SHARP STRUGGLE

YOUNG MEN TO THE FRONT

The election yesterday although a closely contested one, passed off very quietly. The result is a somewhat mixed one. The Republicans elect their candidates for Mayor, School Commissioner-at-large, One Freeholder, and Councilmen in the Second and Third Wards, while the Democrats elect one Freeholder, both Assessors and one Councilman. The vote on Water Commissioner was a tie one as also was the vote on Councilman in the Fourth Ward. Messrs. Clark and Coddington polled the same number of votes for Freeholder.

It is possible that one or other of the contestants for Water Commissioner may be elected upon a recount of the ballots. The recount in the Fourth Ward was made last evening but did not change the figures. The result is no doubt an eminently satisfactory one to most of our citizens. Below we give the full vote on city and
