The Past is now behind us the future's almost here, our days here have been counted and the end is very near.

The years here have been a journey each different from the rest,
From acing the test to winning a game and knowing you gave it your best.

Now the time has come to each make our separate choices, to be our own individuals to have our own seperate voices.

We each will choose a different road that will lead to different places, to settle down in a different world filled with unfamiliar faces.

No matter where the roads will lead us following each curve and every bend, we'll always look back and remember our memories and all of our friends.

So clap your hands and let out a cheer
The time has come, it's finally here,
Reach out your hands
"The World is Mine"

CONGRATULATIONS CLASS of 99

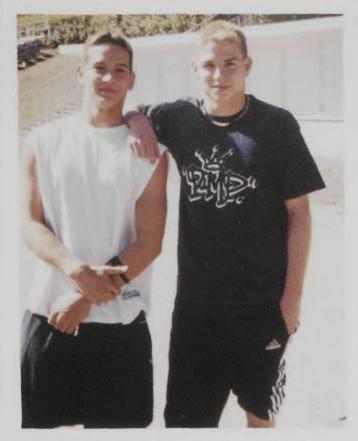

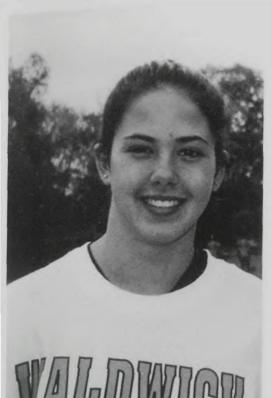

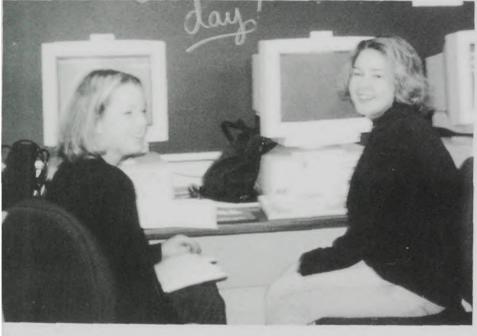

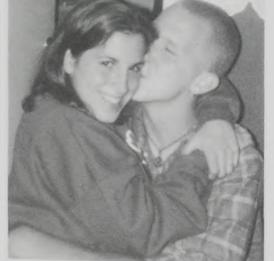

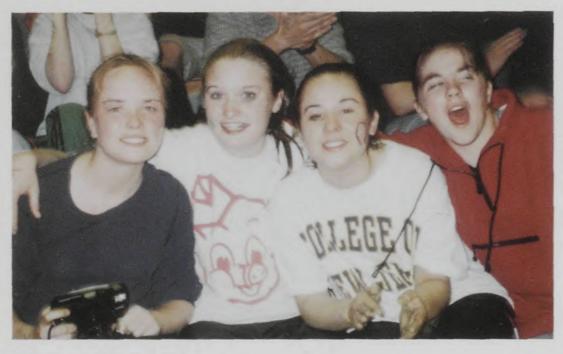

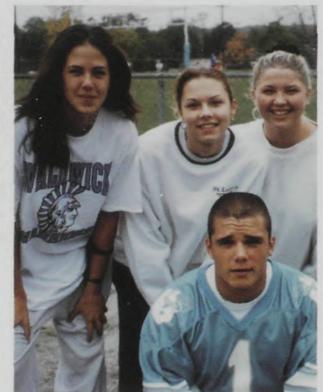

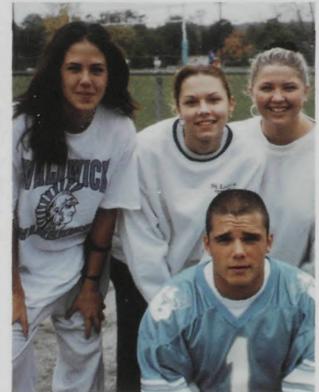

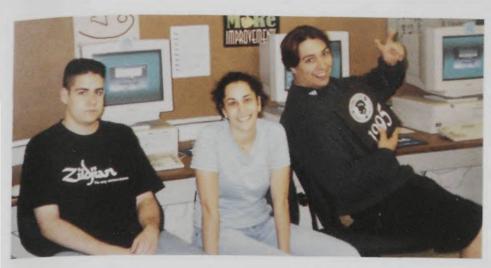

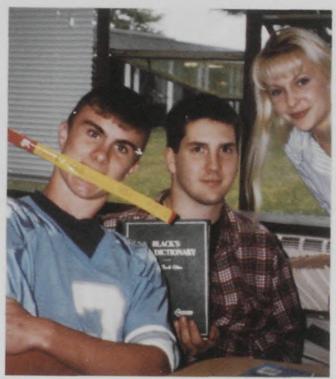

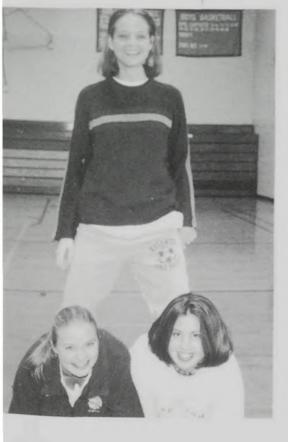

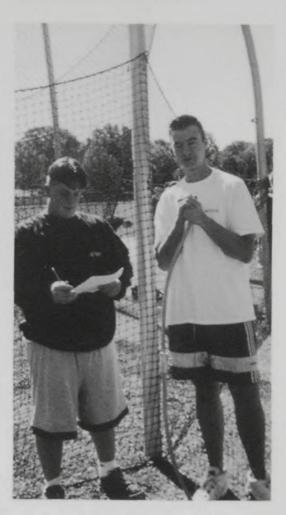

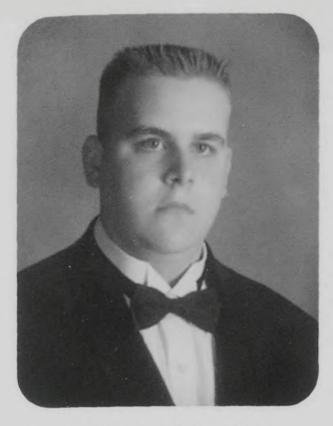

Message to the Class of 1999

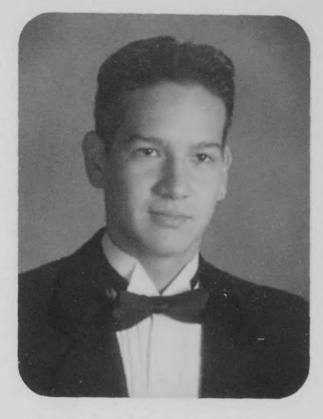

The Class of 1999 has a special significance for me because you are the first graduating class that I have worked with since becoming Principal of Waldwick High School. Even though we have only spent one year working together, I believe that I have gotten to know a good number of you as students, but more importantly, I have gotten to know you as young adults. You have helped make my first year at Waldwick a meaningful and special one. I know as individuals and as a class you have a bright future ahead of you. I wish you all the best that life has to offer. Set your goals high but attainable and then strive to meet them. In my senior year of high school one of the teachers wrote in my yearbook, "may you never be content". As I grew older I came to understand the meaning of his message. It meant never settle for what is easy, strive for a higher plateau, and the best you can be. This message is my gift to you.

For the boys' and girls' basketball team this year, their hard work and dedication paid off. Both the boys and girls teams had their most successful seasons in many years this winter. Not only did they both achieve their best overall records in several years, but they also both made it to the state sectional championship games. As the longest season in high school sports, it took a lot for these athletes to keep up their high spirit and intensity. Each team worked very hard all season and took pride in all the dedication from their fans at every game.

With junior starters Greg McBain, Kyle Jordan, Mike Boswell, John Riccobono and sophomore Doug Egan, the Warrior boys got off to a good start in the season. Later joined by starter Bob Broderick along with the key players Craig Luebeck, Kevin Morrow, and John Guglielmotti, the boys took home the league title along with their first state sectional title in 25 years with a win over Glen Rock 49-48. With the intense coaching by Mr. Paul Puglise and assistant Mr. Kevin McBain, they then proceeded to play for the North 1 Group 1 championship, but lost to the eventual winners of the entire group 1, New Providence.

The boys are looking forward to next year's season and having all of their returning starters and once again taking the state sectional crown along with a whole lot more.

VARSITY

Top row: Coach Tracy D' Annibale, Eileen Barthold, Jaime Mehnert, Kristina Lambrinides, Erin Magee, Rachel VanWyckhouse. Bottom row: Rosanne Rizzo, Allison Ryan, Kelly Smith, Alison Stanziano.

The girls had their best season since the arrival of their four-year head coach Ms. Tracey D'Annibale. With senior starters Rachel VanWyckhouse, Erin Magee, and Kelly Smith, the team had strong leadership and determination to have their best season ever. With the help of sophomores Kristina Lambrinides, Alyssa Stanziano, and Alison Ryan, the team slowly climbed their way up to the top of their league taking second place under Paterson Catholic. The girls proceeded on to the state sectional championship against Emerson who they lost to in the county tournament only weeks before. The girls went in with determination and confidence, but after a slow start, the loss of players to injury, and a comeback that made the 21-point game an 8-point game, the girls again faced disappointment of being defeated by Emerson. Despite their loss, though, the girls held their heads high and remained proud of themselves for getting this far in their season.

Though the boys' and girls' teams both eventually came to the end of their season, their losses never diminished their success or the pride of Waldwick High School. The unrelenting support of the fans and constant cheering kept the players in high spirits and full of confidence to continue each game to the best of their ability. Without the support of the school, teachers, coaches, cheerleaders and parents, they would never have gone as far as they did.

Congratulations to the boys' and girls' basketball team for an outstanding season!! Good luck next year and keep up the good work.

Dear Matt:

May 15, 1981 became a day of revelation for us. As parents we learned that our unconditional love could extend beyond our wildest dreams. It has been a pleasure to watch you develope into the person you are today.

These past 4 years have gone by so fast and we have watched you show some new and surprising strengths. We never doubted your athletic ability, but your role as a leader on the field impressed us and made us proud.

Your "tough guy" image was shattered many times over as you showed sensitivity in numerous situations.

Always keep that gleam in your eye, the smile on your face and your sense of humor. Your ability to make us laugh is what makes you unique and endearing to our family.

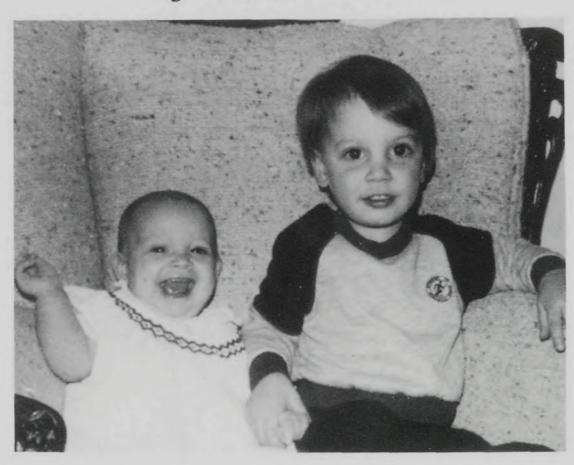

Dan and Alex want to add: "remember to know your role and shut your mouth!!!"

We love you.

Mom, Dad, Dan '95 & Alex '04.
