At Work

To Our Principal

Mr. Thomsen,

You have made our years here at the middle school such memorable ones. Thank you for your hard work and time in helping us to strive for our goals. You have helped to mold the middle school into something we will always remember and for this we give you our sincere thanks.

To Our

Vice-Principal

Ms. Vail,

Thanks for the time and patience you have possessed in the years we have spent here. We will always admire your strength to carry out such a difficult job. We have the utmost respect for you and we will never forget what you have done for us. Thanks for the wonderful memories that we will keep in our hearts forever.

Message To The Graduating Class

Congratulations for completing three years at Sayreville Middle School. As you pass from one phase of your education to another, I wish you a productive and successful future in high school. Stay active and interested in learning. Don't lose your enthusiasm for finding out all that you can to make your life happy and healthy. Each of you is a unique individual who has something important to offer to the world you live in-let your contribution be the best that it can be.

Soren J. Thomsen

There is always something sad about farewells. I will miss you-all of you. I know you are ready to move on. Remember that we here at the middle school gave you all that we are and have so that you might be happy and successful young adults-Go for the Gold! Best wishes--

Kathleen T. Vail

The one that got away...
Go for it Mr. DeGaetano

"It's my balloon, and NO
you can't have it !"

"Who said diamonds are a girl's best friend?"

"Attack of the killer balloons"

"Now boys, on the count of three say cheese..."

"Who blew them all up ?"

"I hope that's for me"

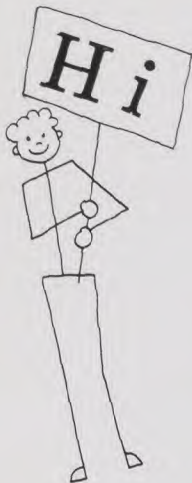

During the week of Feb. 26 to Mar. 2 we "gambled" to raise money for Mrs. Hester's favorite charity. Look out Atlantic City!!!!
