SPRING-TIME: A PAINTER'S intention of putting a young girl of Milton Lake Ice.

RAHWAY, N. I., SATURDAY, MAY 3, 1884.

"Where did you get that model found the very being, and my mind was made up. I took an early opportaken aback.

We were standing, my host and I, tunity of revisiting the shop, and entering into a friendly conversation. It is Cor. Milton and St George's Avenues.

petals of the wood anendone suffused with a relaxing smile and saidher cheek, and the wondrous blue of her half-hidden eyes seemed to have been distilled from the shade-loving violet. Her very dress, of some white gossamer material trimmed with dusky green, was in harmony with the snowy clouds and bursting

With one Style of School Hats I will present the Buyer with a jumping leaves of spring. It was a strange, poetical, fascinating picture. There was a strange ness in the wistful beauty of the girl's face which you could never fathom, taze as you would; and her were blended into one.

"Where did you get that model romance. from?" I asked. My bost was an artist of middle age who had made this over

After I had put my question he Lily !" was silent for a few moments. Then he said very gravely—
"Well, I will tell you where I got that model. Let it be a secret between you and me. In my young days I was, you know, not at all a wealthy man! Like so many young artists, I was poor and almost penniless, living in my painting-room it-self and dining out at a cafe; but I was hard working, eager to get on, aspiring to be a great painter. To keep soul and body together I painted "pot-boilers" for the dealers, in-

numerable mossy bird's nests with blue eggs in them, artistically, but I'm afraid not very naturally, posed beside a sprig of may blossom or a That you are, you witch," I wicket leading from the churchyard day, congregating tens of thousands to fine flowering primrose. Whenever I could not help answering. But my into the lane, and here she stopped the streets and drink in the splendor of the wanted a new hat or a new pair of work recalled me to myself. boots, I painted a "bird-nest," and She came punctually at her hour, the dealer always took it at the same and left as punctually. Our inter-Morley."

price—two pounds ten. But all the course was confined to gossip and "Lily," I pleaded, "my dear child, while I was bent on hainting a pic- good-natured chaff within the studil. while I was bent on plainting a picture for the Academy Not a little, unambitious effort, a head of game lying on a marble slab, a bunch of fruit, or the corner of some old brick house by a canal, to show that I her to stay with me after dark. Then house by a canal, to show that I got into the habit of escorting her to stay with me after dark. Then house by a canal, and get, perhaps, a lofty place in some obscure corner.

Homes of those of our former fully place in some obscure corner. No! I was bent on painting a striking picture which would create a out Lily loved me. In the studio of the homeward-bound rooks, and she held out her hand.

I remember the scene as well as if the plantation, the cotton and she held out her hand.

I remember the scene as well as if the perhaps in the plantation, the cotton in the habit of escorting her building quick-set of the hedgerows, a lofty place in some obscure corner.

No! I was bent on plainting a picture which would create a out Lily loved me. In the studio of the homeward-bound rooks, and instress of nature, and the children of which would mean the clindren of melody sing in thing let me go home with you!"

No," she sad, "it's better not," and she held out her hand.

I remember the scene as well as if the perhaps in the cotton in the plantation, the cotton in the picture which the count of the plantation, the cotton in the picture when the Great Day comes, which was limited, arranged for in hand she held out her hand.

I remember the scene as well as if the perhaps in the plantation, the cotton in the picture when the Great Day comes, which was all the picture of the plantation, the cotton in the held out her hand.

I remember the scene as well as if the property in the plantation, the cotton in the picture of the plantation of the

Cure for Croup.—Use Dr. Thomas Eclectric Oil according to directions. It is the conductor on the Harlem Ruilway, where."—J. Hart, Druggist, Sing Sing, N. Y. to have some share in the property that now?" necessarily a wrong thing for a legislator old Mrs. Fishwacker, during a private to acquire an interest in a corporate organ recital in her new music room, "do lameness over the hips, is a sign of diseased property after legislative action in which pull out that sweet nux vomica stop once kidneys. Use the best kidney curative he had assisted." He then illustrates his he had assisted." He then illustrates his argument by showing that in reference to another railroad, Edmunds had in the county havers, "we've been married by an eminent physician, which shows how any woman may become a likery's perfect companion.

A LADY'S PERFECT COMPANION We have just published a new book by an eminent physician, which shows how any woman may become a shows how any woman may become a shows how any woman may become a of a land grant to the company and after-ward bought a considerable quantity of the pears to have become a manua, but a little stock and bonds of the same company.

The elopement of married women appears to have become a manua, but a little reflection will convince husbands that it always rages just before the advent of whatever. It also tells how to treat and overcome nervousness, morning sickness, swelled limbs, and all other lawys rages just before the advent of evils attending pregnancy. It is a seed book issued to help suffering will aid either of these candidates or the party. Both of these gentlemen have said they will not be candidates. This is nonsense. The conduct of both shows they will yield to the wishes of the National Convention at once if nominated. Either of them is abundantly capable of filling the great office of President with filling the great office of President with hour, but this thread makes fifteen knots an LIVER, KIDNEY OR STOMACH TROUBLE. high credit. Neither of them can be elected minute."

Symptoms: Impare blood, costive bowels, irregular high credit. Neither of them can be elected if personal strife among our own party is to be invoked to secure a nomination. The chances of election of either will be seriously diminished if after his nomination of elected if after his nomination. The moral unfitness and refer to the columns of the columns moral unfitness and refer to the columns Mrs. Grass really handsome or very enter. COUGHS, COLDS, CATARRII, CONSUMPTION.

COMMUNICATIONS.

Sunday School Convention.—The Second Annual Convention of the New Jersey Sunday School Association for the Third District, comprising the counties of Essex, Hudson, Middlesex and Union, was held in Wooll bridge April 30th.

A photographer in a country town was recently visited by a young woman, who, with sweet simplicity, asked, "How long does it take to get your photograph after you have left your measure?"

A neighboring paper, reporting a recent social, says: "The opening piece was rendered by a muld quartette." The reporter wrote it "male quartette," but the compositor knew better.—Oil Gity Derrick. called on to report. In the absence of the secretary, Mr. Riggs reported for Union county. He said as far as he knew the work was progressing. He thought the greatest need in most of the sciools were adult classes. Mr. Wm. Edgar of Wildlesov county gave a few statistics. Middlesex county days a few statistics.
There are 91 schools in the county of "What sort of a place is that pa?" askwhich 84 had reported during the past ed a little boy of his male parent while year. He advocated more thorough organization.

Mr. K. P. Ketcham was expected to ad dress the audience but being una voidably absent Rev. J. Kershaw of large.

What sort of a place is that pa?" asked a little boy of his male parent while they were out walking. "That's a beer garden." "I didn't know beer grew in gardens." "There is a great deal of it raised in gardens, my son."—Texas Siftengs. Bound Brook held a conference on "Regnlation of the weekday Reading of our nlation of the weekday Reading of our properties on the properties of the weekday Reading of our nusic at Mrs. Rarveru, talking youth." Books lave a great induce on about music at Mrs. Suddenriches' reception, "I just dote on them sympathy contended on the properties of the whole series. Ain't them confidence are assist in the regulation of the scribing for the whole series. Ain't them children's reading. As the conference was Beethoven rapsodies real elegant." open for any one to give suggestions, many questions came up. Can the parent How to READ A NOVEL.—Open it in control the reading and bow? by regulating the middle, glance at a page. Catch the will see that it pays to buy the Best.

was recommended by Mr. Broadhead, and endorsed by Mr. Porter to all who were interested in choosing good books. Rev. Mr. Long of Plainfield next addressed the meeting.

Subject.—"The Conversion of Children" wine we ever handled." Speer's Wines Consumption. The only certain cure wine we ever handled." Speer's Wines Consumption. The only certain cure known for Consumption. Consumption coulds.

"I believe conversion can come at any age.
Teachers, do not get discouraged. The simplicity of the Gospel is suited to child. The brunette. Cherry Streets.

Cherry Streets.

Christianity is the only religion that trusts itself to a child. Gain a child's confidence, and you will soon gain his soul."

All who heard Mr. Long's stirring appeal for the little ones will not soon forget bottle at druggists.

See Cherry Streets.

All who heard Mr. Long's stirring appeal for the little ones will not soon forget bottle at druggists.

A presidential election in which no sharp and well defined issues are involved has both advantages and disadvantages. Among its chief advantages is the feeling that which ever party succeeds, neither the business nor the peace of the country is likely to be disturbed. Among its advantages is the apathy resulting from the want of a cause to arouse the voters. This Fall one can hardly find a sufficient difference between the political parties to excite the masses. The question of Civil Service Reform although primarily a republican measure has its advocates and

A base imitation—a bustle. A brilliant match: Twin diamonds. What holds all the snuff in the world

There is generally not much bustle Sweet are the uses of adversity, most people prefer sugar. A furnace should be like a good singer,

How to be an Orator.—At no period of our country's history was public speaking more in demand than at the present time. The speaker everywhere is welcomed, and his calling honored. A man of moderate attainments who has cultivated the art of public speaking, will always be a man of influence, and looked upon as an authority on any point at issue. This Book gives complete directions for composing a speech. It should be in the hands of every one who is desirous of becoming proficient in the supremely useful and noble art of oratory. Price.—15C. Parior Pastimes; or the Whole Art of Amusing; for Public and Private Butertainments. An entirely new work by the celebrated Professor Raymond, on Magic, Conjuring, Leger demain and Prestidigitation. It is a complete expose of the Wizard's Art. No trick or illusion of importance is left unnoticed, and the instruction and explanations are so alumnic and explanations are so alumnic and explanations.

Offenbach's Dancing Without's Master, and Ball-Room Manual.—As it is not always convenient to have recourse to a teacher of dancing, this work aims to supply the deficiency. In this it has been very successful. By a series of practical and lucid instructions, the art of Dancing is so simplified that any one can become proficient in the art without the aid of a master. In addition to specific detailed instructions as to how to dance, it gives some very valuable information relating to organizing a balluable information relating to organizing a ball-ball-room tollet, etiquetto of the ball-room, managing and arranging the ball-room. All the popular dances are given, and the whole is illus-trated by numerous cuts and diagrams. Price,

Works of Shakespeare. -- 1100 pages, printed on fine tinted paper, and handsomely bound in cloth, richly embellished. This volume contains a complete glossary; au index to the characters in each play. The lines in each scene are numbered, so as to make them convenient for reference. \$1.00 he Secret of Beauty; or How he Secret of Beauty; or How to Be Haudsome. By M. Lafayette Byra, M. D. This little treatise is just such a pertinent, practical brochure as the public might expect from so practical, observant and polished gentleman as the author. To every lady or gentleman, young or old, its value is priceless. No one can fail to derive some benefit from it. Rules are given to improve the complexion, to preserve and beautify the teeth, to brighten and preserve the every to beautify the form to make the form. the eyes, to beautify the form, to make the face and lips rosy, to dress with taste, ladies' dress,
