STUDENT LIFE

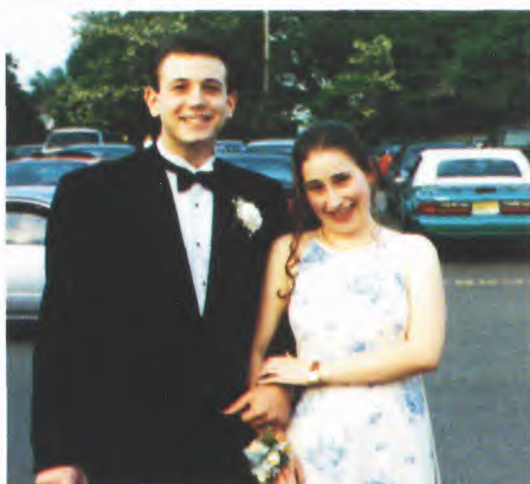

High school days can seem routine, especially during the winter, with midterms and cold weather, but they truly are memorable. Whether we realize it or not, our daily schedules, which include going from class to class, lunch excursions, and after-school activities, really do create memories. Although the combination of homework, jobs, and relationship problems can be stressful, we always have Homecoming, the plays, the proms, and graduation, among other events, to look forward to. We also have our friends, families, and teachers to lean on. Here's to Sayreville War Memorial High School, which not only gave us some of the best times of our life but shaped the people we are going to become.

JUNIOR PROM

Mysterious magic was performed in SWMHS's cafeteria on May 16, 1998. As prom guests arrived, they proceeded to advance down the three-dimensional forest hallway crossing the bridge over a winding river. As they made their grand entrance through the mystical cave, they entered an Enchanted Forest, decorated with balloons, vines, and stars. Juniors and their dates danced to the prom song, "I'll Stand By You" by the Pretenders. With the help of the Junior Class Advisors - Ms. Martinelli, Mr. Palmer, and Ms. Steele - and the dedication of the Class of 1999, the Junior Prom, "An Enchanted Forest," was a success.

PEP RALLY

On October 15, 1998, SWMHS's annual pep rally was held at the home of our very own Big Blue football field. The pep rally is designed to recognize our school's fall sports teams as well as to introduce the Homecoming Queen Candidates. Pom-poms, balloons, streamers, and school spirit were proudly displayed for all to see. Individual classes were represented with an array of blue, green, red, and yellow as they cheered their fellow classmates while competing in the tug-of-war and class chant competition. As the Class of 1999, finished chanting their "Da, Da, Da," they were declared the winners of the class competition award.

“Seniors... seniors... S-E-N-I-O-R-S... Da, da, da!”

HOMECOMING 1998

On October 16, 1998, members of the classes of '98, '88, '78, '68, '58, and '48 were welcomed back to SWMHS's Homecoming '98 Celebration, "A Celebration of the Decades."

One of the most notable events of this blustery evening was the announcement of the Homecoming Queen. Candidates Leigha Hughes, Karen Martin, Melissa Monteiro, Marissa Pascone, and Nicole Teleposky walked down the middle of the football field and glanced at each other in hopes that they would be the lucky girl. Karen Martin's name was announced as the winner and as Homecoming Queen '97 Xiomayra Rodriguez crowned her. Karen's friends and family congratulated her with loving hugs.

Another event of the evening was the Float Competition. Under the supervision of grade advisors, the members of each class's float committee worked long hours since the beginning of the school year to perfect their floats.

To top the evening off, the Bomber football team beat Bishop Ahr with a score of 22-21.

Signs designed by Amy Sarisky were hung throughout the school to advertise Homecoming 1998.

From start...

... to finish

The theme of Quo Vadis '99, "From Start to Finish," truly reflects upon the high school experience.

High school can be compared to a race. There are some students who anxiously await the prospect of graduation, and hope that it approaches rapidly. Others wish not to rush these innocent days, and want to make these memorable times last forever. There is an air of healthy competition among students. High class ranks, athletic honors, and scholarships are all achievements which students (seniors especially) vie for. The annual "Who Will Be the Next to Be the Best" competition is another part of the SWMHS experience. Figures sporting the class colors of the freshmen, sophomores, juniors, and seniors are seen darting across the cover of this book.

Quo Vadis is a representation of everything between the start and finish of high school. The moment students arrive as freshmen, they are introduced to many opportunities. These opportunities include a wide selection of courses to take, activities and sports to become involved in, and new friendships with the upperclassmen and faculty members to cultivate. Almost everyone becomes accustomed to the procedures of SWMHS by sophomore year. They continue along the path as juniors, overcoming obstacles such as difficult classes, stress, and personal problems. At the end of senior year, students have finally completed their four year journey. They leave their mark of passage in the memories of their classmates and teachers. Graduates leave the school as different people than the ones they were when they first entered the doors of SWMHS as freshmen. They now carry with them personal memories, and the lessons they learned from both textbooks and people.

Although they have accomplished the important task of finishing high school, students must realize that this is merely a door opening to other opportunities. These opportunities may be furthering their education in a college or university, enlisting in the military, or entering the job market. Whichever path students choose to follow after high school, they can rest assured that their experiences at SWMHS have prepared them to be successful in the human race.

KAREN MARTIN

Karen Martin is one of the most well-rounded individuals at Sayreville War Memorial High School. She has been president of her class for the past three years while maintaining a grade point average high enough to place her in the Top Ten. In October she received the honor of being Homecoming Queen. Karen remembers having an awesome feeling that night, because it was not until that point that she realized that the members of the senior class really believed in her and supported her.

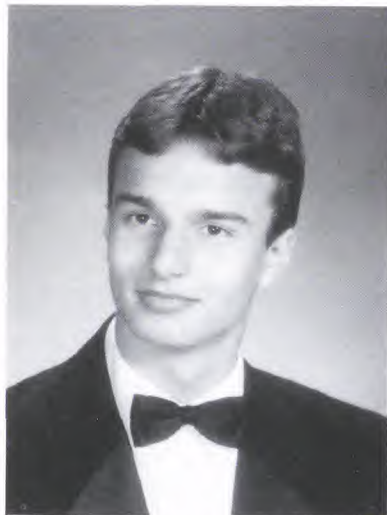

Karen has been involved with the Class Council since her freshman year, when she was Recording Secretary of her class. She also worked hard as a member of the Float Committee for the past four years and a member of the Prom Committee her junior and senior years.

Karen is involved with several other activities at SWMHS. She has been a member of Math Club, Science Rules, ASSIST, Interact, Future Business Leaders of America, TAG, swim team, and cheerleading. She has been elected to National Honor Society, Spanish Honor Society (where she serves as Vice-President), and Mu Alpha Theta. Some honors Karen has received are attending Girls State last summer and placing in the Voice of Democracy essay contest for the past three years.

Karen's favorite memories of SWMHS are the activities in which she participated. She enjoyed them because of the feeling of achievement after all the hard work was done, and the dedication and commitment paid off. She also enjoyed watching her classmates work as a team, especially in the setup for the Junior Prom. She is proud of the progress the Class of 1999 has made, recalling the transition they made from the shy freshmen they once were to the spirited seniors they became.

In the future, Karen plans on studying at a four year college in either New Jersey or Pennsylvania. She wants to major in business or political science, and then possibly attend graduate school. She wants to have an occupation where she can work with people. Karen also looks forward to starting a family of her own.

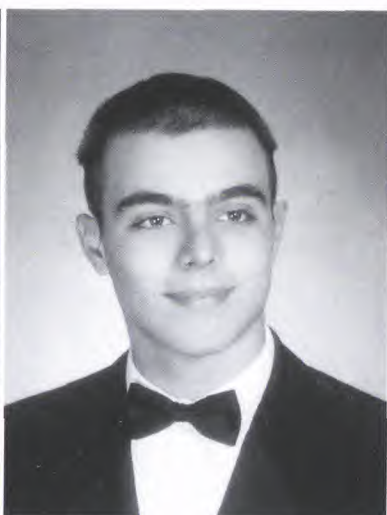

Karen's advice to underclassmen is to take advantage of the opportunities available at SWMHS by becoming involved with activities, where there are new friends to make and great experiences to have. She would like to thank a very influential person in her life, her mother for always believing in her and encouraging her to do her best. Karen also wants to thank the hardworking advisors and officers she has worked with during the past four years, as well as the helpful teachers who are part of the faculty here at SWMHS.

HANA BESHARA

Hana Beshara is one of the valedictorians this year at Sayreville War Memorial High School. She is very happy about receiving this honor, and feels proud of her hard work which paid off.

In SWMHS, Hana has been involved with National Honor Society, Math Club, International Society, Interact, TIGS, and ASSIST. Her freshman year she attended high school in Brooklyn, where she was a member of the Forensics Club and World Forum. She misses New York, claiming she is a city girl at heart.

Hana has received numerous awards over the past few years. These awards include Senator Citation, Governor Citation, St. John's Award for Women in Science and Math, being a National Latin Scholar, placing in the Science Olympiad Competition, and attending Governors School for the Sciences at Drew University last summer.

When not in school, Hana enjoys attending her church's youth group, hanging out with her friends, going dancing, reading, and listening to music. Hana balances her schedule of schoolwork and activities with success. High school taught her that there is more to life than just academics, and it is important to make time for activities, friends, and a job to be happy.

In the future, Hana hopes to attend an Ivy League university and someday become an obstetrician. She would like to thank her parents for always teaching her to focus, live for herself, and get a good education. Hana would also like to thank Miss M. Kwiatkowski, Miss Lamprecht, and Mrs. Sforza for always standing behind her.

Here at SWMHS, Wini serves as President of Mu Alpha Theta, Vice-President of Math Club, co-editor-in-chief of Images, and co-captain of the cross country, winter track, and spring track teams. She is also a member of National Honor Society, Spanish Honor Society, and the TAG program. Wini's favorite activity in high school is running.

Outside of school, Wini excels in piano. She also holds a job at Drug Emporium in Gateway mall. When she has time, Wini enjoys sleeping. In the fall she will attend Rutgers University where she plans on becoming a biology major. She will miss being with her crew of friends.

KENNY HAYS

Kenny Hays is the captain of the baseball team here at Sayreville War Memorial High School. When he is not on the field, he is known to arouse school spirit among spectators at various SWMHS sporting events. He is also recognized for having a great sense of humor.

Kenny enjoys baseball because of the competitive nature of the sport and the unity formed with his teammates. His favorite high school memory of baseball is winning the state championships in 1997, the year he was the only sophomore on the varsity team. He is also a member of an American Legion baseball team, and he plays baseball in the summer.

Besides being on the baseball team, Kenny has been the head usher of the Theatre Society for the past two years. He also participates in Class Council. Outside of school, Kenny holds a job at Smalls Formal Wear. He also spends a lot of time with his friends. He knows it will be hard next year when he has to let go of the people he's seen everyday for the past four years.

There have been two teachers who have had great impacts on Kenny's life. The first is Mr. Cress, who has been an inspiration to him for the past four years and has always been there to offer him guidance. The second is Mr. Palmer, who is like a big brother to him. Kenny will always remember them, not only for being his teachers but his close friends as well.

Next year Kenny plans on attending either Monmouth or Rider University. He wants to major in criminal justice so one day he can become a police officer. He would like to thank his parents and grandparents for always being there and never letting him give up. Kenny will always cherish the moments spent with them.

Graduation from high school is most certainly a special time in each of your lives. Reflect on your "super" memories here at SWMHS - no one can take them away from you! Your yearbook theme, "From Start to Finish," may cause you to think that now you are done - but there is so much more to life ahead of you! The time has come for you to move on to the next phase in your lives, whether you choose a new "start" in college, the military, the business world, or a trade. Strive to finish what you start, and continue to look for new starts - for you and your family. Do so knowing that you have made the best out of your time here at SWMHS. Continue to strive to do your best each step of the way and make the best out of every moment - live life to the fullest. Remember what you have learned here at SWMHS, and the special teachers and friends in your life that will not be forgotten. We certainly will not forget you! Congratulations on your graduation and may you have God's richest blessings as you proceed onto your next "start and finish" in life.

BASEBALL

Head coach Steve Gozora led the Varsity Baseball team to a 12-7 record last spring. Coach Cress and Coach Cifelli were also members of the coaching staff. With a line-up including pitcher Dave Santiago (7-1), Kenny Hays and Matt Aikens, whose field percentages were .944, hitting ace John Bell and home run leader Nick Spiewack, it's no wonder that the team did so well. Although the State Championship game against Hamilton West was not a success, it attracted a lot of attention from the students and got people involved with school spirit. The talent, determination, and vigor of all the players truly came out to be a winning combination that gave the Bombers a batting average of .342.

GOLF

The golf team finished with a 9-14 record last spring, but they had many important individual accomplishments during the season. Rusty Thomsen and Andrew Sacher, who were the two top spots on the team, placed in the GMC tournament. Some second year players such as Pat Jensen, Dave Kuczynski, and Mike Montalvo also proved to be a threat to the opposition. Freshman Paul Carbanaro was another starter. Rounding out the top players were senior Brian Farley and sophomore Keith Tomlinson. Other seniors on the team include Matt Anonsen and Pat Myers. SOFTBALL

During the Spring of '98, the Bombers Softball team ended their season with a 3-12 record. Head coach Janet Ryan, aided by coaches Sherry Popowski and Mary Coderre, helped the team reach their victories. Captains Sarah Szewczyk, first baseman and school record holder, and Diane Catalano, pitcher, were also key to the team's successes. Although the team struggled, good practice and great coaching helped the girls to work as a determined team. Their defense and pitching was a very solid backbone to their games.

BOYS CROSS COUNTRY

The 1998 Boys Cross Country team was coached by Jill Tuazon. The team runs a 3.1 mile course in an average of 20 minutes. To achieve good times, the boys went through intense training. As a result, their record was 5-6. During the season, the team earned many of their points from top runners Jim Gilligan, Al Ramirez, Robin Messina, Jim Barna, and senior captains Joe Colacurcio and Matt McDonnell. In the GMC, Jim Gilligan earned All-White Division, and the team achieved an overall honor of Best Sportsmanship. The team had a lot of new younger members this year who improved over the course of the season. To top it all off, the boys participated in several invitational meets, in which many of them earned medals. Pasta parties were held also.

Each girl knew she was a member of a team and always encouraged her teammates, while working hard to improve her own personal record. The season resulted in victories over East Brunswick, South Plainfield, Woodbridge, Highland Park, South River, Colonia, and Kennedy at the GMC's. Furthermore, at the State Sectionals, the team defeated Hamilton East, Howell, East Brunswick, Edison, JP Stevens, Woodbridge, and Manalapan. CHEERLEADING

The 1998-1999 Bomber cheerleading squad, coached by Cindy Fingerlin, is truly an important activity at SWMHS. The squad is composed of about 30 girls, all of whom exhibit athletic prowess, and is led by Varsity Captains Shelby Poplowski, Kelli Cooper, and Jean Anthony and JV Captain Monica Soehngen. In addition to cheering and performing their show at all of the football and basketball home games, the squad participates in competitions held from December through April, including a performance at Six Flags Great Adventure.

BOYS SOCCER

With a record of 5-10 overall, the Boys' Varsity Soccer team showed a lot of promise. Key wins over Perth Amboy, Woodbridge, and Colonia were important victories for the boys. The team was under the guidance of Head Coach Greg Jegou and JV Coach Kris Correll, and the captains were Chris Wilson, Pat O'Connor, and Mike Montalvo. The leading scorer was Chris Wilson. One notable change this year was the absence of the Freshman Team. It was replaced by a 7th-8th grade team coached by Joe Abruscato.

GIRLS SOCCER

The 1998 Girls' Varsity soccer team had a very interesting season. Although this year did not turn out as well as in the past, the girls did remarkably well considering that this season was structured as a rebuilding one. As a young team they finished the season with a 10-8 record. Coached by Steve Fischer, Ms. Abatemarco, and led by captains Jessica Barry and Brandy Gorski, the team learned how to unite and work together to improve their strategies. In addition, Brandy Gorski made All-Conference in the GMC, and Brandy, Leah Craig, Rachael Furio, and Bianca Grande made All Red Division.

MU ALPHA THETA

Students with outstanding abilities in Mathematics are recognized by the organization Mu Alpha Theta. Induction into this society is contingent upon the student having an "A" in every Math course they elect to take. Students are inducted into this group in their Junior year. Mu Alpha Theta is advised by Mrs. McCormack. This years officers are Wini Huang and Melissa Monteiro.

SPANISH HONOR SOCIETY

The National Spanish Honor Society is recognized by all colleges as an honor society and is advised by Senorita Kwiatkowski. The officers include President - Ryan Appleby, Vice-President - Karen Martin, Secretary - Lauren McNeany, and Treasurer - Sarah Mahon. PEER LEADERSHIP

In its third year, the Peer Leadership program at SWMHS continues to shine and display role model standards for the student body. Each week, two or three Peer Leaders meet with a small group of freshman where they discuss issues pertaining to life in high school.

The 1998-99 group of senior Peer Leaders endured a rigorous selection process during their Junior year and spent countless hours of preparation, including a three-day retreat, to learn the skills they use when facilitating their freshman groups.

Two Peer Leadership classes exist this year, which enable two freshman gym classes to receive the program. However, starting with the second semester, Peer Leadership will branch out to four periods enabling half of all freshmen to be in Peer Leadership.

STUDENT COUNCIL

The Sayreville War Memorial High School Student Council annually sponsors a variety of activities to promote school spirit, serve the community and raise money for charity. They create a sense of pride in our school by involving not only the students, but faculty, staff, parents, and Board of Education members alike. Some of these activities include the "Pride in Our School" campaign, Homecoming, the Pep Rally, the Penny War, and School Spirit Month. In Memory of Nancy Noga

- you left us too soon but we will never forget you -

Remember Me

To the living I am gone
To the sorrowful, I will never return
To the angry, I was cheated.

But to the happy, I am at peace
And to the faithful, I have never left.

I cannot speak, but I can listen
I cannot be seen, but I can be heard.

So, as you stand upon a shore,
Gazing at a beautiful sea -
Remember me.

As you look in awe at a mighty forest
And its grand majesty
Remember me.

Remember me in your hearts,
Your thoughts and your memories
Of the times we cried,
The times we fought,
The times we laughed.

For if you always think of me,
I will never be gone from your side.

Thank you for being all we prayed for. May you always hold our love in your heart and share it with others.

Congratulations, and may every door be opened to you. Remember we will always be here for you. You are so special and have the will and determination to succeed.

Eric - you've come a long way baby! As you close this chapter in your life, you are about to open another. But first, a few instructions. Remember to always respect yourself and others. Open your arms to change, but don't let go of your values. Your character is your destiny, and the way your family views this, the world is yours for the taking. NOELLE PERRI

To our baby Noelle,

All we can think of when we think of you is that beautiful smile and dimples. You light up our life with all the fun and laughter you bring with you. You are our joy; also our gray hair. Grandma "Blue Eyes" is smiling ever so proud today. You touch everyone you come in contact with because you are so special. You take time to enjoy everyday. We can't believe how much you have achieved in school and life. You were always so quiet when you were young but I guess just waiting to bloom into a beautiful flower. We know whatever you do you will succeed at because you are bright and a person who can achieve anything they want. Believe me when I say we could not be prouder of you or love a child more than we do you. May you stay safe and be happy always and remember we are here for you, and thank you for being our daughter and sister. You give us so much love. You are a gift to us all.

Love always,

JASON BLAZAS

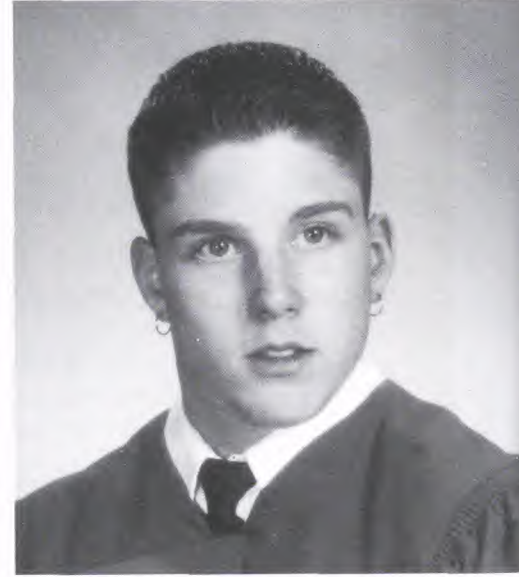

Dear Jason,

You started school with a broken leg and finished with back surgery.

Although you couldn't finish football like you wanted to, we as parents are so proud of you for handling it the way you did. You went to every practice and game knowing you couldn't participate and we knew that it hurt worse than the surgery. With that disappointment, you didn't let it effect your school work or attitude. We know you will take that Commitment and Character through your college years and thereafter. Congratulations on a job well done and we are so proud of all your accomplishments. Best of everything in the future.

Love you / Proud of you,
Mom, Dad, and Mike

JASON BLAZAS

Keep up the good work in college, make Mommy and Daddy proud. I wish you nothing but the best. Oh one last thing, CONGRATULATIONS! You did it.

SHELBY POPLOWSKI

Dear Shelby,

You are one of the greatest gifts God has given us. We can't help but wonder where the years have gone since you were our little girl. It seems like only yesterday we held you in our arms for the very first time. Now you are a beautiful, warm, caring, young woman. You melted our hearts when you were born and you still do. The word LOVE can't describe what is in our hearts for you. You fill us with joy everytime we think of you. Shelby, you have helped to make our lives fuller and richer, and we are very proud to be your parents.

Shelby, you have accomplished so many things. Your schedule in high school was so busy with many extra curricular activities. Throughout your four years of school you have held many leadership positions, from president of your freshman class, offices in student council and captain of the cheerleaders. Never in our wildest dreams would we have thought we would be looking for you at the Aloha Jeep Bowl in Hawaii. Congratulations on being selected an All American Cheerleader, but to us you are more than an All American Cheerleader, you are a daughter who makes us proud to say she's ours.

The future holds so much for you. Follow your dreams and don't ever give up. In life you will be faced with many choices, some easy, some difficult, but we have faith in you to choose wisely.

Good luck in school! We wish you love, happiness, and health. Always know, no matter what, we are here for you and love you. You will always be our little princess.

Thank you for being the kind of daughter every parent dreams of.

MARY FALLON AND LISA MARIE FERNANDEZ

Dear Lisa,

I can't believe high school is over. I remember when we first became friends in the 7th grade like it was yesterday. Despite our fights, we've always been there for each other, and I hope we always will. You are my best friend. Don't forget that. You have been a very big part of my life. We have so many memories that will always be remembered and probably more that have been forgotten. Here are some that we can't forget: The Jake, The Snake, assaulting my locker, "we own the halls!", climbing Mt. Kennedy, The Monkey, our "off-roading" adventure, The Spiral Staircase, dusting, Australia, GET OFF THE DUNES!!, and The Rock. Next year will feel so strange, when I'm walking to my classes at Rutgers, and I can't stuff a note in your locker, or hand you one in the halls. Thank you for listening to all of my problems and helping me out. Who knows what I would have done without you. I know our friendship will last forever. We've been through so much that I think it can survive anything.

Love always,
Mary

Dear Mary,

You have been the only person that I've considered my true friend throughout the years. Our circles changed, our hobbies differed, but nevertheless you have always been there. We have been through so much together, and have so many memories, both good and bad. That is what friendship is all about. You have been there for me in times when I've needed you most; you have been there for everyone of those very important firsts in every teenager's life, and you could not possibly know how much that means. At times we've had our differences, as everyone does, but overall we have remained so close just because we knew that our friendship was something that neither of us wanted to lose. Thank you for all the things that make you you, and for sticking around when no one else seemed like they wanted to. You will always be my best friend.

LYLAS,

Lisa Marie <I=>

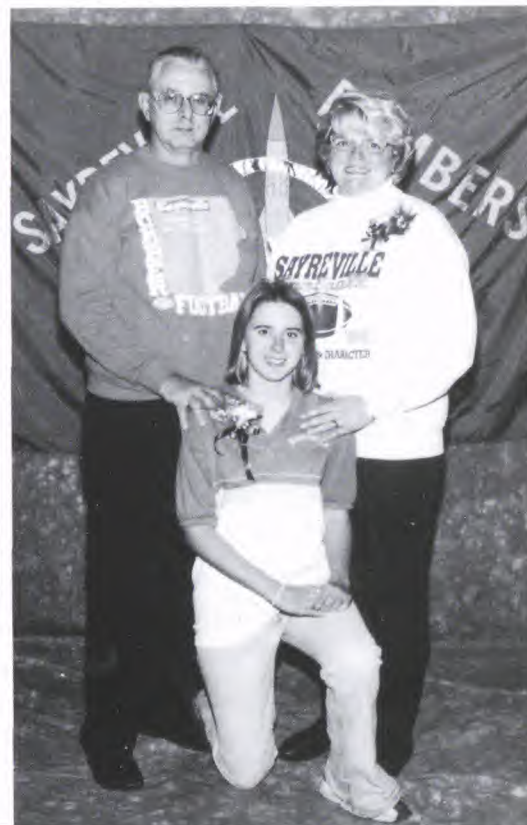

SARAH JASTREZEBSKI

Sarah,

A flood of wonderful memories sweep over us as we look at you today. It seems like only yesterday you were a wide-eyed newborn curiously looking at your new world. We smile as we recall your giggles, your impatience over not having a younger brother or sister to play with, your joy in learning, and your great faith.

Your four years as a football manager entailed long hours but will give you a lifetime of memories. Being with you on senior night will remain one of our fondest memories. Sometimes, just watching you take on a new challenge - like A. P. Biology and driving - was wonderful, but scary. As you take on the future, it will be equally wonderful. A faithful friend and good daughter, we wish you love, happiness, and peace always.

Love,

Ever since fifth grade, we've been inseparable. We've been through so much together and have shared everything—the good, right along with the bad. We've been by each other's sides through all the important times in our lives, from soccer games, and swim and track meets, to Sweet Sixteens and proms. One day, we'll have to sit back with some iced tea, macaroni and cheese, chicken nuggets, lemonade astro-pops,

and blueberry cheesecake and remember all the crazy things we've done together. We'll always be professional “wave riders” and cooks on our show, “Cooking with Liz and Jess.” And we'll never forget our band, Petey's Mother, and our friend, Ted on Tuesday.

ANDREYA BASNIAK, APRIL MILLER, PATTY SHENK

Andreya,

We've had a lot of good times together through the years. Our vacations to Boston and Myrtle Beach were the best. We were always getting ourselves into trouble, having crazy girlfriends chase us in the hotel. I'll never forget our Wednesday trips to the mall and Friendly's on the bus. Thank you for always being there for me.

Love ya,

Patty (your cannoli buddy)

April,

I know it's been repeated over and over, but if it wasn't for the day in the bathroom we would have never became friends. I'll never forget our Carvel days - spoons flying all over, people falling and the wet walnuts. We've always been there for each other and helped one another through our problems.

Love ya,

Patty

April,

It all started that day in the bathroom at lunch our freshman year. Since then we built a friendship like no one else. We have so many memories, it's hard to count but not hard to remember: the entire freshman year, Nordstrom! Numerous lies to parents and we got away with everyone. Trip to Atlantic City at 9:30 p.m. and finals are tomorrow! And Seaside, unforgettable Seaside. WATCH OUT- we are the Bad Girls of Sayreville.

BFF,

Andreya

Patty,

Can you believe it? The end of our senior year. We did it! And most important we did it together. You're the best friend a person could have. Thanks for always being there for me and listening to my stories I would never tell anyone else. Look back on all the good times and look forward to many more. My lies, our vacations, Boston, Myrtle Beach, guys, candies and all our adventures together (I'm looking forward to cruising with you!)

Love,

Andreya

Andreya,

Where should I start. Since our freshman year, we have built a friendship and unforgettable memories. SEASIDE, long road trips, trips to the police station, and our convincing lies to get exactly what we've wanted. Through all of the years in high school we have stuck together through thick and thin, and we did it. We are done. Our friendship is strong and I know we will always be there for one another. I love you.

Love always,

Your best friend April

Patty,

We have reached the time where we look at who our friends are and who are not. You have always been there with a listening ear. Since our freshman year we have made many memories that neither one of us could forget. Wet walnuts in the walk in, sprinkles down each others back. Does Sandy Shanker ring a bell? Broken mantlepiece. We will always stick together because that's what friends are for.

Love you always,

April

JACQUELINE DEPAUL

APRIL MILLER

To our little April Louise,

From the moment you were born we were so happy to see a little girl. We thought you were the most beautiful baby in the world. We took you everywhere so everyone could see what a beautiful baby you were. Just sitting there watching you sleep was a pleasure.

Your white hair soon fell out and your first year you were bald. Then it came in blonde, turned strawberry blonde, then deeper red with blonde highlights. Everyone who saw you admired your hair and it will always be beautiful.

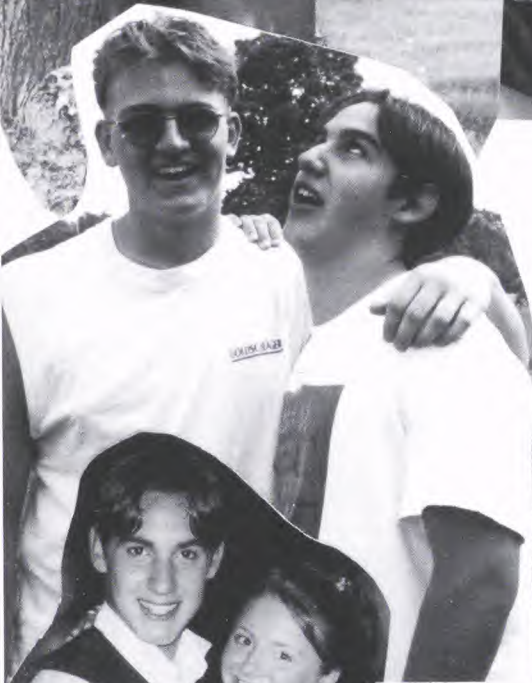

Do you remember your first swimming lesson when you were 9 months old? Do you remember your first day of Nursery School? Your dance recitals? First Communion? First dance? First Love? We do, and we will treasure these moments all the days of our lives.

It's hard to believe that your school days are over. Just yesterday you were leaving for kindergarten and now you're graduating. You have turned into a fine young lady. You have the world at your feet, you can be whatever you want to be or do whatever you want to do. We know you'll make the right choices because you have a good head on your shoulders and a mind of your own. We wish you all the best for the life ahead of you. We will always stand behind the decisions you make.

When you have a child of your own you will understand how proud we are to be your parents. How the feeling of unconditional love is overwhelming. I wish you could have stayed little forever, but that is not God's plan. There is still a lot for us to share within your life and we look forward to each milestone. We love you with all our hearts and that love will never die.

Love Forever,
Mom & Dad

Sean,
We went from being total strangers to being able to finish each other's sentences. There really is nothing I can say except I love you Romeo, and you'll always hold a special place in my heart.
"Rien n'est aussi important que tu!"
Love always, Marisa

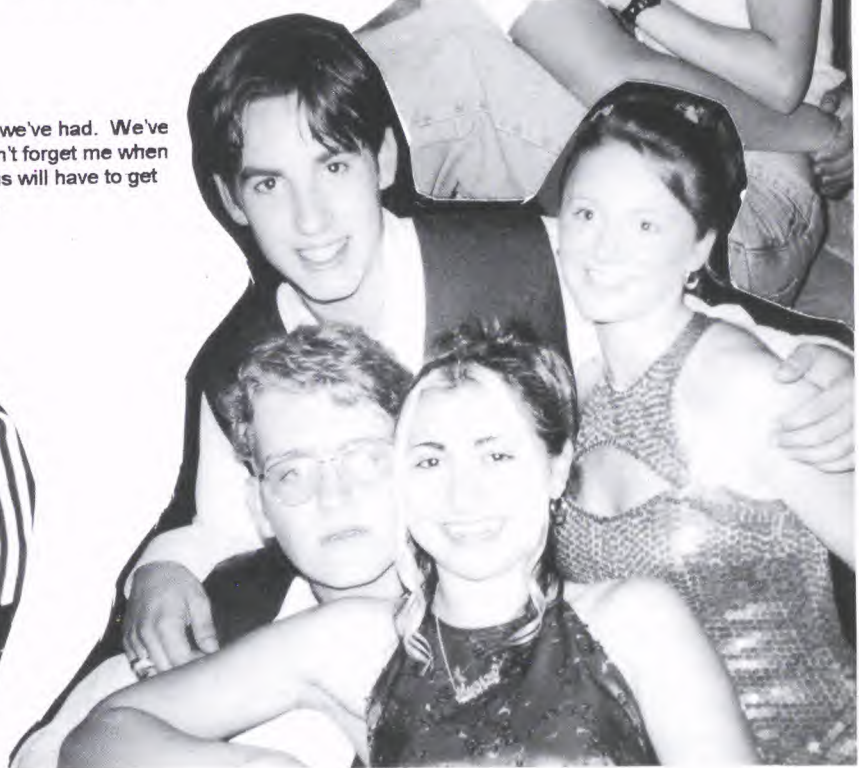

To Marisa and Alex,
I want to tell you both that I Love You and that you two are the best things that ever happened to me. Thanks for being there for me when I had my bad times through track and with my grandfather dying in January. I watched you both grow up to be very mature people and I Love You both for everything you have done for me. I wish you both luck in college/junior year of high school and I hope we stay in touch.
Love always, Sean P. Clarke Jr.

To Sean, Marisa, and Jamie,
My high school days will be unforgettable, and I hope we accomplish better times when Sean and I are at college. Don't ever forget about me.
Alejandro

Alex,
I'll never forget all the fun times we've had. We've been through so much. You can't forget me when you go to college, and the 3 of us will have to get together again to cause trouble.
Love, Marisa

CHRISTOPHER J. RYAN

Chris,
Congratulations! You have always been and we know you will continue to be our source of pride and joy. We wish you all the happiness and joy that life can bring in all your future endeavors. Good luck in college. We'll always be here for you.
Love,
Mom, Dad, and Kevin

FRANK SERIGNESE

Frank,
You have made this year so wonderful for me. Good luck in whatever you choose to do. I am very proud of your accomplishments and everything you are.

Love always,
Rachael

Barry Michael Kaplan

Graduating from high school?! It seems only yesterday that you started your first day of kindergarten at Truman School as a quiet and shy little boy. Here you are, getting ready for college.

Your thoughtfulness and consideration for other people's feelings seem remarkably mature for your young age. We have always respected and admired your *sense of right and wrong*. We are proud and thankful that you have chosen to remain steadfast in your personal beliefs and that these fine qualities have remained an important part of you, increasing in strength as you grew into the man you are today.

People always talk about your magnetic personality; others enjoy just being with you. You're a fun and funny person, always smiling, always happy, so often making people laugh (sometimes at the wrong time!).

We are so very proud of you and of your accomplishments. You are a part of us, and everything that affects your happiness is important to us. No matter how far you travel, or how old you grow, we will *always* be here.

We love you, Barry.
Mom, Dad, and Erin

DON'T
FORGET
THE
ROOTS!

To the Officers of the Class of 1999

Though it's only been a few short years, we've been through so much together!

From floats that ran on car batteries to hundreds of feet of vines... From the Variety Show tickets to early morning bagel sales... From trips to the Price Club to messy car washes... from an "Enchanted Forest" to a "Castle in the Clouds"...

You six have been the best officers any Advisor could ask for! Together we have truly been a TEAM... one not to be beaten!

Although you will leave this building, you will never leave my heart. I will always see your smiling faces and your carefree laughter will always echo through these halls.

I wish you nothing less than all of the happiness and success that this world has to offer!

Best Wishes Always!
Mr. Palmer ☺

CLASS OF 99 CLASS OF 99 CLASS

WITH SINCERE CONGRATULATIONS
TO THE CLASS OF 1999

*It isn't always easy
To watch life's phases end.
You're heading toward the future;
Success around each bend.
These years we've spent together
Have helped us form a bond.
But now this phase is over
And you will all move on.*

*I wish for you:
Your dreams come true;
A happy life
With little strife;
The very best;
A place to rest;
At least one friend;
Love without end.
I hope you know,
You've touched my heart
And as you leave
You take a part.*

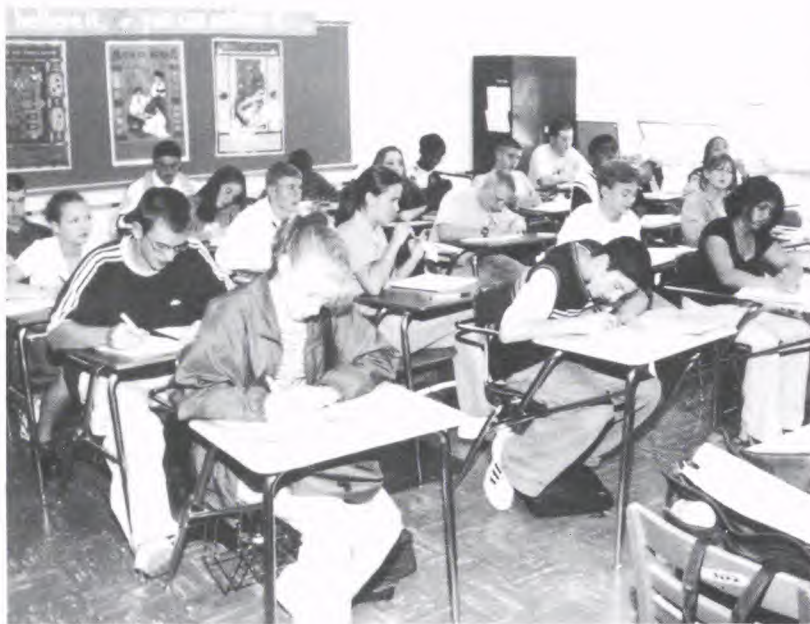

*I'll try to smile as you move on.
For I will miss you when you're gone.
Just know that I am always here.
And I'll try not to shed a tear.*

*I wish for you:
Your dreams come true.
For that's the best thing I can do!
