A new decade, the Eighties, brings a renewal of that familiar fresh spirit accompanied by the air of tradition to Red Bank Catholic. A fresh spirit paralleled with tradition may appear as a contradiction to most, but to those of us who cheer, pray, laugh and cry within these walls, RBC is a logical combination of the two. I use the term familiar fresh spirit because here it never dies. In fact, the spirit is our oldest tradition; it's fifty-two years young and still going strong.

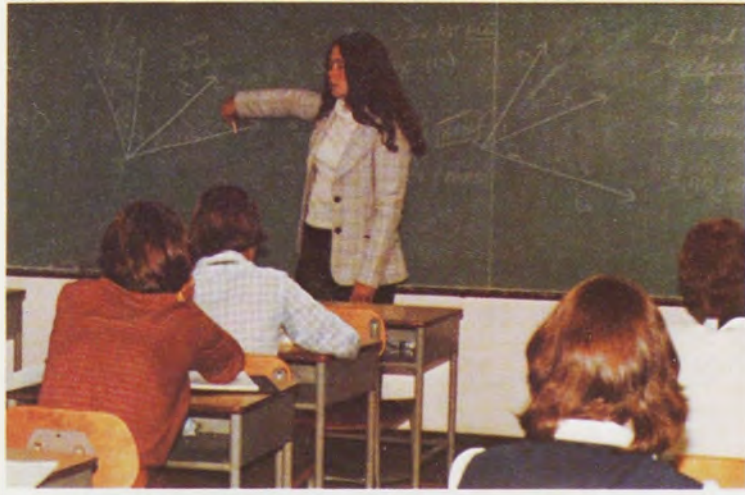

The Eighties, as new decades tend to do, will bring considerable change, but RBC will flourish with the good and rule over the bad as it has done throughout the past five decades. Because of this staunch reaction to change, RBC has come to stand for excellence, an excellence in which to spend those impressionable years — our school days.

Lisa D'Esposito

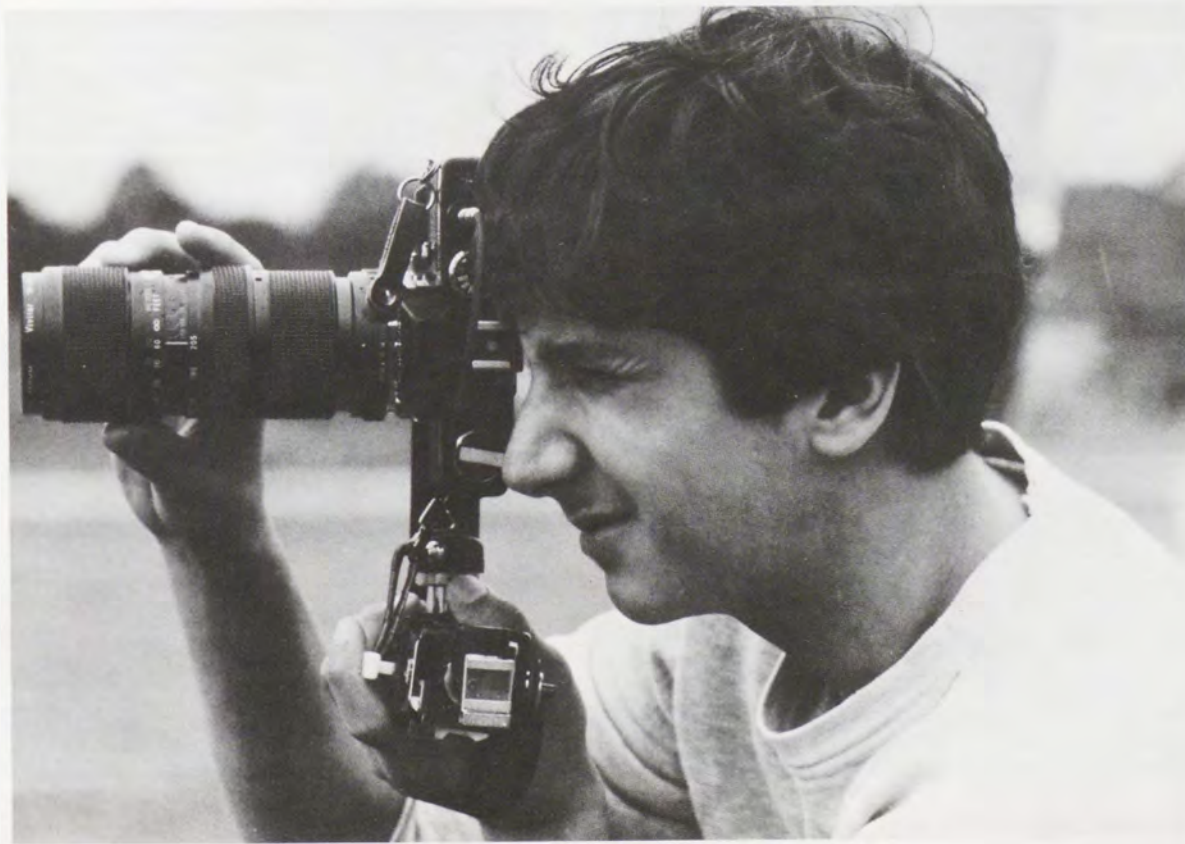

School days, School days,
Dear old Golden Rule days.

Readin' and Writin' and 'Rithmatic,
Taught to the tune of a Hick'ry Stick.

I was your girl in Calico,
You were my bashful, barefoot Beau.
I wrote on your slate, "I love you Joe,"
When we were a couple of kids.

Golden Rule: To everyone be kind and true,
Just as you'd have them be to you.
And if you obey that simple rule,
You're sure to be happy at school.

School days, School days,
Brand new Golden Rule days.
I've got a pencil and paper too,
Crayons all yellow and red and blue.

I learned to write my ABC's.
I learned that 1 and 2 make 3.
Soon I'll be adding 5 and 9,
I think school is going to be fine.

Msgr. Valentino

In early fall, the 1979-1980 school year commenced with a concelebrated mass of the R.B.C. community led by the newly designated Monsignor Frederick A. Valentino. A spirit of unity and togetherness prevailed during this ceremony due to this rare opportunity of concelebrating mass with the entire student body. Monsignor Valentino expressed wishes for a fuller unity through community participation. Monsignor's message to the students was one of deep concern for the future preparation in any attempted endeavors, as well as in all aspects of life. According to Monsignor Valentino, he achieves his aim of closeness by impressing the youth with the true meaning of charity and bringing students to the realization that unity begins at home.

Reverend Frederick A. Valentino having been pastor at St. James Parish and associated with R.B.C. for the past four years has had bestowed upon him the Prelate of Honor by Pope John Paul II, upon the recommendations of Bishop George Ahr. With this highly and respected honor, the title of Monsignor has been bestowed upon him. This honor commends Monsignor Valentino's outstanding accomplishments, excellence in leadership and zeal in which he earnestly fulfills his pastoral duties.

We the students, faculty, and administration of R.B.C. would like to congratulate Monsignor Valentino on his honorary achievement and wish him happiness and all of God's blessings in his priestly career.

Getting Off to a Good Start

The Student Council's Welcome Back Dance returned to the gym after many years in the cafeteria. The dance, held September 15, was well attended by both Freshmen and upperclassmen, providing all students with the opportunity to make new friends and renew old friendships. Starrider provided music by contemporary musicians such as the Doobie Brothers and Cheap Trick. Everyone had a great time, shuffling through the sawdust put down to protect the gym floor.

The band Starrider provided the tunes.

Left, left, right 1, 2, 3

Did you hear? (Mrs. Fincke and Miss Kulawiec)

Teach me how to do that. (Sr. Wendelin and Fr. McGrath)

Psyched!

We got off to a good start with a fantastic pep rally. The gym roared with excitement as Mr. Montanaro introduced the football team for the upcoming season. The band, marching units and students all took part and expressed their support of the team. The pep rally ended with the spirit of RBC, while the band played "The Whole School." It was a fitting prelude for the start of an excellent season.

And this is only the pep rally.

Fire up . . . Fire up up up!

Enthusiasm is contagious.

BAND

Mary Fitzgerald and Sue Mallon play a happy tune.

Mary Jo Knipper and Lisa Shipley at the garage sale.

Mr. Bencivenga directing as usual.

The Red Bank Catholic High School Band is a group of dedicated musicians who show their green and gold spirit. They contribute their many talents to many different activities. They held a garage sale which was a huge success. They marched in a number of parades including the Annual Saint Patrick's Day Parade in New York City. The band continuously showed their devotion to music and RBC.

Homecoming Queen **Liz Faherty**

The queen and her court are all smiles.

The students and families of Red Bank Catholic High School rang in another Thanksgiving season with the usual overwhelming Casey spirit of the season. The class of 1980 caught the spirit of season by crowning Liz Flaherty their 1979-1980 Homecoming Queen. Her court included Marisa Squeo and Jaime Sarios. To top off the gala of the day's activities the Caseys reigned supreme over the Bulldogs with a score of 14-7.

Marisa Squeo 1st runner up.

Ski Club : Those Downhill Daredevils

Senior Members

Junior Members

Each year, as the winter season begins, those energetic ski enthusiasts head for the slopes. The Ski Club, moderated by Ms. Siegel, enjoyed various trips to popular sites such as Smuggler's Notch and Hunter Mountain. The club is open for membership to all interested skiers, with ability ranging from beginner to expert. Although the season was not considered a good year for snow, the ski club assembled as early at 5:30 am to attack the slopes. Whether one slalomed or tumbled, the skiing season was enjoyed by all.

The Ice Skating Club, initiated and moderated by Mr. Arcomano, proved to be a popular new club. Members could be seen at 3:00 on Thursday afternoons hopping on a bus headed in the direction of the Shrewsbury Ice Rink. The skating sessions, beginning at 3:30 and ending at 5:00, are available at the low cost of \$1.50. Despite fresh bruises, the club is a huge success.

It was endless! In the summer we argued over a theme. In the fall we panicked over the first deadline — October — our first real taste of yearbook (cold pizza and hot soda). We scrounged to fill eight pages of color. Who knew pictures would come two weeks after deadlines! December arrived replete with Christmas spirit (hiding our candy in the yearbook room, just kidding)! The December deadline meant Christmas with the custodians. The brown lines returned ... three pages, 57 corrections, and a nominal fee to set it right. By the February and March deadlines we were undone. How had we ever survived the late nights, the Saturdays, the holidays, the typists that never were, fights over pictures, fights over headlines, captions, and copy, and all the other hassles. It was all hard work and dedication, but then again Rome wasn't built in a day either!

The Upper Echelon of the Intellectual Elite

N.H.S. C.C.S.I.

The Red Bank Catholic chapter of the National Honor Society is comprised of the most outstanding pupils attending RBC. Under the guidance of its teacher moderator, Mrs. Bliss, and its dynamic president, Susan Kohl, the NHS enjoyed one of its busiest years ever. Some of the many contributions to RBC and the community in general by its bright young members were tutoring students and Christmas caroling at the Ivy House. Their combined energy and efforts contributed toward making Career Day at RBC a phenomenal success. The Committee Concerned with Student Involvement (CCSI) joined forces with the National Honor Society and greatly increased NHS' already considerable output. Their efforts have gone far toward improving the relationship among the administration, the faculty, and the students.

A treat from the 'ole west.

Kim Johnson casts her spell on the audience by singing "Bewitched"

"The King and I" provides a taste of the Orient.

The audience discovered Harry's "hidden talents" (Harry Flaherty and Eileen O'Hern.)

On November 30 and December 1, 1980, the RBC Chorus presented a highly successful musical tribute to the late Richard Rodgers under the direction of Mr. Robert Cioffi. Included in the program were selections from such popular musicals as "The King and I," "Oklahoma," "South Pacific," and "The Sound of Music," especially choreographed by Mrs. Meredith Pennotti, and Miss Mary Carmody.

Following its great success with its Fall effort, the Chorus began preparing for its Spring Concert Tribute to composer Stephen Sondheim.

Mr. Cioffi is justly proud of his effort with Chorus which will continue to captivate RBC audiences.

The Flower Drum Song illustrated that Japanese obedience.

Lt. MacNeil (Harry Flaherty) sends Pvt. Johnny Perkins (Jim Fox) into the village of Du Temps to dismantle a parcel of bombs.

The mute, Demosthenes (Robert Paul) dances his feelings of love for Johnny in the touching title song.

"It's simply scandalous how they've abandoned us, it's put a stain on the name of St. Anne's"

Madame Madeleine (Kimberlee Johnson) instructs her fellow inmates on the proper method of winning a man in "Turn Around".

The inmates react in awe to Pvt. Perkins' announcement that he is their King of Hearts. Left: Bishop DuBac (Willie Ryan) crowns Johnny "The King of Hearts".

Johnny realizes that his moment of truth has come in the inspirational "Close upon the Hour".

Raoul (Gerard Rediger) hosts a circus in honor of Johnny in the hope that the runaway Demosthenes might return.

Madeleine leads the inmates into the deserted town after their escape from St. Anne's asylum.

Madeleine urges Raoul to stop running away from his problems in "Somewhere is Here."

Johnny tries to lure the inmates to safety by playing a war game. "Just march, march, march and don't ask why."

Mr. Farmer is all set to show parents what Spanish is really like.

Sr. Wendelin assures parents that she's not going to try to teach them.

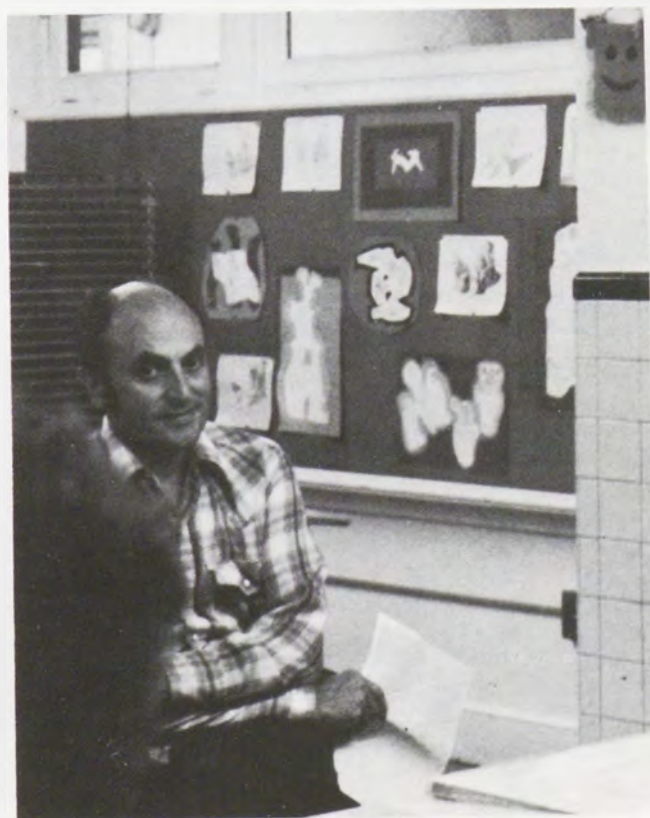

Debbie Holland and Katheryn Edmonds guide a lost mother to class.

Leadership At It's Best

Our 1979-1980 Student Council proved to be a very involved and active one. Under the excellent leadership of Miss Joan Kelly and president Clare Gaul many original activities were held for the enjoyment of all the students.

The Welcome Back Dance which was the first R.B.C. dance held in the gym, was a tremendous success and started the year off right. Movie nights, exchange programs with the local schools, Friday assemblies, and the jukebox in the cafeteria are just some of the examples that illustrated the all-out effort and hard work of the '79-'80 representatives. They contributed to the special quality of the year's activities.

JUNIORS

Classes, choices, challenges . . . these were the three C's the Junior class faced when the doors of RBC opened once again to admit the class of '81; this time as official "upperclassmen". The "Jolly Juniors" drove full force into this important year with the same unquenchable vitality that has been theirs since Freshman year.

The Juniors' unfailing Casey spirit was expressed in many ways and areas. With the guidance of Mr. Kristofik and under the tremendous leadership of Helen Sullivan (President), Anne Clabby (Vice President), and Donnalyn Giegerich (Activities Chairperson), they faced each activity with anticipation. They began the year the same way that they have in the past by decorating the second floor for the pep rally — an added bonus to the spectacular defeat of Red Bank Regional in the opening football game. The Junior Buffet, "Wednesday Nite Live", on October 17th, was a smashing success, where the class grossed more than any other class in previous years. On December 18th, at an unforgettable ceremony, they received their symbol of authority and dignity, the much cherished class ring. In March, the class struggled through the SAT's and seriously began the search for colleges. Then, that much dreamed of night, May 9th, finally arrived, and everyone proved to have "a touch of class" when they donned tuxedos and gowns at the Junior Prom at Mike Doolan's.

The Juniors proved to be a very talented bunch. The theatrical production of "King Of Hearts" received the added boost of the class' talent; behind and on the scenes with contributions to the chorus, cast, and stagecraft. The athletic teams and clubs were no strangers to the Juniors' abundance of energy with class members performing on the field as players, and off the field as morale boosters.

The Juniors said a tearful farewell to youth in June, with the expectations of becoming Seniors looming over the horizon. Their performance in class allowed them to make the right choices regarding the challenges they faced during the course of the year and the challenges that await them in the upcoming years.

Sophomores

The Class of '82, greeted at the beginning of the new school year 1979-1980 with their age-old nickname "Wise Fools", were sparked to prove it wrong once again. With Freshmen jitters now in the past, these Sophomores confronted this new year and new decade with unbeatable enthusiasm and Casey spirit. Led by President Lisa Siciliano, Vice-President Anne Marie Fouriner, and Activities Chairperson Ruth Renza, along with Sophomore class advisor Mr. Rafter, they worked to provide themselves with a year to remember. The Sophomores became actively involved in all aspects of student activity at R.B.C.

These "Silly" Sophomores excelled in all facets of student life. In the athletic field, they contributed valuable members to the varsity and junior varsity teams. Many Sophomores could be seen displaying their talents on the stage in musical productions, including this year's school play, "The King of Hearts." Whether decorating the first floor hall for the opening game pep rally, cheering the winning Caseys on to victory, or exceeding their quota for the fund raiser, these indomitable "middle children" never lost their fighting Casey spirit.

The serious side of the silly Sophomores was illustrated in many ways. They rose to the challenge of a more difficult academic year and came out as winners. This year, one student, Beth Baier, was honored with an acceptance into the National Honor Society, an extreme rarity for a Sophomore and a definite honor. As shown in the past two years, the Class of '82 has many talents and excels in all departments of involvement here at R.B.C. With this group of tremendously gifted, spirited students, who can possibly apply their nickname "Wise Fools" to them and truly mean it?

Do you want to wear that gum, Karen Cuneo?

FRESHMEN

Freshman year is the beginning of a long climb up a mountain, which hopefully ends at the top — graduation day. There are many exciting and wonderful experiences on the way up, even though beginners sometimes wonder if they'll ever reach the top.

No freshman year would be complete without a lot of confusion and some very frightening moments. Remember the first day of school when you frantically pushed and shoved your way from the first to the fourth floor and back again? At the same time you hoped you were going to be able to catch all your books — and your breath — on the way. Then, of course, there was a lot of hard work, and those exams!

Perhaps there is one thing that Freshmen have more than any other class, and that's enthusiasm. The class of '83 has demonstrated this over and over again. Their athletic teams have been terrific, due to support by the cheerleaders and the entire class. As far as school projects go, the freshmen came in first again in the candy drive. They have also helped in other areas, such as Student Council, and decorating the halls for pep rallies.

The Class of '83 is bound and determined to be one of the best classes ever to enter R.B.C. They are off to an excellent start — time can only prove their success.

Woody Malick:

New Athletic Director

The 1979-1980 school year saw many changes, both in the classroom and on the field. Those changes which took place in our sports program are attributed to that new "red" blood in the athletic department, Mr. Woody Malick. Mr. Malick applied for the job of Athletic Director because it was something he thought he might like to try.

He has three main objectives for the sports program at RBC. The first, and what he deems most important, is the new Booster Club, formed to increase funds and parent participation. His second objective is an increase in attendance at the various games, meets, and matches. A move toward this goal is the waived admission price at home games available to the student with his or her ID card. Lastly, Mr. Malick is working for an increase of student participation in the sports program made possible by new varsity teams, such as the Girls' Softball team, and various intramural sports. Woody Malick's plans for the future include the full development of these three objectives coupled with the materialization of a well-organized department in which all responsibilities are well-defined and carried out.

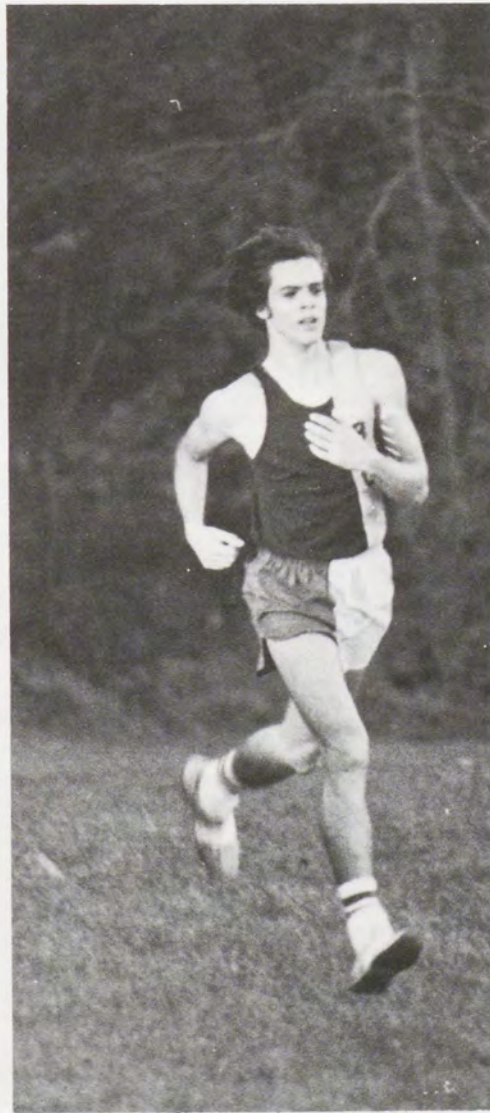

Update: Shore Conference

The year 1978 will be remembered by many as the year Red Bank Catholic gained its entrance to the Shore Conference, yet the benefits of this hard-fought battle were not reaped until this past year. Our eligibility began, as does the new sports year, in September. All presently existing teams, and those to possibly be formed in the future fall under this ruling.

None of the many diverse team sports active at RBC have complete Shore Conference schedules, but each team is able to participate in SC tournaments and play-offs throughout the year. Whether or not the individual sports choose to participate depends upon the judgement of the coaches and teams. This year, both Cross Country teams, the Gymnastics and Girls' Basketball teams chose to participate, while the Boys' Basketball and Wrestling teams chose to abstain.

Running Hard To Keep Up A Tradition

This year's girls' cross-country team started out slowly with their loss against Mater Dei but snapped back with their victory over Henry Hudson. With the support and hard work of Coach Laurel MacKenzie, the team was able to win their hundredth duel meet in October against Shore Regional. The captain Nancy Fitzgerald and co-captains Liz Faherty and Monica Ring displayed their leadership at every practice and meet.

The girls had an excellent Varsity team led by Tracy Van Dyke and Kathy Kirgan with Nancy Fitzgerald, Monica Ring, Beth Baier, Chris Wall and Lauren McConnell following close behind. Not to be forgotten are the terrific J.V. and Freshman teams led by Marion Lamb, Marie Klem and Katie Fitzpatrick. After placing fourth in the Eastern State Championship, the Casey girls went on to place fourth in the Sectional State Meet. Without determination and effort put out by Miss MacKenzie, none of these victories could have come about. Her experienced coaching will be sorely missed next season, but everyone wishes her the best of luck in the years to come.

Although the Red Bank Catholic Football team did not make the playoffs this year, there were still many rewarding experiences the team encountered. Led by Senior captains Harry Flaherty and Ken Anderson, and other talented seniors and underclassmen, the Casey's were able to come away with a 6-3 record, missing a playoff berth by only one game. But the year was not a total waste. Led by a defensive unit composed of strong hitters, the Casey defense finished third best in the Shore. On the other hand, the Casey offensive unit put together a strong finish and came up ranked ninth in the Shore.

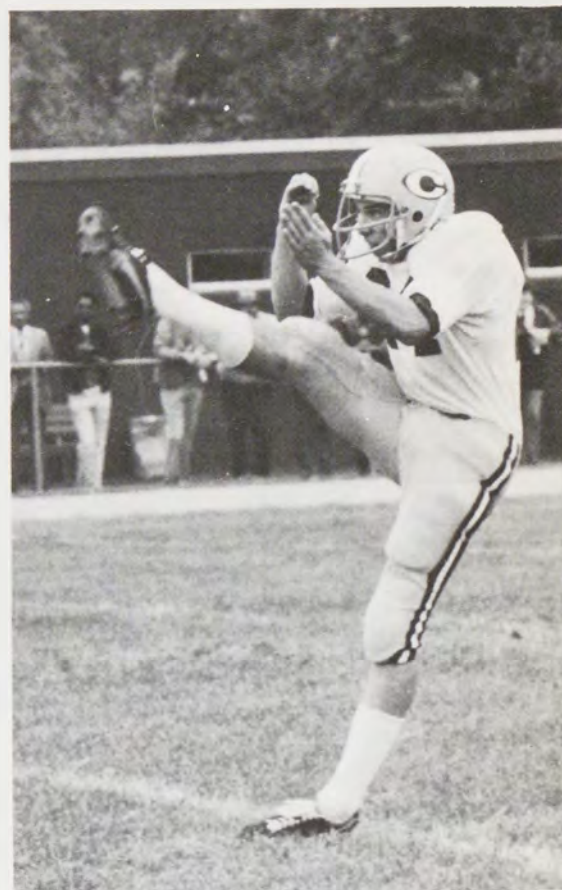

This year was also the first year the football team beat both Rumson and Red Bank Regional in the same year in a long time.

The football team owes much of its success to the excellent coaching staff, led by Mr. Louis Montanaro. Assisting Mr. Montanaro were coaches Eugene Boyle, Mark DeVoe, Edwin Jones, Tim McCorkell and James Wilbur.

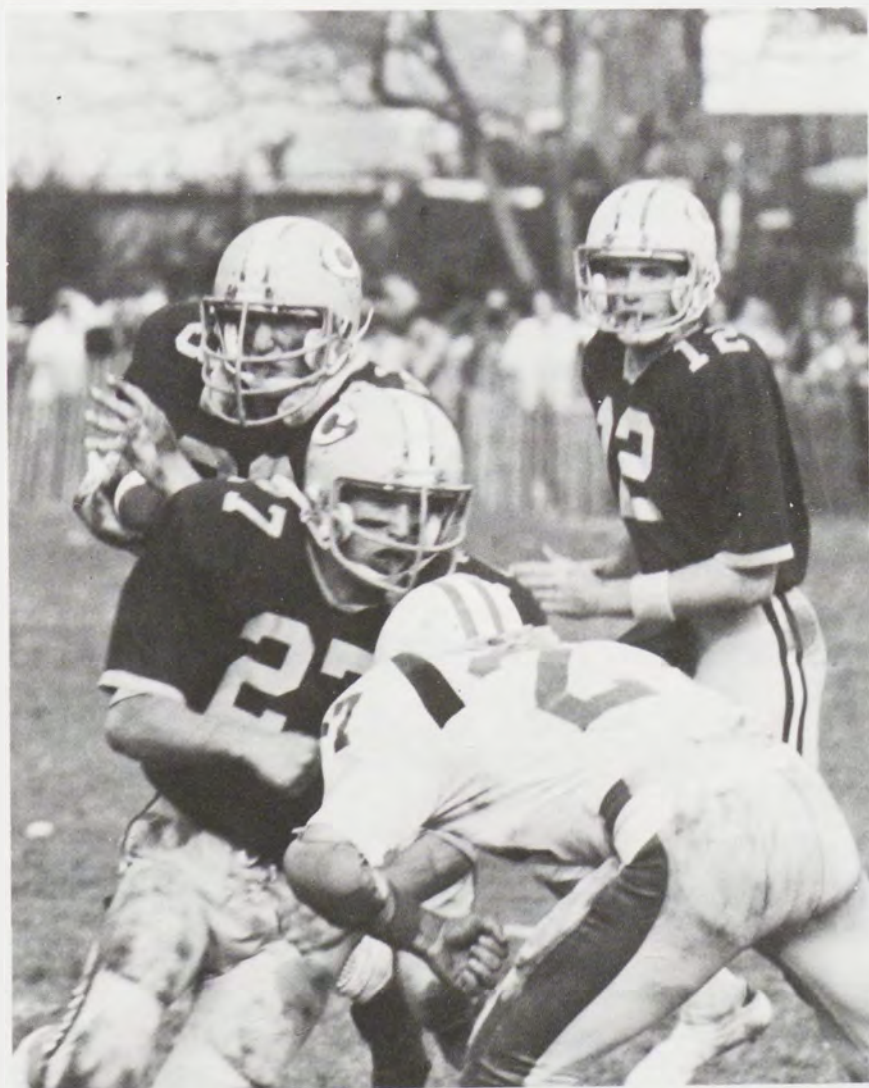

After a hard workout on the football field — it's "Miller Time."

Girls' Tennis Team Smashes Their Way To Success

The Red Bank Catholic Girls' Tennis Team has seen another victorious year. Their successful season ended with a 10-6 record. Many hours of practice, hard work and dedication by the girls paid off in advancing them to the state tournaments, where their combined efforts put them in fourth place.

Miss Sharon Sullivan has proven to be a great support to the team, having directed the girls with confidence throughout their winning season. Miss Sullivan has coached the Caseys for three triumphant years.

Junior, Donna Horohoe, received an honorable mention award from **The Asbury Park Press**, and led the girls' singles. Nancy O'Brien and Junior Robin Stesner, also played singles. As partners, Junior Paula Calhoun and Senior Ann Marie Reardon (captain) joined their abilities in facing their opponents. Also playing doubles, was the team of Sophomore Deidre McGann and Junior Stacy Rubin. The alternates for the team were Junior Sally Morris, Sophomores Ivette Ramos and Lori Valeriani, and Freshman Mary Haxzinski. Together, the girls proved that the Caseys continue to reign supreme.

Front Row: Ivette Ramos, Lori Valeriani, Mary Hazinski, Nancy O'Brien, Donna Horohoe.

Harriers' Future Looks Promising

This year's Cross Country team was effectively led by hard-working underclassmen and Seniors. The Harriers consisted of high-ranking talent such as Frank Baier who was second in the Shore's leading freshmen on Varsity teams. Sophomores, Chuck Picullo, Gordon Bals, and Pat Kelly were key factors who contributed to the team's success. Running for the Juniors were Tom Gilbride, Don Wilcox, Pat Connolly, and Joe Cadmus who always gave the Harriers their best effort. The Senior's force was primarily composed of Tri-Captains Joe Cattanach, Sean O'Hara, and Gerry Walsh. Senior Joe Cattanach was an outstanding runner for the Harriers and received All-Shore Honorable mention.

The team finished its season with a record of thirteen wins and five losses in dual meets, which included the tough meet against the Plebes of the Naval Academy in Annapolis Maryland. In the Shore Coaches Invitational Meet, the team placed fifth out of twenty-sixth teams. This year the Caseys participated in their first Shore Conference meet where they placed eighth out of thirty-four teams. In the State Champions meet, the Caseys finished twelfth out of thirty teams.

The team, coached by Jack Rafter and composed chiefly of juniors and underclassmen, should place highly next year in the Shore Conference.

Varsity Soccer

Kicks Off

This year's varsity soccer team posted a respectable final record of 6-10-1. Out of the six victories by the team, the most dramatic was overcoming a favored Middletown South team with four final period goals to win by a score of 5-3. Individual honors went to team high scorer Steve Ferraro, who was named to the second team of the All-Parochial and Independent Soccer Team; Dave Walker, John McKenna, and Paul Morhan were named to the third team. Team captains Scott Vogel, Steve Ferraro, and John McKenna provided the team with skillful playing, leadership, and encouragement. Although the soccer team will lose eight seniors next season, Head Coach Jim Marley is looking forward to success.

Mike Ryan of R.B.C. anxiously awaits to head the ball.

The Hoopsters Return

The Basketball season was considered respectable in the eyes of experts and fans. Returning to the team was veteran experience revitalized by new blood. The steadfast performances of the five seniors: Harry Flaherty, Kevin Bornstad, D.J. Fahoury, Bob Bolen, and John McKeon contributed to the team's successful season. The backbone of the future was realized in the skills of juniors Peter Tuchol and Mike Kelly.

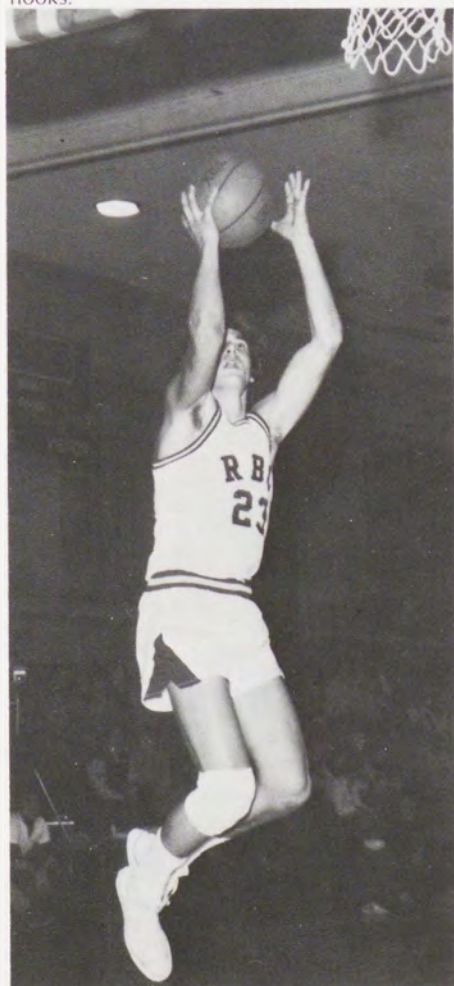

The team played one of the toughest schedules which proved to be a decisive factor in determining various championships. The highlights of the season were the excellent performances of the team against Southern and Red Bank Regional. The Southern Regional game resulted in RBC meriting a berth in the State Parochial Championship. RBC's high accumulation of points against the Mater Dei team proved that the team was capable of playing a running game. Led by captains John McKeon and Kevin Bornstad, the team enjoyed a very consistent start.

Play Ball

There seemed to be no stopping the 1979-1980 girls' basketball team. It was a fast paced season that packed as many as three games in one week's time, yet the record serves as evidence to their hard work and determination. The girls were led by captains Amalie Mattan and Kathy Manning — captains whose enthusiasm for the game could make practice enjoyable (or was that endurable?)

Ann Kretowicz and Cindy Joy proved themselves as high scorers, and Kathy Alter contributed exciting steals.

What of the JV? Their tremendous season provides a background of success for next year's varsity. The 1980 season now stands amid past Casey tradition.

Kathy Manning displays her form.

The 1979-1980 Red Bank Catholic Wrestling Team finished the season at 6-10. The varsity team was led by outstanding performances of senior captains Tom Breiter, 16-4, Mark Ciaramella, 8-7, and Dave Cafiero, 9-7. Senior Tom Gironda fought his way to the first place title at 141 pounds in the Middletown South Christmas Tournament before being sidelined by an injury. Also finishing well were juniors Wally Case, 9-9-2, and Bob Giordano, 8-4, and freshman Mike Coolahan, 5-4-1.

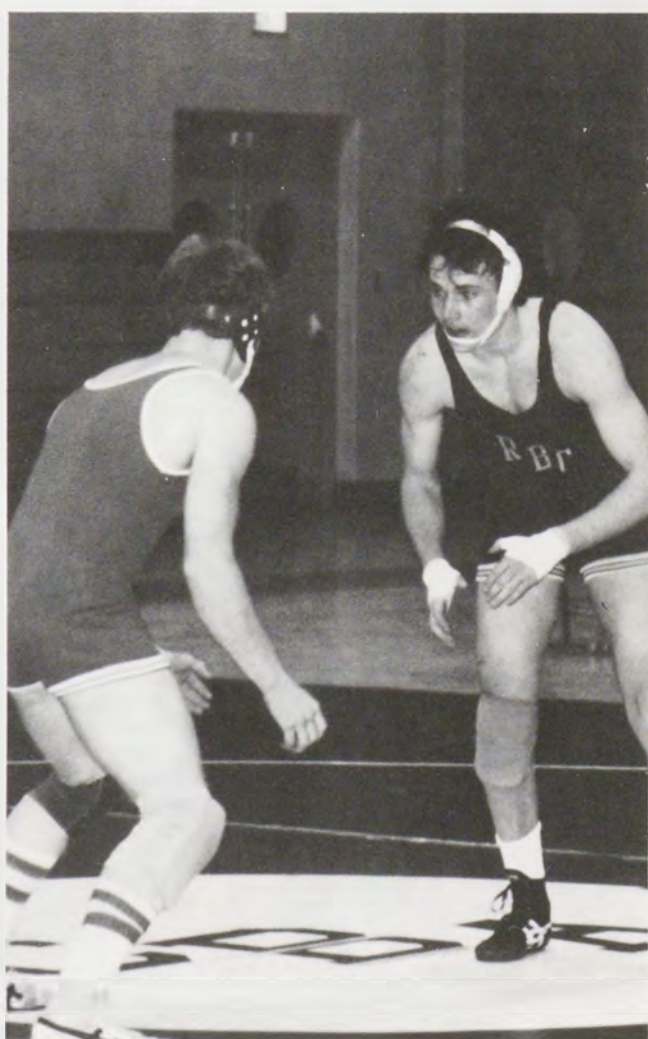

The varsity team made a "first" this year by being the first Catholic school ever to compete in the Shore Conference Tournament; the Caseys finished second in the Blue Division after a four point loss to Lakewood in the finals.

Next year, Head Coach Mr. John Mautner and his assistant, Mr. Jim Wilbur, will look to this year's J.V. team, finishing the season with a 9-2-1 record. Led by the fine performances of Junior captain Jim Clancy, Brian Phiefer, and George Furlong.

Junior Bob McGowan provided power to both J.V. and Varsity where he filled in for injured Mark Ciaramella. Freshmen will also return from an impressive 9-2 record.

Intensity is the word to describe Brian Largey as he sprawls on his opponent.

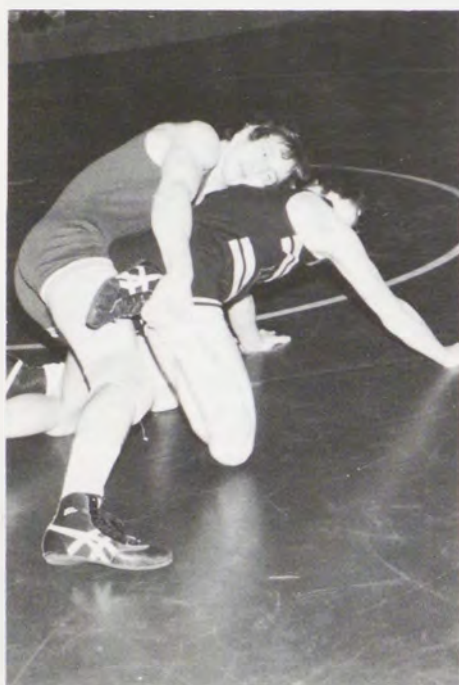

There is fire in Tom Breiter's eyes as he approaches his opponent.

Caseys Drive It Home

This marks the seventeenth spring that Coach Joe Kristofik leads the Varsity Baseball team on the diamond. After two disappointing seasons, Coach Kristofik is very optimistic. The reason being the return of nine Varsity lettermen and a very successful Junior Varsity team led by Coach Paul Christopher.

Pitching will be the key to the season, and fireballers Angelo Fiore and Gerry Rediger are ready to go. Sluggers Harry Flaherty, Brian Clark, and Pete Forsman will supply the offensive power. Glovesmen Bob Bauer and Joe Montano will seal up the defense.

Early indications point to a successful season, as the team has ability and heart-felt dedication. Once again, the team goal is to be invited to the Monmouth College Baseball Tournament.

Joe Montano takes in the action of the batter's box.

Bob Bauer grins while awaiting that long line drive.

Buddy Clark looks to the fences as he warms up on deck.

Gerry Rediger takes a long, hard look to the plate before delivering his pitch.

Jim Woods displays the form of a professional.

Golf Team

Is Up

To Par

The 1980 Golf team returns to the course this spring with only two returning Varsity lettermen: Don Terwilliger and Jim Woods. Coach Robert McCue is hopeful that underclassmen will come to the support of Terwilliger and Woods in comprising the starting five. With the 1979 District Championship under their belt, the team is optimistic and looks forward to a winning season.

Jim Woods guides the ball to its destiny with a long smooth stroke.

You Can Win With A Lot Of Love(s)

As tennis around the world gains in popularity, it seems that the RBC team gets better and better. This year four lettermen are returning: senior Mark Fodale, and juniors Pat D'Esposito, Brian Schweers and Scott Sugarman.

The team's success will weigh heavily on the ability of last year's first doubles team of D'Esposito and Schweers. Coach Drew Arcomano is hopeful that they will make the transition to singles without losing that winning form demonstrated last year.

Scott Sugarman puts power behind his straight, even return.

With the force of determination Pat D'Esposito employs a strong backhand.

Brian Schweers ensures delivery of his return with a smooth follow-through.

Keepin' Track Of Track

Mark Ciaramella goes for distance.

Brian Largey looks on while Dan Marley makes his throw.

Bill Timney getting off to a good start.

This year's track team, one of the youngest in years, holds plenty of promise. Jack Rafter has taken over the coaching reins after a hiatus of three years. He is ably assisted by Mr. Gene Boyle as weight coach and Mr. Marley as sprint coach.

Although the team is young, there are still many returning veterans, led by seniors Bill Timney, Mark Ciaramella, Mike Ovens, and Joe Cattanaach. The team experienced a very creditable winning season last year and it hopes to improve and do even better this year.

In the sprints this year our hopes ride on the legs of senior Bill Timney, juniors Joe Stroppolino and Tom Baier, and Sophomore Mike DeMonte. Our distance team, in keeping with RBC tradition, is again very strong. Senior Joe Cattanaach; juniors Tom Gilbride, Pat Connolly, and Don Wilcox; sophomore Eamon Manning and freshman Frank Baier will be leading the way. The Caseys look promising in the field events as well. They will be led by seniors Mark Ciaramella and Mike Ovens; juniors Tom Baier, Bob Giordano, and Jim McHeffey; sophomore Maurice Stack and freshman John Harrison. These young Caseys give us promise for many years to come.

Ann Kretowicz demonstrates one of Track's fringe benefits.

Sue Canepa heads for the finish line.

Michele Smith ran straight to the top.

A little interest on the sidelines.

The girls' track team began practice in March's biting winds. The season's start was prelude to many hard practices during which the girls perfected and readied themselves. Track requires a great variety of skills so practice involves a great deal of preparation.

Mr. Bradley was the new coach, and he saw to it that the girls were ready to meet the competition head on.

Girls' track provided another opportunity for the girls at R.B.C. to show how far they have come.

Mr. Thomas Lalli
Assistant Principal

Red Bank Catholic High School is supervised by a very talented and dedicated group of educators. Under the direction of Principal Sister Percylee Hart, the students are fortunate to receive the best possible catholic education. The highly responsible group of educators realize the commitment required that has made the school known for its superior degree of learning.

One positive aspect of the administration is their personal contact with the students. The administration did not remain aloof this past year; they were involved in many activities. A day does not pass when a student does not see Mr. Lalli, Mr. Poleski, Sister Percylee, or Sister Vincent with a friendly smile on their faces. The friendly, relaxed atmosphere they provide allows for learning inducing conditions.

In October, the state of New Jersey evaluated the school for renewal of accreditation. Our principal and her colleagues presented a very impressive school record.

Mr. Lalli enjoys the assemblies planned by the Student Council.

The Business Department trains the student for the many faceted business world. The diverse course offerings from Typing to Accounting and Economics gives the student an excellent understanding of today's business.

Typing skills are well-developed. Each student leaves Typing 1 with a speed of at least forty words a minute. Directions are given for business letter forms and other official styles.

For the advanced students, Miss Sullivan's Economics class provides a challenge. This select group of students learns the laws of supply and demand. As extra credit, students can attend a Junior Achievement course sponsored by Bell Labs, one night a week.

The need for well-developed business skills is overwhelming in today's job market. The Business Department starts the road for students to follow profitable and fulfilling careers.

Like the other departments, this one strives for student involvement and perfection. The objective is to make education interesting for the pupil.

Mrs. Kennedy's Art Department enhances the artistically inclined student's talent. The basic concepts of sketching is presented in the beginning. One's creativity and perception of the way an object looks is greatly developed. Many times one sees art students in the halls with their portfolios.

Many students enjoy crafts. In Crafts the student learns of several styles in creating art. Many phases of this type of art are included in this class.

Most of all the instructors teach the prospective artist how to express himself without words. The uniqueness in each artistic interpretation provides variety and adds new dimensions to all of life's aspects.

The department sponsors an Art Club which is a popular after school club. The club meets frequently and they enjoy expressing themselves through art.

The English Department under the supervision of Mr. Joseph Hintelman, teaches the students the importance of the proper usage of our language. Reading comprehension and written expression are necessary tools for those who continue with a college education and for those who enter the business world upon graduation.

Honors courses within the department allow the more apt student to challenge his skills. For those brave seniors, Mrs. Bliss' A.P. class provides the ultimate test of endurance and prepares them for college English courses.

Literature, as well as grammar, is included in the curriculum. Sophomores and Juniors attend American and British literature classes while Seniors enjoy Shakespeare.

With international communications developing in the modern world, proper knowledge of a foreign language is extremely valuable.

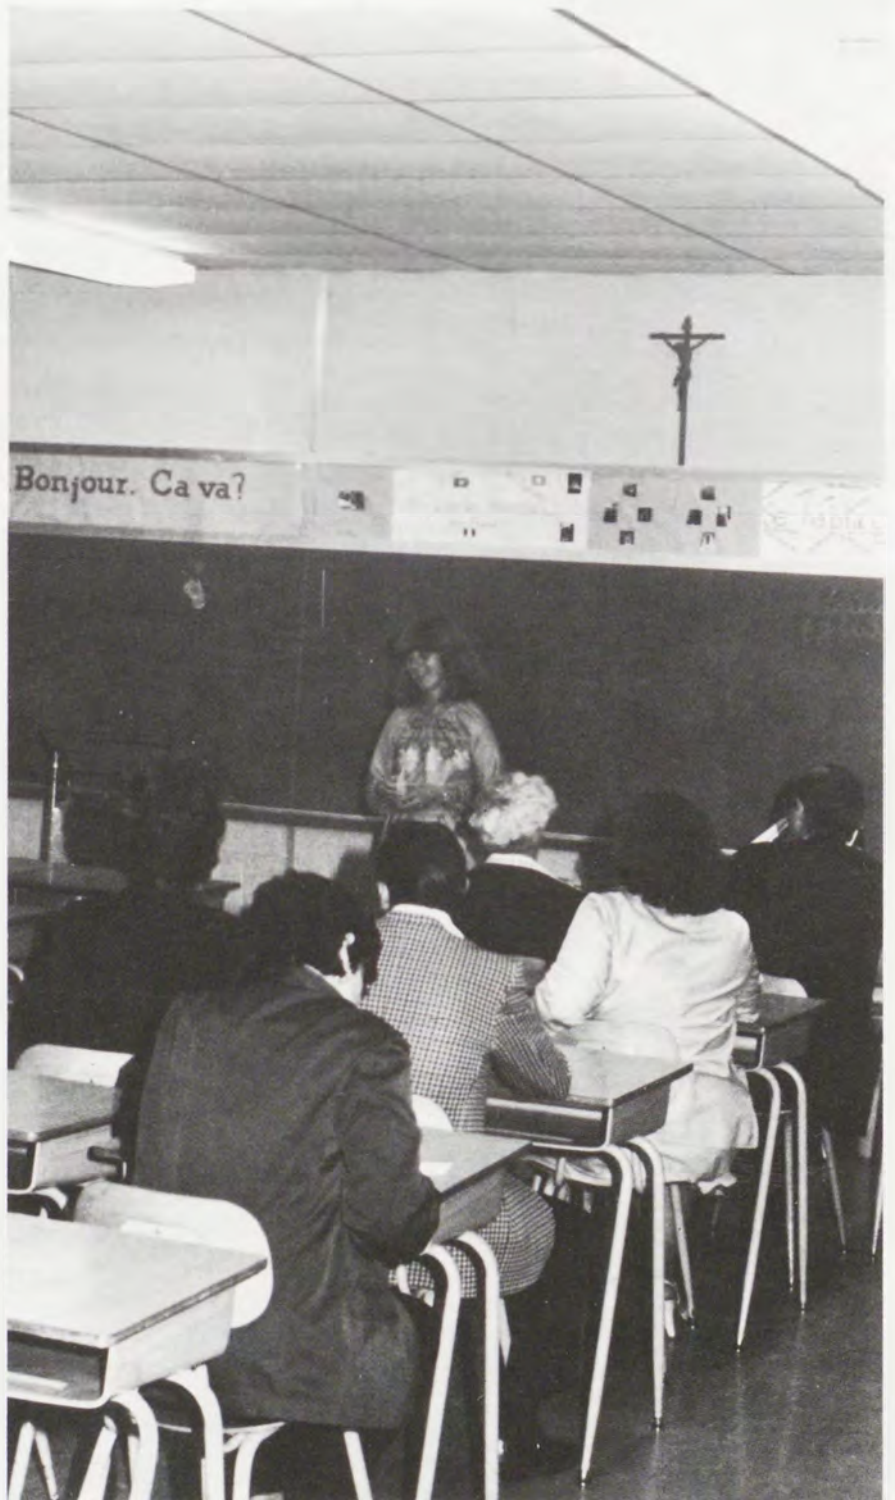

The first two years of a new language is when the student learns the basics. A broad vocabulary is also developed. As well as understanding the grammar concepts, the teacher stress word pronunciation. When one completes his study of a language at RBC, he not only can read and write, but also sounds like a native.

This year, as in the past, Red Bank Catholic has maintained an academically strong mathematics department. Although the importance of fundamental skills is still stressed, the department has branched out to include studies in such areas as Probability and Statistics, Calculus, and Computers, to name a few. Such subjects enable students to futher their knowledge in specific areas, and adequately prepare themselves for college and/or the business world.

Sister Mary McAuley, department chairperson, believes that the Red Bank Catholic Mathematics Department holds a bright future. Today's technological advancements create a need for more sophisticated mathematical knowledge. Faculty dedication, along with solid course offerings are sufficiently meeting this need.

The objective of the Physical Education Department is to make students aware of the importance of their physical well being. Through participation, students learn the rules and skills necessary to become successful spectators or athletes. The department stresses daily exercise, and urges participation in a life-long sport. This year a variety of courses was offered to satisfy each individual's needs and interests. Courses in self-defense, ice hockey, racquet ball, volleyball, and weight training provide total fitness.

The Religion Department is the backbone of spiritual strength and Christian morality at Red Bank Catholic. Under the superb direction of Mr. John Soviero, the department strives to bring the students closer to God through prayer and understanding.

The instructors instill each student with the knowledge that a commitment is a necessary factor in having faith in Jesus Christ. To strengthen one's spiritual commitment, each religion class attends Mass throughout the year.

As well as uniting the students with God, the department curriculum includes a history of the church. The study of the history of the church brings forth our heritage, which we as Catholic Christians should be proud of and grateful for.

Our actions carry out the word of Christ. His loving message should be spread far and wide by His faithful followers.

"Marriage is a lifestyle," says Mr. Soviero to the parents.

Under the superb direction of Department Chairperson, Sister Wendelin, the mad scientists take students into the many realms of science. Frosh receive a strong background in general and physical science. As Sophomores, the students take Biology, complete with interesting, yet amusing labs. Upperclassmen have more to choose from. Chemistry labs take place with the intention of finishing without having any explosions! Physics, Environmental Science and Human physiology are also open to upperclassmen. For the advanced student, AP or advanced Biology is offered with mornings at Monmouth Animal Hospital, and tours of Riverview Hospital.

The aim of the Social Studies Department is to acquaint the student with the world that surrounds him. Keeping students up to date on current events makes them aware of the issues the world faces today. The newly formed Current Events Class keeps underclassmen up to date on local, national, and international news.

Our U.S. history is so important and lengthy that two years is devoted to its study. These two courses cover the events from the exploration period to the present.

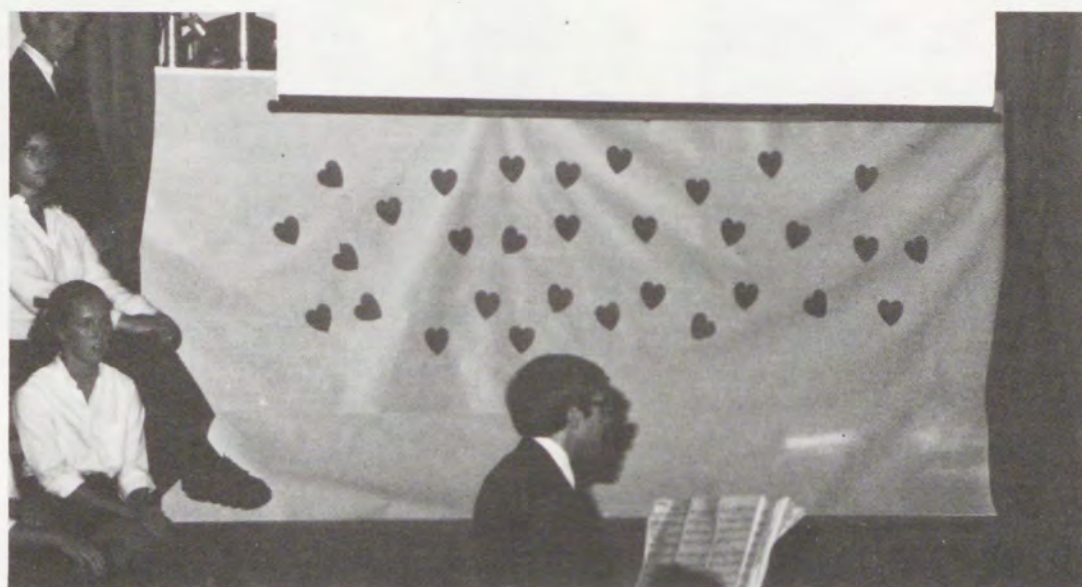

World Studies is included in the student's historical development. Histories of foreign cultures are presented to the classes and the students enjoy it. Students graduate from R.B.C. with a solid knowledge of their own country as well as that of Europe.

Psychology is a part of the departments varied and well-structured curriculum.

Mr. Cioffi is R.B.C.'s real "King of Hearts"

The Music Department is one of R.B.C.'s most valuable assets. It provides the musical accompaniment for many of the school functions. Mr. Cioffi is the musical director for the annual school play, "The King of Hearts." The many hours of practice are evident in a most spectacular and professional performance that is enjoyed by the full-house audiences in the Broad Street Auditorium.

The chorus is another musical group that is proud to have R.B.C. as its home. The chorus has class every morning and performs in fall and spring concerts.

Mr. Bencivenga's band provides the musical scores in the half-time shows during football season. The lively tunes of the band set the pace for the Casey fans.

The Student Personnel Department offers encouragement and guidance to the students at Red Band Catholic. The dedicated staff of well-informed, concerned counselors has helped students in their personal and academic life. From Freshmen seminars to Senior college applications, the Student Personnel Department has been there leading the way. Their guidance is invaluable. Extra materials for the students are films, cassettes, computers, and resource material.

A guidance counselor's day is very busy. Appointments with students occupy most of the day and the remainder is used for the abundance of paper work that comes with the job.

This year Mrs. Walton's guidance department sponsored a college forum for Juniors and their parents in February. At this meeting, each counselor thoroughly discussed a topic dealing with college application procedures: financial aid, applications, acceptance criteria for most schools, and the importance of an excellent high school record. Visiting colleges and making appointments for interviews was among the most important topics in their presentation.

In September, the department administered tests to three grade levels. They also introduced themselves to the class of '84, and explained the purpose of the guidance office.

Mr. Christopher wants "Student Behavior"

Mr. Paul Christopher
Chairperson

Mrs. Eleanor McAllister
Secretary

Rules are necessary to maintain order among a large student population and guide the student along the right path. Mr. Christopher, Mrs. Byrnes, and Mrs. McAllister work together in order to keep every student "on the beam."

The Student Behavior department strives to keep a general discipline, yet, it is not unaware of the changing needs of the student. The dress code has been altered to provide student comfort and some individuality. Seniors have gained some privileges as a recognition of their maturity and leadership. The department, however, never loses sight of its objective: To prepare each student for a life in a disciplined society.

The Models of Efficiency

Mrs. Pauline Gladis

The Business Office is the hub of the action at RBC. The office staff is always helpful to the student and puzzled visitor alike. There is never a dull moment in the office. Everyone is always busy working, giving assistance to callers, or providing needed answers in order to keep school matters organized and under control.

Many services are accomplished here to insure smooth running of every day of the school year. These women are without a doubt, models of efficiency.

Sister Andrew's Corner

During the first week of school it is a place marked by the crowds lined around it, but during the rest of the year walking into Sr. Andrew's bookstore is somewhat like walking into a different part of the world. Her corner is always a calm quiet one, much in contrast to the hectic pace of the rest of the school. Sr. Andrew is always waiting to serve the students from her vast array of those school day "essentials." Her store holds everything from pens and papers to RBC's "highly fashionable" gym suits. Sr. Andrew makes her corner ours.

Mrs. Russo's Health Spa

For one quarter in the first three years at RBC, students have their P.E. classes in a classroom setting, and two of those years are spent with Mrs. Russo.

Mrs. Russo's health class provides students with the fundamentals of diet and hygiene. It is here that they learn that a healthy lunch at the cafeteria is not a package of yodels, a pretzel, and a can of soda!

... When we were a couple of kids

Believe it or not, the pictures on this page are of some of RBC's well-known, (however not necessarily well-loved), teachers, only a few years before they began their school days. They have requested, for "obvious" reasons, that their names remain anonymous, and we had "no choice" but to comply. It's hard to believe that they were once a "couple of kids."
