# CINDERELLA'S BALL

A fairy godmother must have appeared on the doorstep of the SWMHS cafeteria on Saturday, May 17, 1997. As prom guests walked through a starry night hallway they entered a ballroom with baby blue wallpaper, silver sashes, and white gossamer. Hosted by the Class of 1998, the elegant ballroom welcomed princes and princesses as the prom song, "Hold On to the Night" by Richard Marx, was played. Through the hard work and dedication of the class advisors — Mrs. Scordinsky, Mrs. Ilarraza, and Ms. Jakubik-Tanchyk, the officers and the junior prom committee members, they created "Cinderella's Ballroom." At the stroke of midnight, an ice sculpture of Cinderella's slipper still remained on the dance floor. That night will be remembered for years to come.

# INFINITY AND BEYOND

Four years at Sayreville War Memorial High School prepares students for a plethora of adventures after their high school careers. Life has just begun. The four years spent at SWMHS, our alma mater, are only some of the preparations necessary for our future endeavors. Ranging only from fourteen to approximately nineteen years old, we have much more to live for — years, decades, and perhaps, with the new technological advancement, centuries. In fact, our fervor and diligence never die; they remain in the hearts and mind of many people in the past, present, and future. These years are the portal to the future that allows us to aim high, since the sky is the limit as we travel toward the future. If we shoot for the stars, our dreams may come true.

Throughout high school, we have experienced many special moments in our various interactions with the administrators, board of education, faculty, fellow students, and ourselves. In retrospect, our years as underclassmen, whether as frosh or sophomores, set the foundation of our progress, goals and aspirations. Our shared experiences of walking around the high school, getting our lockers to open, and meeting some of the high school students at Freshman Orientation seem like they took place just yesterday. During our sophomore year, a little more comfortable with the school environment, we may have engaged more deeply and become more involved in class competitions, extracurricular activities or Bombers sports teams. Soon, the progression took one step forward to junior year, a year filled with AP courses with crazy laboratory schedules or simply the determination to be the next to be the best. Perhaps, senior year was the year of greatest enthusiasm and school spirit as we worked toward the prom and graduation.

Surely the four years spent at SWMHS cannot compare to the lives that lie before us in terms of duration or ultimate significance. Therefore, it is up to us, as spirited students and representatives of Sayreville High, to uphold its traditions and plan for tomorrow, which stretches to infinity and beyond.

# Anjali Patel

The 1998 salutatorian is Anjali R. Patel. This honor is one of the many accomplishments she has achieved in her four years of high school.

Anjali is the recipient of the Bausch & Lomb scholar medal, the Edward Bloustein distinguished scholar award, the principal's leadership award, and the caring award. In the school, she has been elected to NHS, SHS, Mu Alpha Theta, and TAG. In addition, she serves as a youth advisory counselor for TIGS and a teen leader and youth staff at the Willow Tree Teen Institute.

With the myriad of honors and awards Anjali has graciously received, it is no wonder that her diplomatic and outgoing attitude aid her in achieving her goals. In the fall, Anjali plans to attend college and major in finance and marketing or international relations with a minor in biology.

She also intends to continue her education in medicine where she will learn to become a cardiovascular surgeon.

Anjali can be compared to the hard work and dedication she has put into her high school career. Besides her excellence in academics, Anjali devotes her time in A.S.S.I.S.T., ACT, the math club, DARE, SAFE, and TREND, and as an executive member of TIGS and co-director of International Society.

As Anjali leaves SWMHS, she will miss all the friends she has grown close to. However, her open-mindedness and compassion toward learning allow her to be receptive to new and innovative ideas and people.

In her free time, Anjali enjoys photography, traveling, writing, music, theater, dance, and speaking Spanish. Anjali is looking forward to sky diving in the near future and bungee jumping by her twenty-first birthday.

# THE FUTURE IS OURS

The reward for work well-done is the opportunity to do it again.

# Jessica Painchaud

Woman athlete of the year, Jessica Painchaud holds twelve varsity letters, including a letter for academics. Ranked in the top 20% of her class, Painchaud has a keen eye and mind on the field and in the classroom.

Jessica Painchaud, a peer leader, is an active participant in the float committee, prom committee, and Spanish Honor Society. In addition, she plays soccer and runs track. During her first three years at SWMHS, she was also a star basketball player.

Painchaud will be attending Villanova in the fall of 1998 with an athletic scholarship in soccer. She plans to major in political/governmental science and minor in history. Her career goal is to become an FBI agent in Washington, D.C.

Much of her success at SWMHS can be attributed by her extremely athletic spirit and strong will-power. In soccer, Painchaud was named All-County, All-Area, Top 17 in the State,

Player of the Year, and First Team All-State. Furthermore, she was a state sectional champion in the javelin.

Besides her involvement with the school's sports programs, Painchaud serves in the community and is earth-friendly as well. Painchaud is a member of the Youth Group and a lecturer at her church. She is also a Girl's State Alternate. Moreover, she has adopted a koala bear from the Animal Reserves, to begin preserving the lives of endangered species.

Jessica Painchaud will miss high school, as well as two of the "most caring people" she has come across in her high school career, Ms. Strachan, the athletic trainer, and Mrs. Hefelfinger, her guidance counselor.

Painchaud enjoyed the time she spent at SWMHS, and will bring all that she has learned from the high school into her future.

# Derek Wan

This year's senior class president, Derek Wan, has been one of the most active students in the entire student body, and is popular among the students and teachers. During his high school career, he has been the backbone behind many activities, and his meticulous and perfectionist behaviors characterize the skills of an effective product of the Sayreville school system.

Besides being a peer leader, Derek is the editor-in-chief of *Images*, news editor of *Echo Lites*, copy editor of *Quo Vadis*, CEO of International Society, director of *Interact*, executive member of TIGS, and co-founder of *Science Rules*. In addition, he has been involved with Student Council, Float Committee, Prom Committee, and Language Buddy. Moreover, he has been elected to and participates fully in NHS, SHS, Mu Alpha Theta, and TAG. Derek's abilities and time are also devoted to serving on the Borough of Sayreville's Human Relations Commission and his church's youth group and religious education program.

By his active service in his school and community, Derek is the recipient of the DAR Good Citizenship Award, the Rotary Youth Leadership Award, and the Discover Card Tribute Award State Gold scholarship. He also had the opportunity to participate in Boy's State and the People

to People Student Ambassador Program.

In the future, Derek will attend The College of New Jersey, majoring in professional writing/journalism to fulfill his dream of becoming a print journalist or broadcasting anchorman.

The four years at Sayreville High have been extremely special to Derek. He has many fond memories of high school, including the pep rallies, homecoming, the Peer Leadership retreat, the TIGS leadership retreat, the International Society Diversity Festivals, the publications of *Images* and *Echo Lites*, school spirit activities and the senior prom. He will miss the support and participation of the underclassmen, faculty, Board of Education, and administration at the school-related functions.

With all this work, Derek still tries to spend time writing poetry and other prose pieces, thinking, traveling, listening to music, and watching animated Disney movies.

Derek Wan will greatly miss waking up early to attend SWMHS and staying late to accomplish all his "club work." He truly loves this school, and he thanks his advisors, teachers, and the student body for the opportunity to serve the Class of 1998 and the school.

# Brooke Jensen

This year's Spring Musical, "Oliver" welcomed many talented actors and actresses to the Sayreville stage. One of Sayreville's outstanding senior performers is Brooke Eileen Jensen.

For the past four years, Jensen has devoted her time to the Marching Unit, Chorus, and the Theatre Society. Jensen has played important roles in musicals, such as "Peter Pan", and the "Little Shop of Horrors."

Although extremely busy with rehearsals for the Fall Drama and Spring Musical, Jensen also devotes her time in school and in the community. Jensen is involved in the Concert Band, Jazz Band, Percussion Ensemble, Orchestra, Mixed Chorus, Treblemakers, Sayreville Singers, Show Choir, Swim Team, Spanish Honor Society, Sweet Adelins, National Honor Society, TAG, Improv Troupe, and the Variety Show. In the community, she is the Performing Arts Instructor for D.A.R.E. Cadets, plays the piano, performs at the Sayreville Main Street Co., takes part in cleaning the community, teaches Sunday School and serves as a lifeguard.

These four years have been extremely memorable for Jensen as she leaves memories of winning first place at Giants Stadium for the Marching Unit, the band trips to Washington, D.C., Toronto, and Florida, and her involvement with the Little Shop of Horrors behind as she pursues her major in Music Education.

Her career goal is to perform on Broadway, but she is considering studying to become a high school music and choral director.

Jensen will greatly miss all the school activities, the security of high school, seeing all her friends every day, and the good teachers, especially Mr. Craft, Mr. Griffen, Srta. Kwiatkowski and Mr. Piccuiro.

On her free time, Jensen sings, plays the piano, swims, hangs out with her friends, and helps out with the school's music department.

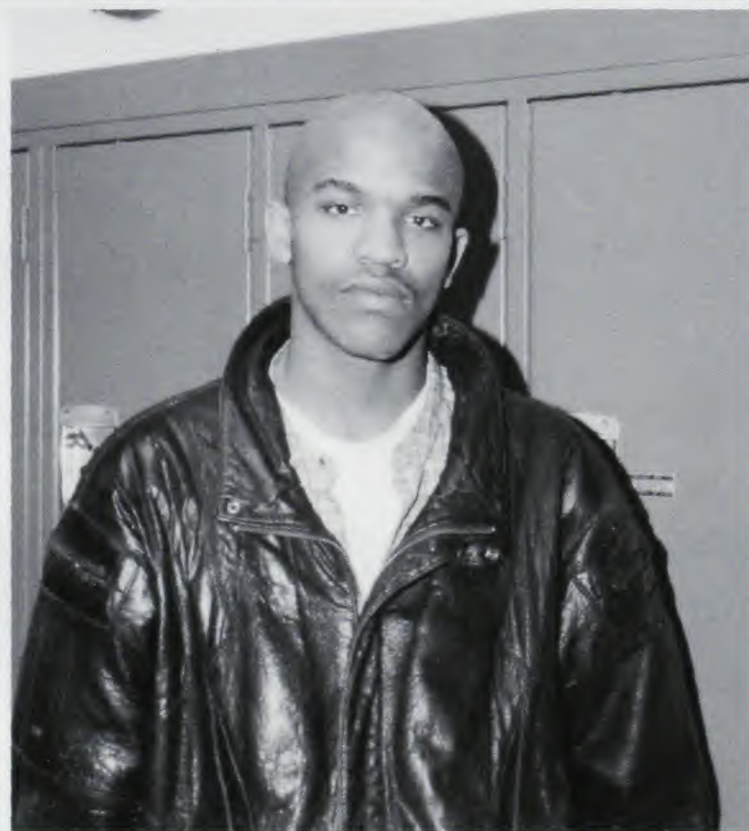

# Leland Norris

Star basketball player, Leland Norris is an athletic and friendly student who has scored over one thousand points in his three years in varsity basketball. Leland, though, is also involved in the spring track team, where he does the high jump and the long jump, and the school's baseball league. These three varsity letters have given him pride and memories throughout his high school career.

Furthermore, Leland has been named All-Area, All-County, All-Red Division, and All-State Third Team in basketball, and has received many other accolades for his achievement in athletic abilities and sportsmanship.

On November 12, 1997, Leland signed his letter of intent to Iona College in New York. He plans to major in marketing, devoting his studies to become an entrepreneur. In the summer, he will work in a lawyer's office to develop and enhance the necessary skills to strive for his goals.

Leland attributes much of his success to two "nice" teachers in the Sayreville family, Ms. Rolewicz and Mr. Cress. These two teachers have given him the reason to enjoy learning through class participation, while having fun in communicating his ideas inside and outside the classroom. Likewise, he will never forget his success on the basketball court, where the interaction with people helped him to become well known by the community and the student body.

# PEER LEADERSHIP

Peer Leadership is a program which provides seniors with a chance to acquire skills, and to use those skills both in working with freshmen groups, as well as in their future careers.

This year two groups of Peer Leaders were selected in their junior year after a rigorous application process, which included self-evaluations, faculty recommendations and a group interview.

Early last September and mid-February, the students attended weekend retreats with their advisors where they learned group facilitation and team building. During the year they held "break-out" days every Thursday with their small freshmen groups, where issues that concerned them were discussed. Peer Leadership has had a positive impact on both the senior leaders and their freshmen "families".

## SENIOR CLASS COUNCIL

The class of 1998, the senior class, accomplished many new activities this year under President Derek Wan, Vice President Danielle Rice, Corresponding Secretary Michele Cassidy, Recording Secretary Desiree' Bomm, and Treasurer Dan Unkel. Continuing popular fund-raisers, such as DataMatch, the Holiday Hug-A-Bear, bake sales, Thanksgiving Pic Sales, and other various BIG BLUE, senior spirit activities. They also held their senior prom of the Ocean Place Hilton in Long Branch. Advised by Mrs. Scordinsky, Mrs. Ilarraza, and Ms. Jakubik-Tanchyk, the Class of 1998 will be remembered for their school spirit and bottles of glitter!

Along with the responsibilities of fund-raising, the Junior Class takes part in all school spirit activities. Advisors for the 1999 Class are: Mr. Palmer, Ms. Steele, and Ms. Martinelli.

Club Officers are:

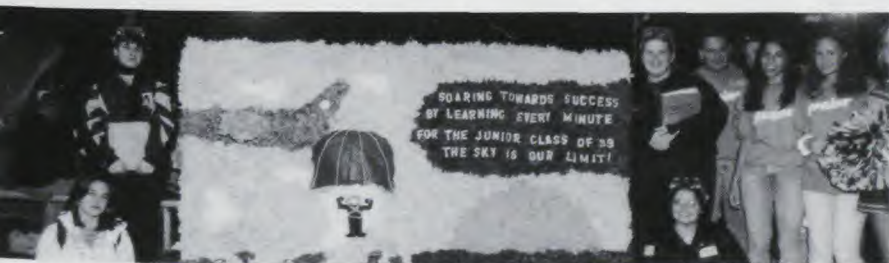

President - Karen Martin

Vice President - Kim Salaycik

Treasurer - Charlie Bowden

Corresponding Secretary - Nicole Teleposky

Recording Secretary - Pat O'Connor

## SOPHOMORE CLASS COUNCIL

The sophomore class council has a very important role. Class council worked on the homecoming float, collected money using the traditional fund-raising methods and supervised the ordering of student rings.

The class council officers were Gina Mancini (President), Kerianne Dusko (Vice President), Jillian Aikens (Treasurer), Monica Soehngn (Corresponding Secretary), and Brandy Gorski (Recording Secretary). The class of 2000 is advised by Ms. Drwal, Mr. Milan and Mr. Pazinko.

It's nice to see students so enthusiastic about school.

Is this the line for the bathroom?

Future leaders of America?

Isn't she a little too young for him?

They all stop to give a big smile for the camera.

# EDUCATIONAL LEADERS

Mr. William Bauer, Superintendent

Mr. Dennis Fyffe, Assistant Superintendent

Dear Class of 1998:

Through your own efforts, the instruction of your teachers, the encouragement of your parents, and a little help from your friends, you have reached one of the plateaus in your life. High school graduation is a very important first step. Your diploma should be evidence of your knowledge, your ability to learn, and your ability to grow. How you use what you have learned will be most important as you move step by step along the road of life. There is no easy street. Hard work and sureness of purpose must be important factors in your life.

You will face exciting times. Make sure that you grow in knowledge of the world, and increase the skills needed to move forward in that world. Continue to grow in mind and spirit. Do not forget your obligation to make your "world" a better place because you have made a contribution to it. Be all you can be -- be the best!

Sincerely yours,

*William L. Bauer*

# PRINCIPAL

This is indeed a special time in each of your lives. Reflect on your "super" memories here at SWMHS - no one can take them away from you! Your yearbook theme of "infinity and beyond" is most significant. You have spent the past four years preparing yourself for your first step toward infinity and beyond. Whether you have chosen a temporary stop at a college for the next few years, the military, the business world, infinity still lies beyond. Take advantage of each stop along the way and make the most out of the time that you spend there, and move on to your next stop. I trust that what you have learned here in Sayreville, and the special teachers and friends in your life will not be forgotten - we certainly will not forget you! Congratulations on your graduation, and may you have God's richest blessings as you proceed on your venture to infinity and beyond!

Field hockey, a team game, incorporates fitness components of speed and endurance as well as ball and stick handling skills. Each victory was important for the Lady Bombers. A goal qualified them for the state tournament, and all the victories contributed to reaching that goal. Ties against Cranford and Westfield were also big.

Other senior teammates included Jeanine G'sell, Shanin Hughes, Beth Revolinsky, Tabitha Sawicz, Stephanie Scheider, Shannon Senatore and Megan Smith.

# FALL DRAMA

# Dracula

This fall drama's classic, "Dracula" by Bram Stoker was ghoulishly portrayed by Mr. Piccuro's excellent variety of actors and actresses.

Paul Schenkel was the sinful and malignant Count Dracula of Transylvania, Jeanette Furrevig played the beautiful but naive Mina Murray, Thomas Esposito was the determined victim of Count Dracula and Mina's fiance, Jonathon Harker, and Andrew S. Golden depicted the comprehensive and helpful Doctor Van Helsing in the most perfect light.

The costumes and make-up were extraordinary, thanks to the make-up crew. The scenery, backdrops, and props were semi-realistic, so for a moment, you actually thought you were in England or in Transylvania in Dracula's castle.

The whole cast and crew did a wonderful job making the story of "Dracula" come to life. Good job!

# OLIVER!

The Theatre Society continued its tradition of producing a top-notch performance in this Spring's musical "Oliver".

This production was masterfully directed by Mr. Piccuiro, with student directors Jeanette Furrevig, Brooke Jensen, and Amir Morcose. All of the elements of this musical were superb; the acting, singing, dancing, music, set design, costumes, make-up, and lighting all came together to make this production one of Sayreville's finest.

Oliver was played by Christopher Lanfare, Mr. Bumble was portrayed by Jeff Stanislawaczyk, Widow Corney was played by Lisa Marie Fernandez, and Keith Tomlinson played Noah Claypole.

Mr. Griffin conducted the Pit Orchestra, which provided the accompanying music. The set was expertly designed by Mr. Demskis, with help from Managers Tim Sullivan and Diana Blondet. The lighting and sound were supervised by Mr. Craft and Managers Elana Schifman, Sam Guine, and Erin O'Kelly. Mrs. Pellecchia and her staff provided beautiful costumes and make-up. This year's Spring Musical was a true reflection of the Theatre Society's talent, dedication and professionalism.

Odyssey of the Mind is an activity that began in 1978 in Glassboro, New Jersey, and spread to numerous schools around the world. The SWMHS chapter competes in four problems. One of this year's problems is Pageant Wagon, headed by Amy Tyszkiewicz. The problem was to create a tow vehicle, driven by one of the team members, that pulled another vehicle, the pageant wagon. The team was also required to devise a creative, humorous skit to go along with it. Secondly, Natasha Kraner and Michelle Monnier head a problem called Morph Magic, in which their team was required to make a skit involving the metamorphosis of a person to an animal that solved a problem. Also, Sayreville has a group competing in the problem Marvelous Mentor in which the team made a commercial about a nutritional product with a famous historical figure. The team captain was Danielle Rice. Finally, Sharyn Fisher is the captain for the Camouflaged Creation team, who needed to construct a small balsa wood structure that supported weight.

At this year's Regional Competition, held on March 7 in Vineland, Pageant Wagon and Morph Magic placed first, and Camouflaged Creation placed third. These three teams moved onto the State Competition on April 4, in which Morph Magic placed second and Pageant Wagon placed third. The OM coach is George Targonski, and this year's seniors are Amy Tyszkiewicz, Jane Zaleski, Natasha Kraner, Michelle Monnier, Noel Pierson, Amber Poplowski, Danielle Rice, and Sharyn Fisher.

# CHORUS

## *"SWEET ADELINES"*

They are mixed choir, a non-audition group, Sayreville Singers, composed of about 45 members, Treble-makers, an all women's group made up of about 25 members, show choir, a multimedia group composed of 8 members, and finally "Sweet Adelines," a self-rehearsed group made up of four women.

Brooke Eileen Jensen, president, Tom Szczepanik and Jennifer LaMaster, librarians, and Andrew S. Golden, Treasurer, help with the organization of Chorus. Chorus sings a variety of music from gospel spirituals to Beethoven to show tunes. This year the holiday concert was a charity toy drive incorporation with Brain Injured Children and was also featured in an article of the "Suburban News." The pieces that were performed at the spring concert had a Broadway theme.

Love and Pride,  
Dad, Mom and Family

As your high school years conclude  
 With college beckoning near  
 We thought your yearbook should include  
 A poem for all to hear.  
 For what family could be prouder  
 More reason to scream & shout  
 If dared, we'll do it louder  
 'Cause we have twice to shout about!  
 Two bright & beautiful young ladies you are  
 We wish you all the best  
 We wonder what we've done so far  
 To be so doubly blessed  
 And while your high school graduation  
 Is but the first success of many  
 We wanted to express both joy &  
 admiration  
 For our darling Ellie and Jenny!

We are so alike in every way. Maybe it's because we are both pretty princesses and daddy's little girl. Can you even count how many times people have asked us if we are twins? No matter what happens, we will always be a part of each other's lives. XOXO

Love your sister and friend,  
Dina

## NOEL,

From the very beginning you set your goals high.  
To the top of the world is where you will fly.  
With majestic eagles we know you will soar.  
A leader, a king, like a lion you'll roar.

The doctor did his best when he gave you that first smack.  
We gave you life, and you've given so much more back.  
You're clever, you're brainy, you're bright and you're quick.  
Now mix that with culture and WOW! what a chick.

Medals, trophies and scholarships swell our hearts with pride,  
For your ingenuity, talents and accomplishments recognized far and wide.  
With determination and boundless energy, you made your mark and more.  
Your intelligence we admire. Your tenacity we adore.

We appreciate TIGS for planting a seed,  
That made you a perfect rose, instead of a weed.  
Your garden is immaculately groomed and nurtured with love.  
And, for this, we thank TIGS and the stars up above.

Life is truly a journey, an adventure for sure.  
Keep your inner fire burning and your heart always pure.  
Keep reaching for the stars in all that you do.  
And, remember, first and foremost, to thine own self be true.

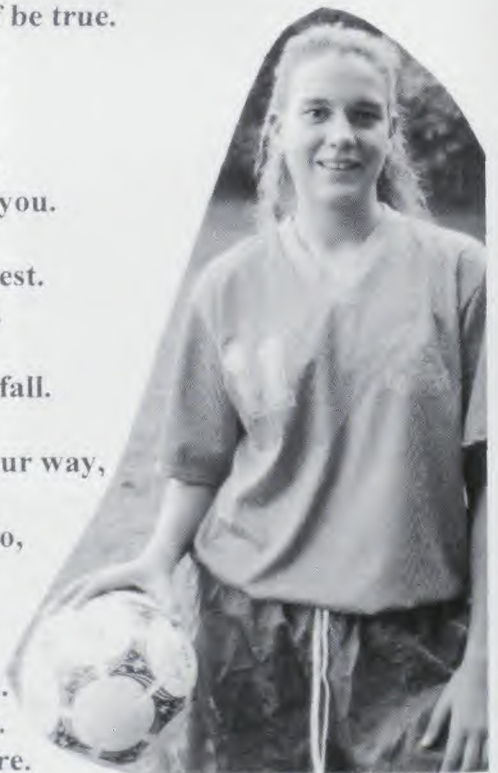

Follow the rules to the extent that you can.  
But if they don't work, devise a new plan.  
To the best of your ability, carry it through.  
Guaranteed, the world will be better because of you.

You're the best of the best, so continue your quest.  
Even after you leave the security of our nest.  
Live life to the fullest, experience it all,  
But keep your feet firmly planted, lest you may fall.

If, per chance, you stumble while traveling along your way,  
Get up, dust off, and get on with the day.  
There's nothing in this world that you can't do,  
So go for it kid. We're always behind you.

To experience it all is a wonderful goal.  
Just do it with laughter and love in your soul.  
You're the best daughter in the world by far.  
We love you and cherish you for all that you are.

*Mom & Dad*

NEEL  
SANDY

Noel,  
Throughout the years  
Friends have come and friends have gone,  
But forever we'll remain  
Best friends and strong.  
No matter how many miles  
Could ever separate us,  
No little trouble  
Could get between us.  
From basketball to soccer  
Growing up together,  
From Pine Creek to TIGS to ski trips...  
We've shared a thousand memories forever.  
And along with them  
Is a feeling buried deep in my heart,  
It's the love of a sister  
I held for you since the start.  
'Cause you've been there for me  
Through the good and the bad,  
You gave me the strength  
That I never had.  
You taught me so much  
On how to be strong,  
And you stood by my side  
Through the right and the wrong.  
They say in your life  
You keep one true best friend,  
For the decades to come  
I'll be there 'til the end.

Yo te guardo en mi corazon para siempre y un dia,  
Eres muy especial a mi en cada manera.  
Con todo mi corazon-

Sandra Dee-

A picture is worth a thousand words....so, What more can I say. We have been through many Times together, starting with the first time you stood By my side wearing a robe as the Statue of Liberty. The next robe we will be wearing will represent not only 13 years of hard work, but also 13 years of a wonderful friendship. And that is only the beginning, for I'll be right by your side when you wear a different kind of robe with "the man of your dreams" on your wedding day. (Yes, he is out there....somewhere.) Never forget our long talks while playing soccer, basketball, and then softball, painting on bedsheets, skiing, expressig our individualities, camping under the stars, and much more! Know that I will come visit you anytime, anywhere if you ever need a shoulder to cry on or someone to talk to. Sisters are forever! We keep each other sane - we make each other crazy, and we have pictures to prove it. Although the photos provide memories, you will forever remain in my heart and soul. You truly are a lifelong friend - one with whom I can share my life and my dreams. Remember:

"Make new friends, but keep the old."

Some are silver, but the others gold!"

You definitely have a golden shine! Te amo!

Con amor siempre -

# OLIVIA WIELOWSKI

To Olivia,

I remember the first time I met you six years ago. You were the little sister of my bride to be. You clung to my arm as we went, as a family, to Radio City. I was not yet an official member of the family, and yet you already decided I had a place in your heart. From that time on, I found out how special you were ...you are. During the short time I have been in your heart ... I have been there with admiration. I have seen you grow ... ever developing your warmth, your desire to succeed, your creativity, your passion for life, and your love of family and friends. To those who do not know you as I do, might venture to say these are words of some ordinary chapter in anyone's life. They would be missing that feeling that is accompanying these words. They obviously have missed "your magic" and are unable to see the special place that I ... that we as your family hold for you in our hearts. We wish you the best sweetie .. There is nothing more to add than ... we are so proud ... and we love you ... Forever.

Mom, Dad,  
Tomek, Edie and Joe

Five years ago we became best friends, and couldn't spend a single day apart. Even though we've changed since then, we still need each other just as much. I'm so grateful that throughout the years we've all been here for each other, even through the toughest times. We always supported each other, and never deserted the friendship when things got rough. I believe in my heart we'll cherish all of our memories forever. Even though our future plans temporarily separate us, I will always remember the bond we shared. One day we'll meet up at Dunkin Donuts again, and ofcourse... Don't forget the sauce!!!

# BRANDON KEITH CRUZ

It was on June 16, 1980, that you were born. And from that day on, you were my life, my everything. No words could express what I felt at that moment. Yet it is the same way I feel right at this moment. My baby has grown up! I'm so very proud of you.

Through the years we have created a miraculous bond. We have had a tough life together. You had to grow up faster than most others, confronting many obstacles. But you've made it, and made it well! Our experience together have made you an outstanding individual.

I feel a bit bewildered that I was able to raise such a warm, compassionate young man. You were my rock when I needed to be strong and concrete; my mountain when I had to rise up and overcome; my song when I needed soothing; my arms for that long embrace; and most of all, my shoulder for those hard moments and the tears. The Lord truly blessed me when He brought you into my life.

Watching you grow, wanting to be everything to you, giving you my all in my role as both father and mother ... Forgive me if I lacked in any way. I truly believe, though, that through these 18 years you have been the greatest son, brother and friend anyone in this whole world could have.

My love continues on, wishing you the best in everything you pursue. Take on the future. Strive for the untouchable. Keep all the morals and values I've taught you. And may the Great Lord bless you always.

Love,  
Mom

Nicole Pisciotta

Dear Nicole,

We have many happy memories of watching you grow into the beautiful young woman you are. Watching you dress in clothes not your own and pretending to be a movie star, staying up late trying to finish a homework assignment. Laughing and crying as we watch movies. Most of all what we will remember most is watching how quick and eager you are to help, whether it was helping a hurt animal mend, lending an ear to a friend or just jumping in and helping us with your sister or brother. You are always there even if it meant sacrificing something you would have liked to do. As parents we could not ask for more, we are so proud of you and love you so much. We wish you all the happiness in the world and may you always stay the loving person you are today.

Love always, Mom, Dad, Charlie and Vicki.

Congratulations on your graduation. We wish you the best of luck in the future and hope all your dreams come true.

Where should I start first ... We've been through a lot these past 3 years. Through good and bad, but basically our friendship was too strong for the bad. I will always remember all the times we had. To sum this all up, I just wanted to tell you I love you and I'll always be here for you when you need me.

We have developed a unique and special bond that nothing could ever break. I just wanted to say thanks for the great memories, I'll never forget.

Love always,

Dear Adj,

We have been through so much in the last six years, both good and bad, No matter what we fought over or how long we wouldn't talk to each other we always wound up being best friends again. You were always there for me, giving me advice on what to do, just listening to me, or calling 911 for me at 3:00 in the morning. Well now it's time to go our separate ways but no matter how far apart we are you know I'll still be here for you. Never forget the good times we shared together. Especially the end of Sophomore year, Junior prom, our four hour drives around town, all of our stupid names we had for each other, and all the other things we wasted our time on. I'll miss you!!!!

Dear Amber,

Our child, our friend. It seems like only yesterday that we played with you and rocked you to sleep in our arms. Now we find ourselves having to do the most difficult task since you were born .... that is to let you go.

The time has come for you to spread your wings and leave the nest. Life will seem empty for us as you meet the challenges of "new beginnings", but even though you must leave us, the child will live in our hearts forever. I hope you have many good memories of those years. As you grow older, you too will find that memories are an intricate part of our lives.

Our greatest hope is that we have taught you to seek knowledge and to search your soul. Get all you can out of life and enjoy each and every moment because it never returns.

Always remember that whatever lies ahead we will always be there for you.

Dear Caroline,

Congratulations, your high school years are finally over. Looking back we see how much work you had to put in for you to be where you are right now. Even as a little girl you were so curious about everything around you, and you tried to learn everything that was out there.

As for the future we wish you that this curiosity stays with you for the rest of your life. You are very smart and intelligent young woman. You always set the highest goals for yourself and you achieve them. Ahead of you is school you always wanted to go to.

Congratulations once again and we are very proud of you. We love you very much.

Love always,

## CAROL AND BRIAN

BRIAN,

The school is finally over. Can you imagine that all this time we spent together is only memories now?!?! You had been a wonderful friend and the times we've had cannot be replaced by anything. There had been bad times and good times, funny times and sad times, but all of that contributed to building our friendship. You are the best friend I had ever had and I know it will stay that way. Got to go bowling sometime soon. Thanks for being there for me when ever I needed you.

Love,  
Carol (a.k.a. Corel ha, ha)

Carol,

What could I say except that we are graduating. The memories we have had together during the past years will always be remembered especially Pank, Borders, the beach, getting lost going to Sandy Hook, and the city. We are moving on in life, do not ever forget me and the times we had. I sure as heck won't. Thanks for always being there for me especially during my dilemmas. You are the best. BEST FRIEND!!!!

Love always,
