Pipe amoking is the real test of a tobacco. It is the regal way of smokink. You get more directly at the flavor and fragrance. You take the smoke couler, and the tonic cleanlier and safer. Pipe amoking is smoking reduced to a fine art. The more the question of adulterated tobaico forces itself on the attention of smokers, the more desirable it becomes to know precisely what you are amoking. In Blackwell's Bull Durham Smoking To-X

If it were possible to get the testimony of the multitude who have used Hoon's SARBAPARILLA for dobility, inguor, lassitude, and that general feeling of simpldity, weariness and exhaustion which overy one feels during this season, we should be able to present to our readers we should be able to present to our roaders anoth an over vielming mass of commend-atory messages, that the few who have not-tried it would do so at once. It is a positive fact, and has been so effectually demon strated that no one to-day denies it, that ilood's farsaparilla contains more real med-cinal value than any article before the people.

AT ANK
