Oh, The Places You Will Go!

Life takes you from the places you know and love, to the places you never thought you'd go. But as you live your life day in, day out, the one thing you can never live without is the memories you make, and high school is just looming with them. From your first day of class, to the games and activities you attend, nothing can ever compare to the memories you make at S.W.M.H.S. You will definitely be surprised as to how overwhelmingly fast your years go by, yet in life, we all must move on. The memories you make not only teach you life long lessons, but they also give you something extraordinary to look back on. As we look towards the future with high school set in mind, you can just think, "Oh the places you will go...."

MAQUIDA HENLEY

The best thing about being a Bomber is the sense of unity that we have among ourselves.

Being a Bomber means having pride, responsibility, and dedication to school spirit.

Junior Prom

May 12, 2005

Our high school careers have almost come to a pit stop and we are about to embark on a journey into the real world. When reflecting back on our junior year, nothing can come to mind except the junior prom. On May 6th, the Garden Manor was pleased to host the junior prom of the graduating class of 2006. The theme of the prom was derived from the prom song by Faith Hill called "There You'll Be." The beautiful scenery helped the occasion to be even more glamorous. The dancing and excitement filled the room as the night went on. The class of 2006 was ecstatic with their choice of Prom Prince and Princess, Brian Martinez and Caitlin Boverly. It was an unforgettable night.

Pep Rally

October 14, 2005

On this brisk October morning, each and every student was dressed in his or her class color, showing class spirit. Each fall sport and team was introduced as the cheerleaders, step squad and marching unit performed for the crowd. In the Tug-of-War competition, Seniors first won against the Juniors, and after overcoming the Freshmen, triumphed as the first-place winners of the competition, earning class points for the win. Although it was quite chilly out, the weather did not hinder the students' class pride since cheers and whoops could be heard across the whole field.

HOMECOMING

October 14, 2005

Even though the original Homecoming date was cancelled due to the unfortunate weather conditions, memories were still made on Saturday, October 15, 2005. Bombers Memorial Stadium was packed with cheering fans who came for nothing but a great Bomber game against J.P. Stevens. The theme was "Childhood Recollections", a salute to television "Classics", and the class floats represented just that. Taking their spot at number one was the class of 2006's float, themed "Happy Days". The Homecoming queen of 2004, Afia Genfi came back to crown this year's homecoming queen, Nicolette Macagnone. The game was enjoyed by the usual die-hard Bomber fans as well the alumni of classes 1945 to 2005. Amidst all of the excitement, the Bombers were victorious with a score of 42-13 by the end of the game.

EXIT 12

LAST STOP IN SAYREVILLE : SENIOR YEAR

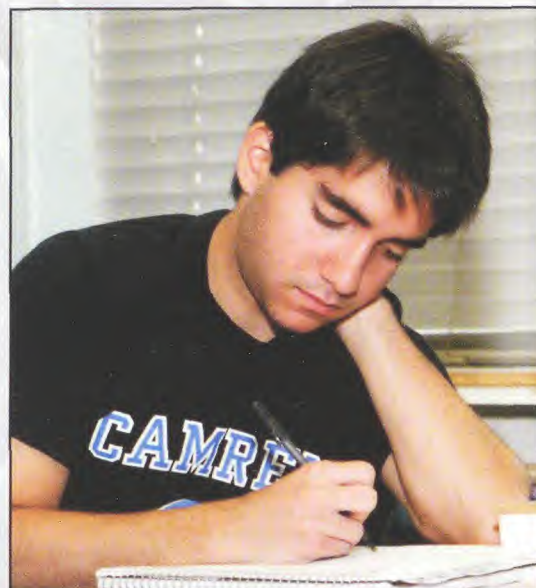

Oh the places we will go,
Oh the places we will see;
But no matter where life takes us
We know where home will always be.
We'll all go off into the world,
Who knows what we'll be,
Or the achievements we'll make
Just wait and see.

No matter where we might go
Here are some things you'll need to know
Carry these tips in your heart
For whenever life tries to tear us apart.
Always dream big and reach for the stars
And help those who need it wherever you are.
Reach for your goals, even if they seem far
Because the more you try, the closer they come each day
Be kind to those who surround you
Even if they aren't in return;
Accept people from all walks of life
And the lessons of tolerance you will learn.
Have faith when things seem to be going wrong
Because holding on to the positives will keep you standing
strong.

So as we graduate, keep in mind
That here today, we made our mark in time
Now go make all of your dreams come true
and don't forget where it all started:
Right here, in the home of the grey and the blue.

Academically, this is evident through her various awards, including the Rensselaer Medal, University of Rochester Humanities and Social Sciences Award, and Edward J. Bloustein Distinguished Scholars Award. In school, Tina participates in various clubs and organizations, such as National Honor Society, Spanish Honor Society, Mu Alpha Theta, Talented and Gifted, and Peer Mediation. Outside of school, she allocates most of her time between church and dance. In her spare time, Tina enjoys reading and being with her friends. To learn more about the science field, her area of interest, Tina participated in Douglass Science Institute for the past four years and also attended Governor's School of Science last summer. She will go to college next year with hopes of one day entering the medical field and becoming a physician. Most importantly, Tina would like to thank her family, teachers, advisers, and friends for all of the support, encouragement, and guidance they have provided her throughout her life.

2006 - Top

Achieving straight A's, practicing impeccable study habits, and long, tedious hours of studying (in addition to juggling athletic and other extra curricular activities) - that's what it means to be Top Ten of the Senior Class. These individuals, in addition to having the highest grade point average in their grade, are they very essence of what Sayreville War Memorial strives to create in every student who walks these halls. Not only are they dazzling students, but their enthusiastic dedication to various after school activities proves that grades alone aren't enough to define a winner. Each student has one monumental aspect in common, one facet to these shining gems which will one day pave the path to success - a burning desire to always excel in every aspect of life. Congratulations to the Top Ten Seniors of the Class of 2006!

#1 - Sonal Gandhi (Valedictorian)

#2 - Tina Varghese (Salutatorian)

Rick snowboards and is an avid bowler, participating as one of the captains of the Bombers Bowling Team. Additionally, Rick is a member of FBLA, NHS, Spanish Honor Society, Mu Alpha Theta and the Math Club. Rick especially enjoys hanging out with his friends when schedules allow. He is looking forward to expanding his horizons at college this fall.

A NEW REALM

BY DHAWAL KAPADIA

Yesterday, we were fearful minnows,
Unsure of what the future had in store.
Our lives were filled with doubts and pressures
That we could take no more.

Caught in a labyrinth of complications,
We lacked the courage to take a chance.
Being disoriented and lost
At every obstacle, we fell into a trance.

Hesitant, cautious,
At every step of the way,
We were afraid of swimming alone,
And tried to free ourselves night and day.

Struggling to escape from the confines of our immaturities,
We were waiting for the time to purge our fears and insecurities.
Not having the solutions to solve and clear the mess,
We were lost, and desperately searched for the path which would lead to success.

Today, as we look back on our past,
We realize a great deal.
As we put together those tiny bits and pieces,
The wounds caused by our juvenile behavior begin to heal.

We evolved from apprehensive minnows to self-assured dolphins,
Possessing the confidence to fulfill every single ambition.
It is time for us to enter a new realm of adulthood,
And our self-confidence makes us ready to face the transition.

Audaciously probing unknown depths,
We are in control of our own destinies.
Knowing that we hold the key to our future,
We strive to maintain our exclusive identities.

Not having nearly satisfied our inquisitiveness,
We want to explore the real world without fear of any possible strife.
We have overcome the mouse race of high school,
And are now prepared for the rat race in life.

JUNIOR JUNCTION

As freshman, we entered SVMHS still used to teachers beginning every other sentence with "When you get to high school." Well, for some, it wasn't that much different than the middle school. Sophomore year was basically the same thing. Finally, we're juniors. All of a sudden those easy check quizzes turn into comprehensive reviews and those "lazy days" right before the holidays are full of class work – AND homework for the vacation. Now instead of teachers warning us about high school, it's "When you take the HSPA's..." Junior year finally reveals the roads life can take us, complete with wrong turns, dead ends, and fork-in-the-roads. All these new responsibilities in addition to the pressure of applying to colleges are enough to easily send anyone down the wrong lane. The question is: where will YOU let your life go from here?

Right: Krystalyn Christensen and Curtis Clark joke around before the start of history class.

Bottom Left: Justin Gilkes concentrates on his work.

Bottom Right: Nick Pilszak walks down the crowded staircase in order to get to class on time.

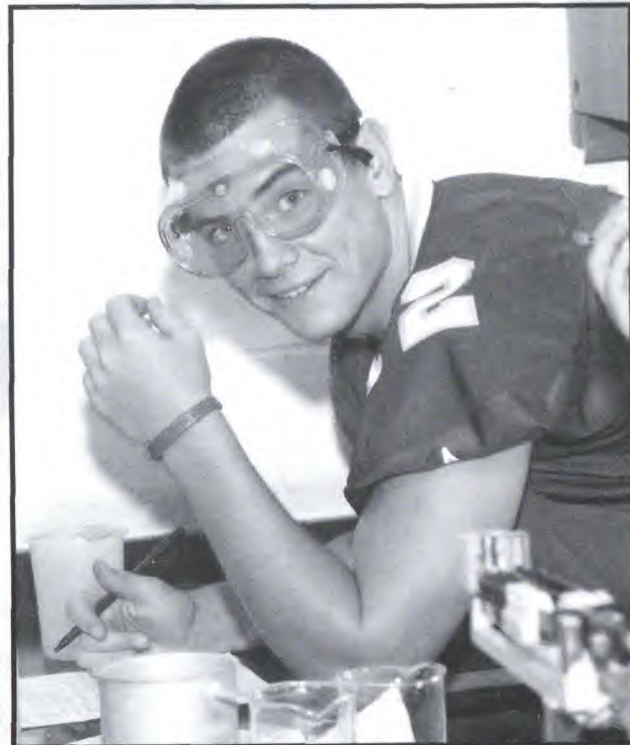

Left: Melissa Roman smiles during class.

Right: Daria Vendelova and Brenda Diaz stop to pose for a picture on their way to class.

Above Left: Sarah Affify, Kim Capik, Jessica Ng, Adriana Oviedo and Rachel Espiritu share a smile before class.

Above: Mark Margres records the results of his chemistry experiment.

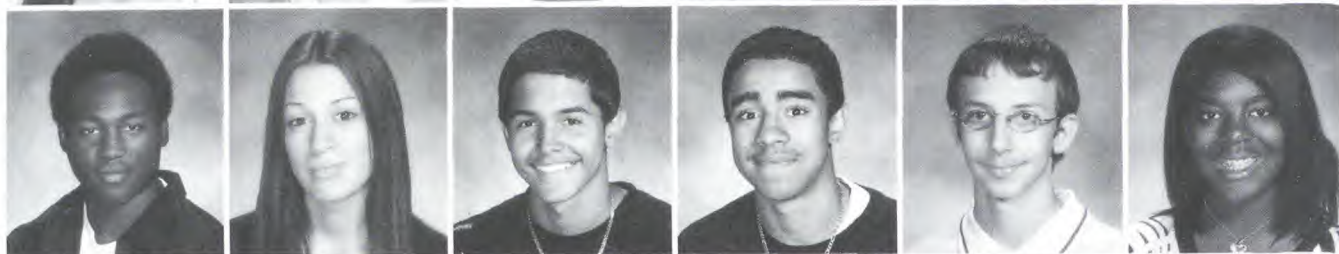

Left: Two photogenic members of *Quo Vadis* take a moment to smile for the camera on class picture day: Kate Santoro and Alison Fernandez.

SOPHOMORE STATION

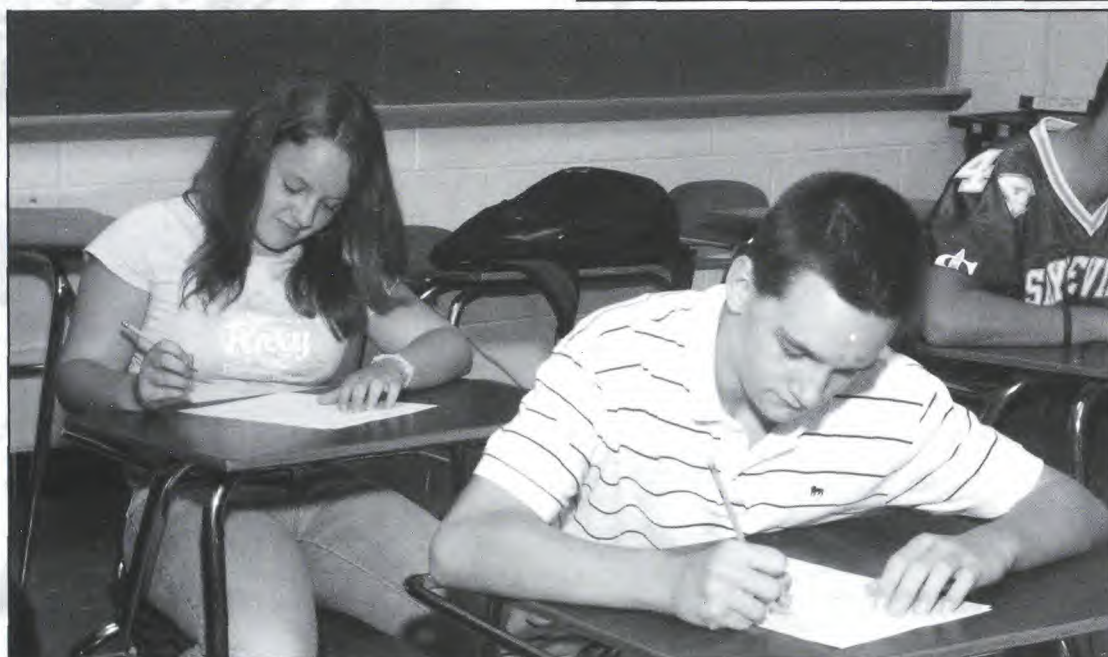

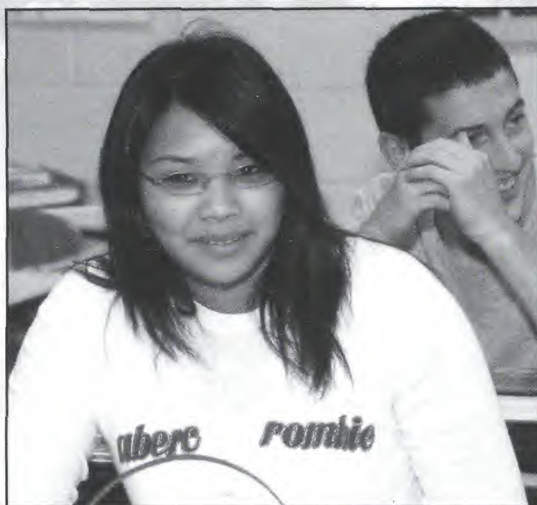

They've been there, they've done that but the sophomores are still on their way. Having experienced their first year of high school as freshmen, they now know where the Ewing is, how to take short cuts to class, and the proud feeling of being an actual high school student. Although it seems like the sophomores have traveled miles between the crowded hallways and on their walks home from the bus stop, they still have a long way to go before their high school journey comes to an end.

Sophomore year was basically the same thing. Finally, we're juniors. All of a sudden those easy check quizzes turn into comprehensive reviews and the "lazy days" right before the holidays is full of class work – AND Homework for vacation. Now instead of teachers warning us about high school, it's "When you take the HSPA's..." Junior year finally reveals the roads life can take us, complete with wrong turns, dead ends, and fork-in-the-roads. All these new responsibilities in addition to the pressure of applying to colleges are enough to easily send anyone down the wrong lane. The question is; where will YOU let your life go from here?

Mr. James Brown

To the Class of 2006

I can still remember the day that you walked in the doors at SWMHS. The sheer amazement of the size and freedoms of the high school made for the highlight of conversation. I can remember many of you walking between classes, checking out the "fastest routes," practicing your locker combinations and asking around to see who was in your lunch.

It is because of you, the Class of 2006, the high school has become a better place. Your leadership, commitment and spirit will forever live here. The mark you made is indelible. Whether it was athletically, academically, community service, or just plain old "bomber spirit" you have each made a difference in someone's life here at SWMHS.

As we close in on the last few weeks here at SWMHS it is my sincere hope that when you look back on your years here, you feel that you were prepared to meet the challenges that life will put before you.

On behalf of the administration, faculty and staff at Sayreville War Memorial High School, I wish each and every one of you the happiness of a productive life, the respect of your peers, and the love of your family. May the future be yours!

The best of luck and congratulations to the Class of 2006!

William Shakespeare's old drab and dark drama has been transformed into a modern, updated version with music, dance, and video on the SWMHS stage. *Hamlet* is a classic drama that deals with the personal struggles of the lead character, Hamlet, who is faced with grief over the loss of his father, hatred for his Uncle Claudius, and the loss of his love Ophelia. This classic is truly brought to life on stage and the SWMHS theatre society can add this to their long list of successful shows.

The SWMHS theatre society once again lights up the stage with their rendition of "Once on This Island," a play based on the novel "My Love, My Love" by Rosa Guy. The play opens with the rescuing of a young girl by the gods, who is then given the chance to live a life with a magical fate. When she grows older, she prays to the gods that the life she was promised would finally begin – a life of her being taken away by a stranger in white to live a grand life. Her prayers are answered, as the gods make her the test to prove whether death is stronger than love. The play continues with several events that prove ultimately that love will prevail over death.

Football

This year's 2005 Varsity Football Team finished with a 7-3 season. They were led by head coach George Najjar, who was assisted by the three captains Shaune Thomas, Michael Velardi, and Herbie Nieves. The effective coaching and the team's support helped the players get through some very tough games against top teams. The Bombers qualified for the State Tournament, but unfortunately our boys did not bring home the title.

All the players worked their hardest to make this season successful. They played their hearts out in every game and some of them were recognized as All Red

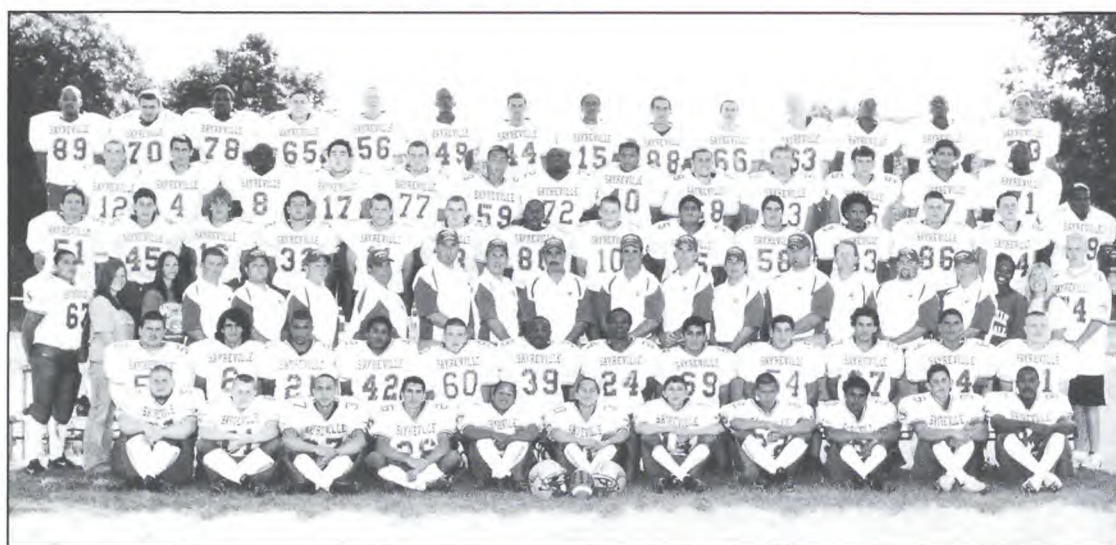

Division. Those players were seniors Shaune Thomas, Herbie Nieves, Nick Grecco, Taras Idak, Mike Velardi, and Devin Holmes, along with junior Bobby Woods and sophomore Rashiem Clarke. Senior running back Shaune Thomas was named to the All Area team. Senior tight end Herbie Nieves was named to the All Area team. Junior kicker, Bobby Woods had a total of 48 points which had him named to the All Area Team and was also named thirteenth best in Middlesex County. We are looking forward to another successful season with all the returning players.

Girls' Soccer

The Lady Bombers earned their second consecutive GMC White Division Championship. They were led by Coach Steven Fischer and Captains Lauren Bednarz, Jessica DaRold, and Caileigh Giovenco. Their leadership and inspiration led the team to an 11-4-2 record. Jessica DaRold, Sarah Janas, Lynn Mayer, and Kate Vassallo were named to the GMC White Division Team. Jessica DaRold was named All-Conference. The girls had a great season but it ended shortly after the state tournament

started. The team was held together with an amazing defense. Sarah Janas, Lynn Mayer, and Kayla Hubela helped goalie Jessica DaRold rack up twelve shut-outs. Of course the season would not have been anything if it wasn't for a strong offense. Erin Dusko was this year's leading scorer with a total of eight goals. The Seniors made this year unforgettable and will always remember this year. The underclassmen who will be coming back are ready to make another successful season.

Field Hockey

The Bombers Field Hockey team was once again the team to beat, but because they lost 9 starters from the previous year, many had their doubts. A season that started off bad with two straight losses ended with an outstanding record of 14-5-1. the fact that they got as far as they did reflects upon the leadership provided by both the captains and the coaches. The motivation and the determination instilled in them by their coaches, Head coach Lynn Taylor and assistant coach Christa DeLucia, are what made this team as tough as they were. "Beyond

the Limit", the teams' motto for this year, resembles the hard work these girls put into their season and going beyond the limit is just what they did, placing 2nd in the Greater Middlesex Conference Championship finals against East Brunswick. Senior Megan Mazur and Junior Erica Latz were honored with spots on the All-Area and All Conference Teams. Greater Middlesex County Honorable Mentions went to seniors Lorianne Miklaszewski and Simone Saxon, and junior Kristy Langella.

Boys' Cross-Country

Coach Brett Scully helped the boys' cross county team survive another season and this time it was in the toughest group, the red division. Since the team lost their two top runners from last year, the next two in line Aaron Ampaabeng and Jonathan Vedia needed to step it up and guide their teammates. Overall the team, led by Captains Aaron Ampaabeng, Greg Flakker, and Danny Giovenco, displayed an outstanding performance by finishing 10th in the GMC's. Even though their only victory was against Piscataway, the varsity members consisting of Seniors Aaron Ampaabeng, Greg Flakker, Danny Giovenco, and Christian Vedia, Juniors Christopher Stratton and Jonathan Vedia, and Sophomore Shane Zuczek all gave it their best in one of the hardest courses, Homdel, by finishing 12th in the State Sectionals. The leadership abilities of Captains Gerard Green, Larry Pokrywa, and Tom Robinson, as well as senior Kasper Wilusz, junior Kofi Genfi, and sophomore Bryan Champagne, made it possible for the Bombers to achieve success during the 2005-2006 season. As a crowning moment of his basketball career, point guard

Gerard Green was chosen for 2nd Team All-Division. Recipient of the Coach's leadership award, Larry Pokrywa led the team in three-pointers, making 29 this season. Bowling

In only its second year, the 2005-2006 Bombers Bowling Team has made great strides. The roster was immediately exposed to competition with some of the best teams of the area, and continued to compete at that intense level throughout the year; the team faced non-stop action each week with ever changing conditions requiring constant adjustment. The team was entered in various tournaments and matches opposing teams throughout the state, always showing extraordinary effort which continuously paid off with finishes in respectable slots. Several highlights of the season include a high game of 288 rolled by junior Christopher Lighty during one particularly heated match. One other noteworthy event included an outstanding performance by David Jackowski at the GMC Individual Qualifying Tournament which led to an invitation to compete amongst the New Jersey's top 20 bowlers the following week at the GMC Individual Tournament. Overall, this season proved that Sayreville Bowling will soon stand with any other high caliber team in the region. Many talented young members ensure the longevity of the program as well as its development into a top ranked team

The 2005-06 Bombers Swim Team continued to improve showing promise for the future. Although the final record was 2-9, this number does not reflect even a fraction of the hardwork, dedication, and perseverance that both the coaches and swimmers put into this team. Several top swimmers made quite a splash by finishing in the top 16 at GMC's and scoring points for the team. First, top 8 finishers at the Championships included freshmen Rachel Lutz and Alex Ratajczyk, both all-conference swimmers. Also scoring points for the team were sophomore Ryan Behr and senior Paul Ratajczyk, with 14th and 12th places respectively. Other graduating seniors that had great seasons included Danny Giovenco, Tom Ingrassia, Valerie Swartz, Heather Boylan, Kristen Kraemer, Daniel Kraemer, Jon DaCosta, and Brian Libretti. Wrestling

The Sayreville Bombers 2005-2006 Varsity Wrestling Team set a new standard of success which has never been achieved in their long history. The Bombers started off the season with a new coach, former Sayreville wrestler John Denuto, leading the Bombers to a 17-7 season which broke the record for most wins in school history. The Bombers placed 2nd at their Christmas Tournament as well as 2nd at the Elizabeth Invitational Tournament. In addition to this, the Bombers beat East Brunswick for the first time in 13 years. The Bombers biggest accomplishment came at the end of the season when they were crowned District 20 Team Champions for the first time in school history. Sayreville was led by a hardworking group of seniors in Mike Velardi (captain/31-4), Tom Danielsen (captain/34-4), George Kosanovich (captain 23/11), Herbie Nieves (21/11), and An-

tonio Couzo. Sayreville had many outstanding individual achievements throughout the 2005-2006 season which included: Mike Velardi becoming the first County Champion since 1995 and breaking the school record for quickest pin with :07 seconds, Tom Danielsen breaking the school record for career wins with 96 as well as most wins in a season with 34, Herbie Nieves who in his first year of wrestling broke the school record for most pins in a season with 17, crowning four 2x District Champions for the first time in school history, and qualifying three wrestlers (Tom Danielsen, Mike Velardi, and Eric Tsang) for the State Tournament which is a new record. Even with such a great season, the Bombers' wrestling team, have set bigger goals for next season and have already begun working hard to achieve them so they can get to the next level. Go Bombers!

The boys prove they can work hard and play hard.

To my sister Casey,
To sum it up in simple words all I would like to say is "Thanks." You always there for me whether it was as a sister, friend, coach, or as a person to look up to. Whether it was an injury that hurt me, or my friend, you were always there to mend my pain. I know that anything you do in your future you will be as good as you wish to be. Whether it is as a teacher, a coach or a counselor (you better be with all the practice I've given you!!)

I love you,
Jennifer

Remember the memories
Remember the laughs
Remember these friendships
that will always last!

Lauren Bednarz

Lauren,
Words can't describe how proud I am of all your accomplishments thus far. The issues that you dealt with these past four years have molded you into the strong young woman you are today. I still remember the days when I looked after you in elementary school. Those days are long gone, but I thank God everyday for allowing me to share them with you. Ever since you were younger I know I have been overprotective of you at times. I just want you to know that I love you dearly and would do anything to prevent you from harm and to keep you happy. That said, I wish you the best of luck as you choose your next path in life. Always know that I will be behind you every step of the way.

Love, Justin

Laur,
They say that a sister is a close woman friend or companion. Well Lauren, you're that and ten times more. You not only perfectly fit the definition of a sister, but you're also my best friend. Ever since we were younger, we were always inseparable. From Mom and Dad dressing us up in the same outfits, to me wanting to be exactly like you, I have always looked up to you. I constantly come to you for advice, and no matter how busy you are, you always find the time to listen. After all, you are my role model. I know that you'll succeed in whatever you choose to do in life. I love you with all of my heart and thank you for the wonderful memories of our sisterhood.

Love always, Katy

Lauren Bednarz

Lauren,

Throughout your four years at SWMHS, you have continually demonstrated your great qualities of kindness and compassion for others. Those who have come to know you for who you are have also learned this firsthand.

As your dreams and aspirations lead you into the collegiate ranks, never forget the important things, those little things that you do as second nature that mean so much to others - like always saying "thank you", and making everyone you touch feel welcome and important in your own special way.

Life is indeed a long journey with its many paths and crossroads. Although the road was sometimes rocky, you have persevered and stayed the course.

You have touched those who surround you, and we are truly blessed with the gift of having you as our daughter. You will make your mark on the world - you are destined for it.

All our love,
Mom and Dad

"May the best day of your past be the worst day of your future".

Remember to trust your instincts and always chase your dreams, for learning is a journey without a destination.

May the road rise to meet you...

Love,
Mom, Dad and Joey

G- Remember that Christmas when you got your head stuck in my dollhouse door? Or the dinner where you traumatized me for life because you told me all Flakker's had big ears?! And all the dinners that I drove you crazy because I'd sing in my fork? You are sure going to miss me at college next year - don't worry I'll visit. Congratulations on graduation, I am so proud to say that you are my baby brother. You are such a genuine person and you will do amazing things in whatever you choose to do. Nicole,

The years have gone by so fast. It seems like only yesterday that you started pre-school with that big smile on your eager to rush off to school. Now you're a senior getting ready to graduate and eager to rush off to college.

We are so proud of you and you make our lives complete. You are truly a gift. Now it's time for you to move on to another chapter in your life, college. Be happy, have fun, but work hard.

We love you,
Mom and Dad

Jill Aislynn Doherty

Jill,

You're a very special person who has a lot to offer. We feel blessed to have you. Memories are priceless and you've given us the most precious to embrace.

From early childhood you were especially gifted with your "animal connections." All your pets over the years adored you just as much as you did them.

We love your sense of humor...both versions, the silly and the sarcastic. And your unique singing.

Life is a learning process. Learn from other people's mistakes and your own. Your inner voice and gut instincts will help you make the right choices. When in doubt do without.

Remember, yesterday is history, tomorrow is a mystery, today is a gift, that is why we call it the "present."

Our suns rise and set over you daily. You'll always be mommy's "baby girl" and daddy's "princess."

Live, love and laugh, the best of health is wished for you always.

God bless you - Love,
Mom and Dad

Stephanie Manas

We love you very much!

Cody, when you were little you always had a ball or hockey puck in your pocket. We thought we would never see each other again, but look at us now; we're still together, learning, growing, and caring about each other like we just met. I am still lost in your beauty, humor, love, and all other things you offer. Well, I just have to thank you and tell you that I am so happy you were there right next to me the whole way through. I'll always love you with all my heart. Congratulations baby!

I'm so proud to say that you are my boyfriend. I will love you forever.

Shaun,
Life might not always go our way, but we make the best of it. You've gone from being my best friend to my true love, but still will remain my best friend at heart. You are there for me whenever I need you the most. Life is so much better with you in it. You have taught me to be a better person. With you I have learned how to love and be loved. I know in the future, we will be there for each other no matter what. Time and distance can drive us apart, but our love will keep us together. I know you will do many spectacular things in college. I will miss you very much, but you have my love "Yesterday, Today and Tomorrow"

I Love You Baby

Shaun Redding and Erin Dusko

Erin,

Wow! We're actually graduating high school. I am so proud of you and all you have accomplished. You had astonishing grades and were an eye-opening athlete. I am happy to have you right by my side through the good times and all the bad ones too. It all began in Seaside Heights right after Junior Prom on May 7, 2005. Since then, we have had many life lasting memories. We've gone to Belmar, Wildwood, and on two beautiful cruises. I hope all your dreams come true whether I'm a part of them or not. No matter what, you will always be my baby and you will always have that special place deep in my heart. I give you all my love yesterday, today, and tomorrow.

Love,
Shaun

Nikki,
Throughout my life I met people that I thought were my true friends until I met you. I know no matter what you're the one I can go to but not just that I know whenever I am with you I am going to have fun. There is never a dull moment with us, (breaking out of the mall) I love you to death and can't wait to see what the future brings us. Good luck in college you will do great. Love Always Erica (your business partner)

For being a best friend, believing in me, taking sacrifices for me, and always staying by my side no matter what. I admire you so much and I will always look up to you. Good luck next year I know you will succeed in whatever it is you put your mind to.

From the moment you were born you have brought nothing but joy into our lives; except when you dropped a fly ball in softball. In the early years it was dance, gymnastics and taekwondo and in the later years it was acting, singing and cheerleading. All of these have molded you into the special young lady that you are. Continue being yourself - confident, compassionate, energetic and dependable - and you will succeed in everything you do in life. We are very proud of you. Congratulations Katilyn
 What do we write, where should we begin?
 As we look at photos on this page
 Reminiscing of you at a younger age
 We remember all your cute ways
 The special things that you would say
 The expression on your little face
 Your warm, sweet & tender embrace
 Your first day of school you sat on the bus
 Looking out the window, you waved goodbye to us
 It's hard to believe how time has past
 How could the years fly by so fast?
 Your high school graduation is finally here
 We'll try not to shed a single tear
 Even though you're a fine young adult
 We'll still be here for you to consult
 You have special qualities that make us proud
 That make you stand out from the crowd
 You're smart, compassionate, and loving too
 These are only to name a few
 Good morals and values, a good listener too
 A loving daughter sincere and true
 For as long as we live, we'll be there for you
 In the choices you make, the things that you do
 May your future bring the best things your way
 For in our hearts you'll always stay
 Love, Mom and Dad

Dear Anthony,

It's hard to believe 18 years has passed since you were placed in my arms. It seems like yesterday.

You've been a great achiever in school and involved in many school activities. Daddy and I are so very proud of you.

Work hard, enjoy life and know that we are always here for you!

Love,

Dear Anthony,

From the day you set foot in Sayreville War Memorial High School, you were destined to become an integral part of every facet of high school life. Whether it be marching band, co-op, class council, technical crew or one of your many other endeavors, you have left an indelible mark on those who you have come to know, befriend, and love.

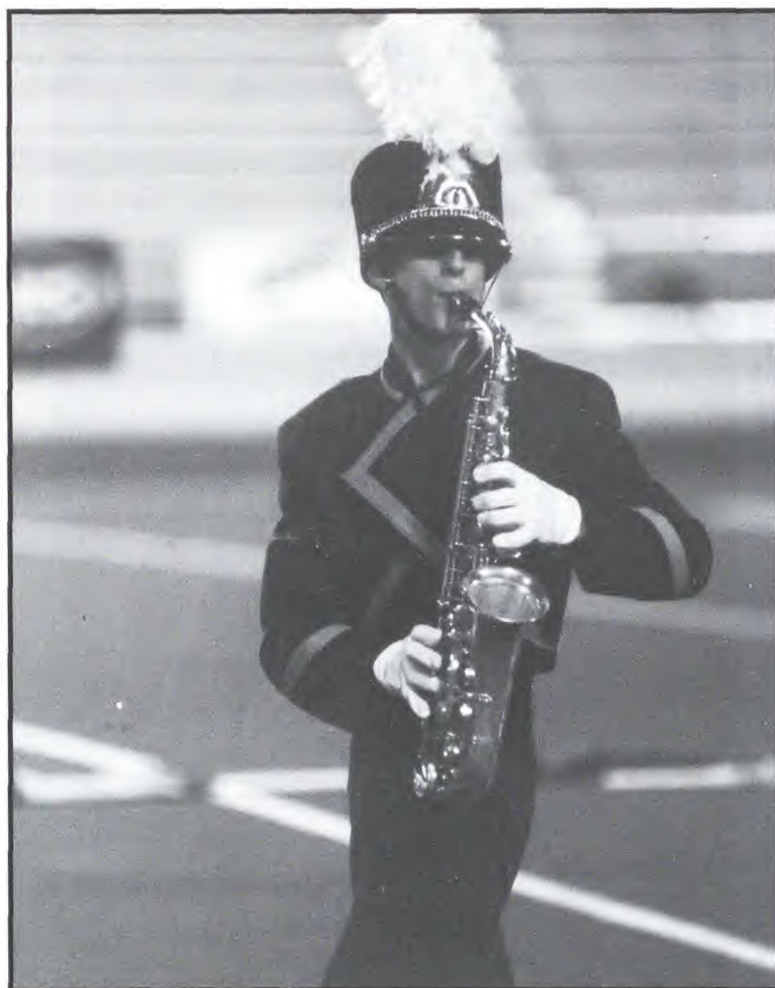

And so it is too, with the two of us. From the day you entered my life, you would leave that same indelible mark on my life and grow up to be a fine young man with an incredible future full of creativity and great things to come.

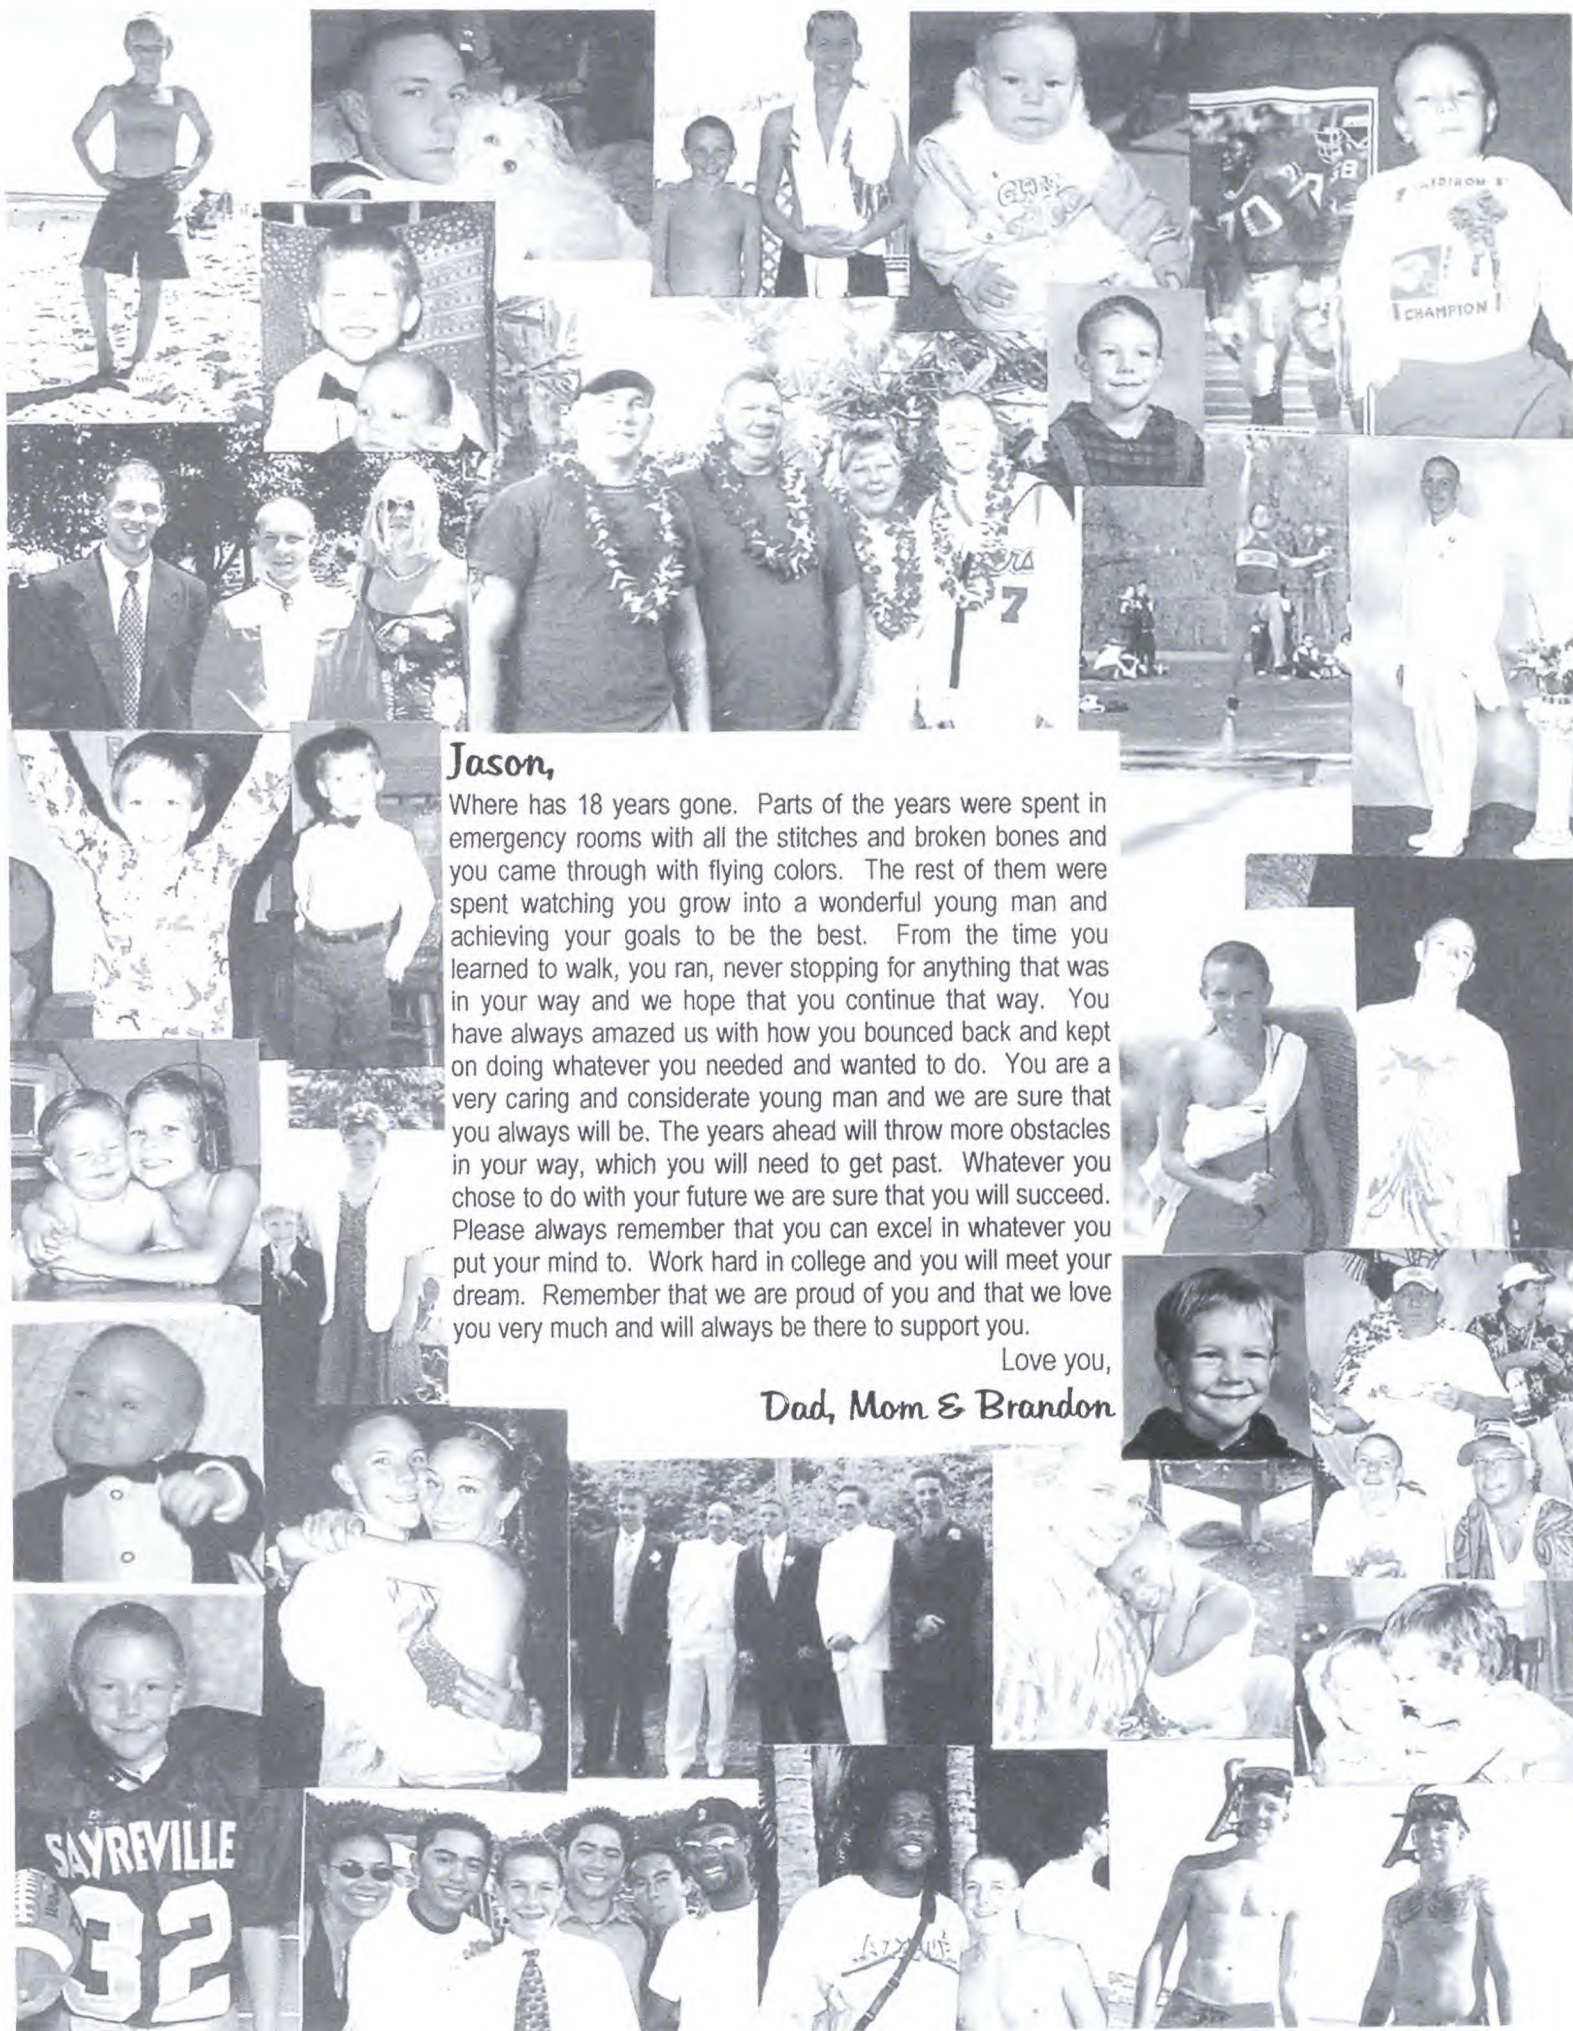

You know I always said that graduation is a night I truly enjoy and look forward to all year long. It's a night I can be proud of our students. This one will be extra special because it is also a night that I can be prouder than I have ever been of my brother.

Your future is bright. Work hard. Play hard. But most importantly, take the time to truly appreciate the things in the world that are the most important: family, friends, and the wonderful gift we call life.

Congratulations and God Bless. I am so proud of you!

Love, Kevin

Jason,

Where has 18 years gone. Parts of the years were spent in emergency rooms with all the stitches and broken bones and you came through with flying colors. The rest of them were spent watching you grow into a wonderful young man and achieving your goals to be the best. From the time you learned to walk, you ran, never stopping for anything that was in your way and we hope that you continue that way. You have always amazed us with how you bounced back and kept on doing whatever you needed and wanted to do. You are a very caring and considerate young man and we are sure that you always will be. The years ahead will throw more obstacles in your way, which you will need to get past. Whatever you chose to do with your future we are sure that you will succeed. Please always remember that you can excel in whatever you put your mind to. Work hard in college and you will meet your dream. Remember that we are proud of you and that we love you very much and will always be there to support you.

Love you,

Dad, Mom & Brandon

Dear Meghan,

Stephanie Manas

We were five years old and knew of no pain. Laughed, sang songs, and played foolish games. Petty arguments arose about Barney and our future fame, but no matter what, we clung to each other as if we hadn't seen the other in days. Now 12 years later, we see how time has gone by. We reflect on dance recitals, the plays, and memorizing lines. We've experienced the high school drama, stress and lies, But no matter what, we stuck together and held our chins high. There were times that we strayed, but we can't stay apart no matter how hard we try. As we've grown and matured together through these trying times, We've learned that nothing has changed, as our friendship is destined to last a lifetime. Thanks for sticking by me these past years.

Love,

You Can Go Home

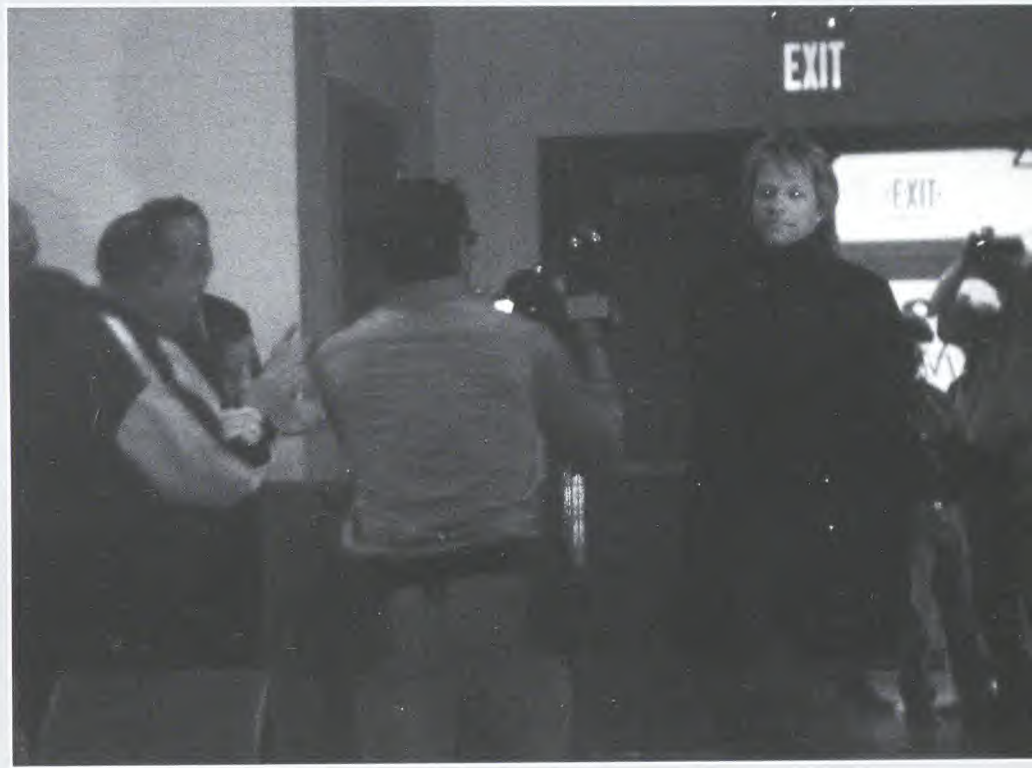

In he walked, tight blue jeans, dazzlingly bright teeth, and great hair; the artist otherwise known as Jon Bon Jovi. On March 16, 2006, performing arts students at SIMHS were treated to a once in a lifetime event - the homecoming of none other than the man who put Sayreville on the map. A camera crew from 20/20 was there to film Bon Jovi, Class of 1980, on his return to the high school.

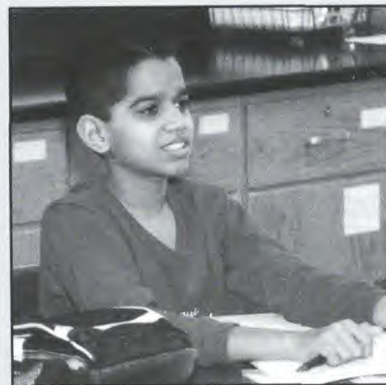

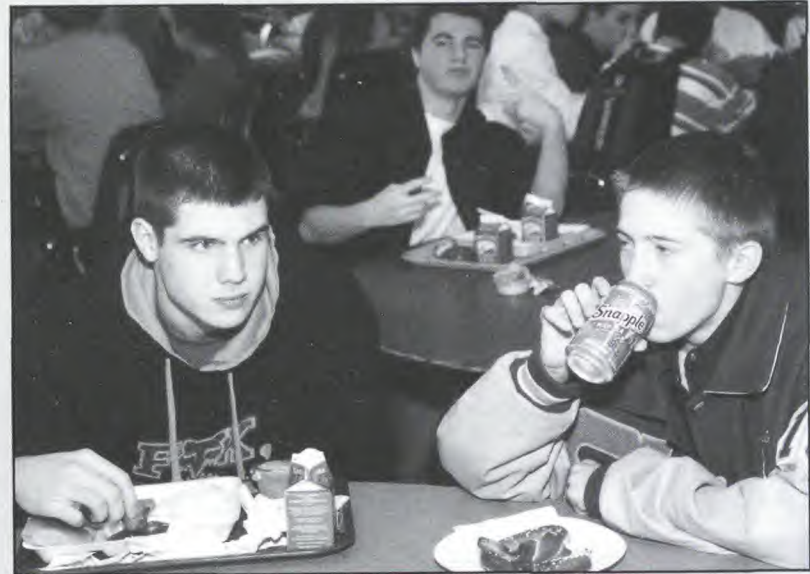

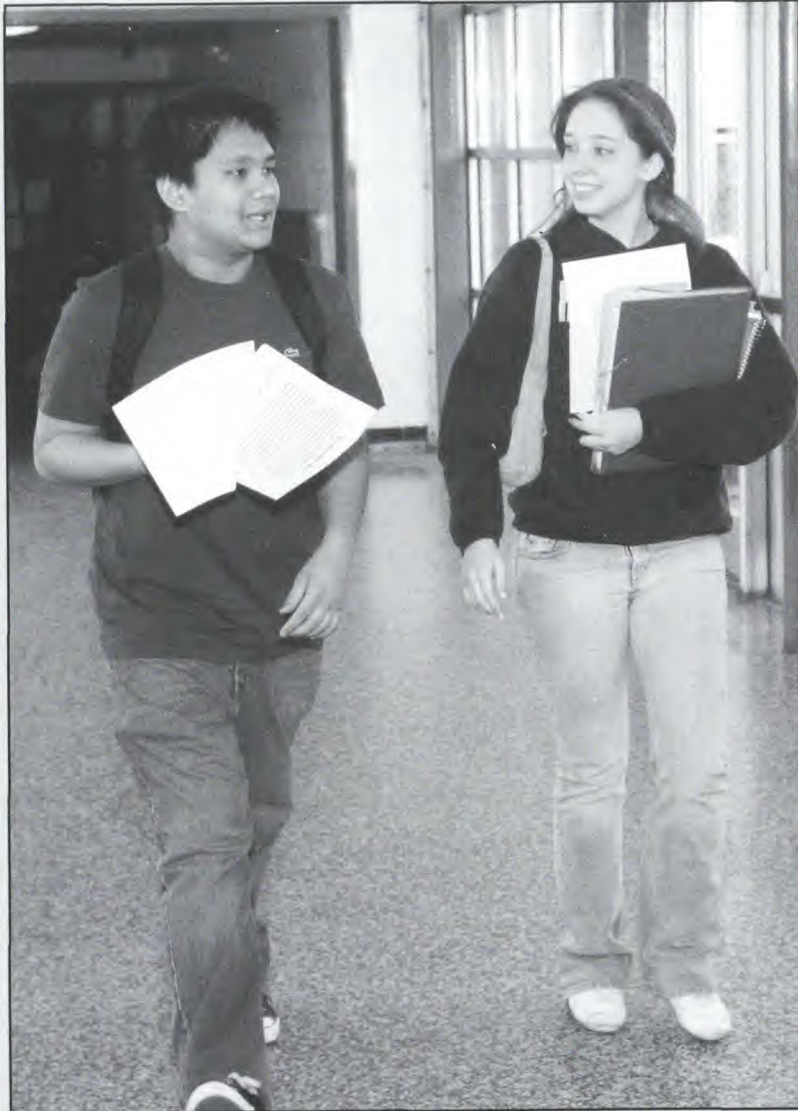

In the ensuing question and answer session, lucky Terri Huggins, had her question featured in the March 31st edition of the show titled "Up From Nothing." Bon Jovi's suggestion for future rock stars and musicians, "Dare to dream...Dare to dream and believe that you can do it."
