ALOHA!

At the end of the school year in June, after the senior issue of THE ECHO came out, there were a number of staff retirements and changes. We would like to take this opportunity to pay tribute to those teachers who gave us a grand total of 255 years of dedicated service.

To Mr. Bell, Ms. McCaig, Mr. Schwartz, Mr. Schroter, Mr. Straut, Mr. Rein, Mrs. Sloan, Mr. Murray, and Mrs. DiPalma, the guidance secretary, we give you our thanks for all you did for us and all the years you worked to make WHS a great school. Your years of hardwork, educational knowledge, and high standards helped many a Warrior get a great start in life. You have our thanks, but most importantly, our respect for your efforts.

Who can walk into Guidance and not expect to see Mr. Bell amid his Coast Guard photos pinned to his office walls; or Mrs. DiPalma generously taking her time to seek out our GPA's or class rank. The chorus room sounds just a little less tuneful this year without the ever-humming presence of Mr. Schwartz; and Mr. Straut, in full uniform, setting off to do his Army training camp requirements each and every year. How can our day ever be the same without the twenty-syllable words and bowties of Mr. Schroter, or Mr. Murray singing Irish tunes and reciting poetry to us. The library is really vacant without our "Ma", Mrs. Sloan helping us find something that we could never have found without her. How can we survive without the challenge and fun of Ms. McCaig's math classes? And there goes our Hollywood connection as Mr. Rein and his classic autos leave us for greener pastures.

We don't want to neglect Mr. McPartland who gave us something special in band. We wish him well too.

We have a lot of new faces to fill in the gaps left by these retirements, but somehow things just don't seem quite the same. We welcome all of our new staff, but we miss those who have gone before. Goodbye to all of you and good luck. We won't forget you.

"You are a child of the universe, no less than the trees and the stars. You have the right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. ...Therefore be at peace with God, whatever you conceive Him to be; and whatever your labors and aspirations, in the noisy confusion of life, keep peace with your soul. ...With all its sham, drudgery and broken dreams, it is still a wonderful world. Strive to be happy."
