## City Still Mopping Up After Worst Storm in 13 Years Ravages Area

The city was still mopping up today after having been battered by the most damaging storm in 13 years when Hurricane Donna, with gusts of winds of up to 60 m.p.h. lashed into the area on Monday and dumped nearly three-inches of rain, felled countless trees, flooded many sections, ripped down power lines and caused the Passaic River to overflow its banks for the first time since 1957.

Not since the ice-storm of January, 1948, had the city been subjected to such damage wrought by the elements. As of Tuesday afternoon, 30 city-owned trees had been destroyed with many others heavily damaged by broken limbs. Throughout the city, countless trees on private property were felled with many gardens virtually destroyed when shrubbery and plants were ripped up by the gusts.

Flooding was again reported in Summit Estates and in the Case Brook Area as well as at Vanderpool Pond and the Passaic river.

Power lines were reported down in several sections of the city and as of Tuesday afternoon four sections of town were still without electricity. Residents on Overlook road, Valley View avenue and Park avenue were still without electricity as of 3 p.m. Tuesday.

The clearing away of fallen trees which bottled up many streets was made additionally hazardous by live wires which were entangled in branches. City crews worked throughout the day and into early Tuesday morning opening up streets blocked off by the many trees knocked out by the gusts. No one was reported injured during the mopping up activities.

City-owned trees were reported down on Beekman road and Oakley avenue, Edgemont road, Whittridge road, Colonial drive, Ashland avenue, Beechwood road and Hillcrest avenue, Bellevue avenue, New England avenue, High street, Springfield avenue, Prospect street, Blackburn road, Dorcas and Elm streets, Edgewood drive and on the Wilson school property. Several including Beekman road, Blackburn road and sections of Springfield avenue were temporarily blocked by fallen trees. Another victim was a large maple at Summit avenue and Broad street on the Village Green.

**Outdoor Art Show Planned For Saturday**

The annual outdoor art show of the Summit Art Center will be held this Saturday from 10 a.m. to 5 p.m. in the Beechwood road parking lot of the Summit Trust Co.

The show will be confined to work done by both members and instructors of the Center and is an annual autumn event of the community. Collectors may purchase paintings on display through representatives of the center who will be in attendance throughout the day.

The show also will feature demonstrations of various painting techniques. Information folders regarding fall classes of the Art Center will be available.

On Sunday, September 18, the Center will open an instructors' show at its studio, 497 Springfield avenue, at 3 p.m. The show will be open Saturday and Sunday thereafter from 2 to 5 p.m.

The instructors' show gives the public an opportunity to become acquainted with the work done at the Center by its teaching staff and to observe the diversity of talents available in various classes.

Those given moving permits last month included Dr. and Mrs. J. L. Anderson, 99 Druid Hill road to Rotary lane; Mrs. R. L. Camann, 28 Locust drive to 31 Ramsey drive; Dr. and Mrs. C. W. ## Case, Lord To Talk Here November 3

The Republican and Democratic nominees for U.S. Senate, Senator Clifford P. Case and Thorn Lord, have accepted an invitation by the New Jersey League of Women Voters to discuss current issues and answer voters' questions on Thursday, November 3, at 8:15 p.m. at Summit High School.

The New Jersey League has arranged a similar meeting between the two candidates for the northern part of New Jersey at Teaneck on Monday October 3 and in the southern part of the state at Collingswood on Thursday, September 29.

The Summit meeting will be headed by the voters' service committee of the Summit League with Mrs. John Oliver as chairman of the committee.

As at all League meetings, which are non-partisan, each candidate will speak for a given period of time and then the meeting will be open for questions from the floor. Mrs. Melvin Antell, state chairman of voters service, will act as moderator.

The meeting is one of the major services provided by the League which has been established by women to help voters become more informed on candidates and current issues. The meeting here will provide one of the few times that senatorial candidates will speak from the same platform. A large turnout is expected since the Summit meeting will be publicized throughout Union, Morris and Essex counties.

Members of the Upper School faculty include Mrs. Charles R. Minor who has joined the mathematics department. Mrs. Minor who holds a B. A. degree from Westhampton College of the University of Richmond and a M. A. degree from Columbia University, has also taken special courses at Teachers College at Columbia and San Jose State College in California.

**Eileen Farrell To Open Local Concert Series**

Eileen Farrell, America's greatest dramatic soprano, will open the eleventh Summit Community Concert series on Tuesday, October 4 at Summit High School.

The highlight of the coming Metropolitan Opera season is Miss Farrell's debut.

Other events in the series are the world famous Budapest String Quartet, Thursday, November 17; Gary Graffman, young American pianist, Friday, January 27, and Zachary Solov Ballet Ensemble, Tuesday, March 7.

All Community Concerts will be in the high school auditorium at 8:30 p.m. Members are requested to be in their seats by 8:20 p.m. before reciprocity guests are seated. Admission is by membership only in the Community Concerts Association. Summit Association members may also attend concerts in the Westfield, Plainfield and Morristown Community Concert series.

## Classes Resumed At Kent Place For 392 Girls

Kent Place School began its 67th academic year today when classes reopened for 392 girls. Miss Florence Wolfe, headmistress, has announced.

At the first assemblies of the upper and middle schools, introductory remarks were made by the respective heads. Miss Elizabeth Wilcox and Miss Marion Hilton. There will be a half-day session today and tomorrow, with the full program starting on Monday, September 19.

Day students are registered from thirty-four nearby New Jersey communities with the largest groups representing Summit, Short Hills, Morristown, Chatham and Madison. In the resident department, New Jersey leads the states in the number of students, with New York and Illinois following. There are also girls registered from many other sections of the country including Alaska, as well as from Panama, Central and South America, and Indonesia.

New members of the Upper School faculty include Mrs. Charles R. Minor who has joined the mathematics department. Mrs. Minor who holds a B. A. degree from Westhampton College of the University of Richmond and a M. A. degree from Columbia University, has also taken special courses at Teachers College at Columbia and San Jose State College in California.

## Pony-Drawn Stage Coach Boro's Gift to GOP Fair

An authentic, miniature stage coach drawn by a matched team of dapple gray ponies will be a highlight for youngsters at the first annual Union County GOP country fair and auction to be held Saturday at the Westfield Armory. The stage coach and ponies are an exhibit sponsored by the New Providence Republican Club.

The stage coach will offer rides to both young and old and will operate in a New Providence "corral" to be located at the far end of the arena.

Other events at the fair will be the sale of arts and crafts, antiques, home-cooked foods, shrubs and plants, pizzas, hot dogs, ice cream, etc. There will be 100 booths set up with GOP groups from various county municipalities staffing each booth. Added attractions will be a penny arcade and an Army tank placed at disposal of children for play.

At 1 p.m. the Young Republican organization of the county will conduct a public auction of new and old merchandise, including many attic treasures.

Another feature of the fair will be the awarding of a free trip for two in Bermuda as a prize for the best Republican campaign slogan of six words or less. The Bermuda trip is for seven days and includes air travel and rooms at the Bermudiana Hotel. The winner will be announced at the 325 per plate dinner to be held Tuesday, September 27.

Items to be auctioned include original Carrier & Ives prints; a Norman Rockwell oil of President Eisenhower, a pair of Vice President Nixon's cuff links, two tickets for the Army-Navy football game, a hand knit Afghan, a 10-carat Brazilian topaz, oil paintings, and rare pieces of china and glass.

The fair program will include square dancing from 9 p.m. to midnight; games, rides for children; an exhibition by high school baton twirlers and a

contest for individual performers; a campaign poster contest, and music.

On hand to greet fair-goers will be U.S. Sen. Clifford P. Case and Congresswoman Florence P. Dwyer as well as other county and local Republican candidates seeking election.

Tickets for the event are obtainable from Summit Republican City Committee workers or from Mrs. Josephine Sloczewski, 3-Midland terrace, (CR. 3-7237), general chairman. Tickets also may be purchased at the Armory. The fair is for Saturday only.

Organization of a Summit Citizens for Kennedy Committee was announced this week by Mr. and Mrs. Russell E. Marks, Jr. of 15 Norwood avenue, co-chairman. The group was formed, they said, as a result of replies from residents to an advertisement.

Parke W. Masters of Kent Place Boulevard, unsuccessful Democratic candidate for Council in last year's election and chairman of the Union County Citizens for Kennedy organization, said that with Summit the Kennedy group now has 11 of the 21 towns in the county organized for his campaign. Mr. Masters is a Harvard classmate of Kennedy. Kennedy campaign literature, bumper stickers and lapel buttons are available and may be obtained by calling either Mrs. Marks or Mr. Masters.

The local group will hold its first meeting September 29 at 8 p.m. at the home of Mr. and Mrs. Marks, 15 Norwood avenue. At the meeting committee on membership, publicity, speakers, etc.—will be formed. Those interested in joining the group may obtain information by calling CResview 7-8995 or CResview 3-9403.

## Library Opens Story Hour Registration

With a record-breaking enrollment anticipated, registrations for its pre-school story hour program are now being accepted in the children's room of the Public Library, Monday from 1 p.m. to 5:30 p.m. Monday through Friday and 9 a.m. to 5:30 p.m. on Saturdays.

Attendance at the Thursday story hours is open to any child living in Summit who is at least three years old and will not be five years old until after December 1 of this year. Children in afternoon sessions of kindergarten are not eligible to attend.

In announcing details of this year's program, scheduled to start next month, Mrs. Margaret E. Walker, children's librarian, urged prompt registration of pre-school-agers to assure attendance. Personnel and library facilities necessitate a limitation on the size of the group to be accommodated and a policy of "first come, first served" is to be followed. Names of children registered subsequent to closing of a group when the maximum number has registered will be placed on a waiting list.

The program is a bi-weekly event for each child. Each registrant will be assigned to a schedule on a geographical basis, continuing the practice started in 1959 because of overflow attendance. Children living in the northern and eastern areas of Summit designated Group A, and those in the southern and western areas, Group B, will alternate in attendance. Morris avenue is the dividing line, for this purpose.

The program for Group A (northern and eastern) will begin on October 6, continuing on alternate Thursdays, i.e., October 20, November 3, etc. For Group B the first story hour will be held on October 13 and thereafter on alternate Thursdays, October 27, November 10, etc. Story hours will not be held on holidays or during school vacations.

Each hour-long program will start at 10 a.m. and will feature readings, narrations, dramatics, finger games and other wholesome and "fun" activity for the children.

## Morris Avenue Service Station Robbed of \$163

A \$163 robbery at Freedom's Service Station, 462 Morris avenue, was reported by Police on Monday.

The theft was discovered by Police early Sunday night. Entry was made through a front door in the overhead garage door leading to the repair shop. Police said nothing else was taken but the cash.

# Summit Estates Builder Sued by City Over Sewer

In the wake of recent torrential rains coupled with Hurricane Donna Monday, more than 100 residents of Summit Estates learned from Common Council at a special meeting Tuesday night, that the city had started court action against the Horton Corp., developer, of the 50-home tract, for forfeiture of the \$135,000 posted bond because of alleged failure to provide adequate drainage facilities in the area.

Although raked over the coals for about two hours by both residents and a representing attorney, the city claimed it was not altogether legally responsible for correction of the drainage problem which causes serious flooding, but advised residents that emergency drainage ditches were being dug to temporarily alleviate the condition.

Speaking on behalf of several residents in the Stockton road, Ascot way, Stiles road area, Wallace Barnes indicated the city was "fully responsible" to correct the drainage problem immediately since without municipal certificates of occupancy, and city approval of plans, the houses could not have been occupied or built.

Cost Put at \$75,000

Speaking for the city, Council President Fletcher P. Thornton Jr. indicated that engineers have advised council that the drainage can be either handled by pipes going across water company lands to those of the Union County Park Commission and eventually to Surprise Lake, or along the property lines of homeowners in the area and then along the same route to the lake. Estimated cost of construction is \$75,000.

According to Mr. Thornton, unless a general improvement is involved, such action would be termed a local improvement and property owners would be assessed for such construction.

Residents at the meeting protested that such an improvement would not be a local improvement, but was actually a health problem and therefore a "general" improvement that affects the city.

Agreeing that it was a health problem, Bruce Bears of 17 Stiles road, asked how long it would be before the suit came to court. He was advised by Mr. Thornton that it would be about four months, but Councilman-at-large William R. Gilson indicated he felt it would be a "much longer" length of time.

Although Commonwealth Water is unofficially permitting use of its lands for a temporary drainage ditch, J. Henry Negus, city engineer, said that under "no circumstances" would Commonwealth grant permission for a permanent pipe to be put in since it felt it would "affect future development" of the land if it were sold.

John F. Olivo of 34 Stockton road, urged Council to begin condemnation proceedings against the water company to gain the lands necessary for a direct way for the drainage outpour. According to Mr. Olivo, such action would "seriously curtail the cost of pipe purchase and installation.

Home Below Street Level

Pointing out that because the contour of the land had been distorted by the builder and many of the homes were below street level, E. Stanley Kleppe of 44 Stockton road asked if the city did not have a "moral" responsibility to pay for an out-fall from a city storm sewer.

Mr. Kleppe also indicated (Continued on Page 18)

## Heights May Fight State Tax Decision

The Berkeley Heights Township tonight may consider whether or not to appeal last week's ruling of the State Division of Tax Appeals which rejected a request by the Committee to reduce the county equalization ratio which resulted in a \$1.49 increase in the Township's county tax rate.

The Union County Board of Taxation had cut the Township's proportion of assessed to true value from 21.5 per cent in 1959 to 14.82 for this year.

Bell Laboratories, which joined the Township in the appeal before the state body, has not yet decided if it will continue to carry the case to the Appellate Division of the Supreme Court. The Labs, which owns about 89 per cent of the industrial property in Berkeley Heights and pays about one-third of the Township's tax bill, had the State Tax Appeals Board uphold the Union County Tax Board's estimate of the value of Lab property. The Labs now pay \$327,000 annually in taxes and had hoped to trim this bill by \$54,000.

Commissioner Paul E. Dougherty of the State Division of Taxation, reviewing the latest appeal, said that the present method of setting ratios has been upheld repeatedly in the courts and that the company has no grievance.

In its appeal to the State Tax Board, the Township argued that the county tax board had acted "unreasonably" in its reduction of the assessment ratio.

Edward A. Pizzi, Township attorney, contended that the sale of one minor piece of business property, the only such sale last year, was not a true reflection of market value. The piece was assessed at \$1,250 and sold for \$10,000. Pizzi said the purchaser probably paid a premium price to assemble a larger property.

The State Tax Division conceded that the control by one "rather small sale" of the value of one-third of the Township ratables "seems superficially, (Continued on Page 7)

## Lions Launch Drive for Vote Registry

Cooperating with more than 11,000 Lions Clubs in as many communities throughout the United States, Summit Lions Club has approved a "Register to Vote" campaign which opened here today.

In announcing the drive, President James F. Piana of the local Lions said that this will be a part of the greatest nationwide effort to obtain 100 per cent registration in the nation's history. He explained that "Regardless of party, the men we elect on November 8 will have the future of our nation, and its fate in a troubled world, in their hands. Working in their own communities, our Lions clubs will place tremendous manpower behind this non-political, non-partisan effort to see that every eligible voter in the United States is ready to vote in the November 8 election."

Summit Lions are also sponsoring a Liberty Bells program, in which church bells in this city will be rung on hourly intervals on election day to remind voters that liberty and freedom can only be preserved by this use of free ballots.

## Survey Shows High School Program Lags

As part of a recently completed survey of Summit High School educational standards, the Lay Committee on Education found that "standards of performance . . . must move upward in order for the students to successfully meet the competition for college admission."

The purpose of the college survey was an attempt to determine what the colleges will be requiring of secondary schools in the next "critical years."

Following comprehensive study of letters received by a citizens' group in Chatham Township in 1957 from nearly 100 colleges of all types, the local sub-committee sent letters to 30 additional institutions, including junior colleges and technical schools.

Each letter to school admissions officers indicated, among other items, the number of electives available to local high school students, indicating whether or not any of the electives should be required subjects.

In general, according to the sub-committee report, colleges apparently feel that the traditional academic curriculum, providing instruction in the five basic subject areas, need not be changed.

Urges Language Course

Typical of the reasons was one from Mount Holyoke College which urged that a college preparatory program include three years of one language and two years of another as a minimum for liberal-arts students. In addition, Mount Holyoke recommended the addition of one laboratory science. St. John's suggested that schools give the "traditional" subjects a "central and preponderant position."

The admissions' officer of the University of Chicago, according to the report, advised against "too many electives." He stated, "I don't think freshmen in high school are prepared to make choices and I almost doubt that seniors are (Continued on Page 8)

## Skeeter Tally Sets New High In This Area

As summer wanes, mosquitoes in the Summit Area increase, the Union County Mosquito Control Commission reported this week in its weekly tabulation of the mosquito population for various county municipalities.

The daily average catch from traps located in the Summit Area for last week was 15.7, an all-time high for the summer and an increase of 4.5 from the 11.2 figure for the previous week. Summit has consistently throughout the summer had the highest count of all towns with the exception of Elizabeth. The average count for Elizabeth last week was 32.7.

The County Commission rates any count of 14 or more as "heavy."

The nightly tally last week for other areas where traps are maintained was as follows: Plainfield-Fanwood Area, 9; Westfield-Cranford Area, 8.2; Union-Hillside, 6.8.

**Elizabeth Journal Supports Kennedy**

The Elizabeth Daily Journal in an editorial in its Monday edition came out in support of Sen. John F. Kennedy for President.

The Journal, an independent newspaper purchased the beginning of this year by Robert Ingersoll from State Sen. Robert C. Crane and his family, said that in its opinion Vice President Richard M. Nixon has been "inseparably a part

of an administration which has become a disappointment to many; an administration which seems to have subsided in world prestige when the country should have appeared to an undisputed command; an administration that has not overcome difficulties in our domestic economy that hold back a proper progress."

The Journal long has been considered the voice of the Republican Party in Union County.

**Resident Notes  
35th Anniversary  
With Bell Labs**

Andrew W. Clement of 150 Canoe Brook Parkway, celebrated his 35th anniversary of service with Bell Telephone Laboratories yesterday.

Andrew W. Clement

Mr. Clement, a native of Ravenna, Ohio, joined the Laboratories immediately following graduation from the University of Washington with the B.S. degree in electrical engineering. He also holds the M.A. degree in physics (1929) from Columbia University. His first 15 years with the Bell System was spent on the development of telephone transmission networks, such as electric wave filters. From 1946 to 1952, he was supervisor of a group engaged in the development of electronic measuring apparatus. In 1952, he was transferred from Bell Laboratories, Murray Hill, to the company's research center in Whippany, where, for the next two years, he supervised the study and analysis of an anti-aircraft weapon system employing free rockets.

He continued as a supervisor in the development of the Nike Hercules anti-aircraft missile system until 1956, when he took charge of a group chiefly concerned with engineering investigations and studies of the radar, radio and data processing equipment in the U.S. Air Force's SAGE (semiautomatic ground environment) air defense system.

Mr. Clement has been an officer in the United States Army Reserve since 1924; he holds the grade of Colonel in the Artillery branch. During World War 2, his services to the military included five years as a member of the Coast Artillery Board, Fort Monroe, Va., engaged in the study, analysis and test of coast artillery material and problems, primarily in the fields of radar and communications. He further served in 1944, as an Army Ground Forces Observer in the Pacific Theatre of operations. In recognition of his work, the Army awarded Mr. Clement the Legion of Merit; he is also eligible to wear the Distinguished Service Unit medal.

He holds two patents and has published several technical articles on transmission networks and coast artillery radars. A licensed professional engineer of the State of New Jersey, he is a life member of the American Institute of Electrical Engineers and a senior member of the Institute of Radio Engineers. He also holds memberships in the Telephone Pion-

**Cuba Topic  
At Meeting  
Of YW Group**

Subject for the YWCA Thoughtstirs at the next meeting on Wednesday, September 21 at 8:15 p.m., will be "Cuba Today."

Mrs. Hugh Garnett of Chatham and Mrs. Julian Livingston of Murray Hill will present slides and talks prior to the membership discussion. Discussants have been provided with "homework" questions based on important implications of the current situation.

The Thoughtstirs is a year-old discussion group of young women who initiate and plan their own meetings. The programs include some family events. Membership is open to all women under 40 years of age.

The group meets regularly the year round at the YWCA, unless otherwise announced, on the first and third Wednesdays from 8:15 to 11 p.m. For further information call Mrs. William Boney, young adult program director, at CR 3-4242.

Members of the Association of the United States Army; the United States Naval Institute; Tau Beta Pi; and an associate membership in Sigma Xi.

Mr. Clement and his wife, Florida, have lived in Summit for almost 25 years. He has served his community as a member of the Overlook Hospital Building Fund drive and the Summit Civic Foundation. In addition, he has been a Republican Committeeman. The Clements belong to Canoe Brook Country Club.

Many English bathrooms employ towel warmers as part of the heating system. Hot water from the boiler is circulated through them to warm towels considered necessary in the chilly bathrooms of most English homes.

**Business Women  
To Hear Talk on  
Career Politics**

Mrs. Eleanor Schley Todd, of Oldwick, will speak on "Careers for Women in Politics" at the season's opening meeting of the Business and Professional Women's Club on Monday at the Hotel Suburban. Dinner will be at 6:30 p.m., followed by a program at 8 p.m. Arrangements for the meeting were made by Miss Mona Jewins, first vice president.

Although Mrs. Todd's own career in politics has been in the Republican party, her talk before the Summit Club will be non-partisan, pointing out the opportunities for women and the part they can play outside home and office in the field of political leadership.

Having served as chairman of program and music for the recent Republican convention, and as president of the New Jersey Federation of Republican Women from 1946-1952, Mrs. Todd's other activities have been varied. She is a graduate of the Foxcroft School, Middleburg, Virginia, of which she is presently a trustee, and has studied in Munich and at Sarah Lawrence and Barnard Colleges. In 1956 she was appointed by the Secretary of Defense to the Defense Advisory Committee on women in the services. She organized her local Chapter Red Cross Canteen, acting as its chairman during the early war years and going on to serve as a nurses' aide.

In 1959 Mrs. Todd was a member of the Community Council of Hunterdon Medical Center as well as a standby nurses aide at which time she was also secretary of the Citizens' Association on Correction for the State of New Jersey.

Mrs. Todd is the wife of Webster Bray Todd, and the mother of four children.

**Great Books Discussion  
Group to Open Season**

The Great Books discussion group will meet at Berkeley School, Berkeley Heights, in the teachers' room, on Tuesday, September 20, from 8 to 10 p.m. and alternate Tuesday nights thereafter.

There are no educational requirements and no charge for the course.

For further information call Mrs. Bond, CRestview 3-7151.

**Christ Church  
Sunday School  
Expands Staff**

Christ Church school opened its season last Sunday with eight new staff members. Five of the new teachers serve at the 9:30 a.m. session, which includes classes for all ages, and three will teach at the later session at 11 a.m., held for children through the third grade.

New teachers for the early session are Mrs. Robert Connell, second grade; Mrs. David Ferre, fourth grade; Bruce York, fifth grade; Maynard Youngs, ninth grade boys; Mrs. Thomas Calcerano, eighth and the ninth grade girls. At the later session will be Mrs. James Schneider, toddlers; Mrs. Richard Boyd, nursery, and Mrs. Per Brostrup-Jensen, primary.

Teachers returning from last year are Mrs. Robert Hoffmann, Mrs. G. R. Vance, Jr., Mrs. Solomon Marrow, Jr., Mrs. W. G. Ward, Miss Mara Dilson, and Miss Kristin Wadmond, Mrs. Faison Whitaker, Miss Carole Chisholm, Mrs. James Flanagan, Mrs. R. V. Smith, Robert Varner, James Flanagan, Walter Knight, Robert York, Mrs. Jack Manley, and Mrs. Garvice Ridings.

"Encounter at Easter" is the title of a special series of lecture-discussions begun last week in the adult class. Rev. Samuel Banks, associate professor of pastoral care at Drew University, is leading the class which meets Sundays at 9:30 a.m.

The day nursery school at the church also opened last week, with a full enrollment and a waiting list. Mrs. John H. Dilson is director and Mrs. John Underwood assistant.

On Tuesday evening the entire church school staff met for fellowship and study. New teachers were introduced while refreshments were served. Wel-

**Jewish Faith Here Set to  
Usher in Rosh Hashanah**

The Jewish Community Center will usher in Rosh Hoshonah, the Hebrew New Year next Wednesday at sundown, beginning the year 5721 since the Creation, according to the Jewish Calendar.

The observance is the beginning of a 10-day period of repentance, ending on Yom Kippur. The season is called the Awesome Days because the fate of every person is decided for the coming year. With this in mind, the people greet each other with the formula: "May you be inscribed in the book of life for a happy and prosperous year."

The sounding of the Shofar or ram's horn, sets the note of the festival, reminding the worshippers of the sacrifice of Isaac and arousing the conscience of the people to an awareness of their shortcomings.

The schedule of service at the Jewish Center will begin on September 21 at 8 p.m. with a sermon entitled "Counting the Years."

On Tuesday there will be a service at 8:30 a.m. with a sermon entitled, "The Missing Element," followed by an afternoon service at 7:30 p.m., and an evening service at 8 p.m. On Wednesday, September 23, there will be a morning service at 8:30 a.m., and a sermon, "Meaning of the Shofar."

**Postmasters to Open New Season Next Week**

Weekly meetings of the Postmaster's Club will resume next Thursday, September 22, at the YMCA, at 8 p.m.

According to William Hockberger of 60 Oakland place, vice-president, the club offers a program of all phases of public speaking, helping men to develop executive skills.

In existence 35 years, Mr. Hockberger pointed out that more than a half-million men have benefited from the club's training. Included among members have been business men, teachers, lawyers, scientists, governors and congressmen.

The local club is currently conducting a drive for new members. However, in order to permit all members to participate in each meeting, club by-laws limit membership to 40 and when that number is reached membership will be closed.

In 1797 a husky New Hampshire farmer sent his weavling son to Dartmouth College with the advice: "You'll have to earn a living do it with your hands." The son was Daniel Webster.

**Fortnightly Set to Open Great Book Discussions**

The first fall meeting of the Great Books Discussion Group sponsored by the literature department of the Fortnightly Club will be held at the Club house at 9:30 a.m. on Thursday, September 22.

The third year course will be presented at this meeting and "The Book of Job" is the subject for discussion. There will be 16 meetings held on alternate Thursdays until the course has been completed. The discussions last about two hours.

The literature department is continuing to offer its members the Great Books Group for the third year but one is still able to join, and it is open to husbands of members who can attend the daytime sessions.

An interest in great books, a desire to exchange ideas with friends, and a curiosity to learn the issue behind important events both great and small are the only requirements to join this discussion group. A year's set of 16 small books for the readings is the only cost. Mrs. Ernest F. Mayer, CR 7-0280, will answer any further questions. Interested persons are requested to phone.

The literature department is also sponsoring for the third year a reading group which will hold its first meeting on Thursday, September 29 at the home of Mrs. Robert E. Woodward, 47 Norwood avenue at 1 p.m. Mrs. Jasper H. Dodd will review "The Nine Guardians" by Rosario Castellanos. The group meets monthly at the homes of members at which time books of outstanding interest are reviewed. For information concerning this group call Mrs. Jasper H. Dodd, CR 3-8091.

A special feature of this year's activities of the literature department will be a creative writing class to be given by Barbara Jamison, widely published free-lance writer and critic. It will be a workshop course covering article-writing, short stories, and poetry through playwriting and television scripts. Classes will be limited, and are scheduled for Mondays at 9:30 a.m. at the Club House beginning January 9. Anyone interested in joining that group, call Mrs. John W. H. Miller, ME 5-5414.

**ROAD BLOCK** — A lone auxiliary policeman, Frank Osmulski, waits to detour cars at Prospect street and Blackburn avenue after Hurricane Donna felled a large tree to bottle up the street. The tree shown above was one of many throughout the city to become victims of the storm which layed havoc to the area Monday. Trees which were knocked down by the big wind and blocked streets were quickly removed by city crews, despite the danger from live fallen wires which became entangled in the branches. (Wolin Photo)

**College Club Offers Teacher Credit Courses**

As previously announced, the third annual field extension courses for teacher certification will be sponsored by the College Club and Board of education this fall. Newark State College will offer "Mathematics in the Elementary School" (E-312) and "The Teaching of Reading" (E-411) at Washington School beginning Tuesday, September 21. (Math from 7:30 to 9:10 p.m. and reading from 4:30 to 6:10 p.m.)

Registration will be taken at the first meeting of these classes. Cost will be \$13.50 per semester hour (\$27), plus a \$2 registration fee. Those who have not previously registered will be required to pay an additional \$5. for admission to the college.

A previously announced secondary course cannot be offered due to insufficient demand. This course is being offered on the Madison campus of Fairleigh Dickinson University evening school, in addition to a variety of education courses for both levels of certification. Those interested may inquire at the office of the registrar, Thomas Emory, at the Madison campus.

**Christian Women Will Meet Next Wednesday**

Dan Platt, European director of "Navigators," a worldwide organization dedicated to the training of laymen in personal evangelism, will be the guest speaker at the regular monthly luncheon meeting of the Summit Christian Women's Club to be held next Wednesday at 11:30 a.m. at the Hotel Suburban.

A special feature of the meeting will be a fashion show presented by the Silo on Route 10 which will feature a collection of casual and country living clothes. Mrs. Howard Milewsky will be soloist. Child care is provided and reservations may be made by calling DR. 9-2818. The state of Arkansas has had five different constitutions. **Red Cross to Begin Drive For Recruits**

Red Cross chapters in New York and New Jersey will join forces this fall in an effort to enroll 5,000 new volunteers to serve in a variety of community projects. A week-long recruitment campaign is scheduled to begin in Summit on September 26, and in most other chapters on October 3.

The thirty-six chapters taking part in the campaign—12 in New York and 24 in New Jersey—serve a population of more than 12,500,000 and represent one of the largest concentrations of Red Cross service in the country. Currently, about 33,000 volunteers are serving their communities through these chapters. Last year they gave over 2,000,000 hours of service.

A great variety of jobs are open to volunteers in Red Cross services and programs—disaster, nursing and safety services, the blood program; Junior Red Cross activities; services to the armed forces, veterans and their families; Gray Ladies, nurse's aids, canteen and other volunteer activities.

**Do You Know...**  
 Which Freezes Faster, HOT or COLD WATER?  
 COLD WATER FREEZES FASTER THAN HOT OR WARM WATER - BUT WATER WHICH HAS BEEN BOILED, WHEN BROUGHT TO THE SAME TEMPERATURE AS UNBOILED WATER, WILL FREEZE FASTER!  
 The reason is that boiling removes from water most of the elements which delay FREEZING!

Your City's Government—Part 7

No Government Agency Is Unessential

While it is true that not all of the agencies which operate within the framework of the city's charter are necessary for the basic operation of the government, they nevertheless play an important part in the intellectual and moral development of the community. Sociologists maintain that if insufficient time is given over to intellectual pursuits and moral advancement, there will be some need for government, for then there will be some capable of performing governmental tasks. Therefore, the tasks delegated to the Board of Library Trustees, the Board of Recreation and the Municipal Youth Council, are vitally important to the welfare of all.

According to state law, any municipality may establish a free public library within the corporate limits of the community and shall be governed by certain provisions laid down in the state.

In Summit the Board of Library Trustees consists of seven members, one of whom is the Mayor, one the Superintendent of Schools and four of whom are residents of the city. The terms are for five years and any vacancies are filled for the unexpired term by the Mayor.

It is a Corporate One By city law, the Board is a corporate one, possessing corporate powers of succession, may sue and be sued as well as adopt a corporate seal.

The Board's powers consist of holding in trust and managing all property of the library, renting rooms or, when proper, constructing buildings for the use of the library, purchasing books, pamphlets, documents, papers and other reading matter; hiring librarians and other necessary personnel and fixing their compensation, making proper rules and regulations for the government of the library and doing all things necessary and proper for the establishment and maintenance of the Free public library.

Recreation are called commissioners and are appointed by the Mayor for a period of five years. The five-member board receives no compensation and serve until their respective successors are appointed.

The Board of Recreation may acquire property for public playgrounds and recreation places by gift or purchase. Surveys, maps and estimates are submitted to the Common Council with a request that an appropriation be made.

If the Common Council authorizes the acquisition of lands, the board shall proceed to acquire the same through purchase, condemnation or lease, as the case may be. All title to the lands becomes the property of the city whether acquired by purchase or lease.

Controls All Lands The Board of Recreation has full control over all lands, playgrounds and recreation places and may adopt suitable rules, regulations and by-laws for the use of the sites and the conduct of all persons while using the facilities.

The Board has the power to appoint a secretary or clerk and such number of custodians, supervisors and assistants as they think necessary and fix and determine their salaries. Each year, Common Council determines and appropriates a sum sufficient for the care, maintenance of any playgrounds within the city.

All moneys collected by the Board is paid over to the City Treasurer and to be kept by him in a special fund under the control of the Board. It is the responsibility of the Common Council to provide suitable offices for the Board meetings.

Supervisors, assistants and other personnel appointed by the Board shall, while on duty and for the purpose of preserving order, have all the power and authority of police officers of the respective municipality.

By established practice, the Board of Recreation prepares a preliminary budget and presents it to the Welfare Committee of the Common Council for review. The Welfare Committee then presents the recommended budget to the Common Council and after the individual items are approved, the entire sum is then included in the municipal budget. The itemized expenditures are controlled by the Library Board of Trustees without further Council action.

The present Board of Trustees consists of Mayor Ogden D. Gensemer, Harold T. Graves Jr., Mrs. Elizabeth Hiatt, Mrs. Louise Gadebusch, Samuel A. Smith Jr., Percival M. Bland and Roberts v.S. Reed, and Miss Alice Carter, director.

Members of the Board of Recreation prepares a preliminary budget and presents it to the Welfare Committee of Common Council for review. When the budget is approved, it becomes a part of the entire city budget, following which itemized expenditures are controlled by the Board of Recreation Commissioners without further Council action.

Members of the Board of Recreation are Mrs. W. A. MacMaster, Alan J. Schmitz, Lucius Collier, H. Winthrop Green and Walter P. Bluntschli.

Authorized in 1947 The Municipal Youth Guidance Council was authorized by a resolution of the Common Council on June 17, 1947 for the prime purpose of assisting in coordinating and integrating community plans and services for the welfare of all children and youth in Summit.

The Council is composed of not more than seven members who must be residents of the city and who serve without compensation. Membership includes one representative from Common Council, one from the public school system and one from the Police Department. Council members are appointed by the Mayor, with the approval of the Common Council

NOTES 35th YEAR—George D. Smith of 175 Springfield avenue, celebrated his 35th anniversary with the Chase Manhattan Bank, New York, last Thursday. He is a vice president at the bank's head office in Manhattan. Born in Elizabeth, Mr. Smith attended Pingry School there and Friends' Academy in Locust Valley, L. I. He is a graduate of Yale University (BA 1925). With the bank since 1925, he was appointed to the official staff as an assistant cashier in 1935. He was promoted to assistant vice president in 1940 and to vice president in 1944.

The members organize annually and select a chairman, a vice-chairman and secretary. Meetings are held at least once a month and at such times as the chairman shall direct.

Other responsibilities which fall to the Council are the protection of children who are especially exposed to conditions conducive to delinquency and for controlling harmful influence in Summit.

The Board has the power to undertake, supervise or direct the making of studies and surveys of all matters and things which are or may be related to or in the interest of youth guidance and to create sub-committees to aid and assist in the work of the Council.

The Council may request and obtain such cooperation, assistance and data from various municipal departments, boards or agencies and other departments which are necessary to

carry out its work. The group also makes recommendations, devises plans and suggests ways and means to meet the various problems having to do with Youth Guidance.

By resolution, the Council may create a special sub-committee to be known as the adjustment committee. If such a committee is appointed, the Municipal Youth Guidance committee may petition the Judge of the Juvenile Domestic Relations Court to hold hearings or to appoint a referee to hear cases.

The Municipal Youth Guidance Council deals with the general youth problems within the city. Cooperating closely with the Council is the adjustment committee, appointed by the Guidance Council. The chief duty of the adjustment committee is to handle individual cases. The Juvenile Conference committee, the third part of the Guidance Council, named by the Mayor and appointed by the Judge of the Juvenile Court, Elizabeth, also handles individual cases.

Meetings of the Guidance Council are held on the fourth Tuesday of each month at 5 p.m. at the High School.

## DEATHS

**Joseph Triolo**  
Joseph Triolo of 594 Springfield avenue, father of City Solicitor Peter C. Triolo, died Friday in Overlook Hospital after a long illness. He was 82.  
Born in Italy, Mr. Triolo came to this country in 1895. He lived in Summit 50 years. He retired 16 years ago after many years with the Metropolitan Life Insurance Co. in the Summit office.

He also leaves his wife, Mrs. Christine Tworina Triolo; two other sons, Dr. John V. Triolo of Summit and Charles J. Triolo of Milburn; four daughters, Mrs. Jeanne Suggs and Mrs. Lillian Plochok of Summit, Mrs. Josephine Scardino of Brooklyn and Mrs. Antoinette Buscemi of Bayside, L. I.; a brother, Victor Triolo of Madison, and 22 grandchildren.  
The funeral was held Monday from the Paul Ippolito Summit Memorial, 7 Summit avenue, with a mass following in St. Teresa's Church.

**P. J. Fleming**  
Patrick J. Fleming of 21 Baltusrol place died Saturday in Overlook Hospital after a brief illness. He was 64.  
Born in New York, Mr. Fleming lived here for many years. He retired earlier this year as a supervisor for the State Highway Department. He was a World War I veteran serving with a machine-gun battalion of the 113th Infantry of the 29th Division.

Mr. Fleming was a member of the Holy Name Society of St. Teresa's Church, the 25-year Club of the Highway Employees, and Post 59, American Legion, Morris town.  
He leaves his wife, Mrs. Marie Dooley Fleming; two sons, Frederick J. and Robert E.; both of Summit; two brothers, Timothy of Worcester, Mass., and Charles in Ireland; two sisters, Mrs. Kathleen Flynn of Worcester and Mrs. Hannah Courtney in Ireland, and five grandchildren.

The funeral was held Tuesday from the Paul Ippolito Summit Memorial, 7 Summit avenue, with a mass following in St. Teresa's Church.

**Nicholas Ivanoff**  
Nicholas Ivanoff of 118 Pascaic avenue, died of a short illness Saturday in John Runnells Hospital for Chest Diseases, Berkeley Heights. He was 59.

Born in Leningrad, Russia, Mr. Ivanoff came to this country at the age of 23. He had lived in East Orange 27 years before moving to Summit five years ago. He attended Pratt Institute, Brooklyn, and was an electrical engineer with Howard, Needles, Tammen & Bergendoff, a New York consulting engineering concern.

The company has done consulting work for the New Jersey Turnpike Authority, and Mr. Ivanoff had worked on lighting projects for the superhighway.

He was a member of the American Institute of Electrical Engineers.

He leaves his wife, Mrs. Elizabeth Nichols Ivanoff; two sons, Donald N. Ivanoff of Mannerville, Pa., and Rev. James N. Ivanoff of Johnson City, Tenn., and four sisters, Mrs. Kathryn Fast of The Hague, Netherlands, and Misses Maria Ivanoff of Moscow, Alexandria Ivanoff and Paraskovia Ivanoff, both of Leningrad.

**W. Judson Marsh**

## LETTERS

**City Needs Swim Pool**  
Editor, Summit Herald:  
The weather is steamy as I write this letter. (What I wouldn't do for a cooling swim?) This hot and humid day in early September pointed up the disappointment of my five kids especially — of not having a public swimming pool

— in what has struck us as an otherwise forward looking community.  
The absence of such a community "swimming pool" was not evident during a most unusual and pleasant summer. Only weekends made the urge strong enough to call attention to this serious dearth in the recreational program of the community.

their skill as a racer by stepping on the gas late at night, or indulging in an assortment of other hair-brained schemes. Since the start of the unmarked car patrol, motorists who considered Summit their own little bailliwick for speed and care-less driving, have been unceremoniously slapped with a ticket by a policeman driving a car without the usual whirling red light, the screaming siren and the multi-colored paint job.

Since the apprehension of speeders and careless drivers are fair prey any time of the day or night, the new anonymity of the police on midnight prowls appeals to us.

What guise the police are using for their nightly patrols is naturally unknown for reasons of security. Since many motorists have already been lured into the trap of trying to outsmart unmarked cars, it is sincerely hoped that the Police Department will continue this fine, if not sneaky practice, until motorists finally come to the realization that speeding is for the birds, especially if there is an unmarked car in back.

## New Status for Common Council

In one fell swoop last week Common Council managed to attain additional status and at the same time further identification through the simple action of installing name plates in front of each Councilman's desk in the public chambers. Since the words "status" and "identification" are two words bandied about frequently these days, it clearly shows that the city's governing body will not take any back seat when it comes to keeping up with what's what.

In the past, citizens wishing to address Council at a public meeting were first required to state name and address before being heard on any matter. On the other hand it was never necessary for Councilmen to identify themselves since it was foolishly taken for granted that elected officials would somehow be recognized by the electorate.

However, in recent meetings when residents were obliged to address the governing body on an array of problems confronting the town, it was learned to the embarrassment of some that many residents did not know the names of the Councilmen sitting before them, and a few of the city fathers actually had to state their own names and the Wards they represented. It was as though Vice-president Nixon had to tell those assembled at the recent Republican convention who he was and what he wanted to do come November.

Now some might say that there shouldn't be any need for name plates to identify our duly elected officials. However, it should be pointed out that Common Council meetings are frequently devoid of an audience especially when there is no acute problem facing the residents or Council is merely appropriating a few hundred thousand of the taxpayer's dollars. It consequently stands to reason then, that many Councilmen are merely names to the electorate and nothing more, except in times of crisis when large segments of the population turn out en masse and demand to know who their elected officials are.

But now with the installation of spanking new name plates (which also includes the number of the Ward each represents), Common Council has taken on new status and identification. Gone are the days when a Councilman was merely a name. Today taxpayers who turn out at Council to protest that bump in the road or that nuisance down the block, need go no further than to look for the nameplate with their Ward number to find out who's responsible. For, in back of that nameplate is the man to whom the beef should be addressed. Things are getting all too simple if you ask us.

Over the years New Jersey's per pupil operating expenditures have climbed steadily, rising from \$124.90 in 1930 to \$279.81 in 1950, and to the estimated \$497 in 1960. Per pupil figures, it was pointed out, take into account recent increases in school enrollments.

the discovery that salesmen who spend much of their time in automobiles quite often prefer to take a trip by car when vacation comes around. And homemakers, who cook and clean all day, go for those efficiency apartments at the seashore, where they swim, sun-bathe—and cook and clean daily. Business executives have a penchant for large cities and a busy commercial hotel. And young secretaries, whose lives are regimented by time clocks 50 weeks a year, favor resorts that have breakfast up to 9 o'clock, tennis at 10, swimming at 11, and luncheon at noon.

## Phantoms at Midnight

Summit has definitely made the big-time, and all for the good, with the recent announcement that unmarked police cars are now prowling the city in an effort to spot midnight speeders and youthful hot-rodgers.

To some, the use of unmarked police cars is not considered to be especially cricket since it takes all the fun out of speeding and reckless driving. To others, there is a feeling that there is a definite need for unmarked cars in the light of a certain philosophy among some drivers that absence of the law makes the car go faster.

Motorists who frequent New York City and the various turnpikes and thruways, are quite familiar with unmarked cars especially if they have been nabbed by a minion of the law when they thought the coast was clear.

Use of the unmarked car in our town might seem a little melodramatic to some, but according to Police Department authorities, there are those in our midst who consider many of the city's streets a miniature speedway in which to test

## Not So Bad Off

There's an oft-repeated thought in education circles that there is nothing wrong with schools that money won't cure.

If this is correct, New Jersey should be well along the road of educational excellence, points out the New Jersey Taxpayers Association, for it stands third among the nation's 50 states in operating expenditures per pupil as indicated in the latest annual estimate by the National Education Association.

This shows New Jersey is topped only by New York and Alaska. New York stood first with an estimated per pupil expenditure of \$559 for salaries, other operating expenditures and state pension contributions. Alaska, the sparsely populated 49th state, with an expenditure of \$530 per pupil, exceeded New Jersey's \$497 per pupil outlay and forced this state out of second place in the national standings.

## Current Comment

**Busman's Holiday**  
(The Hartford Courant)  
As far as is known, history has not recorded the name of the legendary driver who was the first to spend his day off aboard his own vehicle, thus to originate the busman's holiday. But whoever he was or whence he came—or whether indeed he later outgrew his whimsey—he does not want for like-minded descendants. A survey conducted by a travel agency discloses that out of 2,000 persons queried, 77 per cent chose similar-to-home vacations this year.  
Among other interesting material was

Coming as we did from the Midwest where pools and natural waters were common, I presumed there would be no problem finding such a spot here in Summit. This we learned was not the case. We turned you either had to join a country club or a private pool (if you could get in) but both at a high cost — especially to anyone with a growing family. The only alternative was to travel at least 10 miles to the closest semi-public pool but even there to pay prohibitive fees — especially on a weekend. Swimming has become an im-

portant part of the recreational wants of the American people. A forward looking summer recreational program should take this want into consideration. Summit could have such a program at very low cost. The benefits would be manifold. There must be some unexpressed reasons for something not having been done to this date. Whatever they are, the city fathers should certainly be willing to state them. I doubt that it is lack of money. I'm sure I echo the hopes of many Summit residents that a most commendable project will be considered soon by the community leaders. I sincerely hope that next summer's recreational

program will include the opening of a Summit public pool. William Holub 5 Glen Oaks Avenue.

Miss E. L. Shipman

Miss Elizabeth L. Shipman of 17 Greenfield avenue died last Wednesday in Orange Memorial Hospital of a brief illness. Born in West Pittston, Pa., she lived many years in East Orange and moved here 10

years ago. Miss Shipman was a saleslady at Kregse Newark for the last 20 years. She was a member of Long Hill Chapel in Chatham.

She leaves two sisters, Miss Anna Belle Shipman at home, and Mrs. Grace S. Beach of Summit. Services were held Saturday at Irvington.

Mary G. Lucas

Henry G. Lucas of 740 Mountain avenue, Berkeley Heights, retired vice president of Diamond Match Co., and one-time mayor of Berkeley Heights, died last Tuesday at West Palm Beach (Fla.) Hospital of a long illness. Mr. Lucas, who was 77, had been staying in his winter home in Del Ray Beach. Mr. Lucas was born in New York, moved to Berkeley Heights in 1905. After 43 years of service with Diamond Match Co. in New York, he retired in 1948.

Mr. Lucas once served as treasurer of the former Tri-County Building and Loan Association of Stirling. From 1923 to 1928, Mr. Lucas, a Republican, was a member of the New Providence Township Committee, and in prior years served also on the Board of Education. The community's name was changed in 1951 to Berkeley Heights to distinguish it from the still-existing borough of New Providence.

Mr. Lucas also was a charter member of the Berkeley Heights Volunteer Fire Co. and helped form the rescue squad in that town. He was a member of Long Hill Chapel, Chatham. He leaves his wife, Mrs. Sarah B. Lucas, and his sister, Mrs. Mary G. Curtin of New York. Funeral services were con-

ducted Saturday at the Brough Funeral Home, 535 Springfield avenue, by Rev. Leroy Webber of Long Hill Chapel. Burial will be in Fair Mount Cemetery, Chatham.

Frank D. Amodeo, 18-year-old son of Mr. and Mrs. Frank B. Amodeo of 207 Washington streets Berkeley Heights died last Friday at home after a long illness.

A lifelong resident of Berkeley Heights, he was a senior at Jonathan Dayton Regional High School, Springfield. He also leaves a brother, John and three sisters, the Misses Patricia, Imogene and Cindy, all at home, and his maternal grandparents, Mr. and Mrs. Victor Patterson in Tennessee.

The funeral was held Monday from the Paul Ippolito Berkeley Memorial, 646 Springfield avenue with a Mass in the Church of the Little Flower.

Interment will be at Rosedale Cemetery, Rosedale.

Frank D. Amodeo

Frank D. Amodeo, 18-year-old son of Mr. and Mrs. Frank B. Amodeo of 207 Washington streets Berkeley Heights died last Friday at home after a long illness.

The funeral was held Monday from the Paul Ippolito Berkeley Memorial, 646 Springfield avenue with a Mass in the Church of the Little Flower.

hand throughout the day to repair fallen wires, but many phone company crews prowled the area to repair lines. In many sections of the city, phone service was out from between 30 minutes and five hours.

Although there were no fires throughout the day, the Fire Department was kept busy covering roofs in order to forestall fires from live wires. More than 10 calls were made during the height of the storm, but no damage was reported.

Police reported that during a five hour period from 11 a. m. to 4 p. m., approximately 100 storm calls were made to headquarters. New Jersey Bell Telephone Co. said its boards were flooded throughout the day by residents seeking weather information and to report storm damage.

A spokesman for the city engineer department said that only one Jersey Central Light and Power Co. crew was on

the storm. The Passaic River for the first time since 1957 hit flood stage when the crest hit 6.1 at 1 p. m. The river flooded its banks at several points along the Summit-Chatham line but did not do any damage.

Lay Group (Continued from Page 1) According to Chicago, an ideal program would consist of four years of English, four of a single language, four of math, three of history, one of biology, chemistry and physics and one year of art and music, thereby recommending five courses each year in addition to physical education.

Green Mountain College remarked that it is advisable to require some work in each major area. The report indicated that the response from Princeton University generally reflected the attitude toward electives. According to the Princeton spokesman, "Even at Summit, not all students would be headed towards a four year college."

In response to a question regarding the need for five major subjects yearly, rather than four, the sub-committee found that minimum college requirements are still four majors, but that the large majority of colleges strongly urge that able students take five majors yearly.

and problems of adjusting be encouraged to take five because he would probably not study habits arise only if four major subjects have been taken in high school.

Sees Stappard Course According to Oberlin College, within the next 15 to 20 years a standard college preparatory course will include one in English, foreign language, mathematics, science and history each year, graduating a student with 20 academic credits.

Radcliffe College suggested it was advisable to urge students to take five courses rather than four, but cautioned that the "average" student not be able to "handle" the work. However, Radcliffe stated that students applying for the so-called "major" colleges are definitely advised to have five courses.

In addition to commenting on the number of major subjects, many colleges, according to the sub-committee, stressed the importance of having offerings of some depth. As indicated by Purdue University, they would prefer five "provided the quality of the work is high."

Comments from Bennett College indicated that the number of majors depended on each student's interest and ability, and added that Bennett try to assess the quality of a student's work rather than the quantity.

# John Mitchell, Retired Editor, Dies at Home

John W. B. Mitchell of 7 Watching place, retired editor of the Hudson Dispatch, Union City daily newspaper, died Sunday at his home following a heart attack. He was 69.

Mr. Mitchell retired as editor of the Hudson Dispatch in April after 42 years with the paper and 51 years as a newspaperman. Since his retirement he had been writing a book on newspaper work. He has lived in Summit since 1923.

On Monday the Assembly drafted a resolution of respect for Mr. Mitchell citing his "uncompromising integrity" and his "efforts on behalf of truth and justice." The resolution was prepared by an Assembly group including Union Assemblyman Nelson F. Stamler.

He began his newspaper career in his home town on the Bedford, Va., Bulletin, at 18. Later he taught for a short while in a one-room school house in Virginia. After working for a year as a clerk with the Bell Telephone Co. in Philadelphia, Mr. Mitchell returned to newspaper work in 1911, joining the Tottenville Transcript on Staten Island, N.Y.

He joined the Perth Amboy Evening News in 1912 and came to the Hudson Dispatch three years later. After service with the New Jersey National Guard and the Marine Corps in World War I, Mr. Mitchell returned to the Dispatch and in the ensuing years became assistant city editor and later city editor. He left the paper in 1923 to work for the New York Daily News.

Mr. Mitchell joined the Elizabeth Times in 1926 and in 1927 returned to the Dispatch as managing editor. He became editor in 1941.

With the Hudson Dispatch Mr. Mitchell conducted several campaigns for better law enforcement, stricter penalties for criminals and other causes. One campaign played a part in the enactment in 1937 of a state ban on fireworks.

He was credited with founding the Public Appreciation Fund which raised nearly \$124,000 for widows and families of Hudson County firemen and policemen killed in the line of duty.

He was a charter member of the West Hoboken Post 14, American Legion, and the Doric Lodge, F&AM, both in Union City. He was also a member of Summit Post 138 of the American Legion.

He leaves his wife, Mrs. Kathryn Burkard Mitchell; a son, Ashby John, a copy editor with the Elizabeth Journal, and a daughter, Miss Janice Virginia Mitchell, assistant director of St. Barnabas Medical Center, Newark, both at home; and three sisters, Mrs. Martha Payne and Mrs. Mildred Chebro, both of Bedford, Va., and Mrs. Sarah Jane Davis of Waterloo, Iowa, and a sister-in-law, Miss Charlotte A. Burkard of the home address.

# Rev. Ogborne, Overlook Hospital Chaplain, Dies

Rev. A. Roy Ogborne, of 121 Ashwood avenue, Protestant chaplain at Overlook Hospital, died Sunday of a heart attack. He was 43.

As Chaplain for the Overlook Protestant Chaplaincy Service, which is sponsored by 30 churches in the area, Mr. Ogborne called upon all new patients, notified their minister, priest, or rabbi, if desired, and was available at all times for spiritual aid to patients and their families, as well as to hospital staff. He also conducted regular Sunday services in the Interfaith Memorial Chapel.

Born in Bristol, England, Mr. Ogborne came to the United States at the age of 11. A graduate of Westminster College and Zenis Seminary, he was ordained in the Presbyterian Church in Valencia, Pa., where he served for two years.

Called into the United States Army in 1946, he served two years in occupied Japan, followed by two years as minister of the Fourth Presbyterian Church, Pittsburgh. Again a chaplain during the Korean War, he served on the Presbyterian Church Home Missions from 1951-56, after which he began special clinical training for hospital chaplaincy at the Episcopal Hospital. Mr. Ogborne came to Overlook in the fall of 1959. He was one of three such chaplains ministering to the sick in the state of New Jersey.

He was a member of Central Presbyterian Church in Summit, Conn. About 150 professional workers of the "Y" from Massachusetts, Rhode Island, and Connecticut will participate. The topic under discussion will be, "The Implication of the White House Conference on Children and Youth." Mr. Devenny attended the Washington affair last February as an official representative of the National Council of YMCAs. As chairman of the National Council Committee on Younger Boys and Girls Work and a member of the National Youth Program Committee, the local secretary shares with other secretaries and laymen in the policy direction of the "Y" movement in the United States. # Earl I. Lovely, Retired Police Lieutenant, Dies

Earl I. Lovely of 8 Hughes place, a retired police lieutenant, died of a brief illness Monday at Overlook Hospital. He was 61.

Lt. Lovely was born at Washburne, Maine, and was graduated from the Presque Isle Normal School there. He joined the Summit Police Department in 1932 and was promoted to detective sergeant in 1937. In 1940 he was made a lieutenant, the position he held until he retired from the force two years ago.

A veteran of both World Wars, Lt. Lovely served in the second World War as a chief yeoman in Naval Intelligence. He was a 33-year member of the American Legion Post 138, and a member of the Patrolmen's Benevolent Association, and the Holy Name Society of St. Teresa's.

He is survived by his wife, Mrs. Margaret McGrath Lovely, and three sisters, Mrs. Iona Goumage and Mrs. Doris Reinwald of Hamden, Conn., and Mrs. Pauline Rhodes of Putnam, Conn.

The funeral will be today from the Paul Ippolito Summit Memorial, 7 Summit avenue, with a mass in St. Teresa's Church at 10 a.m.

### Boro Zone Board Kills Plans for 100-Room Hotel

The New Providence zoning board last Thursday night killed plans for the construction of a 100-room hotel proposed for the Bischoff farm at the corner of Diamond Hill road and Mountain avenue by denying a request for a variance to build the inn.

The zoning board action was soundly backed by approximately seventy residents attending the meeting as well as the Township Committee of Berkeley Heights which previously had voiced its objection to the plans. The Bischoff property lies across the road from Berkeley Heights.

The backers of the project said that a survey of nearby business and industrial firms showed that the hotel was wanted and would be used by them. However at the hearing American Mineral Spirits Co. expressed its opposition to the plan and Bell Labs said it was "neutral." Many neighboring property owners also went on record as being opposed.

The hotel or inn was to be of a general one-story height, with one portion being two-stories. It would contain 100 rooms and would be of Colonial design. The builders of the hotel were not disclosed by the attorney seeking the variance.

The Boro zoning board stated that sufficient sites for a hotel or motel are available in the present business zone.

### Heights Library Back On Regular Schedule

The Berkeley Heights Library resumed its open-Saturday schedule on September 10, according to an announcement by Mrs. Frances Wrathall, director. Regular library hours are from 9 a.m. to 5 p.m. on Mondays, Wednesdays, Fridays and Saturdays, and from 1 p.m. to 9 p.m. on Tuesdays and Thursdays.

The children's room, which moved into new quarters in the library basement during the summer, will open at 1:30 p.m. on the regular schedule except for dinner-hour closing from 5 to 7 p.m. on Tuesdays and Thursdays. A side entrance to the children's room, which can be reached from the parking lot, has been provided.

### Best Launches New Drive for School Funds

A new statewide drive to secure public support for more state school aid was opened Tuesday by Leonard E. Best of Oak Ridge avenue at a meet-hold at a Trenton hotel. Mr. Best, a longtime leader in the fight for increased state aid and better educational facilities in New Jersey, is chairman of the new group.

The group, called the State-wide Committee on School Support, is sponsored by the N. J. Congress of Parents and Teachers, N. J. Education Association, State Federation of District Boards of Education and the N. J. School Superintendents Association.

For many years a member of the Summit Board of Education, Mr. Best last year headed the successful campaign for a \$65,000,000 college bond issue and in 1951 and 1952 he served as chairman of the N. J. School Aid Commission. He also has headed many citizen groups seeking better support for local school districts.

He is president of the Best Pencil Co. of Springfield and a past president of the Summit Rotary Club.

**HARD AT WORK**—With their work cut out for them, members of the executive board of the Summit Unit of the Morristown Junior League, are shown above going over the many details in order to get the group's program on the road for the forthcoming season. Pictured at a recent meeting are, left to right, Mrs. Archibald A. Smith, vice-chairman; Mrs. Zay B. Curtis, chairman; Mrs. Robert R. Rhodes, treasurer; Mrs. John Bangs, recording secretary, and Mrs. 1960-61 theme for the unit will be "You and Robert L. Strong, corresponding secretary. The Your Community."

### Local Man Gets New Post with Esso Division

B. A. Warren of 145 Canoe Brook Parkway has returned to the Esso Standard division of Humble Oil & Refining Company as general manager of the purchasing department.

He was assistant general manager until March of this year; then was assigned to the Humble division headquarters in Houston, Texas, as purchasing agent.

Mr. Warren and his family have been residents of Summit since 1938. He has been active in community affairs and has served as a deacon of Central Presbyterian Church. He is a member of Seaview and Canoe Brook country clubs and Lotos Club, New York City.

Mr. Warren has always worked in purchasing operations, since he joined Esso at its New York City headquarters about 37 years ago. He was named assistant general manager of purchasing in 1954. During World War 2 he was on loan to the Petroleum Administration for War and also served with the Foreign Steel Sub-

### Former Resident Notes 35th Year With Bell Labs

Farrand W. Webb, formerly of 50 Linden place, recently celebrated his 35th anniversary with the Bell Telephone Laboratories. Last January he was transferred to the branch laboratory located in Winston-Salem, N. C. to participate in the design and development of specialized electrical networks which are part of the Nike-Zeus guided missile system.

Mr. Webb joined the research department of Bell Telephone Laboratories in September, 1925 and contributed to the design of the artificial larynx which is an aid to people who have had their larynx removed. Later he transferred to the apparatus development department where he participated in the development of "channel filters"—those specialized electrical devices which make possible the simultaneous transmission of hundreds of telephone messages over a single pair of wires.

### Two Lose Licenses

The driver's license of Mrs. Jessie W. Skinnell, 52, of 2 Glen Oaks avenue, has been suspended for a 30-day period for violation of the 60/70 speed limit. The Motor Vehicle Department has reported. Charles W. Johnston, 31, of Glenside avenue was given a 60-day suspension under the point system.

### Wide Range of Activities In Store at Nature Club

Whether observing purple finch at a feeding station or climbing crags in search of hawks or sit entranced as hardier souls tell of their nature exploits each one has a place waiting for him in the Summit Nature Club. Fred Sacksteder, club president, in announcing the forthcoming program for the 1960-1961 series of meetings, sites a wide coverage of nature interests for everyone.

Activities center about five facets: club meetings when films by well known lecturers are focal interest, field trips nature study courses, a winter bird identification contest, and the famed Audubon Screen Tours sponsored by the club at the Celanese Auditorium.

Nineteen field trips have been scheduled with a weekend trip to Cape May on September 23-25 to see fall migrants, shore birds, and herons at Cape May Point, Stone Harbor, and surrounding areas. The rendezvous is at Cape May Solarium, Saturday at 6:30 a.m. and Lily Lake, 7 a.m.

### No Summit Area Pupils In New Trade School

Union County's first vocational-technical institute opened its doors Monday with an enrollment of 36 students, none of which are from Summit, New Providence or Berkeley Heights.

The school is operating in leased quarters in Union but plans call for construction of a school plant at a later date. The costs of construction and operation are to be prorated among the 21 county municipalities.

Summit has opposed this and contends that each town pay for any students attending on a tuition basis rather than a general assessment. Last week Berkeley Heights Township Committee also went on record as opposing the school and suggested to the Freeholders that the costs of building and operation be allocated among towns on a per pupil basis.

### Free Piloting Course Offered Boat Owners

A free piloting course for enthusiasts is being offered by the Watchung Power Squadron at Springfield Regional High School, starting September 26. Registration will be at 7:30 p.m. followed by classroom instruction. Meetings will be held each successive Monday night from 7:30 to 10 p.m. for a period of ten weeks.

Summit members of the Watchung boat squadron who are assisting in this educational service to the boating public are: Charles V. Brough, 22 Blackburn Place; Charles E. Burroughs, 82 Blackburn Road; Richard L. Corby, 20 Manor Hill; Robert Cowan, 15 Madi-

### Sublime Star—Where Did It Come From?

Gottlieb Daimler once said, referring to a star on his house, "A star shall arise from here, and I hope that it will bring blessings to us and to our children." A few years later his first gasoline-powered vehicle became an actuality. In 1885 it was named the Mercedes. And in 1909, the star was adopted as its insignia in tribute to the founder of the firm. Now, in 1959, over a half a century later, the three-pointed star of Mercedes-Benz is the hallmark of excellence on the roads of the world. But the blessings of that Gottlieb Daimler spoke got not "to our children" but to every owner of a Mercedes-Benz. These people are the beneficiaries of over 70 years' work to build the perfect automobile, the car of consciousness.

# Two Residents Win Top Aide Awards at Overlook

Two Summit residents won top awards at graduation ceremonies of the Overlook Hospital School of Practical Nursing held at Lincoln School last Friday night.

Mrs. Anneliese Huppert of 115 Kent Place boulevard, the mother of three sons, received top honors in "practice" and was among the highest in "theory."

Miss Mary Harboychuk received the award for "Did Most For School." She also had one of the highest averages in "theory" worked on the class book and was class treasurer. Miss Harboychuk lives at Overlook's Nurses Residence, and received her award from Mrs. Edna W. Dover, director of nursing.

The award for "Best All Round" student was presented by David Mugford, director of the Summit Area Junior Chamber of Commerce, to Miss Lorraine Smith of Haledon, again highest average student in "theory." Another Summit resident in the graduating class was Miss Corinne Bergmann of 252 Woodland avenue.

Highest award in "theory" went to Miss Diane McDougall of Mountainside. The awards for "theory" and "practice"

were presented by Dr. Donald F. Kent of Chatham, president of the medical staff at Overlook. Pins and diplomas were presented by Miss Virginia Carney, R.N., director of the School of Practical Nursing, and Mrs. C. F. Coddington of Murray Hill, chairman of the school's advisory board. Donald H. McLean Jr., Overlook Trustee, also officiated.

There were 25 members of the graduating class, all of whom have elected to stay on at Overlook to work as practical nurses. Having completed their year's course, they will next take the New Jersey State Board examinations for licensure.

Overlook's course, the first "live-in" school in New Jersey, is open to applicants with two years of high school or on passing an equivalency test.

The graduation address was given by Lee Hastings Bristol, Jr., director of public relations for the Bristol-Myers Products Division and known also as an educator, writer, composer, civic and religious leader. As a civic leader, Mr. Bristol is national campaign co-chairman of the American Nurses' Foundation for research funds, and contributes frequently to books and magazines.

**PROUD MOMENT** — The two Summit residents shown above at right won top honors Friday night during graduation ceremonies at Overlook Hospital's School of Nursing. Miss Mary Harboychuk, left, won the "did most for school" award, while Mrs. Anneliese Huppert, second from left, mother of three sons, won the "practice" award. The two are shown receiving their diplomas from Mrs. F. C. Coddington, Overlook trustee, while Miss Corinne Bergmann, a member of the graduating class of 25, looks on. # GOP Has Thin Edge as of Today in Statewide Vote for Congress Seats

By Kenneth Fink  
Princeton Research Service

Results of the latest statewide "trial heat" of voter preference by the New Jersey Poll completed this month show Republican candidates for Congress (House of Representatives) running ahead of Democratic candidates by a "slight margin."

Today's results are of special significance because they provide an excellent indication of the basic strengths of the two major political parties less than eight weeks before the all-important November 8 elections.

On that date, one U.S. Senate seat, 14 Congressional (House of Representatives) seats, and 16 electoral votes for President will be up for grabs in the Garden State.

Here's how the vote went in the state in a New Jersey Poll survey just completed with a representative cross-section of 1,000 New Jersey adult citizens:

The question: "If the elections for Congress were being held today, which party would you like to see win in your own Congressional District—the Republican or the Democratic Party?"

The results:

Statewide Vote for Congressmen	
Registered Voters Only	
Republican Party candidates	50.3%
Democratic Party candidates	46.6
Undecided-neither	3.1
With the undecided vote eliminated, the results are:	
Republican Party candidates	51.9%
Democratic Party candidates	48.1

In November, 1958, GOP candidates for Congress across the state picked up 50.35 per cent of the major party vote to the Democratic 49.85 per cent. In that same election, the Republicans sent nine (9) men to the House of Representatives from New Jersey to the Democrats, five (5). Today's findings would thus indicate that sentiment for Congressional candidates is just a bit more Republican right now than it was in November, 1958.

And while today's findings may offer some encouragement to GOP leaders in the state, it must be recognized that current sentiment for GOP Congressional candidates is less than it was in either the 1952 or 1956 Presidential elections as the following table shows.

Year	% GOP	% Dem.	R	D
TODAY	51.9%	48.1	9	9
1948	51.6%	48.4	9	5

1952 57.4% 42.6 9 5 seats not too good.  
1956 58.8% 41.2 10 4 Of special interest, too, is that in 1948, when Republican candidates for Congress picked up 52.6 per cent of the major party vote—about the same as today — GOP candidate Hendrickson won a U.S. Senate seat from Democratic candidate Archibald Alexander. (The New Jersey Poll predicted Hendrickson's victory that year.)

# YW Exhibit Features Rug Work by Local Resident

The first exhibit planned by the art committee of the YWCA will be a display of tapestries and rugs by Norma Andersen Fox of Karen Way, designer and weaver. The public is invited to view the display from September 19 to October 7 from 10 a.m. to 6 p.m. (September 26 and after to 10 p.m.).

Mrs. Fox, a prize winner, has had her original designs featured at many exhibitions including the Newark and Montclair Museums, Newark Arts Festival, Young American Exhibitions, and Ulster County (New York) Fair where she was awarded first prize for a rug. Her work has been described in art and home magazines, such as House Beautiful. Her most recent exhibit was at the American House in New York City.

Mrs. Fox's rugs are woven of wool with linen warp backing. She employs the Ghiordes knot, used for centuries in oriental rugs.

The YWCA is offering a creative embroidery and tapestry class with Mrs. Fox as instructor, which begin on Tuesday morning, October 4. This series of six lessons will teach new and adventuresome approaches to traditional embroidery stitches as well as tapestry techniques.

Planning the exhibit are Mrs. Edward Eriksen of Berkeley Heights, chairman of the YWCA art committee, Mrs. T. P. Prout, Jr. of Summit, Mrs. E. P. Pitman and Mrs. O.A. Shipley, Jr. both of Short Hills, and Mrs. W. J. Boney, YWCA staff member.

### Dates Listed for General Meeting Of Fortnightly

Mrs. Henry J. Peters, first vice-president and program chairman of the Fortnightly Club, has completed plans for general club meetings of the season 1960 - 1961. With the exception of guest night in March, all general meetings will be held at the Lincoln School auditorium at 2:30 p.m.

Scott Morrison, pianist, lecturer, and actor, will open the season on October 19 when he presents his "Constitution Concert". With scenery, makeup, and authentic costumes, he brings a new dimension to the composers.

On November 9, Vera Bacal will present her program, "I Spoke Russian to the Russians". Miss Bacal was sent by the U. S. to be fashion commentator at the American Exhibit in Moscow last year, and because she speaks Russian fluently, she was selected to interview hundreds of Russians for special stories.

The Christmas program on December 7 will honor all past presidents and by popular request, will again feature Philip J. Cartwright, bass-baritone, and J. Richard Sacremany playing the organ in a program of modern and traditional music called "Christmas is Many Wondrous Things". This will be followed by a Christmas tea at the club house.

Leona Mouton Nelson will present her "Reviews of the Current New York Plays and Musicals" on January 11. Presidents of the Seventh District Clubs will be guests on February 8 when Ardis Whitman speaks on "The Intelligent Woman and Her Problems".

On March 8, Houston Peterson, author and professor of philosophy at Rutgers University, will discuss "Good Books and Tired Brains".

Guest Night will be on Friday evening, March 24 at the Summit High School. Maynard Malcolm Miller, by popular request, will present his program of color photography and commentary on "The New Face of India". Following the performance there will be an evening of fun, refreshments, and dancing at the club house with E. A. Krieger as master of ceremonies.

The concluding program on April 19 will feature Emilie Jacobson, lecturer, actress, and journalist whose topic will be "Laughter - Freedom's Secret Weapon". Following the program a reception for new officers and a tea will be held at the club house.

Besides Mrs. Peters, the program planning committee includes the following: Mrs. Douglas A. Smith, vice-chairman and publicity; Mrs. Frank B. Stone, club calendar; Mrs. Arthur Briggs, Mrs. Nils F. Brandin, Mrs. Clark N. Breisch, Mrs. Andrew W. Clement, Mrs. Robert E. Kiehl, Mrs. Arthur G. Laird, Mrs. Homer P. Smith, and Mrs. George E. J. Sawyer.

The committee which will decorate the stage for all programs consists of Mrs. Arnold E. Linton, chairman, assisted by Mrs. James A. Betts, Jr., Mrs. Ernest Habit, Mrs. Lionel P. Hopkins, Mrs. Ole M. Hovgaard, Mrs. Edwin T. Kaiser, Mrs. David H. Knowles, Mrs. Harold E. Lester, Mrs. H. Edward Lindquist, Mrs. Walter C. Pitman, Mrs. John Scully, and Mrs. Frederick T. Vansant.

Entering Kalamazoo Miss Carol J. Renne of 17 Kendrick road, Tall Oaks, will enter Kalamazoo College, Kalamazoo, Mich. Miss Renne is a graduate of New Providence High School.

### Miss Denning Becomes Bride Of R. J. Tutela

The marriage of Miss Terry Denning, daughter of Mrs. Gerald Malmgren of Morris turnpike and William Robert Denning of New York, to Robert John Tutela, son of Mr. and Mrs. Tutela of Milton Court, took place on Saturday at St. Teresa's Church. A reception followed the ceremony at the Bow and Arrow Manor, West Orange.

Mrs. Tutela was attended by Miss Deborah McMahon as maid of honor, and Miss Theresa Mahony, Charles Dubs was best man while Robert Manigan was usher.

The bride is a graduate of Chatham High School, attended Middlebury College and will shortly receive a degree from NYU. Mrs. Tutela is a graduate of Columbia High School and attended Upsala College.

### Antiques Group Of Fortnightly Lists Schedule

The antiques department of the Fortnightly Club, under the chairmanship of Mrs. H. Edward Lindquist, has announced a fall-winter program for its members.

The opening meeting on Monday, October 24, will present Mrs. Madeline Baier, noted collector and lecturer, who will speak on "Lutz Glass" and show treasures from her collection, acknowledged to be the "finest" in existence. Tea will follow.

On Monday, December 5, Mrs. Earl Welch will be the guest speaker. Pursuing her subject, "Lighting Through The Ages," she will explain the history and functioning of specimens in her collection dating from the early Roman period to the 19th century. Members who own interesting and treasured lamps may bring them for discussion. Tea will be served.

At the first meeting of the New Year on Monday, February 13, Fred S. Shehadi, Jr., a third generation collector, will speak on "Oriental Rugs." He will bring with him examples of antique and semi-antique oriental rugs for comparison and study. Members will have the opportunity of bringing their own small oriental rugs for identification and discussion. The meeting will be followed by a tea.

The March meeting, on Friday, March 10, will highlight "Chinese Art." Dr. Paul Singer, a noted collector who has exhibited at the Oriental Institute, London; Stanford University, China House, New York and the Newark Museum, will show rare examples of the aged art of China in ceramics, metals, ivory, jade and semi-precious stones. Tea will follow the meeting.

"Barter Bargains," an afternoon of fun devoted to exchanging or selling antiques, on Monday, April 17, is reserved for department members only.

A field trip to Winterthur, the Henry Francis DuPont museum, Wilmington, Delaware, is planned for Wednesday, April 26, as the final event of the year's activities.

Committee members of the antiques department are: Mrs.

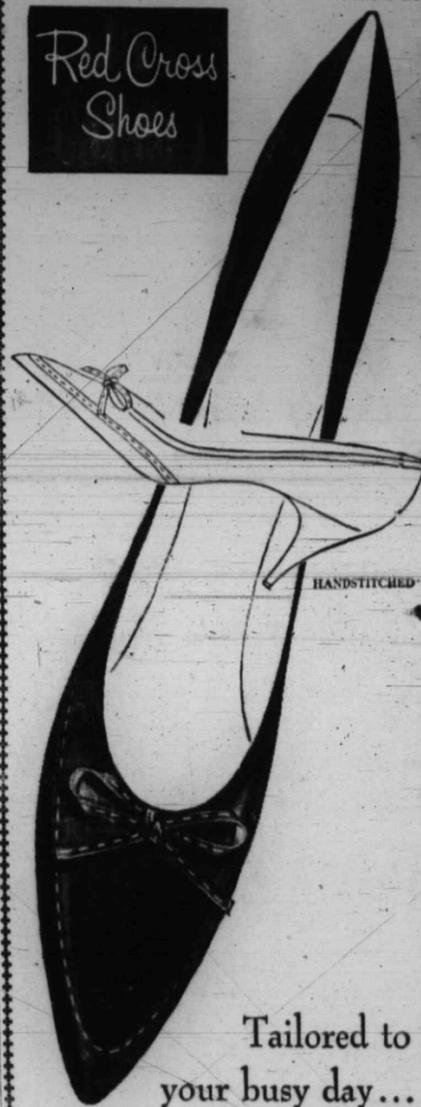

H. Edward Lindquist, chairman; Mrs. James A. Betts, Jr., vice-chairman; Mrs. William Franklin Kolyer, Mrs. Thomas Lenci, Mrs. Clarence Marvin, Mrs. John Alden Hall, Mrs. Frank Helander, Mrs. Philetus Holt, 2nd, Mrs. Alexander Keller, Mrs. David Knowles, Mrs. Franklin Kolyer, Mrs. Thomas Lenci, Mrs. Clarence Marvin, Mrs. Walter Schormann, and Mrs. Robert Volkening.

**Begins Sophomore Year**  
Miss Nancy Lee Jaycox, daughter of Mr. and Mrs. Edwin D. Jaycox of 11 Montrose avenue has begun her sophomore year at Russell Sage College, Troy, N. Y. She is a home economics major.

**Classes Resumed**  
(Continued from Page 1)  
of Connecticut, has joined the Kent Place English department. Miss Mather received her B. A. degree from Wells College. Mrs. Andrew B. Martin who resides in Berkeley Heights, will assist Mrs. Rachel Bell supervisor of the primary school. Mrs. Martin received her B. A. degree from Stanford University and continued her studies with a special course at the University of Heidelberg, Germany.

**New Music Instructor**  
In the music department, Miss Frances Mains joins the upper school faculty this fall. A graduate of the New England Conservatory of Music, Miss Mains has also studied at the Juilliard School of Music and Hunter College and received her B. S. and M. A. degrees from Teachers' College at Columbia University. Mrs. Sydney Bradford, a resident of Morristown, will teach music in the middle school. Mrs. Bradford graduated from Western College in Ohio with a B. A. degree, and received her M. A. degree at Radcliffe College. Another new member of the Kent Place music department, Mrs. Phyllis M. Carlini, attended the Juilliard School of Music and was a graduate member of the faculty of the Manhattan School of Music. Mrs. Carlini, a resident of Summit, will be musical instructor in the primary school.

The physical education department will have two new members this fall, Miss Shirlee Ann Prescott, a resident of East Orange, who received her B. S. degree at Russell Sage College; and Mrs. John W. Kempson who resides in Short Hills and will head modern dance in this department. After graduation from the New Haven College of Physical Education, Mrs. Kempson, known professionally as Emille Saries, has studied with Martha Graham, Doris Humphrey, Hanya Holm, and at The School of American Ballet, Mrs. Kempson

was the Founder-Director of Emille Saries School of The Dance, South Orange. Mrs. Katherine E. Millard of Charlotte, N.C., joins the school this fall as director of household services. Among Mrs. Millard's previous positions was her recent service as house supervisor at The Lawrenceville School.

Also a resident of Charlotte, N. C., Miss Virginia L. Cox, R. N., comes to Kent Place as the new director of infirmary. Miss Cox is a graduate of the Presbyterian Hospital School of Nursing.

The Kent Place campus and buildings have been thoroughly readied for the new school year with redecoration and renovation inside all of the buildings. The new school building and the adjacent site changes have been under construction and in progress during the summer months. It is anticipated that the new building may be occupied for the last part of the second semester next spring.

**Garden Group Of Fortnightly Lists Schedule**  
The fall program of the garden department of the Fortnightly Club will open October 21 with a lecture by Mrs. Frank Ruggles on "Decorating with House Plants."

At the following meeting, to be held December 9, a "Christmas Greens Show" will be featured and members will participate by making tray corsages for mental hospitals as well as holiday decorations for their own homes.

"Home Garden, Ideas from Abroad" will be the subject of the February talk by Miss Alice Dusan, while in April, Mrs. Peter O'Brien, wildlife photographer, lecturer and field trip leader, will present an illustrated lecture, "Caribbean Adventure." In addition, in April, there will be a conducted tour to the Brooklyn Botanical Gardens.

In addition to the regular meetings, classes will be offered in both flower arranging and horticulture. Flower arranging classes will start September 30 under the leadership of Mrs. David P. Barry of Summit, well-known teacher and flower show judge. Enrollment will be limited, and classes will be for both beginners and advanced pupils. Reservations are already being taken for the classes, which are four in number, the others to be held on October 14, Nov. 4 and 18. Those interested should contact Mrs. Henry Tappen, Dr. 9-5271 or Mrs. Julian Miller CR 7-1189 in the near future.

Horticulture classes are scheduled for January and February when Richard Walter, supervisor of parks at Maplewood and teacher of gardening in the adult school of Maplewood and South Orange, will cover the more important phases of gardening.

Following him, Eric Peterson will conduct a seminar on lawns.

**Hood Freshmen Entertained by Alumnae Group**

## Local Student Reads Gridders At Middlebury

Middlebury College's football captain, Bill Butler of this city, is listed among the east's outstanding linemen in a football forecast article being carried in the current issue of a national magazine.

The 206-pound Middlebury senior is one of five New England small college linemen noted as "Eastern Stars" in the

21st annual prediction report written by Fred Russell for the "Saturday Evening Post." Russell, sports editor of the Nashville (Tenn.) Banner, ranks the Middlebury team ninth among 23 New England small college teams in the same article. He predicts that Syracuse will retain its rank as the East's best major football team and picks Harvard to win the Ivy League crown.

Butler, an outstanding two-way player for Middlebury a season ago, was named to the center position on several "All" teams at the end of the 1959 season. In addition to All-State honors, he was an honorable mention on the Associated Press All-New England and was a second team choice on the United Press International's Little All-New England.

A graduate of Summit High School, he is the son of Mr. and Mrs. Edward M. Butler of 200 Oak Ridge avenue.

## Nigro Bowlers Hold Lead in Women's Loop

Nigro bowlers head the New Providence women's bowling league with four other teams clustered in ties for second place as a result of last week's matches. Nigro downed Colonial Pontiac with Camille Fricke's 309 smoothing the way. Tad Phillips of Colonial was high for the losers with 434.

In other matches Joseph Church keglers trounced William's Market with Janet Gaffney's 482 tops for the winners and Lois Callahan's 469 the best for the losers. The Family Shop defeated Center Stationers sparked by Fran Schmidt's 438 for the victors. A 417 rolled by Nancy Edwards was high for Center Stationers. A & E TV triumphed over County Cobbler aided by Trudy Niede's 445. Vita Tragano's 377 was high for the losers. Plaza Lanes, spark-

ed by Ginger Ale's 490, beat Wayne Bakery. Helen Bascom with a 446 was high for the losers.

## Werner Keglers Push Ahead in City Men's Loop

Werner Motors held a one-game lead in the City Recreation Bowling League by defeating West Penn Oil in last week's matches. Mosso's 534 was tops for the victors while Donio's 396 was high for the losing club.

Highlight of the session was Larry's victory over Charline, defending league champions. Larry took two games from Charline and Jack Lawrence by striking out in the first game blocked Larry from a sweep. Frank Allen, Joe Barier and George Galbavy were the three top bowlers for Larry, with 592, 593 and 583 respectively. Dick Sabra's 593 had the top three games for Charline.

In other matches Sunrise Dairy toppled Twill with Geddis' 396 high for the milkmen and Vohnoutka's 374 the best for Twill. Maben Insurance Agency downed CIBA with a big boost from Patrick who rolled a 615 for the winners. Wengert's 538 was the best for CIBA.

Replacements in the year to date are, Pete Immacola for Werner, Jim Luciano for West Penn Oil, Vohnoutka for Twill, Tom Reynolds with Sunrise Dairy, Al Wengert with CIBA, Werble and McNally joining Maben, and Jack Yarns with Larry's Cycle.

Root's Men's Shop relinquished its franchise to Sunrise Dairy.

## Injuries Seen Affecting Senior High Grid Opener

Injuries to key players are hindering Summit High's grid team in its efforts to prepare for the opening game against Roselle Park on September 24. Sol Steplight and Mike Murrillo, who are being considered for starting roles as halfbacks, both missed last week's scrimmage against Rahway and Union. Steplight has a knee injury and Murrillo has an ankle injury. However, both are expected to report for practice this week.

Judging from last week's scrimmage and practice sessions it appears the team will do its share of scoring, but the problem will be whether or not it can keep the opposition from scoring more. The backfield spearheaded by the passing, running and faking of Mike Papio, the hard running of Dave Gregory, Mike Murrillo and Roy Chapman, and the break away threat of Sol Steplight is expected to produce plenty of points.

The offensive line whose job it will be to open the holes will include Dick Grube at center.

## Several Trophies Won By Family at Yacht Club

Four members of the Arthur A. Lange family at 7 Portland road have received awards and trophies in the closing activities of the Lavallette Yacht Club, Lavallette.

Son Artie won first place in the Barnegat Bay Yacht Racing event, received a Sunday Championship Trophy and a special trophy for the last Sunday in the Sunday series. Another son, Robert won a trophy for placing second in the Wednesday Junior championship as well as a Junior Red Cross Life Saving award.

Daughter Joan won the Winkelman Trophy and plaque to Juniors awarded to the junior who had done most for the club. Mr. Lange was awarded the vice commodore's flag as one of the 1961 club officers.

## Adult School Staff Has Three from Area

Three Summit Area residents will be teaching courses in the Madison-Chatham Adult School which begins its first term on September 28.

Boris Murumets will teach a course in Russian for those having previous instruction in the language and Neil Koppel of the High School faculty again will teach typing. Mrs. Jane Nast of New Providence will teach copper enameling and printing techniques.

## Wins Golf Trophy

Edward J. Heft of 34 Ashwood avenue was presented with a trophy at a recent dinner of the Jersey Central Power & Light Company's central division golf league for second place low average. Heft has been a consistent winner in the league for the last three seasons. He is a layout man at the Summit office of the utility.

Ancient Celts believed firgelm-nots were a sure cure for bites of serpents and mad dogs. Hundreds of years later firgelm-nots were used in poultices for sore eyes.

## Windhorst and Balish Tied in Girls' Bowling

A two-way tie for first place has developed between Windhorst Liquors and Balish & Son in the Recreation Commission's women's bowling league as a result of last week's matches. Balish trounced Charline by taking all three games for a total of 1,599 against Charline's 731. Lee Ruth with a 390 was high for Balish while Gladys Rudolph's 580 was top for the losers. Charline was unable to enter a full team and was represented by only two players, the other spots being blind.

## High Hopes For Senior High Soccer Squad

A strong nucleus of players, including eight lettermen will return for this year's Summit High School soccer team schedule which begins on Tuesday at Montclair. Of the eight lettermen, five are starters.

The starters include Frank Brita, center-forward, who was last year's top scorer for the team; Mark Perry, fullback; Tom Brown, center-half Skip Caine, inside-left, and Wayne Howe, goalie. Other lettermen expected to play strong roles this year are George Halmos, Tom Rogers and John Rosetti.

The first home game of the season will be played at Memorial Field on Tuesday, September 27 when the team entertains Verona.

## Boro Man Gets New Post with Chemical Firm

The appointment of Robert F. Bowman of 14 Newcomb drive, New Providence, as assistant sales manager for basic industrial chemicals of Allied Chemical's General chemical division has been announced by Frank J. Woods, director of sales.

With the division 20 years, Mr. Bowman was previously manager of General's Philadelphia and Denver sales offices. Earlier, prior to military service from 1944 to 1946, he served in the Los Angeles and San Francisco sales offices, and was a technical supervisor at General Chemical Defense Corporation, Point Pleasant, West Va., which General operated for the government during World War 2.

Mr. Bowman holds a B.S. degree in chemistry from the University of California (Berkeley).

## YMCA Girls in Romp On Club Swim Circuit

Summit's YMCA girls swim team hit the country club circuit last week to close out the outdoor season with another pair of scintillating performances.

They parlayed two national age group record-breaking performances into nine of 15 medals awarded at the Colonia Country Club's open age group races of Wednesday and captured both senior women's championships held at Canoe Brook Country Club's AAU finale on Saturday.

At Colonia, Summit's outstanding 13-14 medley relay quartet of Ginny Duenkel, Mary Swift, Judy Dinsden and Pam Richter posted a brilliant 5:29.8 to capture the 400-meter race by 40 meters. The time easily surpassed the listed national age group record of 5:38 and the N.J. AAU senior women's record of 5:43.8 for the event.

Susan Pitt posted a 1:19 clocking in chasing Carol Gantner of the Watching Swim Club to a new national record of 1:18.2 in the 100-meter butterfly for girls 11-12. Both girls were well under the standard of 1:21.9 set by Marcia Leader of California last year. Miss Pitt, undaunted, then pulverized the senior women's 200-meter butterfly record of 3:19.4 in winning her first N.J. AAU senior championship at Canoe Brook in 3:04.6.

Ginny Duenkel recorded her fifth outdoor senior championship this time at 200 meters backstroke in the same meet with teammate Pam Richter a surprise second. Capture of the two senior women's titles brought the Summit outdoor total to nine. North Jersey S.A. captured six and the Watching Swim Club together with the Shore Area Y, one each.

Other Summit medal winner in the five girls' events at the open age group meet were: Joanne Griem and Lida Eitnesperger 1-2 in the 100-meter free-

### Summit Estates

(Continued from Page 1)  
 that the problem was a health hazard and not a local improvement, whereby the individual homeowners would be responsible for costs through assessments.

In explaining the city's legal position, Mr. Thornton pointed out that as a result of resident complaints and city investigation, the Horton Corp. had been advised that plans for alleviation of the problem were to be submitted by August 22 and that work was to be started by September 1. Since neither request had been complied with by the builder, the city had instituted court proceedings for forfeiture of the bond.

Mr. Thornton added that neither the streets or the drainage sewers had been accepted by the city and that because of default of the firm's obligations, papers had been served in the developers Tuesday.

B. J. Rosner of 8 Stockton road suggested that Council determine where the developer is building at the present time and advise the governing body of that community of his alleged failure to uphold his responsibilities here.

**Wanted Yule Occupancy**  
 In response to a question as to why the city had issued certificates of occupancy, Mr. Negus said that shortly before Christmas, the Horton Corp. requested the permits in order to enable residents to move in before the holiday season. He added that the certificates had been issued in "good faith" that the necessary drainage work would be completed.

While noting that the city would have to pass such an improvement as a local, rather than general one, Councilman Gilson pointed out that the city "did not expect" to lose the law suit for the bond, and that costs of correction would be paid for from the bond money, since the bonding company would only permit use of the amount needed.

A Stockton road resident indicated that he thought the local building codes were "arbitrary" since no provision was made to prohibit a builder to cart away top soil or to build foundations below street level.

In answer, Mr. Gilson pointed out that it was against the law to take away top soil, and that if such action could be proved, it would be a city violation. Mr. Negus indicated that top soil had been carted away during construction but had been returned to the site. Residents argued however, that the top soil had not been returned and was still at the builder's Springfield property, and in addition, causing its own drainage problem. Mr. Thornton requested that Mr. Negus' department immediately investigate the matter.

### \$156,000 Boro Church Addition Gets Approval

New Providence — A new \$156,000 addition to the Presbyterian Church here was approved Sunday at a corporation meeting following worship services. The Building Committee and Board of Trustees were authorized to begin construction immediately. Ground is scheduled to be broken by December 1st and final occupancy on September, 1961.

Architect is Walter C. Pfeiffer and a 1/8 inch to-a-foot scale was made by Walter Hartig, a member of the Building Committee.

Robert F. Denig, chairman of the Building Committee described the new addition as adding 12,000 square feet of new construction on three levels and connecting the parish house and sanctuary and project about 50 feet beyond the church toward the new parking area to the west. The plan provides for a main entrance from the parking area to the lower floor of the new west wing, and improved emergency exit facilities for all floors of the church, parish house, and new building. The design will harmonize with the architecture of the historic colonial church. The present parish house under the proposed plan will be remodeled to provide a colonial facade in keeping with the church and the new building.

The floor plans provide for 23 large, well-lighted church school class rooms plus an auditorium with a capacity to serve about 300 persons at dinner or 450 in seats, a new re-located kitchen adjacent to the auditorium, a minister's study, church administration offices, a church parlor, improved toilet facilities, new storage space, a new heating plant which will be zone-controlled to serve all of the buildings. Provisions for a new chancel for the church have been included and ultimately will provide an adequate choir area and will make possible the addition of about 50 new seats in the nave.

At the corporation meeting F. T. Andrews, Jr., chairman of the finance sub-committee reported on the good progress

At the corporation meeting F. T. Andrews, Jr., chairman of the finance sub-committee reported on the good progress

made towards the pledged goal of \$145,000 for the building expansion program. Other members of the committee describing aspects of the building program at the meeting were Walter Hartig, chairman of the Grounds Sub-committee, Thomas L. Harrocks Jr., chairman of the Structural Sub-committee, and Eugene M. Haring, member of the Grounds Sub-committee. Charles T. Hamilton, superintendent of the Church School, and S. Earl Church, chairman of the Christian Education Committee were enthusiastic concerning

the way in which the proposed addition and changes will serve the operational needs of the church school.

The nation's highest paid judge is not Chief Justice Earl Warren, who earns \$35,500 a year, or the chief justice of New York State's highest court, who earns \$39,000. He probably is the probate judge of Hartford, Conn., who last year netted \$42,056 in fees, the American Judicature Society Journal says.
