PRINCIPAL'S MESSAGE

My dear young friends,

This year has gone by so quickly and now I'm struggling to find just the right words with which to send you on your way. I wish you well and so urge you to follow your heart, young ladies and gentlemen, and never surrender your dreams. Have faith in yourself and always be truthful. Treat the earth and your environment gently. Look out for yourself and look for the good in others. Give others a chance to love you. Believe in tomorrow for it holds the key to your success. Goodbye.

Dear Students,

Congratulations on your accomplishments at Sayreville Middle School. As you begin a new venture in your education, may you meet with success and happiness. Be certain to set goals for yourself, strive to be the best that you can be, and dream those wonderful dreams.

As you aspire to make your dreams a reality, keep in mind the following poem:

"DREAMS"

- Edgar Guest

Never by many are marvels wrought,
By one or two are the dreams first caught...
The dreamer must toil when the odds are great,
Must stand to failure and work and wait...
Must keep his faith though he stand alone.
Until the truth of his dream is known.

If you climb every mountain, you will surely find
your dream. May all your wishes come true.

Best wishes,
Linda M. Coffey

This is an exciting time. You are moving on and growing. But your memories about the Middle School will always be with you. I think they will be good ones. I feel good about being part of your memories. I hope that I have helped you in some way.

As you move on, I want to tell you some things that will help you grow more. If you can develop these character traits you will become happy.

Be honest, to yourselves and in your relationships with others. Demonstrate integrity. Stand up for your beliefs about right and wrong. Be loyal to your family and friends. Be responsible. Think before you act and consider the consequences. Treat everyone with respect. Be appreciative and accepting of individual differences.

Do these things and you will be successful and at peace with yourself.

During the past year, my first as vice principal, I have been honored to know all of you. I know that each and every one of you has the potential to succeed. I wish you the best in everything you do.

Mr. Abatemarco
