LOG 1975 ~ A LAST LOOK  
RED BANK REGIONAL HIGH SCHOOL  
HARDING ROAD RED BANK, NEW JERSEY 07701  
VOLUME V

## *A Last Look*

September 1975, is the planned opening for what we call "the new school." The modern structure will house Red Bank Regional High School. This year it is not only the Senior Class that must say farewell to the "old school," but all of us — seniors, underclassmen, teachers, administrators and staff as well.

In seventy-four years many thousands of students have spent their high school years at this location, housed in the Harding Road and Branch Avenue buildings. We take this opportunity to remember what came before and to reflect on what lies ahead.

Every volume of a yearbook looks back, and reports an accurate history of a school year. We feel our responsibility here is more important than an account of only one year. We would like to take "a last look" at a life time and to share with you as much of these memories as space allows.

## Reflections: Old And New

In 1901, the first High School was constructed in Red Bank the location: Branch Avenue. The Branch Avenue High School building held sixteen classrooms and cost 60,000 dollars. Seventeen years later the High School was expanded by the addition of a modern three story building on Harding Road. Seven years later, in 1924, a gymnasium (now the old cafeteria) was added to the Harding Road structure, which by this time was known as the "new" building. A tunnel connecting the "old" and "new" building was added at this time.

Mr. John Luckenbill, Band Director, stands atop the old R.B.R.H.S. stadium contemplating the last performance at the Athletic Field.

The Branch Avenue building viewed from the third floor of the Harding Road building, including the area known as the "Rose Garden," which is now used as a teachers' parking lot.

The "new" building (1917) viewed as one would see it approaching from downtown Red Bank. In the background is the new gymnasium addition (1954).

# Student Armament Moved Near New Outside Courts

The next addition, in 1936, was the purchase of land for a "playground" area. Our "playground" is now known as "the cannons." In 1954 a new gym was constructed and in 1960 a million dollar lab wing including a new cafeteria was added. In 1967, a fire of undetermined origin burned out the entire shop area — Rooms 111 and 112. The fire, spreading up through the windows, also damaged Rooms 212, 312, and 313 before it was brought under control. Mr. John Moses explains that the fire doors and the fire proof ceiling in the shop prevented the blaze from destroying the entire Harding Road building, classes were canceled for two days after the fire and the Industrial Arts Shop remained inoperative for an entire year. An unplanned remodeling job occurred at this time with the rebuilding of the Industrial Arts Shop as a Building Trades area. In the next ten years, lack of space caused the Board of Education to rent four portable classrooms which were constructed on the Branch Avenue lawn.

## AN APPEAL

### TO THE PEOPLE OF RED BANK:

We are sure you are proud of your schools.  
We are sure you are interested in our athletic achievement.

We are sure that you want us to have equal advantages with other schools in the state.

### BUT!

We need an athletic field.  
When given a chance to help us, we know you will give your hearty support.

### CLASS OF 1927

\*\*\*\*\*

As we look forward to our fantastic new Athletic Field and gymnasium it is interesting to see how the Class of '27 felt about their needs.

The snow-ridden Branch Avenue building hovers over the new science lab wing and the teachers' parking lot.

The morning light adds a rich touch to this view of the "old" building resembling a towering mansion.

(Note) cost of the building, equipment and land was 10.6 million dollars for  
the new R.B.R.H.S. in Little Silver.

Here on our triangular campus area students enjoy their study periods under a shady tree on a warm June day.

On the Branch Avenue lawn the "portables" now remain adjacent to the new cafeteria building.

## Bucs Abandon Old Fortress

Nature's flowing lines bring together the modern angles of the tunnel and the sunlit planes of the "old building."

The dark wirey texture of the Band room staircase is contrasted with the delicate brick patterns of the Branch Avenue building.

Students who travel Branch Avenue on their way to school may, in the Spring, appreciate the circular driveway with its flowering garden.

Not even the winter snow keeps the R.B.R.H.S. students from getting in some Basketball practice.

With the trombones, flutes, drums and all of the other instruments packed away, the Band Room entrance, looks desolate and lonely.

(Right) Soon, this well tread stairway will feel the absence of footsteps.

# *Log Unfolds Real Story Of Fourth Floor*

Harding Road side of fourth floor stands majestically overlooking the cannon area.

Since the early 1900's students of Red Bank borough have been having their seasonal wraps on these coat hangers which were placed throughout the building.

The open area formally used for a gymnasium area, band practice, and play rehearsals.

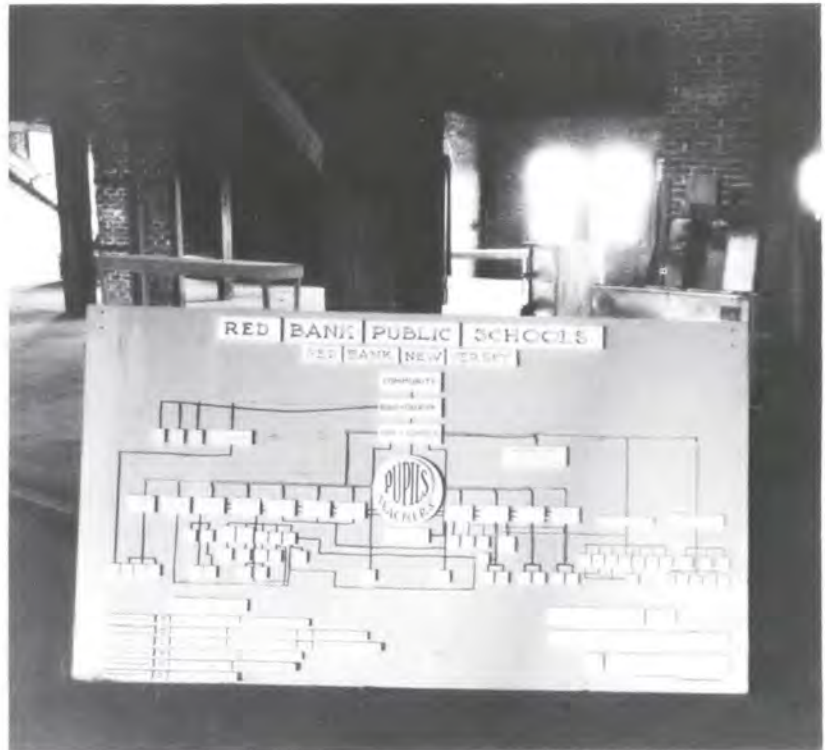

Seats of the past lie dormant in the corner of the fourth floor. Parts of chairs were used as replacements for the auditorium chairs.

What do you know about the fourth floor of the "Old" building? The windows appear dark and empty. The doors remain locked and mysterious. What kind of remembrances of a previous era linger upstairs in the attic?

Rumors and stories are plentiful. Skeletons remain behind where bodies once were chained on the rafters. There are stories of ghosts and secret happenings.

There are skeletons up there, this is true, the skeletons' are those of pigeons, that have lived happy and fulfilled lives in the attic. And the only item found that could be labeled as melodramatic would be the coffins (empty of course!) and other pieces of scenery from plays previously performed at R.B.R.H.S.

This Chart of Organization and Function was taken to Atlantic City (1959) for a demonstration. The chart points out in detail the structure of the Red Bank School Systems.

Forgotten class gifts that had been donated by classes that have graduated in past years.

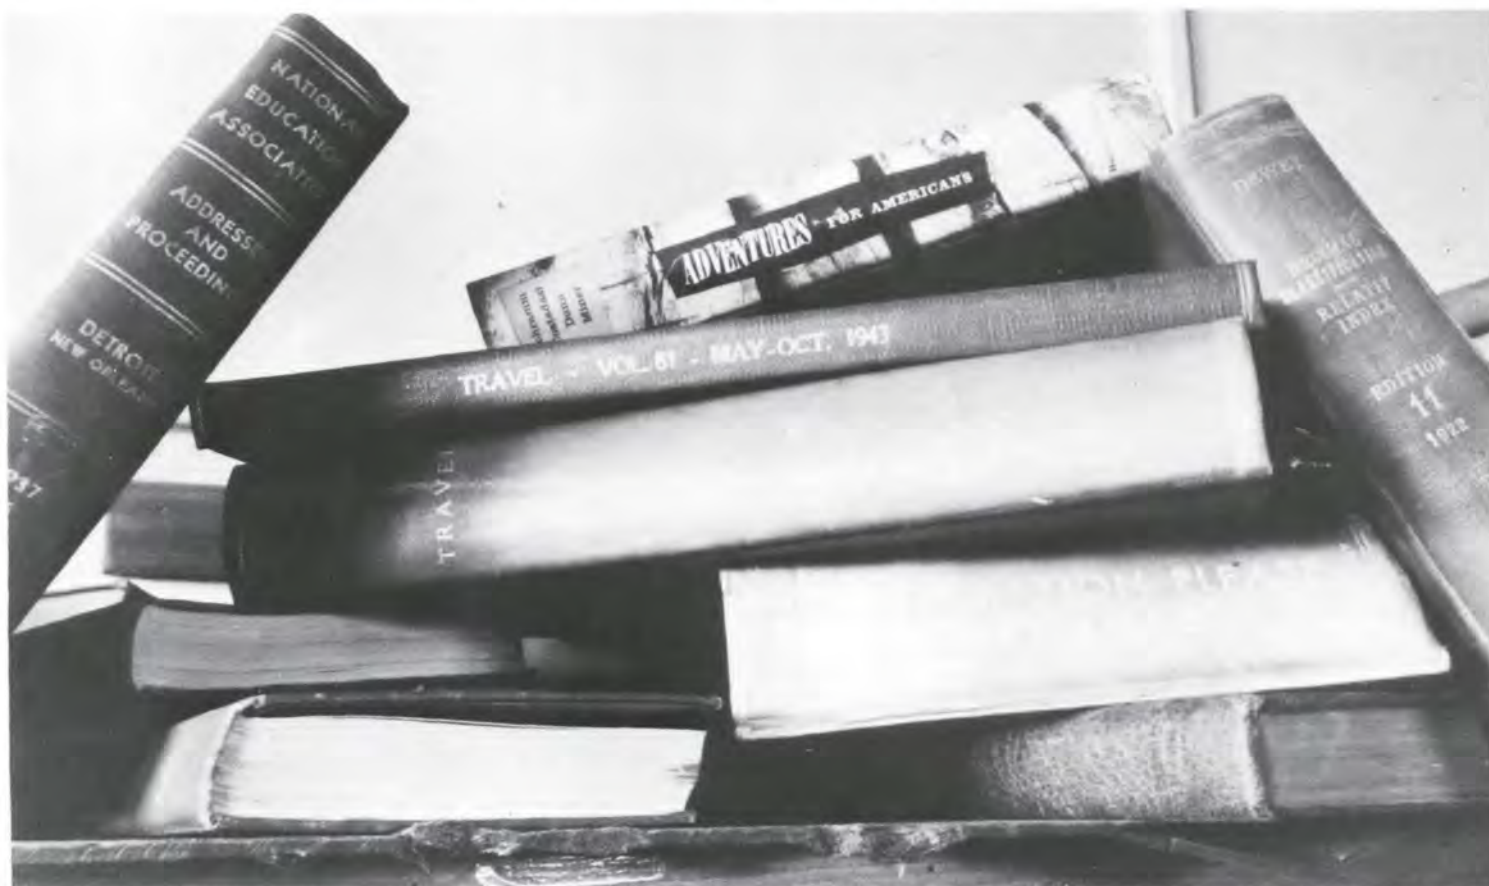

Miscellaneous educational hardware, some forgotten, some purposely stored.

## 4th Floor Spurs Mental Images

Old abandoned book lockers remain ready for another call to service.

Books of the past remain shelved in forgotten unwanted piles.

The fourth floor is used as a storage area for more than just scenery. In the large expanse of space we found old band uniforms, books, paintings, an orange and white parachute, toilet bowls (of ancient design) and just about everything that no one has any use for. Approximately 25 years ago, the fourth floor was closed because of the lack of fire-escape. Yet, because of this, students of R.B.R.H.S. have developed a fascination with this area of the school complex, for many different reasons. Years ago students enjoyed sneaking up to the fourth floor in order to write their names on the rafters — the higher the better. About four years ago five students broke into the fourth floor to explore and they were discovered because of the creaking in the ceilings. The entrance way to the attic also became known as "Lovers Cove." Many a teacher that chanced to go by there, was surprised by what they found.

Names of the past are held for a moment on the chalkboards of yesterday.

## *Experimentation Awakens Curiosity*

The Science Department has designed its programs to stimulate and to increase the academic background of students in the sciences. The importance of science in the technology of our world today is seen more and more. The science staff is providing students with insight of the values of the specific sciences.

Our emphasis presently is on the transitional phase from our present facilities to the new regional school. We are utilizing innovative methods to determine their possible incorporation into our curriculum for the new school. We are pleased with the design of the new science facilities and are certain that the students will have a greater pride in their school with these facilities. It is our desire to instill in the science students in our new facilities, an even greater feeling of curiosity of the functioning of scientific concepts and the pursuance of research methods.

Marcia Richardson takes the jump shot from the top of the key.

As the needs of the student, as with society keep changing from decade to decade, the Health, Physical Education, and Driver Training Department tries to keep pace with these changes. During the year, the department undertook a continuous examination as it related to goals. It took a practical, down-to-earth look at the wide variety of physical activities practiced today. Appraising the significance of each in terms of overall objectives as demonstrated through classwork, intramurals, interscholastics, and special activities.

The department is constantly striving for a school program that will be more meaningful to the student, not only while in school, but during later adult years.

Individualized teaching was a direction of the department as it prepared for the entry into the new school. The use of media was developed to a greater extent with the use of cassettes, films, slides, videotape, and other audio visual materials. These innovations pointed to a cohesive transition from the old to the new.

The 1974-1975 Pilot Project involved approximately half the ninth grade class and received a federal grant under the provisions of Title III of the Elementary and Secondary Education Act of 1965.

Six teachers and a guidance counselor engaged in team planning and team scheduling within a block of time. This planning and scheduling activity enabled many strategies that are difficult in the regular schedule. The strategies included large group, seminar group and small group instruction.

Last year the project included a student scheduling element and an emphasis on individual pacing, but this year the project was teacher scheduled and teacher paced.

Eric Miller reviews his Science notes in the laboratory.

Judie Galatro displays form in the girl's paddleball tournament.

This year Red Bank Regional held its second annual Boy's Singles Paddleball Tournament, and the girls played their first Paddleball Tournament. Under the supervision of Mr. Russo, sixty-four boys and thirty-two girls competed for the championships. All of the matches took place on week-day evenings with single elimination until the last two participants played best two out of three. Large crowds of spectators attended the matches keeping the entire tournament vivacious.

Chris Ward took the Boy's Championship, while Whitney Crowell captured the Girl's Championship. Randy Wills and Susan Bennett took second place positions in the tournaments.

Whitney Crowell challenged Boy's Champion Chris Ward to the first co-ed match.

Paddleball has largely increased its popularity as an intramural sport at R.B.R.H.S. in the gym classes and the outside tournaments.

## *Fifty Seventy-Sixers Entertain Audiences*

The Spirit of '76 was alive in Red Bank Regional High School as the Class of '76 brought to life the characters of M\*A\*S\*H.

A cast and crew of fifty invaded the gym and entertained audiences for three fast paced evenings. The set design by Mr. Nick Kuntz and direction by Mrs. Renee Maxwell, made the heroes on the mobile army surgical hospital come alive!

(lower left) "But Hawkeye had his heart set on going home." Duke Forrest (Scott Coyle) makes a sincere but ineffective appeal to Colonel Blake.

Colonel Blake (Bruce Daniels) announces his decision to two dejected army surgeons, Hawkeye Pierce, (Glenn Phillips) and Duke Forrest (Scott Coyle) as Sgt. Devine (Paul Gale) examines their reactions.

The Class of '76 proudly presents . . . M\*S\*A\*H, M\*A\*H\*S, M\*H\*A\*S, M\*A\*S\*H!!!

The M\*A\*S\*H crew will stop at nothing in order to intercept the game plan of General Hammond's team, Radar Reilly (Erik Kromann) receives the message, encouraged by Tim Turner, Alison Kezer, Deanna Walter, Diane Lopez, Gail Mikhich, Sandi Johnson, Cathy Miltenberger and Leslie Woodward.

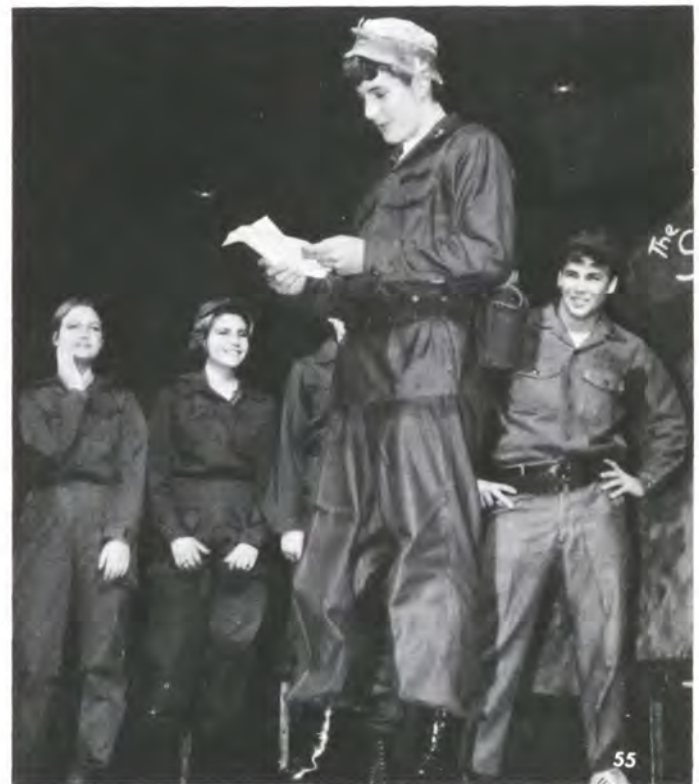

The Bonwit Sisters, Theresa Goodhue, Kris Peterson and Angela Talerico give a performance to "improve the morale of the fighting men — and do their part for DEMO-CRA-CY!"

"I'm very happy to be here," says Hot Lips Houlihan (Amy Schmidt) as she is welcomed to M\*A\*S\*H by Captain Frank Burns (Don Blakelock) and Colonel Blake (Bruce Daniels).

Director Renee Maxwell checks the set before the curtain goes up . . . Five foot lockers? . . . check. Three blankets? . . . check. Two plasma bottles? . . . check.

"We are arranging for 500 lbs. of Maine lobster to be sent to South Korea . . . C.O.D.!!" As a fond farewell, Hawkeye and Duke have left a letter to be read to the M\*A\*S\*H unit . . . after they have gone! Colonel Blake fumes, as the M\*A\*S\*H crew enjoy the joke.

"Walt Waldowski's (Mark Besse) desire to "leave life" is humorously fulfilled by the mad scientists of M\*A\*S\*H. The angels-of-mercy include . . . Dave Downer, Tim Turner, Alison Kezer, Deanna Walter, Leslie Woodward, Sandi Johnson, Diane Lopez, Gail Micknich and Cathy Miltenberger.

OKLAHOMA, the final Senior Show to be presented in the gym before our move to the new theater facility, was a fitting farewell to "the old barn." OKLAHOMA, chosen because of its place in theatrical history, and also as a theme fitting the Bi-Centennial, was presented on April 17, 18 and 19th. A cast of 60 accompanied by an orchestra of 18, sang and danced their way through the spirited music of this American classic. From the opening sounds of "Oh What A Beautiful Morning" to the rousing finale "Oklahoma," the Seniors were "one" in their final class activity before graduation.

## Seniors, Song, Spaghetti, And - - - Seltzer

"We need four more orders of spaghetti!" "Who's supposed to be stirring the sauce?" "Mr. Forte . . .!" These were just a few of the exclamations that resounded through the new cafeteria on February 25, the night the seniors had their Spaghetti Dinner.

There had been a great deal of preparation previous to that night, and it had all proved to be profitable for the Class of 1975. Without a doubt, Mr. Orr and his jazz band had been a great success as was the Thespian Society production of "You're A Good Man Charlie Brown." In retrospect, anyone who had attended the Senior's Spaghetti Dinner walked away with a song in their heart and full stomachs!

## Strings And Brass Receive Awards

Once again the Buc band proved tops at the Shore by placing the largest number of students in the All State Region 11 Band and Orchestra of any band at the Shore. Region 11 includes an area of 100 high schools. Eight members were selected from Red Bank in competitive tryouts. Four of these won first chair positions: Eric Miller, Phillip Jacobs, Frank Benjamin and Nancy Luckenbill. Eric Miller won a first chair position in the All State Band.

With the fastest drum cadence at the Shore and many original shows, the Buc band won applause during football season. A Joint Concert was scheduled with the Sir Winston Churchill High School of Montreal, Canada for May.

## *Buc Press Promotes Inquiry*

The Buccaneer is an uncensored monthly newspaper, written by and for the students. It attempts to bring insight to future events, recount past happenings, as well as to entertain and enlighten. Despite the shortage and the inexperience of the staff, the Buc managed to appear every month after a two month period of inactivity in the beginning of the school year, and kept the high technical and literary standards it had set in previous years. The Buc is under the direction of Mr. John Falk.

# Shirted Spartans Show Signs Of Stamina

Red Bank Regional Conditioning Club has been run by Mr. Richard Martin for the past four years, and it has been helping athletes in all sports. This year Mr. Martin has tried something new by giving out shirts, but it is not as easy as it sounds. The person has to run a mile in under 5:30 and bench press over his own weight, then after completing these tasks he is awarded a Spartan Conditioning Club T-Shirt. This year the first person awarded a T-Shirt was Captain John McHeffey, who had a bench press of over 300 pounds and ran a mile in 5:10.

## *Kings And Bishops Have No Queens*

This year's Chess Club had a large energetic membership. This group is one of the most active clubs in R.B.R.H.S., meeting every week. Some of the club members are on the Chess Team, others are aspiring members. However, a large number of the chess players participate solely for the enjoyment of the game. The members of the chess club also participate in various other activities such as simultaneous exhibitions and "move a day" games. The Chess Clubs advisor is Mr. Charles Unger.

Brian Wong plans his strategy before making an important move in his chess game.

## Select Vocalists Sing At School And Shore

The Choralettes, which is a selective girls' singing group, is comprised of approximately twenty girls. They usually meet once a week to prepare vocal music for presentation in the community at various civic and school activities in the Red Bank and Shore areas. This year they will be losing eight seniors, but hopefully many will try out next year and in the years to come.

Choralettes look over music for the Spring Choral Concert; they are: (l-r) Janet Weston, Diane Miller, Betsy Marr, Margie Siegler, Janet Vandervort and Susan Sass.

## Leather and Pen Promote Student Interest

Nature Lovers comprise the membership of R.B.R.H.S.'s Hiking and Conservation Club, with advisor Mrs. Margaret Benner, the club organized many activities. Hikes, bicycle trips through nearby parks and field and ski trips were some of the activities in which the membership participated. During Spring Vacation members of the Hiking and Conservation Club took a trip to Europe.

The Crow's Nest, headed by Miss Mary Johnson had a talented membership. The purpose of the club is to produce literary work written by members of the club as well as the student body. Each selection is given to the staff, criticized by the members, then put into the magazine. The Crow's Nest staff strove to publish student literature, poetry and art of high quality.

The Key Club, which was led by senior members Chris Ward, Ralph Hendrickson, Donnie Marshall, Mark DePoty, and Rich Stoothoff, did many things to aid in student involvement this year. Their biggest success this year was the faculty-faculty game with Red Bank Regional teachers hosting the visiting Red Bank Catholic teachers. This activity brought many students and faculty members together, making the activity a financial success for the Key Club.

This year's club was under the direction of Mr. George Fallon. They should have a good year coming up as thirty members will be returning next year.

## I.A. = S.S.C.

The Instant Action Club members continued to fulfill its motto "... Service to the school and the community," by assisting during fire drills and serving as "hall couriers." They have also escorted the various classes that took "walk trips" to the theatres and they were guides for open house and adult school.

This year the Instant Action Club distinguished itself by volunteering their services to the Monmouth County Arts Council by serving as the official ushers at the new Monmouth Arts Center (The old Carlton Theatre).

## *F.H.A. Serves School*

The primary goal of the F.H.A. is to serve the community in a variety of respects. Working with the elderly and retarded children, beautifying our community and working with UNICEF. The most satisfying project done recently dealt with career awareness in the area of Home Economics. Club members planned and carried out an extensive program explaining the career of a baker which was presented to a third grade class in Little Silver. This project included a slide presentation showing steps in looking, and "hands on" experience with the students actually doing some cooking.

The International Thespian Society, troupe 3009, is Red Bank Regional's newest formed club activity. The charter was activated in December, 1974, and affiliates Red Bank with over 3300 high schools throughout the world. With a headquarters in Cincinnati, Ohio, the International Thespian Society is dedicated to the promotion of theatre in the secondary schools and publishes a magazine, "Dramatics," which is distributed to members as well as outside subscribers. Red Bank's troupe presented the first annual International Thespian Show, "You're A Good Man, Charlie Brown" and looks forward to a successful future.

## F.H.S. Trips Little Prince

This year's French Honor Society consisted of fifty-two juniors and seniors who had attained an "A" average in French. As in previous years, the monthly meetings were held at the home of a member. Their activities included a trip to New York to see the film "The Little Prince" and skating at Rockefeller Center. They had various fund raisers during the year, which came to a close with the traditional induction ceremony for new members. The executive board this year included: Patti Donaldson — president, Cathy Chernoff — vice president, Leslie Connors — treasurer, Karen Tetley — secretary and Maureen Sakowitz, chef du programme.

# Oktoberfest Visits R.B.R.

The German Club meets every Thursday in room 22 after school. Membership is comprised of German students. The goal of the club is to promote knowledge and appreciation of German culture and civilization.

For this purpose, traditional German celebrations such as Christmas, the Oktoberfest etc. will be observed in a manner suitable to the classroom situation. Plans for a possible future trip to Germany were discussed this year and various fund-raising activities were undertaken.

Also during the school year attempts to form closer ties with German clubs of other area schools were made.

# Spiritual Lives Strengthened By Holy Word

Interest in the Bible Club has increased this year. New programs have been initiated based on a need for relating the Bible to the lives of modern teenagers. Special activities this year included coffee houses, weekend retreats, picnics, local youth group meetings. Group discussions and Bible readings encouraged greater involvement and more active participation in local houses of worship.

## A.F.S. Perpetuates Brotherhood

The A.F.S. which was organized to perpetuate international brotherhood, is an exchange program in which the club sponsors American students to a foreign country. In turn the club brings in foreign exchange students to this country. In the past, the A.F.S. Club has raised over \$1000.00. The club has participated in such fund-raising activities as addressing letters, pancake breakfast, selling of friendship shares, tag day, and a flea market.

In March the A.F.S. Club sponsored an "A.F.S. Day" where the foreign exchange students from schools in the surrounding areas to come and interact and exchange philosophies with R.B.R.H.S. students. Next year Mardi Dodds and Stanley Nixon will be going abroad.

## Direction And Purpose Sparks S.C.

The Student Council, with the help of Miss Elizabeth Nicholson and Mr. Robert Otrupchak made the Student Council active this year. The council promoted and reinstituted different programs for the students at Red Bank Regional this year. One of their achievements was the reopening of the Honor Roll and obtaining sidewalks and crossing lights from various town legislature making it safe for students walking to the new school. This action proved that something can be done when the student body and the council work together.

The Cheerleading Squad. *Back:* Theresa Gongora, Mellissa Haring, Cindy Frick, Alex Wright, Linda Silberstein. *Middle:* Janel Goodson, Dena Walter, Diane Miller, Ivy Kittrell, Lisa Bradley. *Front:* Cyndie Robbins, Mary Tomaino.

"Let's go, Red Bank!" That is what this year's cheerleaders cheered to the football and basketball teams and they both did just that. The eleven girls, headed by Mary Tomaino with the help of Diane Miller, rooted the teams to victorious seasons by their loud voices and tremendous spirit. The coaches and athletes appreciated the squad and said that they could not have done it without them.

This year the cheerleaders were faced with the problem of teaching five semi-experienced sophomores. Although four girls, sophomores Alex Wright and Linda Silberstein, and juniors Dena Walter and Lisa Bradley, attended a cheering camp, they still had to learn the Red Bank way. Senior Corinne Enander and junior Ivy Kittrell also aided in teaching the remaining sophomores Cindy Frick, Theresa Gongora, and Mellissa Haring.

This was the last year at the football field and in the gym but the Buccaneer spirit will always be remembered there.

## Bucs Do It Again

1974 Bucs dominated all opponents going undefeated with a perfect 9-0 season and winning their second straight shore conference championship. Paced by the top defense unit in the shore and the leading offense in the "C" division, the Bucs extended their winning streak to 17 straight games. Fourteen players scored for the Bucs and thirteen individuals were honored by their selection to the various all-star teams.

The team was noted all season long for its hard hitting and aggressive defense and its brilliant breakaway offense. The seventeen seniors contributed heavily to the team's success and will be missed.

## Three Lettermen Return To Booters

This season The Booters had only three returning lettermen. Having to play many sophomores and juniors, the season was not as good as expected. Some of the team members made All Conference in the D division. Russell Kroll made 1st team, Tony DiNocero made 3rd team, Paul Van Cleve was leading scorer and made 2nd team. Don Marshall made honorable mention and was the under-rated goal tender in the D division. Don's outstanding plays kept The Booters in many games. Based on the experience gained this season the team should be more successful next year.

Most members of this year's Cross Country team were newcomers to the sport. The squad had only one returning letterman, senior and team captain Jeff Coyne. For most of the squad this season was a time for learning — a time to begin developing the habits of dedicated effort that may some day make them champions. For senior Coyne, the season was a time of fulfillment as he saw his four years of dedication to the sport bring him the fastest times of his career and three first place finishes.

## Many Firsts This Year For Girls' Field Hockey

Members of the Girls' Field Hockey celebrate a teammate's birthday.

The Girls' Varsity Field Hockey team had a very successful and rewarding season. This was a year of many firsts. This was the first field hockey team to ever post a winning season, with a record of nine wins and five losses. It was also the first year the team had been invited to the state tournament. Unfortunately the girls lost the opening game against West Winsor by a score of 1-1. The deciding factor of the game was the amount of time spent attacking beyond the 25 yard line. The team lost the game by two minutes.

This is also the first year that several seniors will be graduating and leaving the team. Although the team and the coach will miss them greatly, the girls wish them the best of luck in all their future endeavors, and will try to fill their shoes.

Great determination was the key factor in getting the swimmers up for their pre-dawn practices. Entering the "Y" pool at 6:00 am the swimmers would complete their practice in time for school. Their dedication was rewarded by another successful record. Under the tough coaching of Mr. Richard Martin, the girls went undefeated (8-0) and the boys dropped only one meet ending (9-1).

The girls were led by senior co-captains Bea Grause and Judie Galatro. John Curchin and Doug Rose captained the boys team. The swim team will also miss Jeannie Beaman, Whitney Crowell, Meg Deiss, Andy Lee, Anne Marie Lettieri, Che Swanson and Billy Wylie. Outstanding performances by underclassmen were made by Steven Fish, Tim and Terry Turner, Blaise Markiewitz, Cindy Frick, Dana Mihlon, and Leslie Woodward.

## Booth's Bouncers "C" Division Champs

The 1974-75 Bucs, Co-Champions of the "C" Division, displayed a variety of talent this past year. Behind the coaching of Mr. Warren Booth, the starters were guards, Steve Scoppetuolo (junior) and Henry Slater (senior), the Bucs forward positions were filled by two talented brothers, Jerome and John Holden. Both contributed much to the offensive punch which helped the "Bucs" towards their 13-1 "C" Division season. The "high post" position was filled by 6'4" senior Doug Scott. Doug was the "big man" off the boards and led the team in rebounds.

The Bucs worked mostly at a man-to-man defense, using a 1-2-1-1 full court press at times. The "Bucs" bench was one of very deep depth. Juniors Sam Saunders (guard) would come off the bench and add a strong defense power to the Buccaneers. Senior Clarence Allgood coming into the game would show his talents at both ends of the court. The rest of the "Bucs" squad were: Guyton Parker, Keith Thornton, Chris Ward, Jerry Agee, and Drew Drodgy.

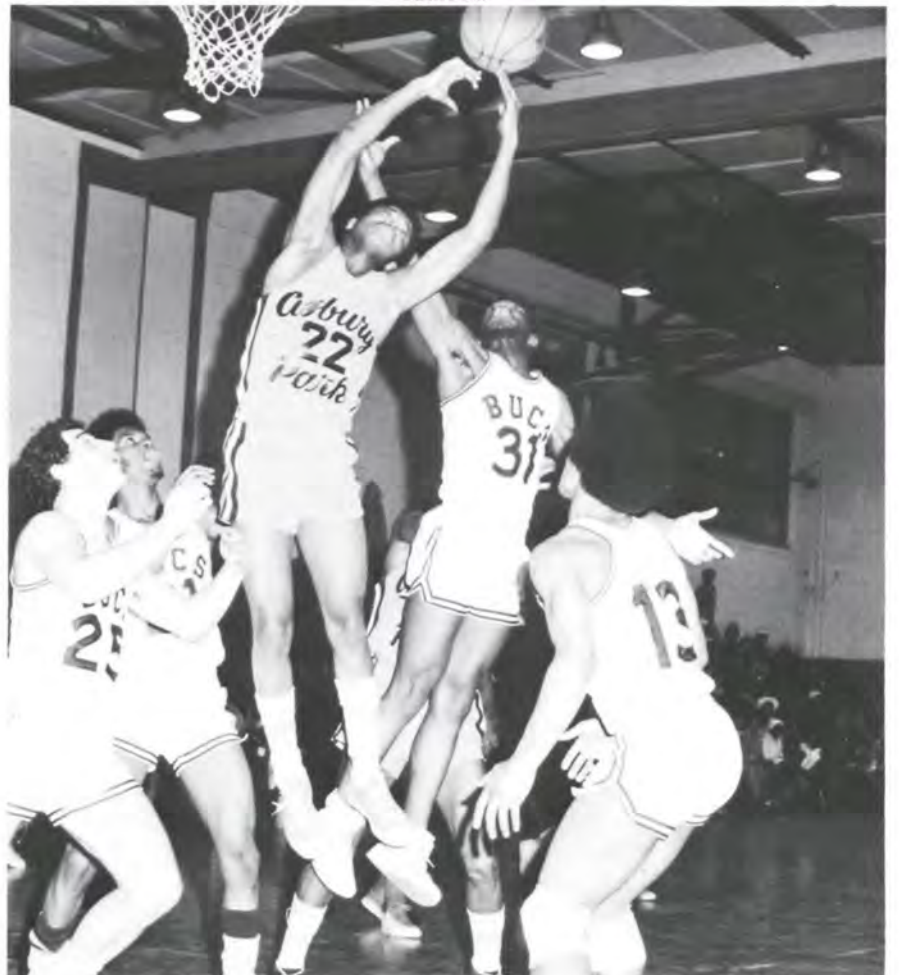

The Bucs finished their regular season with an impressive 19-4 over-all record and were invited to participate in the States games.

## *Bacon And Wills Lead Grapplers*

The Grapplers started the season with a hard fought 27-24 victory over Point Pleasant Beach. The Bucs then moved into the Holmdel Christmas Tournament where they produced four finalists, Mike Balwin, Randy Wills, "Buster" Bacon, and Dave Jeter, who was lost to the team with a knee injury.

With the loss of Dave Jeter and lack of depth the Bucs as a team struggled through the year, but produced many consistent performers. Leading the team in wins were Captains Bacon and Wills with sophomore sensation, Michael Baldwin and junior, John McHeffey close behind. Filling up the rest of the squad were juniors, Kevin VanCleve, John Dixon, Keith Williams, Nate Stathum, Roger Perry, senior, Bill Jones, sophomore, Mike Dobry, and the lone freshman, Scott Kramer.

With all but three varsity members returning to next year's team, the future looks bright for coach, Mike Pennella.

## *Lettermen Weigh Heavily In Team Success*

The Girls' Track team, inspired by coach Warren Booth, completed a successful season. Outstanding efforts by Michele Allgood, Kim Palmer, Desiree Jones, Linda Roubik, Michele Amonyier, Beth Forsyth, and Wendy Patterson sparked the team on to their victories. Also, for the first time, seven Red Bank girls were able to represent the school in the Meet of Champions at Rutgers College.

The Girls' Varsity Gymnastics Team in their second year of competition, ended the season with four wins and five losses. Margie Cook, Bea Grause, Bridget Mills, Mary Ann Wilcoxon, and Cathy Novotny qualified for the Shore Conference Invitational. According to Mrs. Karen Cook, gymnastic coach, Red Bank won't find too many teams with such dedication and determination as this year's team.

## Alleys Hinder Rollers

The 1974-75 season was not as successful as we had hoped. The record was 14-19, which was a slight improvement over last year. Coach Mr. James Zucaro hopes that the several underclassmen who have shown promise will enable the team to be in contention for the championship next year.

## Keglers Tied 4th Place

Maureen Sakowitz tries for a 'turkey.'

The Girls' Bowling Team had a benefiting season with a 16-11 record. They ended up tied for fourth place. Team members were seniors, Captain Maureen Sakowitz — 158, Yvonne Tenenbaum — 144, Karen Tetley — 143, Alice Dove — 134 and junior, Wanda Brown — 129. Maureen had third highest average in the league, Coach Helen Neeff was always there to raise the team's spirits to victory.

At the end of the girls' season, the four seniors entered the Second Annual Invitational Bowling Tournament sponsored by the Jersey Shore Coaches Association. They each bowled three tremendous games which led them to a first place victory. Alice Dove bowled a high 208 and Maureen Sakowitz followed with a 201. Maureen had second high series with a 534 and Alice had third high with a 530. The girls ended their season very nicely.

## Lettermen Return To Improve Record

The 1975 Baseball Bucs will try to improve on last season's record of 12 wins and 11 losses. Coach Lou DeGeorge is counting on the return of seven senior lettermen to be title contenders in the Shore Conference Class "C" race.

Leading the returning lettermen will be co-captains Sam Peluso and Chris Ward. Peluso was one of the most feared hitters in the Shore last year, batting .371. This earned Sam the first team catcher's position on the All-State Group 2 and All-County teams. The "athletic" Ward will return to the shortstop position where he batted .300.

Coach DeGeorge will also rely on the heavy hitting of outfielders John Clark, Tony DiNocera, Bill Ivins, and Keith Thornton and the slick fielding of first baseman Rich Stoothoff. With the addition of seniors Billy Goodson and Dave Nussbaum plus many promising juniors from a 15-6 J.V. team Coach DeGeorge is optimistic about this season.

## Greenmen Have Great Season

This year, approximately 14 boys and 1 girl, the first girl in the history of the school, tried out for the golf team. One player from last year's team is back, so there were many open spots on the team. Mr. George Fallon, coach, hopes that the new team will be competing with many other schools. The home matches will be played at the Navesink Country Club. This year's team will play a total of 20 matches.

## Height — Practices Hurt Ms.

The Girl's Varsity Basketball team, coached by Miss Onnalee Gaze, closed the season with a disappointing losing record. The team supports only three wins, those being over Wall Township and Rumson. With the same starting squad as last year, Coach Gaze had high hopes of a successful season.

The number of losses could be attributed to the team's lack of height, the early morning practices, and the fact that the majority of the games were not played on their home court. Next year, in the new school, these problems hopefully will be alleviated.

Since the starting squad consists of one Freshman (Debbie Bevacque), three juniors (Marcia Richardson, Gloria Gadson, Stephanie Kroll), and only one senior (Sue Bennett), next year hopes to be more promising. This year Coach Gaze organized a Junior Varsity squad consisting of Freshmen and Sophomores so that next year, the entire team will have experience. The team will only be losing three senior members, Susan Bennett, Amy Meise, and Linda Roubik. Coach Gaze has bright outlooks for Sophomores Terri Nixon, and Michelle Algood, who contributed much to this year's Varsity Squad.

## Buc Streakers Explode

With few returning lettermen this season, the team leaned heavily on completely new talent. This year seniors, Derrick Lewis, Jeff Coyne, Ira Bacon and Winifred Jones, formed the nucleus of the team.

This year's team was young, inexperienced, yet bountiful in talent. They had great expectations in the areas of the sprints and middle distance events as related to the underclassmen.

All thoughts of a successful season depended entirely on the underclassmen. Coach Herb Reed believes success lies just beyond this season, but the team will be reaching out.

The 1974 season proved to be very successful for the girls tennis team. Seven matches were lost by a single point showing a very hard fought season. Whitney Crowell, Sue Wilson, and Nancy Novotny held singles positions most of the year. Juli Galatro and Sue Bennett, Patti Santelle and Caroline Thomas were steady point getters at the doubles position. Strong support was given to the team by seniors, Lauren Judge, Charlotte Morris, and Yvonne Tennebaum, Sophs, Sue Duym, Terry Nixon, Lisa Thomas and Frosh, Barbara Sander-son.

Sophomore, Brett Woodward hits a powerful forehand return.

Senior, Jerry Randolph practices his backhand.

Mr. Patrick McCormack watches his team warm-up before their match with Christian Brothers Academy.

Sophomore, Jay Lippin eyes a forehand return.

Senior, Paul Van Cleve places his backhand shot against a Keansburg opponent.

The tennis team's main core was made up of four returning experienced lettermen: Seniors, Gerry Randolph and Paul Van Cleve, Sophomores, Paul Santelle and Chris Lloyd. The season was completed by a relatively young and fastly developing team. Matches were played at the Little Silver courts on Rumson Road. The team looks forward to a very successful season next year representing Red Bank Regional High School at the new site on three newly surfaced courts.

The squad's opponents were: Freehold Boro, Rumson Fair Haven, Shore Regional, Holmdel, Keansburg, St. John Vianney, Christian Brothers Academy and Freehold Township. The team was coached by Mr. Patrick McCormack.

The Class of 1976, under the direction of Mr. Gerald Gance, once again had a very successful year. The bicycle raffle, their trademark, and the ugly-man contest, were big attractions again this year.

The Junior Play, M\*A\*S\*H, performed in late November, was a smashing success. Selling buttons at football games, running concession stands and selling programs at basketball and baseball games only added to their treasury, and their hopes for a truly successful senior year.

Being involved is a very important aspect of high school, and the 1975 Sophomore Class has fulfilled that job, here at Red Bank Regional High School. They elected their executive board at the end of their freshman year and have worked diligently ever since. Under the advisorship of Mrs. Dorothy Falconer, they prepared for a three-day music festival as their major fund-raiser of the year.

Mr. Robert Dziadosz, advisor to the Freshman Class, formulated the executive board early in the year so as to get a good start on the financial affairs of the class.

After a lapse of two years without a magazine drive, the Freshman Class felt that it was time for another one, and it proved to be profitable for their first Red Bank Regional fund-raising activity.

# Seniors Respond To Questionnaire

In October, 1974 some questions were posed, in an individual questionnaire, to the senior class. These questions centered around the general interests of the students. Some of the areas covered were used in a poll to establish a class wide consensus: Favorite color — Blue; Astrological sign — Aries; Goal — to achieve a higher education.

*Question:* Hey, what's this thing?

*Answer:* A yearbook questionnaire for seniors.

*Question:* What are you gonna do with it?

*Answer:* After you answer the questions, you hand it in and we print it in the yearbook.

*Question:* Hey, listen to some of these questions — let's have some fun . . .

Favorite color: yellow with a touch of purple.

Hobbies: eating, sleeping, rising and shining.

Things I like to do: build tooth pick houses.

Future plans: Establish a "National Wombat Society."

Phrase from a song or poem: "I am not a crook," Richard M. Nixon.

Constructive interests: contributing to "Save the Anteaters."

Goal in life: Crossbreed mango trees and zucchini plants.

Man, this will really get 'em down in the log room!!!

# *Learning Layouts* *Loss Of Sleep* *Lack Of Time* *And Love = Log '75*

Pizza, Submarines, brownies and many, many sodas pulled the Log Staff through those last pressured weeks before the final deadline. But it all began way back in May 1974, when the staff was first organized. In the spring of '74 besides learning the "ins and outs" of yearbook production, our staff members — particularly the photographers, had to begin shooting pictures of sports events as well as candid shots of students and staff. Taylor Publishing sponsored sessions which demonstrated the appropriate ways of taking pictures, drawing layouts, and writing copy. In September of this year, the Log Staff held more training programs in order to interest new members. When we first started out the book was divided into specific sections each headed by an editor. By the time our March deadline came around, everyone was working together as a team. To add a new and different touch to this year's Log, artwork was added throughout the book. Chris Enander worked as hard as any staff member to get his drawings ready for us. We also owe a great deal of gratitude to Mr. Robert Lock who "taught us everything we know," About EVERYTHING!!!

Photographer, Andrew Trocchia identifies photographs, while Brett Woodward types copy and captions.

Debbie Woodward (Editor-In-Chief) researched many yearbooks before finalizing our layouts.

Theresa Weiler, Nancy Gay Van Wagner, and Denise Sharabba check off lists for the Student Activity Directory.

Robb Sanderson and John Gronert select photographs for the junior play pages.

June Dragonette (Editor of Curriculum Section) works on some final layouts for the science section.

Debbie Woodward (Editor-In-Chief), Mrs. Ellen Orrego (Log Advisor) and Mr. Robert Lock (Coordinator of Student Activities) take "a last look" at the closing page of the yearbook before "putting the Log to bed."

## *Chief Thanks Multitude*

At last! The finished product! For me, putting together the 1975 Log has been a year full of happiness, anxiety, and a tremendous amount of pride. At this time I would like to thank the many people to whom I have become indebted. So let me express my appreciation to:

Mr. Harold C. Schaible, Superintendent, and Mr. Willard Browning, Principal, for their steadfast backing of our yearbook.

Mr. Francis Teeple, Director of Guidance, for all of his time in aiding with the senior section.

Mr. James Leo, Athletic Director, for co-operating with photographers at sports events.

Mr. Richard Mundrane, my homeroom teacher, who not only co-operated with me at any time, but also offered assistance whenever needed.

Mrs. Ellen Orrego, Log Advisor, who not only taught us the skills of publishing a book, but also was there any time we had questions.

Mr. Robert Lock, Coordinator of Student Activities, who carefully checked all of our material in order to assure us of the excellence we desired.

Chris Enander, who took the time to draw the caricatures of the faculty and students for our divider pages.

Mr. George Franklin, of Taylor Publishing Company, for his patience and support.

Mrs. Shirley, of Loston Studios, who helped in speeding up the process of having our pictures developed.

The Daily Register, for donating photographs for our sports section.

All of the members of the faculty, who aided in selecting pictures and writing captions.

All of the students, who aided in typing and writing copy.

The Log staff, who assisted me in the production of this book.

To all those who view the products of our work, may you share the pride and pleasure which we present this, the 1975 Log.

Thank you again.
