VALUABLE TESTIMONIALS. DEAR SIRS: We were having an occasion to put the horse his nork, he threw out a curb, in consequence of which I would have sold him, at that time, for three hundred dollars (\$500), or less. Hearing of Ellis's Spavin Cure Liniment, I fried it with good results. In two weeks the curb was gone and the horse going sound. I put him in condition again, and in two months we sold him for as many thousands as we valued him worth hundreds when he had the curb. The horse is at present boarding at our stable and being driven on the road every day. We can safely recommend your Spavin Curo Liniment for all bone diseases and callous umps of any kind, if properly used.
