Main Street

Prosperous Past, Productive Future

The year 1976 is not only special because of our nation's bicentennial but Sayreville's centennial as well. Known as "Roundabouts" for the turns of the Raritan River, Sayreville originally belonged to South Amboy. Differences between the settlers along the Raritan and the South Amboyans became so great, that "Roundabouts" broke away.

In 1876 the Township of Sayreville was incorporated. It received its name from James Sayre, owner of the prosperous Sayre and Fisher Brick Company. The following years showed industrial growth and in 1920 Sayreville became a borough.

Our industries serve not only the borough but the county, state, and nation as well. This reliance on industry is displayed in the borough seal "Home of Nationally Known Industries" and has helped Sayreville

to evolve from a settlement of 3,000 to a bustling community of 32,500.

With the rapid growth in population, the school system needed expansion. In 1939 we built the first high school in the form of an addition to the Wilson School. There were also four grammar schools in 1939. The population of the high school in 1950, grades 9-12, numbered 315 with a senior class of 61. In 1962, we built a new high school to handle the growing number of students — 1,054 with a senior class of 152.

We have been moving on and today there are 8 grammar schools, a junior high school built in 1968, and the senior high school with grades 10, 11, and 12. The high school enrollment is 1700 with a graduating class of 545.

Curriculum Moves On With New Techniques

Technology and innovation have aided our school's curriculum.

Students could only take biology, chemistry, and general science in the early days of our high school. Today, modern equipment and vastly increased knowledge have upgraded these areas, as well as expanded to include courses in physics, ecology, geology, earth science, and advanced biology.

Home Economics is another exam-

ple of changes and improvements. In the 1940's, the program offered courses in sewing and cooking — using only 9 sewing machines and gas stoves started with matches. Today, in addition to sewing and cooking, students may take Foods and Nutrition, Clothing and Textiles, Child Care, and a Beauty Culture program. Boys, too, are now included in the department.

Activities Reflect Students' Interests

Activities, an important part of student life, have also changed over the years. In 1942 there were 15 clubs and organizations in the high school.

But with the building of War Memorial High School and the ending of double sessions, the activities have been moving on until today they total 28.

Dances, popular in the past, are still popular. Meeting in the halls, at lockers, and on the "frisbee field" are familiar sights here today.

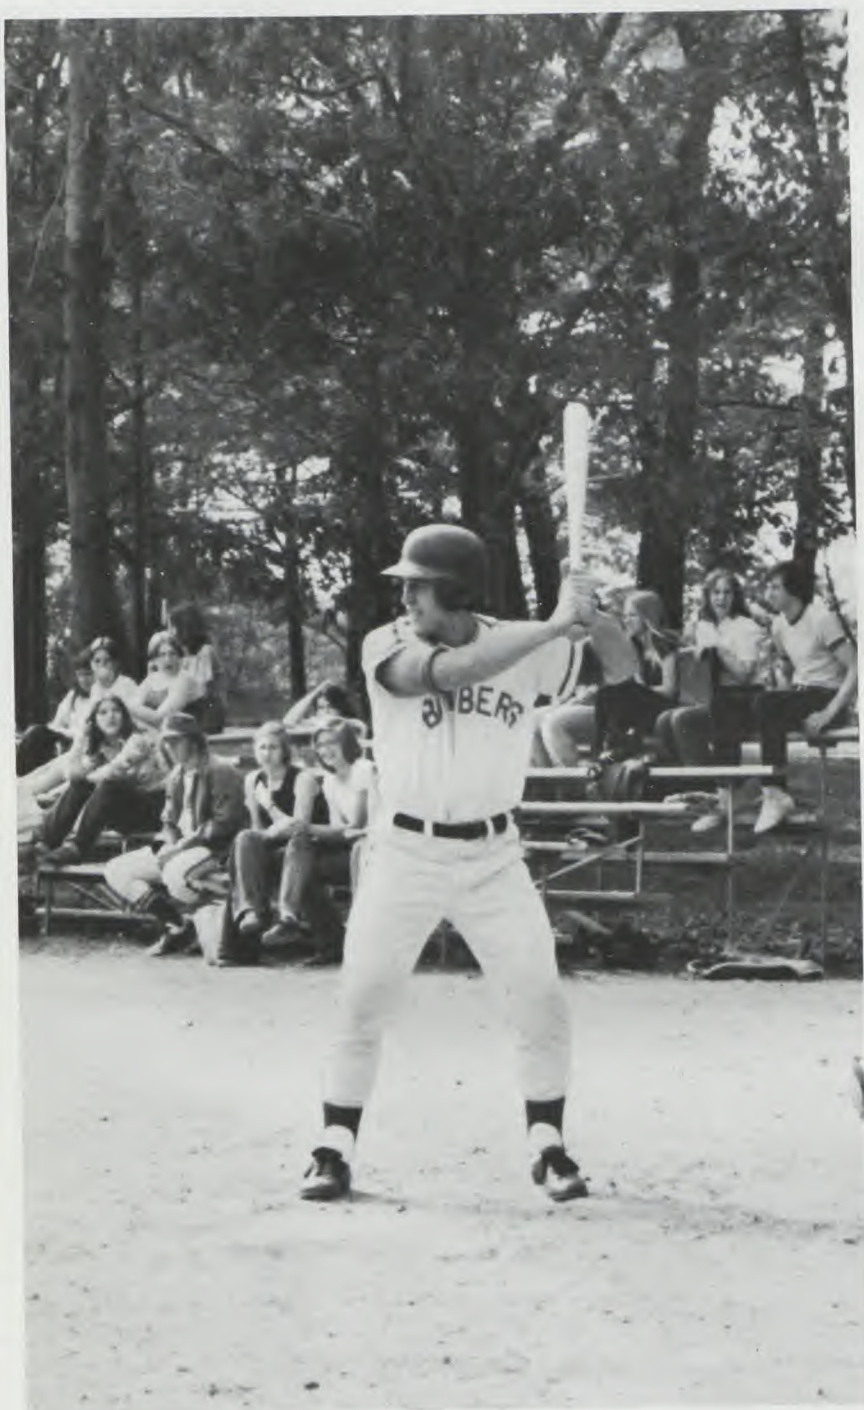

Sports Expands Over the Years

Football, basketball, and baseball were the only sports offered in our first high school. But participation in athletics has greatly increased, with 26 varsity and junior varsity teams. Girls sports, non-existent in the past, made their first appearance here in 1966 with the formation of the basketball team. Today, there are 8 girls teams, and our total athletic program has increased from just 3 to 12 different sports.

Curriculum

(Courtesy Stella Singleton)

Students Investigate Burning Magnesium, Potato Cells, Velocity

Observe the differences between the cells of a potato, of flower petals, and of human cheek cells under the microscope. Or examine the effects of burning magnesium or a piece of copper wire. Study the velocity and acceleration of gravity. Biology, Chemistry, and Physics, our laboratory sciences, involved experimentation and observation.

In Biology, students studied all aspects of the plant and animal kingdoms. Direct observation was achieved through lab work. Chemistry students investigated matter, its properties, and its reactions. In lab work, experiments were performed with a wide variety of substances. In Physics, which deals with the relationships of matter and energy, lab work illustrated the laws of nature.

Lauren Frezzi, Harold Mast, and Kathy Maliszewski conduct an experiment to determine the

acceleration of gravity.

The effects of centripetal force are observed by Tom Lyon and Bob Rowley

Mark Gitlen collects data following a Physics experiment

Cameras, Computers, Soldering Irons — Equipment for Learning

Joanne Albert adds to her clay creation

A weather vane is hammered by Lynda Kerr in

History Through Arts and Crafts class

Mrs. Storza checks the progress of a student on her Bicentennial poster

Students in Commercial Art designed such things as signs, and business cards. Students in Creative Crafts learned batik, macrame, string design, candle making, and other crafts. Jewelry and Metal Enameling enabled students to make rings, bracelets, key rings and other objects. Other Art students created ceramic pieces, water color and oil paintings, and charcoal drawings. An Arts Fair, held in the Spring allowed students to exhibit their work.

Computer Math students worked with a Digital Computer, learned to program, and used the computer to solve problems. Data Processing students learned to use IBM and punch card equipment, and Office Machine students used such machines as elec-

tronic calculators and mimeographers.

Students in Photography photographed and developed their own work. In the various shop courses, students worked with such materials as metal, wood, and plastic. They also worked with soldering irons, the lathe, the grinder, and the shaper.

Two special events this year were connected with the Bicentennial. The American History Through Arts and Crafts class designed and made decorations for the Borough Bicentennial Ball. They also made weather vanes, hammering and molding the tin the way it would have been done years ago. Student Council commissioned the painting of Bicentennial posters. The posters, done in oils, were displayed in the front lobby.

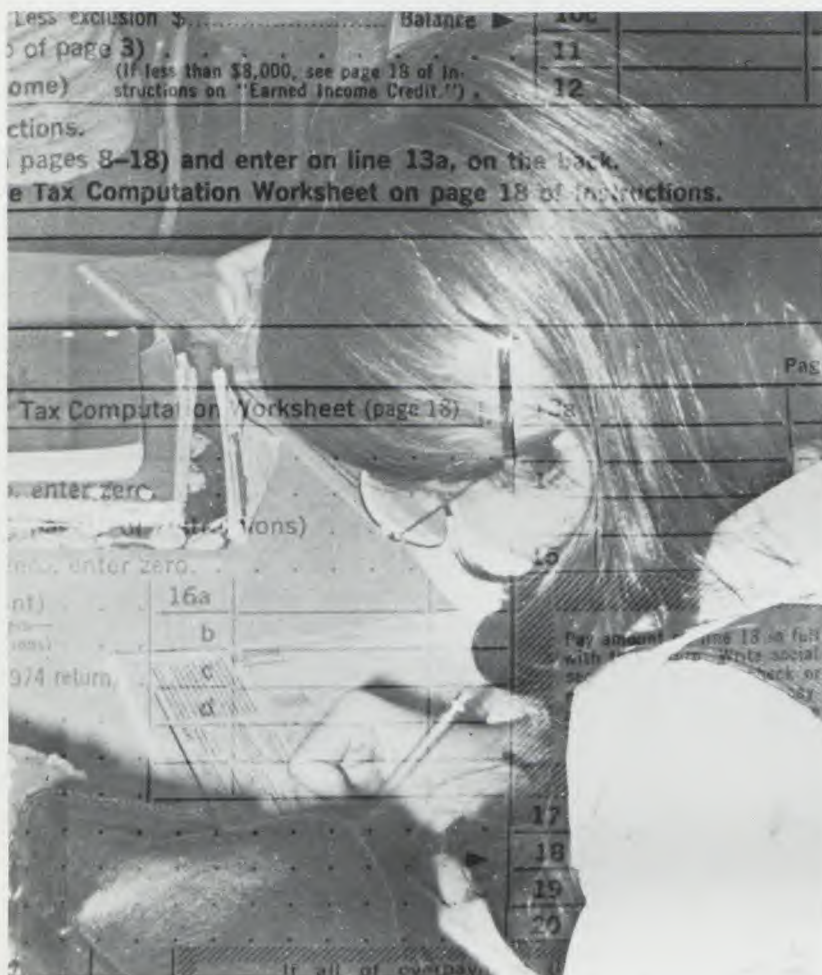

Beverly Gerula, Kathy Maliszewski, Beth Gordon, Maureen Scheid, Sue Ann Konen, and

Nancy Kapushinski sample the varieties of food at Mr. Doll's Minorities Class Interna-

tional Day held in January

Student Discussions, Debates Enliven Classes

Discussions and debates liven up the school day. They are both enjoyable and educational.

Drills, too, are an important part of learning. "Practice makes perfect." Vocal and Instrumental students know this and classes are filled with hard work. But it's all worth the effort. In the winter and again in the spring the music department held concerts.

Some French, Spanish, and German classes are conducted entirely in the foreign language. Literature is read in the foreign language and written work is also emphasized. A command of the language is achieved through practice and more practice.

Two new courses added to the Foreign Language curriculum are Russian and Vocational Spanish. Vocational Spanish offered students who have never taken the language the basics so they would be able to use it if the need arose in the future.

Advanced Placement U.S. History I, a recent addition to the History curriculum, stressed the interpretation of historical facts. The students studied the history of the U.S. from the age of exploration up to and including the Civil War. Next year, A.P.U.S. History II will be added.

Sixth period band class practices for the December 21 Christmas concert

Students Enjoy Co-Ed Square Dancing

The customarily closed gym divider is open. The sound of music fills the air. It's co-educational square dancing time! At first, there are shy glances. As one square dance follows another, these shy glances turn to smiles and laughter. Square dancing is both enjoyable and a break from the routine.

This year brought about a change in the health system. In the past, sophomores had Driver's Education Theory and juniors had First Aid. This year both sophomores and juniors had First Aid. In the future, sophomores will have First Aid and juniors will take Driver's Ed.

Driving experience is gained through the use of simulators

MaryLou Marconi portrays a "watfile iron" in College Skills class

Members of the Theater Workshop class participate in a theater exercise

Students Perform to Learn

Using vocabulary words and actions, Debbie Payne demonstrates an appliance for College

Skills class

Acting like an appliance and using ten vocabulary words to describe your function. Improvising a situation and communicating with others — all without words. College Skills and Theater are just two of the classes which enable a student to perform in front of their classmates.

In College Skills, students learned vocabulary words through a variety of means. These included writing and performing in commercials, using the words and acting like an appliance.

Theater I, Theater II, and Theater Workshop emphasized on stage performance. Theater Workshop offered a unique opportunity for the concentrated study of theater.

A new course, Creative Expressions, offered the opportunity for a student to explore the areas of art, music, writing, movement, and creative dramatics. The course stressed active participation by the student.

As part of her Child Care Occupations class, Kathy Kausch helps two nursery school students.

Beauty Parlor Open to Community

Sausages are prepared by Vincent Gallo in Home Economics

Vanessa Barbeito styles the hair of another Beauty Operator Occupations student

Operating a nursery school. Cooking a complete meal. Cutting and styling hair. Learning in a simulated office. Our curriculum enables students to further develop their interests in these areas.

The Child Care Occupations class operated a nursery school for three and four year old children. The course is designed for students who would like to enter vocations which deal with children.

Home Economics, open to all students, offered the opportunity to gain experience in such areas as cooking and sewing.

Students in Beauty Operator Occupations I and II learned to cut and style hair, as well as various other skills. They operated a Beauty Parlor which was open to members of the community. At the completion of the Senior year, those who qualify receive a State Beauty Operator license.

Secretarial Office Practice students worked in a classroom which was set up like an office. Jobs were assigned and work performed. The class prepared students for entry into the secretarial field.

Auto shop is a course in which students learned both simple and complex car maintenance. Students performed routine repairs as well as learned the fundamentals of the automobile.

An automobile engine is repaired by Jeff Firesfine in Auto Shop

Research Center: Source of Knowledge and Entertainment

Whether it's a history contract, a book report, or a science paper — when it's assigned a student heads for the library.

The library also is a source of entertainment — from the fiction book shelves to the magazine racks. With the use of the microfilm machines, students can take a trip back in time to the 1800's.

Visitors Answer Student Questions

Students listen to a representative from Tra-phagen School of Fashion

The chance to hear a college admissions counselor. The opportunity to ask questions and receive answers. The Guidance Department arranged for representatives of vocational and technical schools, colleges and universities, as well as branches of the armed forces to visit us and meet with interested students.

With the rising costs of post-High School education, these meetings enabled Seniors and other students to objectively weigh the different alternatives available and to choose their future course.

For the student who will enter the business world after graduation, there were visits by members of the personnel staffs of different companies. Such companies as Bell Telephone sent representatives to describe employment opportunities and answer questions.

Classes Move Outdoors

"Goin' out" for Gym. Behind-the-wheel, Cooperative Work Experience. The Oratorical Contest. These are outside the classroom activities which prove that learning can occur anywhere.

During the spring and fall, Gym classes headed outdoors. Field hockey, football, tennis, and track were a few of the sports in which students participated.

An important part of the Driver's Education Program consisted of the Behind-the-Wheel experience of driving a car — with dual brakes and an able instructor, of course.

The Cooperative Work Experience enabled Secretarial, Clerical and Distributive Education students to gain on-the-job experience in their chosen fields. Students worked in a variety of local businesses.

The Oratorical Contest, sponsored by the History Department, was held in January. Given a constitutional theme, students researched, wrote, and delivered their speeches.

Joan Shaw takes dictation from her boss at Hercules, part of her Cooperative Work Experi-

ence

Donna Butchko delivers her winning speech in the Oratorical Contest

Extreme concentration shows on the faces of the participants in a close gym class soccer game

Administration

Gardening, woodworking, and collecting unique plates are among Mr. Counsman's hobbies. He enjoys working with and meeting people in his job as Superintendent of Schools, the position in which he has served for 10 years.

Mr. Counsman feels that Sayreville offers a good continuing education, as indicated by the excellent scores received on the state tests. He was disappointed by the defeat of the referendum for additions to the High School, which he feels are necessary.

Henry Counsman, M.A., Superintendent

Board of Education: *Front Row:* Edward J. Neminski, Elizabeth Marcinyk, Joseph A. Bartlinski, Gertrude Goldkopf, Vice President, Danny J. DiPoalo, President; *Back Row:*

Edward Smith, Assistant Secretary, Robert J. Fleming, Secretary, Casper Boehm, Attorney, Douglas A. Cowan, John C. Haag, Richard A. Pavlonnis, Thomas Strugala.

Marie Parnell, D.Ed., Principal, Assistant Superintendent

Dr. Parnell lists reading, gardening, travel, cooking, and needlepoint among her interests. As one of the few principals who also teaches, she considers her Philosophy class to be the high point of the school day.

In her position, Dr. Parnell is dependent upon the decisions of others and often has to "sell" some of her ideas so they are accepted by all groups. The double defeat of the referendum leaves the High School in a "holding pattern" as far as expansion is concerned.

Annette Sowa, M.Ed., Administrative Assistant

Reading, travel, and viewing ballet and theater productions are among Miss Sowa's favorite pastimes. Besides being Administrative Assistant, she is the adviser to the National Honor Society, which inducted the largest number of students ever this year.

Miss Sowa enjoys scheduling students and trying to assist them in the best ways possible during their high school year. She sees the necessity for the expansion of the school in order to allow students even more flexibility in course selection as well as to alleviate the over-crowdedness in some major areas.

Homer Dill, M.A., Vice Principal

Hunting and golf are two of Mr. Dill's interests. As a former coach, he also enjoys attending High School sporting events. He enjoys the versatility of his job as Assistant Principal and working with students and teachers. He receives satisfaction from guiding students to complete their high school educational goals.

Edward Weber, M.Ed., Vice Principal

Mr. Weber enjoys boating and fishing. In his job as Assistant Principal, he helps students who are having difficulties in school realize the importance of education. He also encourages them to pursue their interests and become more involved. It pleases him to see students who were having difficulties adjust and graduate.

Graduation Climaxes Eventful 3 Years

Jane McDonnell, Vice-President; Lynn Corrigan, President

Success has prevailed throughout our three years at SWMHS. A candy sale early in the sophomore year proved to be an effective means of making money and got the class off to a spirited start.

Last year's dinner dance held in the cafeteria May 10 and attended by over 120 couples, helped to highlight our junior year.

'76 proved to be a good year for our class as we captured first-prize for our Bicentennial Homecoming Float, "Land of Opportunity."

Success continued in our money raising drives. We sold patrons for our football and spring musical programs, refreshments at home football and basketball games, Sayreville T-shirts, and sponsored 8 dances, 3 this year.

All these efforts during the years, in addition to providing enjoyable class participation, aimed for a memorable class trip to Downingtown Inn, Prom at Westmount Country Club and Graduation.

Underclass

Fund Raising Helps Classes of '77 and '78

Sophomore Officers and Advisers: *Seated:* Jerrienne Donella, Debbie Miara, Roseanne Dandola, Beth Swider; *Standing:* Mrs. Patricia Mar-

ino, Mr. Martin Bordak, Mr. Donald Schmeier, Miss Laura Poli, head adviser

The sophomore class began their fund raising drive early in the school year. The class sponsored a candy sale which earned them over \$800 in profits.

The class of '78 also participated in the school's Homecoming festivities. Their float was entitled "Ring Out the spirit of '76." It depicted the Liberty Bell and colonial figures.

The class of '77 participated in many fund raising activities, such as T-shirt sales, dances, and selling patrons for the theatre productions.

The junior class's Homecoming float was a salute to America's Bicentennial. It consisted of a huge birthday cake complete with candles and was appropriately entitled "Happy Birthday America."

Underclass students sleepily await their arrival at school

Activities and Student Life

Quo Vadis Rates #1 in Columbia Competition

Photography co-ordinator Joan Mastrocola examines a new group of negatives

Take a look at this page . . . it is part of the final product of months of work by the *Quo Vadis* staff. Choosing and designing the layout style, taking, choosing, and cropping pictures, obtaining, writing, and proofing the stories and finally putting it all together with captions and headlines were just part of the work that went into this page.

In choosing the layout pattern, we went through magazines, design books and also met with the publisher to find the appropriate style. Then this basic layout had to be rearranged to fit the pictures and stories.

A result of our efforts was a 1st Place Award given to *Quo Vadis* by Columbia Scholastic Press Association. In competition with high schools our size from all over the country and foreign lands, we rated #1.

One problem with the pictures was that school events did not always occur when the photographer had been contracted to be here. So, we constantly watched and planned for upcoming events. We had such a large assortment of pictures that picking several out of hundreds was always an interesting project. In writing the stories, we had to find the people with the information we wanted and in turn, write it in a creative and informative way.

Although it took time and work, producing our book was a memorable experience for us.

Thespian Society, Theatre Ensemble Aid Productions

Sharon Godowski and David Clark act out an improvisation

Prior to membership in the Thespian Society, a person must become a pledge. Pledges must earn the merit points through their involvement in theatre productions.

The Thespian Society this year was responsible for the annual Fall and Spring musical productions.

Becoming a member of the Theatre Ensemble involved group interaction which included new theatre and open theatre. The group, through transformation, and sound and movement exercises, developed a trust and an awareness of each other and of theatre. Through this awareness a more effective production will evolve.

Pam Wiggins and Rich Buckler pass through arch formed by fellow Thespian Society members.

Working Props, Total Darkness Highlight Fall Drama

This year's successful presentation was *Wait Until Dark*. Although the stage crew faced many problems, such as finding certain props like a refrigerator, a dryer, and a sink "the cast and crew put on a superb performance," said Mr. Cunliffe, the director. Members of the production practiced four hours every night Monday through Friday and on Saturdays.

The play was unique, in that the last scene was performed in total darkness, and some of the props, like the sink, really worked. Mr. Cunliffe received help from the assistants to the director, Merrill Spiegel, Pam Wiggins, and Bob Lucas.

Makeup, Lights, Setting Enhance Plays

Theatre productions draw audiences to witness the skills of talented students — but what about the people behind the scenes?

A group of dedicated students from Stage Crew and Stagecraft were responsible for the elaborate sets and technical success of all theatre productions. Stagecraft paints added detailed touches to the sets with various techniques such as charcoal, streaking and texturing.

During performances stage, lighting, and prop crews set up the stage and created the atmosphere for each scene. By covering a light with a colored gel, the stage can be made to appear as at sunset or an atmosphere of suspense may be created. The crew could transform the stage from an apartment to a backyard in less

than a minute.

An important part of any stage production, the Paint and Powder crew, applied make-up techniques to create proper character effects. With a wide variety of bases, shadows and highlighters, the skilled members transformed fellow students into anything from a middle-aged housewife to a nine year old girl.

For example, in the fall production of *Wait Until Dark*, Dave Clark as the character of Roat had make-up changes going from standard, to an older man with gray hair and a beard to a straight make-up within the same scene.

In the spring, workshops were held to help the crew improve their skills. Students interested in joining the staff also attended.

Joe Grabas attaches venetian blinds to set of *Wait Until Dark*, as John Stanton offers assistance.

Grease paint make-up is applied to Mike Padavano by paint and powder member Steve Feldman.

Squads Capture Awards at Camp

Cheerleaders paint sign to cheer on the football team for the upcoming Madison Township game

Mrs. Fehrle, adviser, looks on during the tense Woodbridge game

The j.v. squad for the third consecutive year captured an award at the St. Pious Golden Cup Contest. The team placed third.

Besides practicing during the week, the jv and varsity squads attended a five day Summer cheerleading camp at Glassboro State College. Both squads won the "spirit stick" awarded by the instructors to the team exhibiting the most spirit throughout the week. In addition,

the teams took the "spark plug award" an honor bestowed upon the most congenial team by the competing squads.

These are the obvious aspects of cheerleading. But much hard work went in behind the scenes. The squad practiced at least six hours per week to perfect their 24 or so cheers. They also put much time and energy into painting signs to boost Bomber spirit.

Cheerleaders enter the stadium for Homecoming pre-game exhibition

Club Efforts Boost Morale

Pep Club members place a sign on a locker prior to East Brunswick game

Behind all the noise and excitement at a sporting event one could find the members of the Pep Club cheering on our varsity teams. The Pep Club worked with the cheerleaders to raise the spirit of the spectators and the participating team members, alike.

When the Pep Club members were not literally cheering, they made their presence obvious in other ways, including creating morale boosting slogans such as "Go, Bob, Win," which they pinned up on lockers before games. To aid spectators the Club provided buses for our teams' away games. Despite their efforts, however, some buses had to be cancelled when there was insufficient response.

Council Raises Greatest Amount Ever for UNICEF

Remember the cheers for First Gear stars of the school's first rock concert, or the outdoor pep rally (held in the freezing cold!) just before Homecoming, or the students who walked around selling Lifesaver lollipops — The responsibility for these and other projects was held by the Student Council, our school's governing body. The Council has membership in State and National Student Councils. The group's objective was not to raise money for itself but rather to seek out needy organizations such as UNICEF, March of Dimes, Red Cross, Cancer and this year for the first time Leukemia. For example, \$728.62 was raised for UNICEF, the most the Council ever raised.

Other planned events for the year included a bike-a-thon for May 16, a carnival for April 3 and 4, and a school spirit slide show.

The Council also planned many events with the Bicentennial in mind. These included the themes of both Homecoming and Blue and Gray week, a float for the town parade, an emblem contest and a time capsule. A fifties dance, with the movie *American Graffiti* and popcorn, was held in the fall.

This active group also offered its services to the school. The outside sign displaying future school events, the trophy and display cases, and the lost and found are just some of these services.

Seniors Take Float Competition; Football Win Caps Day

The Sophomores present their float at the pre-game activities

Homecoming has been a long celebrated tradition — made ever more exciting this year with South River as the opponent. Students, alumni, faculty, and friends jammed the stadium as the three class floats passed by.

First in the parade was the sophomore float "Ring Out the Spirit of '76," which depicted the Liberty Bell and colonial figures. The class of '77 paid tribute to the Bicentennial with a huge birthday cake in their float "Happy Birthday, America." The prize awarded at half-time went to the Senior Class for their "Land of Opportunity" float, which showed a contrast between yesterday and today.

The pre-game festivities also included the arrival of the marching unit and the five Homecoming Queen nominees — Michelle Callahan, Lynn Corrigan, Midge Glinsky, Donna Lyons, and Mary McDonald riding the Student Council float. Student Council President Gary Vrabel then announced that the Senior Class selected Midge Glinsky Homecoming Queen.

The crowd thoroughly enjoyed itself as they watched our team smear South River 19-0 for the second shut-out in a row over our next town rival.

Echo Lites Places 2nd at Columbia

"When will the paper be here? Did you see that in *Echo Lites*?" were some of the questions asked by students as they eagerly awaited the publications. And rightfully so, for last year the paper copped Second Place in the Columbia Scholastic Press Association competition. Columbia rates high school newspapers in content, layout, photography, and art work.

The staff learned by actually preparing the paper. They sought out, wrote, and proofread the stories, layed out the pages and took the pictures.

According to Mrs. Baumann, adviser, "A major difficulty encountered in the newspaper is finding the creative and journalistically inclined student who wishes to contribute his or her ideas to *Echo Lites*."

Joe Cavone, sports editor, plans a layout with assistant editorial editor, Donna Lyons

Unit Takes Awards at Bicentennial Parade

Drill Team enters stadium for East Brunswick game

Twirlers and Marching Band take first and third respectively at Edison Bicentennial Parade, October 5, 1975. . .

"Go back and take it again," a familiar phrase heard often by the members of the Marching Unit during their five day stay at band camp in Pennsylvania. Working with a schedule of four rehearsals per day the band, color guard, twirlers, and drill team joined together to concentrate on perfecting basic marching techniques.

To finance their stay at band camp, the unit participated in car washes and hoagie sales. Their annual bumper sticker sale, alone earned them approximately two thousand dollars.

"Practicing three days a week after school to work on perfecting the

unit's half-time show helped the band to achieve their goal of performing half-time entertainment that was both well received and appreciated. Even though the band's practices were at times sluggish and not up to standards, the band's ultimate performances were always well done," stated Mr. Brindza.

The honors taken by the Marching Unit at the Edison Bicentennial Parade, along with their half-time exhibitions were highly indicative of the band's consistent high level of performance. The Unit's responsibilities were, however, not over when the football season ended. The Marching Unit was also called on to perform at a safety program sponsored by Dupont, and at the dedication ceremonies for Kennedy Park.

Groups Provide Musical Enjoyment

Rehearsal was the key word for the concert band and choir in preparation for their annual Christmas and Spring concerts. During the Christmas concert held December 19 for the public and December 23 for the student body, the Choir performed

numbers such as "Joyous Christmas" and "Drummer Boy", while the Band played "Christmas Moods", "Sleigh Ride" and "Christmas for Winds."

The Band planned numbers such as "Oliver," "Duty, Honor, Country," and "Ragged Rozey" for the Spring.

After weeks of rehearsal, the choir presents their Christmas program

Band members entertain at the December 19 Christmas Concert

Ken Walus, Jim McGrath, and Verne James practice "MacArthur Park"

Ensemble Offers Jazz Rock Music

Forties nostalgia to modern jazz — this was the wide spectrum of music tackled by the Jazz Rock Ensemble. The band's size was limited to twenty members, which made membership competitive.

The Ensemble planned a concert in the Spring, as an addition to the annual Spring Concert given by the concert band and choir.

Saxophones add some melody to "Santa Anna"

This year all three language clubs got together for an International Christmas Festival December 17. Each club made a festival of their own showing what Christmas is like in that country. The festival included such things as the breaking of the piñata by the Spanish Club, a German oom-pah band, and French and German dances.

There were many types of foreign

foods on hand. For example, Knockwurst and Sauerkraut, French cheeses and breads, and Spanish salads were served.

The Spanish club also celebrated Columbus Day "El Día de la Raza" with a fiesta in a truly Spanish tradition. They served Mexican Tacos, which introduced many students to Mexican food for the first time, and broke a piñata.

Festival Displays Foreign Traditions

Donna Butchko performs French dance, the "Can-Can".

The French Club entertains the crowd with French Christmas Carols.

Diane Von Tish, Lorie Brodzinski, and Pat Himey prepare traditional German dishes

Chess Club Competes

This year the newly formed Chess Club entered the Central Jersey Chess League tournaments where 9 schools in Central Jersey competed for the championship. As of February, our club's record was 2 wins and 5 losses. Dr. Evanovich stated "for the first year we are doing as well as can be expected." The club is also holding its own tournament here in April, where members of the club will compete with each other. A trophy will be awarded to the person who comes in first place.

Club Aids Library

Students come and go out of our school library, but few realize the hard work our library council puts into it. These members helped in the smooth operation of our library. Daily, during study halls, members of the council busily tended to such duties as arranging periodicals, stacking books, processing books, processing overdues, and running errands. Some members of the council consider library service as a career.

This year the council planned to go to New York to see a Broadway play. They raised this money through candy and cake sales.

Steve Miller ponders his next move as he defeats his Manville opponent in the Central

Jersey Chess League tournament

Biology Club I.D.'s Park Trees; Posters Emphasize Ecology Club Aims

Biology club members, along with Councilman Buchanan place identifying plaque in Kennedy Park

In its efforts to further the understanding and appreciation of plant life, the Biology Club placed identification plaques next to different trees in Kennedy Park.

This year, as always, the club made a Christmas wreath and displayed it in the front of the school. The club also gives a \$100 award at graduation to the student with the highest average in all four college prep sciences. Last year, the award went to Gary Odolecki.

As the name suggests, the primary concern of the Ecology Club members is to "talk up" the idea of ecology in our school. Attempting to reach as much of the student body as possible, club members illustrated their messages on colorful posters advising, for example, against littering our school.

To commemorate the nation's bicentennial, as well as beautify the school, the club planted an arrangement of red, white, and blue tulips.

Judy Geleta and Marge Lockwood with adviser Mrs. Mackin stress ecology in a poster display

Group Provides Work Experience; Club Starts Local Tutoring

DECA, a chapter of the Distributive Education Clubs of America, is a supplement to the distributive education program offered in our school. Attendance and participation in the club are mandatory for all seniors involved in the program.

Throughout the year, the members raised money through candy sales for their Annual Employer-Employee Dinner. The planned June dinner, given by the students, showed their appreciation for the valuable learning and working experiences they received.

F.T.A. members for the first time offered their tutoring services here in the high school in cooperation with the guidance department. Students in F.T.A. also tutored students at other schools in the district. The members ran various fund raising activities to provide for the scholarships presented to seniors going into the field of education.

Members Gain Business Experience

The Future Business Leaders of America planned to enter an annual competition in the Spring, where club members' abilities were tested in twelve different business skills. "In past years, the F.B.L.A. members have always come back from the competitions with awards ranging from honorable mention to first place, and will hopefully continue to do so," stated Miss Turowski.

The Future Secretaries of America familiarized themselves with the activities which take place in an office and the responsibilities of secretaries. The club participated in a seminar co-sponsored by the National Secretaries Association. They also had a Career Day when the girls spent the day in an office. In this way, the girls prepared themselves for possible business careers.

Athletics

Scillitani, Brodniak Earn County Coaches Honors; Steve and Callahan Win Spots On Sentinel Team

Darryl Spiecker prepares to throw behind the protection of Joe Galaro, Brian Swider, and

Tony Brodniak

Jim Malkiewicz breaks a South River tackle for a large gain

Dan Callahan makes one of his season's 36 tackles against South River on Homecoming Day

"All the victories were outstanding. If the team had a few more breaks, the record would have been better," stated first-year varsity coach Mr. Krupinski, referring to the "disappointing" 4-5 record.

Pleased with the overall performance of the team, the coach cited the tri-captains (Steve Scillitani, Darryl Spiecker and Brian Swider) as doing a great job.

Offensively, we were led by the swift running ability of Ralph Vicidomini, Jim Malkiewicz and Mike McSpadden. All averaged over five yards a carry while Ralph and Mike

scored almost 100 points between them.

Tony Brodniak, Steve Scillitani, Dan Callahan and Brian Swider were the stalwarts of the defensive unit, accounting for more than half the team's tackles. Dan also blocked six punts, setting a new school record. Besides allowing an average of less than 12 points per outing, the unit also recorded 3 shutouts.

Dave Ritter kicked for a new school record. He completed 3 field goals and 11 extra points for a total of 20 points.

The Story

Leading rusher Ralph Vicidomini runs to daylight against East Brunswick.

J.V. Gridders Improve to 3-2-1

"The most satisfying part of this year's season was the team's effort to win and not quit when conditions were rough," stated Coaches Buydos and Helwig referring to the junior varsity football record of 3-2-1.

Paul Mickiewicz, quarterback, led the offensive surge recording 31 points against rival North Brunswick. Earlier in the season, Paul threw a touchdown pass to one of his favor-

ite receivers, Tom Kirk.

Todd Regelski and Joe Brodniak both linebackers, anchored the defensive unit which allowed a mere eight points per game. They also recorded three shutouts.

The coaches also said if the players continue their successful efforts, "Sayreville will be on the winning side in the near future."

Sophs End at 1-6

The sophomores had a disappointing 1-6 record this year, partially due to early injuries which stunted their chance to jell as a team. It was a tough season with a lot of close games, yet Coach Bandola feels some of his outstanding players will be very useful to the '76 varsity team.

The highlight of the season was their only win, over Middletown, where Coach Bandola felt that his team really came together with a truly good offensive and defensive game.

Jay Deworth, Paul Gerula, John

Dekanski and Ed Corvino were probably the most outstanding offensive assets to the sophomore team this year.

Defensive valuables were Joe Antone and Dennis McGuire. Dennis picked up three fumbles and ran all of them for touchdowns. In the future, he should develop into a tremendous pass receiver, as he caught two touchdown passes this year.

This year's most versatile players were Ken Spiecker and John Dreyfuss, whom Coach Bandola feels will be valuable next year.

Girls Capture Central Jersey Group IV Championship

Leading scorer Midge Glinsky fires a shot against J.P. Stevens

Highlighting a dramatic finish, the varsity field hockey squad brought home the Central Jersey Group IV Championship. This title was achieved after beating rival East Brunswick in a game where mere seconds decided the Bomberette's victory.

The team had suffered previous losses to East Brunswick during the season. One of these was the County Championship game. However, they were psychologically up to win the big game.

Coach Westaby felt "their desire and determination led them to the

championship they wanted."

Off to a slow start, the team finished with an 11-5-2 mark. It was necessary for them to overcome a number of hardships this season. From the snow at Somerset to the many injuries to Cindy McKeon, the squad battled back from a 3-2 log.

Lu Ann Ferenci and Sharon Denk anchored the defensive unit while Midge Glinsky, Gail Eckstrom and Cindy composed "the line" which led the offense. Midge scored a team leading nine goals, and Cindy and Gail fired in seven and six respectively.

Mary Buoniauto demonstrates stick handling

Cindy McKeon scores a goal against J.P. Stevens

Eileen Downs makes a defensive maneuver

J.V.'s Repeat 3-3-2 Log

Setting a stable foundation for future varsity teams, the J.V. squad showed excellent potential.

Janet Lockwood, junior, scored almost one-half of the team's 15 goals. Ms. Willis said she would undoubtedly be an asset to next year's team.

The major disadvantage to the squad was the lack of games played. Ms. Willis stated only a handful of high schools have junior varsity teams.

The team ended with a 3-3-2 log.

Chris Smithers drives the ball past opponents

Goalie Dawn Papa prepares to block the shot

The junior varsity soccer team finished their season with a 2-7-2 record. However, the number of wins was surprising as Coach Hudock explained that many of the players, "had never seen a soccer ball before."

The most consistent player on the team was front linesman, John Gra-

ham. Bob Bouthielette was also outstanding at the halfback and fullback positions.

Highlighting the season was a 3-0 shutout against South River.

With the return of many players, Mr. Hudock said the outlook for next season is much better.

J.V.'s Drop to 2-7 Record

Jacob Sets Scoring Mark; Burbank Ties Assist Record

Jeff Jacob, leading scorer, moves into position for another goal

Frank Gaudenzi sets up an offensive play

Although the varsity soccer team finished with a 5-8-3 record, Mr. Doll explained that of the many games Sayreville was in command, we unfortunately lost or tied.

Teaming up with another front linesman, George Burbank, who tied the school record for assists with 10, Jeff Jacob enjoyed a fine senior year

with a record breaking 15 goals.

While Norman Black, Frank Gaudenzi and Bob Shorósky also added their efforts to the scoring drive, Gordon Bell helped hold the opponents offense in check.

Highlighting the season was a close 1-0 victory over highly ranked Colonia.

Gordon Bell deflects a possible score

Assist leader George Burbank passes off

Best Season Ever For Girls' Gymnastics

Recording their best season ever, the girls gymnastics squad finished their season with a "good but disappointing" 10-2 log.

"The girls could have done better," said Coach Feltz. "If not for injuries we might have gone undefeated," she replied.

Debbie Fig and Gina Nesterwitz, both injured during the regular season, still provided the squad with a good showing, stated the coach.

Linda Hurly on the balance beam,

vaulting horse, and floor exercise, along with Lois Gilbert who worked all events, were the team's top performers during the regular season. Both participated in the State Sectionals and State Finals with Lois taking a second on floor exercises, fifth on the uneven parallel bars and third in all events.

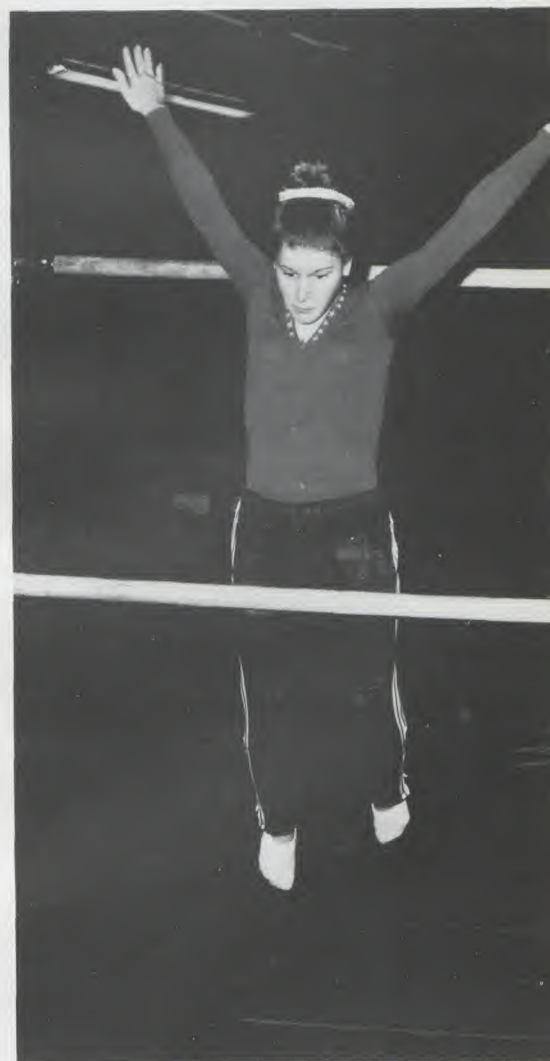

With only three seniors leaving, Mrs. Feltz is looking forward to next year and a possible undefeated season.

Gina Nesterwitz completes her balance beam routine

Linda Hurley finishes her floor exercises during the State Sectionals

Lois Gilbert practices for State Finals on the uneven parallel bars

DeLeo Takes First in Vaulting

"Disappointing," was the word Coach Hefelfinger used to describe the boys gymnastics season of 1-10.

"It was a lack of brute strength and gymnastic ability," replied the coach. He also stated other setbacks as being inexperience and lack of depth. He continued, "Only nine members played the entire season and they were all underclassmen."

Steve DeLeo, number one man on the squad, scored almost one-half the team's points. Steve's performance

resulted in his participation in the State Individual and State Final Tournaments. He was the top point scorer on the vaulting horse in the state, besides finishing third on the high bar and sixth in all events. This is the first time we have a first place winner in a state tournament.

Coach Hefelfinger also mentioned Mark Humphrey in tumbling along with Bill Foggan and Gary George as the "important keys" in the future of the team.

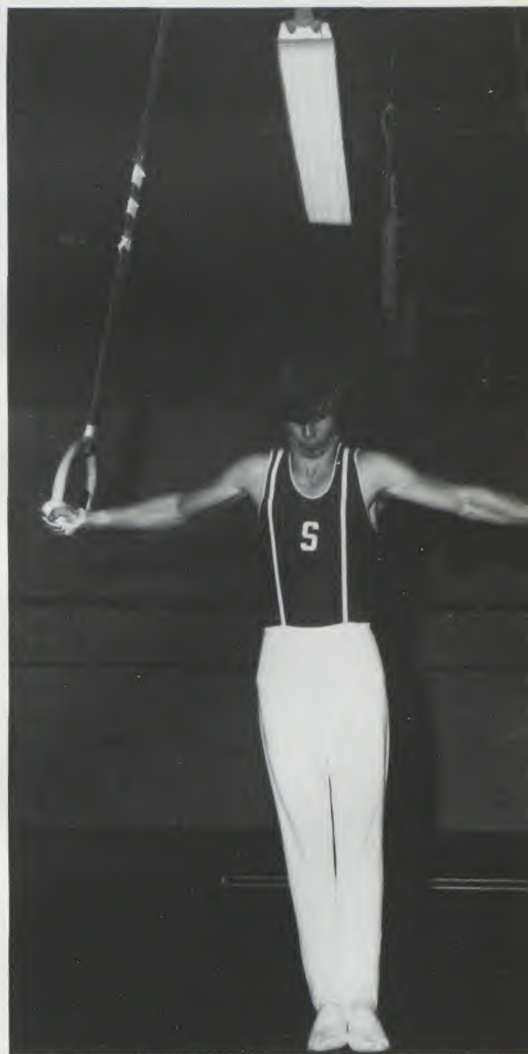

State Champion Steve DeLeo warms up prior to a meet

Mark Humphrey on the high bar

Bill Foggan practices on the side horse

Ron Spencer performs the iron cross

"Full of disappointments," replied Mr. Carcich summing up the Cross Country's 3-11-1 record. He continued, "Lack of experience and depth" attributed to the squad's log.

Although the South Brunswick meet ended in a tie, Mr. Carcich felt the team gave its best showing. The three wins were against Saint Mary's, New Brunswick, and Perth Amboy.

Next year's team will be lacking the

performance of the captain, Andy Germann, "the team's number one man." Andy was the squad's most consistent performer.

Depending mainly on the undefeated junior high team and three returning members, including Jimmy Paros and Steve Wovna, Mr. Carcich stated that next year's squad would be the youngest to run for Sayreville.

Steve Wovna runs hard at Buccleuch Park

Andy Germann running the course

Harriers Suffer Disappointing Season

Andy Germann sets the pace during practice

Rompola Paces Offense

"The problem facing us throughout the season was our erratic play. One minute of the game we were on, the next off," commented Coach Sunski in regard to the Varsity Basketball team. The squad was 13-7 going into the State Tournament in March.

Rhonda Rompola led all scorers during the regular season, hitting close to 50 per cent of her shots and averaging nearly 20 points a clip. Rhonda, a sophomore, also led the

team in rebounding with over 300 and more than 100 assists.

LuAnne Ferenci contributed over 10 points an outing plus crashed the boards for close to 300 rebounds. The senior guard also had over 100 assists for the year.

Lee Szatkowski also chipped in under the boards with 10 caroms per game, while Barbara Hennessey and Gail Grankowski each recorded 5 assists.

After inboundng the ball, Sharon Denk took a pass from Gail Grankowski and scored on a jumpshot

Rhonda Rompola scores 2 of her game high 19 in loss to Madison Township

Inexperience Hinders J.V.'s

"The ability was there. The problem was lack of experience," commented Ms. Westaby, j.v. girls' basketball coach in reference to the team's 8-10 record. There was only one member on the squad who returned from last year.

Debbie Huneke, sophomore, led the squad with an 8 point average, while Karen Anderson and Janet Murray chipped in at 10 points between them.

Debbie Spitzer scores two of her eight points against Madison Township

Debbie Huneke dribbles toward the bucket, enroute to game high 18 points against South Amboy

Janet Murray pops a jump shot from the baseline against Madison in third quarter action

Although two j.v. wrestlers finished their seasons with only one blemish each, the grapplers completed their season with a 3-6 log.

Gerard DeCristofaro at heavy-weight and Don Bell at 158 pounds each led the team with 10-1 and 11-1 marks, respectively. Don also captured First Place in the Novice Tournament with a 3-0 decision.

Bill Brugnoli at 188 had a winning 7-4 season. Optimistically he stated, "We have good potential and should do better next year."

Coach Correll felt the team was successful in preparing themselves for future varsity action.

Bell, DeCristofaro Excel For J.V.'s

Gerard De Cristofaro wins his second match in 4-2 decision over Highland Park

It's First Place for Don Bell in the Novice Tournament

Mike Smith has a distinct advantage over his Perth Amboy opponent

In route to a 5-2 decision, Don Ericson contains his Highland Park opponent

Ken Commerford escapes from J. P. Stevens grappler for one point

Scillitani Finishes Regular Season Undefeated

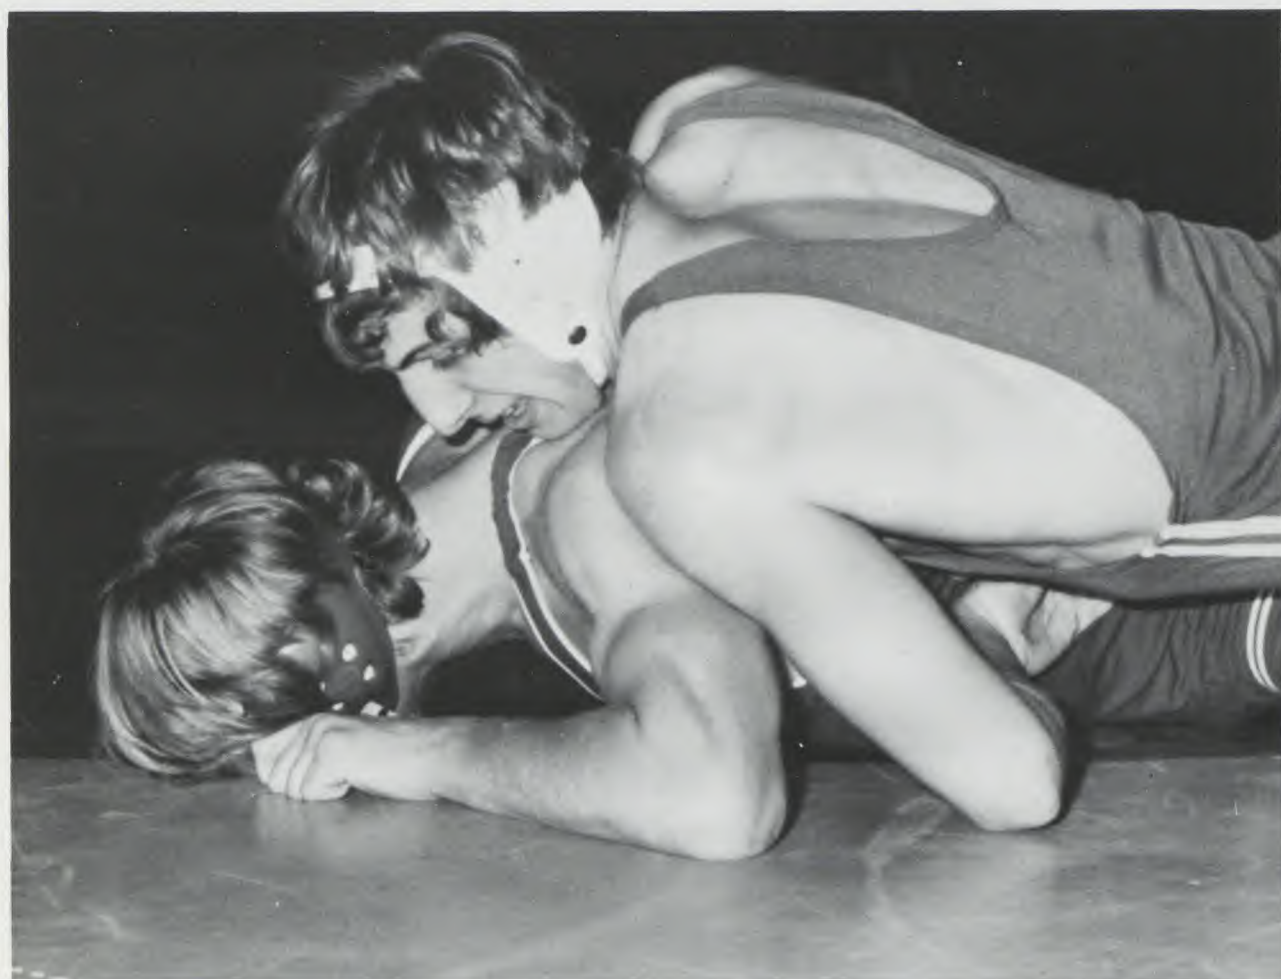

Despite Steve Scillitani wrestling undefeated during the regular season and capturing First Place in the County Tournament, the varsity grapplers finished with an "unsuccessful" 2-9 season according to Coach Buydos. Steve, wrestling at 170 pounds, won 16 matches, 7 by pin and recorded a 7-4 decision to win the County Tournament. Steve also won the Districts.

Mike Smith at 188 pounds and Ian Letts (158) won Third Places in their respective weight classes during the County Tournament. Mike and Ian

had the second and third best personal records on the squad, at 10-4 and 9-6, respectively.

Don Ericson wrestling heavyweight and Ken Commerford (141) each completed their season with winning records. Don, the lightest heavyweight in Middlesex County, finished with a 7-5-1 log while Ken recorded a 7-6-1 mark.

Coach Buydos felt the weak points of the team were the lower weight classes. Ed Otero at 101 was the only lightweight with a winning record at 6-4.

Undefeated Steve Scillitani accumulates large riding time advantage in district championships

"It was one of the best forward combinations I ever had," stated Varsity Basketball Coach, Mr. Dineen in referring to Dave Ritter and Mike White. Mr. Inside (Dave) and Mr. Outside (Mike), combined for more than half the team's points and collected close to 500 rebounds during the regular season. Their play helped the squad win the Lion's Club Tournament. "Taking the Tournament was the highlight of the year," com-

mented the veteran coach.

While Dave scored 13 points, Mike led all scorers with a 16 point average.

Besides Dave and Mike leading the offense, Jim Wojcik averaged 10 points a clip and pulled down 125 rebounds.

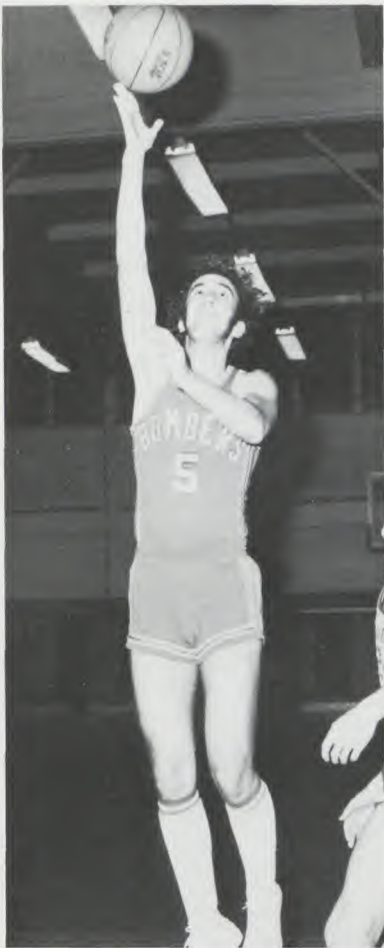

The squad had a 17-7 ledger going into the State Tournament.

Varsity Wins Lion's Club Tourney; White, Ritter Lead Squad

A baseline drive results in 2 of Mike White's game high 21 points

"We didn't have a superstar. It took teamwork throughout the entire year," commented Coach Piotrowski after his team lost to Colonia in the semi-final round of the County Tournament, 52-46.

The team finished 18-4; surprisingly, the same team gave up over 200 points in 2 scrimmages. However, the squad completely reversed itself during the season as it played a staunch defense which yielded only 42 points per game.

"I never expected this type of season. We started at nothing and built up to something," replied the Coach.

"We were better than what people expected of us," stated junior guard Jim Gutkowski. Jim averaged close to 10 points, was one of the top defense stars with over 45 steals and passed off the ball more than 60 times for scores.

Besides Jim, who anchored the defense, was Glenn Kreiger. Glenn swiped the ball over 35 times from his opponents while chipping in 8 points a game. He also had 60 assists during the year.

T. J. Holt averaged 9 points and 8 caroms while Bob Kulesa pumped in 10 points with 6 rebounds an outing.

In semi-finals of the County Tournament, Jim Gutkowski uses a head fake, and then pops for a bucket, scoring 2 of his 9 points

Anchor man Tony Donnamaria in the 880 yard relay demonstrates winning form against Highland Park

Brian Swider scores 5 points with a 45'9" put in win over J. P. Stevens

Inexperience, Injuries Hamper Team

Consisting mainly of 16 players throughout the majority of the season, the winter track team found itself on the losing side of a 2-7 ledger.

"Key injuries and lack of experience coupled with only 16 players hurt the prospects of a winning season," Coach Doll stated.

However, there were bright spots on the "dismal" year. The 880 yard relay team of Bob Devlin, Jay DeWorth, Jim Malkiewicz and Tony

Donnamaria was only 3 seconds short of breaking the school record. Individually, Bob was the top hurdler and high scorer on the team with 90 points while Jim and Tony had "exceptional seasons." According to the coach, Jim missed the school record in the 440 yard dash by only 1 second while Tony was a mere one-tenth of a second off the pace in the 60 yard dash. Brian Swider showed improvement in the shot put with a put of 45 feet.

Jim Malkiewicz finishing just one second short of the school record in the 440 yard dash against South River

Jay DeWorth holds a commanding lead as he carries the third leg in the relay team's win over Highland Park

Determination shows on the face of Gary Rodgers as he jumps 5'4" to place third against

Bob Devlin adds 5 more points to his total of 90 as he captures the 60 yard hurdles in 40-37 loss to South River

Girls Look to Repeat as Conference Champs

"I'm looking forward to a good season. It will be a rebuilding one for us, too," replied Ms. Maurer, girls spring track coach.

"It will be rough defending our conference championship because of our loss of eight seniors and over 12 juniors." The juniors left the team this year due to other commitments.

However, the coach does have team leader Pam Wiggins returning. A hurdler, Pam was named to the second team of the All-County squad and finished third in the County Relays. Also returning is high jumper Kathy Gostkowski. Kathy was also named to the second team, All-County squad.

All-County High Jumper, Kathy Gostkowski practices prior to the Perth Amboy meet

Pre-season practice gives Kim Weaver time to improve her discus performance

Nancy Dunn practices to improve last year's mark of 27 feet

All-County Hurdler Pam Wiggins works hard during the preseason to even better her record

Chris Totin practices for the upcoming season

"I think we'll come along very well. The freshmen should help us out," commented Girls' Tennis Coach, Ms. Smith.

For the first time, freshmen will be on the team roster, and two of them are playing doubles. Karen Frezzi along with Debbie Mannell started in the first doubles match.

Besides the freshmen, singles players Sue Eisenberger, Lauren Frezzi

and Debbie Adams also started the first match.

"We have a lot of potential. With only three people returning, only experience is needed," the coach stated.

Singles players Sue and Lauren and doubles players Karen Zalenski and Linda Topolancik all opened the season with wins. The girls captured the J. F. Kennedy match 3-2.

Debbie Adams follows through after returning a serve

Lauren Frezzi displays her backstroke during a warm-up drill

Firing a perfect return volley, Sue Eisenberger prepares for her opening day match — a win

Freshmen Add New Dimension

"I'm hoping we go .500 this year," stated Mr. Gilfillan, boys' tennis coach.

The team hopes to improve last year's 4-15 mark, with returnees Mark Silakowski and Bob Eisenberger, singles players. Jeff Kabat, a freshman, is the third singles starter on the squad. For the first time, freshmen have

made our team.

Also returning is Jeff Jakob who will lead the first doubles team with Phil Sollecito. The second doubles team will alternate between John Stanton, Harold Mast and Bob Wranovics.

The squad lost their first meet 1-4 to New Brunswick.

An overhand smash by Mark Silakowski nets him an ace

Returnee and expected team leader, Jeff Jakob, displays his forehand

Bob Eisenberger sends over a drop volley

Varsity Seeks Third Straight County Crown

Coming off a 15-14-1 season and the Middlesex County Championship, Varsity Coach Mr. Malara "plans to have a more aggressive team." He continued, "We're going to be more aggressive on the bases and in the field."

The squad could capture their third straight M.C.A.C. championship with the help of their hottest hitter from 1975, Mike McSpadden. Mike batted a solid .367 complementing a

.592 slugging percentage. The catcher, this year's team captain, was chosen for the first team All-County roster. He also led the squad with 29 runs batted in.

Besides Mike, shortstop Tim Brand hit a consistent .355 while driving home 15 runs.

Although the loss of ace pitcher Hank Zaleski may hamper the squad, Tom Pedrick, Mark Tyler or Bob Nelson could develop into the Bomber

mainstays on the mound. Tom was 2-3 with a 2.03 earned run average, while Mark finished with a 3-2 log and a 2.05 e.r.a. Bob, pitching for the j.v.'s, finished 9-1 with an e.r.a. under 1 run per ball game.

"We've got the men on the bench to use the d.h.," stated the coach. The designated hitter rule will go into effect starting this year, and Mr. Malara plans to use it to the team's fullest advantage.

Batting 3rd in the order, Tim Brand awaits his pitch

Tom Pedrick lowers his e.r.a. to 2.03

In 3rd inning action, Harry Polihrom concentrates before singling home a run

J.V.'s Strive to Repeat Performance

Coming off a fine 17-6 ledger, Mr. Gozora, j.v. baseball coach, believes his squad could repeat last year's performance.

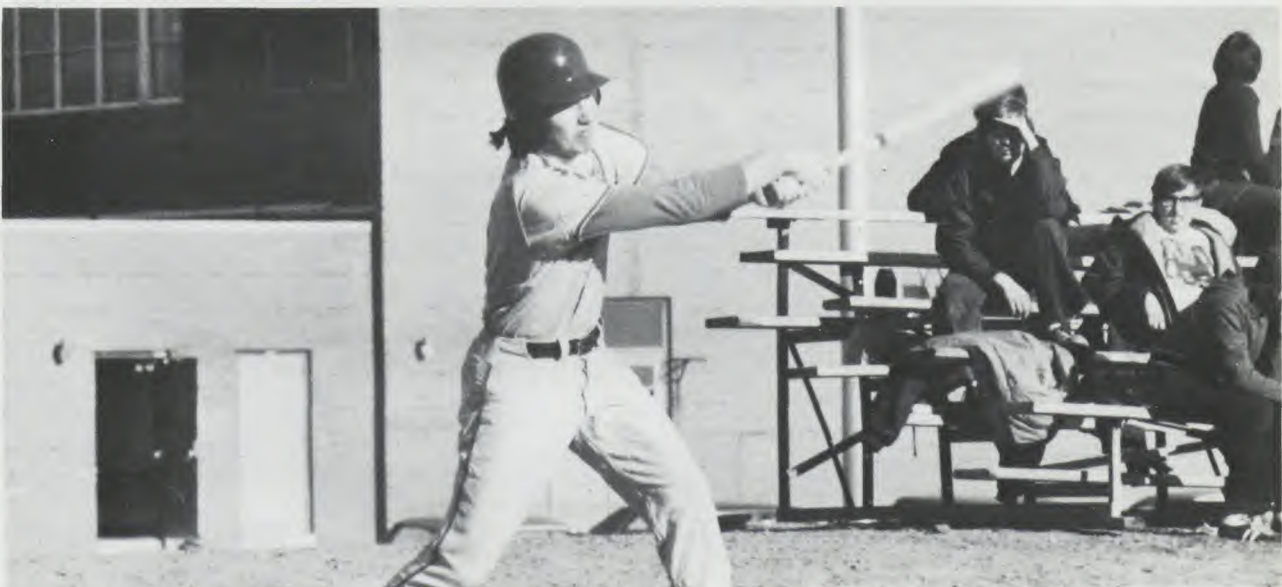

"The squad looks excellent, if the pitching holds up," he stated. "The hitters are there. We have a good hitting club."

The team is a young one with few players returning. Captain Ted Tier, Rich Gulick and Ron Borup are the top hitters on the squad. Teddy hit

for a .256 average last season.

Backstop Lou Donnamaria, who stroked at a .333 clip as a sub, will be catching three righthanders and a southpaw — Rich Kieselowsky, Tom Kalicki and Ken Spiecker, along with lefty Marty Conroy.

Rich finished the season at 2-0 and had an e.r.a. of 1.20. Tom, also a returnee, finished with a 4-0 log and a 3.00 e.r.a.

Captain Teddy Tier raps game winning single in 2-1 win over Middletown.

The Record

Varsity Field Hockey: *Front Row:* E. Downs, E. Yurish, P. Himey, R. Rompola, D. Szymanski, M. Buoniauto, L. Tischler, L. Ferenci; *Back Row:* J. Murray, D. Adams, G. Eckstrom, C. McKeon, M. Glinsky, S. Denk, K. Krolik, Ms. M. Westaby, Coach.

J.V. Field Hockey: *Front Row:* L. Lucas, C. Smithers, B. Sulikowski, B. Galaro, D. Papa, G. Eckstrom, R. Fischer, K. Connors; *Back Row:* B. Swider, (Mgr.), J. Lockwood, T. Travisano, D. Huneke, D. Van Woert, A. Tischler, M. Tyler, A. Shorosky, (Mgr.), Ms. P. Willis, Coach.

Girls Softball: *Front Row:* A. Shorosky, (Mgr.), T. Travisano, R. Rompola, L. Szatkowski, L. Ferenci, L. Spiecker, K. Anderson; *Back Row:* B. Tyler, (Mgr.), C. Zollinger, S. Moyle, (Mgr.), J. Murray, D. Huneke, S. Denk, K. DeSiena, D. Szymanski, K. Connors, B. Hennessy, B. Callahan, K. Fazekas, L. Lucas, G. Grankowski, M. McSpadden, Ms. P. Willis, Coach.

Girls Spring Track: *Front Row:* B. Galaro, M. D'Arpa, P. Wiggins, M. Arnelia, K. Stockel, B. Dunn, N. Dunn, K. Weller, C. Totin, P. Matthews, D. Holthausen; *2nd Row:* Ms. S. Maurer, Coach, K. Weaver, R. Van Fossen, H. Krumm, L. Martens, M. McDonald, G. Eckstrom, C. Dubil, P. Lalor, C. Herman, L. DeLucia, D. Gerard; *3rd Row:* L. Jacobi, T. Nemeth, S. Schaefer, M. Larsen, J. Brent, M. Korleski, N. Larsen, M. Parsler, D. Van Woeart, L. Swider, M. DelGatto, Ms. K. Loupassaki, Coach; *4th Row:* C. Fuoti, M. Klauder, J. O'Leary, A. Iacioli, C. Wajda, J. Pondo, M. Buoniauto, K. Gostkowski, C. Zonak, M. Parisio, J. Weinstein, E. Coyle; *Back Row:* A. Tischler, L. Rankin, S. Kuhn, K. Cushing, P. Himey, E. Yurish, E. Downs, R. Fischer, I. Babinetz, C. Neidermeyer, L. Fodor, T. LeBlanc.

Boys Spring Track: *Front Row:* T. McCurdy, M. Skurka, M. Smith, T. Donnamaria, D. Klaproth, J. Genus, B. Bobbins, S. Meyer, K. Commerford, S. Scillitani; *2nd Row:* T. Kirk, G. Czerniakowski, J. Ferraro, K. Drwal, D. Kirk, K. Gilde, J. DeFosse, L. Aube, J. Paros, J. Samuel, K. Karie; *3rd Row:* J. Pastuszak, G. Bell, P. Mickiewicz, B. Devlin, J. Malkiewicz, D. Callahan, S. Clark, G. Rodgers, J. Raveoli; *Back Row:* Mr. W. Doll, Coach, G. Kreiger, J. Gutkowski, B. Gilboy, D. Unkel, J. Samuel, J. Syslo, T. Painchaud, Mr. W. Scarola, Coach.

Sophomore Football: *Front Row:* C. Byrd, S. Kotarski, D. Unkel, J. Weber, J. LaDonne, L. Aube; *2nd Row:* T. Zentek, S. Pelszynski, R. McNerny, P. Gerula, K. Spiecker, D. Herrick, J. Dekanski; *3rd Row:* J. Coyle, B. Meise, D. McGuire, J. Dreyfuss, B. Albert, J. Lucas, A. Paladino; *Back Row:* Mr. S. Bandola, (Coach), E. Corvino, J. DeWorth, J. Antonio, K. Croasmun, J. Kosabucki, M. Kotula.

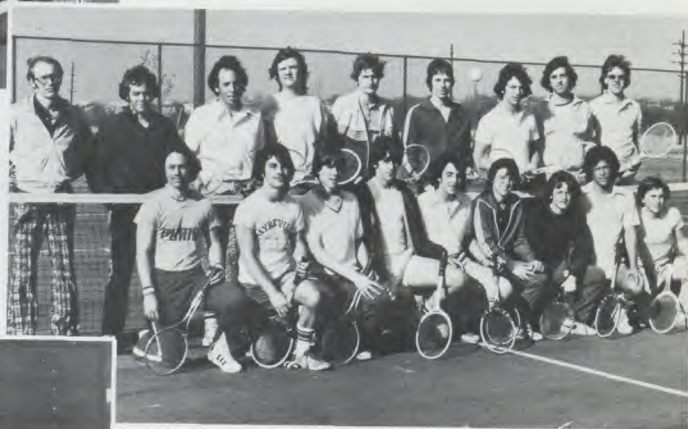

Cross Country: *Front Row:* T. Barbieri, P. Trischitta, J. Paros, S. Wovna; *Back Row:* Mr. L. Carcich, Coach, J. Strugala, B. Gilboy, A. Germann.

Girls Tennis: *Front Row:* L. Ruszczyk, J. Schorr, K. Frezzi, D. Adams, S. Eisenberger, L. Frezzi, B. Newman, J. Mehl, (Mgr.); *Back Row:* T. Miglin, J. Rektenwald, A. Carbone, K. Zalenski, K. Miglin, L. Topolancik, D. Mannell, Miss L. Smith, Coach.

Boys Tennis: *Front Row:* J. Pomparelli, B. Wranovics, C. Wiggins, J. Kabat, B. Mast, J. Defilippis, D. Katko, P. Sollecito, C. Bobbins; *Back Row:* Mr. F. Gilfillan, Coach, N. Katko, H. Mast, J. Stanton, G. Hunneder, G. Lykin, B. Eisenberger, J. Jakob, M. Silakowski.

Boys Varsity Basketball: *Front Row:* J. Wojcik, T. Stroin, T. Brand, K. Drwal, E. Sutton; *2nd Row:* D. Hart, P. Brennan, G. Saccente, B. Klimkiewicz, M. Wisniewski; *Back Row:* M. White, Mr. P. Dineen, Coach, D. Ritter.

Boys J.V. Basketball: *Front Row:* M. Haber, (Mgr.), C. McKeon, (Mgr.), R. Chaplin, D. Klaproth, B. Plunkett, J. Gostkowski, (Mgr.), J. Cavone, (Mgr.); *2nd Row:* B. Nelson, R. Borup, J. Gutkowski, G. Kreiger, R. Simnor, N. Katko, (Mgr.); *Back Row:* Mr. R. Piotrowski, Coach, T. Brennan, B. Albert, T. Holt, B. Kulesa, J. Ryan.

Boys Winter Track: *Front Row:* A. Iacifoli, (Mgr.), G. Strugala, D. Servedio, J. DeWorth, J. Pitti, S. Wovna, D. Montemurro, D. Tracyk, (Mgr.); *2nd Row:* K. Klitzke, (Mgr.), A. Germann, T. Donnataria, J. Samuel, B. Devlin, G. Czerniakowski, J. Donella, (Mgr.); *Back Row:* Mr. W. Doll, Coach, Mr. J. Carney, Coach, J. Malkiewicz, T. Kirk, J. Brego, B. Swider, D. Unkel, D. Callahan, T. Painchaud, C. Dubil, D. Gavaletz, (Mgr.).

Kathy Albany gratefully accepts the National Honor Society pin presented to her by Dr. Parnell

Seniors Elected in Junior Year: *Front Row:* K. Weaver, S. Godowski, D. Jorgenson, J. Makwinski, K. Maliszewski, M. Spiegel, M. McDonald, G. Eckstrom, L. Frezzi, J. McDonnell, J. Pagliuco; *2nd Row:* K. Krolik, G. Strugala, S. Kinsel, S. Walsh, C. VonGruchalla, V. Wantuch, K. Phillips, L. Tischler, D. Richardson, R. Macknowski, D. Lyons, J. Mastrocola, M. Buonaiuto; *Back Row:* B. Klimkiewicz, J. Jakob, B. Gordon, M. Kreiger, K. Gostkowski, J. DelGaldo, S. Skiba, A. Carbone, C. Klajn, J. Bacho, R. Perry, M. Callahan.

Miranda, J. Zamorski, S. Derzawiec, N. Kapushinski, C. Stach, G. Rusin, S. Ambrose, J. Malik, J. Shaw, K. Zalenski, L. Corrigan, M. Szot; *Back Row:* S. Tarantolo, M. Bobman, W. Cokeley, A. Brodniak, J. Malkiewicz, M. Gitlen, A. Kulick, M. Kriss, P. Trischitta, T. Drennan, J. Baumann.

Juniors Elected in Junior Year: *Front Row:* J. Kuchta, C. Orłowicz, E. Downs, E. Drennan, D. Szymanski, R. Perry, J. Pearson, V. Barbeito, J. Penna, D. DeSpirito, D. Gavaletz, K. Albany, M. Marconi, J. Kwiatkowski, D. Payne; *2nd Row:* S. Fanok, J. Rektenwald, K. Kausch, J. Lockwood, E. Yurish, J. Makwinski, L. Brodzinski, K. McGuire, R. Wranovics, P. Sollecito, S. Parks, F. Ludlow, S. Miller, M. DelGatto, C. Kolchak; *Back Row:* L. Szatkowski, J. Wojcik, M. Lockwood, P. Himey, D. Wisniewski, G. Shalkauskas, R. Fischer, T. Stroin, D. Clark, R. Gronsky, L. Kealy, J. Ferraro, M. Conroy, J. Gutkowski, H. Mast, N. Katko, D. VonTish.

Oklahoma Receives Wide Acclaim

Tom Kirk fascinates Pam Wiggins with his vivid description of the "Surrey with the Fringe on Top"

Comic relief is provided during the Dream

Sequence by the Cowboys

John Baumann makes a desperate attempt to avoid being forced into marriage with Patty Bird

In the second act, David Clark proposes his selfish view of marriage, to the dismay of Patty Bird

"Oklahoma, where the wind comes sweeping down the plain . . ." — a popular refrain from the play that reminds us of American life at the time of Oklahoma's admission to the Union. This slice of American History, through musical interpretation, continued to promote the Bicentennial Spirit here.

Many special effects were used for the first time, including a different lighting system and fog on the stage during the Dream Ballet.

Even though the rehearsal period was shortened this year, the performances were superb as indicated by the fine responses given during the five matinee shows and the three evening performances April 8, 9, and 10.

As David Clark tells tales of Kansas City to the townspeople, Laurie Batterson looks on disapprovingly

Releasing anger over his unrequited love for Laurie, Joe Grabas points threateningly at Tom

Kirk
