PERIODIC PILLS, that I was at all successful. Since then more than 500 boxes have been used under my immediate supervision, and I deem it only an act of justice to certify that I have never known a single failure."

Twenty years ago M. R. B. Coleman, then proprietor of the Astor House, wrote to Mr. Deshire:

"I shall not claim the \$500 you agreed to give me if your medicine did not cure me, for the Fills have completely delivered me from CHILLS AND FEVER, and health is better than money."

DESHLER'S ANTI-PERIODIC PILLS have been doing this work for an entire generation, and their reputation is solid as the hills. They contain no mercury, quinne nor arsenic. They thoroughly expel the malarial poison from the system, and yet are perfectly safe for both series, all ages and the most delicate constitutions.

Ask your druggists for our new treatise on malaria. It is fresh in matter and style and contains the latest information.

tht had he to dictate to her? And, she did take the disease, what did matter? What did anything

The thought came unbidden, and she put it away from her angrily. again," he said, in a softer tone. You might carry infection to your pupils, even if you should escape the "I will stay away if you think rught," she answered submissively.

"Certainly I think you ought," he said, with one of his gentle smiles He accompanied her a little way lown the street, and then left her with a kindly though gravely spoken good by. It was evident that he bore her no resentment. She would have been better pleased if he had. Still it was something to have

About a week after that, County had gone a short distance by train to spoken to him once more. ive a music-lesson to a little girl Just as they were about to begin, her pupil's mother came into the room.

"Oh, Miss Capel, can you tell me how Doctor Threipland is this morning?" she asked.

"Doctor Threipland?" repeated County; and her heart seemed to County; and her heart seemed to

stand still. "Did you not know he was ill? Have you not heard?" "No; I have heard nothing," she forced her white lips to utter.

"Living so near, I made sure you know. He sucked the mucus, or whatever it is, out of the throat of a little girl who was dying of diphtheria, and he has been nearly dead since it is supposed from bloodpoisoning. Such a horrid thing to do, wasn't it? Quite a poor chi she is too but her mother was in great distress about her, and it seems this was the only way to save her. I heard all about it from my charwoman. It will be very shocking if he loses his life by it, poor fellowsuch a pleasant man as he is, and so FOR SALE AT BROWN'S DRUG STORE.

County never knew how she got LIVER HIDNEY OR STONAGH TROUBLE hrough that music-lesson. All the appetite, sour belching, pains in side, back and time her pupil was hammering over scales and exercises she was saying to heart, yellow urine, burning when urinating clay-colored stools, bad breath, no desire for work, scales and exercises she was saying to chills, fever, irritability whitish tongue, dry cough, chills, fever, irritability whitish tongue, dry cough, dizzy head, with dull pain in back part, loss of memory, forgy sight. For these troubles "SWAY-thought unworthy of my love!"

And when she had made her as SON Phila. Pa. Sold by Dryggists.

COUGHS, COLDS, CATARRH, CONSUMPTION. escape from the house and was in the train on her way home, she kept saying to herself that, if he died she would like to die too, for she could not live with the remorseful pain always aching at her heart And then she tried to pray for resig-

was, and would go and make in by Druggists.

Lecture to Young Men ON THE LOSS OF

A Lecture on the Nature, Treatment and Radical cure of Seninal Weakness, or Spermatorrhos, induced by Self Abuse. Involuntary Emissions, Impotency, Nervous Debility, and Impediments to Marriage generally: Consumption, Epilepsy and Fits; Mental and Physical Incapacity, &c. By ROBERT J. CULVERWELL, M.D., anthor of the "Green Book." &c.

The world-renowned author in this admirable The world-renowned author, in this admirable Lecture, clearly proves from his own expenence that the awful consequences of Self-Abuse may be effectually removed without dangerous surgical operations, bougies, instruments, rings or cordinis; pointing out a mode of cure at once certain and effectual, by which every sufferer, no matter what his condition may be, may cure himself chesply, privately and radically.

This lecture will prove a boon to thousands and thousands.
