RAHWAY ADVOCATE

Published Semi-Weekly by W. L. MERSHON & CO.

Subscription, \$2.00 Per Year Single Copies, 5 Cents

RAHWAY, N. J., JUNE 27, 1885.

Another link with the past is broken by the retirement of the Broadway stages.

The change has proved beneficial to General Grant.

Twenty-two thousand blue coated veterans were in the parade at the G. A. R. national encampment at Portland.

Even though the fight for the internal revenue collectorship is over, desultory firing is still kept up.

Buddensick will have ten years in which to study the architecture and construction of a strong building.

The Masonic Temple at Trenton was proposed on May 21, 1885, the corner was laid on July 15, 1884, and the building was dedicated on Wednesday.

Gold and silver have been "struck" at Catfish Gap, Warren County, in this State. Assays of the ore show \$22.88 in silver and \$2.69 in gold to the ton.

The attention which the visiting Frenchman are receiving forms a slight but grateful token of appreciation of the friendship of the country which sent the gift they brought.

The Mayor proclaims elsewhere, that the ordinance against bathing naked in the river is in force. He may offend the small boys, but as they are not voters his action will not work to his political injury.

The New Jersey public schools received twenty-one diplomas at the New Orleans Exposition—the highest number awarded any State. It was an "international" competition in which the "foreigners" scooped the prizes.

A notice from the Board of Finance published in another column will be of interest to holders of the old issue of Rahway bonds. To get the benefit of this year's tax levy for interest they should be exchanged before July 1st.

The Elizabeth authorities have hit on an economical plan of abating the unnumbered dog nuisance. They propose to pay policemen fifty cents for each dog they kill, when found at large without a muzzle. This will save the expense of a dog pound.

The Mayor, mindful of the danger from rabid dogs, has issued a proclamation, which appears in another column, authorizing any citizen to shoot any dog found in the streets unmuzzled, or not led by a rope or chain. There have been so many cases of canine rabies this season that the proclamation is very timely, and owners of dogs who do not heed the warning must not complain if their pets are shot.

How is this for a you-pay-your-money, and you take your-choice editorial? Says the Jersey City Argus (dem.):

The President and Cabinet have been besieged by seekers after jobs, the majority of whom bear about as much resemblance to the "Worrier" as it is to be hoped that the Administration is not one for the benefit solely of politicians.

Further on in the same article appears this:

"President Cleveland and the Cabinet of removing every official who is high or low—who is not in active, working sympathy with the Administration."

Says the Chicago Times:—"The Postmaster General is morally bound, if sincere, to require successors of the removed partisans to take the following pledge:

I, . . . being about to accept the office of . . . do hereby promise, upon my word of honor, that during my tenure of the said office, I will not be an offensive partisan, meaning that I will not commit any of the following described offenses:

- 1. I will not edit or publish a party organ printing offensive articles.
2. I will not make stamp speeches.
3. I will not be a member of any political or partisan committee, nor officer of a campaign club, nor organizer of a political meeting.
4. I will not permit my office to be the headquarters of any committee or club.
5. I will not permit that my clerks be put to the performance of party services.

From these, and all other acts that bring the public servant within the definition of an offensive partisan, I promise to strictly and faithfully abstain.

CONCERT AT THE SECOND PRESBYTERIAN CHURCH.—The Second Presbyterian Church was well filled last night on the occasion of the grand concert of the Ladies' Society. The Leslie Quartette of the Brooklyn, of whom Mr. James Dunn of the church choir is one, sang "The Armilularia" and "The Blue Bells of Scotland," and the "Long-limbed Master." The members of the church choir also sang in solos, duets and quartettes. Col. Edgar recited "The Raven," and read "Our Boarding-School," from Dickens. Numerous encores attended the listeners' appreciation of the entertainment.

ASK VANDERBILT AND HIS BROTHERS.—A Washington dispatch to the Philadelphia Press says: "There is a neat story connected with a recent appointment of Matthew Vanderbilt to Collector of Internal Revenue for the Third New Jersey District. It seems that Vanderbilt had considerable backing in his district, and the President was inclined to favor him, but charges of intemperance were brought against him. The President sent for Mr. Abe Vanderreer, who is the teller in the National Redemption Division of the Treasury Department, and questioned him regarding the matter. Mr. Vanderreer told the President that about fourteen years ago Matt had gone on occasional sprees, but that he had entirely reformed and that the present charges were false and malicious. 'I had sufficient evidence on file to refute these charges,' said the President, 'but I sent you to ask you squarely about your brother. I am perfectly satisfied with your explanation, and you may telegraph your brother that he will be appointed to-morrow.' And he was.

RIDING, ROWING, AND DANCING BY MOONLIGHT.—The members of the Philharmonic Society thought that the man in the moon would show his bright smiling face unclouded (Thursday night) and organized a stage ride to the Seawanhauk House. The old women with the broom heads swept every cobweb from the sky. At a quarter before four in the afternoon the moon shined brightly on the faces of the unclouded (Thursday night) and organized a stage ride to the Seawanhauk House. The old women with the broom heads swept every cobweb from the sky. At a quarter before four in the afternoon the moon shined brightly on the faces of the unclouded (Thursday night) and organized a stage ride to the Seawanhauk House.

CITIZEN'S LEAGUE.—A meeting of the Executive Committee of the Citizen's League was held at the Reform Club rooms on Wednesday evening. All the members but one were present. By the committee through mistake the name of Charles H. Leonard, from the committee published in our last issue. By laws were adopted providing for four standing committees, viz., finance, public meetings, and judiciary. The last is the most important and the one which will depend on this committee.

HOCKEY MOVING W.A.—Street Commissioner Hughes yesterday moved the old Perote streets, to a site on Essex street. Mr. Hughes met with considerable opposition in the way of branches of trees and land property owners. The former he cut down or moved off, and the latter he got rid of effectively by hanging very high and forbidding than politics. The house wheels took its course down Essex street, to Essex, to Main, to Monroe, to Essex, and destruction of the malediction marked the path thereof. The highways through which the Street Commissioner led his triumphal procession looked after its passage as though a gentle Western cyclone had swept through them. They were already broken and broken branches. Trees had their limbs broken and their bark scraped. When a limb was found that was too tough to admit of the passage of the house, it was sawed off. Among the trees reported as specially injured were those in front of Mr. John D. Chapin's and Mr. John Blone's on Seminary street, and those in front of Jewell's, Mr. Isaac Osborn's, Mr. Shotwell's, and Mrs. Labaw's on Main street. His honor the Mayor was the toughest stumbling block he had to encounter. Mr. Daly protested, but all the same, the house moved on. Hot words are rumored to have passed between the two, which may possibly result in a change in the City Administration of one of two offices of our city government. The Mayor is reported to have used language to the effect that Tuesday night's council meeting may witness some decidedly interesting events. Public expectation is on the rise.

THE CLOSING EXERCISES OF MRS. FLAKE'S GERMAN SCHOOL.—On Thursday evening a large company of ladies and gentlemen assembled at Timmons' parlors on Main street in this city to witness the closing exercises of Mrs. Flake's German School. The recitations were all in the German language and consisted of original compositions and selections and showed a wonderful proficiency in the course of study pursued, and their mastery of the German language.

The exercises were opened by a Scripture reading from a German testament and followed by an invocation in English by Rev. W. A. Gray. A salutatory address was then delivered in German by Miss Martha Timmons. Miss Annie Miller then recited "A Song of Arc," this was followed by a vocal duet by Miss Underhill, after which followed an essay and translation by Miss Mills, an essay by Miss Timmons and a corset solo by Miss Charles Melick, followed by the closing chorus and the valedictory delivered by Miss Mills.

Altogether the occasion was a very enjoyable social event and contributed to the pleasure of a select and cultured audience. Mrs. Flake has a class of over forty pupils which she is educating very thoroughly in a knowledge of the German language and literature. She is a little woman of indomitable perseverance and energy, and desires the support of all our citizens who are desirous of the education of their children in this branch of study, in which Mrs. Flake has shown herself to be a proficient and competent instructor.

A continual dripping on a very rainy day and contusions women are alike—No wonder, poor souls, they are liable to headache. One twenty-five cents of a bottle of Salvation Oil will restore harmony in the household.

ROW HE GOT A POSITION "I applied for a position in a banking house at noon, and although I proved my competency, they would not make me. I had been down on my luck and looked for nothing. An idea struck me. I got up a new growth of hair with Parker's Hair Balsam, raised a decent suit of clothes, and shaved, and they took me in a minute." So writes a clerk with \$3,000 salary. The moral is plain. Parker's Hair Balsam gives a person a new face.

"I DON'T FEEL LIKE WORK" It makes no difference what business you are engaged in: whether you are a preacher, a merchant, a mechanic, a lawyer or a common laborer, you can't do your work well while you are half sick. A GREAT DISCOVERY. Mr. Wm. Thomas, of Newton, Ia., says: "My wife has been seriously afflicted with a cough for twenty-five years, and this spring more severely than ever before. She tried many remedies without relief, and being urged to try Dr. King's New Discovery, did so, with most gratifying result. The first bottle relieved her very much, and the second bottle cured her. She has not had so good health for thirty years."

Catarrh Cured Catarrh is a very prevalent disease, with distressing and offensive symptoms. Hood's Sarsaparilla gives ready relief and speedy cure, from the fact it acts through the blood, and thus reaches every part of the system.

"I suffered with catarrh fifteen years. Took Hood's Sarsaparilla and I am not troubled any with catarrh, and my general health is much better." I. W. LILLIS, Postal Clerk Chicago & St. Louis Railroad.

"I suffered with catarrh for 8 years; tried many wonderful cures, inhalers, etc., spending nearly one hundred dollars without benefit. I tried Hood's Sarsaparilla, and was greatly improved." M. A. ASBURY, Worcester, Mass.

STOLEN SEXTONK APPROVED.—The Supreme Court last week affirmed the decision of Judge McCormick in the Squire case. Benjamin B. Squire was tried in January 1887 for the non-payment of Rahway bonds committed by his charge while a member of the Board of Finance. He was found guilty and sentenced to imprisonment for three years. His case was appealed many on the ground that the sentence was in excess of the penalty prescribed by the statute. He has been out to bail ever since awaiting the decision of the Supreme Court. The appeal was argued in July 1888, but the decision was rendered until last week, when Judge McCormick's ruling was affirmed. It is understood that the case will be taken up to the Court of Errors and Appeals.

VICTORIOUS BAKING POWDER.—The United States Indian Commission has awarded to Messrs. Martin Kalbfleisch & Sons the baking powder contract, thereby recognizing the purity of their WHEAT BAKING POWDER. Baking powders containing alum or other deleterious substances were rejected. The WHEAT BAKING POWDER was recently awarded the GOLD MEDAL at the New Orleans International Exposition.

A warrant was issued and on Wednesday she came up for hearing on Thursday and Justice placed him under bonds to the amount of \$250, to appear before the court. Mr. Joseph Wooster became his bondsman.

A SUBSCRIPTION FOR REPAIRS.—For some time the trustees of the 2nd Presbyterian Church have seen the necessity of repairing the church building. A subscription list was circulated last Sunday and \$2000 was promised. The work of repair will be begun immediately. A new roof will be put on and the floor beams which have rotted in some places will be replaced by new ones. The exterior will be painted and the interior will be thoroughly renovated and decorated.

THE LOST SHIRT.—Mrs. Miller of East Rahway made complaint before Justice Tunison that Edson M. Hubbard had on two occasions threatened to assault her on May 29th and again on the first of June. At the hearing on Tuesday Mr. Hubbard appeared for the defendant and showed some points of law which the justice thought required his further consideration, so Hubbard was released on his recognizance until next Monday at 10 o'clock when a decision will be rendered.

DEER AND PRICKER KILLED.—Mr. W. Linton of Linden has a very pretty deer park on his grounds, in which are many very pretty fowls and animals. Last week a pricker was killed in its plumage, was killed from a frog occasioned by the person of a dog to get at it. Tuesday evening a pricker and soft-eyed doe was frightened to death by the setting and snapping of a pointer dog, which tried its best to attack the timid creature from within the enclosure. Both the pricker and doe were valuable to the family.

ELK HUNT.—The Lehigh Valley Railroad has contracted for the equipment of its engines with electric lights, subject to certain tests that are to be made between Easton and Jersey City early next week. The dynamo run by a small engine of one and a half horse power, attached to the side of the regular boiler, and fed by it. The invention is a western one, manufactured and controlled by a company in Ohio. It is already in operation on the Pan Handle Railroad west of Cincinnati.

TROUBLE IN THE ARMY.—The Elizabeth Herald says: There does not appear to be a world of harmony in the ranks of the Salvation army, as some of the soldiers rapidly are now deserting. New Jersey are making charges against General Moore. They say the book will show that he gets a salary of \$25 per week, while he receives that he does not get more than \$4 or \$5. They also say that he will not let the officers wear lace on their coat sleeves, though lace curtains adorn the windows of his residence in Brooklyn. They intimate, too, that before long there will be several deserters from the general's corps.

MILK DOGS.—Milk dogs have been taken in the vicinity of Summit, Chatham and Short Hills. About two weeks ago several dogs were killed at Summit, after they had bitten many other dogs and horses in the vicinity. At Short Hills there are several kennels containing valuable dogs, whose owners leave them there during the summer months. The rates have become so prevalent that most of the dogs have been sent home, and only one kennel is now open. Many valuable animals were killed when they showed signs of hydrophobia. The two recent cases in this vicinity should warn people against leaving their dogs unattended.

The tickets by both the Union and Northern Pacific routes bear liberal conditions as to limit of going and returning trips.

PROPERTY AGENTS WARNED.—The citizens as a rule have with propriety obeyed the notices of the Board of Health to vacate their premises. There has been, however, some trouble with agents of property owned by non-residents. It has been determined to enforce the ordinance and these agents will be arrested, as they should be, for their disregard of orders given for the protection of the health and life of the citizens. There is no earthly reason why they should be exempt from the operation of laws, which others are obliged to obey.

HUBBARD'S PARTNER AUGUSTED.—Hubbard's partner, Augusted, Hubbard's partner, has been out under \$10,000 bail for some time. Michael J. Daly, a bondsman to the extent of \$2000, became alarmed for his security and came to this city on Tuesday morning in search of Hubbard. He had with him the necessary papers for his arrest and surrender in New York. These he put in the hands of officer George Cogger and with him drove out to Hubbard's farm, where he had learned that Hubbard was. The other told the foreman of the place that he was in search of some pigs, and under that pretense, looked about and found Hubbard, whom he arrested. He took his prisoner to New York that morning and handed him over to the proper authorities.

A COMMON SENSE LAW.—Farmers and other out-door workers have long suffered from the too rapid wearing out of the soles of their Rubber Boots. Dirt and gravel when wet offer the best possible tools for cutting and grinding away the rubber sole, and to this destructive agency rubber boots are continually exposed, from the very nature of their use. Some two years ago, however, the Canada Rubber Co. of New Haven, Conn., hit upon the idea of making their boots with a double sole in that part which undergoes the greater amount of wear.
