# TOP eight

We are the Class of 2008: we are at the top. But our graduating year is not the only "top eight" around. The number 8 surrounds us in ways that we may not have even noticed before: eight planets revolve around the sun, eight legs of a spider scuttle around in the dark, we ask the magic eight ball to confirm life's unanswered questions...the list can go on forever. The Class of 2008 has come far, but it would be nothing without its succeeding classes and the experiences of previous years that put it on the "top." We are here to point out some of the "top eights" in today's life, but there is no doubt that the Class of 2008 will always remain the best Top '08 in SWMHS history!

# Arabian Nights

*Junior Prom - May 4, 2007*

An enchanted evening was in store for the Class of 2008 as the students eagerly assembled into the Woodbridge Sheraton on May 4, 2007 to celebrate their prom. The hall was beautifully adorned to express the "Arabian Nights" theme, with a predominantly purple, red, and gold color display. Dressed to impress, couples strolled about in an array of vibrantly colored dresses and tuxedos. After being voted Prom Prince and Princess by their peers, Matthew Welna and Kristen Quinn danced to the prom theme song, "A Whole New World." The Junior Class Council along with advisors Ms. Amato, Ms. Jayson, and Ms. Bruno put much effort into making this evening a delightful night to remember for the Junior class. The combination of the theme, decorations, music, food, arrangements and preparation, and of course the Class of 2008 just may have placed this Junior Prom among the Top 8 proms of SWMHS!

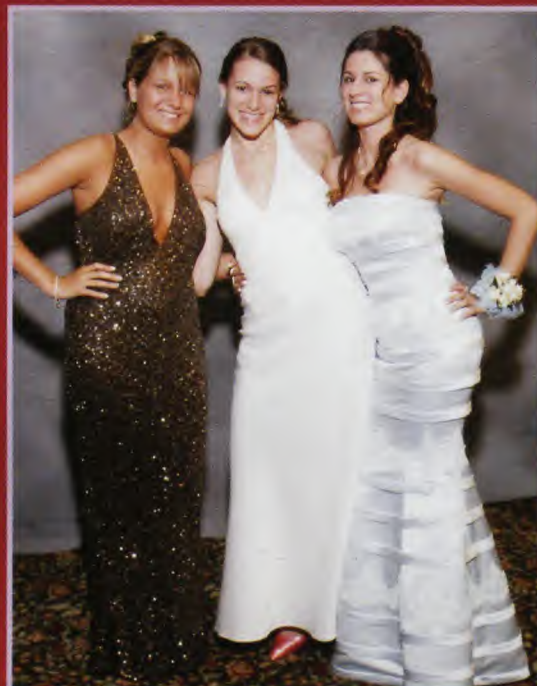

**Above:** As the Junior Prom was coming to an end, the students were still dancing the night away.

**Top Right:** Allyson Johnson, Heather Stafford, and Kristina Wolla make sure to get a picture together before the night is over.

**Middle Right:** Ashley Miller, Amanda Doran, and Jessica Donnataria are all smiles at prom.

**Bottom Right:** Jessica Fawcett, Ramsha Sreed, and Ashley Hausmann pass time by posing for the camera.

Kristen Quinn and Matt Welna, the newly crowned prom princess and prince, dance to the prom song "A Whole New World."

Rashiem Clarke takes a short break from his vigorous dancing to pose for the camera.

John Melillo, Amber Rich, Ashley Brush, and alumnus Frank Destefano take time out from dancing to get a picture taken at their table.

# Powderpuff Football

Powderpuff Football-- one of the most awaited events of the year. The Class of 2007 and Class of 2008 were both represented by well-prepared teams, ready to take each other on. For the first time in Bomber Powderpuff history, the juniors and seniors ended their game in a tied score of 16-16. But it wasn't only our Bomber ladies out on the field that day; our male cheerleaders were on the sidelines entertaining the crowd and supporting the girls. From the moment the girls ripped the banner, the fans watching the game at Memorial Stadium were entertained by the non-stop action accompanied by inspirational music played by our own Sayreville Marching Band. Memorable plays from the game were executed by Amber Rich and Whitney Zrebiec. Though the game ended with a tied score both junior and senior girls felt accomplished and maintained good sportsmanship.

Whitney Zrebiec passes the ball to a teammate for a touchdown.

The Junior Team rips through their banner at the start of the game.

# PEP RALLY

On Friday, October 26, 2007 SWMHS was decked out in class colors all around. The pep rally started out with each fall sport being announced. Other events that took place were the tug of war and the class chant, both won by the Seniors. The cheerleaders and Platinum Soundz step squad both performed adding extra excitement to the event. After a cold morning, pep rally was over but you could still see the bomber spirit throughout the school during the rest of the day.

# Homecoming

## *"Imagine, Create, Succeed"*

On the evening of October 26, 2007, Homecoming was celebrated on the cold, drenched football field. Despite the heavy rain, the ambitious Sayreville Bombers pulled through with an amazing 32-0 win against the Old Bridge Knights. The class floats and five Homecoming Queen candidates were located inside the cafeteria due to the inclement weather. During half time, the Queen candidates were brought outside and the winner, Katelyn Merrill, was crowned. The floats were announced as well, with the Juniors placing first in the competition. Although the weather did not work in our favor, the annual Homecoming festivities were still carried out in high spirits.

## Valedictorian - Shreya Amin

Ever since she was little, Shreya has always been an aspiring, determined individual who is internally motivated and never thinks about giving up. A strong believer in the phrase, 'you don't have to imagine how different your life would be because now you have the opportunity to make it a reality, she has always felt that the biggest adventure one can ever take is to live the life of your dreams. Throughout her years of high school, she has done just that. While focusing on her studies and attaining the honor of being valedictorian of this graduating class, she has diversified her high school experience by becoming a state officer of Future Business Leaders of America for two consecutive years, as well as dedicating her time to other extracurricular activities including National Honor Society, Spanish Honor Society, and Mu Alpha Theta. Furthermore, she has persistently contributed to the community, dedicating over 100 hours to the local hospital amidst other community service experiences. In addition, she has also achieved various honors and awards throughout her years in high school, which include the Kodak Young Leaders Award, the Voice of Democracy Essay Award, and the Renessler Polytechnic Institution Award. In her spare time, she enjoys dancing, singing, reading, and hanging out with friends. Having always dreamt of becoming a doctor, she plans on attending Rutgers University and hopes to major in Biotechnology or Biochemistry. She would like to thank God, her family, and her friends for always being there for her and serving as her strength and support through these years of high school.

# Top Ten

## #3 John Romita

John is an ambitious and dedicated individual whose strong work ethic and determination have been vital in his pursuit of excellence throughout his high school career. In addition to being a member of the Spanish Honor Society and Mu Alpha Theta, he is involved in various other school activities including the literary magazine *Images*, of which he is an editor, encouraging his passion for literature and arts. John will attend the College of New Jersey in the fall, where he plans on majoring in multimedia. He also intends to minor in creative writing and aspires to become a published author.

## #4 Ashka Mehta

Ashka Mehta is an ambitious and dedicated student. She is an active member of Spanish Honor Society and National Honor Society, and takes part in other extracurricular activities. She loves to spend time on the mountains skiing, and at the beach in the summer. She's always at the mall, either shopping or hanging out with friends, and enjoys watching movies. Ashka is extremely excited for college next year and cannot wait to see where her life takes her.

## #5 Lauren Henry

Ambitious and perseverant, Lauren strives to achieve success in all aspects of her life. In addition to being part of the top ten, Lauren is involved with several extracurricular activities. These include National Honor Society, Mu Alpha Theta, Spanish Honor Society, Theater Society, and Peer Leadership. However, her true passion is working with children so she is therefore planning on attending TCNJ in the fall to study education. Lauren would like to thank her boyfriend, friends, family, and teachers who have all supported her along the way and helped her to reach this goal.

## #6 Alex Simon

The great comedian Bill Cosby once said "In order to succeed, your desire for success should be greater than your fear of failure." Miraculously, Alex Simon's high school success overcame his fear of failure. His high school career has certainly seen its share of highlights, from running varsity cross country to putting on a giant plastic nose as Cyrano de Bergerac. Alex maintains an interesting relationship with people, having a very friendly but at the same time whiny personality. He also has a wide knowledge of sports that he has no ability to play, which figures into his dream of one day being a sports broadcaster. Alex plans to go to college to major in either journalism or theatre or both, and as cliché as it sounds, he will probably miss high school for a long time.

### #7 Jane Viernes

Jane's high school experience has been challenging, demanding, but nonetheless, rewarding. After four years at SWMHS, she has learned to balance her extracurricular activities, such as National Honor Society and Spanish Honor Society, in the midst of a strenuous academic schedule. As a dedicated athlete, she was also captain of the school's Varsity Tennis team. Her spare time has been devoted to playing sports and spending time with family and friends. She hopes to continue leading an ambitious academic career in college and major in Biochemistry to pursue her dream of becoming a doctor. Regardless of all the obstacles of high school, it is an experience she will never forget.

### #9 Sarah Jaffery

"The greatest thing you can do is surprise yourself." -Steve Martin

Sarah's graduation from high school marks the conclusion of a giant and unforgettable chapter of her life. Along with working hard academically, she was actively involved in numerous extracurricular activities throughout these years- Yearbook, Class Council, and National Honor Society to name a few. Outside of school, she spent much of her time being involved in her religious community as well as volunteering for different organizations. Sarah would like to extend a heartfelt thanks to all of the teachers who have taught her so much over the years, her family who has continuously supported her, and her friends who have given her such an entertaining experience. In the fall, she will be attending Rutgers University's School of Pharmacy. Sarah has indeed surprised herself with her achievements and hopes to successfully face more challenges that life has in store for her!

### #8 Kaitlyn Frotton

Ambitious and involved, Kaitlyn Frotton has been a member of various school activities such as class council (Corresponding Secretary), Peer Leadership, Peer Mediation, Theater Society (Student Director), Sayreville Singers (President), Vox Humana (Choreographer), Varsity Soccer, National Honor Society, Spanish Honor Society, Tri-M Music Honor Society, and more. A huge dreamer, Kaitlyn plans to attend college for her first passion, musical theater, and hopefully make it as a professional performer. She would like to thank her family, friends, and teachers for their love and support. She would also like to give Mr. Craft an additional thank you for his support, and the many extra hours he put in after school to help her succeed.

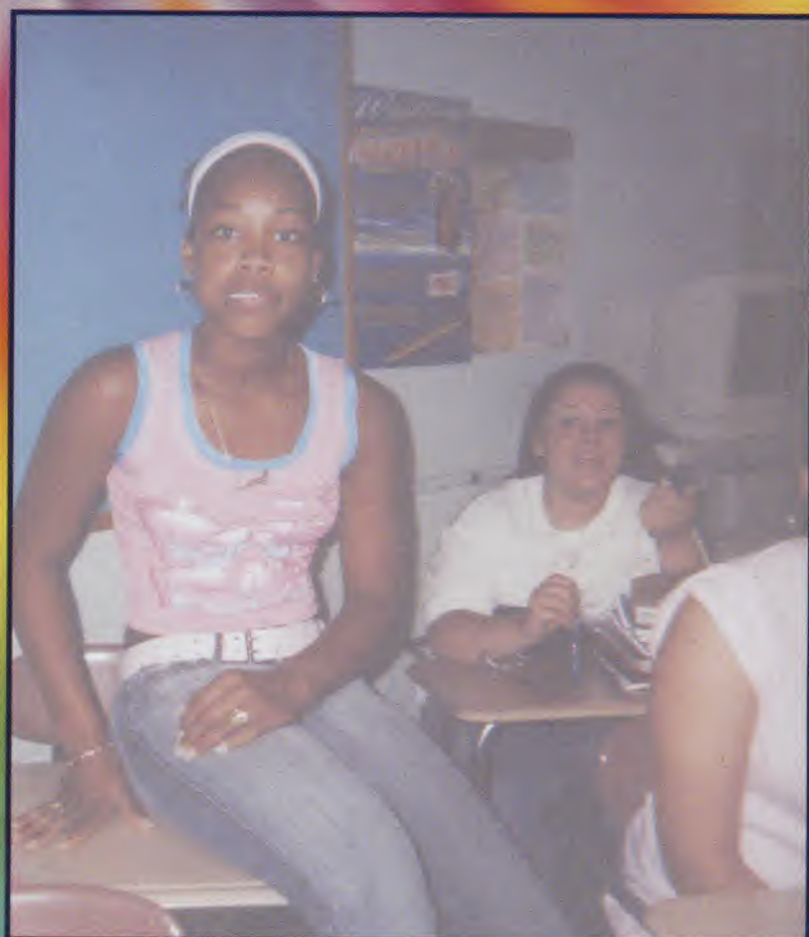

### #10 Anne Skorupski

Busy, challenging, and enjoyable is how Anne will remember her years at SWMHS. Anne achieved membership in the National Honor Society, Mu Alpha Theta, and Spanish Honor Society. She was actively involved as Art Club President and Recording Secretary and served as Secretary for the Ski Club. Anne also competed at Second Doubles on the Girls Varsity Tennis Team. As a senior, mentoring freshmen students through the Peer Leadership program was a memorable experience for this overachiever. Outside of school, Anne spends her time volunteering at a local hospital and is a math tutor. Her proudest achievement was earning her Girl Scout Gold Award. Anne looks forward to beginning a new chapter in her life as she heads off to college. She would like to thank her family for their love and guidance throughout the years.

Class of 2008,

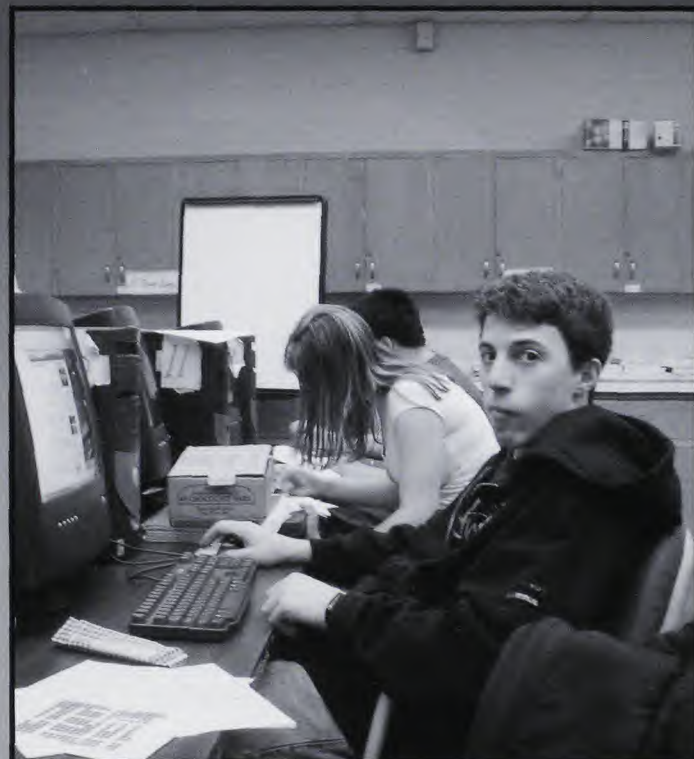

From the lost and lonely freshman days to conquering the school senior year, it has been four years surely worth remembering. We have all grown so much and we have what happened within the hallways and classrooms of SWMHS to thank for that. As individuals, we are stronger, more confident, and more prepared for our future. As a class, we share the memories of pep rallies, Coach T getting us to class on time, watching the Psycho Squad go from a handful to a standful, and trying to get candy from Granny. The memories we have made and the lessons we have learned will be long remembered down the road. The years we have spent in high school, although at times were torture, have helped to shape us into the people we are today. Laughs and heartbreaks, tears and smiles, each one of us has a story to tell, a story about our times spent as a Bomber. In the years to come, we will take pride in ourselves and where we came from. We can all move forward and succeed knowing we have made the best of our time in high school. Easier for some than others, the time has come to move on and close the book on a huge chapter of our lives. It is time to go out in the real world and make a name for ourselves and our school. The ability to succeed is within us all. The choice is yours to take that huge step into the real world. Although highschool will soon be simply just a memory, the friendships we've made, teachers we've met, and lessons we've learned will last a lifetime. We wish all of you the best of luck, with much success and happiness. We ask you to take what you can from SWMHS to make your future the best it can be. Congratulations.

Your Class President & Vice President,  
Dara Zaleski & PJ Gary

# A Final Goodbye

From low grade tests and struggling to pass

To crowded hallways and bumrushing to class

From popping in Ipods and not paying attention

To Currie calling you down saying, "You've got detention"

From reppin' Sayreville Bombers and wearing blue and gray

To getting kicked out for sleeping at a 4 hour Saturday

From daydreaming in class by writing on your folder

To patiently waiting for the construction to be over

From walking to the park just to get to your car

To saving your dollar for a crispy chocolate bar

From going to the snack bar and skipping the nugget meal

To taking one last walk down the football field

From taking that exit to the road of success

To saying a final goodbye to SWMHS

Dear Class of 2009:

Three down--one to go!

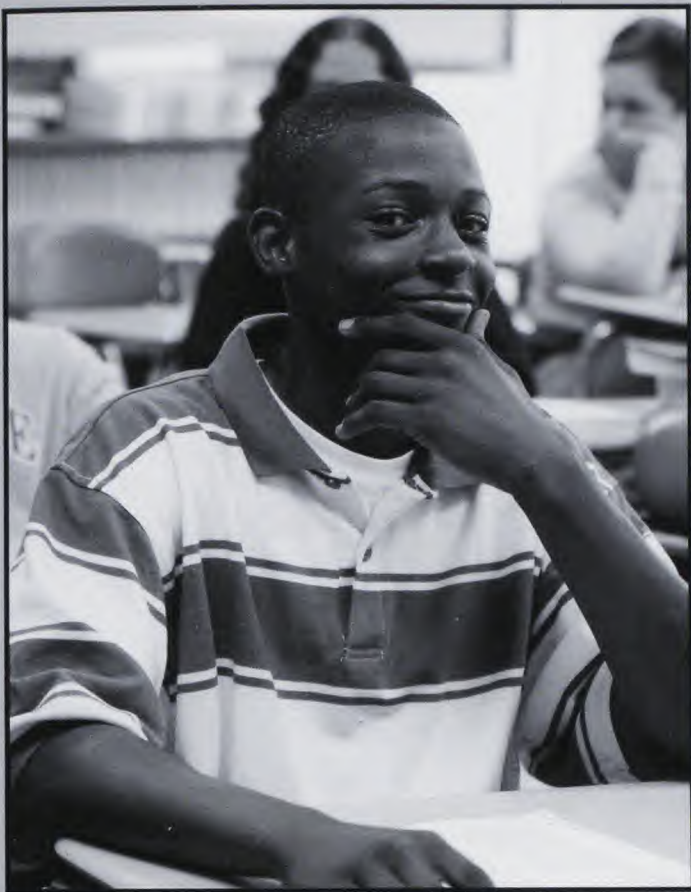

I'm sure all of us can look back and say that Junior year was filled with many stressful experiences such as SAT's, HSPA's, and getting your driver's licenses. We can take a big sigh of relief knowing all that is finally over. However, we can also look back on the experiences this year that gave us a chance to let loose and relieve of all our stresses, such as Pep Rally, the Variety Show, Powder Puff Football, and our first prom.

With that said, I'm excited to see what our last chapter of high school has in store for all of us and wish everyone good luck with your college applications and preparing for the world ahead of us. I know as the Class of 2009 we will make our senior year an experience to remember for the rest of our lives.

Sincerely,

Your Class President, Tyler Warner

Dear Sophomores!

As your class president I'm strongly proud to say that I am a part of the graduating class of 2010. Pep rally this year truly showed everyone that we do have a lot of school spirit. Our class is filled with excitement, energy, and circles of friends. Our next big thing to look forward to is next year's Junior Prom. This year has been nothing but unforgettable memories, and next year will be even better. I look forward to coming back to the school in September with the same positive attitude with all of you! See you next year.

Your Friend,  
Stephanie Reyes

Dear Class of 2011,

The first year of our high school career passed by within a blink of an eye. We shared memories of pep rally, clubs, activities, and the thrill of meeting new people. Although they were unforgettable, memories weren't all that we shared. We had our ups and downs and shared tears and joy. Throughout it all, we had each other. We came into this school as the Frosh of '07, in four years we'll leave here as one, known as the Class of '11. In the mean time... let's finish off the next three years of high school with a bang and really give them something to talk about!

Your Class President,  
Michelle Lin

# Baseball

The 2007 baseball season began with high expectations for the Bombers. The team was full of experience with their many returning players, including eleven seniors. The underclassmen also contributed much effort from the previous year. The team got off to a fast start and won their opening game against their rivals. Although the Bombers started to struggle in the middle of the season, their confidence level never declined. Under the guidance of Coach Novak and Coach Glushowski, the team was led by captains Eddie Goldmann, Bobby Rinaldi, and Nick Ruzala. The Bombers finished their season with a 10-10 record and are looking forward to the 2008 season.

Teammates look on anxiously from the dugout as the game goes on.

Nick Ruzala hurls the ball to make a game-saving play at home plate.

# Bowling

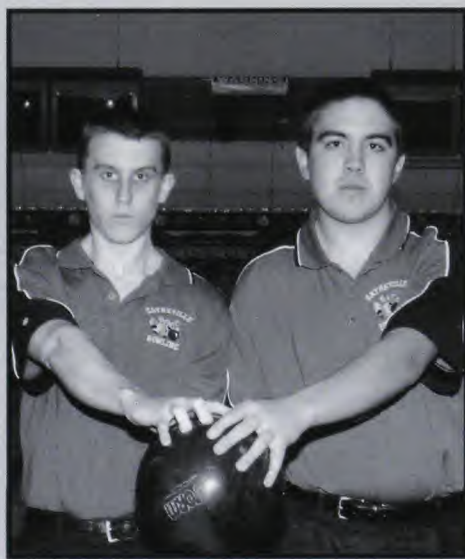

The Bombers Bowling team followed their first year in the GMC White Division with another solid year with both teams making great strides. The Lady Bombers Bowling Team absolutely took a step up in their level of competition and they held their own while competing against some of the best teams in the state. The girls team built the foundation to continue the winning standard that was set in the 2007-2008 season. The Lady Bombers vastly improved on their previous record and finished with a record of 9-7-2. The team's best wins came against teams that had beaten up on the Lady Bombers last season, and these wins served as an example of the improvements they had made. The team ended up finishing in 4th place in the White Division behind State Champions Carteret, State Sectional Finalists Colonia, and a strong North Brunswick team. The team will be losing two seniors, Katie Cavanaugh and Kristin Olesky to graduation this year, but the rest of the girls anticipate even greater accomplishments next season.

The Boys Bowling Team was coming off of a twenty-two match season winning streak and despite minor setbacks the boys were able to compete and succeed while bowling against teams such as Woodbridge and Old Bridge, who are in the Red Division. The players, motivated by Coach Weinert, practiced harder, improved for the better, and paid much attention to detail so as to achieve their goals. Their greatest highlights came towards the end of the season. The boys were able to win against the undefeated team of Woodbridge in a highly intense and suspenseful match. They followed with a defeat against Edison and won the GMC Title. Later on, the team dominated the state championship, won the Group Three Title and the overall State Title for New Jersey High School Bowling. The team will be losing Matt Walczak and Marcin Golebiowski to graduation, but with the number of fresh faces on the team the only way to go is up.

Overall, both the girls and the boys enjoyed a season full of personal bests and record breaking highlights. With their hard work and dedication motto, the Bombers Bowling Teams have certainly earned their place and they look forward to their upcoming seasons.

# Wrestling

The Sayreville Wrestling Team enjoyed the finest season in its long history in 2007-2008. The Bombers finished with a school record for wins with a 24-3 season that included a 20 match winning streak which helped lead them to a final ranking of #12 in the state. Led by a core of strong seniors, Sayreville won Back to Back White Division Titles for the first time in their history. In January, the 07-08 Team broke into the Middlesex County record books by winning the GMC Tournament for the first time ever and becoming only the 5th team in County history to win the tournament. The Bombers next conquest came in their own home gym where they routed Montgomery 47-9 to win their first North 2 Group III State Championship. This year's team was on a mission though and did not stop until they made it to their first Group III State Final in the schools history. The Bombers finished the team portion of their season by winning their 2nd District 20 Championship in the last three years. Sayreville finished as the #1 Ranked Team in Middlesex County for the first time in school history. Coach Denuto was voted the District and Region Coach of the Year for the 07-08 Season. The 08 senior class will go down as the best of all time for the Bomber Wrestling Program and will be missed.

# Winter Track

The Sayreville Winter Track and Field team of 2007-2008 had a very successful season. It was full of personal bests and overall team accomplishments. Guided by Coaches Jerry Carney, Marybeth Drabik, John Walsh, and Joe Pastva eleven student athletes were able to place in the White Division All Conference Team. Those students included Junior Erin Fitzgibbons who ran distance, Freshman Kathryn Seaman and Senior Eljawuan Fain who ran sprints, and Junior Nick Corvino who threw the shot put with a record of thirty-nine feet. At the Greater Middlesex Conference many of the girls placed in the top ten while the boys focused on rebuilding their team after losing some key runners to graduation. Coach Carney has high hopes and expects the team to continue improving. He looks forward to the runners cutting their times and the shot putters increasing their distance.

Junior Jolise Aponte races to give over the baton to her teammate Maryann Boulton.

Senior Alec Vuono concentrates so as to release the shot at a maximum forward velocity.

# Cheerleading

The Sayreville Cheerleading Squad has maintains a strong presence in SWMHS athletics. Bomber football and basketball games would not be the same without them. Their exciting cheers and peppy attitude keep the players and fans involved and enthusiastic. The Football Cheerleaders were led by Coaches Vanessa Sabadics and Tricia Simpson, as well as Senior Captains Kate Merrill and Alexia Giordano. They followed the Sayreville Football Team all the way to the playoffs in West Windsor to motivate the boys and their fans. The Basketball Cheerleaders were under the direction of Coaches Vanessa Sabadics and Kelly Nakielny. The team was also led by Junior Captains Molly Paul, Kerry Fitzgibbons, and Gabby Giordano. The girls cheered from the side lines as the basketball players were scoring baskets and dominating on the court. Although the squad is losing several seniors, the remaining members look forward to another exciting season next year.

Dear John,

Congratulations on your graduation. We are very proud of you. You have a shining personality! People just gravitate to you. You are a great all around athlete. You can succeed in anything you put your mind to. May God bless you, guide you, and help you to succeed in all that you do.

## John Melillo

Johnny,

Even though you are my little brother, I have always looked up to you. We have been through it all together and I would not change that for the world. Whether it be hysterically laughing at the dinner table or being there as a shoulder to lean on, you have been my biggest inspiration. Though you may not think this, I have learned so much from you and have always aspired to be more like you. You are an incredible person with a heart of gold. No matter where life takes you, I will be right by your side. When Mom and Dad brought you home from the hospital, all I wanted to do was hold you and keep you safe, but now it's time for me to let you off into the real world. Congratulations! I know you will succeed in whatever life brings your way. I am so proud of all that you have accomplished.

Love,  
Jaclyn

## Ashley Hausmann

 express how proud and happy we are with you. May  
 happiness and success follow you throughout life.

## Holly Jarusiewicz

Dear Holly,

You have brought so much joy and happiness into our lives. Your spirit, intelligence, beauty and compassion along with your sense of humor and "unending chatter" are what make you so special. As you move on to college to pursue your dreams, always remember how proud we are of you and how much we're going to miss you. Never settle for good enough because you truly deserve the best in all things. Enjoy college and all that life will bring your way. Remember... the best is yet to come!

Love always,  
Mom and Dad

Dear Holly (Pet)

I am so proud to be your big sister. Enjoy college (but not too much)! Congratulations on your graduation and may all your dreams come true.

Love,  
Jamie

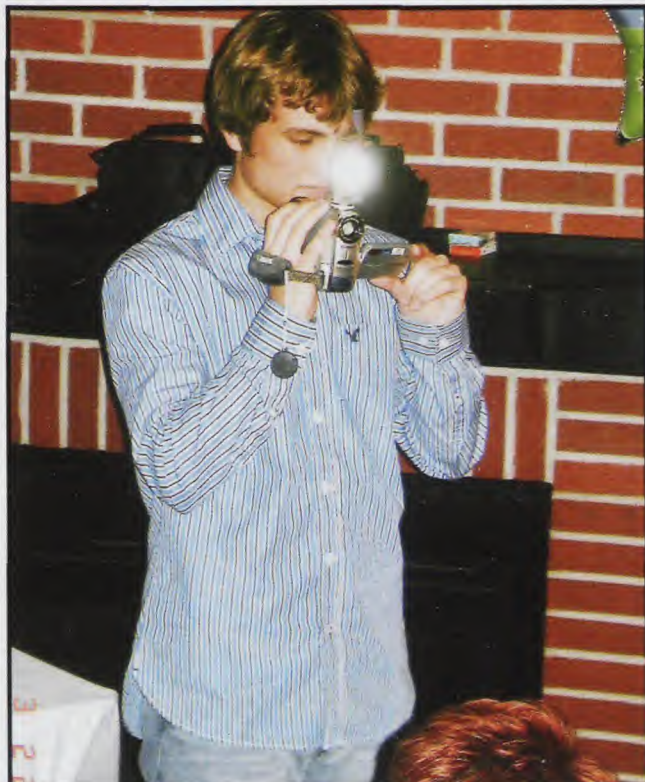

## Matthew Welna

Matthew,

Ever since you were born, our lives have changed. We can still remember the time you said your first words and took your first steps. Now you are 18, with your license and will soon be going off to college. I know we often have our disagreements and have had a few good fights, but you must know that you have been a great joy in our lives and we love you very much. We are very proud of all of your academic and athletic achievements. Good luck in college and may God bless you always.

Love,  
Mom, Dad,  
& Babci

## Pearl Shah

Pearl,

It was fun watching you grow from a small, chatty, and rambunctious person to a beautiful and cheerful young lady. You are so full of energy and enthusiasm that part of you can be seen in everything you do. Your passion for life translates in all your activities. From being Class President to playing Varsity Soccer, you present yourself as a classy individual. Your selflessness, great sense of humor, and loyalty in relationships have given you many good friends. Pearl, you are so pure and natural - a gem of a person. Your confidence, grace, intelligence and boundless passion for life will guide you through the future years to achieve desired goals and will bring your dreams to reality. You are a great sister to your older sister Crystal and younger brother Shahren. You will always be our little Pearly even if you become the President of the United States.

"Be who you are, and say what you feel because those who mind don't matter, and those who matter don't mind."  
- Dr. Seuss

Good Luck in your endeavors.  
With love, always and forever,

Mom, Dad, Crystal and Shahren.

## Tariq Crabbe

Dear Tariq,

It's a blessing and an honor to write this for your graduation. Your education has been like a maze, from pre-school through high school. I hope we have taught you enough that you will succeed in all aspects of life. The greatest gift a parent can give a child is the "Parental Blessing," which is saying that I'm going to allow my child to be the person he chooses to be. You have made wonderful choices. Choices that were mature and good for you. You have all the qualities to get you through life. Parents who have nurtured you well. The impressions you've made, how you've touched hearts a plenty with your kindness and caring. Now it's time to acknowledge all the hard work you've done. I pray that God will lead and protect you. Always keep God first. Love you forever and always.

God bless you!!!  
Mom
