JOHN W. MOORE

John W. Moore, 75 years old, of

Sunday afternoon following a
paralytic stroke, the second suffered in about two months. A retired carpenter, he was a native

He had spent about eight years of
his earlier life in the U. S. Navy.

of righteousness; the right path.

Struggle is the very essence of
sterngth, and so, in our struggle
to overcome temptation we gain
strength and learn to overcome;
that is always the right path.

"Finally, there is reason for His
leadership. Whatever we do should
be "for His name's sake.' Lest we
srow proud of ourselves and what
we do, we are to accept His direction, because we know it will be

discomfited the enemies of Israel. and anna-ward moute. The is suitable and sadness, that I may see that thunder upon our enemies and de-

might well pray, for "behold, the Lord's hand is not shortened, that heavy, that it cannot hear" (Isa. 59:1).

Seeing Israel at prayer, the enemy took advantage of them and attacked. In the previous battle at this very spot (see last Sunday's lesson) Israel had been defeated because they had fought with the weapons of man. Now, with God's weapons of prayer and faith, they had glorious victory.

IV. God's Mercy Remembered (7:12). Samuel raised a stone of remer same raised a stone of remembrance, to remind Israel in the years to come that the Lord had been their help. A defeated, disheartened, simul people had turned to God in repentance and faith, and God had given them victory. They must never forget His mercy

must never forget His mercy.

One of the great concerns of thinkmen in our day is the fear that righten in our day is the fear that vigtory may come to us before we are spiritually and morally ready, to receive it. If it does, we shall see a mad rush into excesses of all kinds, a hold glorying in our own ability and power, and even greater forgetfulness of God.

What America needs now is a deep going spiritual revival which will both prepare us for a God-given victory, and for the peace which is to follow.
