The monument is a granite block surmon ted by a bronze statue of "Endynnion," one of the best works of Riuchart, and has been creeted by the liberality of Wm. T. Walters, of Buttmore, one of the warmest latiniters of the gifted sculptor, and the executor of his estate.

The Sound steamer Rhode Island, of the Providence Line, on which there were a large number of passengers, en route for New York was struck on the port side by the propeller Alhambra, a freight steamer bound for Italifax, on Wednesday night. The collision happened on the Sound off New Haven, and about 2 o'clock. An ugly hole was rent in the side of the steamer, which entirely demolished the barber's shop, and one or two state rooms also were stove in. But one person was injured.

Alexander H. Stephens was Thursday nominated as the Democratic candidate for Governor of Georgia. Mr. Stephens, who is now in Congress, is seventy-one years of its now in Congress, is seventy-one years of sace, and has been in political life for nearly half a century—at least for forty-six years. He announced his retirement from politics a short time before the outbreak of the war, but within a year was sent to Washington as Senandor from Georgia, though he was not permitted to take his seat. During the last fen years he has been a member of the last there has never been any occasion for his father; that he has never head an importance of using good pure soap the years he has been a member of the last there has never been any occasion for him to speak to his father; that he bears his father in the speak to his father; that he bears his father of the second of the war, but within the speak to his father; that he bears his father in the speak to his father; that he bears his father of the second of delenting the last here has been a member of the lims should be ever be prompted so to do.

The celebrated Huntington will case has father and mother had a fine the continuous them were read united to take his seat. During the last here has never been any occasion for him to speak to his father; that he bears his father in the father in the father in the bears had an importance of using good pure soap the years he has been a member of the lims should be ever be prompted so to do.

The celebrated Huntington will case has father in the province of the war with infants; let your child be washed with the best soap you can procure from the contract of the last the province from the contract of the province from the contract of the last the cont No 111 MAIN St. Rahwar, N. CORRESPONDENCE.

there is not a lawyer in the State but will advise the Council that those bonds must be taken. Yet, without referring the matter to their attorney, the members forthwith took a vote upon it, and eleven voted no. The mover, who beyond all question, was correct in his views, found himself, like Benton, "solitary and aloge." At another stage of the proceedings before the Fire and the stage of the proceedings the question of the city debt came up. Now if there is any idea that the democratic councilmen have been devoted to it is that the highest offer of the city, by way of compromise, should be twenty, fire cents on the dollar. No one could take any different view without being alused.

They have all along insisted, first, that was all the city could, pay; and, secondly, they would never make a larger offer They wish further and assured our considing voicers that they would compel the Chief Linguiser of the Chief Linguiser of the Science and highest to accept it. Well at this last considers to accept it. Well at this last regarded to the constant of the little and not let the trial go any further; the creditions to accept it. Lord & Taylor, State on the state of the same of the s

DEVOCADED BY MOSQUITOES. THE FIFTING ADVENTURES OF CAPTAIN AN-DEMOS AND HIS CREW. The Philadelphia Record, Thursday, pale

The Palisatespaia assova, I nursus, pup-lished the following: The average Jersey morputto is acknowledged by all with whom he has come in contact to be an exceeding by bloodthirmy wretch; but of all the stp-When questioned the Captain mid: "It was about 8 o'clock in the afternoon, when

toward the north a great cloud of inserts bearing directly down on us. Three min uties after we sighted the moving mass our ship was encircled by hordes of mosquitoes. They must have been wearied by their long flight from land, for they inserted the woman mediately took up positions on the deck, on the mils, and among the rigging. At this juncture we picked up a pilot, whom we eagerly besought to explain where the visitors came from but he was too duniformed to made any reply. After they liegan their feast on the exposed parts of the legan their feast on the exposed parts of the men cried in agony at the way they were bitten. Go where they would it was all the same. Down in the cabin many fled for relief but it was of no avail, for it seemed as

The Shar Was Breatern.—"Are you traveling alone?" asked a tall, agricultural looking gentlemen, approaching a lady who occupied two sense in a crowded car.

"No, air," she replied!

"May I ask who is with you?" asked the man, looking around value for grane other.

man, looking around validy for some other place to store himself. "My kusband," enspeed the lady with ries related concerning his victous ways in stabling all probability none can equal the tale told by Captain J. W. Anderson, of the British bank Emmanuel Swedenborg.

The Swedenborg arrived at this port on standing ride. Straightened up and prepared to take a said secressfully used in the Preach and Gen standing ride.

It is coming applied, causes no pain and required in this seat cases no pain and required to take a dashing. well dressed young fellow of the lady minutes later.
No, sir," she replied, and down he fifteen miles off Cape May, we saw toward the north a great cloud of insents

"I say, ma'am," protested the tall man,
"is that your husband?"
"No, it isn't, and you needn't ask any

same. Down in the cabin many fled for relief you are on the same trip and it's likely to but it was of no avail, for it seemed as though there was as many below decks as there were above. I noticed that all that attacked me were thin and mean-looking. Some Of the bills a half an inch in length, which they inserted in one's face and arms.

which they inserted in one's face and arms with marked vicioueness. It took but a second or two for them to eat enough to fatten them beyond all belief. It took all our time to kill the critters as they alighted on us. At the end of the first half hour they began piercing our clothes. When I found that the devilish fellows were crawling up my legs I hastily went to the caltin and put on a pair of big boot- and climbed into a heary winter over-coat. When I salied out on deck again I thought I was proof against the bites of the mosquitods. Yot so, however. They managed to both terme almost as much as before. By this time many of the crew had swathed their faces and necks with shirts, leaving only space enough to see. which they inserted in one's face and arms street, allout No. - Holero, in 1881. Try
