

School Board to Hold Open Hearing on Lunch Schedule

The 115 parents of senior and junior high school students who sent a signed protest to the Board of Education against a 34 minute luncheon period for their children in the new cafeteria beginning in September, will be invited to attend the board's July 18 meeting at 9 p. m. to study the problem. This action was taken by the board Tuesday night.

The protest asks that the board hold a "full discussion" on the luncheon plan, claiming that the 34-minute period involves questions of nutrition for the children and expense to the parents.

The petitioners state that 34 minutes is insufficient time to eat and allow a "needed period of relaxation" after meals for both students and teachers and that the "added noise and confusion of more than 300 children eating together will detract from the ability to do good work."

It is also claimed that the abbreviated lunch period will cost approximately \$85 per student per year. The parents base this estimate on this year's figures, comparing the price of a full cafeteria lunch to that of a home-prepared lunch. It is contended that an equivalent lunch can be served at the home for 35¢ per child compared to the school cost of \$85. The alternative, that of supplying sandwich lunches, is not satisfactory, the parents declare.

The petition asks that the Board of Education give consideration to the retention of the full hour lunch period for parents who prefer having their children eat at home, adding additional time in the afternoon if necessary.

Parents signing the petition reside over a widespread area including such streets as Oak Ridge avenue, Fernwood road, Rowan road, Maple street, Morris avenue, Blackburn road, Edgewood road, Hobart avenue, Colt road, Windsor road, Sunset drive, etc.

May "Relax" Rules
Board members may consider a "relaxation" of the rule for pupils living within a certain number of blocks from the school, they said. Members added that the high school student General Organization had recommended this move.

Mrs. Reed Hyde was elected vice-president. Mrs. Elizabeth S. Vass of 36 Fairview avenue was employed as school secretary. Mrs. Vass has been employed at Overlook Hospital for the last seven years.

The board authorized expenses for board member Mrs. Hyde, President Leonard Best and Superintendent of Schools Roberts v. S. Reed to travel to the Boston area to study new schools built in Lincoln, Newton and Winchester, Mass. The board is seeking this (Continued on page 3)

Family Gifts For City's July Fourth Celebration Lag

The Summit Fourth of July Celebration Committee, Inc., announced last night that plans for the city's gala observance were virtually complete but that contributions for the program were running behind expectations.

The civic committee, serving voluntarily and headed by George H. Hufnall, has mailed out notices to Summit residents asking for a contribution of at least \$1 to defray the cost of the all-day show. As many tags as each family needs, admitting the bearer to all events, will be mailed as soon as the contribution is received.

Tags will go on public sale the Friday and Saturday preceding the Fourth at the booth in front of the Summit Trust Co., corner of Beechwood road, and Springfield avenue, and they also will be available at Memorial Field, scene of the celebration, on July 4.

Mr. Hufnall emphasized, however, that the committee needs as much money in advance as possible and urged all those who have not yet mailed in contributions to do so this week. Cost of the program, to be featured by a five-act circus and an hour-long fireworks display, is estimated at \$3,000.

The program will follow last year's schedule quite closely. It will begin with a flag-raising ceremony at 9:45 a. m. and close with the fireworks, starting at 9 p. m.

The circus, set for 11 a. m., will follow a series of track events which will begin at 10 o'clock. Memorial Field will be available for picnic lunches from noon until 3 p. m., at which time the Summit Red Sox will engage Maplewood in a Lackawanna League baseball game.

A band concert will start at 7:30 p. m. and last until the fireworks are touched off.

The circus will be pitched on the Memorial Field baseball diamond, where grandstand seats to accommodate several thousand persons will be set up. The circus will include trained baby elephants, a dog and pony act, stunt riders, (Continued on page 10)

Priest Defends Loyalty of World Federalists

Loyalty of the United World Federalists was defended by A. J. G. Priest, national executive committee chairman of the organization, at a meeting of the Elizabeth Chapter of UWF held last week at the Winfield Scott Hotel in that city.

Mr. Priest ridiculed charges of Communist influence in the Federalists and pointed out that the group is under attack by both the extreme right wing "hate groups" and by the Communist Party forces. "The Daily Worker" and "Pravda," Moscow publication, "We're in the middle," he said, "and proud of it."

He declared that the UWF is composed of loyal Americans who believe "history has proven that there can never be peace, order and justice in any community; local or world-wide, without government." He expressed the belief that the true American tradition is one of universal and not restricted values.

Mr. Priest accused Morwin K. Hart, of the National Economic Council; Gerald L. K. Smith, and Joseph P. Kamp, of the Constitutional Educational League, as the prime instigators of a movement to attempt to pin the Communist label on the World Federalists.

"Any unbiased court of law would laugh at these charges," he stated.

A New York corporation lawyer, Mr. Priest resides at 240 Oak Ridge avenue.

SAR To Observe Battle Anniversary

The Passaic Valley Chapter, S.A.R., will hold an outdoor memorial service in commemoration of the 170th anniversary of the Battle of Springfield at the S.A.R. Cemetery in Springfield, Monday, June 28 at 5:30 P.M.

Channing R. Dooley, chapter president, will preside. Edgar Williamson, Jr., secretary general, national society, S.A.R., will be speaker.

If the weather is stormy, the services will be postponed one week.

Members of all neighboring Chapters of both S.A.R. and D.A.R. as well as the general public are cordially invited.

SUMMIT SPEEDSTERS who will enter the Union County Soap Box Derby, to be held this Saturday at Westfield, give their cars a last minute check-up prior to shipping them off to the racetrack. The boys built their own cars and are sponsored by local merchants. They will compete in a field of 125 for county laurels and the winner will be sent to Detroit for the

national finals. Above, l. to r. are Pete deLuca, Phillip Mennitt, Esco Long, Bryan Gray, John Stockdale, Alfred Brydon, John Moore, John Scarina, Pete Koffman, Mario Giannino, D. North, South Side Community Chest Leaders Appointed

Four chairmen to direct the annual fall United Campaign (Community Chest) appeal for Summit's nine social service agencies were named this week by Hugo B. Meyer, general chairman, as organization plans for the campaign continued.

Volunteer workers in the south side will be directed by Nicholas C. English of Beckman road with Mrs. H. O. Pattison of Hobart avenue serving as co-chairman. North side workers will be headed by John M. Blackmar of Kent Place boulevard with Mrs. H. Stanley Krusen of F. road as co-chairman.

The four chairmen are now selecting team captains who will organize teams of volunteers to make house-to-house calls on Sunday, October 22, "Red Feather Day."

Mr. English, a director of the YMCA, has been active in advance gift solicitations in previous years. He is a member of the Newark law firm of McCarter, English & Studer, and is an active member of the Playhouse Association and a former member of the board of deacons of Central Presbyterian Church.

Mrs. Pattison is a graduate of Wellesley College and is vice-president of the Union County Mental Hygiene Society. She served as president of the Junior Service League for the last two years and is active in civic affairs of the community. Mr. Pattison (Continued on page 3)

City Playsites, Including New Lincoln Field, to Open Tuesday

Summit's playground facilities will be augmented this summer by the opening of Lincoln Playground, located off Woodland avenue between Crescent avenue and MacGregor road. The city's six playgrounds will start the summer season on Tuesday, June 27, at 9:30 a. m., the Board of Recreation announced this week.

The newest playground has been developed for the Lincoln School area and will become a part of the recreational facilities of the proposed new school. Equipment, soon to be installed, will consist of a set of swings, teeter-totter, slides and a sand box.

A shelter house is being built which will contain rest rooms for boys and girls and storage space for equipment. A drinking fountain has already been placed in operation. The play area will be located near Crescent avenue.

The grounds will also have two softball diamonds, to be located near MacGregor road. Total area of the playground, also known as Lance Field, is approximately three acres.

Locations of the other municipal playgrounds are as follows: Edison, off Morris Court; Mable, off Summit avenue, between Broad street and Morris avenue; Memorial, off Ashland road; Roosevelt, off Park avenue at Roosevelt School; Washington, off Morris avenue, next to Washington School.

This year's playground supervisory staff will consist of 16 directors. Of these six women and six men will serve as directors and there will be a supervisor in arts and

crafts, baseball, dramatics and community nights, and an overall playground supervisor.

Directors Appointed
Miss Ellen Stiles, a student at Colby College, and George Russell May of Colgate will be directors at Lincoln playground. Miss Gloria Johnson of St. Lawrence University and Walter Ande of New York University will be directors at Edison.

Directors at Mable will be Miss Phyllis Dodson of NJC and John West, a graduate of Franklin and Marshall College.

Pre-View of Fall Mental Health Program Given

A preliminary showing of two films related to the field of mental health was given Thursday night at the YMCA under the auspices of the Summit Committee of the Mental Hygiene Society of Union County in cooperation with the Suburban Film Council.

Following the showings, representatives of educational, parent and welfare groups heard a panel discussion on the films. Panel members were: Dr. John W. Kinley, of 116 Ashland road, who is a Newark psychiatrist; Miss Nora A. Way, and Mrs. Ruth Boyle, visiting teacher and psychologist respectively of the Summit School System.

Mrs. Arthur F. Ackerman, chairman of the hygiene committee, announced that the showing was to introduce a series of film forums which will be conducted in the fall. They will deal with various aspects of mental health including the emotional, social and physical development in children.

The objective of the showings, Mrs. Ackerman said, will be to give representatives of interested groups in the community a chance to see and evaluate some of the wide range of films now being produced in this field.

A session of films restricted to a professionally trained group is also being planned and will include films and play techniques and personality development. Discussions under the guidance of trained specialists, who can pass on the technical validity of the (Continued on page 18)

Tax Exempt Land-Buildings in Summit Exceeds \$6 Million

Appraisal of all tax exempt property, both land and buildings in the city, amounts to \$6,866,050. This was revealed by Councilman Otto F. Taylor, chairman of the finance committee, following Tuesday night's meeting of council which was devoid of much business. The review was made by the Board of Assessors at the request of President Ernest S. Hickok of council.

Englishman to Be Speaker at United Church Services

Rev. Alfred E. Binks, D.D., visiting chairman of the London North East Methodist District, will be a guest speaker at the united services of the First Baptist Church and the Methodist Church this summer. The combined services will begin July 2 at the Methodist Church and will be held there during that month.

The united services, long a tradition in Summit, will continue through September 3. Dr. David K. Barnwell, minister of First Baptist Church, will conduct the opening service. On July 9, Dr. Arnold Nash, head of the Department of Religion at the University of North Carolina, will be guest preacher. Dr. Francis C. Stiller of Summit, secretary for public relations of the American Bible Society and radio commentator, will take the pulpit on July 16. Dr. Georgia Harkness of the Garrett Biblical Institute, Evanston, Ill., will speak on July 23, and Rev. Herbert Richards of Chatham and Drew University will preach on July 30.

Dr. Binks, who is widely known in England for his leadership of a Campaign of Evangelism in the Great Central Missions there, will be guest clergyman on August 13 and 14. August services will be held at the Baptist Church.

A Yorkshirer by birth, Dr. Binks was trained at Cliff College and Handsforth College, Birmingham. The whole of his active pastoral ministry has been spent in the Central Mission Halls. Throughout the recent war, he ministered in the badly blitzed area of East London and is still engaged in the reconstruction of damaged churches there. A brilliant speaker, Dr. Binks will be in the United States this summer as a representative of the British Council of Churches.

Other August speakers are: Dr. Henry J. Cadbury of the Divinity School of Harvard University who will speak on August 6 and Rev. Jesse Lyons, pastor of the Methodist Church, will conduct the concluding united service at the Baptist Church.

Industrious 7-Year-Old Boosts Overlook Fund

A seven-year-old girl calmly walked into Overlook Hospital yesterday, approached the business office and handed the women in charge \$3 in small change. It was, the youngster explained, a contribution to the building fund and earned by herself, Patricia Irwin of 27 Crescent avenue. Daughter of Mrs. Herbert M. Irwin, the child made pot holders and sold them to neighbors for 25 cents each.

Old Guard Holds First Fieldhouse Meeting

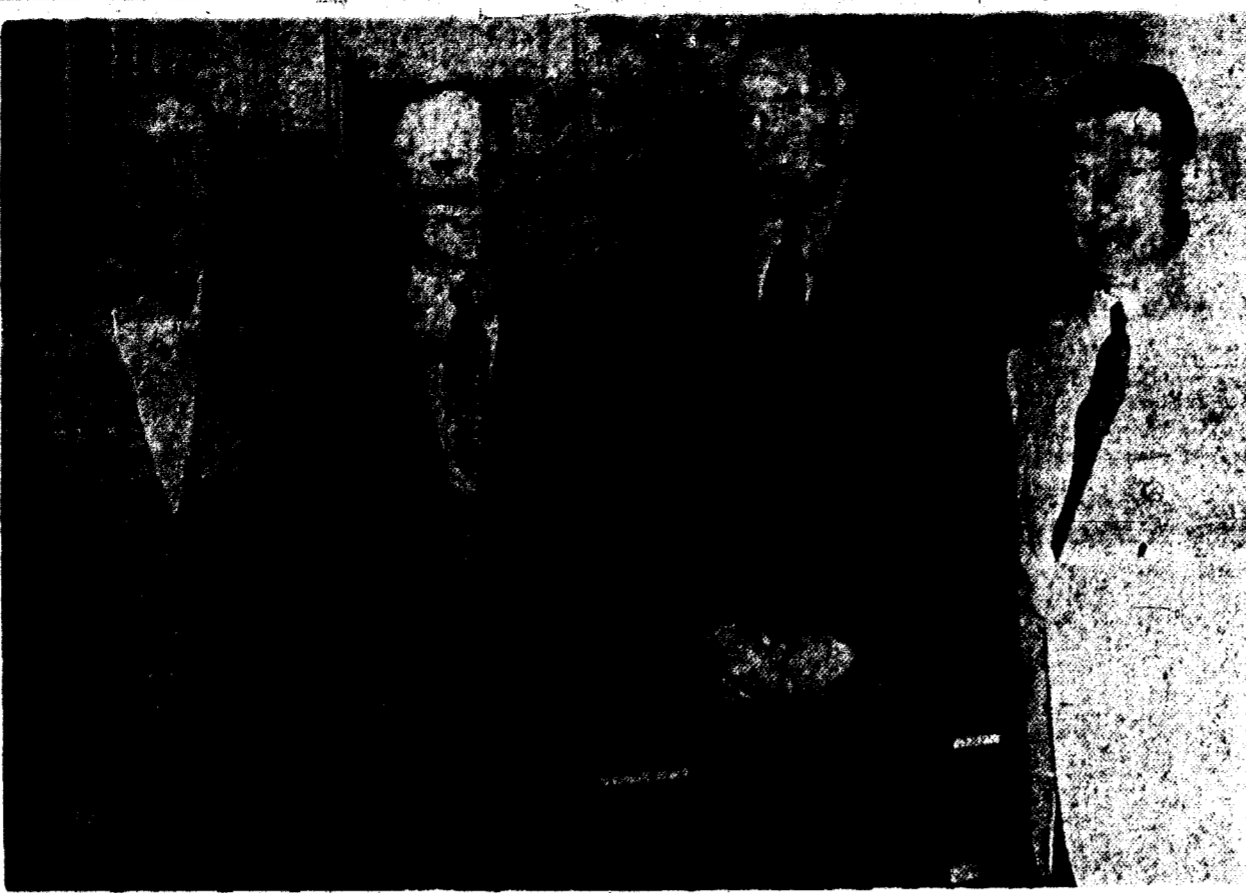

The first fieldhouse meeting of the season brought out thirty-one Old Guardmen on Tuesday to hear about the recent trip of fellow members to the Amish community in Eastern Pennsylvania.

C. J. Carew then spoke about another community from Stuttgart, Germany, which had settled in western Pennsylvania. Chosen for their varied skills, some of them had helped to build an important railroad bridge near Pitts-

burgh. Believing that the world would come to an end in 1856, they had failed to marry and so this particular sect has almost disappeared.

There was goodfellowship at the picnic luncheon, after which a small group played shuffleboard. The leader for next Tuesday's meeting will be Edward Herbert.

Rally This Sunday Opens Vacation Church School

Boys and girls attending the vacationing church school sponsored by the Summit Council of Churches will have a rally day this Sunday in preparation for the opening of the school sessions on Monday, June 26. The rally will be at 9:30 a.m. at the Methodist Church.

Vacation church school will be conducted daily from 9 a.m. to 12 noon through July 7, with the Fourth of July being a holiday. The theme for the season will be "God's World" and will be interpreted in the various age groups through courses adapted to each department. Classes will be divided into kindergarten, primary and juniors. The program includes various activities including worship, music, stories, Bible memory passages, arts and crafts, etc.

Kindergarten classes for children from four years to five and the first grades (primary department) will be conducted at the Methodist Church. Older primary grades and junior department classes will be at Calvary Episcopal Church. Outdoor recreation periods will be at the new Lincoln Field and on the grounds of Kent Place School.

Teachers in charge of the various classes are as follows:

Kindergarten — Miss Evelyn Boye, Mrs. W. R. Lundy, Mrs. J. G. Nordahl, Mrs. E. N. Rinhart, Mrs. R. C. Squire, Mrs. R. R.

Thursby, Miss Hazel Creecy and Miss Elizabeth Wilson.

Primary—Mrs. J. W. McLaughlin, director; Mrs. W. Knapp Bailey, Mrs. E. E. Meyer, Mrs. R. E. Lawler, Mrs. C. W. Moll, Jr., Mrs. R. J. Watson, Mrs. L. P. Warner.

Second Primary — Mrs. A. S. Morse, director; Mrs. W. B. Behre, Mrs. S. E. Geise, Mrs. J. L. Marsh, Mrs. L. P. Parkin, Earl Johnson.

Junior—Mrs. E. C. Cornog, director; Mrs. R. W. Bogumil, Mrs. T. L. Neville, Mrs. A. H. Hearn.

Others who are assisting are Miss Capitola Dickerson, music; Mrs. E. K. Eberhart, art projects; Mrs. F. D. Leamer, service projects; R. K. Hopkins, boys' activities; Mrs. N. S. Hill, games and recreation; and Mrs. R. H. Card, registrar.

Several older boys and girls, including Vivian Leamer and Beverly Hullin, will assist with the younger children. The school director is Miss Mary Emma McCarrroll, director of Christian education in the Methodist Church, and her associate is Mrs. James K. Merritt, director of Christian education for Calvary Church. The Committee on Education of the Council of Churches, with Mrs. L. L. Hilyard as chairman, is sponsoring the school.

Community Needs An Active Library, Kiwanians Told

As another of its programs dealing with the activities of various city organizations, the Summit Kiwanis Club Tuesday noon heard Mrs. Marion Manley Winsler, president of the Summit Library Board of Trustees, speak on "The Library Ornament or Tool?"

Mrs. Winsler, who has lived in Summit nearly all her life, is librarian of the Business Branch of the Newark Library. She has written several books on the relationship of business and the library and has lectured at Rutgers

University on that subject. Her work with the Rutgers School of Business Administration was recently recognized with the award of an honorary master's degree.

Styling herself "a violent propagandist for the effective use of libraries," Mrs. Winsler based her talk on the premise that too many suburban libraries are merely ornaments and "passive budes of culture" rather than reservoirs of information and instruction which can serve all the people of the community all the time.

Partial evidence that this condition is not necessarily true in Summit was revealed when Mrs. Winsler was able to call the names of several members of Kiwanis whom she had seen recently taking advantage of the library facilities. It is sheer waste of the tax dollar, the speaker declared, when the citizens of a community fail to use their library to the fullest extent possible.

Failure of the public to appreciate and use the library can often be laid to the failure of the library staff to interpret its facilities properly to the community, she added. The Summit library has taken steps to keep its users informed through a column in the Summit Herald and by circulating the pamphlet "Found in the Library." An additional service was last year's "Summit on Its Way" series in which the library attempted to explain to the citizens of Summit the workings of the various departments and agencies of the city government.

Library Must be Alert It is the duty of the library, continued Mrs. Winsler, to keep abreast of a little ahead of the informational needs of the community. It must be aware of

information for use for the proposed new Lincoln school which will be built in 1952.

The board discussed erecting a shelter and equipment house at the rear of the Lincoln school plot

near Crescent avenue for use of pupils using that athletic field before the school building is erected. Seven bids were received for shades for the high school ranging in price from \$800 to \$1,400. new developments in the media of information and instruction such as visual aids to education which are enjoying increased popularity. The Summit Library hopes soon to be in a position to offer a much enlarged collection of 16mm. sound films on many different subjects.

In discussing the financial problems of the Summit Library Mrs. Winsler praised Common Council, which passed on the library appropriation for its understanding of the value of the library to the community. It is the duty of every citizen of Summit to become familiar with the services the library has to offer, she said, and to keep the board of trustees and the staff "on their toes" by taking advantage of these services as often as possible.

It is not necessary, she explained, to come to the library in person for information. Its facilities are as close to the Summit resident as his telephone. The library staff will gladly collect material on any subject and have it ready and expertly assembled for the user to pick up. Otto Schmidt thanked Mrs. Winsler on behalf of the club and presented her with a Kiwanis speaker's certificate and President Harry Edgar announced a directors meeting Monday, June 26 at 6:30 p.m. at the home of John Voegtlin.

THE MENACE OF COFFEE DRINKING

Wake up man, wake up to the darkness of the cup that you drink. Wake up to the joy and happiness of helping a tired world recover its youthful vigor by overcoming its ancient social custom of coffee drinking.

There was some excuse for our ancestors to drink coffee and tea because in making these drinks it was necessary to boil the water. This furnished a sterile drink at a time when sanitary conditions were far below our modern high standard and little was known about bacteria. Even less was known as to the poisonous ingredients in coffee and tea.

My mother was very fond of coffee and it had to be made just so. She thought that I couldn't do the day's work without a cup of coffee for breakfast and to please her, I started drinking it. After several years of headaches and indigestion, my hands started to tremble and believing that coffee was the cause, I stopped its use forty years ago and haven't tasted a drop since that time. My troubles soon disappeared and judging by the thousands of others who have done likewise, I can guarantee that you too will be beneficially affected, have better health, a clearer complexion, a better disposition with more courage, generosity and good will by denying it completely.

If beans or peas are scorched in cooking, it is good judgment to throw them out and refuse to eat them. Coffee is a bean that is highly scorched and roasted, ground and made into a boiling hot drink. By the way some people take to it, one might think that life itself depended upon it. You know there are no good values in it. It is just a common drug habit that speeds up the heart, puts the nerves on edge, retards sleep and relaxation, adds acid and tar to the system besides increasing the flow of the gastric juice two and a half times the normal rate. It shrinks the capillaries causing high blood pressure. It slows up the reaction time and dulls the intellect and the ability to concentrate. It muffles the signal of the fatigue indicator so that it becomes easy to burn the candle at both ends without realizing the damage to the body and its life shortening effects.

It furnishes a psychological escape in giving adults a satisfaction in using what was denied to them as children.

It is generally agreed that the increasing use of alcohol is producing the same injurious effects upon the physical, mental, spiritual, social and economic health of the American people that it has had upon the French and other Europeans. I am firmly convinced that coffee drinking is doing more damage to people today than alcohol because it is more generally used and displaces foods in the stomach that are greatly needed to maintain a nutritional balance. Furthermore it is the root of the tobacco habit and the caffeine and nicotine together are the roots of the alcohol addiction. True there are many people who drink coffee who do not smoke or use liquor but seldom do you find an alcoholic who has not been a user of coffee and cigarettes.

The American people are still in a dilemma as to how to have peace in a troubled world, how to prevent accidents and avoid the ills of society such as juvenile delinquency, divorce, poverty, crime, cancer, heart diseases and various other maladies. The answer is simple. This new, high speed world now needs all good people, like yourself, to be advocates and demonstrators of a new and better way of life in which coffee drinking is no longer a temptation and in which milk, fruit and vegetable juices, hot water and lemon have taken its place.

The harder it is to overcome a drug habit, the more necessary it is to conquer. If you get a headache in going without your coffee, think nothing of it. It is part of the weaning process—with extra sleep, exercise in the fresh air and sunshine, you will soon be in a new world, one in which you are free from more and liquor.

Peace be with you!

"Beyond the frail premises of human beliefs, above the loosening grasp of creeds, the demonstration of Christian Mind-healing stands a revealed and practical

Young Adults Plan Wednesday Night Program

The Young Adult Department of the YWCA will begin its summer program July 5 with an open house starting at 8 p.m. It was announced this week by Mrs. Robert Carson, chairman of the Department.

The Wednesday night program will be for all young persons of Summit and vicinity who are 18 years or older or out of high school. The Modern Dance class for girls will start the night at 8 p.m. with Miss Joy Hall as instructor. The co-ed classes will be held at the same hour under the direction of Richard Roby.

Climaxing the nights will be the regular Wednesday night club with square dancing, ballroom dancing, cards and informal games. There also will be community singing.

Mrs. Carson pointed out that everyone is invited and young persons are urged to bring their friends.

Pending completion of the tennis courts, tennis classes will also be held on Wednesday nights between 7 and 8 p.m.

Registration for the Wednesday night club or any of the classes should be made during the week of June 25.

Members of the committee in charge of arrangements are: Miss Pauline Alence, Kent Barnaby, Miss Margaret Garis, Tom Finney, Miss Martha Hebbert, Mrs. Ethel Pryor, Frank Randall, Harry Veas, and Baldy White.

Two Names Omitted From Pinyr Graduation List

In listing the Summit area graduates from Pinyr School, Elizabeth, in last week's issue the names of two local boys were inadvertently omitted.

Wallace Ripple, son of Dr. and Mrs. Charles W. Ripple of 27 Glen Oaks avenue, and Roderick MacDonald, son of Mr. and Mrs. Roderick MacDonald of 115 Beechwood road, were among those who graduated.

Mr. Ripple will attend Trinity College at Hartford, Conn., this fall.

Attending Student Christian Parley

John Callender of 130 Beechwood road is a delegate from Yale University to the 1950 O-At-Ka Conference of the New England Student Christian Movement, now being held at East Sebago, Me. He is the son of Mr. and Mrs. John T. Callender.

More than 250 students from 45 New England colleges and universities are attending the week of lectures, discussions and workshops dealing with issues and applications of Christian faith to political, social and economic problems.

Wiring designed for this...

Can't give good service for all this, too!

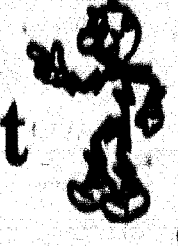

TODAY the average family uses almost twice as much electricity as it did ten years ago. Over three times as much as twenty years ago. Yet many homes still limp along trying to make house wiring designed for lighting carry the load for the host of appliances that mean modern living. It doesn't work!

Wiring that is too small, too few circuits and outlets causes inconvenience, robs you of the service you're paying for.

Adequate wiring permits appliances to run at their proper efficiency, lamps to burn at their rated brightness... and helps eliminate unsightly and dangerous practices in baseboard wiring.

Look into adequate wiring for your home today. Check with your electrician.

Overlook Blood Bank Joins National Group

Overlook Hospital's blood bank has been accepted into membership of the American Association of Blood Banks, Arthur W. Smith, Overlook director, announced this week upon receiving notice from the national group. The Association, organized in Dallas, Texas, in 1947, includes in its membership most of the country's blood banks and many of the outstanding leaders in the field of blood research. As a result,

members share the benefit of accumulated experience and individual initiative.

The Association will hold its third annual meeting at Chicago on October 12, 13 and 14.

Canker Worms Causing Damage to Area Trees

Elms, oaks, maples and hickory trees have been hit in certain areas by the canker worms but the damage this year is not widespread. Ralph H. Carver, chief forester for the Union County Park Commission, reports. Elms at Galloping Hill Golf Course, where wet and soft ground prevented the truck mounted spray unit from operating, have been hit worse than any others.

A 2 1/2 per cent DDT emulsion has been used for the canker worms and a 3 per cent emulsion on elms for both the worms and the Dutch elm disease carrying beetle. Tests by the Audubon Society and the U.S. Department of Agriculture show that applications of this amount of DDT will do no harm to birds, Mr. Carver said.

The spraying covered most of the wooded areas in the County Parks and driveway areas in Watchung Reservation. The job was done by the Commission's modern mist blower.

World's driest spot is a desert of 300,000 square miles in Chinese Turkestan.

Parking — The Garage

In discussing the subject of off-street parking mention must be made of the parking garage. There are many cities easing their parking problems by the construction, municipal or privately, of public garages.

These garages are of the open-deck type and are a comparatively recent development in the provision of off-street parking facilities.

As the name implies, the open-deck or open air garage, refers to a building constructed with only parapet side walls acting as barriers to prevent a car from being driven over the edge. Cars are parked on each of the floors or decks, including the roof. The building is substantially one parking lot above another with a low wall around each deck and access to upper floors usually being provided by ramps, although in some cases elevators are used.

The major advantage of such a structure is low cost. Open-deck garages are said to cost about one-quarter to one-third of enclosed garages. Thus, they are highly recommended in business districts where the land is expensive and where it becomes uneconomical to park at ground level only.

Open-deck garages have basic economics. For example no heating or ventilation is necessary. Less lighting is needed, fire prevention is cheaper and money is saved because of the absence of regular walls. Many are designed so that extra floors can be added as needed.

An open-deck type garage was constructed at Pittsburgh in 1936 for \$225 per car space and one was built in Washington, D. C., for \$150 per space. The ordinary enclosed type garage is estimated to cost anywhere from \$600 to \$2,000 per car space.

From casual observation, there seems to be a lack of suitable location in Summit for an open-deck garage, especially since street level lots do exist which might be acquired and converted for parking purposes more cheaply than a garage building. But the subject must be included in discussing parking for it is one of the keys to solving the problem and has been extremely successful in other cities.

Unfinished Business

The difficulty which the Visiting Nurse Association has had raising the \$12,640 it needs to support public health nursing for a year beginning July 1 is a reminder of the number and variety of fund raising campaigns we have in a community like Summit. In spite of the fact that the Visiting Nurses are greatly admired and respected here, as elsewhere, those responsible for the fund raising have had a hard pull—largely, they believe, because of the very fine job done by Summit in giving to Overlook Hospital.

Of course, the Visiting Nurses must be supported. We are sure the community wants that. But it looks now as if it will be necessary to continue the campaign next fall. It would help of course if those who admire and want to support the Visiting Nurses would send in a contribution now. It would give the nurses a happier summer and make the fall problem much simpler.

Old Folks Need Affection, Too

As nearly everyone knows, the proportion of old folks in the population is growing rapidly year by year. This, of course, is the direct result of the progress of medical science and sanitation in increasing the average life span by more than 20 years during the past half century.

Unhappily, old age is frequently accompanied by chronic sickness or a disability of one kind or another which not only deprives the aging person of the capacity to support himself but, in many cases, forces him to become an unwilling burden upon his family or upon society as a whole.

As a result of these trends we are confronted by some extremely complex problems in the care of the chronically ill and the aged. Many people seem to think that the ultimate solution will be the establishment of large institutions devoted entirely to the care and treatment of our unfortunate neighbors who are chronically disabled—both young and old.

Such a solution overlooks completely one factor of the greatest importance not only to the health of these people but to their happiness and contentment. This factor is our universal human need for affection, companionship, and recognition by our fel-

lows. Psychiatrists have pointed out that the need for these things, if unsatisfied, will not only make a man unhappy but will make him sick, as well. As Dr. O. Spurgeon English of the Department of Psychiatry of Temple University School of Medicine wrote recently, "The need of love is one of humanity's greatest hungers and many other emotions are dependent on it. Lack of it brings such untoward emotions as frustration, hurt pride, envy and jealousy. There has been a general reluctance to accept the proposition that love is an actual necessity for health and happiness."

Governor Driscoll and our State Legislature have recently created a commission of citizens to study the problems of chronic illness.

Everyone will agree that loving care and recognition is much more likely to be found in the home than in large institutions. The Medical Society of New Jersey, testifying at a recent public hearing conducted by the Governor's Commission, stated in part, "In general, we would emphasize that any program for the care of the chronically ill insist upon the principle that, wherever possible, chronic and elderly patients should be taken care of in a home environment rather than in institutions. It is not enough to provide the necessities of life and a roof over the heads of elderly people and chronic invalids. Any program to which we can honestly subscribe will recognize that these people need understanding, affection and care through their families quite as much as they need food and comfortable lodging. This may not be the short path to solution of some of our problems but, in the long run, it will be the most satisfactory approach to a solution."

New Jersey's Tax Burden

What is the State and local tax burden in New Jersey? How does it compare with the tax burdens in nearby industrial states?

Last year, taxpayers paid \$500 million to all levels of New Jersey government, State and local. Divide that among every man, woman and child and the individual burden is \$105. This doesn't include the payroll taxes which the State Government collects—Unemployment Compensation and Disability Benefits taxes which are deducted from wage-earners' pay checks.

Compared with the average New Jersey citizen's tax burden, the individual burden in Pennsylvania is \$79, in New York, \$132, in Connecticut, \$102 and in Massachusetts, \$116.

Viewed in this manner the New Jersey tax load is neither the worst nor the best among these five industrial states.

But, as the New Jersey Taxpayers Association points out, no citizen can stop here. The fact is that government is taking a large cut out of everyone's income.

Never before has it been so necessary that the taxpayer demand every possible economy in government, at every level of

Cycling Safety

(Montclair Times)

"Now that warm weather is here, there are increasing numbers of bicycle riders on the roads. Last year motor vehicles killed thirteen such riders and injured 570 other in New Jersey. Most of the victims were young boys. This unnecessary loss of life and painful injuries could have been prevented by greater care by motorists. The man or woman behind the wheel of a car must not rely on the youngsters to remember safety."

So declared Freeholder Joseph Solimine, chairman of the Essex County Highway Safety Coordinating Committee last week. Freeholder Solimine's statement is a timely warning, but we could go a step further—youngsters should not be permitted to ride their bikes in the streets until their parents are satisfied they can properly operate the vehicle and more important, until they are fully acquainted with traffic rules and the hazards of the highways.

Cyclists should be certain that the bicycle is in safe operating condition, for bike safety begins with a safe vehicle. Parents whose children ride bicycles should be certain their youngsters know and observe traffic rules, for the safe bike rider of today will be the safe motorist of tomorrow. As Freeholder Solimine points out, many bicycle accidents result when riders make improper turns, weave in and out of traffic lines and disregard signals.

While a bike may be a boy's best friend, it can also be a terror on wheels. We've had numerous complaints about motorists being nearly scared out of their wits by a bike shooting from a side street or driveway in front of their car. Other complaints have reached us relative to boys failing to observe traffic lights, and we've observed that constant menace, two youngsters riding on a bike.

Chief of Police Timothy O. Fleming is hopeful that the town's new ordinance requiring the licensing of bikes will prove helpful, with more than 1,000 vehicles already registered. Youngsters found guilty of violating traffic rules will suffer revocation of their licenses, and the measure also empowers police to impound bikes. Meanwhile, Chief Fleming, at our suggestion, is getting out another letter to school principals, and in addition, police officers will give talks, stressing bike safety, in the various schools.

Again we say, parents, you have a big obligation in this most important drive. Who knows, the next youngster killed or injured may be yours!

DEATHS

Hawkins D. Jordan
Hawkins D. Jordan, 68, of 14 Shadydale avenue, died at his home on Monday morning after a long illness.

Mr. Jordan was born in Kingston, N. Y., and had lived here for the last 26 years. He was a graduate of Pace & Pace Business School and had been a salesman of technical publications for the McGraw-Hill Company. He was a member of the Central Presbyterian Church and had been a deacon of that church and was active in the work of the church. He was a veteran of World War I. Mr. Jordan leaves his wife, Mrs. Magdalene D. Vessie Jordan; a daughter, Mrs. Howard S. Patterson of the Shadydale address, and a brother, W. Chester Jordan of 173 Summit avenue.

Funeral services were held in the E. P. Burroughs & Son Funeral Home, 309 Springfield avenue, Tuesday evening at 8 o'clock, Rev. Leonard V. Buschman, minister of the Central Church officiating. Burial was in Fair Mount Cemetery, Chatham on Wednesday morning.

Mrs. Edgar R. Cooke

Funeral services for Mrs. Vera L. Winn Cooke of 7 Surrey road, who died Thursday, June 15, at the Newark Eye & Ear Infirmary, after a brief illness, were held Saturday afternoon at 1:30 o'clock in the E. P. Burroughs & Son Funeral Home, 309 Springfield avenue. The services were conducted by Rev. Leonard V. Buschman, D.D., minister of the Central Presbyterian Church. Burial was in Fair Mount Cemetery, Chatham.

Mrs. Cooke, who was 60, was born in Beloit, Kan., and was graduated from Emporia (Kan.) College. She had lived in Beloit, in La Grange, Ill., and for the last 23 years had been a resident of Summit. She was a member of the Central Presbyterian Church and of the Fortnightly Club.

Mrs. Cooke was married to Mr. Cooke in 1912 and leaves besides him, two sons, Wendell W. Cooke of Morristown and Arthur R. Cooke of Binghamton, N. Y., a sister, Mrs. Nathaniel Dickey of Williamsport, Pa., and three grandchildren.

Alexander Giangrande

The funeral of Alexander Giangrande of 21 Hillside avenue, Chatham, who died Wednesday night, June 7, at his home there, was held from the McNamara Funeral Home, 7 Summit avenue on Saturday last with a solemn high mass celebrated in St. Teresa's Church at 9:30 a.m.

Mr. Giangrande had been ill for several years. He lived in Summit for 30 years and was a shoemaker here until his retirement. He was born in Italy 61 years ago. Besides his wife, he is survived by a daughter, Ann, and two sons, Frank and Mario; he also leaves a brother, Valente of Perth Amboy, and two sisters, Mrs. Rachel Panarose of Everett, Mass., and Mrs. Mary Albanese of South Amboy.

Five Receive Degrees From Princeton

Five local residents, members of the senior class of Princeton University, were awarded degrees at the 203rd annual commencement held Monday, June 12. Bachelor and advanced degrees were conferred on 1,134 persons, the largest group ever to receive degrees from Princeton at a single graduation ceremony.

From this city were Robert L. Christensen of 1 Euclid avenue, who received a bachelor of arts degree and also the Schuicht Kusaka Senior Memorial prize in physics. Mr. Christensen also headed a group of 31 seniors receiving commissions as ensigns in the "regular navy." He was midshipman battalion commander and the recipient of the Princeton naval unit's leadership prize.

Richard L. McClelland of 49 Norwood avenue and John Callender Stiles of 9 Rowan road both were awarded bachelor of arts degrees and Robin Knox Little, son of Mr. and Mrs. E. Robin Little of 40 Edgewood road received a bachelor of science degree in engineering.

Graduating from Princeton Theological Seminary was Earle S. Christman, Jr., son of Mr. and Mrs. Earl S. Christman of 5 Parmley place. Mr. Christman left with the Seminary Choir for an eight-week trip to Alaska where the group will sing at missions, schools and hospitals. Upon his return he will be ordained in the Presbyterian Church at Spencertown, N. Y., where he has accepted a call as minister.

Mr. and Mrs. Christman were hosts at a party held at the Nhamu Inn for 12 members of their family, including Mrs. H. B. Christman of Pottstown, Pa., ninety-year old grandmother of their son.

The red wood used in pencils, fence posts and cedar chests is not cedar, but juniper. The cedar is an Old World tree.

**Play to Feature
Brayton Graduation**
A class of 35 boys and girls were graduated from Brayton School Friday at 8:15 p.m. The feature of the program was a play, "Gabriel and the Hour Book," produced by both sixth grade under the direction of Mrs. Frank Daniels, teacher. The play was held in place of the

usual final assembly. The play is adopted from the book of the same name and is about the Middle Ages with scenes taking place in a monastery and castle.
Willemite, a mineral consisting mostly of zinc silicate, was named for Wilhelm I, King of The Netherlands.

**Yale Bestows
Degrees on
Five Local Men**

Five Summit men were graduated from Yale University Monday morning, June 12, when a class of 2,500 candidates were awarded degrees at the University's 240th commencement. The commencement was held outdoors for the first time in the school's history because of the record-breaking class.

Students from Summit receiving degrees were:
Newton Albert Burgess, Jr., of 53 High street, bachelor of arts; John B. Christensen, 1 Euclid avenue, bachelor of laws; Hueng F. Eng, 6 Llewellyn road, bachelor of arts; Richard Hamilton, 24 Ridge road, bachelor of arts, and Robert E. Osborne, 16 Manor Hill road, bachelor of arts.

**Graduates Cum Laude
From Bryn Mawr**

A Summit High School graduate, Miss Annelise Lotte Sitar, of 69 Edgewood road, received her bachelor of arts degree cum laude from Bryn Mawr College at exercises held recently. Daughter of Mr. and Mrs. Hans Sitar, she was the head of the college orchestra and a member of the Spanish, German and Dance Clubs.

**Meyer Urges Caution
For July 4 Week-End**

A plea to Summit citizens to exercise extreme caution and to join in the nationwide campaign to reduce the annual Fourth of July accident toll, was made this week by Mayor Peregval M. Bland.

Pointing out that for many, the Fourth will be a four-day week-end celebration, the Mayor urged that residents participate in the effort to make and keep the Fourth of July "a happy holiday."

"No one wants to cause or suffer an accident," Mayor Bland declared. "Everyone wants to help prevent accidents—and everyone can. This Fourth of July and the week-end preceding it can be free of accidents if the citizens of Summit so desire, and if they accept personal responsibility for a safe and sane celebration."

**Van Tubergen Gets

Robert Van Tubergen, son of Mr. and Mrs. E. D. Van Tubergen of 5 Hill View terrace, received his bachelor of arts degree at ceremonies held Monday at Williams College, Williamstown, Mass. He was graduated from Summit High School.

**Local Radio Hams
To Hold Field
Tests Saturday**

Local radio amateurs members of the Somerset Hills Radio Club, will take emergency-powered radio stations into the field Saturday, June 24, in the 14th annual nationwide "dress rehearsal" of disaster communications. Sponsored by the amateurs' national association, the American Radio Relay League, the 24-hour event will test operating skills and the portable equipment of the club group.

The field installation of the Somerset Hills Club will be set up at the old Summit Golf Club near Bell Labs, with twenty operators manning the stations.

Starting at 4 p.m., the club operators will contact other amateur stations, both at home and portable

locations, from the six portable transmitters installed at the field day site. Emergency-type messages will be relayed.

A notable feature of the field day station will be the complete independence of commercial power mains, as would be the case in the event of a real emergency, stated Lyn Hulin, in charge of the local club's group. The club will use gasoline generators to power their equipment.

This year, amateurs have always demonstrated in many instances their unique ability to serve communities in the event of failure of regular communications circuits. Most notable have been the Clinton, Iowa, ice-storm of Easter Sunday, the Winnipeg flood and the South Amboy explosion.

Local operators participating in the field day will be: Edward McMane, Lyn Hulin, Gene Fry, Vic Wintreas, Dick Streeter, Bill Speyer, Peter Dapero, Denton Smith, Jack O-

terberg, Charlie Weaver, Irving Perry, Doug Weed, Les Medford, Ruddy Woods, Bill Peet, Dick Mathison, Don Spiller, George Duffy, Anzi Dudley, Bruce Par-

Braves Sweep Union-Newark in Sunday Games

TOWNSHIP—Berkeley Braves trounced the Newark Braves and Union Tigers in a twin bill Sunday. In the first with Turiano leading the route and fanning 11, giving up five hits, the Berkeley Braves coasted to a 19-3 victory. In the second game the Braves took on a much heavier team and squeezed out an 8 to 7 win. The hitters had the most of the attention as Larson hit a two-run homer, Crawford and Stapleton a triple, and Stapleton, E. DeFronzo, and Werner a double. Art Larson went all the way for the winners, while the Tigers used Stapleton, Wicks and Jones. Hank Pasquale was walked, bringing in the winning run. In the first half of the last inning with two outs, the Tigers threatened by getting men on second and third, but Larson got Stanley to pop to third base.

NEW PROVIDENCE Borough

Services to Be Held This Morning for Father Fallon

BOROUGH — Funeral services for Rev. Joseph P. Fallon, pastor of Our Lady of Peace Church

Rev. Joseph P. Fallon

here and the Church of the Little Flower in Berkeley Heights will be held this morning. He died Sunday night in his sleep in the church rectory in Springfield avenue. He was 57 and had served here his first pastorate, since June 1942, when Our Lady of Peace Church was first established as a rectory.

A solemn high requiem mass will be offered at 10:30 a.m. in Our Lady of Peace Church, Magr. Martin W. Stanton, director of the Society of the Propagation of the Faith for the Archdiocese of Newark, will be celebrant. Rev. John J. Cassels of Immaculate Conception Seminary, Darlington, Father Fallon's cousin, will be deacon. Rev. John P. Malone, pastor of Christ the King Church, Jersey City, will be sub-deacon. The eulogy will be given by Msgr. Carmel J. Scanlan, pastor of St. Josephs Church, Paterson. Rev. John P. Weigand, pastor of St. Ann's Church, Newark, will be master of ceremonies.

The body was at the rectory of Our Lady of Peace Church until yesterday afternoon, when it was taken into the church to lie in state until after the funeral. Burial will be in Holy Name Cemetery, Jersey City. Born in Jersey City, Father Fallon was a parishioner of St. Bridget's Parish and attended St. Bridget's School and St. Peter's Preparatory School there. He was graduated from Seton Hall College and Immaculate Conception Seminary and ordained April 11, 1920, in Seton Hall Chapel by the late Bishop O'Connor. After his ordination Father Fal-

Next session of court will be June 27.

lon served as an assistant at St. Columba's Church, Newark, and three years later became an assistant at St. Mary's Church, Paterson. In 1924 he went to St. Francis de Sales' Parish, Ridgefield Park, and two years later was transferred to St. Augustine's Church, Union City, where he spent six years. From 1932 to 1942 he was an assistant at St. Andrew's Church, Bayonne.

He leaves a brother, Rev. Francis B. Fallon, pastor of Holy Rosary Church, Elizabeth; three sisters, Mrs. Thomas J. Blackwood, Miss Helen M. Fallon and Miss Lillian V. Fallon; a nephew, Thomas J. Blackwood Jr., and a niece, Marie Claire Blackwood, all of Jersey City.

Plans Advanced For Legion Home By School Board

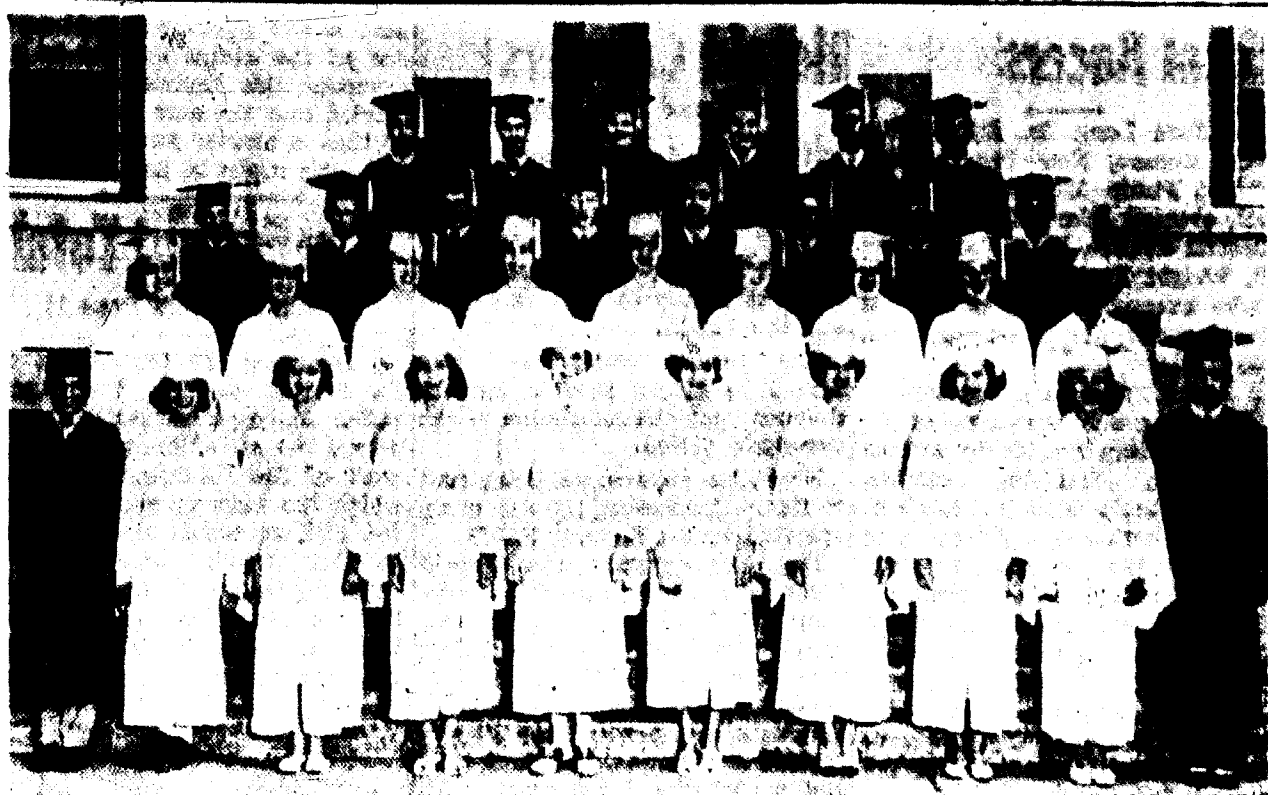

BOROUGH — Board of Education advised Borough Council that no plans for use of the board's Parker tract along Elkwood avenue had been formulated. The action was taken Monday night. Inasmuch as the board has no further use for the frame building at Lincoln School used for many years as a domestic science room, it will be used as a home for the American Legion, New Providence Post 433, after its removal to the Parker tract on a plot east of the library. The plot to be used for the Legion home has a 75 foot front and is 250 feet deep. The Legion home will be setback 40 feet from Elkwood avenue. It is expected that Borough Council will complete all legal questions pertaining to the Legion home at Monday's adjourned session.

The board told John A. Hornbeck of Ridgeview avenue following the adoption of policy similar to that of the Summit schools that his daughter could be considered for admission to the first grade in September as a transferee from the kindergarten of Kent Place School, Summit. The transferee will enter kindergarten here where she will be subjected to tests by a psychologist at the parents' expense. Then, if the test results are favorable, the child will be admitted first grade.

L. W. Baldwin of Murray Hill, being low bidder, was granted the school coal contract for the next year at \$2,172. Mrs. Elizabeth Walsh of Chatham was appointed a second grade teacher to succeed Mrs. Wilson. The resignation of Francis W. Hoakias was accepted with regret. She has accepted a position in the Morristown schools. The resignation of Ernest Freeman was also accepted. It was reported that all teachers are now under contract for the coming year.

Allen W. Roberts, supervising principal of schools, reported that in order to save hundreds of trips by the custodians involved with the moving of materials and supplies for 450 students during the summer, the upper class students had come with working clothes earlier this week and did the moving.

Ston Hill Players of Berkeley Heights made a general application for use of Lincoln School auditorium for presentation of plays. The board instructed District Clerk Thomas C. Musson to advise the applicant of the regular schedule of costs which would apply should there be no conflict with borough groups wishing to use the school's facilities at the same time.

BOROUGH — Rev. Clayton T. Griswold, D.D., resident of Summit, and the Executive Director of the Department of Radio and Television of the Presbyterian Church in the U.S.A., will conduct and preach at the eleven o'clock service of worship, Sunday, June 25, at the Presbyterian Church. He has chosen as his sermon subject, "Modern Miracles of Communication." Dr. Griswold is one of the pioneers in the field of the use of radio and television in religion. He is a member of Protestant Radio Commission, which is a cooperative enterprise of 16 denominations and eight inter-denominational agencies. The inauguration of this Commission was "the most important event in religious radio and television during 1949," stated Dr. Griswold. Dr. Griswold has been the official broadcaster of the proceedings of the annual Presbyterian General Assembly since 1940, and has broadcast on the major networks, and numerous local stations, including WNBC, WJZ, (New York), WENR, and WMAQ (Chicago), and WWJ (Detroit).

Dr. Griswold is a special lecturer on Religious Radio and Television at Princeton Theological Seminary. He has also served on the faculty of the University of Chicago Religious Radio Workshop, and of the Summer Institute at McCormick Theological Seminary. He is a member of the Program Committee of the Protestant Radio Commission, of the Board of Consultants of the Columbia Church of the Air, and of the Association for Education by Radio.

Boro Nine Spanks Irvington, 16-5

BOROUGH—New Providence Baseball Club pounded out a 16-5 victory over the Irvington Mohawks at Oakwood Park, Sunday afternoon. Earlier in the season the locals had won a 1-0 13-inning game against the visitors. Head-up base running and heavy hitting led by Larry Radtke's homer, coupled with a triple by Charles Vignall and double by Jim Norris featured the borough victory. Chan Coddington, who won his sixth for the club on the mound, coated all the way, permitting all the visitors' runs in the latter innings.

United Vacation Church School To Start Monday

BOROUGH—The United Vacation Church School was open at the Parish House of the Presbyterian Church on Monday morning 9 o'clock for a period of 9 days, June 24 to June 30, July 3 to July 7 (exclusive of the Fourth of July). The sessions are 2 1/2 hours in length. Games, songs, handicraft, Bible study make up the program. Mid-morning refreshments are served. The Churches cooperating in the support of the school are the Diamond Hill Community Church, St. Luke's Reformed Episcopal, the Methodist Church and the

the 11 youth delegates are members of the Executive Committee of the Youth Council of Presbytery. Mr. Bryan is the adviser of the Youth Council.

This is the second National Assembly of Presbyterian young people. The first assembly was in 1947, also at Grinnell. Two thousand delegates have been commissioned from every state for this epoch-making youth gathering.

Presbyterian Church Children from the age of 4 to 12 will have classes provided for them. Parents are asked to register their children with their minister, or by calling Mrs. William J. Ohan, SU 6-4262-M.

Also Philip Mennitt, 45 Beauvoir Avenue; John Reid Moore, Jr., Central Avenue, New Providence; D. Wright Patterson, Jr., 2 Glen Oaks Avenue; John Scarinza, 21 Pearl Street, and John Stockdale, 266 Ashland Road.

Local Firms Are Sponsors

Sponsors who have supplied the National Soap Box Derby official equipment, including lumber, metal, wheels, steering mechanism and brakes are: Adams Auto Top Co.; Al's Auto Laundry; Atlantic Refining Co.; Brennan's Dairy, Orsus's Market; Charline's Drug Store, King's Market; the Optimist Club; Police Athletic League of New Providence; Siefert-Rees, Chevrolet, Inc., two cars; Summit Auction Rooms and the Summit Express Co.

Gordon L. Proctor of Siefert-Rees supervised the construction of the cars. He said yesterday that he is very hopeful that a Summit or New Providence car and his driver will be eligible for the National race. Mr. Proctor also declared that he is deeply grateful, in behalf of Siefert-Rees for the sincere cooperation of the boys and their families in completing the racing cars. He added that he was advised by the Elizabeth Journal that his organization is the only one in Union County to have turned in 100 per cent completion of started racing cars.

The second place winner of the Westfield contest will receive a 1950 Chevrolet sedan with power-glide transmission and third place a motion picture camera and projector. Ten prizes will be given in all.

At Elizabeth City Hall last Friday a meeting was conducted by the Department of Recreation at which time red turret top official helmets were presented to the contestants. The Elizabeth Journal gave official T-shirts to the boys along with their instructions. Westfield's Mayor, Charles B. Bailey will officially open the race firing the starting gun for the first heat. A box lunch will be provided for all contestants.

The Gallows Hill slope will be prepared especially for the race, according to a statement made by Westfield Councilman Robert F. Gumbert, chairman of Public Works. It will be completed under the direction of William Vanderbilt, superintendent of streets and parks. Arrow route markers will be in place on all main roads in Westfield.

acrobatic comedians, jugglers and hooper rollers and clowns. As an added attraction, a kiddie sailboat ride will be available to youngsters. It won't get any nearer to water than the water fountain at the field, but the committee promises it will be as much fun as a ride in the surf.

The committee announced that the comedy acrobatic team of Clarke & Bailey will be one of the circus acts. Promotion material on the duo describes them as "on a par with the finest around."

Organizations co-sponsoring the celebration are the Common Council, the DAR, whose members will man the tag booth in front of the Summit Trust Co.; the Red Cross, Legion Posts 138 and 322, Board of Recreation Commissioners, Chamber of Commerce, Kiwanis, Lions and Rotary Clubs, Sons of the American Revolution, VFW Post 190, Boy Scouts, Elks, Optimist Club and Summit Council of Churches.

mit Area Girl Scout camp, Camp Wanola, at Bear Mountain and two boys will leave for a camp at Port Deposit, Md. One boy will be a camper at Camp Waywayanda, being sent jointly through the Fund and the YMCA.

The service club have also agreed to return the campers to Summit upon the completion of the two-week period.

Five other children are being sent to Camp Cannondus, the day camp operated by the Summit YMCA.

Thus, once again the Herald Camp Fund has fulfilled its mission: That of providing a real vacation for Summit boys and girls who otherwise would not have a holiday of any kind. Co-sponsored by this newspaper and the Family Service Association, the Fund now has passed the \$1,300 mark. Although this falls short of the \$1,800 contributed last year which sent 34 children and two mothers to summer camps, it is still a commendable amount as it does make it possible to give summer vacations to 41 "top priority" Family Service referrals.

It is not too late to make a donation to the Fund. Monies contributed now can still be used to

send a few additional children to one of the camps and funds not expended this summer are being carried over for next year's appeal so that a greater number of boys and girls might be sent.

the council reviewing the proceedings of its June 12 meeting. The application, among other matters, concerned the use of the alley to the west of the "Murphy" Building, which lies between the alley and the plot on which the proposed building is to be erected.

Among those writing letters expressing opposition to the exception were Van R. H. Green of

56 DeForest Avenue and Rev. Jesse Lyons of the Methodist Church.

Michael Barnacle appearing for Mr. Doyle argued that the proposed additional facility would result in the need for loading and unloading in the public highway. Jacob R. Mantel appearing for Henry O'Brien, owner of the "Murphy" Building argued that the alley involved is not a public highway and that any restriction imposed would be against a private agreement. Mr. Barnacle submitted a deed to support his argument that the alley is a public highway.

Frederick C. Kentz appeared for the petitioner.

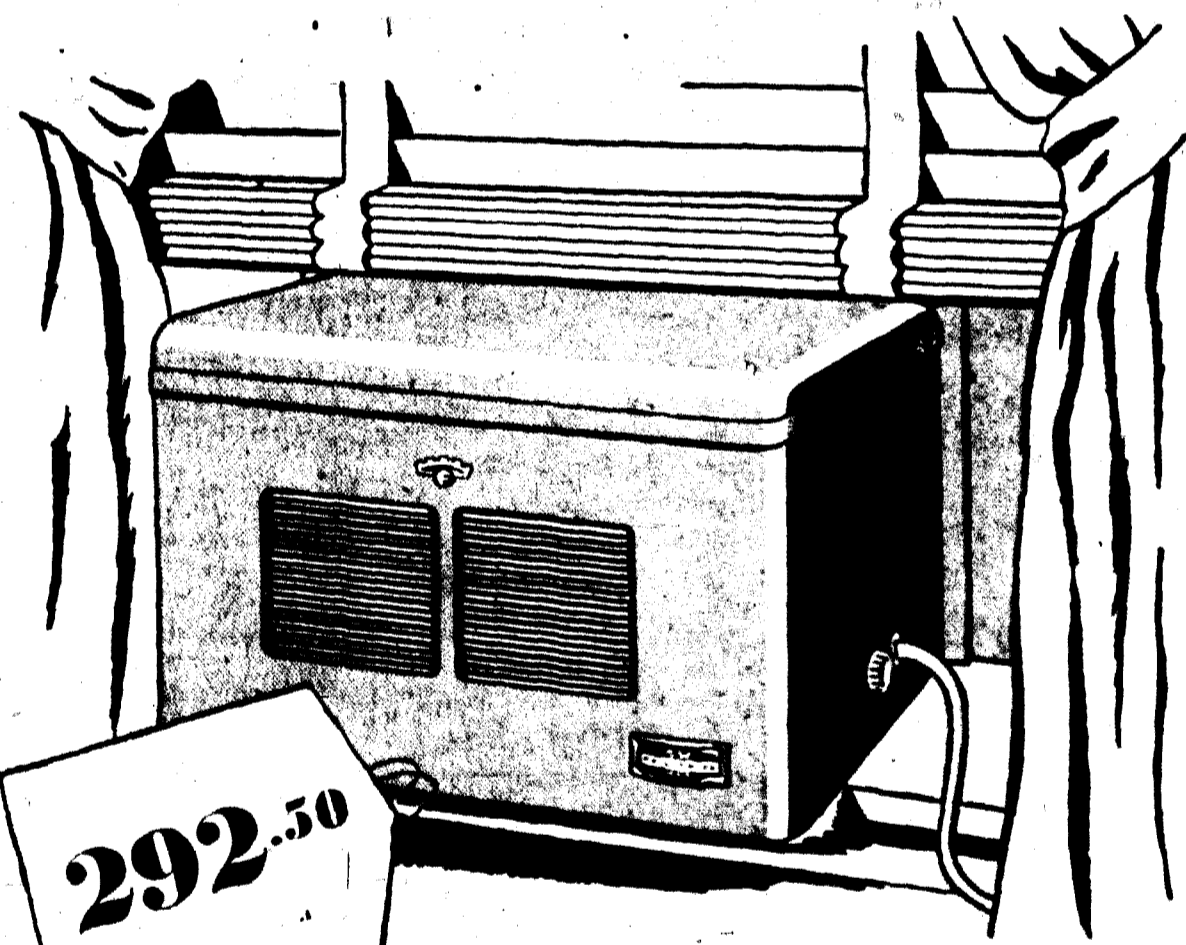

The Zoning Board advised council it would not meet during

July and August unless some important case or matter needs to be brought up.

Mrs. Katherine Card of 55 Woodland Avenue asked relief from the parking restriction on both sides of the street at her home. She asks that relief be considered so that friends may visit her.

How SMOOTH can a ride be?

THAT'S a question well worth answering before you settle on your next automobile.

For what fun is there—what thrill—in a car that is prisoner to the city streets, slowed down by roads a Buick is built to take in stride?

So we'd like to show you just

how much smoothness your money can buy. How levelly you float over cobbles and car tracks—over rutty gravel and wavy black-top—in this stunning traveler.

The car will be any Buick you prefer—SPECIAL, SUPER or ROADMASTER. You can name the place—pick a spot or a

stretch you know so that you can measure Buick's smoothness against your own experience—and we'll promise you a new sensation in riding comfort.

The time can be any time you want to arrange with your Buick dealer—who is ready to show with actual figures that "if you can afford a new car you can afford a Buick."

See him, will you, and treat yourself to some real comfort?

Only Buick has Dynaflo™ and with it goes!

HIGHER-COMPRESSION Fireball valve-in-head power in three engines (New F-263 engine in SUPER models) • NEW-PATTERN STYLING, with MULTI-GUARD treatment, super through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAPPY-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the enter • SOFT BUICK RIDE, from all coil springing, Safety-Ride ribs, low pressure tires, rib-strengthening torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

Standard on ROADMASTER, optional on extra cost on SUPER and SPECIAL models.

FOUR-WAY FRONT

This sprung front end (1) sets the style note, (2) serves on repair cars—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

HEADS AREA SCOUTS—Rupert R. Lewis (right) of 19 Essex road receives congratulations from Robert L. Hanson of 28 Glen Oaks avenue, newly-elected Commissioner, after being named president of the Watchung Area Boy Scout Council at the annual meeting held last Wednesday evening at the Hotel Suburban. As Council president, Mr. Lewis will be the titular head of six districts covering about one-tenth of the State. The Summit man last year served as District Five chairman and has been active in scout affairs for several years.—(Chell Frantzen.)

Roosevelt School Closing Exercises Held on Monday

The sixth grade of Roosevelt School held its closing exercises on Monday at 11 o'clock. Frank Liberato, narrator, introduced the class and Robert English opened the exercises with a reading of the Bible. Lloyd Coleman directed The Lord's prayer and the Flag salute.

A quintet of girls, Betty Mellusi, Carolyn Brattlof, Carolyn De Piano, Patty De Corso and Josephine Ruaso, sang "Bake A Cake." The boys' quartet, Patay D'Andrea, George Brenn, Jackie Robinson and Albert Gargiulo, sang "Billy Boy." The graduates informed the fifth graders before entering Paul Ryan's sixth grade to "Enjoy Yourself, It's Later Than You Think."

Edward Rillo, Al Gargiulo and Malcolm Jefferson from "Be Bop" Town rendered a selection and the girls' quintet sang "Music, Music, Music," followed by a duet, "Forever and Ever," sung by Mary Coleman and Dorothy Brewer. Led by Roy Fulmore, director of instrumental music, the Roosevelt Orchestra played "Hungarian Holiday" and "The Merry Maid Waltz." Louise De Cicco recited the poem, "America For Me," by Henry Van Dyke. Louis Salimbene gave a version of "O'Solo

MJo." The class prophecy was given by Lawton Johnson and the choir, directed by Miss Margaret Thorp, sang "Beautiful Dreamer." The class will be read by William Giardello.

J. Bindley Hoff, principal, congratulated the class on its work and Roberts v. S. Reed, superintendent of schools, impressed on its members the many responsibilities they would have in junior high school. The graduates closed the exercises with the singing of "Farewell to Thee."

County Quota for Naval Academy Reduced to One

A reduction in the size of the Brigade of Midshipmen at the United States Naval Academy just made public by the Bureau of Naval Personnel will affect the number of candidates to be appointed from the Sixth Congressional District. Representative Clifford P. Case (R. 6 N. J.) has announced in his recent announcement of competitive examinations to be held on July 17 to aid in his selection of candidates for the Naval Academy. Representative Case had stated that there would be two vacancies for the Sixth District for the class entering in July 1951. Owing to the reduction in size of the Brigade, the Sixth District will now be entitled only to appoint one candidate for the 1951 entering class.

Representative Case said that the July 17 examination would be held as previously announced for this vacancy. There will be no vacancy in the United States Military Academy for the Sixth Congressional District for the 1951 entering class.

"ROCKET 88" OLDSMOBILE WINS 2178-MILE DURABILITY RUN!

Outperforms 131 other cars in grueling Texas-to-Guatemala test!

Below, the map of the course—the new Pan-American Highway. At right, Harold Mitchell and his "Rocket 88" Oldsmobile.

Here's proof of the brilliant performance and rugged dependability of the "Rocket 88" Oldsmobile. In a 2178-mile endurance run, down the full length of Mexico on the newly opened Pan-American Highway, a 1950 Oldsmobile "88" topped a field of 131 other cars! So long and hazardous was the route

that only 53 of the 132 entrants finished the race. Twelve popular makes of American cars—and many foreign makes—entered the grueling contest. The course included all types of terrain—over towering mountains—through jungles—across desert flatlands. The Olds "88" took top honors—in fact,

three of the first ten and six of the first twenty were Oldsmobiles! This is clear evidence of the outstanding performance and endurance built into every "Rocket" Engine and every Oldsmobile! Drive this truly remarkable car! Make your date with a "Rocket 88" at your nearest Oldsmobile dealer!

Miriam Lambdin Wed by Father to Edgar T. Honey

Miss Miriam Louise Lambdin, daughter of Rev. Henry L. Lambdin, D. D., and Mrs. Lambdin of Morristown, formerly of Summit, was married Saturday at the Morristown Methodist Church of which her father is pastor, to Edgar Thomas Honey, son of Mrs. T. Honey of Great Oak Drive, Short Hills, and the late Mr. Honey. The ceremony was performed by the bride's father and was followed by a reception at the parsonage.

Miss Jean Feikert of Rutledge place was maid of honor and the bride's sister, Mrs. S. Hart Moore of Englewood, matron of honor. Bridesmaids were Mrs. Clayton M. Shore of Camden and Mrs. Richard Nicklaus of Short Hills, sister of the bridegroom. John C. Honey of Falls Church, Va., was his brother's best man. Ushers were Emmet W. Tone of Old Lyme, Conn., William Van Wie of Branford, Conn., Robert Moore of Milburn and Louise Chiurato of New York.

Both bride and bridegroom are graduates of Syracuse University, Class of 1948. Mr. Honey is also a graduate of New York University Law School. After a week at Virginia Beach they will live at East Orange.

Trade Magazine Features Work Of Local Store

Charles and Loretta Furrer, proprietors of Summit Sewing Machine Service, are featured in a lead article in the May issue of "Electrical Merchandising," which explains how the local shop's sales were increased by 30 percent over 1948 through adoption of a full-scale demonstration program learned at last year's Morris County Fair.

In two days at the Fair the Furrers learned enough, according to the article written by the magazine's managing editor, virtually to quadruple their sewing machine sales—selling 86 in the next four months compared with only 22 in the previous quarter.

Amazed at the crowd-gathering results of a factory representative's demonstration of stitching up give-away doll bonnets in one minute each, the Furrers returned from the Fair to begin a full-scale, personalized demonstration of sewing attachments to all who would visit their local shop.

"I'm telling you," Mr. Furrer says in the article that is illustrated with 13 photographs of his Summit establishment, "that the sewing machine business is a gold mine if you promote it. Either you sell by demonstrating or you sell by cutting price. I'd rather demonstrate."

Summit Man to Cruise With Pacific Fleet Unit

Midshipman Donald Arthur Zeiger, USNR, son of Mr. and Mrs. N. A. Zeiger of 94 Larned road, a student of the University of Utah, Salt Lake City is scheduled to participate in the annual six-week Naval Reserve Officer Training Corps Midshipman Senior-Sophomore Pacific Fleet Cruise, beginning June 17.

One hundred fifty-three midshipman seniors and 824 midshipman sophomores from 24 colleges, representing all sections of the United States, will report to the Naval Station, Treasure Island, San Francisco, June 17 and 18 for orientation and assignment to a cruise ship. The heavy cruiser USS Saint Paul, the escort carrier USS Badoeng Strait, and the destroyers USS Rupertus, USS Leonard F. Mason, USS Arnold J. Isbell, and USS Fehltner comprise the cruise ships and will form an element of Task Force 52 for the duration of the cruise. Rear Admiral Thos. H. Binford, USN, in his flagship the USS Saint Paul, will be in command.

The cruise will include a visit to Pearl Harbor, where organized tours covering the varied scenic interests in the city of Honolulu and around the Island of Oahu have been arranged.

Jersey Property Tax Still Climbs, Chamber Reports

enes continue the upward trend they have shown since the end of World War II, but this upward climb has begun to slow down.

This and other facts about the 1950 real and personal property tax situation in the state are disclosed in a report released today by the Department of Governmental Research of the New Jersey State Chamber of Commerce. The report, computed by the State Chamber, shows the total 1950 statewide all-purpose levy against real and personal property as aggregating \$368,662,159. This, said the Chamber, is a record high, eclipsing the levy for last year by \$12,873,261. The Chamber report noted the 1950 increase was considerably below the increases of the last few years. Last year local taxes increased \$21,497,274 over 1949.

Property taxes levied in Union County totaled \$31,224,883 for 1950. This is an increase of \$1,192,153 over the 1949 levy.

In discussing the fact that the amount of increase this year was less than the amount of increase last year the report stated:

"The general leveling off of prices in the past year has been reflected in more stable costs for local government. This, plus increasing taxpayer resistance, has helped to hold the 1950 levy down. Credit is also due to many local officials for their conscientious striving for greater economy in the local government operations. Greater effort on the part of both officials and taxpayers will, it is hoped, result in a lower property levy next year."

The report is based on a detailed analysis of the 1950 Abstracts of Tax Rates as issued by the 21 counties. It pointed out that 276 of New Jersey's 565 municipalities have higher tax rates this year than they did in 1949, while 271 have lower rates. The tax rates of 18 municipalities remain the same as they were a year ago. The average property tax rate in the state for 1950 is estimated by the State Chamber to be \$6.20 per \$100 of assessed valuations. The statewide

average tax rate last year was \$6.14 per \$100.

In New Jersey, general property taxes are assessed, levied and collected by the municipalities, not only for the support of municipal government but also for county and school district purposes as well. Approximately 40 per cent of the 1950 levy is for school purposes, while 19 per cent will go toward the support of county government. The remaining 41 per cent, which includes a mandatory reserve for uncollected taxes, is retained by the municipalities. Since 1946 there has been no property tax in New Jersey for state government purposes.

The \$12,873,261 statewide property tax increase this year is accounted for as follows:

Taxes for municipal government rose from \$147,281,953 in 1949 to \$151,024,845, an increase of \$3,742,892.

County taxes, including those levied for the support of county libraries, decreased slightly from \$68,865,728 last year to \$68,636,930 in 1950, a decrease of \$178,798.

By far the greatest increase occurred in the property tax requirements for local school districts. The 1950 levy for school purposes totals \$148,850,384 as against the levy of \$139,541,217 last year, a gain of \$9,309,167.

The Chamber's report also discloses a slight over-all rise in assessed valuations of property. The 1950 total is \$5,944,408,000 as against \$5,794,303,000 in 1949. Tangible personal property assessments this year total \$797,853,000, a rise of 3.8 per cent. Real estate assessments rose 2.8 per cent to a 1950 total of \$4,908,959,000. The balance is made up of assessments against second class railroad property and the intangible personality of insurance companies, which is found in a few municipalities, notably Newark.

Columbia-matic Frameless Screens do a most effective job of keeping out flies and other insects because of the fine mesh aluminum wire screening and the automatic tensioning device which keeps the edges of the screen tightly sealed at all times.

GREATEST CONVENIENCE
These screens can be installed in a fraction of the time of ordinary screens because there is no wood frame that must be planed down to fit the window. They are quickly, easily opened, closed, or removed and windows can be washed comfortably without removing the screens. They roll into a small space for easy storage. Made of aluminum, they never need painting, never rust and last indefinitely.

REAL ECONOMY
Cost of Columbia-matic Frameless Screens is usually less than ordinary screens. Savings in installation, painting and replacement over the years makes them by far the most economical screen to buy.

FINEST APPEARANCE
Neat, trim looking, Columbia-matic screens enhance the appearance of any home. They are made entirely of Aluminum. They cannot rust and will never cause stains on the outside of the house. Since they are frameless, more light is admitted into the house and they permit better vision when looking out.

Alma Ericksen, Allan Cornish Wed Saturday

The wedding of Miss Alma Ericksen of Elkwood avenue, New Providence, daughter of Mr. and Mrs. Andrew C. Ericksen of Bremen, Ind., formerly of De Forest avenue, Summit, and Allan Cornish, Jr., of Millbrook road, New Vernon, son of the late Mr. and Mrs. Allan Cornish, was solemnized Saturday at 4:30 p.m. at Central Presbyterian Church. Rev. Leonard V. Buschman D.D. performed the ceremony in a setting of white flowers. A reception was held in the parish house.

The bride was given in marriage by her father and was attended by Mrs. Milford C. Totten of New Providence as matron of honor and by her cousin, Miss Nancy Anna Hoag of Mountain Lakes, as bridesmaid. Everett L. Cornish served as best man for his nephew, whose ushers were Mr. Totten and Roy McDowell of Morristown. Miss Anne Slaughter was the soloist and Mrs. Gordon Blasius was at the console.

Gowned in imported white Swiss organdy with an eyelet embroidered bodice and mitts, the bride wore illusion veiling from a helmet of pique. She carried a cascade of roses and stephanotis. The honor attendant wore white eyelet embroidery over pink taffeta, a pink straw picture hat and carried a cascade of pink rubrum lilies. The bridesmaids' gowns were similar over aqua taffeta and they wore white straw picture hats with cascades of pink rubrum lilies and dark red roses.

After a wedding trip by motor, Mr. and Mrs. Cornish will live at New Vernon, where he is employed by E. L. Cornish contractor.

Girl Scouts Win Special Pins for Extra Badges

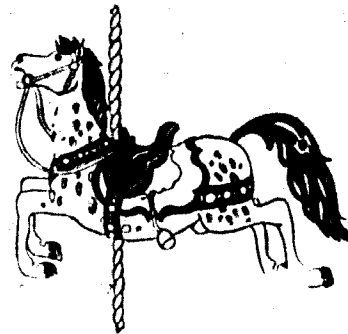

Three Senior Service Scouts of the Summit Area Girl Scouts Council received their curved bar pins yesterday at a court of awards ceremony at the home of Mrs. William Wanstall, Junior High Advisor for the local Girl Scouts. The girls were Barbara Gude, Alethe Laird, and Audrey Schmidt. The curved bar is one of the highest awards in Girl Scouting and is awarded only after a girl, having become a first class scout, earns at least four additional badges in one of the eleven fields of interest, and in doing so demonstrates her ability to be of service to others and to think and plan for herself.

At other sectional courts of awards the following girls were presented with five-year pins, signifying their membership in the organization for that length of time. Troop 12: Betty Ann Ormond, Christina Ragatz, and Diane Skeritt; Troop 19: Florence Craig; Troop 24: Carol Baker, Granthia Lavery, Peggy Polk, Betty Slack and Martha Taylor; Troop 25: Lillian Behre, Carol Coe, Betty Dillila, Barbara Erb, Sandra Fiske, Pearl Mae Gregory, Lois Lundberg, Gloria Madona and Susan Rogers.

Murlin Adair Hawley Home Wedding To Robert P. Marsh, Jr., Air Veteran

At a home ceremony last Saturday Miss Murlin Adair Hawley, daughter of Mr. and Mrs. Frank L. Hawley of 142 Colonial road, became the bride of Robert P. Marsh, Jr., son of Mr. and Mrs. Marsh of Bloomfield. Rev. Jacob Trapp, D.D., minister of the Community Church officiated and a garden reception followed.

Mrs. Marsh, a graduate of Columbia High School, Maplewood, also graduated from Principia Junior College, Elmhurst, Ill., and Parsons School of Design, New York. Mr. Marsh, a graduate of Bloomfield High School and Principia College, served during the war as an officer with the Naval Air Corps.

After a wedding trip to Nantucket, the couple will spend the summer at Montclair. Miss Ruth Hawley was maid of honor for her sister and a cousin of the bride. Catherine Hawley was flower girl. Warren Currier, 3rd, of Cedar Grove, served as best man. The bride wore a gown of net and Chantilly lace and her tiara veil was held in place by a pearl-trimmed cap. She carried a white colonial shower bouquet centered with sweetheart roses. The maid of honor, wearing a blue gown of net and lace made exactly like that of the bride, carried a colonial bouquet of yellow roses and heliotrope with a band of the same flowers in her hair. The flower girl was in a pale yellow net frock with a tiny colonial bouquet.

Couples Club Elects Officers And Plans Picnic

Mr. and Mrs. I. O. Sharon of Norwood avenue were elected presidents for the coming year of the Couples' Club of St. Teresa's Church at the meeting held last Tuesday night at the church hall. Other officers elected were: Mr. and Mrs. George DeLaney, vice-presidents; Mr. and Mrs. George Twill, secretaries; and Mr. and Mrs. Thomas Liddy, treasurers. Mr. and Mrs. James Nixon will be entertainment chairman and Mr. and Mrs. G. E. Moore will have charge of publicity.

Anne Decker, Ex-Navy Nurse Bride of Student

Miss Anne Richard Decker, daughter of Mrs. Alan Hendry Brown of South street, Morristown, was married to Joseph Francis Gallagher, son of Mr. and Mrs. J. O. Gallagher of East Hills, L. I., Saturday at St. Rose of Lima Church. Sport and a reception was held at the Maplewood Club.

Discussion of ideas for a summer affair, led by Jack Bonnell, resulted in the decision to have an evening picnic, "a hot dog and corn roast," sometime in the near future. Louis Chilo will direct the affair, details of which will be announced later. Mr. Nixon asked for suggestions for the fall program. It was decided to hold four social affairs during the course of the year. Refreshments, served by the men of the retiring executive committee, concluded the evening.

Piano Recital Given Saturday Afternoon

Dr. Ernst A. Kopp And Bride Receive Papal Blessing

The marriage of Miss Virginia Morris, daughter of Mr. and Mrs. H. Preston Morris of Tunstall road, Scarsdale, N. Y., to Dr. Ernst Alfred Kopp, son of Mr. and Mrs. William H. Kopp of 22 Ferncliff terrace, Short Hills, until recently of Oakley avenue, Summit, took place Saturday at the Roman Catholic Church of the Immaculate Heart of Mary. The ceremony was performed at 11 a.m. and was celebrated with a nuptial mass by Rev. Thomas Long of Newark, bestowing the Papal blessing on the young couple. It was followed by a reception at the White Plains Woman's Club.

Escorted by her father, the bride wore a gown of embroidered white organdy cut along princess lines and having short sleeves and a full skirt. Her veil of tulle was attached to a cap of seed pearls and she carried orchids and Stephanotis. Miss Mary Frances Brown of Silver Spring, Md., was maid of honor and bridesmaids were Miss

Maxine Lober of Scarsdale, Miss Audrey Watkins of Pelham, N. Y., Miss Anne Chisholm of Plainfield, and Miss Constance Langmann of New York. The honor attendant wore white organdy over pastel green and the bridesmaids white organdy over maize. They all carried cascade bouquets of yellow daisies and purple iris. The flower girl, Barbara Anne Reed of Norfolk, Va., was in a white organdy frock with similar flowers. Dr. John Coale, Jr., of New York, served as best man and ushers were Dr. John P. Morris, brother of the bride, Dr. William Craig of Enfield, N. C., formerly a house physician at Overlook Hospital, Raymond E. Moore of Plainfield, and Thomas Stevenson, Jr., of Plainfield Heights, Long Island.

The mother of the bride wore a soft-blue lace gown with pink accessories and the bridegroom's mother was attired in pearl gray chiffon and lace with a fuchsia tulle hat and corsage of orchids. For her traveling costume the bride chose a pink linen suit with white accessories. The couple will spend their honeymoon at Sea Island, Ga.

Mrs. Kopp attended Mary Washington College and Barnard College. She is a junior member of the Scarsdale Woman's Club. Dr. Kopp, an alumnus of St. Benedict's Preparatory School, received his pre-medical training at Georgetown University, Washington, D. C., and was graduated from New York Medical College. He served with the Army in Korea as a captain in the Medical Corps. Formerly a house physician at Overlook Hospital, he is now resident physician in otolaryngology at Grasslands Hospital, Valhalla, N. Y.

Sisterhood Ends Season with Luncheon Meeting

Culminating a successful year of activities, the Sisterhood of the Jewish Community Center held their final meeting of the season at a luncheon at the Hotel Suburban on Tuesday, June 13.

In her final report Mrs. Matthew Zeigler, president, pointed out that, in addition to many social and educational activities, much had been accomplished in the way of improving and beautifying the Community Center. Contributions to the Sunday School and Hebrew School increased the educational facilities for the children. The altar platform was repaired and carpeted and two new altar chairs purchased; the front hall was repainted; bookcases were built in the library, and the library and a classroom were redecorated; and a lighted bulletin sign was erected on the grounds outside the building.

Mrs. Seymour Forman of Morristown, a representative of the Women's League of the United Synagogue of America, was guest speaker and installing officer. She spoke on the work and aims of the League, and explained to the women how this organization helps Sisterhoods throughout the country with their problems.

Mrs. Forman is actively engaged in Red Cross, United Jewish Appeal, and many other civic endeavors in her own community. She is a past president and still an active member of her own Sisterhood.

New officers installed by Mrs. Forman for the coming season were Mrs. Matthew Zeigler, president, who was reelected for a second term; Mrs. Robert Seligman and Mrs. Herbert Kamm, vice-presidents; Mrs. Sam Kessler, treasurer; Mrs. Phillip Eckel, re-

Robert Gargiulo, Marilyn Lorman In Church Ceremony

Miss Marilyn R. Lorman of 18 Russell place, formerly of Morristown, daughter of Mr. and Mrs. George Lorman of Philadelphia, was married Saturday afternoon to Robert F. Gargiulo, son of Mr. and Mrs. Bernard Gargiulo of 10 Beekman terrace at St. Margaret's Church, Morristown. Msgr. John J. Sheerin performed the ceremony which was followed by a reception at the home of the bride's uncle and aunt, Mr. and Mrs. J. Harold Pruden of Hazlett street.

The bride wore a gown and fitted cap of waffle pique, and carried roses and sweet-peas. Her only attendant was her sister, Miss Charlotte J. Lorman of Philadelphia. William B. Gargiulo served as best man for his brother.

After a two weeks' trip to Niagara Falls Mr. and Mrs. Gargiulo will make their home at 16 Kent Place boulevard. The bride is a graduate of Morristown High School. The bridegroom attended Summit High School and is employed with his uncle at the Summit Food Market, Springfield avenue.

Recording secretary: Mrs. Morris Blum, corresponding secretary. A program of Hebrew and Negro folk songs was presented by Miss Capitola Dickerson, and Richard Mautner played two clarinet solos, accompanied by Miss Dickerson.

Gowned in white satin, the bride wore a fingertip veil of French Chantilly lace which formed its own cap. She carried a cascade of orchids with carnations, lilies of the valley and delphinium. The two honor attendants wore white figured organdy gowns over blue and carried yellow roses. The bridesmaids were in white figured organdy over yellow and their flowers were blue delphinium and yellow roses. The mother of the bride wore an aqua crepe gown with white accessories. The bridegroom's mother was attired in grey chiffon with rose accessories. Both had corsages of rubrum lilies.

After a wedding trip through the Southwest, Mr. and Mrs. Badgley will make their home at St. Louis, Mo.

The bride was graduated June 7 from the New Jersey College for Women at New Brunswick.

Mr. Badgley, a graduate of Nichols Junior College and Rutgers University, is a member of Delta Upsilon fraternity and the Manasquan River Yacht Club. He is associated with the Massachusetts Glass Co.

Union County's fourth case of polio was reported Sunday when an Elizabeth child, age 7, was admitted to the contagion pavilion of St. Elizabeth Hospital. The child's sister, age two and one-half, was placed in the hospital Friday with the same disease.
Under treatment at Muhlenberg Hospital, Plainfield, is Paul Kirk, 12, of Plainfield. Paul recently completed the seventh grade at Pinery School. The fourth child, Karen Thiesen, 4, also of Elizabeth, is at the Children's Country Home, Mountainside. She was the first of the four to become ill.

25,000 Annuals Soon to Bloom in Park Garden

Nearly 25,000 annual flowers of 32 varieties were planted this week in Chatfield Memorial Garden, Warinanco Park, Elizabeth and Roselle. The garden should start to bloom by July 1 and reach top flower by mid-July, according to Ralph H. Carver, chief planter for the Union County Park Commission, who directed the planting.

Annual dahlias, carnations, baby's-breath (gypsophila) have been used in the garden planting this year for the first time. Feverfew (matricaria), which has not been used for several years, has been used again. Other new varieties include the Golden Bedder, an African marigold, and the Fire Chief and Pink Sensation petunias. The dominant colors of the garden will be yellow and orange contrasted with pinks, blues and white. Yellow and orange will be supplied by marigold, dahlias, gallardias, zinnias and rudbeckia; the blues by ageratum, lupine and centaurea, the pinks by zinnias, carnations, petunias and nicotiana, and the white by Verbena, baby's-breath and feverfew.
The flower plants were grown from seed in the Watchung Reservation nursery.

Most Devastating of All Accidents—the Head-On Collision Between Two Speeding Automobiles

But this head-on collision was not an accident, it was planned in advance and two of the greatest daredevils of all time—Johnny Filipeck of Chicago, Ill., and Johnny Halderman of Sweetwater, Tex.—drove these cars into this deliberate crash, each car going at 45 miles an hour which gave a 90-mile-per-hour impact, both drivers stayed in the car. This collision was so terrific that the bodies of the cars came loose from the frames, the motors were torn from their mountings. The head-on collision is considered the greatest of all thrillers. This sensational crash, along with 27 other events, will be seen when Ward Beam's World Champion Auto Daredevils appear at the Soranno Speedway, Morristown, one night only, Thursday, June 29, 8:30 p.m. General Admission—\$1.25—Children 60c.

Concert Band Slates Summer Performances

The Summit Concert Band, which will make its initial appearance of the season during the Fourth of July celebration, will present its summer program on alternate Thursday nights at Memorial Field.
A spokesman for the band, which is sponsored by the Board of Recreation, said yesterday all musicians from Summit and vicinity who play band instruments are urged to join the group. He added that clarinet players are especially needed.
The band, under the direction of Harry S. Hannaford, holds rehearsals on Mondays at 8 p.m. in the high school.
On July 4 the band will give a performance prior to the fireworks and also will play for the circus in the morning.

It's got more Come-on...
It's got more GO!
Chrysler first introduced high-compression power! Chrysler still leads the parade in all that high-compression power can do for you! Come let Chrysler's Spitfire High-Compression Engine show you the difference! In traffic it's flexible and speedy! With plenty of power for the toughest hill! With a combination of advantages no other engine can offer... from automatic gear-shifting that gives you full control... to waterproof ignition that prevents stalling in rain or high-water! But... Chrysler power is only one of the built-in values all the way through the car! Come see beauty that has no equal for "come-on"! Drive! Compare! Relax! And we're sure you'll buy Chrysler from now on!

Advantages of Chrysler's High Compression Spitfire Engine
Waterproof Ignition—prevents stalling in rain or high water! Lubricated Cylinder Walls—chemical protection for increased life. Floating Power—helps eliminate vibration. Superfinished Parts—reduce friction, last longer. Exhaust Valve Seat Inserts—reduce need for valve grinding! Full Flow Oil Filter—keeps oil clean!

Advantages of Chrysler's Fluid Drive
Automatic Gear Shifting—with full control of your car! Better traction—safety on slippery roads. Convenience of clutch for easier parking. Slower Engine Speeds—reduced noise, wear. Saves gasoline! Drive in high while others drive in low in traffic.

Chrysler's Advantages in Comfort and Safety
Functional Design—full room for your head, legs, shoulders. Easy to enter and leave! Safe Guard Hydraulic Brakes—smoother stops, less pedal pressure. Cyclonized Springs for double the wear. Electrically Operated Windshield Wipers—constant speed all the time! Chair Height Seats—no crumpling, you sit naturally! Safety Rim Wheels—won't throw tires after blowouts at normal speeds.

THE NEW YORKER 4-DOOR SEDAN
See it—drive it... there's built-in value all the way through!

Six Old Guardsmen See Amish Section Of Pennsylvania

A group of Old Guard members, made up principally of the Thursday Luncheon Club, returned Friday afternoon last from Pennsylvania, where they went at the invitation of Rev. S. Nietz Dissinger, pastor of the First Lutheran Church of the Colony drive, who was born and brought up in Lancaster County. The party was made up of Mr. Dissinger, John C. Leybold, Frank U. Voss, Roy M. Baker, Arthur B. Gordiner, Retired Police Sergeant Patrick J. Kelly and William E. Bedell. They left at Wednesday morning and arrived at their destination, Litzitz, in the heart of the Amish sect, in the afternoon.

After registering at the Gen. Sutter Hotel, named for the discoverer of gold in California, who came from Lancaster county, the party "drifted" around the village of 5,500 people, visiting among other places the church where Mr. Dissinger preached his initial sermon as a minister of the Congregational Church 52 years ago.

The next day, Thursday, was spent in further "exploring" the country roundabout. Places visited included the village recreational park, the grave of Gen. Sutter, the Lancaster YMCA, the chocolate factory, and the Ephrata Cloister at Ephrata where the State of Pennsylvania is spending a million dollars in restoring as far as possible the old stone buildings to their original condition. There the visitors saw the crude cooking pots, the sparsely furnished rooms, a printing press used in 1745 and other relics of the time. Each of the Old Guard members bought a booklet containing a history of the colony which was taken over by the Pennsylvania Commonwealth nine years ago. Thirty thousand visitors, it was stated, visited the place every year.

An interesting part of the trip was an Amish supper served at the home of a farmer. A dozen or more different courses were on the table, and there was an abundance of strawberries, picked on the farm. This place is at New Holland, only a short ride from Litzitz, where the party made its headquarters.

The distance driven was about 300 miles, for the round trip.

Rotary Speaker Describes Growth Of Local Industry

The story of the origin and the growth of the Pulverizing Machinery Co. of Chatham road from a small shop in Elizabeth with 10 employees to its present active site where 140 persons are employed, was told to members of the Rotary Club Monday by Carroll M. Stanley of the Pulverizing concern. Mr. Stanley is a member of the Club.

The speaker paid tribute to the late president of the concern, Louis Ruprecht, and praised the founder's liberal management policy and far-sightedness in employee relations.

Mr. Stanley stated that the company has pension benefits, paid by the company based on retirement at 65 years of age. In most cases it satisfactorily augments regular social security coverage.

Insurance features, he said, also include a conventional group insurance plan covering accidents, sickness and death benefits paid for by the company. In addition extra benefits are paid for by the company depending on length of service. Arrangements are made with a local doctor covering physical check-ups and minor medical treatment at company expense.

The speaker told of his company's unique vacation policy which features "extra money" for vacations. The founder, he said, contended that a vacation without a "little extra" for a trip or some other pastime made poor relations. Consequently, Pulverizing employees receiving two week vacations get three weeks' pay. Those having a three-week vacation are given five weeks' pay

and those taking four weeks' vacation start it with six weeks' pay. Month-long vacations are granted to those who have ten years service or more.

Mini: Stately Growth

The speaker said that by 1930 the Pulverizing Machinery Co. had about ten associates. By 1935 the business had expanded to about 40. By 1940 there were around 75 on the payroll. There were 110 in 1945 and at present 140.

Mr. Stanley said a micro-pulverizer may be described as a swing hammer rotary impact mill. They have been built for generators. There are dozens of different kinds built all the way from mail order house affairs for use on farms for grinding feed, so cheap that we are amazed at the price, up to huge ponderous slow-moving ones such are used in pulverizing coal.

About 7,000 micro-pulverizers have been supplied in the processing of 460 different materials and are used in practically all industrial countries of the world, he stated.

The speaker said that in 1933 the growing company moved to more adequate quarters at Roselle Park, where it remained until facilities were outgrown and Mr. Ruprecht, on his way daily from his home in Upper Montclair to Roselle, became convinced that he wanted a nicely landscaped little plant at the bend in the Passaic River in Chatham road.

Graduate Introduced

Arthur T. Dailey, executive secretary of the Rotary Club's scholarship fund, introduced the Summit High School graduates who had been awarded scholarships by the committee, they being Laurence Haultic, son of Mr. and Mrs. L. W. Haultic of New Providence Borough 3400, and Theodore Carlson, \$200 scholar-

ship, son of the Rev. Harry S. Carlson and Mrs. Carlson of Morris avenue. Norman P. Pott was also awarded a \$200 scholarship. He is the son of Mr. and Mrs. Alan A. Pott of Silverlake drive, but owing to a previous engagement could not be present.

Mr. Dailey stated that the scholarship fund was a major project of the club and that since 1926, 52 boys had been given help, involving \$18,885 through full awards and loans to students. No grants were made during the war years.

Guests were introduced by William Martens member of the fellowship committee: Paul W. Dean, Madison; B. Adlerbert, Hillside; Carl Bunker, Henry P. Townsend, Charles Farrow, Westfield; Edwin G. Lincoln, former boy's secretary of the local "Y," guest of Allan R. Devenney; I. H. Foote, N. Hough, G. Paul, E. L. Tumm, F. Arnold, C. Rieser of the Pulverizing Machinery Co., Rev. Harry S. Carlson, a guest of the Club, was introduced by President Robert O. Peterson.

Walter S. Eddy, secretary, announced receipt of a letter of thanks from The Summit Herald for the donation to the Herald's Camp Fund.

MANY NEW OIL WELLS

A total of 4,352 new oil wells were completed in Oklahoma during 1949. The Oil and Gas Journal reports 804 of them were wildcats resulting in 165 producers, 18 gas wells and 623 dry holes.

YW Served Career Women Nearly 5,000 Lunches

The Lunch Club volunteers of the YWCA headed by Mrs. Raymond Rulison will hold their annual closing picnic at 1:30 p. m. June 22 in the back yard of the YW.

Throughout the fall, spring and early summer the volunteers have prepared luncheons twice a week, each Wednesday and Thursday, for Business Girls and Professional Workers in the community. A total of forty-two volunteers have served 4,876 luncheons from January through June.

During the month of July Mrs. Leonard Parkin of 12 Hughes place will be responsible with other volunteers and the Young Adult Department Committee for luncheons to be served to Business and Professional women on Wednesdays only. There will be no luncheon served during August. However the regular Lunch Club will begin again September 6 and continue through next year.

The list of volunteers includes Mrs. W. K. Bailey who was in charge of decorations throughout last year, Mrs. Robert Cross and Mrs. Max Shapiro who also assisted with the floral decorations. Mrs. Carl Cosner, Mrs. T. J. Evans, and Mrs. J. W. Jewell were cashiers. Mrs. R. H. Bidelman was responsible for securing volunteer sub-

stitutes. Refreshments will be served by Mrs. Paul Werner and Mrs. Parkin and the chairman, Mrs. Robert Carlson for the lunch club volunteers.

The following Lunch Club volunteers worked behind the counter throughout all of last year: Mrs. Arthur Blanken, Mrs. Katherine Bennett, Mrs. R. H. Carlson, Mrs. Sherred Depue, Jr., Mrs. A. L. Dunn, Mrs. L. P. Guest, Mrs. Florence Duncan, Mrs. C. M. Hebert, Mrs. R. H. Heller, Mrs. W. O. Herren, and Miss Rita Kidd.

It Says the Nicest Things

About You!

There are few stronger urges in the human breast than that which grows out of the desire to stand well among our fellow beings.

And around this great basic emotion lies much of the appeal of a Cadillac car.

Alight from your Cadillac anywhere you will, in the presence of people, and certain splendid deductions are immediately made about you.

It could not be otherwise—for the wonderful people who own this car have made it so. In every community in America, a

preponderant proportion of the leading citizens have long since turned to Cadillac.

Out of this close association, the car has partaken of the character of its owners until it has now become their symbol. It is recognized throughout the world as the all but automatic companion to outstanding personal success.

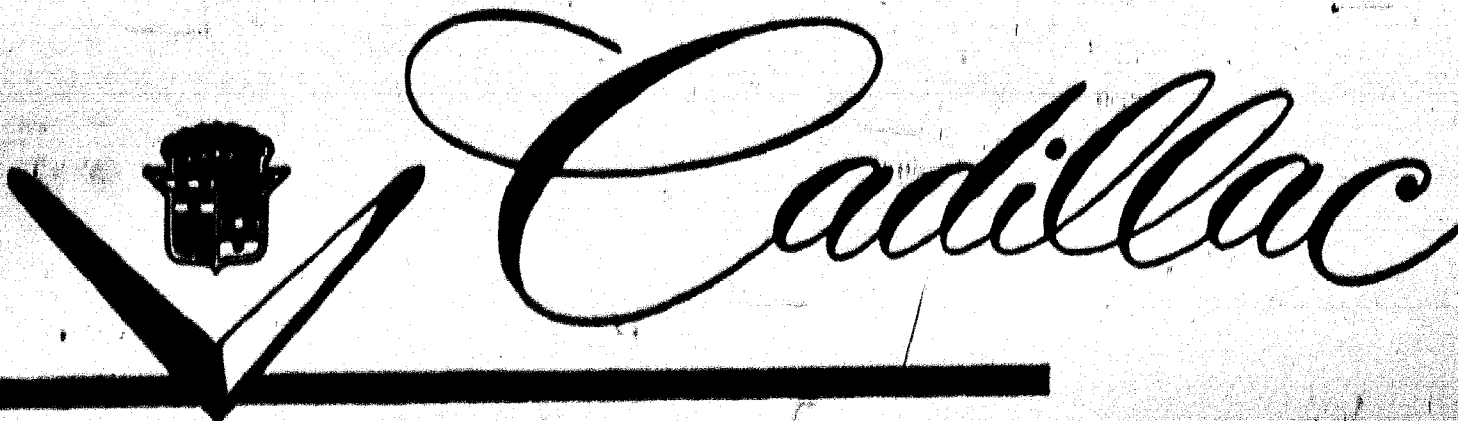

The genesis of all this, of course, is quality. For almost fifty years, Cadillac cars have been built to the highest standards it is practical to enforce in the production of a motor car. And people of

achievement and discernment have sought them out as water seeks its level.

Today, Cadillac stands uniquely alone in the things it reflects upon its owner. It all but writes his biography!

Have you thought of a Cadillac car for yourself? If so, why not come in some day, quite soon, and talk it over?

We think you'd be surprised and delighted at how easy and practical it has now become to join the wonderful people who own and drive this wonderful car.

Weddings Not Bliss For Social Security Offices

A name-changing ceremony such as a wedding sets off a series of headaches for bookkeepers, payroll departments and particularly the government's Social Security Administration.

Brides are human to the extent that they're rightfully proud of their new names, but they're also human enough to put off recording that new title at important places of business.

In addition to the all-important Social Security Administration, charge accounts, payroll departments, the favorite beauty salon, insurance companies, club officers and church officials are among those who should be informed of the name-changing event. Since these groups seldom appear of course, on the bride's list for wedding invitations or announcements, a special, business-like memo has to do the job. Doing it right away will save an abundance of confusion later.

Many brides, naturally, plan to quit working after marriage, either at once or "soon." This leads them to discount the importance of correcting their Social Security account. While they may quit now, some day they might return to employment as did many women during the war.

The local Social Security office is located at 1143 East Jersey Street, Elizabeth, and Leonard F. Sawvel, manager, is the man to see about correcting your account. Branch offices are open in the Plainfield Post Office each Tuesday between 10:30 and 2 p.m., and in the Somerville Post Office each Thursday during the same hours. Persons making changes in their account should call at one of these offices with their old Social Security card. Here they fill out a form—and are issued a new card—not a new account number. (Your Social Security number remains the same through life.)

When this change isn't recorded, the bride, if she continues working, appears on her employer's Social Security report as Mary Brown, her new married name, with the number that the Administration records show for Mary Smith. The Administration suspects that a marriage might be the answer to the discrepancy, but there is also a chance that Mary Brown is a new employee who was accidentally reported with Mary Smith's number.

Also, the government cannot afford to take a chance or make any such guesses. Therefore, time-taking correspondence with the employer is necessary. "In most cases," according to Mr. Sawvel, "the records are cleared and Mrs. Mary Brown, nee Smith, gets credit for her wages; but this happens only after the government and the employer have spent considerable time and effort in untangling the mix-up."

There are many rights of women under the Federal Social Security Act, and it is important that they know of these resources at the time of retirement (their own or their husband's) and particularly in case of death of the family wage earner. Family financial problems usually bear most heavily on the wife, widow or mother. Official information as to all phases of benefit rights under Social Security may be secured at the offices listed above.

ORE MINING

Since the start of iron ore mining in the Lake Superior region, about two and half billion gross tons of ore have been shipped from that district to American steel mills.
