MESSRS. C.I. HOOD & Co.,

Lowell, Mass.:
Dear Birs—I have suffered from kidney complaint and biliousness for fitteen years. Have tried everything and never got any good. Last January, before I commenced taking Hood's Saiisapakii.

Kidney in Hood's Saiisapakii.
La, everything I ate bloated me all up, pain in my chest and arms, headache and dizzy. I could not get up without feeling weary and all fagged out. Many mornings I was obliged to lie down on the lounge. To do any work seemed almost impossible. Have taken two bottles. The backache, dizziness, pain in my chest and arms; and that feeling of intense weariness are all gone. I can eat anything and it does not press me at all. Feel just like work; in fact, like a new man. Can hearlily recommend Hood's Saisaparatila, and hope all who desire to know anything about it will come to me and ask what I think of it. Very truly yours,
