a victory over Rutherford Wesleyans' Linden Midget quintet. The score was 43 to 27 for the Railway Jaycees.

The County Basketball Tournament

Members of the Union County Conference voted at their meeting, held in Westfield last week, to continue the annual basketball tourney, as usual; in spite of the fact that the Elizabeth Armory will be unavailable for any of the contests to decide the county championship. The present plan is to play these games in the High School gymnasiums throughout the County.

It was also voted by the members of the Conference to give $5 per cent of the gate receipts to the Red Cross and the remaining 15 per cent to the "Fight Infantile Paralysis Fund." All of the gate receipts are to be pooled and prorated among the teams entered in the tournament. That is, for example, if there are ten teams entered in the contest, the gate receipts will be divided ten ways with 85 per cent of each tenth share going to the Red Cross Chapter in the municipality from which the comes and the other 15 per cent to the "Paralysis Fund."

This Is A Fine Gesture, But Hardly Fair

On the surface this looks to be an admirable idea, but the facts, when known, fail to make this proposition fair to all concerned. When it is all added up it becomes evident that the Red Cross and the local "Paralysis Fund" drive are not getting all they are legitimately entitled to receive . . . please, don't misconstrue my attitude . . . I certainly do believe in the Red Cross and I also think the "Paralysis Fund" is worthy of all the support we can give, financially and otherwise.

Let's Consider A Few Of The Facts

To begin with, Rahway High has one of the three outstanding basketball teams in the County . . . Regional and Thomas Jefferson being the other two . . . Regional by reason of its one point victory, earlier in the season, over the Scarlet Jeff, because of the contest also . . . the Jeff quintet may not rate the consideration I have given them after tomorrow night, when the Scarlet and the Elizabeth teams clash on the Jefferson court.

Now, Rahway is among the three best teams in the County, it is reasonable to suppose they will play more games and consequently draw a larger gross gate than most of the other teams in the tournament, with the possible exception of the other two quintets aforementioned. Yet because of the ability of the Railway team to draw and their participation in more games the Rahway Chapter of the Red Cross will not be any better off financially than a Chapter, represented by a team which plays but one tournament contest and is eliminated by losing. The same goes for the local "Paralysis Fund" drive.

Rahway Should Benefit From Rahway Team

Our Red Cross Chapter needs plenty of help in raising their quota of $8,500 and if this City is fortunate enough to have an outstanding basketball team . . . then the Rahway Chapter should be the beneficiary of the increased receipts created by that team. I wonder how much the other Red Cross Chapters would gain if Rahway had a mediocre basketball team or failed to compete in the tournament? . . .

There Are Still More Facts To Consider

Football and basketball, here in the Rahway High School, are the only sports from which revenue is derived . . . these two sports carry the load and help to finance all the sports in the High School. Baseball, track, tennis, golf, girl's sports and the intra-mural program, among others are provided for from the gate receipts of football and basketball. These two athletic activities don't pay the entire costs of the High School athletic program but they do save the taxpayers many hundreds of dollars.

The County basketball tournament has in the past, for several years, provided a revenue of $200 or $300 . . . all of which has gone into the athletic fund. This amount was counted on and therefore deducted from the sum asked for in budget for the present year . . . the 1942 budget allotment for the Board of Education does not go into effect until July first of this year . . . consequently it is too late to make up the amount by budgetary appropriation for the present year's program.

Could Have Played One Game For Charity

The receipts from one of the tournament games could have been given away without handicapping any athletic program in any municipality . . . and if this game were properly ballyhooed the Rahway Red Cross and the "Paralysis Fund" drive would have netted as much if not more than they will receive through their share of the pooled receipts.

It is my sincere hope that the Red Cross drive and the "Paralysis Fund" campaign go away over the top in this City . . . for they are both worthy causes . . . but it is also my sincere hope that the athletic program of our Rahway schools is not handicapped for lack of funds. These are days when athletics in our schools are vitally important to our morale, as is the building of physical fitness in our youths for the things which they may be called upon to do for their Country. . . .

High School Girls' Sports Activities

by GERT O'MALLEY

Next Tuesday, a representative group from each of the three upper classes will visit Madison High School for a "Sports Day" with the girls there. They will participate in basketball and fencing. Following the competitions, the remainder of the afternoon will be spent by partaking of refreshments and social dancing. These Sports Days are channels through which the participants may learn true sportsmanship and develop beneficial social attitudes.

The fencing group, including Jean Acken, Rachel West, Barbara Fuller, Joanna Durand and Jacqueline Measits, held a round-robin, Monday. A round-robin is a tournament in which each girl competes against the other girls individually. Judy Healik and Peggy Dean who usually compete were not present. . . .

In the court "battles" last Wednesday the Solid Sophomores defeated the Frank Pinchers, 30 to 14 in a fast game. A close contest ensued between the Juniors and the Seniors. The Sub-Debs were beaten 14 to 12. The Seniors took over the 89ers Congas, 46 to 2. The Congas were hindered, though, because of a capacity of substitutions.

Church Teams Win Pair Of Cage Contests

Presbyterian Jayvees, Midgets Score Over Their Opponents

VARSITY DEFEATED

The First Presbyterian Jayvee and Midget quintets defeated their opponents on the Community House court last Friday night. The Varsity were scheduled to meet a team from out of town for the same season or other but the visitors failed to show up. Instead they played the Jayvees and were defeated by the margin of one point.

The Jayvee wallop of the Midgets by a score of 50 to 35 and the Midgets defeated the Linden Aggies 20 to 12 respectively.

In the Jayvee contest Milnes and Hickson were the high scorers for the winners with 13 and 10 points respectively. Reiter, with 16 points and Tennenbaum, with 11 were the leading scorers for the Knights. The defensive play of Mitchell was outstanding for the winners.

Although the Church Midgets were outclassed in size they managed to win over the Linden Aggies. The Railway lads won the game from the final time scoring right out of nine minutes. Murcko was high scorer for the winners with eight points. Reiter, Fernando led the losers with 11 counters.

Linden Alumni Fives Victims Of Scarlet

Defense Play Of Locals Limits Les Goodwin's Charges To Four Field Goals During Entire Game

JUNIORS TROUNCE SOPHOMORES

The Rahway High School basketball team continued its winning streak by adding the sixth and seventh consecutive victories to their string, defeating Linden, 61 to 12, on the Linden court, last Friday night and nosing out the Juniors, 2 to 1, on the local court Tuesday afternoon.

The game with the Alumni five was hard fought from start to finish with the Scarlet emerging victorious at the final whistle. Neither team was able to garner a point during the first period but in the second period the Railway team pooled enough baskets to take a 14 to 6 lead at the end of the first half. The Scarlet added two more points in the third period to lead 16 to 6 at the end of the third stanza and then coasted to victory in the final period.

Playing a beautiful game of defensive basketball the Scarlet walloped Linden High School last Friday night on the Linden Court by a score of 61 to 12. The Railway defense was so good that Linden was able to collect but four field goals during the entire contest. Frank Shupper, Railway's star forward, scored a total of nine points, two field goals and five fouls. Bill Fitzgerald led the Railway attack with nine points, two field goals and four fouls.

Rahway Trims Sophs.

The preliminary game was a real battle all the way. The Railway boys had a slight edge in basketball but six players and McFadden, the Sophs' star, was taken out early in the first quarter which gave the Railway boys a decided advantage in the remainder of the game. The Juniors gained an early lead in the first period and most 'blew' the game in the last period. Bonnor, Railway's 'Deacon' Bonnor had a field day in the first half, caging four seven-field goals and three fouls. Bonnor was high scorer for the game with five and four points respectively. Sophomores with eight points.

H.S. Freshmen Win First Two Games

The Rahway High Freshmen basketball team started off series in as many games by defeating the Bammel School eleven last Friday night, 27 to 26 and then winning from Hillside High Freshmen, 24 to 17, on the local court Tuesday afternoon.

In the game with Hillside the Rahway lads were outscored in the first period by a score of 7 to 4 but came back strong in the second period to take a 14 to 11 lead at the half. Hillside tied the score at 17 all at the end of the third period but the Rahway team pulled away in the final stanza to win by the margin of three points.

Bill Fitzgerald, flashy forward, was high scorer for the game with 11 points to his credit. Fitzgerald was also outstanding for the winners. Bill Petrusko, Rahway's diminutive center, was also a star. Petrusko played a fine defensive game and was responsible for the ball being kept away from the basket by the Hillside lads. Petrusko also scored four points.

Fred Russo Wins Bout In Newark

Fred Russo, of Rahway Y. M. C. A. School, competing unattached, won his first bout, by a knockout in the Golden Belt amateur boxing tournament held in the Newark A. C. Russo, the lone entry from Rahway, was matched against Martin Yanchuitis, of Irvington, who weighed 115 pounds. The latter was a veteran of 15 bouts and a class of the junior division of the tournament. Last Friday night was Russo's first appearance in the ring.

The Rahway lad had his hands full in the first round, for Yanchuitis was a "southpaw" and succeeded to nail Russo with a few solid punches. Russo had piled up steam behind them time and time again but without any signs of weakening. During the second session, Russo in the second rounds Russo's style of fighting began to tell on his opponent and he was able to keep him at a distance with his left jab. All four rounds were fought at the super bantam weight limit. Irvington lad, in the current bout, was a member of the Irvington A. C. team which defeated the Newark A. C. team in a recent match.

Frank Shupper was everywhere during a great brand of basketball throughout the contest. He collected a total of 20 points via nine field goals and two fouls. Ordinarily this film is only shown in a community for one day but through the efforts of Ray Hoagland the picture is being sent here for the full week.

"The Ninth Inning" is an exciting baseball mystery and is said to over-shadow anything of its kind which has been produced on baseball.

COOPERATION OF OFFICIALS NEEDED

Over two months ago, November 13 to be exact, the the residents of Rahway were asked by the Mayor to save all waste paper and cardboard for reclamation purposes. In a statement, issued by the Mayor, he said the Chairman of the Street Committee was making arrangements to salvage all waste paper and cardboard and these plans would be made known to the public in the future.

During the two months which have elapsed many of the residents of the City have complied with the Mayor's request and diligently saved all this material which came [illegible] In many recess-hung chambers, attics and other storage places, in the homes, are piled high with inflammable material which creates a real fire hazard.

Today a plan of collection has been forthcoming from the powers that be and housewives are wondering what to do with the paper and cardboard they have saved.

In the Mayor's statement he urged, "the Citizens of Rahway to cooperate with the rules and regulations laid down in the future by the Street Department." The 'future' referred to, is here and it is now high time the Mayor and the Street Department cooperate with the Citizens by making arrangements to collect this paper and cardboard before fire takes its toll and burns up some of Rahway's homes.

TRAFFIC VIOLATORS TO LOSE LICENSES

Declaring the conservation of manpower most important to our nation's war effort, Motor Vehicle Commissioner Arthur W. Magee has announced that in the future drivers who cause injury or death in accidents that are the direct result of traffic law violations, will lose their licenses to drive a motor vehicle. He has asked police magistrates and traffic court judges to cooperate by a wider exercise of their powers of license revocation.

This policy will not apply to unavoidable accidents in which the driver is not to blame. It will be invoked, however, wherever the crash is the result of speeding, driving on the wrong side of the road, ignoring the traffic signal, disregarding a stop street sign and all other bad driving practices that cause accidents.

"The driver who violates the law and is involved in an accident shows an unwillingness to conserve the nation's assets at a time when the services of every man, woman and child are needed for the successful prosecution of the war," said the Commissioner. "Accidents not only destroy men but they waste time and property, none of which the country can afford to lose in the present crisis."

"The law provides for the revocation of licenses upon any reasonable grounds, and being responsible for inflicting bodily injury or death, as well as destruction of property, justifies the contemplated action."

The power of license revocation is the most potent weapon existing and in order that its widespread use will not be necessary, drivers are urged to cultivate the habit of observing the traffic laws.

FIRE IS NOT INVINCIBLE

Fire is the ever-present enemy of property, of life and of security.

Fire is a dark shadow across every business and home, every place where people gather. No man knows when it may strike. It rarely gives warning. And when it goes it leaves ruin and disaster in its wake.

Fire menaces all the people—and all the people's property. Each year it takes some ten thousand lives. Each year it destroys property valued at hundreds of millions of dollars. Each year it destroys employment, opportunity, progress.

But fire, fortunately, is not an invincible enemy. Fire can be licked. It feels on ruthlessness, opposition, stupidity. Fire can be starved by knowledge and preparedness and the intelligent application of a few simple rules of fire prevention.

In the home, fire has many friends. Accumulations of old paper, clothing, and other burnable materials—improperly-used electricity, careless smoking, defective heating and lighting equipment—these are major sources of fire. Eliminate them, and fire's opportunity to destroy is tremendously reduced.

In the business or the factory, similar hazards often exist. Coupled with that, there may be a lack of proper fire-fighting equipment, lack of education of workers, lack of attention to fire dangers. Here, too, the risks can easily and cheaply be reduced to the minimum.

Fire must be fought in the interest of protection of the individual, protection of property—and, in these days of national defense, protection of the nation. All of us must do our part in this battle.

You're as old as you feel—As for feeling old, that's as relative as the universe. Once I saw an 83-year-old jump up and rush down the stairs to greet a friend. "She can't walk up," she called in her flight, "she's an old lady."—Edith M. Stern, in the current Rotarian magazine.

Continued From Page One

The strength of the pack is the wolf and the strength of the wolf is the pack. This is the law of the jungle and war is a jungle game. The individual citizen, on the front and at home, must develop strength. This means a development, not only of the physical, but also of the spiritual. The qualities of courage, that brook no fear of foe or neighbor's motives; of sacrifice, that cries out for more to do rather than more to get; of work, that loses sight of clock and pay envelope; of loyalty, not blind servility, but dedication to a cause and tolerance for all engaged in battling for it.

To us, particularly, is this spirit of the individual necessary. A democracy, making war, is not a lovely sight. Wrenching, muddling, confusion. Free institutions breed men and women unaccustomed to the short, hard words of command, and to the surrender of personal judgment. Our commanders should realize this and match with understanding the understanding expected of the individual.

Mr. Bernard Baruch, in his report in 1921, emphasized that the success of the war effort had rested not on compulsion and control, but primarily upon what President Wilson called "the spontaneous cooperation of a free people." It is interesting to read, in the light of today, the text in which the phrase occurs:

There is a general theory deeply ingrained in our political habits to the effect that Government should not interfere with the processes of business any further than is necessary to preserve the principle of fair competition and to insure the observance of ordinary legal obligations. For development and progress, individual initiative is relied upon. The public welfare is to be served by the spontaneous common purpose of a free people.

The strength of the pack will come from a process of education, a costly tuition, but, if we will it, there can be preserved the dignity and worth of the individual if the things we are fighting to defend are never lost to mind.

National well-being is no accident. It does not just happen. To make it realistic in peace, and, more important, in war-time, requires the highest citizenship of which we are capable, each in his own little circle of influence, and all of us in that unity of purpose and action we have expressed in "We, the People." The ideal of a better America is no mirage. Who knows but that the war may be the crucible from which that ideal may be attained!

Merle Thorpe, Editor, Nation's Business.

History of Rahway From Record Files

Rahway 65 Years Ago

On Saturday night between the hours of 11 and 12 the departments were called out by the alarm of fire. It proved to be an old building at Rahway Port owned by Thos. Bunch. No water was thrown on it, the help of the truck only being needed to pull it down. The loss is but slight as the building was old and very much out of repair."

"Invite no friends to your house for Tuesday evening, February 4th, unless you propose to make them to the Athenaeum performance in aid of our suffering poor. In that case be liberal with your invitations."

Rahway 25 Years Ago

"Timely debates, interesting essays, readings, declamations and recitations constituted the programs of the various literary societies of the Rahway High School at the bi-weekly meeting held on Friday afternoon."

"True to the predictions of the prominent workers in the campaign for $100,000 for a new Y. M. C. A. building there was a real 'Rahway finish' in which there was not even a stop or hesitation when the desired goal was reached, but the workers continued their energetic efforts up to the time for closing the campaign at midnight and pushed the total to practically $107,000, or to be exact $106,998.93. The raising of this magnificent sum in Rahway in a six-day campaign has been a revelation to all the citizens, many at first declaring it impossible."

One of the most effective meetings of the series of men's gatherings held on Sunday afternoons in preparation for the Weigle evangelistic campaign to start on February 15, took place at First Baptist Church Sunday afternoon, when a goodly number gathered despite the storm and listened to some timely testimony from consecrated workers from Paterson, who 'hit the trail' during Billy Sunday's great campaign in that city."

The entire program scheduled to meet to make further plans to-night.

Rahway 15 Years Ago

"Several hundred persons attended the farewell reception to Rev. and Mrs. Wallace H. Carver, of the Second Presbyterian Church, who will severe their relations here on Sunday to go to the Northminster Presbyterian Church, Evanston, Ill. All of the local pastors, with the exception of Rev. S. W. Townsend, pastor of the Trinity Methodist Church, and their wives and members and friends of the church were present at the delightful program held in the Sunday school room of the church."

"Three resolutions authorizing the Public Service Company to erect fifty-three new arc and sixty candle-power lights in various streets in Rahway were submitted to the Common Council at Wednesday night's meeting by Councilman Alfred C. Feakes, former chairman of the Lamps and Police Committee."

"The nineteth anniversary of the parish of St. Paul's Episcopal Church will be commemorated on Tuesday with three church services. The evening service will consist chiefly of a musical program under the direction of Harry Stone Martin, choirmaster, assisted by Mrs. Frank R. Valentine, at the piano."

Rahway 5 Years Ago

"The annual Board of Education budget, scheduled to be passed by the board during its meeting Tuesday night will provide for restoration of the 10 per cent salary cut for teachers and other employes unless a last-minute change is made. The budget will be higher than last year's, bearing the provision for salary restorations, as provision will be made for a number of repairs."

"Clark Township citizens, who were asked for $30,048 for township taxes last year, are asked for $14,360.98 in the 1937 budget which was introduced by the Township Committee this week and is scheduled to be presented at public hearing February 9."

"Dr. E. W. Lance, local physician was elected president of the Board of Health during the organization meeting this week. He succeeds Frank L. Foulkes, who was not reappointed to the board at the expiration of his term."

Elias Kaufman Seated As Commander

New officers for the coming year were installed at a meeting of the members of the Rahway Lodge, Knights of Pythias held Thursday night. Elias Kaufman was seated as Chancellor Commander with District Deputy Grand Chancellor, assisted by former District Deputy Grand Chancellor Herman Snyder, conducting the ceremonies. Other officers installed were: Irving Peters, vice-chancellor; Harry Blitzer, prelate; David A. Slutsky, master-of-work; Bernard Sutton, master-at-arms; Bernard Gordon, master-of-finance; Dr. Henry Turner, master-of-exchequer; Benjamin Dembling, keeper of records and seal; Irving Brown, representative to the Grand Lodge and Harry Blitzer, alternate.

Eagles Defense Unit

Meet, Select Officers For Coming Year

Members of the Rahway Aerie, Fraternal Order of Eagles, who have formed a defense unit within the organization, met Thursday night at the Eagles Hall and selected officers. Charles Di Como was chosen chairman of the group. Others named were: Harry T. Alexander, vice chairman; Mrs. Frank Comm, secretary; John Schmidt, treasurer.

Mrs. W. J. Sweeney was appointed chairman of the kitchen committee, and Mrs. Sebastian Godfrey, first aid. Other members of Mrs. Branney's committee are: Mrs. Ralph Schultz, Mrs. Frank Owen, Mrs. Harry Cassidy. Mrs. Godfrey's committee consists of Mrs. Joseph Gay, Mrs. Carl Curtis, Mrs. Everett Swann, Mrs. William Landsman, Mrs. Harvey Rose and Miss Naomie Coffee.

The entire group scheduled to meet to make further plans to-night.

In 1926 when Carl Sears, a former U. S. Navy man, was married, six of his buddies were present at the wedding. All seven of them had been reported "killed in action" during World War I.

ReginaEmployeesTo Increase Production

Association Will Make Sacrifices, If Necessary, To Back Up Soldiers In Front Lines To Limit Of Ability

SEND WIRE TO WAR DEPARTMENT

Members of the Regina Employees Association met last night to determine ways and means of producing more materials needed in the front line. The 225 employees of the local plant were unanimous in their desire to make sacrifices, if necessary, to give an all-out effort toward increasing their production. The Regina Corporation is manufacturing a vital armament product.

Monday morning all of the employees of the Regina Corporation were assembled and heard Alfred E. Norris, president of the corporation, read a telegram from Under Secretary of War Robert Patterson, which was received Sunday, asking the soldiers of production to back up the soldiers in the front line. The telegram is as follows:

To the Employees of the Regina Corporation.

"The Army is calling on you soldiers of production to back up our soldiers in the front lines with every ounce of your energy. The Army looks to you to provide the weapons of victory. The fighting weapons we lacked yesterday at Wake and Manila we must have today. Your contribution must be production and more production. America is confident of your answer."

Signed, Patterson,
Under Secretary of War.

The telegram, when read by President Norris, received spontaneous applause from the assembled employees. Richard Lathrop, chairman of the executive committee of the Employees' Association, called the meeting held last night and sent the following telegram to Undersecretary Patterson:

"Your telegram was read to us at assembly this morning. We feel confident that all of us have a keen appreciation of our obligation and will respond whole-heartedly and enthusiastically. Sacrifices within the limits of our capacity and ability, willingly undertaken to the maximum of our contribution to military requirements."

The Regina Corporation has been engaged in producing war materials for the government for several months. Recently, Samuel R. Morton, chairman of the Rahway drive for funds in the "Fight Infantile Paralysis Campaign," announced that 100 coin receptacles have been placed in Rahway by the Kiwanis Club for the collection of money for the drive. Collection of money from the Department distributed the coin receptacles to the following establishments in the Theaters and the local 10¢ stores in the shopping sections in the schools of the city.

The Rahway contributed slightly over $500 to the campaign and Mr. Morton is hopeful of contributions to the present campaign. Letters have been sent to the employees of the local municipal officers of the City collecting contributions to the fund.

Serving with Mr. Morton on the committee are Assistant Fire Chief Edward Kenney, who is the adviser of the Hi-Y Club and Martin Weis, treasurer. Mr. Morton asks that all those desiring to contribute to the campaign, mail their donations to him at his office in the City Hall.

White-Not Reported As 'Killed' At Wake

Mrs. Clara M. White, of 189 Wall street, received word Tuesday from the U. S. Navy Department that her husband, Sergt. Amos J. White, who had been reported missing in action before the outbreak of war, had not listed among the fatalities at Wake.

Mr. White, who was formerly a Rahway resident, is now stationed at Honolulu, had resigned to accept a position with the Pacific Naval Construction Battalion and was sent to Wake Island to "address his duties." Shortly after he was scheduled to arrive, war broke out and his mother has not heard from him since. He is the only Rahway man known to be at Wake Island.

Mrs. White feels that when the war broke out he had already met with the Marines stationed in that post and was probably taken prisoner by the Japanese when the island was invaded by the Japs.

Motorists Must Purchase Federal Usage Stamps Before Sunday

Postmaster Martin Gettings calls attention to the fact that all Motor Car and Truck owners are required to purchase the Federal Usage Tax Stamp before February 1. Beginning Sunday no motor vehicle will be allowed on the streets and highways without having the Federal stamp attached. The tax stamps are priced at $2.00 and are good from February 1 to July 1. The stamps are on sale at the Rahway Post Office and can be purchased during their regular business hours.

Postmaster Warns Of Chain Letters

The mails in all parts of the country are being flooded at the present time with letters relating to so-called endless chain schemes soliciting dollar contributions.

Patrons of the various post offices desiring to file mails patronizing schemes of this nature will be warned that the sending of such matter through the mails is a violation of the postal laws and regulations. Notices are served upon persons who attempt to mail such matter. Some came to the attention of the Post Office Department by reporting the receipt of "chain" letters by their patrons.

Postmaster Martin Gettings, in charge of the Rahway Post Office, says he will not tolerate any such schemes.

Local Man On Duty In Puerto Rico

Lieut. Paul S. Cleland, of 521 West Meadow avenue has reported to Rear Admiral John H. Hoover, commandant, for duty as recreation officer of the Sixth Naval District, at San Juan, Puerto Rico. Cleland has for the past three years been assistant superintendent of recreation of the Union County Park Commission. His duties, at his new station, will cover the area extending from the Bahamas to Trinidad—W. I., and from Guiana, Dutch, to Cuba, on the Virgin Islands. Lieut. Cleland has been placed in charge of the athletic and recreation officers of the various ships and establishments in the San Juan area to discuss a co-ordinated program. Later he will visit the other stations in the District.

Demonstration Will Open Girl Scout Drive For Funds Tuesday

A Demonstration to be held by the Rahway-Girl Scouts at St. Paul's Parish House Tuesday, February 3, will mark the start of the opening of the annual Girl Scout-Fund Drive. The Scouts-mama' will feature defense activities in which local Girl Scouts troop are engaged. Each troop will follow a program similar to one used in a troop meeting for a period of half an hour, following all the parents and guests press, will an opportunity to observe the Girl Scouts at work. These activities will range from handicraft, by the Brownie troops to first aid by the Intermediate and Senior troops. The public is invited to attend.

TO START

Workers for the Fund Drive will be present at the demonstration to receive their envelopes and coin boxes. Every effort is being made by the Drive Committee to make this year's campaign, which will be held for two weeks beginning Tuesday, to a successful conclusion. This is the second year the Rahway Girl Scout organization has operated as a unit. This year, if Girl Scouting in Rahway is to maintain its present high level of achievement, the budget must be balanced."

Only forty dollars from the sum

Police Station

Public attention is called to the fact that the Ordinance regulating snow and ice removal from sidewalks will be strictly enforced. Walks must be cleaned of snow and ice within twelve hours after cessation of snow fall. Violators will be summoned to Police Court.

SEBASTIAN GODFREY,
Street Commissioner.

Paralysis Fund Collected Here

Coin Boxes Have Been Placed Around City For Contributions

Samuel R. Morton, chairman of the Rahway drive for funds in the "Fight Infantile Paralysis Campaign," announced that 100 coin receptacles have been placed in Rahway by the Kiwanis Club for the collection of money for the drive. Collection of money from the Department distributed the coin receptacles to the following establishments in the Theaters and the local 10¢ stores in the shopping sections in the schools of the city.

The Rahway contributed slightly over $500 to the campaign and Mr. Morton is hopeful of contributions to the present campaign. Letters have been sent to the employees of the local municipal officers of the City collecting contributions to the fund.

Serving with Mr. Morton on the committee are Assistant Fire Chief Edward Kenney, who is the adviser of the Hi-Y Club and Martin Weis, treasurer. Mr. Morton asks that all those desiring to contribute to the campaign, mail their donations to him at his office in the City Hall.

how thoughtful of pedestrians have been of automobiles of late when the streets are muddy or slushy?

Not so, the other hand, have you also noticed that others seem to be oblivious to the presence of the timid and unsure as they dash across the street perilously within the rest of their cars?

Local Board Honored

Charles Knox, of Knox Brothers, who has been named as "All-American" Furniture Merchant has received one of the eleven Cavalier awards in the United States given at the convention of the National Retail Furniture Association held in Chicago.

The employees of the Rahway Record have subscribed 100 per cent to the purchase of Defense Bonds and Stamps. The idea was initiated by the publisher, Walter P. Marple. All members of the staff unanimously agreed to contribute, weekly, from their earnings to the purchase of these stamps and bonds. Mr. Marple also announced that beginning today the Record will have on sale, at it's office, 1470 Broad street, Defense Stamps which can be purchased by the general public.

School Board Meets Tuesday On '42 Budget

Simmen's Illness Causes Delay In Adoption Of Schedule

REED GIVEN LEAVE

Members of the Board of Education voted at their regular monthly meeting, held last night in the Board room at High School, to hold a special meeting Tuesday night for the purpose of adopting the annual budget. This action was made necessary because of the absence of Kenneth S. Simmen, the fix-it-man. Mr. Simmen is chairman of the Finance Committee of the Board. An organization meeting of the Board will be held Monday night at 8 P. M.

After the business session the money derived from the Defense Stamps and Bonds purchased by the employees and boards instead of depositing them in the usual manner was counted.

Reed Given Leave

Melvin W. Reed, of the High School Physical Ed. staff, the U. S. Army, was granted a leave of absence from the position for the duration of the war. Lyc E. Hansell, architect, was given Reed's post for the balance of the school year. Mrs. Margaret de-Bruin was appointed to fill a vacancy as was Mrs. Minnie Wagner. Miss Anne Lahey was employed to fill Mrs. Wagner's position as clerk for the remainder of the year. Ida Bauer was named a janitor in the school system.

The Board voted the use of the High School Gym for the County basketball tournament with the proceeds of the games going to the Red Cross and Infantile Paralysis Funds.

Those present at the meeting were: David Bachman, who presided; Mrs. Edna Lehrer, Walter V. Singer, Martin P. Gettings, Superintendent of Schools Arthur L. Perry and Business Manager Guy M. Howard.

Red Cross Drive Nets $3,500 Here

Chairman Edwin M. Durand of the local Red Cross Chapter, expresses himself as exceedingly well pleased with the War Fund total to date of $3,500, about 50 per cent of the house-to-house canvass now complete.

Mr. Durand stated that the workers under John M. Wiese, chairman in charge of the drive, have found in some instances that householders thought one contribution to the U. S. O. fund would cover the obligation, but he pointed out that more than that must be done to meet the goal of $5,500, and with nearly 200 of our young men in active service, the money is required to aid the men in camp or those families here at home. Fifteen per cent of the whole amount will be retained in Rahway for local work.

Rahway has the record of a generous community in the past, and Mr. Durand urges all to give as the amount of their ability and those who have given small amounts to try to supplement them with additional gifts.

Donovan, Case Battle To Save City's Money

G. O. P. Councilmen Charge Democratic Majority With Creating Political Plum At Expense Of Taxpayers

CITY ATTORNEY REAPPOINTED

Dennis P. Donovan and Clifford P. Case, members of the Republican minority in the City Council, flayed the Democratic members of that body for creating a new political plum at the expense of the taxpayers. This was brought about through the 'affrontery' of the Democratic Councilmen in proposing a five-year contract for Joseph Feinberg as special attorney for the Tax-Lien and Property Management committee, at $1,200 a year, or a total remuneration of $6,000.

Councilman Case charged that this job was created solely to settle an "intra-party conflict and, consequently, Mr. Feinberg, at the expense of the taxpayers, for losing out as City Attorney or Police Judge." Councilman Case declared that if the action is approved by the six Democratic Councilmen and signed by the Mayor "they should all blush for shame."

Should Define Duties

Councilman Donovan, prior to the appointment of the new attorney, had urged that the duties of the City Attorney be defined, because of the various questions which had come up in the past couple of years, involving that office. He pointed out, that in addition to the City Attorney, the Water Board, the School Board and the Tax Lien Committee each employed their own, Counsel—and that, for instance, Mr. Simmen's fine. Councilman Case declared that the work could not be combined.

The protests of the non-Republican members of the Council fell on deaf ears for a six to five vote on the contract was taken and Councilman Donovan again rose and harangued the Democratic members for their vote. He contrasted this action with the Mayor's message to the Council, at their organization meeting, when he stated that the City's expenses were to be pared down because of the added burden to the taxpayers brought about by the war program.

Relief Resolution

Prior to the aforementioned matter Eugene Maimzer was re-elected City Clerk on a strict party line vote with the Republican members for the Council.

A resolution, which brought forth more fire from Councilman Donovan, gave authority to the Director of Municipal Aid, Administration for State Aid in financing of the Relief program for the current year. Councilman Donovan stated that it might be necessary after the end of the city to carry its own relief burden rather than comply with State requirements which make for heavy administrative expense mandatory.

Unveil Plaque To P.R. Forman

Employees Of Pneumatic Present Memorial For Former President

A bronze memorial plaque to the memory of the late Patrick H. Forman, who was president of the National Pneumatic Company at the time of his death last August, was unveiled at the annual assemblage of the Company's employees this afternoon at 4:15. The plaque was presented by Walter Sinnett, on behalf of the employees who ordered the plaque and purchased it with contributions of the employees. Mr. Forman, who was 72 years of age, died suddenly of a heart attack.

Mr. Forman had been associated with the Pneumatic Company for many years, having been one of the founders. He succeeded Mr. Forman, will accept the bronze plaque for the company. O. A. Broten, vice-president, is in charge of the meeting.

Many relatives and friends are expected to be among the honored guests.

Mr. Forman, whose death was caused by injuries received in an automobile accident, was noted for his charitable acts and held the respect and admiration of all his employees. He lived right down in the ranks and never forgot the days when he was struggling to get on in business with those who were not so successful to him.

After his vote was taken Councilman Donovan again rose and harangued the Democratic members for their vote. He contrasted this action with the Mayor's message to the Council, at their organization meeting, when he stated that the City's expenses were to be pared down because of the added burden to the taxpayers brought about by the war program.
