A CRISIS IN THE REPUBLICAN

With no disaffection, and with each can be chosen. If the county could be saved any money, he did not want to serve party polling its full vote, both states on the committee, but he did want the would elect the Republican ticket. But bridges rebuilt. in either. In Pennsylvania an independ-could decide when the other bridges would ent ticket is already in the field. It origi.

llon against the domineering imperiousness of Conkling.

The Director said it would be better to make an appropriation than to name a committee of five to expend so much It is useless for any set of politicians to money.

Alternet to hold the Republican party together for ary length of time by machinery.

Its great glory is its insistment that an integration of the second dependent individual sentiment intellibridge, and the one over St. George's av-gibly taught and unmanipulated makes enue and Irving street should be rebuilt the only fit representative of the national Mr. Stover said it would not do to apwill. The party has naturally and point a committee for every bridge. sition: So long as it has permitted this individual sentiment to assert itself it has not along well enough. Lust pow it is

got along well enough. Just now it re-fuses to allow this to have any weight. In Mr. Hubbard said it was a difficult matparty was unquestionably in favor of the should be rebuilt. re-nomination of Cornell. But he had of fended Conkling and the President not on party but on personal matters. Had he not done so he would have been re-nominated without opposition. He antagonised Conkling twice. First, when Conkling Raway and examine the condition of the bridges. his influence in favor of the ex-Senators the bridge over St. George's Avenue.

Recelection. Secondly, when Conkling is Mr. Runkle offered a resolution for a might make a large fee, and that Jay and report on October Oth. ready acquired by his peculiar processes. The resolution to visit Rahway was the Governor refused to accede to his adopted—9 to 8. wishes. The mass of the voters of New Mr. Clark brose to a question of privilege, York believe that for these reasons he was defeated in his re-nomination. A much larger number than is necessary to control the balance of power believe that on account of those reasons he should have been remained. They therefore regard him he marryr who because he was honest addinated to the Board. It was, in substance, how much money Rahway has in list treasury id pay on its taxes, and the an-lifetic community of Pontrol Extract.

It is uscless even to argue with it. It feels that the party by machine processes has destroyed men in whose honesty it had entire confidence. It considers that the party has wilfully insulted its intelligence and the party has wilfully insulted its intelligence and restrotism and it will vote sgains. Folger with the same zeal as if it disliked him, the same zeal as if it disliked him, the same zeal as if it disliked him. The bridge question occupied a great deal of the stantion of the Board, and the literature members did not seem to be of one

rebuile the self-appointed leaders of it. In such an emergency these elements mean to The Board to settle all differ. vote against the ticket and the larger the ences of opinion, and the burden of the number of Republican voters who go to the debate seemed to hinge on the fact that polis the larger will be the Democratic mathe Rahway work ought to be divided, and

eral ald the party. In 1884 the effect of another meeting and hear a report, after which some definite action will probably this fall's election will teach even machine to taken. Which the fall's election will probably politicians that they cannot afford to ignore the spontaneous wishes of the people.

-THE BRIDGE QUESTION. The Board of Chosen Freeholders held mosting yesterday afternoon-all of the menthers answering their names at roll Director Martine presided. The first business in order, after the reading of the minutes, was the presentation of it was not anticipated that the loss it

bills, and the ordering pald of the same. When the bill of the Water Company came up the Director remarked that the in the County since the freshet, and after county had enough bills for water without At a meeting of the Union County Republican

At a meeting of the Union County Republican

Cutte a number of bills were presented on account of the freshet. It was stated that all of the bills were in from Rahway, and townships to hold their primary meetings to which had been incurred by the freshet.

Assembly District Convention, and also to ideal the bills were kept separately from the other word and township on the county Executive Committee of the Executive Committee of the County Executive Committee of the County Executive Committee of the Executive Committee of the County Executive Committee of the County Executive Committee of the County Executive Committee of the Executive County E this bne.

The blood is the foundation of life, it circulates through every part of the body, and unless it is pur and rich, good health is impossible. If disease has entered the system the only sure and quick way to drive it out is to purify and enrich the

These simple facts are well known, and the highest medical authorities agree that nothing but iron will restore the blood to its natural condition: and also that all the iron preparations hitherto made blacken the teeth, cause headache, and are otherwise injurious. Brown's Iron Briters will thou oughly and quickly assimilate with the blood, purifying and strengthening it, and thus drive disease from any part of the system, and it will not blacken the teeth, cause headache or constipation, and is positively not injurious.

Saved his Child.

17 N. Eutaw St., Balumore, Md. Feb. 12, 1820. Gents:-Upon the recommenda-tion of a friend I tried Brown's then Bitters as a tonic and re-terrative for my daughter, when a l was thoroughly convinced was wasting away with Concumption. Having lost three daughters by the terrible disease, under the care of eminent physicians, I was loth to believe that anything could arrest the progress of the disease, but, to my great surprise, before my daugh-ter had taken one bottle of Brown's leon litters, the began to mend and now is quite restored to former health. A fifth flaughter legan to show signs of Consumption, and when the physician was consulted he quickly said "Tonics were re-quired;" and when informed that the elder sixter was taking Brown? I now BITTIES, responded "that is a good tonic, take it." ADORAH PHELES

BROWN'S IRON BITTERS effectual. ly cures Dyspepsia, Indigestion and Weakness, and renders the greatest relief and benefit to persons suffering from such wasting diseases as Cou-sumption, Kidney Complaints, etc.

Cor. Irving and Cherry Sts., Rahway, N. J.

One Bottle of C. Monroe's Remedy Without the use of Quinine.

the state has a most injurious effect upon is the latest novely introduced on the the growth of the mustache as the poison (Chicago, Milwankee and St. Paul road, governted wille smoking them acts upon the much lining of the upper lip, thus belies and heave made an excursion over stunding the growth Young men who the road and danced the racquet with the ard abx outs to become "mashers" must train moving at forty miles an hour. The

ird abxious to become "mashers must train moving at logy mice an accurate with their eligareties, or else go through fall room was in a large baggage car, saxly feet long by fifteen wide. The floor was elegantly carpeted, the walls beautifully painted, hung with pictures, and decorated with bunting, evergueens, and garlands of moses. There was an orchestra of eight roses. And he became a Wright angler. He thought he would try and tatch a sround every hour. Fort Worth Gazette.

And Became a try angles. He laughed to think how smart he was. And lie became a cute anvier. But he did not see the shark with its of trouble in married life is a want of openose under the stern of his craft. He was such an obtuse angler.

the horse tefuted to those. Every expedite twint careful and feels herself injured when, at last, a certain the horse tefuted to those. Every expedite twint will tried in vain. The horse allowed its tail to be twisted and only shook its head reproachfully when the whip was aphone the discovered by a Building!

at once trotted up the runs in the usual at once trotted up the runs in the usual surprised in a night's walk to observe the Ukraine style, amid the plandits of the great number of residences in which a Hear What the Deaf Say spectators.

St. Nemotits for October.—The last number of the present volume, shows no diminution in the excellence that has die tinguished the previous issues of the year. The troutispiece is a failful propodule to of a drawing by W. T. Smedley, and is called "When we were Boyl." The opening story is by Prof. H. H. Boyesen beautifully illustrated by Birch. W. O. Stoddard Configuration of the constantifully illustrated by Birch. W. O. Stoddard Coolifications about the configuration of the finance, "heartifully illustrated by Birch. W. O. Stoddard Coolifications and the contributes are of the close of every disease. The fight from the lamp is clever pencil come in play again to illustrated Miss Burnham's verses." A Realized Hope. Matrice Thompson tells, in an interesting way, of the Carolina Supeucker, and they seem a contributes one of this showed with six spirited pictures by Kelly. Frank R. Stocklar contributes one of this showed.

R. Stockton Contributes one or an analysis of Very Gentle House.—My wife, Three and the Kilmaree," and also writes writes Eli Perkint, having been run away e Very Little Folks story, for which with once, is always afraid the horse Addie Lelyard has drawn four pretty illgoing to run away with her again. Yesustrations. "A Story of a Very Naughty terday when Harrington, who runs the firl; or, My Visit to Mary Jane." Is a Maplewood Hall stables at Pittsfield, Mass. natural and amusing confession, from the pen of Listeth Hall. "The Captain of the Orient Base-hall Nine' is a manly story for boys, by an author who shows that he not only knows how to write a "Donald and Dorothy," Mrs. Dodge's:

ntertaining serial story, is brought to a DOES THE WORLD MOVE. - The San Francisco Emancipator says: "When the ancient prophets foreshadowed better things, they were taken with a great many grains of allowance. The dreams of Plato were Utopian, and Utopia was a myth. Strange, that all along the ages the people have contended against the very things that have contended against the very things that subsequently have proved their greatest blessings! The persecutions of Galileo, the ridicule and obstacles thrown in the they do been skittish."

"Well, yes, ma'am; su'thin did happen turner day that would have skeered em of Columbus the opposition shown o geology, and kindred sciences are among the innumerable instances of this truth. "We present our readers with a charac-

vay of Columbus, the opposition shown eristic letter from the celebrated Cotton venting the pure ethics and elevated moralty of two hundred years ago from being called Quakers. The following letter was discovered among some ald papers in the Massachusetts Historical Society. It hears Darwin in his "Descent of Man has many date, September, ye 12, 1682," and is kind things to say about animals. Social

Higginson '':

There is now at sean shippe (for our friend Elias Holdcraft, of London did advise me, by the last packet, that it would sall some time in August), called ye Welcome. R. Green was master, which had aboard a hundred or more of ye heretics and malignants called Quakers, with W. Penn, who is ye scamp at ye head of them. Ye General Court has accordingly given ye brigg Porpoise, to wayhiye ye said Welcome as near ye coast of Codd as may be great troop of buboons which were crossing great troop of buboons which were crossing people.

Yours, in ye bowels of Christ. " COTTON MATHER."

There is some fun in politics occasion ally. Not a little of it is just now being developed by the Ohio State campaign, which is being fought by the Democrats on an allianced with the whiskey sellers. The monkey, which, by clinging to a branch, was not at once carried off; it cried loudly was not at once carried off; it cried loudly for assistance upon which the other meman alliance with the whistey setters.

The was not at once carried on; it cried loudly temperance issue is the leading one in the four assistance, upon which the other members of the troup, with much uproar, rushpose that the Republican County Committee of Franklin County, bent the following circular to the Republican townlowing circular to the Republican townloading countries and the description of the properties of the p hip committees under date of September escape. Please furnish me as soon as you can the

ames and post-office address of all the emocrats in your school district who are Bitters. shurch members and temperance men, or the are morally inclined. Also the names and post-office address of Prohibitionists. We want as full and complete a list of lose classes of men as you can possibly give us. This matter is considered very important by the committee, and we trust nat you will give it your attention. Very respectfully, HENRY C. TAYLOR, Chairman Wirkelen Wikoff, Secretary,

To the floregoing circular prompt replie-came from most of the township committee men, but the character of these responses is provocative of more fun than of any other esult. Here are specimens of the answers his neck of the woods."

"Might us well look for white black. ganied."
