No man ever stands alone,
that is what I've always heard--
and I have proof that this is true
for Sayreville lives by these words.

Days of peaceful serenity,
we spend by each other's side;
and the days of adversity
we become each other's guide.

No matter where Fate takes us --
for a stroll, a walk or a run,
we are there for one another
with open arms for everyone.

Student Life 2 Seniors 16 People 66 Sports 122

The memories that we share
of moments both grand and small
are tattooed upon our hearts
and forever unites us all.

So in your quiet moments,
just listen to Fate's sweet call
of its whispered serenade,
"Sayreville --- one for all."

#1

Udit Modi

"MODivation." This portmanteau has resonated with Udit through his many endeavors in life and is the explanation for his successes. Udit attempted to compose a harmonious tune of scholarship, service, and leadership while in high school. His interests are eclectic and mirrored by his involvement with activities such as Varsity Swim Team Captain, Class Council Recording Secretary, and various other honor societies and organizations. Some would consider his accolades as indicative of Udit, but he considers his most valuable experiences to be those taught outside of the classroom, by the maestro of life. He is thankful for his family, friends, and teachers who have paved his pathway to success. Looking back at his years, Udit's most cherished memories occurred in high school and he especially enjoyed the time he spent with his peers. Udit's academic plans are still undecided, but upon completion of college he plans to attend medical school and become a pediatric oncologist and eventually the President of the United States of America.

Top Ten Seniors

#5

Kelly Bobchin

Kelly is excited that her four years of hard work have paid off by placing her in the top ten. In addition to her academic achievements, Kelly is the president of the French Honor Society, a captain of the Academic Competition Team, and the secretary of Mu Alpha Theta. Outside of school, she loves to spend her time doing theatre, both on and off stage. This year, along with performing in several shows, she co-directed her first show with her sister. Kelly plans to go on to study psychology in college.

#6

Helen Kwok

Helen is a creative and clever person. She loves to immerse herself in the lovely convoluted mazes of mathematics and enjoys a challenging problem. She has been featured in IMAGES and has won a Gold Key award in the Scholastic Art Competition. On most days, you will find her sketching and looking up cheesy math puns. She has high hopes for the Sayreville Exceleration winter guard she is part of and expects many more victories in the future. Her plans for the future include studying linguistics, cryptography, and being an awesome government agent who creates awe-inspiring works of art.

#7

Samantha Martino

Samantha cannot believe what she has done in her four years at Sayreville War Memorial High School. Between being accepted into the New Jersey Tap Ensemble and having a seizure her sophomore year to becoming president of Mu Alpha Theta and getting accepted into Stevens Institute of Technology, it's crazy how much can happen. When she is not found tap dancing or salsa dancing with Spanish Honor Society, Samantha is baking up something in the kitchen, tutoring fourth and fifth graders at the library, or spending time with her family and friends. She absolutely loves helping others and believes that with the help of her fellow ninjas she can change the world. However, she knows that she wouldn't be where she is now if it wasn't for the support of her family and a few incredible teachers. With a chemistry teacher that inspired her to do great things, a history teacher who has doubled as a friend and mentor, and a vice principal that cheered her on, Samantha knew that no matter what life threw at her, everything would be okay. This fall Samantha will be going to Stevens Institute of Technology where she will be majoring in Chemical Biology with a minor in Biomedical Engineering.

#2

Brittany Kokoszka

"If you were born without wings, do nothing to prevent them from growing." – Coco Chanel

As a strong-willed, driven, and independent perfectionist, Brittany Kokoszka has studiously worked to achieve her goals throughout her arduous yet incredibly rewarding high school career. She ardently insists that the vital power required to achieve the unthinkable is stored in us all, but is only released when the passion and eagerness to do so is apparent. During her four years at the high school, Brittany has been immensely involved in a variety of clubs and honor societies. Through her dedication, she became the President of SADD, Editor-in-Chief of the newspaper, and Recording Secretary of NHS. She owes her success to the continuous encouragement received by her loving family and friends, both of who served as the groundwork that enabled her to build a profitable life. Looking forward, Brittany plans to fully utilize her detail orientated personality and organizational skills as an accounting major and aspires to work for one of the "Big Four" accounting firms.

#3

Nishi Parikh

Nishi's memorable experiences at SWMHS have helped her blossom into the person she is today. She has always endeavored to be optimistic and hardworking. Through her academic success, Nishi is an active member of several Honor Societies. Involved in Class Council as Class Executive, the Varsity Tennis Team as captain, and NHS as secretary, she has excelled as a remarkable student. Outside of school, Nishi is a dedicated Girl Scout in the progress of earning her Gold Award, and as president of the GS Senior/Ambassador Planning Board, she spends her time giving back to the community. In the vast future that awaits her, she plans to major in science and attend dental or medical school. Nishi would like to thank her family, friends, and teachers for their continuous support in guiding her on a path of success and to wish the Class of 2014 the very best!

#4

Christopher Cena

Energetic and tenacious, Chris Cena not only seeks success in college, but in any future educational endeavors. Despite academic achievements, Chris is also a member of Mu Alpha Theta and the Spanish Honors Society. He also hopes to major in mechanical engineering in order to feed his curiosity involving technology. Overall, excited for what is to come, Chris wishes good fortune to the future, the Class of 2014.

#8

Shaun Lim

The high school years of Shaun Lim have been an unforgettable journey, leaving him with an immeasurable amount of experiences and memories. The accumulation of interactions and adventures from day to day has left a deep impression on him, and will never leave him for the rest of his life. The SWMHS community has been an important factor in the refinement of Shaun's creative and logical machinations. Being able to expand his interests and hobbies with the friends around him has allowed him to develop his own individual thoughts and beliefs, giving him a new perspective of the world around him. Technology has also played an integral part in his life, and will likely continue to do so for the rest of his life. Being able to answer his curious inquiries while providing daily entertainment has resulted in his everyday usage of his computer. Between the hours he spent on either schoolwork or the computer, he would often sketch and read comic books. Looking to the future, he hopes to continue expanding his horizons and will be attending Rutgers University to major in Computer Science.

#9

Lauren Squillace

Lauren has enjoyed her time in high school very much. She will always cherish the memories she made, all of the friends who she has come to know, and everything that she has learned. In addition to her dedication to academics, Lauren played the flute in the Marching Band, Concert Band, and Pit Orchestra. Some of her favorite high school memories were made during the time she spent in the band including the marching band's championship win during her senior year. She is grateful for all of her teachers and their dedication to the success of their students.

#10

Deep Sheth

Deep Sheth has had a transformative high school experience full of growth and exploration. In addition to academics, his extracurricular involvements have shaped his character and confidence. Serving as the president of both FBLA and TIGS, Deep has expressed the importance of pursuing passions with happiness and a core set of values. He is inspired by the innovation that technology enables. In his free time, Deep works as a web developer, and he hopes to major in computer science to become a tech entrepreneur. To his family, friends, and teachers who have taught him profound lessons throughout this four year journey, Deep is indeed deeply grateful.

ACTIVITIES

Quo Vadis

The school yearbook, Quo Vadis, is the most complete record of a student's year at SWMHS. The yearbook is full of sections devoted to student life, sports, extracurricular activities, portraits, and much more. The staff works year around with Ms. Fallon to prepare the yearbook. Being a part of the Quo Vadis provides students with an opportunity to develop responsibility, leadership, creativity, and journalistic skills.

National Honor Society

Being a part of the National Honor Society is the highest honor a high school student can achieve. Induction to the society depends on active participation in school activities as well as academic achievement. Under the guidance of their advisor, Mrs. Magaw, NHS members volunteer much time toward charity work and in assisting other students.

Mu Alpha Theta

Mu Alpha Theta is the Mathematics Honor Society, whose purpose is to provide recognition of superior mathematical scholarship to deserving students. MAT coordinates activities for Math Awareness Week and National Metric Week. Membership is awarded to students who maintain a final average of an A- or higher. Their advisor is Mrs. Vasquez.

History Honor Society

The History Honor Society is advised by Mr. Pastva and Mr. Howard. Its purpose is to promote the study of American History through encouragement of research, publication, community service and exchange of learning and ideas among students.

Spanish Honor Society

The Spanish Honor Society introduces the students of Sayreville to an in-depth understanding of the Spanish language. Students take part in a variety of activities including Spanish tutoring, craft-making, salsa dancing, and writing letters to veterans. Senor Alcolea serves as the advisor.

French Honor Society

The French Honor Society provides an opportunity to recognize outstanding scholarship in the study of the French language and culture. Members take part in trips to museums and plays to enrich themselves in the French culture. Their advisor is Mrs. Sullivan.

Science Honor Society

The Science National Honor Society recognizes and encourages scientific advancement, promotes the improvement in the students' knowledge of classical and modern science, communicates with the scientific community, and aids the civic community with its comprehension of science. The advisor is Mr. Coleman.

SADD

Students Against Destructive Decisions, SADD, led by Ms. Corrales promotes a healthy lifestyle for teenagers. Members spread the message of positive peer pressure and provide strategies to help avoid problems a teenager might face in high school. Each year SADD holds an assembly with a keynote speaker for Juniors and Seniors. This year SADD invited Cara Filler and Kevin Brooks to SWMHS to tell us their stories.

TIGS

TIGS stands for Teen Interest Gains Success. This club advised by Mr. Veres promotes an alcohol and drug free life by teaching members alternative ways to have fun and "get high on life". The purpose of TIGS is to teach students to make the right decisions at times where they feel pressured to do otherwise. The meetings show that there are other ways to have fun without drugs and alcohol.

Images

Images is the school's literary magazine, which is published in the spring of each school year. The magazine consists of poems, short stories, photography, and artwork submitted by the students of SMWHS. Al'Nasir "Strong One"

It's a boy! Seems like yesterday and now you are preparing for college, how quickly time-goes-by. Dad and I are most proud of this accomplishment. The first step to many steps you will need to take in life. Remember, life is full of highs and lows but always keep God and prayer @ the forefront. Your beliefs do not make you a better person, your behavior does. And follow one of my favorite quotes by Les Brown, "Accept responsibility for your life. Know that it is you who will get you where you want to go, no one else." Son, as you journey into manhood, please know as James Baldwin stated, "Our crown has already been bought & paid for. All we have to do is wear it." Your crown awaits you young man.

We love you much
