GREETINGS: To all members and friends of the "RAKE and HOE GARDEN CLUB of WESTFIELD" in their new home at the new YWCA. We of Meeker's Garden Center, who have served so many of you for so many years, wish you every success in all your commendable projects.

To all newcomers in the surrounding areas we would like to introduce ourselves: We are the largest and most modern garden center in the area and have served Westfield and neighboring communities since 1928. Besides the best of the nationally known brands of lawn seed and fertilizers, we carry our own blends which have proven to be so successful in this area.

In addition you will find the best in tools, insecticides, roses, annuals, bulbs, perennials and flowering shrubs.

For the indoor gardener we have house plants and all the growing materials needed. For the flower arranger, all the necessary mechanics.

We are an authorized "SCOTT LAWN PROGRAM CENTER".

We cordially invite you to visit us at anytime.
