More Than Words Can Say we are involved in so many endeavors over the course of a school year, that it is difficult to know which events are of the most importance. Yet this would, necessarily, vary for every member of the student body as well as the faculty. So we will try to capture every moment that is of any consequence and hope that we have found those that will be forever in the hearts and memories of those who have experienced them.

Ecology class students work with Mrs. Goscienski to help beautify the main entrance to the high school.

A - B Honor Roll students; Kristen Havens, Jen Kosty, Laura Fiorentino and Vicky Salum enjoy the first Renaissance breakfast of the school year.

Homecoming Queen candidates; Greyson Woods, Ashley Watson, Jessica Roy, Vicky Postma and Gina Makowski relax at Pep Rally before the big night.

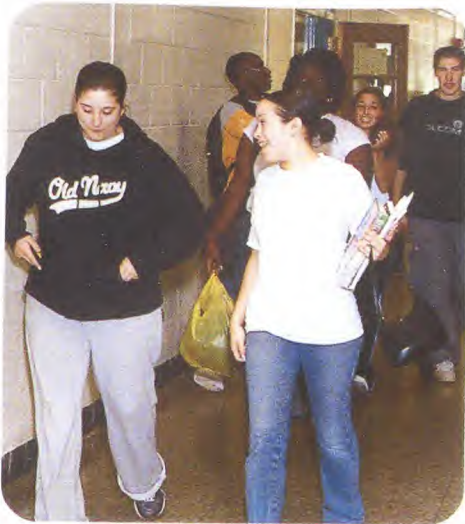

Senior Field Hockey players; Gabby Vargas, Patti Norek, Jamie Mazurowski, Kristen Aikens, Jill Amato and Jessica Cox have mixed emotions as they pose with their parents during half time of their last home game.

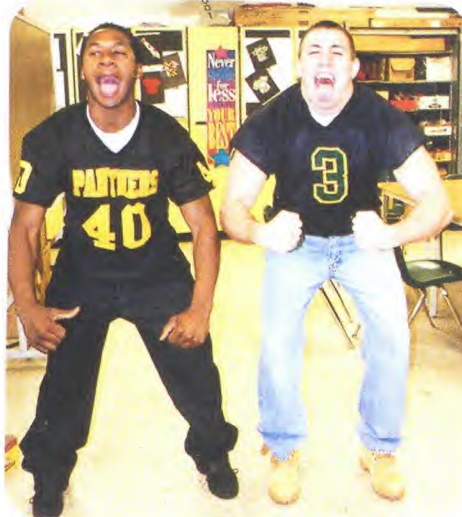

Mr. Brown and Mrs. Ilarraza along with new faculty members enjoy an orientation program given for them by their colleagues.

# Student Life

If we could put it all into words it would take volumes to tell what we have done over the course of a year. So we try to tell it with a minimum of words and a multitude of pictures because isn't that what we all remember most? The mental pictures of our life are what we keep. And isn't a picture worth a thousand words?

Nichelle Guadalupe gives a friend a lift in Physical Education class.

Kelly Graytch and Steve Hom perform pH tests for acids in Biology class.

Members of the Class of 2005 pack the dance floor at their Junior Prom.

Freshmen Stephanie Celestin and Victoria Esposito find their way to a new class.

Bryan Feret maneuvers his baritone saxophone with ease while performing with the marching band at the Pep Rally.

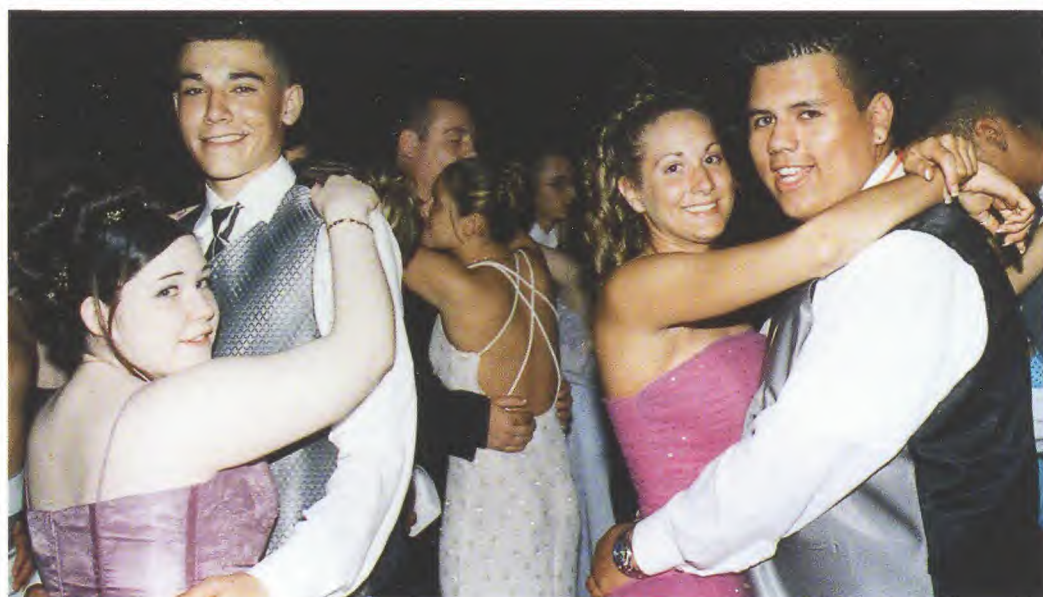

Brielle Bandolla, Tracy Clark, Antonietta Basile and Chelsea Smith are obviously pleased to have been inducted into the National Honor Society.

# Junior Prom

MAY 17, 2002

The Sheraton at Woodbridge Place was the setting for the Class of 2003's Junior Prom. Returning to the venue that had hosted the first junior prom to be held outside of the school, everyone enjoyed a night to remember. Matt Bodak and Meredith Phair were crowned Prom Prince and Princess. The dinner was sumptuous. The music was awesome. Students and chaperones alike filled the dance floor for most of the evening, taking a break from their usual roles to just let loose and relax for this unforgettable occasion.

The Class of 2003 spent an evening "Beyond the Midnight Stars".

# The Pep Rally

OCTOBER 25, 2002

There was a forecast of rain; every member of the student body held their breath. It had never rained for a Pep Rally for as far back as anyone could remember. But the rain did not come, much to the relief of all involved. The Tug-of-War was won by the Seniors, who first eliminated the Juniors and then toppled the Sophomores to become the day's Tug-of-War champions. The class cheer competition was won by the Juniors, who outshouted all others in their enthusiastic effort to accumulate class competition points. Faces were painted; hair was colored and outrageous attire was the rule of the day. This was when we showed our true colors; this was what every day should be. Everyone joined together with pride and honor.

# Homecoming

OCTOBER 25, 2002

The Candidates for Homecoming Queen shivered in the cold damp night air but the rain never came. "The Game of Life" theme was reflected in the class floats as we prepared to celebrate Homecoming 2002. Gina Makowski was crowned Queen and the Juniors, the Class of 2004, won First Place in an upset in the float competition. The Football team won a stunning victory over Perth Amboy and spirits ran high among everyone who turned out to enjoy this special celebration.

The Bombers defensive line holds back the Perth Amboy Trojans as Dan Huff gets ready to pass.

Mark Poore, #10, blocks for Lamar Holmes, #27, as he goes for a first down.

# All that we do

We do so many things that never get mentioned, that never get put into words. We also do many things that need no words, the events themselves tell the story. We travel as a class, we receive awards, we attend the Prom, we graduate and we move on. Our faculty gathers together to celebrate our success, to close the school year with a barbeque and to watch as two of our members tie the marital knot.

Mrs. Jennifer Vasquez introduces her son Jacob to the faculty at the end of the year barbeque.

Mrs. Meyers, Mr. Milan, Mrs. Heineman, Mrs. Bloom, Ms. Bulla, and Ms. Amato watch as the graduates enter the field.

Miss Sarah Rodis married Mr. Jonathan Magaw on July 12th, 2002.

Miss Sharon McLarney traveled to Las Vegas to become Mrs. Neal Dalton on October 12th, 2002.

# STUDENTS AND FACULTY MAKE A DIFFERENCE WITH OR WITHOUT WORDS.

Rich Torok, Bobby Berardi, Sarah Dovidaukas, and Lisa Oriolo receive recognition on awards night.

Rob Galante, Laura Haney, Kaitlyn Farley, and Matt Lewandowski enjoy the Senior Prom.

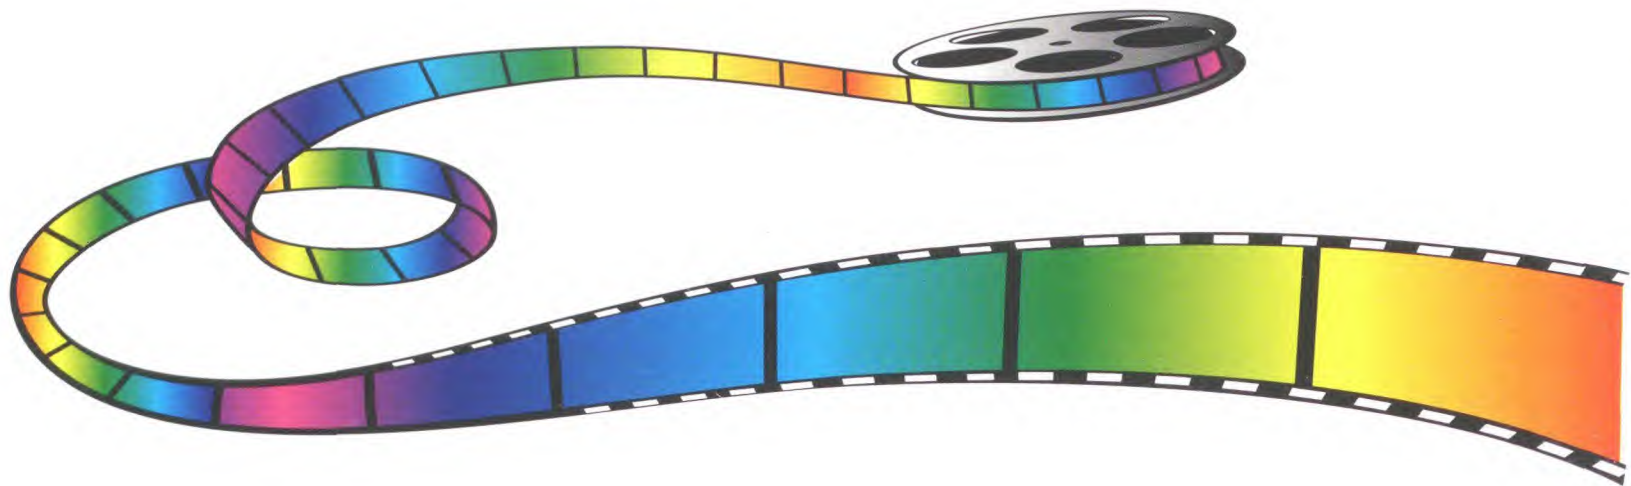

The Class of 2002 traveled to Disney World for their Senior Class Trip.

Eric Pampaloni and Paul Monticello congratulate each other after the ceremony.

The Class of 2002 moves their tassels to symbolize the end of their high school days.

Few words needed...

Patriotism

Family &  
Friends

Traditions

More than colleagues - faculty members are gathered as teammates and friends to participate in this year's volleyball tournament.

More than educators - new teachers Mr. Andrew Clark, Ms. Meghan Smith, Ms. Trisha Brennan, Mr. Eric Boehm, and Ms. Penny Donald get into the spirit of their first pep rally.

More than athletes - Matt Falcone and members of the winter track team not only have to excel in their event but also endure the frigid, winter days.

More than teammates - Seniors on the Boys' Varsity Basketball team are a family with parents and coaches on Senior Night.

More than Administrators - Mr. Brown barbecues for the staff with assistance from Mr. Demskis, while Mr. Leonardo looks on and Mr. Anderson helps to serve food.

More than friends - sophomore cheerleaders Melissa Menden and Krystle Ericson share a hug during their first year as Bombers.

Words - They surround us, they assault us, they define us! So often we wish that they were not there. We wish that we could disappear into blessed silence. We wish that there were no need to speak or to listen. We know that there is more to our existence than words. There are emotions, experiences, and expectations but there are also, always visual remembrances; the mental photographs that we will carry with us forever. These are the pictures of our memories that stay in our minds eyes always. These are the pictures that are "worth a thousand words."

We all share so many of the same experiences, yet some of us are better than others at using the words that describe what has occurred. If we were to just show a picture of our life, all who viewed it would see the same image and know us for who we truly are. Our time in high school is so much "more than words can say." When we look back on our years here, we will look past the upsets and see how much has actually happened, how much people have changed, how we ourselves have changed. We will see what friendships have formed and what lives we have touched. All of these experiences should not be forgotten. If we do not remember the words, we will always have the pictures; on these pages or in our minds, they will be with us and they will be worth more than words.

# SENIORS

Words cannot describe the experiences that have filled the days of the members of the Class of 2003 over the course of this, their last year in high school. They have lived their Senior year with a full range of emotions that will remain in their minds and hearts for the rest of their lives.

## Not Just A Quarterback

### DANNY HUFF - EXPANDING HIS HORIZONS

Danny Huff is a man of many interests. Not just a star quarterback, he has also played in various bands since his freshman year. Over the last four years, he made a name for himself, playing locally with his band at clubs such as Krome, Birch Hill, the Step Inn Ballroom, and The Saint in Asbury Park. He dreams of someday landing a record deal and being able to play professionally.

Danny began his football career at the age of ten, playing numerous positions for the Sayrewoods South Rebels. Since his freshman year, he has been a member of the Bomber football team. Although he was plagued with injuries in his freshman year, he came back to help his team to make great strides in the next three seasons. During his junior and senior years, he was chosen as starting quarterback. During his senior year, he was Co-Captain of the Varsity team, and was named All-County, as well as an All-Area football player.

Danny has been active in many other activities as well. Since his sophomore year, he has participated in Student Council, in such activities as Say No To Drugs and Students Opposed To Smoking. He has been involved in Class Council since his freshman year, often working on the floats. He has also been an integral part of the annual Variety Show, as well as the Theatre Society and the Jazz Ensemble.

Danny hopes to be very successful in the future, hopefully as a musician. However, he does realize that this is long shot and plans to major in sports management in college.

She prefers math and science courses, and her favorite classes include AP Calculus, Probabilities and Matrix Algebra, and AP Biology.

Although it will be hard to leave SWMHS, Sheetal enthusiastically looks forward to attending college in the fall. As she reflects on the past, she remembers the thrill of the ACT team winning for the first time. She comments that memories such as these have earned a special place in her heart.

She would like to thank her parents and her sister, Sonal, for their endless support and understanding, and Mital and Ravneet for always being there and listening. Finally she would like to thank Ms. Kwiatkowski, Mr. Szabo, Mrs. Scordinsky, and Mrs. Johnson for teaching her to believe in herself and inspiring her to reach for the stars.

### #3 Laura Kuczynski

"People were given two ears and one tongue so that they may listen more than speak." Laura is a very quiet and shy, yet hard working student. She is a member of the Spanish Honor Society and serves as a co-secretary of Mu Alpha Theta. However, she is most often found pool-side, as she swims competitively for both the Sayreville and Raritan Valley YMCA swim teams. In college, she plans to major in Chemical Engineering, and she hopes to continue swimming.

### #4 SoJung Kim

SoJung is a quiet, dedicated student. A member of the Spanish Honor Society and Mu Alpha Theta, she is also involved in International Society, Interact, and Math Club. SoJung played for the Varsity Tennis Team in Sayreville and Edison. Outside of school, SoJung is the treasurer of the youth group at St. James and teaches 4th graders at Sunday School. She was named an Edward J. Bloustein Distinguished Scholar and to the National Honor Roll. She would like to thank her family, teachers, and friends who always supported her.

### #5 Mamta Sharma

Mamta considers herself to be an extremely ambitious yet caring person. In her free time, she enjoys being with her best friends, playing with her dog, and dancing. Volunteering is a big part of her life, and she feels that this quality will help her become a caring and successful doctor in the future. She is thankful to God and her parents who have always taught her to live by Mahatma Gandhi's words, "Live as if you were to die tomorrow. Learn as if you were to live forever."

### #6 Sylwia A. Wlodarczyk

Throughout her high school career, Sylwia has been a dedicated student, not only to school work but also outside of the classroom. Although involved in French Honor Society, Math Club, and Mu Alpha Theta, she continued to develop her artistic talents. Even though most of the time she was overwhelmed by school work, Sylwia always found time to meet with her friends, sing in a Polish choir, and continue her involvement with the Vietnam Veterans of America. Sylwia quoted, "Life is too short so don't miss the best years of high school." Live by "Carpe Diem."

# 2003 - Top

The Top Ten Seniors of the Class of 2003 are young people with unique and diverse interests. They are chosen for this honor because of their academic excellence. They are the students with the Top Ten grade point averages and they are shining examples of what the educational system strives to achieve. They come from different cultures and backgrounds. Some are outgoing; some are shy. Yet they are united by a common thread, and that is their love of learning. They are the ultimate proof that there are not always words to capture the essence of a person or of their abilities. They have chosen their photographs to enhance their words, for the picture tells who they are more than the words. They are the best of the class this year.

- #1 Shetal Gandhi (Valedictorian)
- #2 Heather Brown (Salutatorian)

# Ten Seniors

## #7 Patti Norek

Even though Patti is excited about moving on to college, leaving SWMHS will be extremely hard. She will miss being captain of the Field Hockey team and treasurer of National Honor Society, DECA trips, Peer Leadership, selling tickets for the school plays, having fun in all her classes, especially chemistry class, but most of all Patti will miss her friends. She would like to thank her family, friends, coaches, and teachers for always being there for her, because without their help she would not be who she is today. "A dream is a wish your heart makes..."

## #8 Laura Colacurcio

Although she has received several accolades, Laura is proudest of making the Top Ten. She has been a diligent student since freshman year and continues to strive for success with each new challenge. Her dedication can be seen in everything from cheerleading to FBLA. With the help of excellent teachers, she has made her academic career one that will carry her into college, where she plans to major in Communications. "We all end in the ocean, we all start in a stream, we're all carried along ... by the river of dreams." - Billy Joel

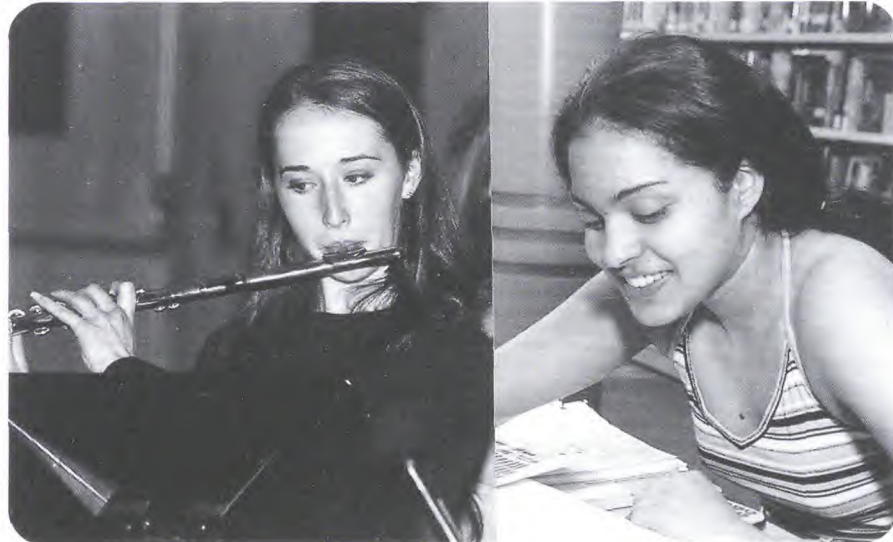

## #9 Mike Janela

Mike Janela is certainly involved. He is President of the National Honor Society, co-secretary of Mu Alpha Theta, and co-Editor in Chief of Echo Lites. He has participated in the Spanish Honor Society, Peer Leadership, Class Council, and many other activities at SWMHS. He enjoys spending time with friends and having fun in any way possible. Mike plans to become a sports journalist in the future. He says being able to balance a social life while still excelling academically is his proudest accomplishment in high school. "Do what you like, and like what you do."

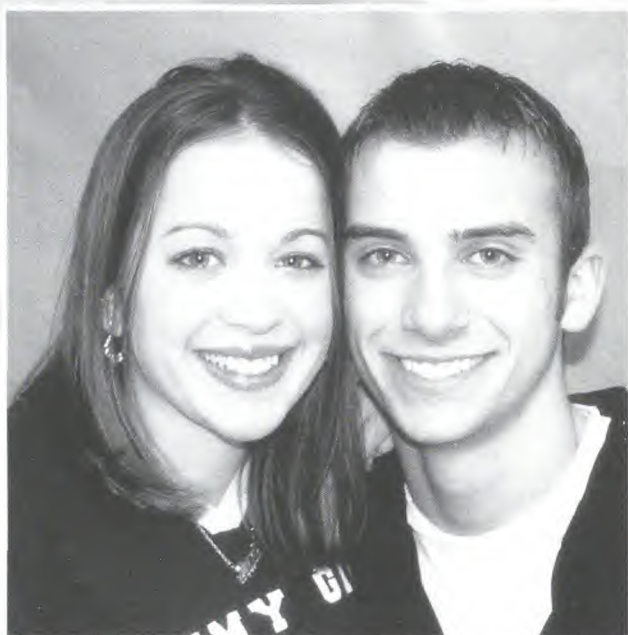

## #10 Katharine Tyszkiewicz

The prospect of what lies ahead is what Katharine Tyszkiewicz most looks forward to in life. Having earned a presidential scholarship to Ramapo College of New Jersey, she plans to major in Music Business, a good choice since music is the biggest part of her life. After her mother died in 2001, Katharine decided she had to make something of herself. Her personal motto: "Life is too short, so make people remember you. If you are not sure how, follow your heart, because God would not put something in it that was not supposed to be there."

# JUNIORS

"So near and yet so far", this could well be the theme of this class. Graduation is in sight but it still seems an eternity away. So they will dream and imagine and hope that it comes soon. And it will be here before they know it. It will be all that they have imagined it would be and more; much more than words can say.

Showing deep concentration, Scott Wasnak practices for the annual holiday concert.

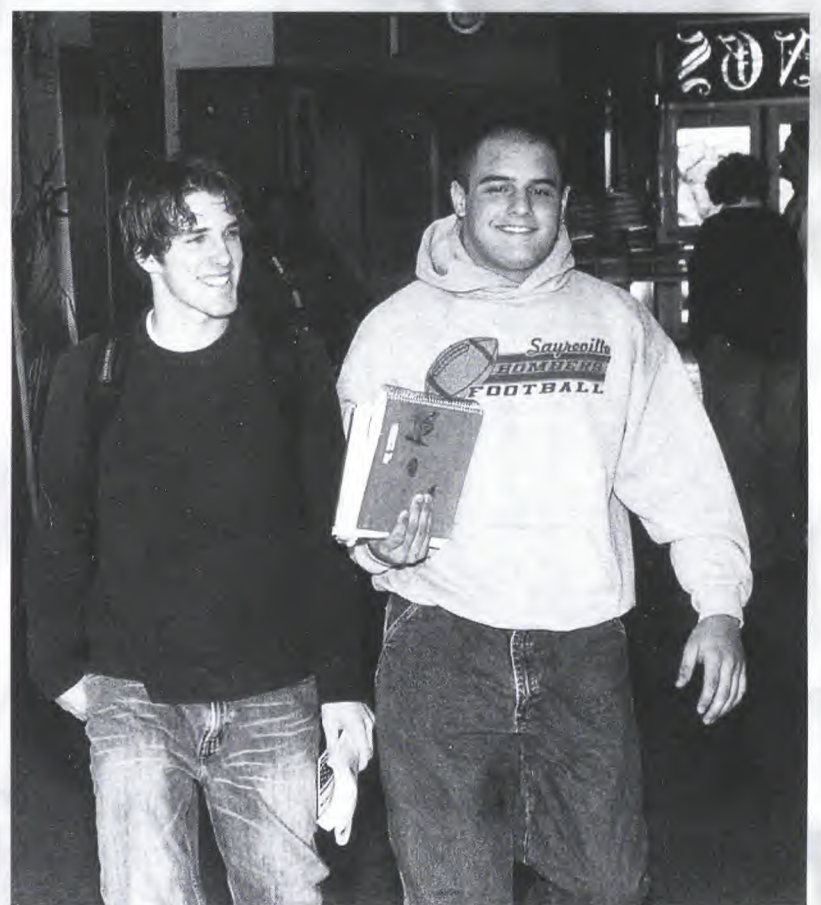

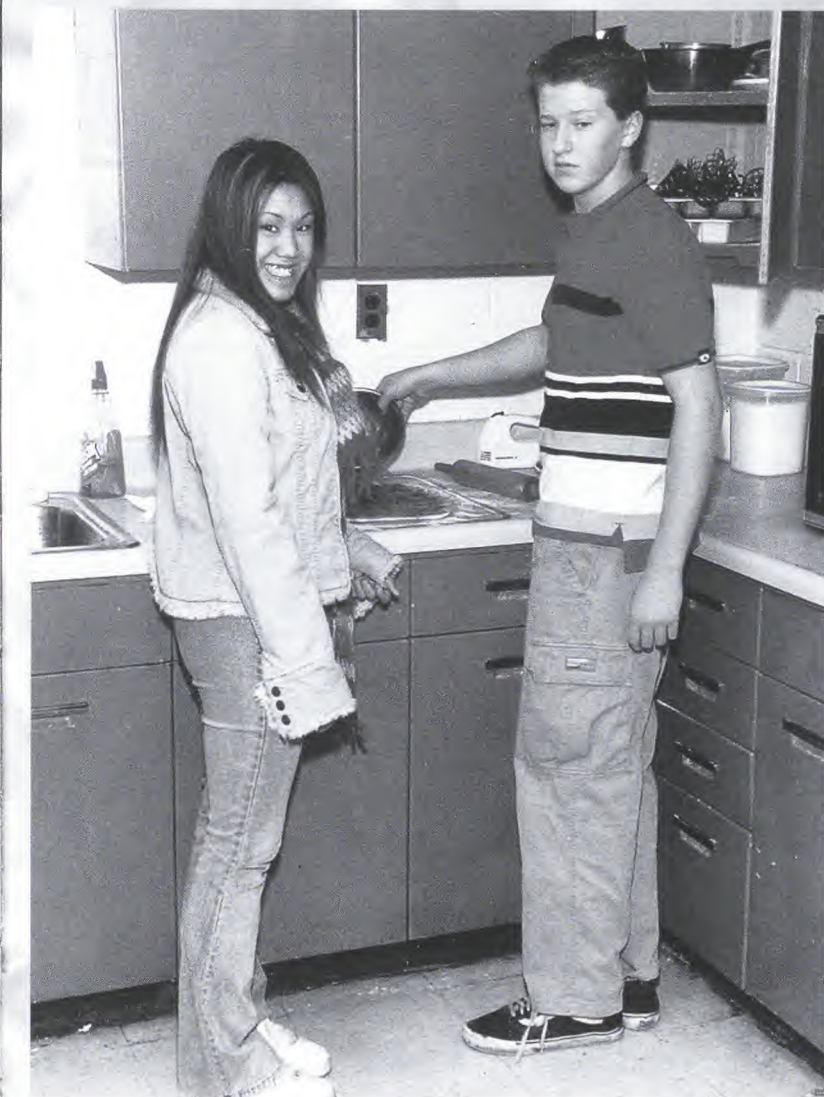

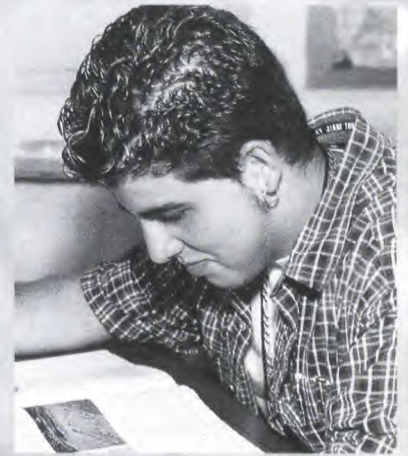

Intent on their project, Smita Lad and Eileen Kim work on a science lab.

Members of the Class of 2004, proudly show their class colors at the Pep Rally.

They are storing those memories and taking those mental photos that will be worth everything to them in the future, more than words.

# FRESHMEN

When things are new to us, we are often in awe of what we are experiencing. We watch, we wonder, we absorb, all of these new surroundings. Our observations are sometimes put into words but more often than not we just take in these events and file them away as memories that will be worth more than words.

Getting into the Halloween spirit, Rick Brown was a wizard for a day.

On one of their many daily trips to their lockers, Brian Malaspina and Stephanie Celestin were captured by the photographer.

Obviously enjoying lunch and each others company are Shaun Remo, Frank Destefano, Dane Miller and Anthony Ford.

# Freshman Fitting In

## FINDING THEIR WAY INTO HIGH SCHOOL LIFE

Despite all of their trepidations, the freshmen class seems, for all intents and purposes, to be fitting in nicely to the everyday routine of high school life. You can see them everywhere, involved in after school activities as well as in their class work. They have gotten lost but have now managed to find their way around with ease and it will only get easier.

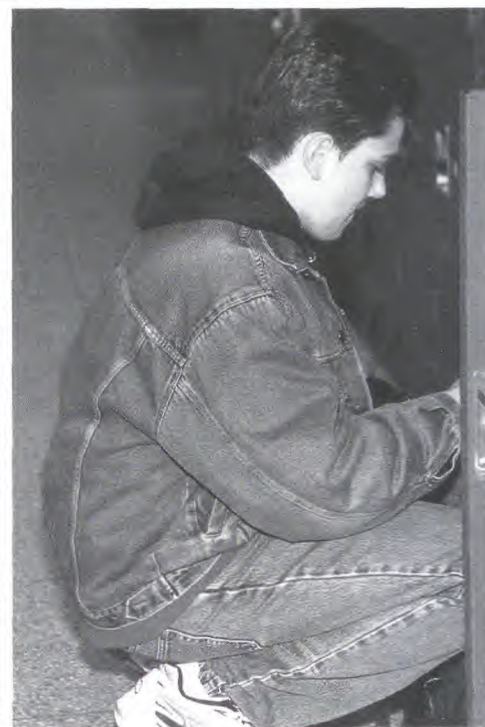

Amar Shere has found a spot in the band.

Caitlin Boverly gets the gist of science class.

Allyson Pendon is absorbed in her text book.

Dan DaSilva has not only found his locker but mastered the combination lock as well.

# *Freshman*

# *Class Council*

For the freshmen it has been a year of firsts. They sat through their first class assembly in September. They participated in their first Pep Rally and Homecoming celebration in October. And they generally experienced all the things that are part of the first initiations of young adulthood that come with starting a high school career. Some of them did better than other, as is always the case, but for the most part, the class of 2006 has made a fine beginning. They have cleared their first hurdle; one down, only three more to go. We expect great things from them since, at 438, they are the largest class to enter these halls to date. If the old adage "there is safety in number" holds true; this group is certainly safe. We can only hope that they stay that way and finish up as well as they have started.

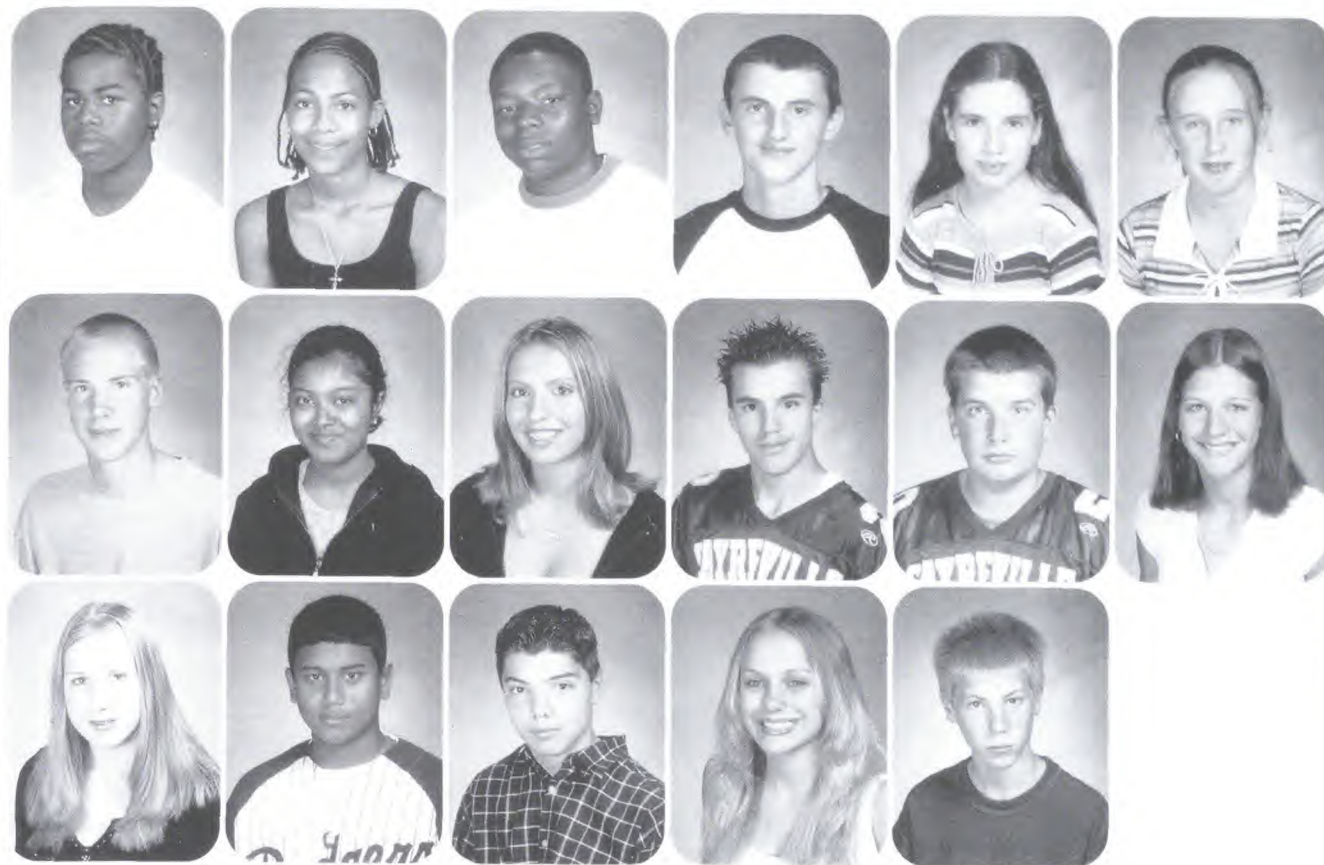

Class council members and volunteers pose with their first Homecoming float.

Leading the freshmen in the class cheer competition is Class of 2006 President, Tim Medel.

# SECRETARIES

In every aspect of school life there is paper work, sometimes more than we care to think about. In every office in this building there are secretaries who's job it is to help us with that massive collection of files, schedules, memos, vouchers, referrals, and time cards. They can find us whatever we need with the click of a mouse. And those of us who deal with endless grade books, lesson plan books, bubble sheets and forms appreciate all that they do to make our paper work a little less overwhelming.

Attendance office staff: Mrs. Linda Brown, Mrs. Eileen Seeger and Mrs. Shirley Muller

# CUSTODIANS

In a school that houses over fourteen hundred students there will inevitably be a need to keep things clean. That is where the custodial staff takes over. They are responsible for cleaning all areas of the building, from the lavatories to the gymnasium as well as disposing of all of the trash generated by the students and staff. They are here in shifts and do their best to keep this facility in tip top shape.

# CAFETERIA

In a learning environment, it is essential to feed the body as well as the mind. We are fortunate to have the ladies of the cafeteria staff, who see to it that we are kept well fed. They are responsible for providing us with an endless array of pizza, fries, sandwiches, snacks and beverages. They get into the spirit of whatever holiday may be at hand by dressing for the occasion and, for the most part, doing it all with a smile.

# SECURITY MONITORS

In these times when nothing is certain, it is always a consolation to know that there is someone watching over you. Several years ago the Sayreville school system instituted the positions of security monitors for the high school. There have been some changes in the positions over the years but the guards are a constant presence in the building and are known by the students. They are there to take control if there is an incident of any kind, to escort student to the office when necessary and to assist law enforcement officers if need be.

Mr. Clarence Tay and Mr. Ron Morgan do their time on cafeteria duty.

Ms. Michelle Ciprich and Ms. Valyrie Satorski also do cafeteria time.

# SPORTS

In sports we strive to win the competition, always with actions more than words. These lessons in sportsmanship and patience are emotional encounters that we file away in our minds. Once again, they are the mental pictures that shape our memories.

## BASEBALL

### New Coach - New Dugouts

The Bombers took the field this season with a whole new outlook. This was mainly because of the new dugouts, installed last season. They are now behind a protective hurricane fence in a well sheltered cinder block enclosure. They are also under the direction of a new head coach. Michael Novak is trying to mold a new team. As with all things new, it will take a while before all of the pieces fit together to form a perfect whole. The Bombers are up to the challenge and eager to become a winning team.

With an eight and thirteen record, the team made progress from the previous season by winning seven of their last eleven games. Pitcher Bryan Laughery showed he had the right stuff when he pitched a 1 - 0 win against Roxbury, which was ranked among the top twenty teams in the state. Sophomore Jeff Toth won All-Division Short Stop honors, while fellow sophomore Dan Louis was the teams lead hitter with a .362 batting average. Captains were Ed Goodell, Dan Gulick and Ryan McCarty.

The team has traveled out of state to play and is recognized as a basketball power. They also have one of the great home gyms to play in and are supported by an amazing group of fans, not only from the student body but from the local community as well.

## Soaring to New Heights

The Bomber Cheerleading Squad is head and shoulder above anything that has ever been seen in Sayreville over the years. This is not your pom pom shaking, rah rah squad. These ladies are, for all intents and purposes, gymnastic athletes. Under the direction of their Coach, Miss Lynne Baber, they flip and fly, tumble and twirl, spot and lift, and all with the most amazing smiles on their faces. They are an outstanding competition team and have shown their stuff this season by achieving several winning finishes. Qualifying for three Na-

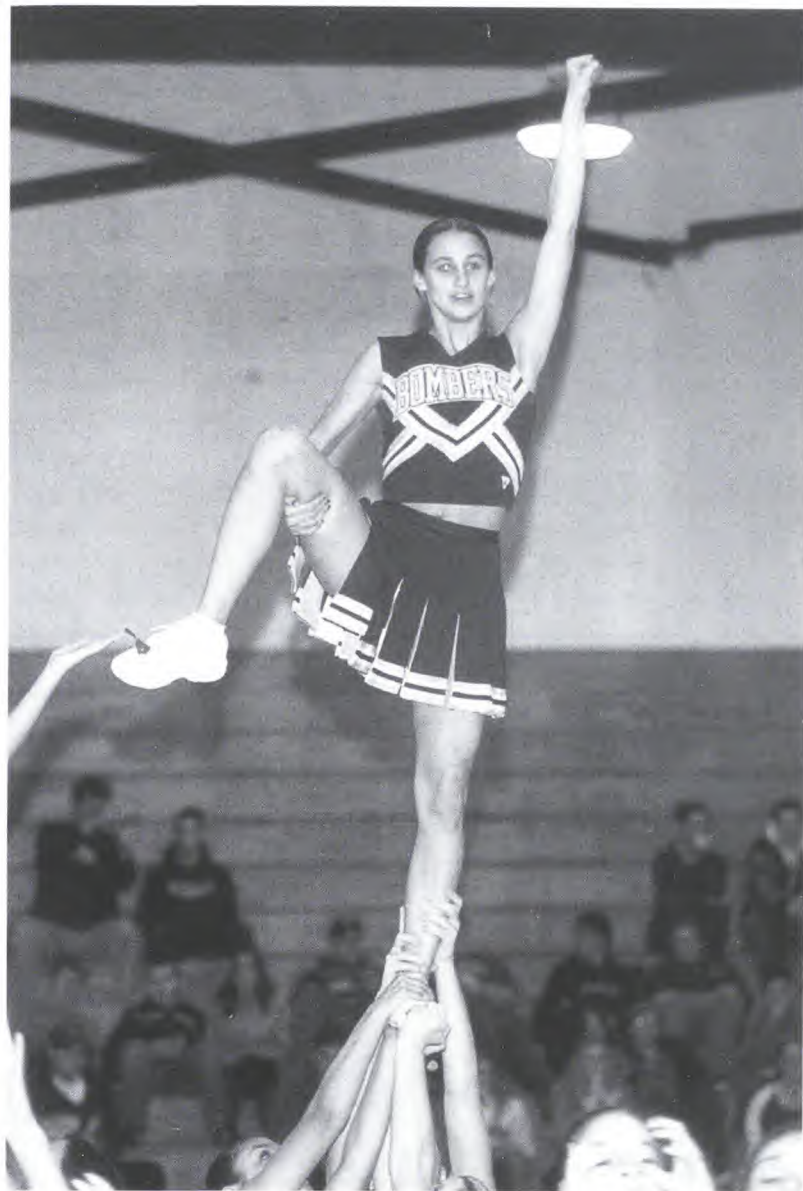

tional Competitions, they took first place at the Cheerleaders of America Regional and won second place at both the Cheer Ltd. Regional and Americheer Regional. This year they attended NJCCA state competition for the first time and finished 12 out of 18 teams. The squad traveled to Myrtle Beach, South Carolina to participate in the Cheer Ltd. - CANAM International Competition where they placed twelfth out of nineteen squads. Team Captains were; Chelsea Smith, Lisa Mastrangelo, and Laura Colacurcio.

# FOOTBALL

## Character and Commitment

The 2002 Varsity Football team returned to the field this year determined to make it to the State Championship. Although they finished the season with an amazing nine and two record, their loss to Hunterdon Central in the second game of the Playoff Semifinals meant that they would not be in the Championship. The team's disappointment was shared by all of their fans and supporters, who had cheered them on through rain, cold and dark of night. To come so close to their goal only to face defeat was certainly a hard blow to this team that had worked so hard and

come so far.

However, there is no shame in loss when you have fought the good fight. They are still, and will always be, winners in our eyes. Coach George Najjar and his assistants have molded a group of fine young men, who will emerge from their disappointment with their heads held high. Named to the GMC All Red Division Team were: Steve Aich, Gary Andrewshetsko, Ron Connors, Lamar Holmes, Junior Jabbie, Matt Pogoda, and Mark Poore. Junior Jabbie and Matt Pogoda were also selected to the GMC All Conference Team.

She is confident that this group of ladies will excel and do great things in the future.

## SOFTBALL

### Ladies Letting Loose

The Lady Bombers took the field this season as they have so many times before and displayed an extraordinary effort. Under the direction of Coaches Janet Ryan and Lynn Taylor, the team has grown and improved its level of play, as it aims toward a winning season. Undaunted by its losses the team never for one minute showed signs of giving any less than it's best. The new dugouts were a welcome sight for the ladies, who have played on these

fields, sometimes, under less than perfect conditions.

Lead by Captains Lisa Oriolo and Jessica Small, the team continued to improve its playing skills. Senior Sarah Dovidauskas made the All - White Division. The ladies will be back next season minus their hard playing Seniors, who will be sorely missed. Their drive will not diminish, however, and they will continue to strive to be the very best.

## BOYS' TENNIS

### For the love of the game

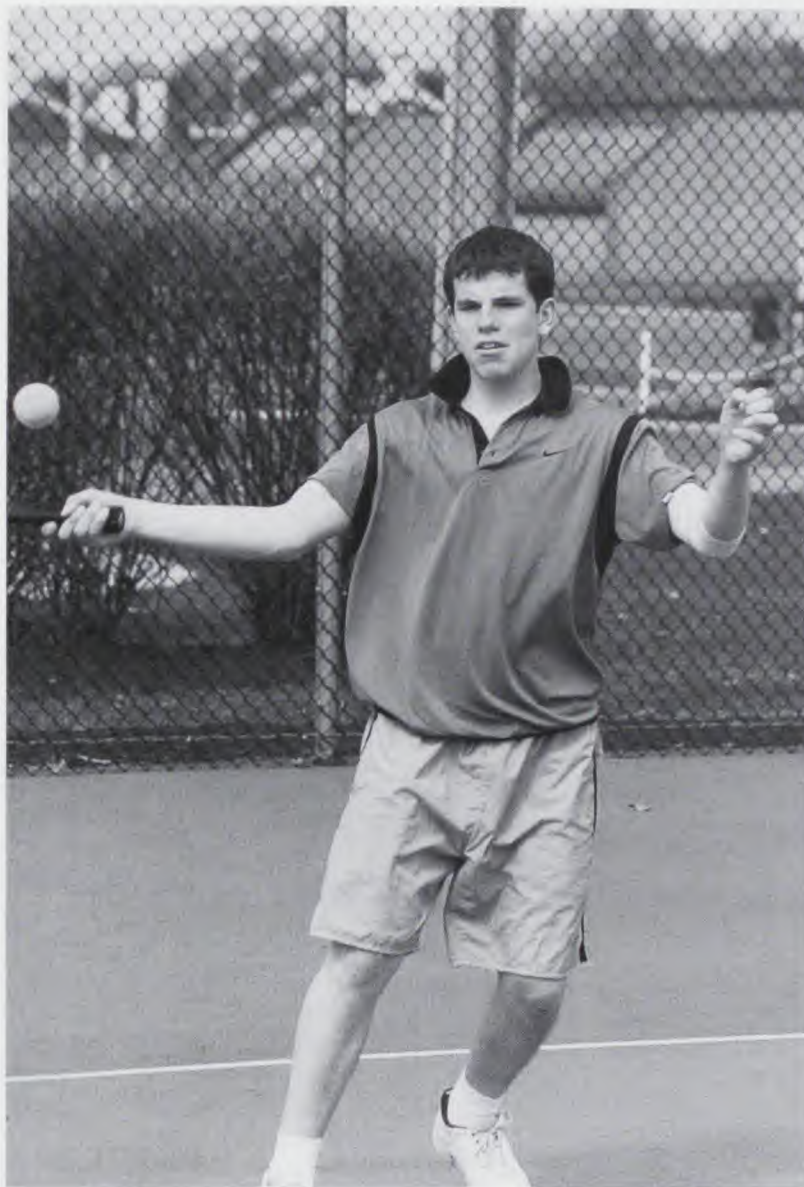

The Boys' Varsity Tennis Team made a valiant effort this season but to no avail. They finished with a disappointing record of three wins and fourteen losses, reinforcing their Coaches assertion that the team does not belong in the Red Division. Undeterred by their poor showing the team still practiced regularly and never gave up hope of a better result. They competed in both singles and

doubles matches. Team Captains were Seniors Boleslaw Czachor and Vinit Parik. The boys will continue to work hard next season and hopefully they will achieve a better result. They are determined not to give up the fight and to show the Bomber spirit in all of their matches whether they win or lose.

The Girls' Varsity Tennis Team made an impressive showing this season. Under the direction of their new Coach Miss Juli Troller, the team managed to improve their final record over last year. Their coach's advice to "get aggressive" paid off for the team. They finished the season with a 5 - 10 record even after moving up to a more difficult division. At the Greater Middlesex County Tournament, four of the five po-

sitions advanced into the draw. Team Captain Ariel Wan was selected for the Red Division All - Star Team. Courtney Fraind was the team's manager. The ladies play in singles and doubles matches. # WINTER TRACK

## Winter Wonder Land

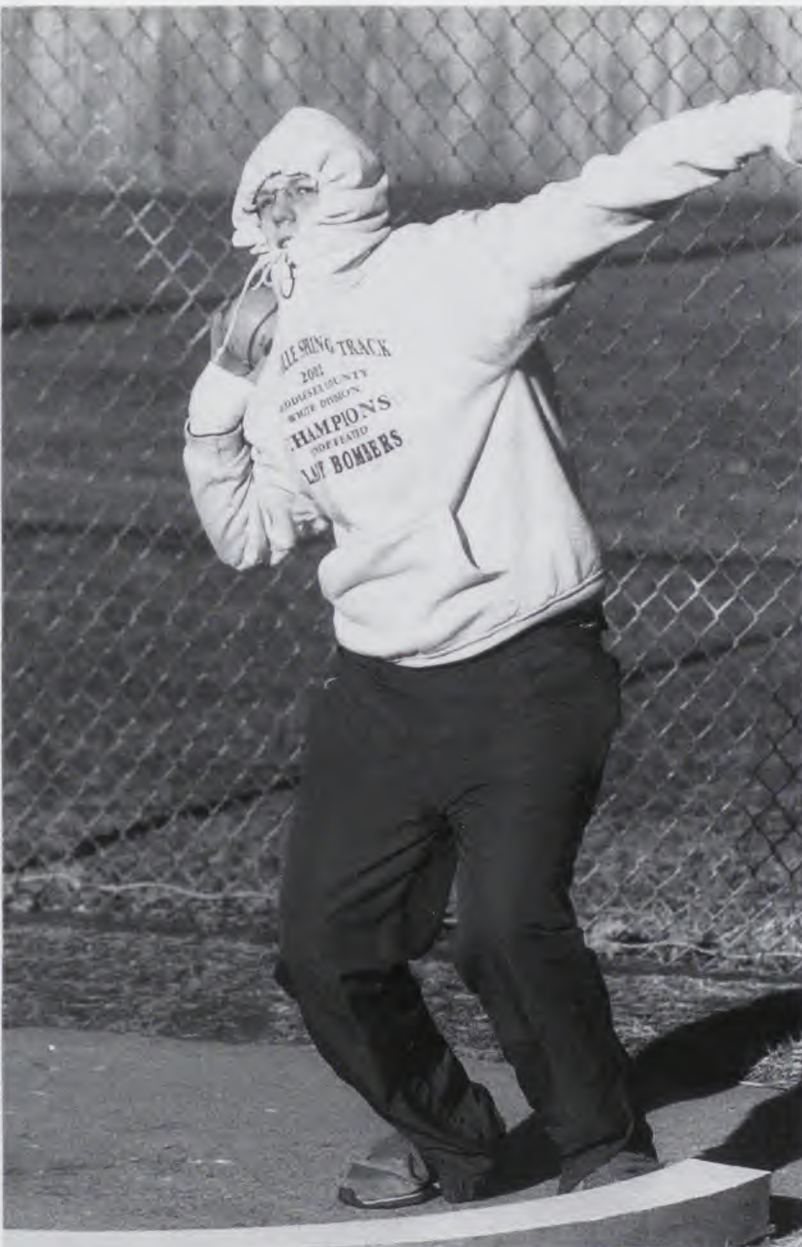

The Bombers Winter Track Team had an unusually tough season this year because of the extreme weather. This was the coldest season on record and as a result the team was only able to compete in one duel meet which the girls won but the boys team did not. The weather could not, however, detract from the skills of the team members. All White Division honors went to Trini Flavaney, Lamar Holmes, and Donny

McCoid for the boys' team and Tracey Clark, Jessica Tirpak, and Nicole Knight for the girls' team. Trini Flavaney had an outstanding showing scoring in four events. He placed fourth in both high jump and the 55 meter dash, third in the 400 meter dash and sixth in the 4x4 relay. Peer Leadership is a class that can only be taken by Seniors. In the spring of their Junior year, students go through a rigorous selection process to be accepted into this program. They are selected on the basis of their leadership abilities as well as scholastic and discipline records. During the tryouts, they perform several group activities while being observed by advisers Mr. Cifelli, Mrs. Carney, Ms. Maldonado, and Mr. Pazinko. This year there are two classes of peer leadership. All students involved are required to attend retreats in both September and February. At the retreats, they do trust - building activities. They talk with their freshmen about issues facing teens such as drugs, rape, peer pressure, self esteem, anger management, trust, and boy/girl relationships, and are there for them at all times to help them with any crisis they may encounter.

# Quo Vadis 2003

The world we live in today communicates with pictures more than words. We use paintings to express ourselves and we use pictures to save our memories and experiences. Do it in pictures, rather than words. Words can sometimes say too much but with a picture we can create our own illusion of what is occurring. We can leave our mark without words. Cherish these memories. There is nothing like them and they won't happen again. We have tried to make the memories of this year as comprehensive as possible. If we have missed something or someone we apologize. Know that we have done our best. But most importantly, know that "wherever you go" we'll be there, we are the memories we will be with you always..

Kevin Kraemer and Kim Sherwood help students on picture day.

## *Another Sad Goodbye*

We know each year it's coming,  
And no matter how we try;  
We cannot slow the process down.  
The days just seem to fly.  
We work toward it.  
We plan for it.

But we're never quite prepared  
For the emptiness that's left behind  
When you're no longer there.  
There to say "Good morning."  
There to share a smile.

There to sit and talk with us,  
Growing all the while,  
Growing in your knowledge,  
Growing in your style.

Moving toward the journey  
That you'll take in just a while.  
Each class is always different.

Each group is so unique.  
We want to give our blessings  
But the words are hard to speak.  
We hope that we have changed you  
For better, not for worse.

We hope you'll be successful  
And quench your every thirst.  
A thirst for truth and freedom,  
A thirst for love and peace,  
A thirst to try and change the world,  
May that thirst never cease.

May all your roads be smooth ones.  
May all your dreams come true.  
We hope you have fond memories  
Of the times we've shared with you.

We know each year it's coming  
And no matter how we try  
We cannot change what's coming;  
Another sad goodbye!

You have grown into a handsome and responsible young man over the years and have made our lives quite interesting.

You have gone from Ghostbuster to Karate Kid to Rock Star in just 18 years. Your smile says it all.

We will always remember all the wild, original, and strange hairstyles and colors you have proudly worn over the past four years.

As you take the next step in your life, never lose sight of who you are and what you want to accomplish next. Remember we are only a phone call away.

Congratulations, we are so proud of you!

Love,  
Mom & Dad

As you move on to your next milestone, always remember that we will always be there for you. (Even to wake you up when you are late for an appointment.) We know that you will be a great success on any road you choose to follow. Just believe in yourself and nothing will be beyond your reach. We are so very proud of you.

Love Always, Mom & Dad

Dear Jr.

# TARA MARIE HROMYAK

Dear Tara,

On April 16, 1985, Daddy and I were given a wonderful gift .... you.

You are living proof that good things really do come in small packages.

As you have grown from a sweet little baby girl to a beautiful young woman, you became the gift that just keeps on giving.

It is difficult to find the words that truly exemplify how we feel about you.

Pride seems inadequate because the way we feel about your accomplishments is beyond proud.

You are a compassionate, kind, intelligent, fun loving, beautiful person.

Your energy, focus, and dedication to everything you do is boundless, and so is our love for you.

You have such a wonderful way with people both young and old. You have always managed to handle yourself in a way that is far beyond your years.

We wish you success in all you do. Follow your heart, because it has always ended up in the right place.

And no matter what happens in your future, we will be there for you...

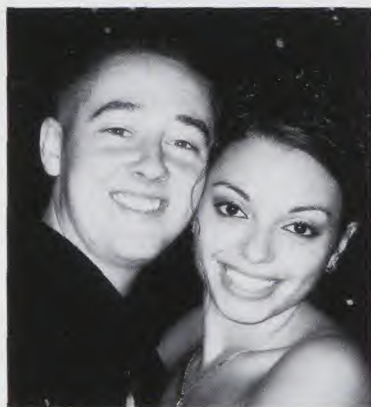

"Ain't no mountain high enough to keep us from you!" ( You know I had to say that.)

Love,  
Mommy and Daddy

V,

Wow, where do I even start? For the past 5 years, you've been the best friend that everyone wishes they could have. I can't thank you enough for everything that you've done for me. From the cries, to the laughs, to those boring days, you were always there for me. Through all our experiences, our friendship has only grown stronger. You're my best friend as well as my "Latina Sister!" I love you to death and I know that no distance or fight will ever come between us!

Love Always,  
Your sister,  
Chelle

"Know what I'm sayin' up in here!"

Dear Chelle,

It's very difficult trying to size down all the reasons for you being my best friend. For five years we've been inseparable, sharing all of each other's time, experiences, feelings, and thoughts - some great, some terrible, and so many ordinary moments that you have made extraordinary just with your presence. You know everything about me, accepting me as I am regardless of it all. Our incredible friendship and the unconditional love we feel for each other brings me to tears. You're my best friend, my sister, and my teacher - you've taught me how to trust, to smile no matter what, and to accept myself. I can't thank you enough for everything you have done for me, but I can say that I love you and wish you only the best of what the world has to offer, my sister. I know that nothing can ever break us because you are my family and family is forever. I will love you always.

Your sister,  
V

Always be as happy as you are today and remember that you are a truly gifted person who has no limits. Shoot for the stars and accept nothing less.

I love you,

Mom

From the time you were just a little boy, you have always been the kindest, most gentle person I know. Your inner strength makes you my hero, Matt. I wish that I could be half as patient and understanding as you have always been. No matter what disappointments life has brought, you never got mad, you always went on with that smile on your face.

When they announce your name at graduation, our hearts will be bursting with pride for the wonderful young man that you have become. Whatever path you choose in college, we know you will succeed. (I don't know who we will poke fun at while you are away though!) We are always here for you, we love you and wish you all the happiness you deserve. # ALLISON COMERFORD AND NICOLE GANDERO

Nikki (Peanut).

Who knew 11 years ago, when we first walked onto the practice field for the Sparks, that we would become as close as we have. For as long as I can remember, you have been there by my side through both the good and the bad. You are not only my best friend, but my sister and the one I turn to every time I need someone to make me laugh. Although we are not going to the same place next year, you are one of the few people I can safely say that I will be friends with forever.

I treasure all the memories that we have made in the past, but even more, I look forward to all the crazy times we're about to have... Good luck in the future and know that I'm always going to be here for you!

Love Always,  
Allison (Baa Baa)

P.S. Never forget...alligators, "He" & "She" (what was that anyway lol), And of course...Leaves Change!

Allison,

There's so much to say and only a few lines to say it in. You've been my best friend since we were tiny girls wearing our oversized uniforms on the Sparks. Over the years, you became like a sister to me. You have always been the most trustworthy, caring and interesting friend anyone could ever ask for. I cherish our friendship and hold you very close to my heart. We shared many great memories and I know there will be many more to come. I know you will be successful in whatever you do because I watched you grow into a beautiful intelligent woman. Good luck in college. I love you!

Love Always,  
Nikki

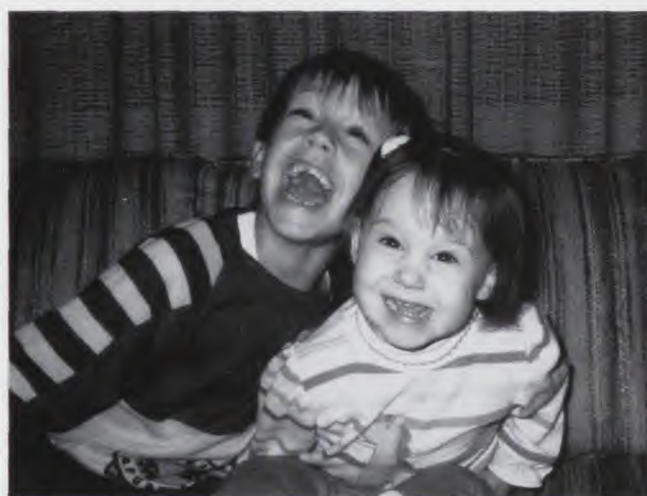

# LINDSAY KELLY

Love,  
Mom, Dad & Brian

Kyle,

As we began choosing the pictures that would be put on this page, we were engulfed in a flood of memories of our first born son, and all the joy he has brought to our lives.

It is true, there is no greater love than the love a parent has for their child, and this love will be the one sure thing you can depend on throughout your life's journey.

Enjoy this special time in your life. You've made us so very proud, and you should be proud of all that you have accomplished, and the wonderful human being you have become.

God bless you,  
Love,  
Mom, Dad, Tyler, and Katie

# 2003

*More than words ... the preceding pages show that there are so many parts to our lives that they are truly more than words could ever tell. We have come through another year of joys and sorrows, triumphs and defeats. We have learned from the conflict in Iraq, that bad things happen in this world and that might doesn't always make right. But despite the uncertainty that surrounds us, we have come through it all better than we were when we started. We have learned that we can do no more than our best. And if that is all we do, for the rest of our lives, we will have done enough. We will have done more than words can tell.*
