Junior Prom

The Battleground Country Club was flooded with people on the night of May 21st for the 2010 Junior Prom. Luckily for the prom attendees, the weather was perfect as the sun decided to show itself after an entire week of pouring rain. Flashing club lights and loud music met the juniors from the start. Both the girls and the boys showed off their unique senses of style in a variety of colors. Many of the ladies chose to rock strapless mermaid or tutu dresses while a few daring gentlemen wore white or brown tuxedos. The atmosphere was heated with excitement and the

country club looked absolutely stunning. Girls quickly freed their feet from their heels and hit the dance floor with their dates and friends. The room was quickly filled with energy as the chosen prom song, "Forever" by Chris Brown, poured from the DJ's speakers. The floor was overflowing from the beginning until the end of the evening. The mood softened as the prom king and queen, Sid Holt and Sarah Comerford, stepped onto the floor for their first dance together. They were accompanied by the other couples soon afterward. Things livened up once more as

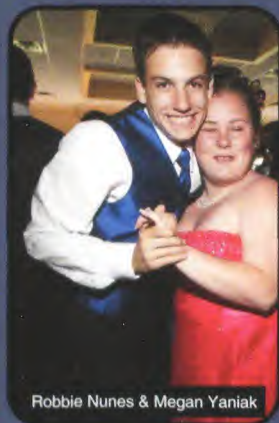

one of the most popular songs of the night, "OMG" by Usher, caused even the chaperones to show off their dancing skills. Some students were spotted doing classic moves like the "shopping cart" or the "lawnmower" while others chose to support the Jersey spirit with fist pumping. By the end of this remarkable night it was difficult for anyone to want to leave. After such an exciting and fun evening, the buses were pleasantly quiet as everyone drifted off to sleep with memories of the prom revolving in their minds.

Powderpuff Football

The seniors and the juniors faced off once again for the 6th Annual Powderpuff Football Game. The stadium was packed with family and friends who came out to support the girls. Although the weather was miserable, this didn't prevent the crowd from cheering on the players at full force. The air was heated with excitement of both the onlookers and the players. Jackie Ciak scored the first touchdown of the evening for the senior class. This set off a fire in the eyes of the juniors who were

determined to score points for their team. Both classes battled through the drenching rain. Katie Dovidauskas aided Imani Rosario in scoring the juniors' touchdown. Unfortunately, the inclement weather worsened and the game ended at halftime. Junior player, Ilana Chaikin, expressed her disappointment in the decision exclaiming, "I was so mad that it got rained out. The juniors had some unfinished business!" The game came to its end with the seniors as champions and a score of 13-6.

Since the age of one, I have been going to Croatia every summer. But this time, I traveled both ways by myself. Altogether, a one way trip is about 20 hours. My house in Croatia is on a tiny island called Zlarin. The island is so small that there are no cars and not that many people. Lying on the Adriatic Sea, I see a beautiful place that is untouched. Not only was my mother born there but I can speak the language fluently. When I take my annual visits to Croatia, I feel like I am always at home. I am filled with so many great memories from the summers on that tiny island. I am always so excited to go again for the summers to come.

I went to Saigon and Ho Chi Minh City, which is one of the two capitals of Vietnam. The building in the picture is city hall. I also visited many historical sites that I learned from history class last year when we talked about the Vietnam War. It was such an amazing experience.

SARAH BUSCAR - VIETNAM

This summer our family took a trip to the nation's capital, Washington D.C. It was a very interesting trip and we visited historical sites such as the Lincoln Memorial, Washington Monument, and even Ford's Theatre. It was great seeing all of the history and the food was delicious too.

Every year, my family and I decide to go on a vacation to a new place. For the summer of 2010, we decided to tour Europe. We took a tour for 12 days and visited 7 countries, including France, England, Belgium, and Italy. Because of its diversity, Italy was my favorite country. In Italy, we visited Rome and Pisa. It was definitely one of my favorite vacations.

SHEENA SHAH - PISA, ITALY

Gatorland near Orlando, Florida is such a cool place. One of my favorite places was the rare white alligator exhibit. Not only did you get to see them, but you could feed them and even hold one. I got to hold a baby one and it was so heavy. It didn't want to stay still for the picture. It was such a cool experience and I would definitely go back to see them again!

BREE LOHR- GATORLAND, FLORIDA

Puerto Rico was a vacation into the exotic. My family and I were able to hike through a rain forest and visit the biggest mall in the Caribbean. On top of all that, I was able to relax with my family and enjoy the culture of Puerto Rico.

first DAY OF school

Sayreville High School entered our lives once again on September 7th for the 2010-2011 school year. The halls were crammed with students navigating their way to class. New binders and folders were piled high in the arms of students who were ready to continue their learning experience. Freshmen had their noses buried in their schedules as they tried to figure out which floor they were currently on. Sophomores were

glad to finally understand which wings were located where. Juniors started to face a year filled with piles of homework and late hours of studying. Seniors found themselves experiencing their final first day at SWMHS. One thing was common between all of the grade levels. Smiles were present on all of their faces as they prepared for a year of new challenges and hopefully successes.

HOMECOMING

The SWMHS football stadium was a sea of blue and gray for the 2010 Homecoming game. After days of gloomy weather, the sky cleared up just in time for the Bombers to take to the field against the Edison Eagles. Current students and alumni were joined by members of the United States military in honor of this year's theme, "Support Our Troops." Each grade styled their float according to which military branch they believed represented them best. Daniel Seaman and Vanessa Gonzalez were crowned the Homecoming King and Queen at half time. As expected, the Bombers crushed the Eagles with an incredible score of 42-12.

Pep Rally

Blue, green, red and yellow filled the Bombers stadium for this year's Pep Rally. Unlike previous years, the 2010 Pep Rally was not held on the same day as Homecoming due to inclement weather. However, on October 29th the school still showed its Bomber spirit by celebrating all of the fall sports. Underclassmen struggled to hold onto the rope during the annual Tug of War Challenge. Seniors dominated

and left the other participants strewn across the field. Students were entertained by an electrifying performance by the Platinum Soundz Step Squad and the cheerleaders. The stands erupted into cheers and screams as each grade tried their hardest to win the annual cheer contest. The day was filled with Bomber spirit and was an overall success.

Go Bombers!

Baseball

The 2010 Varsity Bombers finished the season with a record of 9-13-1. The Bombers were led by their five senior captains Michael Monaghan, Matt Monte, Sean Morelli, Brian Truchan and Jake Werb. These five captains provided the fans with amazing moments while portraying strong leadership to the incoming players. Jake Werb, junior Dan Seaman and freshman Christian Campbell were the leading hitters for the Bombers throughout the season. Junior, Eric Goitia led the

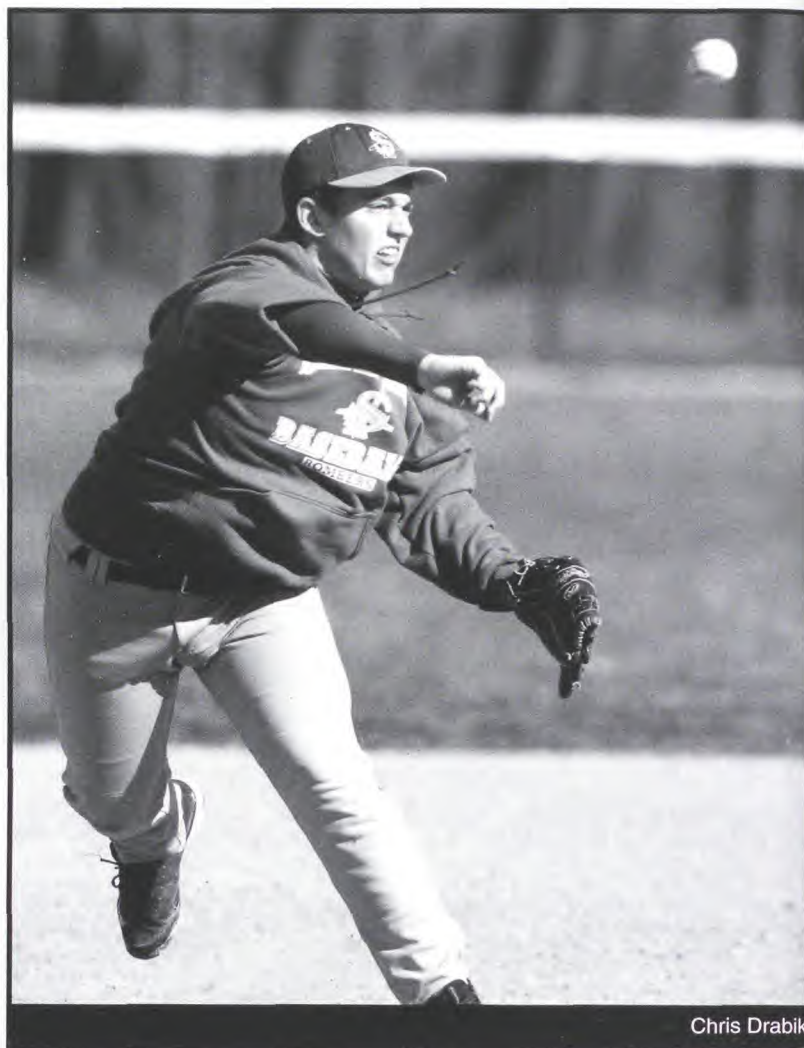

Bombers in victories on the mound. Five starters will return next year for the Bombers in 2011, who have gained valuable experience being on the Varsity squad. They include Blake Cuomo, Eric Goitia, Dan Seaman, Matt Rivera and Christian Campbell. With high hopes, the boys hope to make some more amazing moments in 2011.

Softball

The 2010 softball season was filled with determination and hardwork given by the twenty-four talented lady Bombers on the team. Under the direction of Coach DeLucia and Coach Ust, the players took their mantra, "Dream Work Makes the Teamwork", with them onto the field for every game they played. After an intense battle against their rival Monroe, the Bombers came out on top with a score of 1-0. Senior Captain Jennifer Pollard, along with several underclassmen,

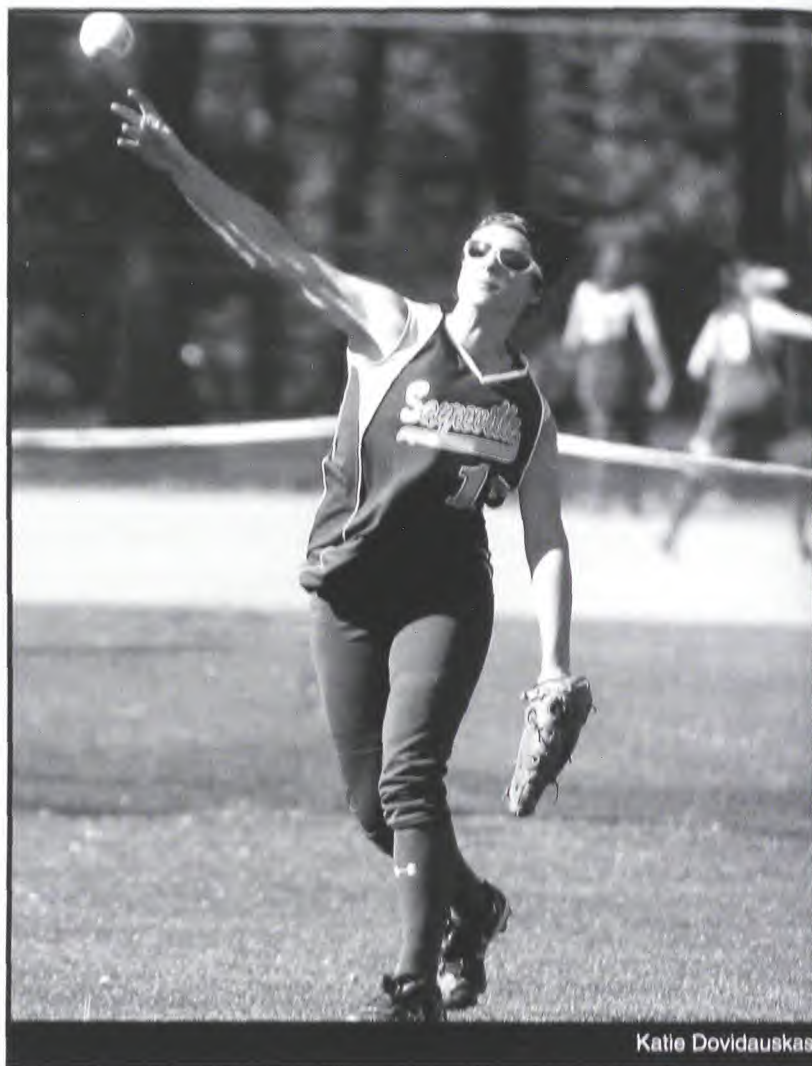

aimed high during the season, searching for success on the varsity team. Their hard work was evident at the Union Tournament where they beat out most of their competition and earned second place. With an overall record of 10-14, the players will look back on another season filled with memories and great success for the Sayreville Bombers softball team. They keep their hopes high for the upcoming season in 2011.

Golf

The 2010 golf season was filled with hard work and commitment from the Bombers. The team was led by captains, Bryan Adamcik and Joe Beselinoff. The Bombers proudly defeated Spotswood, one of the best teams in their division, in a tough match. During the season, Nick Fuentes came in 7th place with an 83 in the Viking Invitational. Joe Beselinoff placed 7th in the GMC finals and earned first team All-County honors and first team All Division honors. Throughout the

season, the team improved their game and did not crack under pressure. The team's most memorable match was during the GMC tournament. Even though the golfers were the underdogs this season, they managed to bring out their best abilities to defeat Monroe and make it to the semifinals. The team had a successful season by working hard and having great teamwork while also having fun playing the sport they all enjoy.

"This season was one of my most enjoyable to coach. We had great commradory all season long and the seniors did an excellent job being positive influences on the underclassmen. The underclassmen worked hard and showed enthusiasm, making me proud to be a part of this program."

Girls' Spring Track

Despite running in extreme heat, cold temperatures that gave the team goose bumps, wind that felt so strong one could barely push through it as she ran, and rain that stung as it dripped into runners' eyes during their events, the 2010 Bombers' Girls Spring Track team tried their best to charge through both good and bad weather conditions. The team had high hopes of winning the white division again this year. At the GMC relay and GMC individual meets, the girls performed at their best taking two titles. Junior, Imani Rosario, broke the school record in the 800 meter run with a time of 2:23.35,

while senior, Danielle Hogan, broke the school record in the 400 meter intermediate hurdle race with a time of 67.34 seconds. Brandis Fennell, Kelly Fitzgibbons, Janice Frontera, Kaitlyn Mosser, Jamie Unkel, and the members of the 4x400 meter relay were all named members of the All-White Division Team. The Bombers' Girls track team went undefeated for the 2010 season and remained the White Division champions for the second consecutive season. As the team moves to the red division next year, they hope to improve their times, distances, and heights as they practice and compete.

Boys' Spring Track

The Boys' Spring Track team had an impressive season with a record of 6-1. All team members contributed with perseverance and dedication as they pushed through challenging conditions including running with one shoe, as Greg Oriolo did in the 800 meter race. At the Group IV State Sectionals, sophomore Emeka Eze placed fifth in the triple jump with a distance of 43-6 and sixth in the 200 meter race with a time of 22.49 seconds. Alex Yanuzzelli, also a sophomore, placed sixth in the javelin with a distance of 155' 10". Both moved on to the State Group meet where Eze placed third with 43' 3.5", later

moving on to the Meet of Champions. Emeka Eze placed 12th at this extremely competitive meet. Moving to the red division for the 2011 spring track season will mean harder competition. However, when the Bombers' Boys' spring track team pulls their strengths together in the running, jumping, and throwing events, they definitely have what it takes to be successful in the red division. All of the players are ready for the harder competition awaiting them in 2011.

Boys' Tennis

The Sayreville Boys' Tennis team had one of their best seasons yet, making Sayreville history. All the boys worked extremely hard to achieve a 21-1 record, winning the white division for the third year in a row. Along with holding their ground on the tennis courts, the seven starting varsity players were named All-Division. Another remarkable moment in their season was when the team was ranked 17th in the state by the Star Ledger! All their hard work has paid off and the

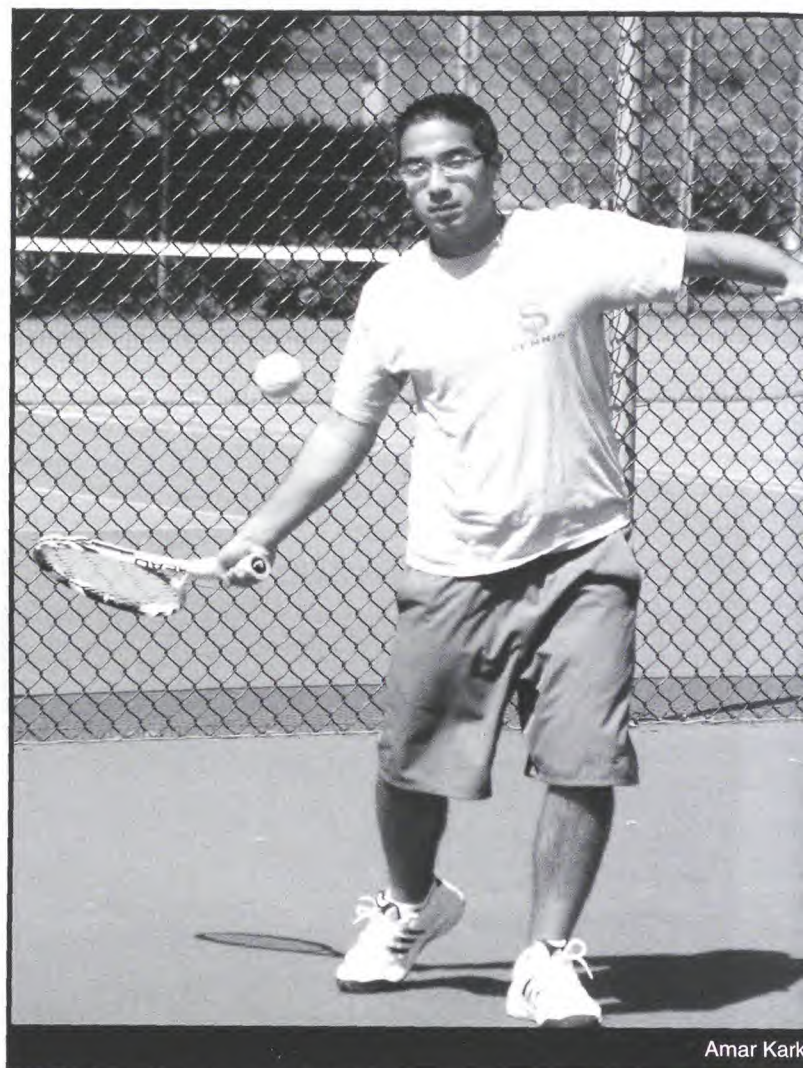

team has done extraordinary things. They finished 2nd overall in the GMCs and went to the semi-finals in the state tournament. Tanay Patel took home the gold at GMCs and finished his senior year off strong by being named an All-Conference player. Amar Karki took home the silver at GMCs playing third singles. Nick Szamreta and Apoorv Kakar took home the bronze. The Bombers had an amazing season and only great things can be expected from them in the next season.

Football

The 2010 football season was an outstanding one for the Bomber boys. The team led by Coach Najjar was dedicated and hardworking every time they stepped onto the field. Each player showed their commitment to the sport and had big hopes for success. The Bombers started off their season with a 28-7 win against South Brunswick. The team continued to defeat their opponents and won an impressive 11 out of 12 games during the season. It was a close match for the

Bombers when they took on Manalapan in the semifinals, but the team stayed strong and ended the game on top with a 32-20 win. On December 4th, the Bombers found themselves under the lights of the Rutgers stadium for the finals. Brick didn't stand a chance. Sayreville won 14-0, taking home their second State Championship win. The Bombers hope to hold onto their title in upcoming years and will continue on with their success in football.

Boys' Soccer

The Boys' Soccer program once again had a banner season. The Varsity team completed one of the finest seasons ever. The Bombers tied the best record in school history with a 15-4-1 record. The boys advanced to the semi-finals of the GMC tournament for the second time in school history and the quarterfinals of the NJSIAA tournament before falling in a penalty kick shootout, 7-6 Rancocas Valley. The Bombers did however capture the white division championship for the second time in school history. Led by senior captains Kyle Santos, Nick Colgan, and Ousama Sbeah, the

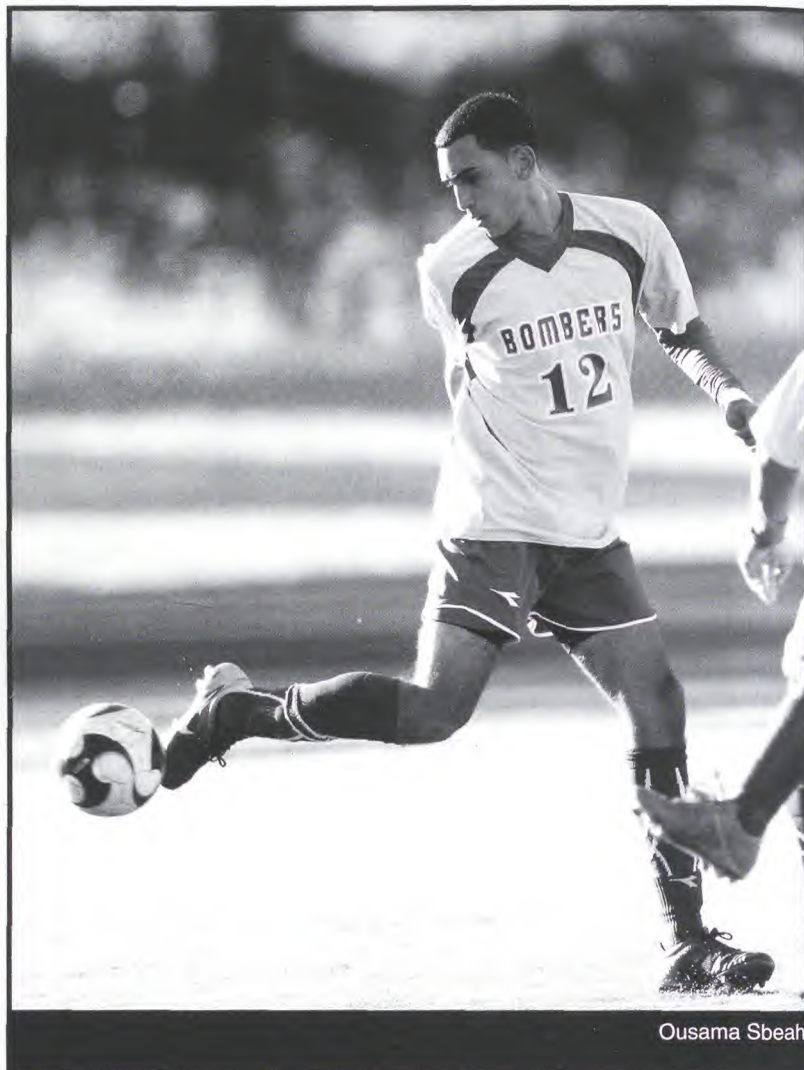

Bombers were able to make up a two game deficit to South Plainfield in capturing the title on the final day of the season. All-State forward Olisa Eze and all-white division midfielder Emeka Eze led the high flying Bomber offense with 31 goals and 14 goals, respectively. Defensively, the team was led by all-area defender Jude Saforo and all-white division goalie Chris Drabik who recorded 7 shut outs. With the team slogan "It's Our Time," the Bombers were highly competitive throughout the entire season.

The girls' field hockey team had a tough yet memorable season. They ended their season with a record of 4-9-2. The girls worked hard all season under the direction of Coach Taylor. The team was led by captains Katie Dovidaukas, Jennifer Viernes, and Christina Holzapfel. The Bombers fought their way through each game with teamwork and dedication. However, the girls field hockey team came up a little short at the GMC tournament against Old

Bridge with a final score of 0-1. In spite of their loss, the girls can look back on their season with nothing but good thoughts. With teamwork and effort from each girl, their season was a great success and they all became a lot closer because of it. They hope to have another great season this upcoming fall.

Girls' Tennis

The 2010 Girls' Tennis team had an impressive season once again. Their repeated success in previous seasons led to the team's advancement to the Red Division. The team was led by captains Sheena Shah and Libby Volodina. Their season started off rocky but the Bombers pulled through it with dedication and commitment, finishing with a record of 9-8. The best memory of their season would have to be beating Edison 3 to 2 the second time around, avenging a loss

to them a week prior. The girls' hardwork placed the team among the top five in the county and their division. They were also awarded with the Sportsmanship Award at the end of their season. Individual awards were earned by Volodina and Shah, who both placed fourth in their singles tournaments. This season really showed the team that winning comes with hard work and the urge to play. They are excited to play next year and hope to improve even more.

Bowling

The Bombers Boys' bowling team had another outstanding season. The team ended the season with an undefeated record of 21-0. Along the way, the team won two major tournaments (The Bishop Ahr Holiday Classic and the Central Jersey Winter Classic), the GMC White Division, the GMC Conference Tournament, and the Central Jersey Group III State Sectional Championship. All 6 starting players for the Bombers were named to the GMC All-Division Team (Applegate, Bailey, Ciszewski, Bebert, Roberts, Nicholas) and four Bombers were named to the GMC All-Conference Team (Applegate, Bailey, Ciszewski, Roberts). Phil Bailey bowled a perfect game for the first time in the team's history, won the GMC Individual Championship, and was named Home News

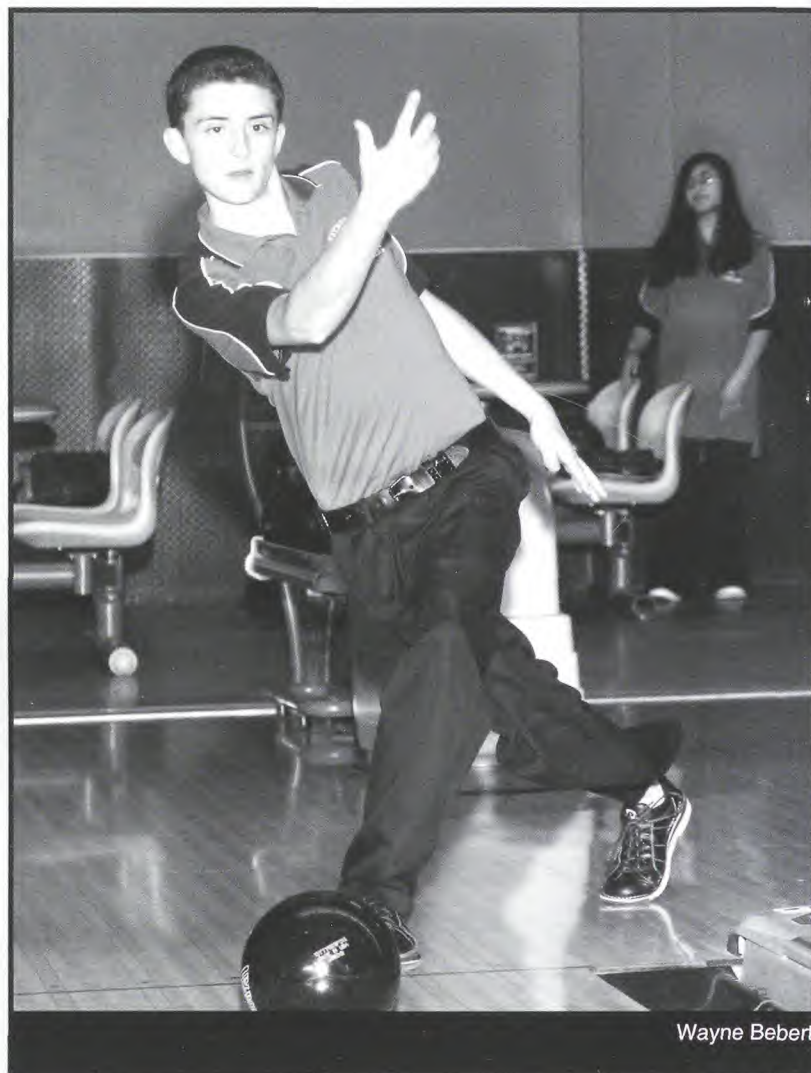

Player of the Year. The team loses 6 seniors this year, but behind them awaits a strong group of underclassmen that are anxious to carry on the winning tradition of the Bombers Bowling Team. On the girls side, learning was the key word for the Bombers in their 2010-2011 season. With only one returning starting player, Kristin Renz, the team was filled young ladies that were new to the sport, yet they still showed endless competitive spirit while taking on some of the best teams in the powerful GMC conference. Seniors included Megan Bernstein and Kristen Renz. Going into next season the team will look to build on their learning experiences from this season and take some great strides forward.

Boys' Basketball

The Bombers got off to a slow start but their young, inexperienced players grew up as the season went on. The Bombers took pride in their game and never gave up on the season. They competed in many great basketball games and finished the season strong. The team was led by captain Michael Phair and finished with a record of 6-17. The Bombers won 5 out of their last 9, winning the first game in the GMC Tournament. The three seniors, Mike Phair, Chris Pineiro, and

Terrance Webb took on the leadership roles as they mentored the young players. The Bombers exploded from three point range towards the end of the season with sharpshooter sophomores Joe Saitta, Dan Wojcik, and Cody Vannote. Junior, Trey Johnson was the inside presence for the bombers clearing the boards and finishing down low. Freshman point guard Corey Taite grew up in a hurry and was the Bombers floor general.

The 2010-2011 Lady Bombers completed their season with a record of 3 and 17 with wins against Colonia, West Windsor and JP Stevens. The Lady Bombers, who competed in the very competitive white division, were never discouraged by their record. superior talent, they became a formidable opponent, because of their tremendous work ethic and teamwork. The Lady Bombers were awarded the Sportsmanship Award for their positive attitudes, their relentlessness to quit, and for their respect of others. The Bombers Boys' Swim Team had yet another solid season. The team was led by senior captains, Robbie Nunes and Kyle Santos, under the coaching staff of Coach Magaw and Coach Kissel-Belonick. The boys had a great win against Piscataway and a tie against Caldwell. Cheerleading

The Lady Bombers have been on the sidelines cheering on our football team, basketball team, and have now taken things to a new level by showcasing their talent in competitions. The cheerleaders were led by captains Tara Rappleyea, Samantha Ritter, and Vanessa Gonzalez, and supported our football team all the way to states. They were there cheering on the football team and continued so on the basketball team in the winter season. This strong spirit continued in competition as well with captains

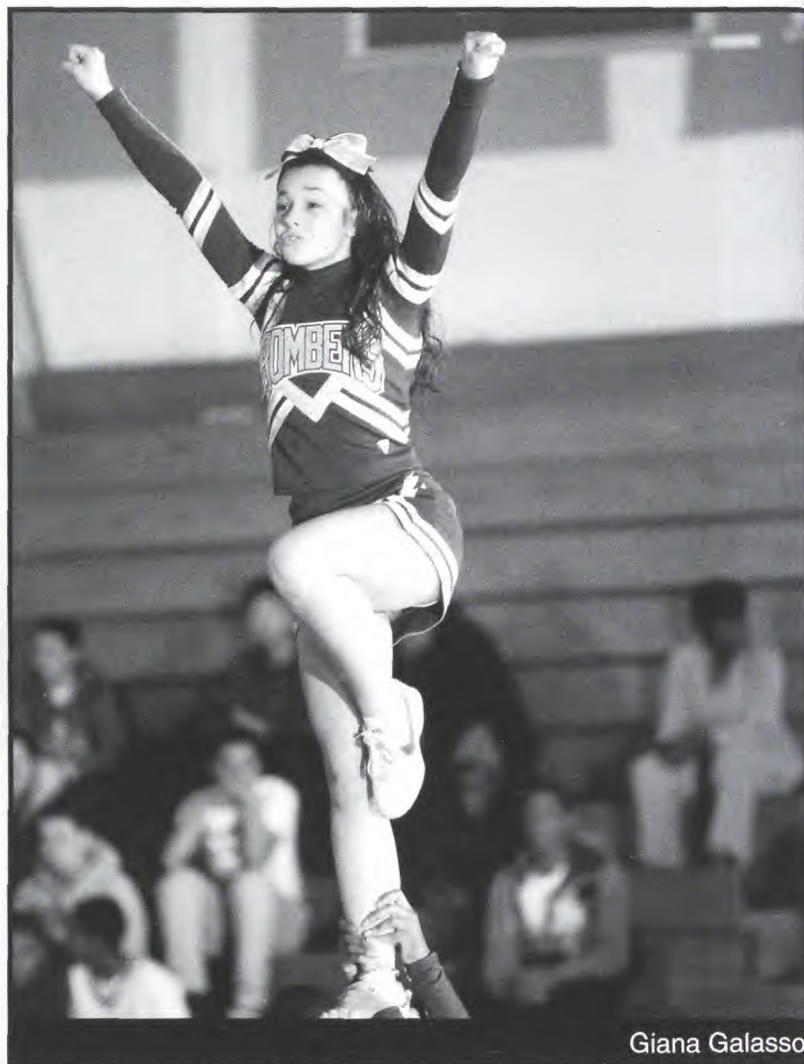

Samantha Ritter and Vanessa Gonzalez. They have now started to compete against other schools for the first time in six years! Their routines include tumblers, stunts, cheers, and dancing. Under the direction of Coach Pesci and Coach Mastrangelo, the cheerleaders have won first, second, and fourth place in three of their competitions so far. They hope to keep our spirits high from the sidelines and amaze us with their skills in competitions.

Gymnastics

Quality over quantity is an idea that is reinforced by the 2010 Bombers Gymnastics team. Even though there are only two girls, the team's results never dissappoint. The team is coached by middle school teacher Mrs. Giolia. Because of the team's size, sophomores Brandie Tartza and Sara Herrick always compete as independent gymnasts. This season,

Brandie Tartza qualified for sectionals in all four of her events. Her teammate Sara Herrick did just as well, qualifying for sectionals in three events. Coach Giolia is very proud of the girls' performance and is looking foward to another great season next year with the team.

Defining Moments 2011

Sayreville War Memorial is home to the most incredible athletes for which our entire community should be extremely proud. This year continued this amazing trend of moments that would go down in the books as one of the most successful years that our school has ever seen. We would like to recognize the best moments, those that made our jaws drop and made the crowds roar. The moments that had us come together as a community and that had us talking for weeks and months. The moments that these athletes will take with them for the rest of their lives. These moments were defined by sheer determination, endurance and willpower. The International Society meets on a monthly basis to discuss the cultures of different countries. Mrs. Wolfe is the club advisor and makes sure all the meetings run smoothly. At a typical meeting, board members discuss the culture and ideals of a country and then members are allowed to sample each country's cuisine. Countries discussed this year have been Italy, India and China.

International Society

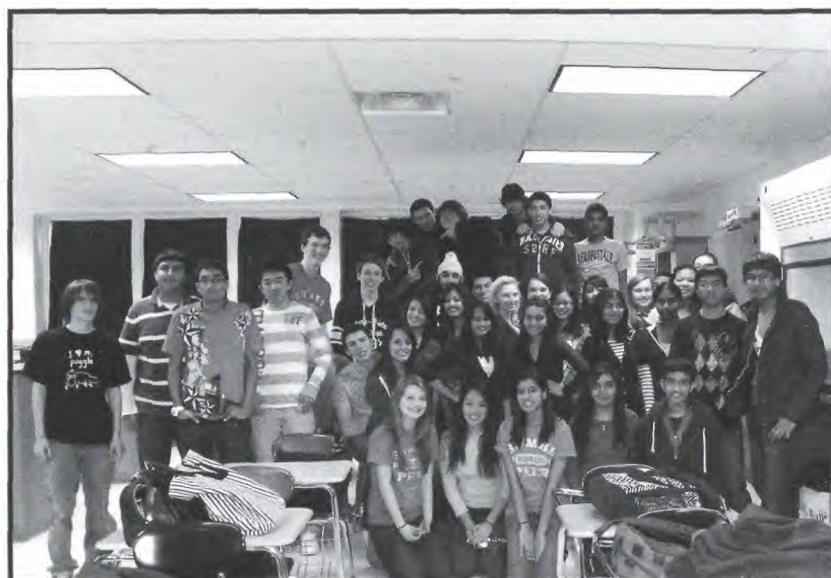

Tri-M

The Tri-M Music Honor Society is the international music society for high school students. It is designed to recognize students for their academic and musical achievements, reward them for their accomplishments and service activities and to inspire other students to excel at music and leadership. Tri-M helped thousands of young people provide years of service through music in schools throughout the world.

The Science Club, run by Mr. Coleman, provides students with a fun experiment every month and helps members explore the world of science. Members interact through creative experiments that everyone can enjoy. Students are able to learn about science hands-on while still having fun.

Science Club

Choir

The SWMHS Chorus is open to all interested students without a mandatory audition. Concert Choir, Varsity Choir, Sayreville Singers and Mixed Chorus are all Sayreville Chorus groups. Various styles are performed, from classical to jazz/pop choral arrangements. The major concerts are held during the holiday and spring seasons. This year, the Chorus traveled to Orlando, Florida to sing at Walt Disney World. Breakfast with Santa and the Madrigal Dinner were also events hosted by the Chorus.

Concert and Jazz Band

The Concert Band, led by Mr. Caruso, is a class that integrates playing instruments as well as learning music theory. Each student works towards the mastery of their instruments. The band competes at various state competitions and have also appeared in prestigious venues, such as Carnegie Hall and Avery Fisher Hall. The Jazz Ensemble is a group of select brass and woodwind players who gather to play the music of Duke Ellington, The Beatles, Bon Jovi and other modern musicians. They compete regionally and work with Mr. Caruso.

Marching Band and Winter Guard

The Band Front at SWMHS is comprised of any student who wishes to perform with the Marching Band. Members are required to handle several different pieces of equipment including ruffles, flags, streamers and other visually oriented props. The involvement of dance has become an important addition to the Band Front. The members of the Band Front display skill, character, spirit and a desire to perform. They can be seen during the football season, in parades, competition and at pep rallies. Membership is open to all students of SWMHS who are willing to attend all rehearsals and performances of the Marching Band. Members of the Band Front may also join Winter Guard, which runs from December through May.

Crews

The Stage, Light, and Sound Crews make sure everything is running smoothly during the theatrical productions at Sayreville War Memorial High School. With Mr. Craft in charge, students learn to interact with the actors and properly store props and work spotlights, sound and light boards. They are in charge of maintaining the stage, lights and sounds at all times. The Makeup Crew, advised by Mrs. Kelly, make sure all actors have full make-up done so that their expressions can be seen at a distance. They work together with the Costume Crew, led by Ms. Farese, which creates the proper fashion look. Both work together to provide the realism needed for successful productions.

Step Squad

The Platinum Soundz Step Squad is an extra curricular activity that involves coordination, skill, discipline, and teamwork. The squad performs at pep rally and basketball games and competes against other teams in New Jersey. This year's squad placed third in the state and held their second annual step competition at the high school, where all the proceeds went to CASA for children. Along with their advisor Ms. Marecheau, the team prides themselves in being disciplined and dedicated to their craft.

2011 SWMHS Variety Show

Each year, the SWMHS Variety Show sheds a new light on out seemingly ordinary classmates whom we see walk the hallways everyday. This time, Friday, February 27, 2011 was the night to shine for some of the very talented students here at SWMHS. Hosted by the Class of 2012, the variety show serves as the best fundraiser for the junior class. The Indoor Drum Line kicked off the show in the first act followed by a duet to "That's What You Get", Dan Carr on the piano, and a dance routine by Tara Rapplyea, Sam Ritter and Cassidy Ritter. The second act didn't dissapoint either, with a tap routine, a rap performance and a song by SWMHS's favorite substitute teacher, Mr. Palma. As always, the night was filled with talent and heart with each of the students giving performances that no spectator will ever forget.

#1

Mark Quilan

With a persistent drive and ambition, Mark does not fade when faced with the numerous hardships and struggles of life. Instead, he becomes stronger, ready to step up to the next obstacle that arises. He does not believe in the word "impossible". He wishes to benefit society while learning and experiencing as much as he can. With this in his mind, he has volunteered at Raritan Bay Medical Center. Also, he is involved in the History Honor Society, Mu Alpha Theta, Science Honor Society, and Spanish Honor Society. After high school, he plans on becoming a doctor. He hopes to treat the illnesses of the world, one patient at a time. He would like to thank his family, his friends, and teachers who have continuously motivated and encouraged him.

#2

Ekta Kadakia

It was a high counsel that I once heard given to a young person. "Always do what you are afraid to do."
-Ralph Waldo Emerson

Throughout the past four years at SWMHS, Ekta Kadakia has ventured outside the realm of a high school student to see what high school was truly about. She has blossomed from the shy and meek girl to the girl who has the confidence to make a change in the world. Ekta has diversified herself through her involvement in many extracurricular activities. She has been on the ACT team for four years and is now part of five honor societies in which she is on the board of two of them. Ekta is also heavily into her educational studies. She has taken very vigorous schedules over the past four years taking as many AP classes as possible. Ekta plans on attending college to become a doctor, which has been a childhood dream. She wants to express her full gratitude to her family, especially her parents, and her friends who have always given her their full support.

Top Ten Seniors

#10

Paridhi Shah

My name is Paridhi Shah and I will honestly say that high school has been a whirlwind of experiences, but from these experiences fond memories have been created from sweet sixteens to sleepovers to shopping trips! In high school, this is where I have truly met my best friends, whose friendship I will always cherish. These are the people who I will always come back home for. However, I would not have made in this far in high school without the support of my family. Since the beginning my family has pushed me to do my best and never give up. Now my dreams are becoming a reality. I have always wanted to do something in the science field and because of my family's support and my perseverance I have been accepted to several pharmacy programs. Now as high school comes to an end, we all will go our separate ways, but I shall always remember these memories and they will always have a special place in my heart.

#9

Maureen McKenna

"Every great dream begins with a dreamer. Always remember, you have within you the strength, the patience, and the passion to reach for the stars to change the world".
-Harriet Tubman

Throughout her four years at SWMHS, Maureen McKenna has made the most of this memorable experience. Along with balancing academics, Maureen has been a member of the Spanish Honor Society, Mu Alpha Theta, Peer Leadership, and FBLA. She is also an editor for the yearbook, Corresponding Secretary for NHS, and captain of the varsity swim team where she has succeeded in being a 6-Time GMC Champion. Outside of school, Maureen swims for the Red Bank YMCA, where she competes on a National level. After high school, Maureen plans on continuing her studies at Fordham University. She would like to thank her parents, sister, friends, and teachers for all of their support and encouragement.

Theresa Hyslop #3

"Go confidently in the direction of your dreams."
- Henry David Thoreau

With her creativity and passion for learning, Theresa has made a name for herself as number three of the senior class. She is a member of the Spanish, Math, Science and National Honor Societies, as well as Vice President of National History Honor Society. Theresa is also an editor of Images and Head of Business of Fedora Productions. Besides her academics, Theresa played on the field hockey team throughout high school and also manages Varsity softball. In the spring, she works for Middlesex County Conservation Corps. However, despite all of this, she still needs to learn horseback riding and sword fighting if she ever wants to earn the title of Renaissance woman. Theresa plans to study landscape architecture in college. She would like to thank her family and friends for always being there and for making some everlasting memories along the way.

Puja Parikh #4

Ambitious and perseverant, Puja keeps herself busy with extracurricular activities while balancing a tough academic schedule. She is involved with National Honor Society, Spanish Honor Society, Mu Alpha Theta, Science Honor Society and Peer Leadership. She also participates in FBLA and ACT, and manages the Spring Track team. When not in school, Puja loves to travel and indulge in foreign delicacies. In college, Puja will pursue a major in biology and hopes to become a physician. She wishes to thank her amazing friends, wonderful teachers, and especially her incredible family, for their continuous support and guidance over the last four years. They have been an integral part of her intellectual and personal growth.

"We gain strength, and courage, and confidence by each experience in which we really stop to look fear in the face... we must do that which we think we cannot."
- Eleanor Roosevelt

Sheena Shah #5

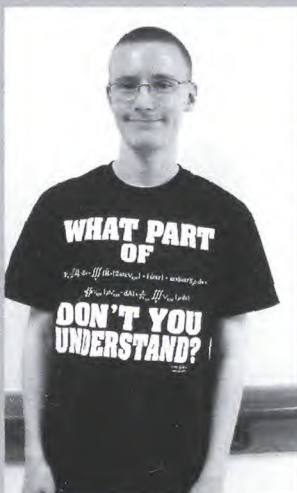

"Try and fail, but don't fail to try." - Stephen Kaggwa

Sheena Shah is a hardworking and ambitious individual. She never stopped working hard and all of it has paid off to be in the top ten! Aside from having many leadership roles in school and being an AP Scholar, Sheena was also the Captain of the tennis team. These experiences taught her so much about herself as well as being a leader to others. Her future plans are to enroll in a B.S./J.D. program to get her law degree with a business major. In her free time, Sheena enjoys playing board games and cards. Sheena always made the best out of high school and has become the person she is today because of it. She is grateful to everyone that helped her get where she is, especially her family. Looking back on freshman year, she would never have expected to come as far as she has with her high school career. She would have never thought that she would meet her best friends and have the time of her life at SWMHS, creating memories.

Brielle Guzzo #6

It is such a great feeling to know that all my years of hard work are beginning to pay off. Being in the top 10 is such an outstanding accomplishment! It was quite stressful at times to maintain the standards I had set for myself, but I lived up to my expectations. High school is now coming to an end and I am ready to begin a new chapter in my life: College! Although I am unsure of what college to attend, I have many great offers and opportunities to choose from. As of now, I plan on studying business and journalism in college in hopes of one day working for some big-time magazine or newspaper. I know whatever I do in life, I will be sure to continue working with the diligence and excellence I have throughout high school.

Terrence O'Connor #8

Over the past four years, Terrence has strived to achieve academic success. Since ninth grade, his goal has been to graduate in the Top Ten. Throughout his high school career, Terrence has been involved in various clubs and activities, including National, History, Spanish and Math Honor Societies, as well as Student Council, Varsity Cross Country, Track, and other activities. After high school, Terrence plans to enroll in American University or SUNY Binghamton to study government. After college, Terrence hopes to become involved in politics where he will set forth to bring respect, tolerance and understanding to politics, even in the smallest ways. As Mr. Garrison of *South Park* once said, "There's no such thing as stupid questions, just stupid people", meaning although we may encounter people that we may consider "stupid", it does not mean that the questions they ask or the beliefs that they stand for are stupid.

Mike Interdonato #7

Hello my name is Michael Interdonato and I have truly loved my past four years here at the Sayreville War Memorial High School. From the teachers that I have had to the friends that I have made, overall it has been a great experience. I am in the Spanish, Math, and Science Honors Societies as well as the National History Club which all promote the understanding of their respective subjects. I am also part of FBLA in which I won seventh in Business Ethics at the state competition along with my teammates Kanish Patel and Jesse Meister. Upon graduating from high school, I plan to major in accounting hopefully at the University of Virginia. However, the Pennsylvania State University and the University of Maryland are up there on my list of schools and the fact that I made it into both of their honors colleges is something I am very proud of.

Bianca Velazquez

To my baby girl BIANCA

Whether my daughter is still a little girl or a grown-up woman, she'll always remain as my baby girl and will hold a special place in my heart.

It's probably from your mother that you learned how to be humble to everyone in life.

You learned about patience and forgiveness, as she stretched your tolerance with the sulky attitude of a teenage girl.

And still it's from her that you learned that whatever she has chosen to become, I will always feel proud of her simply because she has the key to my heart forever.

I LOVE YOU SO MUCH BABY GIRL!!!!!!
CONGRATULATIONS YOU'RE ALL GROWN UP

Although you see the world different than me
Sometimes I can touch upon the wonders that you see
All the new colors and pictures you've designed
Oh yes, sweet darling
So glad you are a child of mine

You don't need direction, you know which way to go
And I don't want to hold you back, I just want to watch
you grow
You're the one who taught me you don't have to look
behind

Oh yes, sweet darling
So glad you are a child of mine

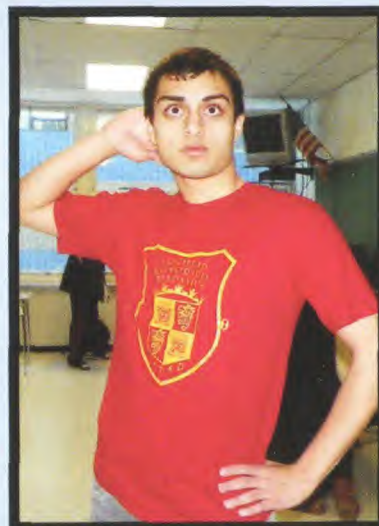

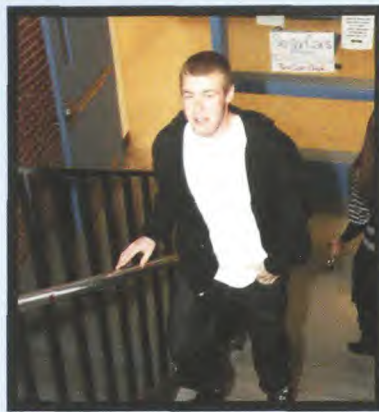

Nobody's gonna kill your dreams
Or tell you how to live your life
There'll always be people to make it hard for a while
But you'll change their heads when they see you

Oh yes, sweet darling
So glad you are a child of mine- Carole King

 A world that's full of energy and fun.

 Remember that you're second to no one.

 And always, Jeremy know you can achieve
 The things you really want, if you believe.
