MY LOCKER

My locker is so full
that it's running out of space
for my memories are stored
in this very special place.

I've stored all the good times
that I spent with my friends—
the laughter, our connection,
and the hope it'd never end.

There's a long list of names
of those who guided me
so that I could become
who I was meant to be.

Inside my locker
are my hopes and dreams, too--
the ones I worked hard for
so that they could come true

I've stored our school colors,
the Bomber blue and grey
that celebrate our spirit
in the true Sayreville way.

What I learned in high school
you will also find there,
and the names of teachers
who showed they truly cared.

So when September comes,
there will be someone new
who will use my locker
for school memories, too.

Upon graduation,
I will have a new start,
but I'll always have memories—
they'll be locked within my heart.

Junior Prom

"Midnight in Paris"

Jahiyah Fields and Aaliyah Wells

Omar Medina and Alexis Pendon

The Woodbridge Renaissance was flooded with people on May 13th, 2011 for the Junior Prom. Flashing club lights and loud music met the juniors from the start. Both the girls and the boys showed off their personal taste in a variety of colors and styles. The atmosphere was heated with excitement and the venue looked stunning. Girls quickly kicked off their heels and hit the dance floor with their dates and friends. The floor was overflowing from the beginning to the end of the evening. The mood softened as the

prom prince and princess, Matt Rivera and Megan McDonough, shared their first dance together. They were accompanied by the other couples soon afterward. Things livened up once more as the DJ played popular songs to get everybody moving. By the end of this remarkable night, it was hard for anybody to leave. After such an exciting and fun evening, the buses were pleasantly quiet as everyone drifted off to sleep with the memories of the prom revolving in their minds.

Powderpuff Football

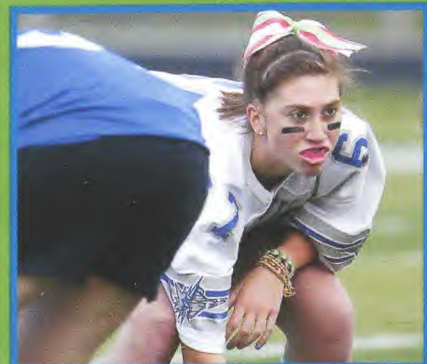

The 2011 Powderpuff Football game, the annual battle between the seniors and the juniors, ended in one of the most memorable ways. The juniors, who in past years have been torn apart by the senior class, came out on top. Ending with a final score of 40-39, the game kept everyone on their feet as each team went back and forth, touchdown after touchdown. It seemed as though the seniors would take the

win again until the tide turned and the juniors began to score. The hard fought battle lasted to the bitter end with the juniors celebrating their win right as the rain began to pour. It was such an electrifying ending to one of the most exhilarating games played. This year's Powderpuff Football game surprised everyone with the juniors' triumphant win over the dominating seniors.

From the nerves of the freshmen to the excitement of the seniors, September 8, 2011 gave mixed emotions to students as the first day of school finally arrived. COUNTRY
www.sayrevilletdc.org

On October 14th, the SWMHS football stadium was a sea of blue and gray for the 2011 Homecoming game. After days of anticipation, everyone was anxious to have a fun night as the Bombers took the field, looking to dominate the Woodbridge Barons. To represent this year's theme, "Let Freedom Ring", each class presented a float depicting a patriotic song of their choosing. The highlight of the evening was the crowning of the Homecoming King and Queen, Timothy Lopez and Carly Hewitt. The excitement continued through the end of the game, with another Bomber victory.

On Friday, October 21, 2011, Bomber Stadium was jam-packed with blue, green, red and yellow in celebration of the annual Pep Rally. Despite postponing the event, the school still showed Bomber spirit as they honored all of the fall athletes. During the Tug-of-War challenge, the underclassmen struggled to stay afoot, pushing the seniors towards victory. Afterwards, students and

faculty were entertained by electrifying performances featuring the Platinum Soundz Step Squad, the cheerleaders and the marching band. The stands erupted into cheers and screams as each grade tried their hardest to win the annual cheer contest. Though the seniors won overall, everyone left the stadium filled with Bomber pride.

#9 Jaskamal Gill

Jaskamal never thought she would be featured on a page for her academic achievements. Although a self-acknowledged underachieving overachiever, Jaskamal is determined to go the extra mile to fulfill those goals she is most passionate about. She is an intellectual whose thirst for knowledge and enlightenment is a guiding force in her life and she hopes to make a lasting impression on the world in the few years she has. She doesn't know what the future holds for her besides her plans for attending college but one thing she is certain of is that she will be a lifelong learner.

#1 Pavan Shah

Pavan Shah is certainly not your average high school senior. Pavan has an exceptional interest in the sciences, as he plans on majoring in biology and eventually pursuing medical school. He intends to fuse his passions for molecular biology and medicine in order to develop solutions for health-related problems plaguing our society today. His greatest inspirations are his parents, two older sisters, teachers, and the senior citizens he befriended while volunteering at Sunrise. In fact, he is extremely thankful for having such people in his life. He is a member of National Honor Society, National History Honor Society, Mu Alpha Theta, and Spanish Honor Society. Pavan demonstrated his leadership and keen interest in accounting by serving as the treasurer for International Society and FBLA. His favorite hobbies include basketball, fixing computers, reading newspapers, and videogames.

Shivali's four years at Sayreville High have been the most memorable and cherished experiences of her life. Besides excelling in academics, she was involved in National Honor Society, Mu Alpha Theta, Spanish Honor Society, and History Honor Society. Additionally she was captain of the Girls' Varsity Tennis team, secretary of the Red Cross Club, and participated in FBLA competitions. Outside of school, Shivali has volunteered at numerous hospitals, soup kitchens, and even tutored children. After graduation she plans on pursuing a degree in biochemistry and eventually go to medical school. Shivali would like to thank her family, friends, and teachers that have influenced her life.

#3 Shivali Patel

Other hobbies of hers include playing the piano, swimming, and dancing. Hetty is also intrigued by different cultures around the world and has a passion for learning foreign languages. She is excited to go to college and wishes the Class of 2012 the very best!

#7 Bryan Lanza

Hardworking and persistent, Bryan continues to strive towards success. In addition to a challenging academic schedule, he has also been involved in various extracurricular activities and currently holds a job in retail. Just recently, he placed 3rd overall at the DECA State Conference for accounting and qualified for the national competition. In his free time, Bryan hangs out with friends, plays video games and enjoys playing sports. Next year, he plans to attend Rutgers Business School and aspires to major in accounting. He would like to thank his family, friends and teachers for helping him reach the point where he currently stands today.

#8 Amulya Uppala

Amulya is a fun and outgoing person who loves discussions and debates. She wants to do Computer Science and she got accepted into Carnegie Mellon University. Amulya really enjoys doing volunteer work and hanging out with friends or family. She is on the Tennis team, multiple clubs and several honor societies and also participated in the Community Emergency Response Team (CERT) program. Amulya loves to help out anyone who requires help. No, she is not a robot but her dream is to design or help construct one at Carnegie Mellon! After all, only we can make things happen so "To believe what another says about you is unconscious, robot thinking." - Barry Long.

#10 Mahnoor Ansari

Throughout her four years of SWMHS, Mahnoor Ansari, known as Noor to her friends and teachers, has had her ups and downs, like every other teenager. However, she did not let it keep her from achieving her true potential. Not only has she done well academically, but she was in Science and Spanish Honor Societies. She played 2nd Doubles Varsity for the Bombers' Tennis Team in her last two years of high school. Noor plans on becoming a doctor, wanting to help put smiles on people's faces and to give back to the world. She wants to thank her family, friends, and teachers for being there for her, through all the good times and bad. Having their support gave her comfort throughout high school.

Boys' Cross Country

With the guidance of Coach Monahan, the Boys' Cross Country team ended their season with a record of 2 wins and 4 losses. Captains Thomas Zucker, Casey Virgillo and Joshua Goldstein pushed the team forward throughout the season. All runners improved their times and set their new personal bests. Sophomore Ryan Moran made the All-White Division Team and placed 33rd out of 161 top runners in Middlesex County. One of the most memorable races for the boys this season was at GMCs, where they proved that Cross Country runners run in the harshest weather conditions: rain, snow, and hail.

Hardworking, talented and dedicated are three words to describe the 2011 Sayreville Lady Bombers Softball Team. Coach DeLucia and Coach Lawson led the team through a rigorous season. Captain Katie Dovidauskas kept the team's spirit up, especially when they played Monroe and East Brunswick, their biggest rivals. Kristen Fitzsimmons and Krystal Pearson took the mound as the team's pitchers and Sam Amato and Paige Gallagher were behind the plate. The girls look forward to improvement for next season.

Dear Craig,
I never want this to go unsaid,
So here in this poem, is for it to be said.
There are no words to express how much
you mean to me,
A son like you, I thought could never be.
Because the day you were born, I just
knew,
God sent me a blessing- and that was you.
For this I thank Him everyday,
You are the true definition of a son, in
every way.
It is because of you that my life has
meaning,
Becoming a mom has shown me a new
sense of being.
I want you to know that you were the
purpose of my life,
Out of everything I did- it was you that I
did right.
Always remember that I know how much
you care,
I can tell by the relationship that we share.
For a son like you there could be no other,
And whether we are together or apart,
Please do not ever forget-
You will always have a piece of my heart.

Love Always,

Nicole Sivilli

Dear Nicole,

You were our miracle baby and you have made us the luckiest parents on earth since the day you were born. Our lives would not have been the same without you. From your first day of kindergarten, to all your accomplishments in high school, you've always had that special something! What will we do without you when you go to college? We will all miss you so much, especially Dave! But all your studying and hard work has paid off. Good luck at Rutgers University. We know you will do big things.

Love,
Mom, Dad, David
