Letters to Students

- Principal -
Mr. Kevin Carroll

Your years here at Walldwick High School hopefully provided you with a sense of values and beliefs that will help you develop into successful and happy individuals. However, the knowledge and skills you have learned do not automatically make you a success. It is how you use them that will make all the difference. Always give your best effort and take on every challenge that comes your way. We will be watching you from afar admiring your spirit and growth. You will be a reflection of all our hopes and dreams.

Thanks for the memories. Best of Luck!

Mr. Carroll

Letters to Students

- Vice Principal -
Mr. Michael Clancy

Four years of your high school career have come and gone in the blink of an eye, but the relationships and friendships you've gained will last a lifetime. You will forever have a place in the halls of Waldwick High School.

Congratulations on your accomplishments and thank you for letting me be a part of it.

Mr. Clancy

CONGRATULATIONS GIRLS ON A GREAT SEASON!!!

The Girls Varsity Soccer Team of 2008 was one of destiny. The girls worked hard and as a team they achieved what no other girls soccer team in Walldwick history has ever achieved. The girls became sectional and state sectional champions. They were just one game short of becoming State Champions. However, they still claimed the North State Championships and ended with a record of 17-8. They were led by captains Mimi Kocela and Gina Mazzariello and co-capt. Meredith Dickinson, Jess Leonard, and Katelyn Connelly. Their 1st year head coach was Santiago M. Salme.

Organizations

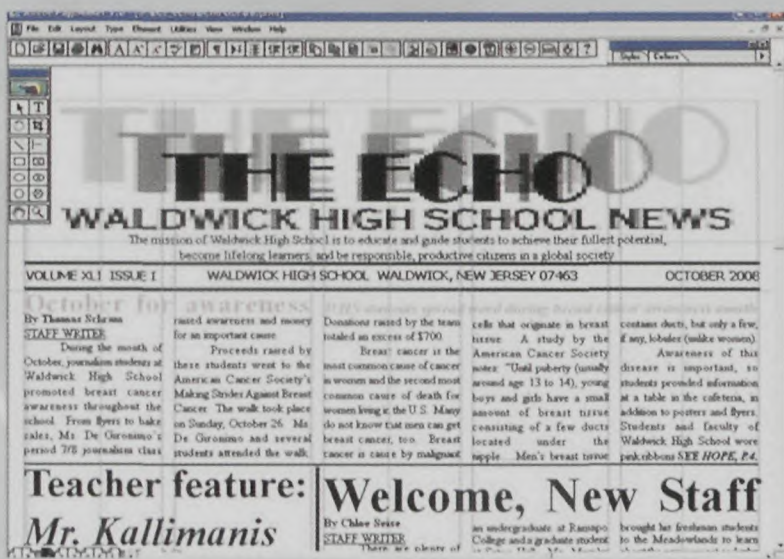

Yearbook

The Waldwick High School Yearbook Staff is making history for the second year in a row. This year we are providing the seniors with an 8-page supplement to be mailed at the end of the school year. This supplement will contain this year's Prom, Graduation, Grad Ball and Senior Trip photos, providing a wonderful exclamation point to this book. The staff, led by editors Casey Pizappi and Tatiana Perez, worked extremely hard this year and this excellent edition is a testament to the staff's dedicated efforts. My sincere thanks to a great staff for your hard work, dedication and long hours. It has truly been a pleasure working with you all. Mr. D

Students have also been able to participate in activities such as movie nights and the 3rd annual Powderpuff game. The Student Council is a club where students have the ability to give their opinion on what happens in the school.

Decathlon

The purpose of the United States Academic Decathlon is to promote learning and academic excellence through teamwork among students of all achievement levels. The competition is comprised of ten events spanning all curricular areas from art to math to history, as well as speech, interview, and essay. Waldwick boasts a long tradition of excellence in Academic Decathlon, ranking as one of the top schools in New Jersey by winning several divisional state championships. We look back with pride at our teams history and look forward to more success in the future.

History Club

The History Club was organized last year for the benefit of students who have a passion for history. Our mission is to make the exploration of history enjoyable as well as educational. This year, we have enjoyed movies such as "The Patriot" and "Glory"; we have listened to first hand accounts from World War II veterans, we have heard speakers from the Bergen Historical Society and we capped our year off with a tour of historical Philadelphia.

Summertime

Summer is the best time of year
For this there are many reasons.

It is the warmest time of all,
Sunnier than all the other seasons.

Swimming is so much fun to do,

And the sky is always blue.

It is never too cold for shorts,

Or flip flops of all sorts.

Flying To You

This feeling inside I'll never get past,

Pain in my heart is completely vast.

The rate you left me was way too fast.

I'll only be healed when we meet again at last

I see it all here, your bed, your clothes.

As I watch them, I fill with woes.

The day you left me my heart froze.

Now you are gone in a never-ending doze.

Without you and your love my heart is bare.

Living like this, I don't have any air.

You left me alone, it's not your fault, it's not fair.

I need to find you, but you're nowhere.

So hurt inside, no reason to sing.

Can't come to find you, I broke my wing.

Tried to look, but kept falling.

Waiting to see what God will bring.

By Gabriela Terlemezian

We are told that we cannot

Creative juices blocked like a blood clot

Screaming, shouting, yearning for originality

Told to stop and change our mentality

Its the masses who control

And most follow, blind as a mole

But hope lies in the individual

And their life thats theirs to fulfill

PAAC

PAAC is an organization that tries to improve the environment. We are going to be working on cleaning and maintaining the courtyard. Additionally, we have participated in a beach sweep of the Sandy Hook National Recreational Area. This usually occurs in April and we are planning on attending. In years past we have helped clean the area of a wide variety of debris, that includes personal care items, bottles, cans and syringes, to name a few. This is a small group and we try to do what we can.

Heroes and Cool Kids

Heroes and Cool Kids is a peer organization composed of 10th, 11th, and 12th grade students who are involved in sports. These students are trained by a national organization of professional athletes to mentor younger students by providing them with character education in a positive, fun format. High school students who are athletes use their athletic experiences to learn valuable life lessons which they pass on to the 5th grade students. Members of this organization are trained three times and make three elementary school visits. Topics cover transition to middle and high school, conflict resolution, sportsmanship, bullying and substance abuse. It is required that students be nominated to participate in an application process prior to being accepted.

Photography

The 2008/2009 WHS Photography Club was very active. The club went on two field trips to Liberty State Park in Jersey City and to Rockefeller Center and Times Square in New York. Club members were given the opportunity to display their work in the Waldwick Public Library, with a special exhibit by senior Clara Brunkhorst.

Chess

The Chess Club is a very popular club advised by Mr. Noschese. A group of talented chess players meets after school to compete against each other. The Chess Club is open to anyone in the high school.

Drama

WHS Drama Club is open to all high school students. As part of the Drama club students have the chance to learn every aspect of theater, from acting, singing and dancing, to lighting, sound, costume making and set design. Drama club puts on three productions per school year. In the Fall of 2008 the club put on "The 4th Annual Fall Musical Revue Disney Part 2". The Spring Musical "Back to the 80's the totally awesome musical!" was a great success bringing high school life in the 1980's to life on the stage. The WHS Drama Club also put on the Spring Play which is done with the Theater Arts Workshop class.

Chorus

WHS Chorus is a group of students from grades 9-12. By being part of the chorus students enhance their musical knowledge through lessons in music theory, sight-reading and overall choral technique. The chorus performs two concerts during the school year and sings for community events, and takes part in Bergen County Teen Arts Festival.

Ski Club

This was the first year for the Ski Club. We had about 32 members who went on four trips beginning Thursday January 8th and continuing every Thursday throughout the month of January. They attended Mountain Creek Ski Resort. Each week three teachers and one parent would take turns as chaperones. Mr. LoProto, Ms. DeGironimo, Ms. Sacci, Mr. Ratay and Ms. Clarke were among the teachers who volunteered their time for this new activity.

Kayla Lipari

Dear Kayla,

Congratulations on graduating from WHS. My God, where did the time go? It seems like only yesterday that I was walking you to your first kindergarten class. You were a small, timid little girl then, but you have grown into a beautiful, bright, intelligent, and fun-loving young woman with all the potential and drive you need to take on whatever challenge life has to offer.

I am so proud to say that I am your dad.. Whether it be taking you to a square dance, watching all of your sports activities, or just talking to you on a quiet evening at home, I have enjoyed it all. I used to say to you that you were going to be something special when you grew up. Well I was right because you are something special, to me and to all of your family and friends.

It may seem sad that high school is now over but as one door shuts another door will open. After college, yet another door will open. You have a wonderful life ahead Kayla. You deserve it, go after it and reach the great potential you have. We will always be here along side you to help in any way we can. I love you with all my heart. You will always be Daddy's little girl and my "stinky #1".

Love,
