By reason of its central position and close relation to all principal lines East and West, at initial and terminal points, constitutes the most important mid-continental link in that system of through transportation which invites and facilitates travel and traffic between cities of the Atlantic and Pacific Coasts. It is also the favorite and best route to and from points East, Northeast and Southeast, and corresponding points West, Northwest and Southwest. The Great Rock Island Route Guarantees its patrons that sense of personal security afforded by a solid, thoroughly ballasted roadbed, smooth tracks of continuous steel rail, substantially built culverts and bridges, rolling stock as near perfection as human skill can make it, the safety appliances of patent buffers, platforms and air-brakes, and that exacting discipline which governs the practical operation of all its trains. Other specialties of this route, are Transfers at all connecting points in Union Depots, and the unsurpassed comforts and luxuries of its Passenger Equipment.

The Fast Express Trains between Chicago

The Fast Express Trains between Chicago and Peorla, Council Bluffs, Kanass City, Leavenworth and Atchison are composed of well ventilated, finely upholstered Day Coaches, Magnificant Pullman Palace Sleepers of the latest design, and sumptuous Dining Cars, in which elaborately cooked meals are leisurely eaten. Between Chicago and Kanasa City and Atchison are also run the Celebrated Reclining Chair Cars. The Famous Albert Lea Route

Is the direct and favorite line between Chicago and Minneapolis and St. Paul, where connections are made in Union Depots for all points in the Territories and British Provinces. Over this route Fast Express Trains are run to the watering places, summer resorts, picturesque localities, and hunting and fishing grounds of Iowa and Minnesota. It is also the most desirable route to the rich wheat fields and pastoral lands of interior Dakota.

Btill another DIRECT LINE, via Seneca and Kankaee, has been opened between Cincinnati, Indianapolis and Lafayette, and Council Bluffs, Kansas City, Minneapolis and St. Paul and intermediate points.

For malaria is not so much a disease in itself as the cause of a vast number of diseases. Don't forget this fact when you have some lingering complaint which you try to persuade yourself is not mathrious. If you live in ALL SEASONABLE or near a malaria district the chances are ninety. nine in a hundred that you are more or less poisoned

by this exhalation. No matter what the doctors Fruits and Vegetables call your particular trouble you can't go wrong it you treat yourself for malaria, Dr. J. N. Tilden, of Peekskill, N. Y., who has given much study to the subject, says in a late arti-The Best the Murket Affords, cle in the New York Medical Times: "Malaria is an unseen foe which enters the human system without warning, and gives rise to such various and numerous disturbances that none can tell where it begins nor where it ends, While the nature of this poison remains largely a mystery, the practical question is. What medicine

leave no reaction-no afterdaps.

REASONABLE PRICES, shall we take? Quinine is mostly relied upon, but, although it may temporarily relieve the fever, if often leaves consequences simost as bad as the complaint it is taken to cure. The poor soul who trusts to quinine, knowing of nothing better, may pay out a deal of money merely to buy a drug disease, with malaria ready to attack him again just as soon as he can no longer endure the medicine. Why people should go through all this when they can get Peshler's Anti-Periodic Pills is something hard to understand. For it is certain that these pills not only expel malaria from the system, but
