GENERAL RULES

1. All classes are open to the general public, with the exception of Classes 6 & 7, Artistic Crafts; classes 53-55, Challenge Classes; and Classes 57-64 the Juniors Division.
2. Each exhibit must be the work of the individual exhibitor, with the exception of the Educational Exhibits.
3. No artificial plant material may be used anywhere in the show.
4. The committee will exercise due care to protect exhibits, but cannot be responsible for damage or loss.
5. Judging will be based on National Council Standards. The decision of the judges is final. Judging will begin at 10:00 a.m. on April 23.
6. Design entries may be placed on April 22 between 5 and 8 p.m. or on April 23 between 8 and 9 a.m.
7. All entries must be passed by the Classification Chairman.
8. All native plant material must have been grown by the exhibitor or obtained in a legal manner, according to state conservation laws. Rare native plants must be labeled with botanical and common names.
9. Only authorized personnel will be allowed in the showroom during judging.
10. Classes 6, 7, 50-52, and Junior Division must be pre-registered with the Committee.

HORTICULTURE DIVISION RULES

1. All specimens, whether cut or container grown, **MUST** have been grown by the exhibitor.
2. Container-grown plants must have been in the possession of the exhibitor for not less than three (3) months. Double potting is accepted where it is indicated as necessary to care of the plant.
3. No oil, spray or artificial coloring is permitted on Horticulture specimens.
4. Accessory foliage is never used with cut specimens.

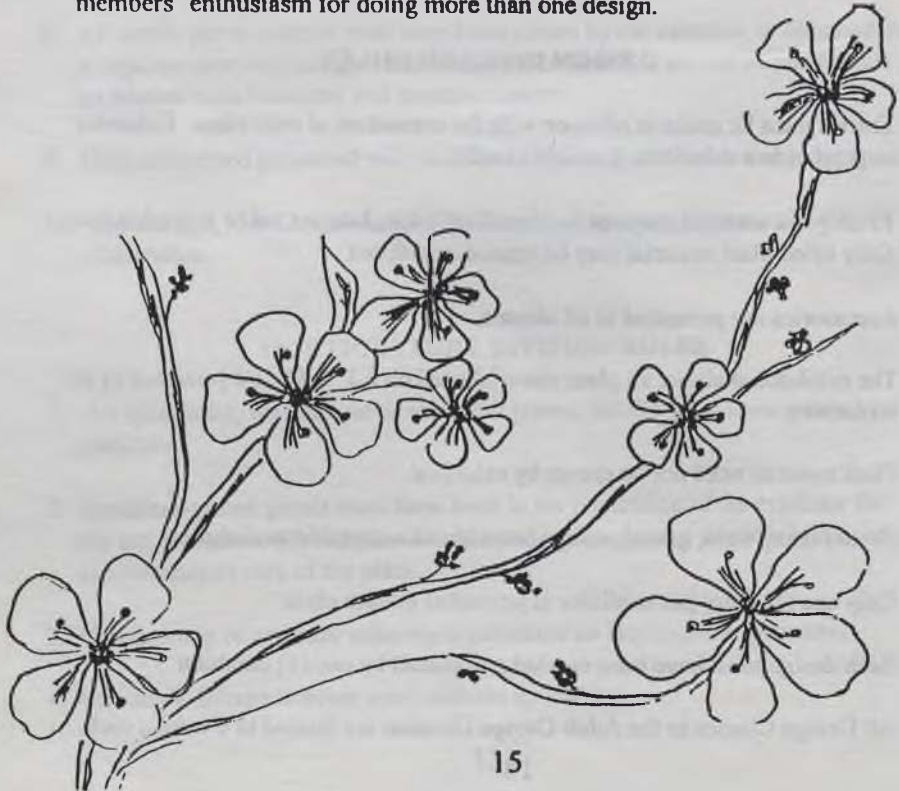

5. Containers for cut specimens will be provided by the committee.
6. If possible, all entries should be correctly labeled with genus, species, variety or cultivar, and common name for educational purposes.
7. More than one (1) entry per class may be made by an exhibitor, provided each is of a different cultivar, type, or color.
8. Horticulture classes may be subdivided by genus, species, variety, color, size of specimens or size of container, or for any other reasons deemed advisable by the Classification Chairman to improve the educational value of the show.
9. Clear plastic wrap wedging material may be used by the Placement Committee to hold cut specimens upright.
10. All horticulture must be entered on Tuesday, April 22 from 5 to 8 p.m. Only tulips can be entered on Wednesday, April 23 between 8 and 9 a.m.
11. For the Collectors' Showcase, Section H, all plant material must be numbered and named in black ball point pen on 3" x 5" card provided by committee.

DESIGN DIVISION RULES

1. Entries must be made in advance with the consultant of each class. Exhibitor must provide a substitute if unable to exhibit.
2. Fresh plant material may not be altered by color, lacquer, oil or any substance. Only dried plant material may be treated or colored.
3. Accessories are permitted in all classes.
4. The exhibitor shall list all plant material used on a 3" x 5" card provided by the committee.
5. Plant material need not be grown by exhibitor.
6. Scenes using sand, gravel, and/or moss are unacceptable as designs.
7. Only one (1) entry per exhibitor is permitted in each class.
8. Each design must have been created and placed by one (1) exhibitor.
9. All Design Classes in the Adult Design Division are limited to 4 entries each

JUNIOR DIVISION RULES

1. Only members of the Rake and Hoe Junior Garden Club, ages 6 to 12, are eligible.
2. Juniors will be judged by the Adult Rules unless noted in this section.
3. Container-grown plants must have been in the possession of the exhibitor for at least two (2) months.
4. Juniors will bring their mechanics, plant material, container and accessories to The Presbyterian Church on April 22 between 3:30 and 6:30 p.m. They will create their designs and place them at this time under the supervision of consultant Mrs. Norma Degnen, Judge Emeritus.
5. Junior Design classes may be subdivided by age due to unanticipated junior members' enthusiasm for doing more than one design.

**ABOUT
THE RAKE AND HOE GARDEN CLUB OF WESTFIELD**

The Rake and Hoe Garden Club of Westfield was organized 45 years ago by members of the Westfield YWCA Newcomers Club. Two years later Rake and Hoe was federated as a member of the Garden Club of New Jersey and The National Council of State Garden Clubs.

Membership in Rake and Hoe can satisfy many of the outside interests a woman might have in Westfield today. Community service, educational scholarships, stimulating speakers, courses in horticulture, floral and landscape design, bird watching, conservation, flower shows, luncheons, workshops, and trips -- Rake and Hoe offers it all. The club helps with several community gardens including the Touch and Scent Garden at Trailside Nature and Science Museum, and is developing and managing The Claire Brownell Memorial Wildflower Garden in Westfield.

We have between 50-70 members all of whom share one thing in common - a love of gardening and floral design. Our membership is diverse, spanning all ages, interests, and occupations. We feel our diversity is one of our greatest strengths. Each member brings her knowledge to the group, sharing it the way a friend shares seeds or cuttings with a friend.

We meet on the second Wednesday of the month at 12:30 PM at the Westfield Y, from September through June.

The Rake and Hoe Junior Garden Club has members ages 6 - 12 years old. They also meet once a month.

If you would like to know more about Rake and Hoe Garden Club, or the Juniors, please talk to any of the hostesses here today or call our membership chairman Colleen Schmitt at 654-4590.
