Consumption and many other diseases are outgrowths of this impurity of the blood. Hund's SARSALABILLA has a wonderful power over all scrofulous troubles, as the re-markable testimonials we have received umistakably prove.

MESSES. C. L. HOOD & Co.: Gentlemen-MESSES. C. I. HOOD & Co.: Gentlemen-• • My youngest son has always been troubled with Scrofulous Humor; sores in his head discharging from his ears, and a run-ning sore on the back of his ear for two years; his eyelids would fester and ulcerate, discharging so that I was obliged to wash them open, every morning, his eyelashes nearly all coming out; he was exceedingly dainty, most of the time eating but two slight meals a day. We were unable to find any-thing that had the least effect upon him till last spring. 185, we gave him two bottles of Hood's Sarsaparilla. Hisappetite improved at once. • • The back of his ear healed up without a scar, and not a sore in his head since. Sincerely yours
