Foreword

As we come to the end of our high school education, the Class of 1956 presents this book as a memorial to those four years. Within these pages, we have striven, through words and pictures, to show you some of our many wonderful "Moments to Remember." We have tried to make this issue of *Quovadis* not only a reflection of the past, but also a monument to the future classes with the hope that they will carry on not only this, but each tradition of Sayreville High School.

DEDICATION

We, the Class of 1956, dedicate our yearbook to all of Sayreville High School's Quovadis advisors, from the first to the last. Quovadis has had the good fortune to be endowed with conscientious, talented advisors. These people are the unheralded heroes of every yearbook production. The first advisor was Miss Ann Miller. Other hard working advisors were Mr. Robert Faulkner and our present principal, Miss Margaret Walsh.

Perhaps the advisor who best typifies these qualities is Mr. James Todd, the yearbook advisor for the last five years. It is to these fine men and women that this yearbook is dedicated.

GOVERNING BODY

Sayreville's Governing Council met monthly at the Borough Hall on Main Street. Here, our six councilmen and mayor strove to solve the many problems of borough government. Each year during the Youth Week program, the council cooperated with the students to the fullest extent. Our daily living took on a greater feeling of safety when we knew that we had a reliable government behind us. To our governing council, the Class of 1956 wished to express its thanks and appreciation for the competent government and fine opportunities that were given to us.

CHARLES LYNCH

Each month, a group of nine citizens met in the Administration Building on Main Street. These nine men were the members of Sayreville's Board of Education. Under the direction of their president, they decided on the school problems. With an ever-growing community, the board faced the problem of over-crowded schools. Despite the important issues that were before them, they always found it possible to provide high school students with a banquet for our athletes, band, twirlers, and cheerleaders; professional entertainment in our assembly programs and our Echo-Lites and Quovadis without the necessity of outside advertisements. They always stood behind our schools with the fundamental needs for our education. The Class of 1956 wished to express its thanks to the Board of Education for its constant help in making our years at Sayreville High School "Moments to Remember."

To The Class of '56:

"Gentleness is welcome!" This statement is repeated many times each day to millions of radio listeners. It is dramatized and set to music for T.V. viewers. As a slogan, it is worthy of a higher application, a more significant urgency. It epitomizes a behavior pattern which, if widely adopted, would do much toward reducing the tensions of our world. Successful implementation of such a concept of behavior rests with youth. May your lives abound with those successes for which you are willing to strive and may your strivings contain much of the quality of gentleness.

3397 Washington Rd.

South Amboy

Natalie, one of the quietest and shyest girls of the Senior class, was well liked by all. A truer friend than Natalie couldn't be found. The secretarial field was lucky to gain this pleasant lass. A wish of god-speed went with her.

NORMAN TARDY

Hillsdale Ter.

Cliffwood Beach

Norman absent? No just late. That's our Norman. Although Norman was one of the quieter boys of the class we could always remember his questions. His drawings and artistic work will always be remembered. Good luck and success certainly have followed him.

LEE THOMPSON

202 Washington Rd.

Sayreville

Lee's fine qualities and swell personality made him one of the most likeable boys in our class. He began school as a very shy Freshman but turned out to be one of the nicest boys in the Senior class. Happiness has always been his motto.

KATHERINE VAN NOSTRAND

120 Morningside Ave. Laurence Harbor

"Kay", one of our taller gals, could always be found with Natalie. Her genuine friendliness made her well-liked by all who knew her. Although she was shy, we never forgot she was there. "Kay" was one of our best gym students.

JOSEPH VOLKER

Brookside Ave. Laurence Harbor

Joe was one of the wittiest members of our class. His main interest was playing baseball with the "Harbor Rockets". Joe and his crew were inseparable. We know the Fates have been kind to this boy.

JUDITH WALUS

58 Washington Rd. Sayreville

Judy was a girl with a personality all her own. She was constantly rushing to get to classes on time. Judy was always ready for a laugh. She will long be remembered as the first girl in our class to get her driver's license.

HELENE WARGA

14 Columbia Place Parlin

Helene first graced the halls of S.H.S. in her Junior year. Merry, jolly and ready to laugh—that was Helene all the way. Being the life of every party was her favorite pastime. We know the best came to Helene.

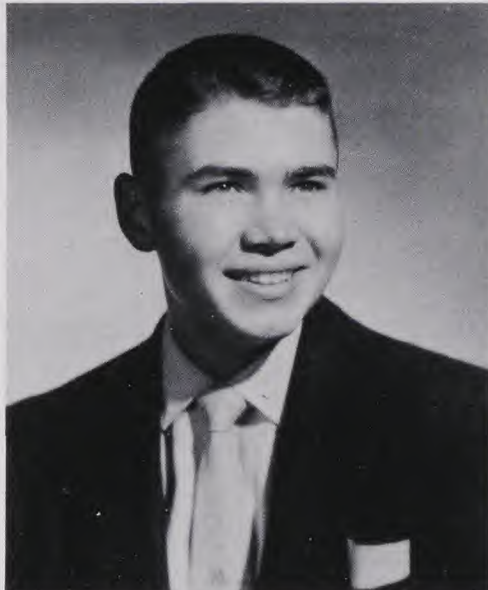

FRANK WEBER

Wesco St.

Morgan

Crew-cut, cars and crazy jokes, that's our Frank. His antics and hearty laugh livened up many a dull day. One of his pet peeves was homework and tests. Frank had a genuine friendliness which couldn't be beaten. We all wished Frank lots of luck.

ROBERT WEISS

25 Grover Ave.

South Amboy

Short, black crew-cut and a wide grin typified Bobby. Whenever a helping hand was needed in our activities, we always counted on Bob. His cheerful comments will never be forgotten and our best wishes went with him.

SHIRLEY WEEKS

807 Forest Ave.

Laurence Harbor

Shirley was one of the nicest girls in the class. She will always be remembered for her flashing eyes. We all enjoyed her cute sayings. "Shirl's" ambition was to become a nurse. We're sure her patients all recuperated with Shirley around.

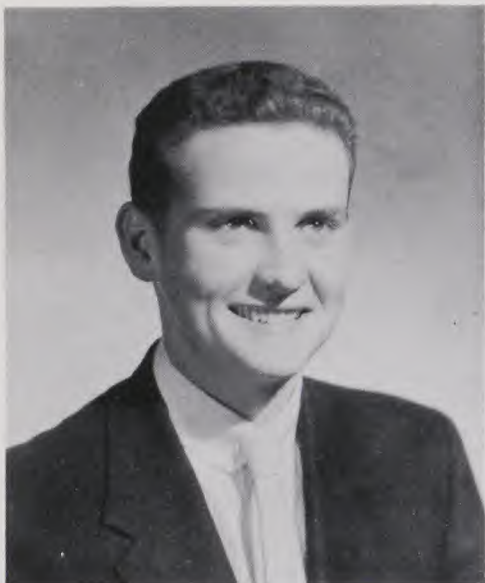

ROBERT WICKLUND

218 Furman Blvd.

Cliffwood Beach

Bob, our number "one" man, was one of our cutest and quietest boys. Serious and likeable, that was our Bob. He made many friends both for his likeableness and his athletic ability on the football field. We're sure Bob has succeeded in whatever field of endeavor he has chosen.

BRUCE WILBER

Upper Main St.

South Amboy

Bruce's friendliness and cheerful disposition made him well liked by all. He was always seen at every football game and parade playing in the band. His neat clothes and gentlemanly gestures assured his success in the future years.

LUCILLE WOLANIN

36 Canal St.

Sayreville

Tall and pretty described our Lucy. Her pretty clothes and dark wavy hair were envied by all the girls. Lucy had the ability to make friends and keep them. But most of all we have never forgotten Lucy and her car.

ROBERT WITKOWSKI

36 Kearney Ave.

South Amboy

"Whitey" was one of the best athletes of the Senior class. On the basketball court or the baseball diamond, Bob couldn't be beaten. We know this spirited fellow has done well.

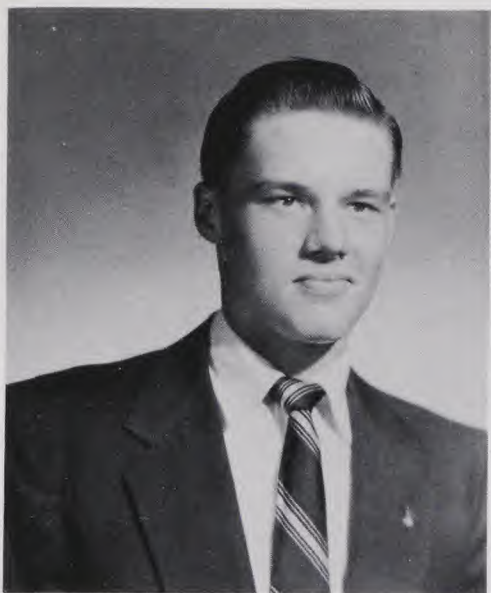

ROBERTA YANAS

31 Laurel St.

South Amboy

A giggle and a rapidly-moving-lower jaw characterized "Bobbi". Whenever she was around, you were sure to have a lot of fun. Her favorite pastime was being co-prexy of the Crew Cuts Fan Club. "Bobbi's" goal in life was to be a successful teacher.

ALVIN ZACH

465 Main St.

Sayreville

Hunting and fishing were Alvin's favorites. He loved the outdoors as much as he disliked homework. Alvin was uncertain about his future work, but you can be sure it was a job which allowed him time for his favorite pastime.

RITA SCHUH

254 Greenwood Drive Cliffwood Beach

A late addition to Sayreville High, Rita made many friends in her new environment. The Bronxite got right into the swing of things by singing for us at assemblies. We know that she has been successful in all her pursuits.

GERALD SNYDER

Washington Road

President Park

Though he was one of the newer additions to Sayreville High, Jerry was indeed a welcomed one. An import from Metuchen High, Jerry made a number of friends during his short stay with us. Although his future was undecided, our best wishes went with him.

Characters: The Senior Class of '56.
Time: November 21 and 22, 1955.
Setting: Washington, D. C.

"We met a new friend"

Yes, it all seemed like a make-believe play, but it wasn't. It was our hard-worked-for goal—the Senior trip to Washington, D. C. Many interesting and unexpected things happened which we will never forget. Our trip going to Washington was a noisy one with everyone singing and cracking jokes. The first stop was at Howard Johnson's where we had lunch. Finally we reached our nation's capital and a tour of its interesting points began. The Bureau of Engraving and Printing showed us what could be done with a stack of plain white paper. Then we went to the Federal Bureau of Investigation, The Library of Congress, Lincoln Memorial, Jefferson Memorial and then to the Hotel Annapolis to freshen up for dinner and the theatre where we saw "The Tender Trap," a gay comedy. Back at the hotel we ate such a variety of foods that we were convinced that our stomachs were iron lined. We awoke (those of us who were asleep) and began the second day of our trip. The visit to Mt. Vernon was the first one on the agenda. Here we examined the home of our first president. The second half of the day was spent at the Washington Monument, the Smithsonian Institute and the Arlington National Cemetery where at the Tomb of the Unknown Soldier we witnessed the impressive changing of the guard. As we left Washington, we knew we left many happy memories behind. We had a Senior trip we will never forget. The bus ride back was noisier than the one coming up. As they rolled into Sayreville High's parking lot, we could not believe that it was over. Our trip was completed and the play came to an end.

QUOVADIS

Our staff was organized after the selection of the editors in June of '55. After the finished dummy was returned to us early in September, we began working on the completion of the Senior Section. Staff members wrote and corrected write-ups, while the art editors worked on the sketches and drawings. Early in January the Senior Section was sent to press, and we began devoting our time to the other sections. Clubs and activities were next on the agenda. Meanwhile our Business Manager started taking orders from the underclassmen. Soon after the book was sent to the publisher in March, the printed galleys came back to be corrected. We checked and re-checked carefully, making sure everything was in perfect order. Finally in June the 1956 Quovadis, with its blue and gray cover arrived. For his important role as advisor, we offered our thanks to Mr. McGarigle, the adult member of the staff.

ECHO-LITES

The Editor and staff of Echo-Lites were chosen in the spring; work was begun on the first edition in September of '55. While the Editor wrote editorials which would be of interest to the students, our art editor collected ideas, the fashion editors sought to find the latest fashions and our sports editor got an inside view of the games. These columns along with latest news around the school appeared in each edition. Reporters, an essential factor in publishing an up to date paper, kept their eyes open for good copy about the school. In the last issue of the paper, published in June, a page was devoted to phrases about the seniors. The staff found this to be quite a job but also a lot of fun. This year the staff of Echo-Lites received a Stephen Crane Memorial Certificate in recognition of the high quality of journalism displayed by the staff in the 19th Annual Press Project. We are grateful to Mrs. Pfeiffer, our advisor, whose valuable guidance made it possible for the Editor and staff to produce a paper five times a year. We can never forget the enthusiasm which each edition fostered.

HONOR SOCIETY

The National Honor Society was chosen by the principal and the faculty. Selection was based on the qualities of scholarship, leadership, character and service. The members possessed all four qualities, and their induction into the National Honor Society made them honorary members. We were proud to have such an outstanding group of students in our class.

STUDENT COUNCIL

Due to the increased enrollment, the '55-'56 Council was the largest ever at Sayreville High. With the greater number of students, the Council was faced with greater and more numerous problems.

The Council, under the leadership of its president Vince Chitren and advisor Mrs. A. Marra, looked after the interests of the pupils and worked for a better school.

SENIOR PLAY . . . *Beauty and the Beef*

There we were, one year veterans of presenting theatricals, nervous and afraid on opening night of our Senior Play. We had practiced and practiced and practiced our parts till we could repeat them forwards, backwards and sideways, but there still remained that unparalleled thrill of playing for a live audience. The play was enjoyed by all who made it a financial success, too. *Beauty and the Beef*, a three act comedy, was one of the highlights of the year, and truly a moment to remember.

JUNIOR

Here we are classmates, finally upperclassmen. We've been looking forward to this for a long time. The experience we gained in our freshman and sophomore years has certainly proven invaluable to us. Do you remember when we held our first dance in our freshman year? We learned a lot then, didn't we? Our sophomore year was a memorable one. That year we held two dances: Autumn Ball and Sophomore Sweet-

hearts, both of which were successful. As Juniors with a two year background under the guidance of excellent advisors, we became dedicated to Sayreville High. We shall always do our utmost to strengthen these walls around us. We had many things to be thankful for, and most certainly, the fact that we are constantly being prepared to take a future part in this competitive world of ours.

SOPHOMORE

In September of 1954, we began high school as freshmen always do—getting lost and being late for classes. Soon, however, Sayreville High seemed like home and we settled down to our studies and activities. In January, we elected Phyllis Zonkowski, Jon Herrel, Marguerite Shuler and Michael Helpa as our class officers. Later in that same month, we held our first dance, "The January Jig," which proved to be a big success. We shall always remember our freshman year as one of fun and new experiences.

In our sophomore year, we organized our class by electing Jon Herrel as president, James Conover as vice-president, Ronald Ciszewski as secretary and Patricia Pursarczyk as treasurer. Our main social event of the year was a dance, "The Jack Frost Fling." The auditorium walls were adorned with Jack Frost cut-outs and brightly colored leaves. Those "Moments to Remember" during our first two years would never have been possible without the aid of our advisers: Mrs. Todd, Mrs. Galbraith and Mr. Evanovich.

FRESHMAN

Our first day at Sayreville High was an exciting and, in some instances, puzzling adventure. The school building in itself, those difficult schedules to be followed, strange teachers and new subjects all added to the confusion. It seemed to be the longest school day we had ever experienced. Everyone tried so hard to follow his schedule, but more often than not, we went to the wrong classrooms at the wrong times. The chuckles over this from the other freshmen helped break

the ice and showed us that we were all in the same situation. After a few weeks, this feeling of newness completely vanished. We were now familiar with the school program and an air of unity prevailed. We were full-fledged members of the student body and we even had a title—the Class of 1959. Soon it was time for our big social event—the freshman dance, of course. This really made us feel that we belonged, and that first frightening day seemed far, far away.

College Prep

We who were taking the College Preparatory Course quickly realized that good marks and attainments were needed to secure a college enrollment. A variety of subjects including Geometry, English, Algebra, Latin and Trigonometry were offered in this course. Our vocabulary was given a thorough polishing and we were briefed on what to expect in college. We were then ready. What happened was up to us.

Commercial

To those of us who were enrolled in the Commercial Course, great opportunities in the business world were offered. We had been thoroughly trained in the skills of shorthand and typing. The Office Practice experience which we received in our senior year helped us to visualize modern everyday office procedure. During this fifteen week period several of us were sent to enterprises in the Sayreville, South Amboy, South River and New Brunswick areas. Here we were allowed to capture the true meaning of office work and to adjust it to our lives and future work.

Industrial Arts

We who were enrolled in the Industrial Arts Course found through the meaning of trade our life's ambition. We trained industriously in Metal Shop, Wood Shop, and Mechanical Drawing. There was wonder and triumph in working with our hands and producing creations of our own. In the future which was upon us we had a use for this knowledge and continued to do so.

General

Here in the General Course, we who were undecided could experiment. From the variety of subjects offered, we took those which we felt would benefit us the most. We studied different things year after year until we at last found one field we were sure we would like. Among the subjects offered were Algebra, Art, Bookkeeping, Metal Shop, Typing and Spanish.

Honorable Mention

We have never forgotten the spirited team play of our 1955-1956 football squad. Their wonderful sportsmanship will never be forgotten. It was a team hit hard by graduation, but under the expert guidance of Mr. Counsman, they provided many exciting moments. The climax of the season was the brilliant upset of our traditional rival, Saint Peter's. Along with the wonderful team work sported by our boys, the girls did their part. Our girls were often seen at the games selling refreshments while rooting for their team. At graduation our wish for continued success went with the new Sayreville High School football team.

BASKETBALL

*They gave their best
for the Blue and Gray*

"Underdog" was the hackneyed expression describing the '55-'56 Bombers. Pitted continuously against taller and stronger teams, the S.H.S. basketball squad showed them all how spirit and fight can overcome other handicaps. They reached the Group II Central Jersey Finals by surprising two highly favored teams, Red Bank and Highland Park. The Bombers played their hearts out in the final game against Lakewood, but the height advantage that the Piners' enjoyed was just two points too much, the Bombers losing 66-64. We shall remember the '55-'56 S.H.S. basketball team as one which provided many thrilling moments by their spirited team play.

TWIRLERS'

We can remember many enjoyable moments spent admiring the high-strutting twirlers going through their routines at all the football games. The girls seemed to get prettier and more talented each year. They certainly were a credit to our school whenever they participated in a parade. We admired other twirling groups but our own twirlers always seemed to out-shine them, at least through our eyes.

SAYREVILLE BAND

One of Sayreville High School's oldest activities and greatest assets was our school band. Under the leadership of Mr. Cornell, the club started its busy music program playing for all our football games. We also saw the band at parades in near-by communities and at all assemblies. The members devoted a great deal of time to preparation for the Annual Spring Concert.

Under the leadership of Mrs. Fehrle, advisor, and Joan Nawalany, the cheerleaders were seen encouraging the football and basketball games. They certainly looked neat in their blue corduroy dresses.

GIRLS' SPORTS

The school year 1955-56 once again saw the girls of S.H.S. competing in a volleyball tournament. Under the guidance of Mrs. Fehrle, the gym teacher, teams organized in homerooms played against each other until all teams but one were eliminated. Emblems were then given to the victors. Since the girls were interested in basketball, a tournament was conducted in the same manner as the volleyball competition. Other sports which were enjoyed by all the girls were archery and softball.

ACTIVITIES

We had many happy moments to remember at our school dances. The annual Kick-Off Dance and our Christmas Carnival left many wonderful memories. As swishing skirts and rhythmic feet glided over the floor, we knew that our dances would long hold a place in our hearts.
