Looking back to all of the things that have happened to us over our high school years, we realize that life is full of surprises. For that reason, we have to look at life "from every angle." From the beginning of our freshman year until the present, our minds and hearts have grown due to our experiences throughout our high school. Daily events that we are faced with are the things that make us grow in many ways. Although they sometimes can be painful as well as exciting, they become memories to us. High school is made up of the memories that we create. We try to capture every moment, every exciting event that effects us, on camera or just in our own mind. Our years here at SWMHS go by too fast and we try to live each day to the fullest. Therefore, as we continue to step out into the future, we are ready to view life "from every angle" and see how amazing it can be.

The Student Angle

Members of the Class of 2005 aboard the bus, excitedly await the eventful evening which lies ahead at the Woodbridge Sheraton.

Donald Connors and Layne Cronin are all smiles while waiting to board the buses to the prom.

Wonderful Tonight

Junior Prom ~ May 14, 2004

Since freshman year, the Class of 2005 had waited for their Junior prom. The date finally arrived for the juniors on May 14, 2004. They dressed in anticipation of the exciting night that was ahead of them at the Woodbridge Sheraton. The theme for the evening was "Wonderful Tonight" and that is exactly how the juniors felt. Elected by their student classmates, Kirby Pereira was crowned Prom

Princess and Tom Tesar was Prom Prince. There was a variety of delicious foods for the juniors to choose from for dinner and dessert. After dinner, they danced the night away to the great music of Noble Productions. They ended the night by dancing to their prom song "Wonderful Tonight" by Eric Clapton. They all left the Sheraton with memories that would last a lifetime.

A group of juniors and their dates smile in anticipation of the "wonderful" evening awaiting them at the Woodbridge Sheraton.

Tom Tesar and Kirby Pereira share their first dance together as Prom Prince and Princess.

The enthusiasm felt by the juniors at the prom is expressed through Jarrett Brown and Erica DeLuco.

Filled with pride, the officers of the Class of 2005, Kerry Ronan, Lyndsey Hughes, Brittany Dusko, Kara Pagan, Jennifer Latz, and Tina Kelly, pose with their advisors, Miss Tricia Brennan and Mrs. Anne Kurzweil.

Ms. Troutman, Ms. Amato, Ms. Muszynski, Ms. Brennan, and Mrs. Bloomfind time to enjoy themselves while chaperoning the Junior Prom.

To help preserve the memory of their time together at the Junior Prom, Nicole Fischer and Dan Kanaly opt for the professional photography offered at the prom.

Members of the Junior Class pass the time by posing for a photo prior to heading to the prom.

Every Side of Bomber Pride

OCTOBER 22, 2004

It was a chilly Friday morning, but the shining sun and energetic student body provided plenty of heat during the Pep Rally. Ribbon, glitter, stocking, hats and face paint decorated almost everyone as students psyched each other up for the big event. All of the teams were represented on the field, which helped excite people for the event. The crowd was also entertained by the energetic performances by the cheerleaders and the Step Squad.

Although competitions occurred between the classes, the event also helped to unify the students as a school. The first class competition of the day was the Tug-of-War. In the first round the Sophomores defeated the Freshmen and the Seniors defeated the Juniors. In the final round the Senior class was victorious as they brought down the Sophomore class. The other contest of the day was the cheering competition, which the Seniors won hands down. Although the pep rally eventually came to an end, the school spirit and enthusiasm remained with the students for the rest of the day.

HOMECOMING

NOVEMBER 5, 2004

This was certainly a night to remember. Memorial Stadium was filled with dedicated fans of all ages who came out to support the Bombers, despite the cold weather. Decked out in their formal attire, the candidates for Homecoming Queen anxiously awaited the results of the contest. The theme "Oh the Places You Will Go" was illustrated through the class floats which were displayed that evening. The Sophomore Class of 2007 took first place in the competition for the second year in a row. Last year's Homecoming Queen, Cori Jensen, presented this year's Queen, Afia Genfi, with the crown. Also present were returning alumni from the classes of 1944 through 1994. The Football team experienced an upsetting loss to Piscataway but the spirit of the crowd still remained high.

Our Time Has Come

*Graduation..oh what a day.
One that seemed so far away,*

*Now it has finally come
The years just flew by
We're holding onto each other,
Trying not to cry.*

*As the days passed by
We knew the time would come.
A new beginning and a new journey
For us has now begun*

*Our memories will always be with us..
Forever in our hearts
The ones we have from high school
Are the best ones by far.*

*The friends we made
The laughter we shared
Are all memories,
Which will never be compared.*

*Keep all of your hopes and dreams..
And hold on tight
Keep them well in your heart
It will never be goodbye*

Seniors

As we look back at the past four years, we realize that they have gone by quicker than we thought. During those four years we have gone through great experiences. Some were of joy and excitement, and others of sadness. No matter the experience, each one shaped us individually to become who we are now. We have all grown up and our minds see things differently, "from every angle". The moments and events that have changed us will always remain. Those memories are memories that will be carried with us throughout our life and will help us later on "from every angle".

Donald McCoid shows his Bomber pride.

JUNIORS

From every angle, junior year is the most unique year that a student embarks on in high school. It's one more step towards adulthood, as many get their licenses and finally jump into their working shoes. Although this is the time to enjoy and create memories with friends, it is also the year to distinguish and differentiate yourself from your peers, education and personality wise. Focus on the drive towards success, for popularity and other unnecessary things will not establish a concrete place for you in life. Remember the times shared with friends, the good and the bad. Overcoming the negative aspects from such relationships are the remedies that we need to help us succeed and become strong. There's just one more year left until, metaphorically speaking, we are on top of the high board about to dive into the real world. Enjoy it before it ends.

SOPHOMORES

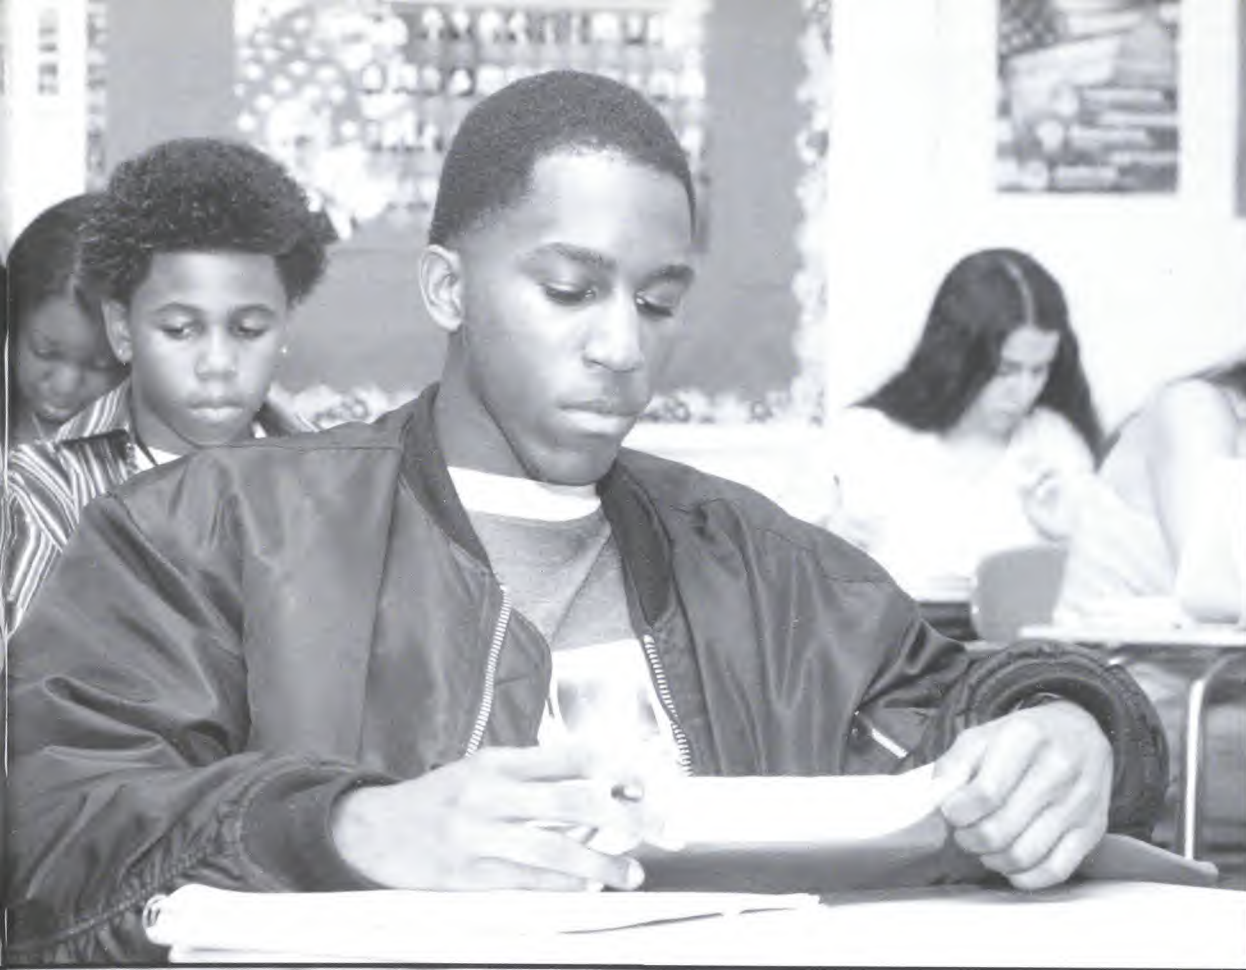

Sophomore year is full of acceptance and expectations for many students. The high school and its ways are no longer unknown to them. They each have a pretty firm grasp on how to get around and how things work in the halls of SWMHS. Also, no longer are they at the bottom of the ranks so sophomores can see high school life from many angles. However, sophomore year isn't all about reminiscing about their past in the high school, it's about living out each day and looking towards the future. Their final three years at Sayreville show great promise and sophomores are willing to find out about it first hand.

FRESHMEN

Just as no two people have the same fingerprints, and as no two snowflakes are the identical, no two freshmen have the same outlook on their first year of high school. Being a freshman is not exactly a title people wish to be called. Most of us get taunted by the upper classmen, others are fortunate enough to know them. Their main purpose is to make our first year a dreaded nightmare. Of course as the year progresses, that all seems to die down. If only we could say the same thing about schoolwork and teachers. These teachers are probably the toughest obstacles we will have to overcome in our lives. We know school life will only become even more strenuous in our years to come. Fear, anxiety, excitement, dread, relief, and curiosity are just a few of the many angles to look at high school.

Secretaries

In every aspect of school life there is paper work, sometimes more than we care to think about. In every office in this building there are secretaries who's job it is to help us with that massive collection of files, schedules, memos, vouchers, referrals, and time cards. They can find us whatever we need with the click of a mouse. And those of us who deal with endless grade books, lesson plan books, bubble sheets, and forms appreciate all that they do to make our paper work a little less overwhelming.

Custodians

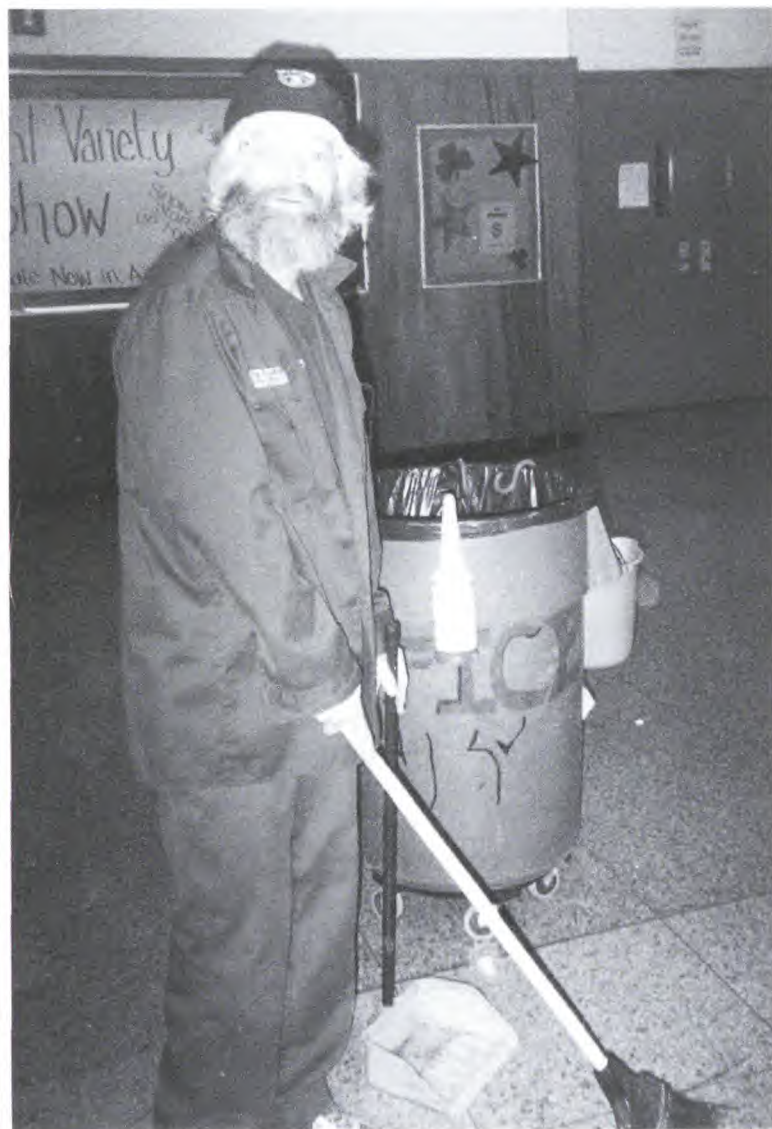

In a school that houses over sixteen hundred students there will inevitably be a need to keep things clean. That is where the custodial staff takes over. They are responsible for cleaning all areas of the building, from the lavatories to the gymnasium as well as disposing of all of the trash generated by the students and staff. They are here in shifts and do their best to keep this facility in tip top shape.

Cafeteria

In a learning environment, it is essential to feed the body as well as the mind. We are fortunate to have the ladies of the cafeteria staff, who see to it that we are kept well fed. They are responsible for providing us with an endless array of pizza, fries, sandwiches, snacks and beverages. They get into the spirit of whatever holiday may be at hand by dressing for the occasion and, for the most part, doing it all with a smile.

Security Monitors

Mr. Clarence Tay

In these times when nothing is certain, it is always a consolation to know that there is someone watching over you. Several years ago the Sayreville school system instituted the positions of security monitors for the high school. There have been some changes in the positions over the years but the guards are a constant presence in the building and are known by the students. They are there to take control if there is an incident of any kind, to escort student to the office when necessary and to assist law enforcement officers if need be. In addition to the security monitors, Officer Matthew O'Such is also a strong presence in the school at all times.

The Athletic Angle

Competition is the basis for life. Whether it be competing for a job or for first place in a tournament, the need to compete is the factor that motivates people to strive toward their goals. How successful we become depends on how determined we are and how hard we compete. So whether the effort is put forth for one's team or for one's own accomplishments, it can be said that competition challenges us from all angles. It is up to us to the challenge and prosper from it. It is this quality that we as Bombers possess that exemplifies our "commitment and character."

Bombers Baseball

The Sayreville Boys Baseball team finished the season with a record of 7-14 and went 5-9 in their conference under the management of head coach Michael Novak and assistant coaches Richard Gluchowski, Jason Ditta, James Nardone and Bill Mudge. Key injuries were a factor for the Bombers, but the team kept their focus and played hard. The team made it to the second round of the GMC tournament with an average over .300. Junior Brandon Aich finished with a scorch-

ing ERA of 0.93 in fifteen innings pitched, allowing only two runs. Sophomore David Donner was also selected to the Star-Ledger's Third Team All-Conference.

The team will have nine returning players next year, including four pitchers. The team is looking to capitalize on their experience and once again become a dominant force in the Greater Middlesex County.

Also with the help of the "Psycho Squad", the team went 5-2 in their last seven games, including a blowout of long time rival South

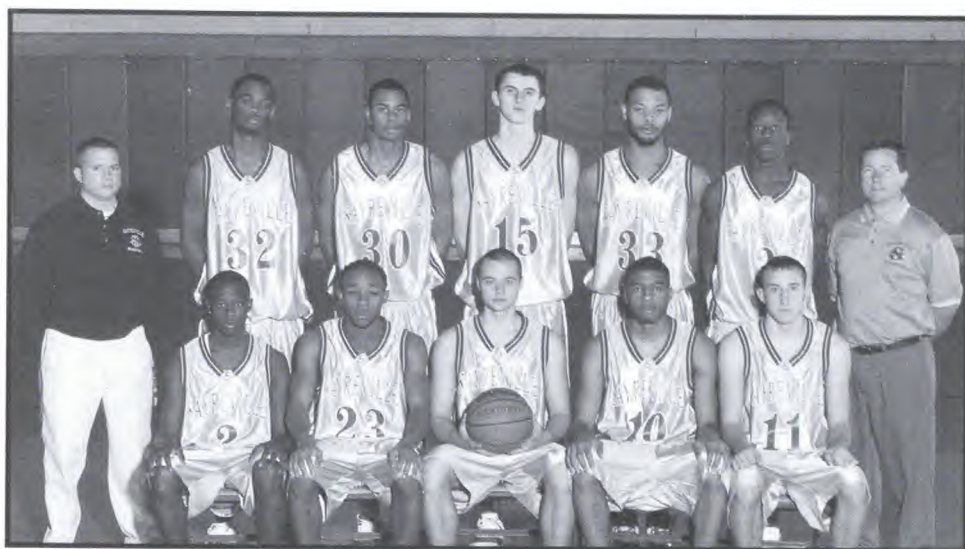

River. The Bombers will graduate six seniors this year are Brian Miklaszewski, Sean Reeves, Shamir Sanders, Tim Wojcik, Greg Chery and Chris Watson. However, starters Shaune Thomas and Herb Nieves return for the Bombers', along with reserves Brian Martinez and Lamar Fisher. The Bombers will also look to members of the JV Team who posted a record of 21-1.

The team was led by

senior captains, Jesse Sosnowski, Kristen Havens, and Amy Bodak. With only three seniors graduating the Lady Bombers should have a strong core of players returning next year. Bowling

The '04-'05 Bombers Bowling Team had a season full of learning experiences, along with a handful of exciting achievements. Being that this season was the first for the Bombers Bowling Team, it was expected that this would be a season of ups and downs.

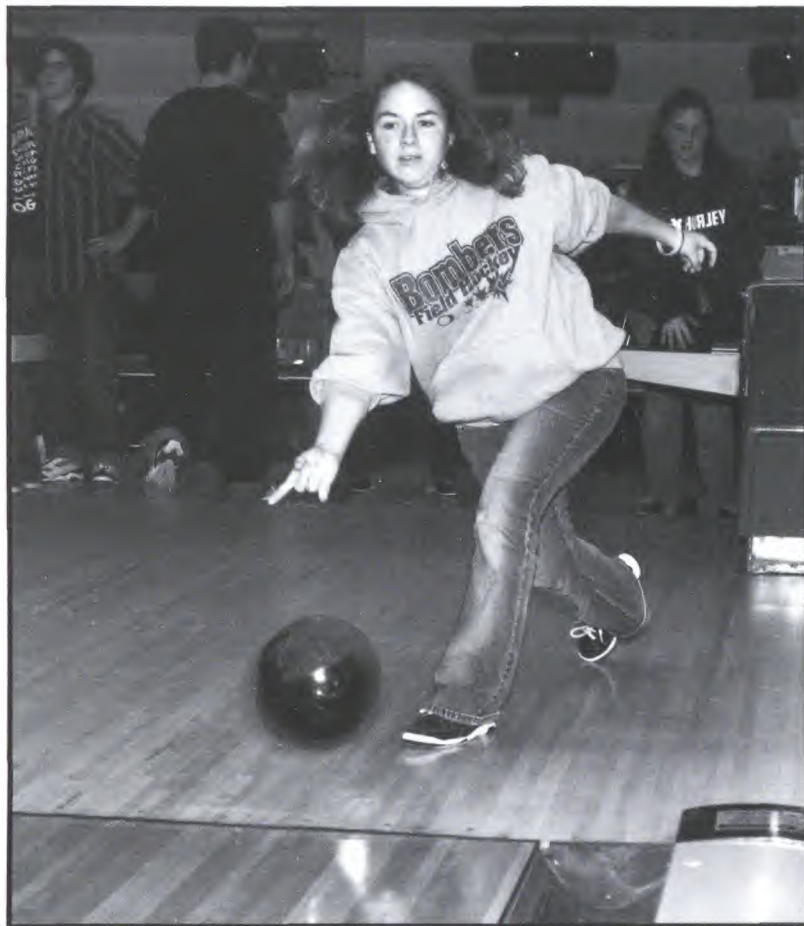

The season started out with some disappointing performances, yet they quickly learned, practiced, and used our learning experiences to improve our game. Prior to the Central Jersey Winter Classic both the boys and girls teams had finished near the bottom of the standings in each of our first 3 events. Going in to this tournament both teams felt confident that things would turn around. They were right! The girls' team finished 23rd out of a field of nearly 40 teams, including some of the strongest teams in the state. The boys finished in 16th place out of almost 40 teams. After this performance both

teams continued to build on this success. Jen Savarese was the statistical leader for the girls team in nearly every tournament, qualified for the GMC State Tournament and just missed making the cut for the State Singles Championship. Her scores will be missed by the girls team, but her leadership and positive attitude will be missed even more. On the boys side Nick Tennaro thrilled not only our team, but also the entire bowling alley. Nick finished the first game in the Brick Memorial Tournament, with a score of 287, by far the highest game of the season. Nick also received an award for having the 2nd highest game of the entire tournament. This was the first award won by the Sayreville Bombers Bowling Team. Both teams hope to build on the positive aspects of the '04-'05 season, and continue taking steps to build a championship caliber program at SWMHS.

Cheerleading

The 2004-2005 Bomber Varsity Cheerleading team used hard work and discipline to reach even greater heights. Under the tutelage of coaches Lynne Baber and Vanessa Sabadics, the football and basketball cheer squads enhanced the overall experience for the fans and players alike. The girls combined athletic dance moves, gymnastics, tumbling and stunting into choreographed routines that have won many awards.

The football cheerleading squad attended the National Cheerleading Association camp over the summer and was awarded a number of camp accolades. Several squad members were nominated for the All-American Team, and the squad was honored with the Herky Award for teamwork.

Team captains for the 2004 football season were Krystle Erickson and Melissa Menden. Team captains for the 2004-05 Basketball team were Jennifer Margres and Erica Scavone.

Captain Steve Logan and Greg Kuczynski led their team to 5th place in the County Championship Race. Captain Steve Logan made All County Team and other Captain Greg Kuczynski pulled right behind him making All Red Division Team. Also, seniors placed second in the

Roxbury Invitational, closely followed by the juniors, who placed third. The top seven runners consist of Greg Kuczynski, Steve Logan, Danny Giovenco, Aaron Ampaabeng, Gregg Flakker, Carlos Vedia and Christian Vedia. These runners were led to victory by Coach Skully who thinks his team worked to the best of their ability this season.

Girls' Cross Country

Under direction and encouragement of Coach Patricia Feltz, the girls Cross-Country team ran a remarkable season. The team as a whole ran tough and mind blowing practices to build up endurance for their next meet. A 3.1 mile race takes a lot of hard work and determination.

Seniors Nicole Knight and Ashley Zakrzewski along with freshman Ashely Miller won special awards throughout the season on their personal best times. Varsity runners Ashley Zakrzewski, Nicole Knight, Ashley Miller, Meghan Zakrzewski, Debbie Marion and Megan Brown.

The Bombers defeated their long-standing rivals, South Plainfield, after a well-fought battle in the Greater Middlesex Conference championship game to become the County Champs for the first time since 1992. The team would not have done so well if it wasn't for the hard work and dedication of their coaches, Lynn

Taylor and Christa Delucia.

Seniors Amy Bodak, Brittany Dusko, Jen Latz, and Portia Marshall, along with Junior Megan Mazur and sophomore Erica Latz were honored with spots on the All-Area and All-Conference Teams. Greater Middlesex Country Honorable Mentions went to Senior Jenny Savarese, and Sophomore Erica Latz.

Football

The 2004 Varsity football team, led by Coach George Najjar, finished a hard-worked season with a 7-4 record. The team's schedule was difficult and consisted many well trained teams. The Bombers were once again determined to make it to the State Championship, but their unfortunate Semi-Final loss against Jackson meant their season was over. The team consisted of determined players who will emerge from their well-fought season with their heads held high.

Players to make the All Red Division Team were Shaune Thomas, Vinnie Otero, Matt Kenny, Jason Lefkowitz and John Monaco. Senior Kicker, Matt Kenny, made Second Team All County, as well as Second Team All Area with a total of forty-one

points. Senior Running Back Vinnie Otero made All GMC, Third Team All County and was placed in Third Team All Area, making the most tackles on the team. Also making Third Team All County, Second Team All Area and holding the most receiving yards was Senior Running Back John Monaco. Senior Jason Lefkowitz also made All County First Team along with All Area Second Team. Junior, Shaune Thomas, who will be returning next year, made First Team All County, First Team All Area, All GMC and held the most rushing yards along with point leader. With many returning players the Bombers hope to have a successful season next year.

Head Over Heels

The Girls' Gymnastics Team got off to a rough start, but they were able to tough it out and gain some positives by the end of the season. Despite the last place finish as a team at the GMC's, two of the girls placed as the Novice meet at Bishop Ahr. Senior Captain, Allyson Trapp placed 6th in the all-around and Junior Captain, Nathaly Battifora placed 9th, which was the best showing since 1999. Congratulations girls! Other team members who contributed and worked so

hard this year were Cindy O'Hara and Kayla Ogorek, both performing in the beam and floor routines, Nicole Ingananmorte on the vault, and Shivani Shah on the floor. When asked for her comment on this year's gymnastics team, Coach Marsch-Ruppert replied "I would like to take this opportunity to wish Allyson great success as she graduates this year. As for next season, I am looking forward to working with all the girls and new Frosh coming in."

The team advanced to the GMC tournament semi-finals and the state quarter-finals. Lamin Sidebeh (All-White Division, All-State) and Pete Wonaszek (All-White Division) led the Bombers to big wins over Monroe, East Brunswick, Colonia and Steinert. The team will return nine starters and 12 letterwinners next year. Coach Cifelli believes "this team was successful because of their hard work and dedication. JUST FOR KICKS

Using Their Heads

Coach Steve Fischer led the Lady Bombers to a very successful season. Captains Laura Fiorentino and Crystal Sager guided their team to a 13-4-2 record for the 2004 season.

The Lady Bombers earned the GMC White Division Championship. In addition to the entire team earning that title, individual members were also chosen for the GMC All White Division Team. Seniors Caleigh Giovenco and Crystal Sager, as well as Juniors Jessica DaRold and Laura Fiorentino, were selected to represent Sayreville. The season ended for the Lady Bombers shortly after the county tournament, when they were defeated in the State Tournament.

One of the reasons for the tremendous success seen by the Lady Bombers was the fantastic defense, headed by captains Crystal Sager and Laura Fiorentino. Jessica DaRold, the goalkeeper, backed them up and racked up twelve shut-outs throughout the season. But the Lady Bombers could not have been successful without their offense. Junior Caleigh Giovenco scored twelve goals for the team this season.

For the graduating Seniors this was quite a season to remember as their last. The returning players can strive to improve on their success for the 2005 season.

A Midsummer Night's Dream

If you attended some of the school's previous plays, you know most of them are on the dramatic side, but this fall's adaptation of William Shakespeare's *A Midsummer Night's Dream* was definitely a more light-hearted play. Dr. Piccuiro and the cast did a wonderful job of keeping the audience entertained with both the humorous and the serious scenes. Shakespeare would have been pleased with Sayreville's version of his eccentric love story.

The Board of Education gave their approval and the "Platinum Soundz" were born. They have been visible at most school functions throughout the school year including Pep Rally, Football, and Basketball games. They have shown great energy and dedication, putting in many hours of practice. Their adviser is Ms. Nicole Goscienski.

TAG

The Talented and Gifted program for "exceptionally able" students is an integral part of the school's curriculum. It offers an array of activities in the areas of art, science, humanities, and technology implemented by student motivation on a pull - out - of - class basis. Activities and offerings include, but are not limited to Mock Trial, Student Menot Program "Building Bridges", Political Internship, Governor's School, Viewing an Open Heart Surgery, Arts High School, Knowledge Masters Open, and the Renaissance Recognition Program. Mrs. Goscienski is their Adviser.

The Fifteenth Annual Variety Show

The 2005 variety show was another big hit. Thetwenty-seven acts entertained the audience from start to finish. Dances ranged from a variety of styles including hip-hop, tap, and step while singers sang their hearts out to an assortment of music. In addition to this array of talent, the audience laughed and cheered to the comical standings of Abbott and Costello. Following SWMHS tradition, eight members of the junior class hosted this year's event; Tim Medel, Carissa Meyer, Simone Saxon, Priscilla Senyah, Krissy Spade, Daniel Freeman, Kelly Reilly and Nicole Ortizio. The sold out show was a huge success and a bountiful fundraiser for the junior class. Thoughts From Every Angle

Would we do it all the same? Would we chance anything? We can ask ourselves these questions but in our hearts we know that we wouldn't change a thing. We wouldn't change a single memory. They are each a part of us. They are our high school days. They are finished, all too soon. We can not change them; we are them. We will now become the memories.

Krystle Erickson

Dear Krystle,

Congratulations! It is a true honor to be your mother. Having you as a daughter has been one of the greatest gifts God has given me. You've grown from a sweet little baby girl to a beautiful, kind, intelligent young woman. Thank you for always being a good student. That has been one of the best gifts you have given me. Enjoy your college years. I will always be here for you. God bless you.

Love you forever,
Mom

Allyson Trapp

At five years old, I knew you were the one,
This is where our love story had begun.

It was kindergarten we first met
And I have not outgrown our affection yet.

I adored your curly little rat-tail
And enjoyed pulling until you wailed.
On my first attempt to profess my love,
You rebuffed me with a violent shove.
From that point on and for the next ten years,
We yearned to drive one another to tears.
Our parents once swore we'd be prom dates
Just as soon as we overcame our hate.

I recall dry heaving at the notion,
And I'm sure you felt the same emotion.

I remember going to get the ball,
And straight into the mud you made me fall.
I stood with my face never redder in hue,
And sought full revenge by spitting on you.
With the principal we spent too much time,
But then ignored each other 'til grade nine.

On the bus, I (allegedly) gave you an evil eye,
Though I still maintain that this is a lie.
Under our coats our holding hands did hide
So no one would suspect our secret side.
Hatred turned into truce, truce into friends,
Friends into *amore* that sees no end.
From love to loathing, and loathing to love,
All predetermined by the stars above.

Stephen Mesa

Congratulations Stephen! We are very proud of you and love you very, very much.

A million hugs and kisses,

Jennifer Latz

Over the past 18 years, I've had the privilege to watch my first younger sister transform from a cute and energetic little girl, into a remarkably intelligent and independent young woman. It's so very cliché, but it feels as if it was just yesterday that I was persuading you to pick your nose and push people off our backyard deck. A lot has changed from those days, but the fact that you're my little sis is something that will never change. No matter how over-protective I can be with both you and Erica, and no matter how much of a pain I can be, remember I'll always be your big bro. one <3

I can't picture high school without you. You're always there for me, whether it be for advice on boys, picking out my outfits, helping me with field hockey or school. I'll miss our Club Abyss moments in the kitchen, your obsession with people chewing, and our girl talks, which you know I love! To Jen, my bestfriend, what am I going to do without you?

Jennifer Latz

To our shining star:
 "We wish you freedom,
 We wish you peace
 We wish you nights of stars that beckon you to sleep."

"We wish you wisdom,
 We wish you years,
 We wish you armies to conquer all your fears,
 We wish you courage for all that life demands."

May these and all your wishes come true.

We love you,
 Mom and Dad

Amanda Novak

Dear Amanda,

It seems like yesterday that you came into our life and have always given us the same love that we gave you. Through the years and with life's ups and downs you have grown into a beautiful, strong, loving woman. We wish you love and luck as you enter into college; we know you will continue to make us proud. Always remember that we will support the choices you make and will help make your dreams come true, just as you have made ours come true.

Am,

"I get by with a little help from my friends." Who would have thought freshman year that we'd wind up being the best of friends? We really are the same person and have so much fun together! "PERSERVERANCE!", "...you and your...morals!" We have unforgettable memories and tons of stories to (someday far, far away) tell our kids. I can't imagine high school without you, my best friend!

Love,
J-Dubs

J-Dubs,

I never would have guessed that we would wind up being as close as we are. You have been there for everything, supporting and helping me through the good, bad and everything in between. And I'm positive that I wouldn't want to share any of our memories with anyone else but you! For instance, our constant McDonald's runs and crazy drives around town and New Street. You have helped me in too many ways to name Jessie, I loof you my best friend.

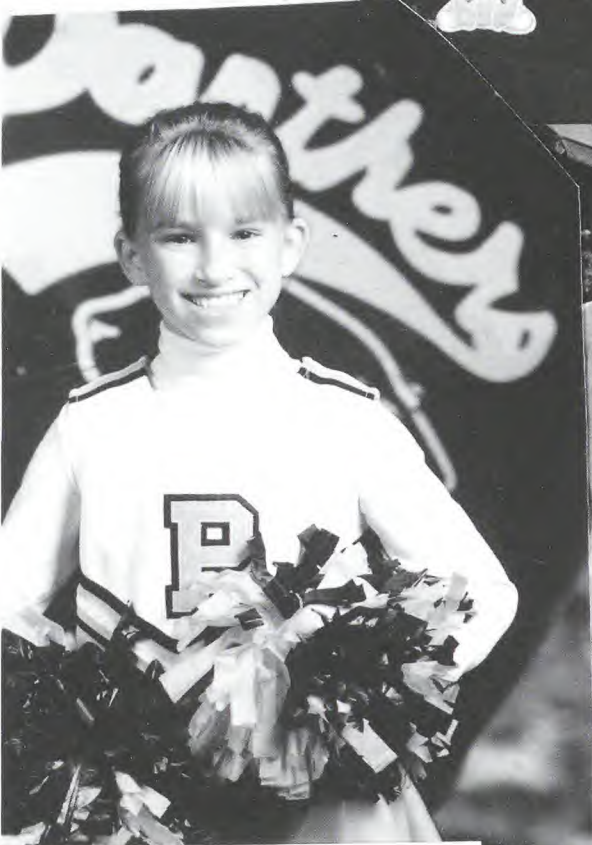

Jennifer Rose Katz

We are so proud of you Jen. You have come so far. There is so much more out there waiting for you to see. If you set your mind to it you can accomplish anything your heart desires.

We love you,
Mom and Daddy

Mommy and Daddy

Devin Leigh O'Loughlin

Jim Croce said it best in the song "Time in a Bottle": 'If I could make days last forever- If words could make wishes come true- I'd save every day like a treasure and then, Again, I would spend them with you.' May this collage of who you are and how you have grown, help you always remember how proud I am of you, how much I love you, and serve as the first block in the astounding tapestry of who I know you will become. Love always, Mom

Dear Jennifer,

Now you stand on the precipice of adulthood and independence, as you seek to pursue your life's dreams. Your history of success and hard work has prepared you for life's trials, and we trust and know that success and happiness are assuredly in your future. As you go off to college and great things, take some cherished memories of home with you. Vacations chasing snakes and alligators in Carolina, trips to dance and the auction with mom, okaying school, and clubbing with friend and brother Mark, and that harrowing day on the storm tossed seas of the Potomac. But most of all, remember that we are all proud of you. And that no matter where you are, or whatever tasks may confront you, someone is thinking of you, and you are loved!

Courtney Lynch

Dear Courtney,

I can still remember the first time I saw you in school. You were the most beautiful girl I had ever seen. Now its four years later and you're even more beautiful than ever. You've grown into such an extraordinary young woman. I can't wait to see where your future takes you. I know you will take on each challenge with great determination and success. Who ever would have thought that your high school crush had a crush on you too? Everyone said we wouldn't even last a week, but look at us now, stronger and happier than ever. All I know is you're the best thing that has ever happened to me and I'll do anything to keep it that way. You know that if you ever need anything I'll always be here for you. I just want you to know how much I love you BABE and that these feelings only grow more and more each day we're together!

Love always,

Courtney Lynch

Dear Courtney Erin,

As another chapter in your life unfolds, we want you to know how very proud we are of you. The last four years at S.W.M.H.S. have shined under the direction of your leadership abilities. When life's obstacles clouded your path you always stayed devoted and true. You are a compassionate, kind, intelligent, talented and loving person. You always give 100% to everything and everyone who touches your life. Your dedication to each and every task you have undertaken has brought you much success. So dust off those old dreams to see that they still shine and dream new dreams that will light your way. Good things lie ahead for you. Wish for them and watch them unfold for this is you destiny. As you embark on your new journey we wish you luck, love and happiness. Follow your heart in all you do and success will be awaiting you at the end of you rainbow.

Jessica Sosnowski

Jesse Mo,

Sunny days and pizza of the beach. Trips to Florida in the jeep. Maine, Mexico, Fly Swat Island, South of the Border, Smudgy, Hobie, giggling so hard in the backseat we'd get in trouble and wouldn't be allowed to talk. All very happy memories for the both of us. But one of my very happiest moments is one you have no recollection of...the day you were born. You were in Mommy's belly for what seems like an eternity, and when you finally came out, it changed my life forever. The first few days I was a little disappointed. You were uglier than I expected. But boy did this change! You are my beautiful, motivated, intelligent little sister and I am beyond proud to let everyone know that. You put your heart in everything you do and brush your fears aside. You impress me and I look forward to every year we grow closer. I love you Jessica Susan! You're an amazing little sister!

To think how long we have been friends and the roller coaster trip that it has been. To all the bad times where you helped me get back up, to the time when you were the only one who put me there. I wouldn't change a thing. You made me be the person that I am now and no words can describe what you mean to me. As the future approaches and another chapter in our lives ends, I know that even though we may go down different roads that it is just the beginning of us. I love you.

Alison Wilhelm

Dear Alison,

Seventeen short years ago, you were born and completed our family. As the years have passed, too quickly it seems, your mother and I have watched you grow up from a somewhat shy pretty little girl into a mature, talented, intelligent and beautiful young woman. Your sense of humor and integrity has made both of us very proud of you. You've kept extremely busy during your time at SWMHS with a variety of activities and shown us a work ethic that will take you far into the future.

The end of your education at SWMHS is just a small stepping stone into a future that both of us expect to get brighter as the years go by and you begin your college education. Continue on into that future by sticking with the values you've shown to us and the people around you and you'll succeed without a doubt in our minds!

As always, keep God in your heart and you'll never be alone no matter where you go or what you do. He has great plans for you! We're extremely proud to say you're our daughter!

All of our love and best wishes go with you into a bright and exciting future!

Courtney Lynch and Kerry Ronan

Kerry,

I often wonder how did I ever manage to deal with high school and the answer is simple -- YOU. The day you walked into my life it drastically changed. You always held out a caring hand whenever it was needed, you were my shoulder to cry on whenever I was down. More importantly you never judged me and always believed in the person I truly was. It's so hard to put into words how much you truly mean to me. My life has been blessed by having a friend like you. I have the best times when I am with you -- memories that will last a lifetime. Friends come and go but I know you will be a part of my life for years to come. Always remember no matter how many miles between us I'll always be there for you!

Love,

Court,

I don't even know where to begin. You have been there for me through everything. We have shared so much from the coldest tears to the loudest laughs (because we are the biggest dorks). You are my best friend and I can honestly say these four years would have been so hard without you. I know that you would do anything for me and I'd do the same for you without a doubt. Our friendship means the world to me and I'll never forget everything we've been through (some crazy stuff lol). I can go on and on about how much I'm going to miss you during college, but I know we'll see each other and keep in touch! I guess all there's left to say is: you are my absolute best friend and I love you! XO XO

You make us smile! You are a bright, beautiful and special young woman who should be very proud of her accomplishments. In the face of many disappointments and injury, your courage, exceptional determination and motivation has taught us that giving up is never an option. We have learned from you to take heart, push on and look toward the future. You are a very talented young woman whose independence and excellent judgment always amazes us. As you continue through life you will always discover ways to transform even the most difficult situations onto positive ones. May God bless you.

Love,
Mom and Dad

Layne Cronin

Layne,

Everyone says to shoot for the stars and you will find that you can go further and higher than you ever thought possible; and also those stars will guide your way. Look closer at the stars. Each one is a cherished memory. Remember your first crush? Remember the pride when you got your first "A"? There's a star that stands for that much needed smile when life got you down. Another for a shared secret between friends. That bright one stands for that school concert about "The Nutcracker". Remember the field trips, gym class, the "notebook" that was passed

back and forth, sleepovers, proms, finishing your first cross-country run, the warmth of your varsity jacket, and ketchup?

As you go forward in life, create new stars. Gather all the stars that the heavens can hold. They will sustain you throughout your life; if you can only remember to appreciate their light.

We are all very proud of you. You have always worked hard to achieve your goals. You are, and always will be, our shining "star".

With all the love our hearts can hold,
Mom, Dad, Margo and John

Devin O'Loughlin, Jessie Weissman and Alison Wilhelm

To my two best friends, what can I say that you don't already know? We three share most everything, from secrets to the mundane. But more importantly we bring out the best in each other, what a best friend is truly for. In just a short while our lives will drastically change- we will go our separate ways, off to college then to begin our careers. But we won't have to face the big, bad world alone because we'll always have each other. Aristotle once said, "A friend is a single soul in two bodies," and I just feel lucky to share my soul with TWO best friends as great as you!

Victoria Salum

We hope we've given you both the roots of a firm foundation and the wings to explore life on your own terms.
