Principal

As you complete three years of education at Sayreville Middle School, I congratulate you for your achievements thus far. I hope that you have enjoyed your years here and that you have benefitted from the fine educational program we offer. As you look forward to high school, I wish you the best of everything the future can hold for you. Although fate plays a part in all our lives, you can influence your future by seeking out opportunities to gain knowledge and skills. The more you learn and know, the better job you can do. I trust you will do your best—no one can ask more than that.

Soren Thomsen

My very best wishes to you as you reach an important milestone in your lives. I am sure you look forward to the excitement of the high school. Take advantage of all the wonderful opportunities that will be offered to you. Do well! Be successful! Be happy!
