# Waldwick High School

2010

# Letters to Seniors

---

---

Mr. Kevin Carroll  
*Principal*

---

I wish the class of 2010 the best of luck, as you move on from the halls of Walldwick High School. I believe you have developed the values and beliefs that will help you develop into successful and happy individuals. However, the knowledge and skills you have learned do not automatically make you a success. It is how you use them that will make all the difference. Always give your best and take on every challenge that comes your way.

Keep in mind all you have accomplished has not come without help and support from your teachers, counselors, administrators, parents and friends who have all contributed to your success. The Walldwick school district has given you the skills to reach your goals and dreams. Make the best out of every situation and stay true to yourself.

It is in your hands now!

Thanks for the memories. Best of Luck.

Four years have come and gone in the blink of an eye, but the memories and friendships will last a lifetime. Take what you learned from all the wonderful teachers and apply it to your everyday life. Don't ever forget where you came from and to always give back to this wonderful community that you were raised in.

Thank you for giving me the opportunity to be a part of your school community. I have learned much from you as I hope you have learned from me. Good Luck and congratulations on this fine achievement.

---

Mr. Michael Clancy

## Seniors

Our first senior is a player that is going to be very difficult to replace. He was our leading receiver and tackler until he became injured. In 6 games he caught 20 passes for 346 yards 3 td and a 2pt conversion. He led the team with 91 tackles, 4 forced fumbles, 1 blocked punt and 5 kicks blocked. A great football player but an even greater person, Kevin Stapel.

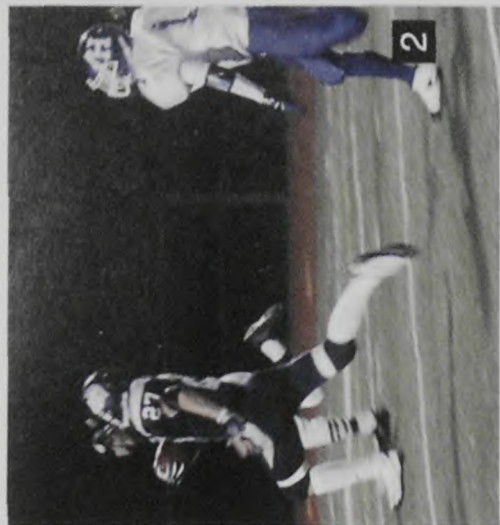

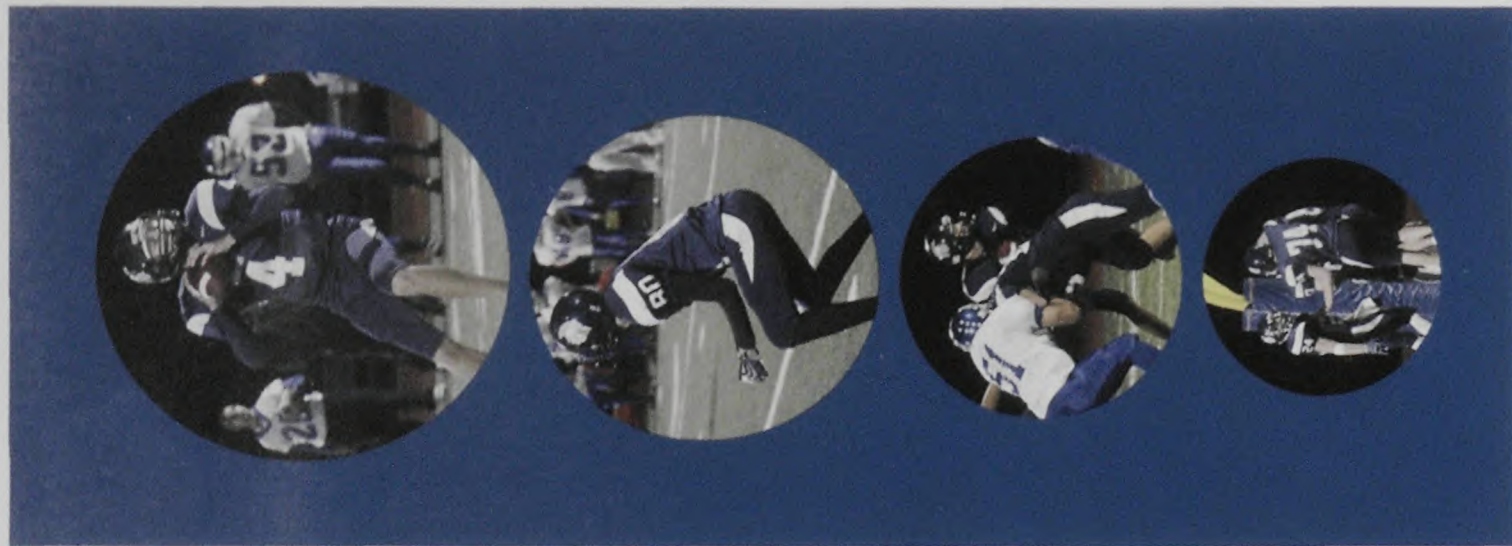

Our final senior is someone who brought a physical attitude to our team. He played the game the way it was meant to be played. He never stopped hustling or giving his best all the time. He recorded 64 tackles, 4 sacks, Three forced fumbles, and one blocked punt recovery. He was the key to our offensive line and a natural leader. The lone wolf Rob Vanni.

Our next senior brought speed and excitement to the field. He carried the ball 72 times for 458 yards with 3td's and 3 two pt conversions. He caught 24 passes for 365 yards and 3 TD and 1 two pt conversion. On defense he made 83 Tackles and had two interceptions. He also returned two kicks for TD's. A true warrior in every sense of the word Anthony Iorio.

"There is no such thing as a self-made man. You will reach your goal only with the help of others."

## Seniors

The seniors deserve a great deal of recognition for playing on this year's soccer team. The team was led by captains Jackie Wheatley and April Cutrofello. Their leadership set a high standard which will be used as a measuring bar for other captains to follow. The other seniors were Mary Fulco, Toni Aita, Michelle Hartmann, Kristin Mone, and Jen Ott. Mary Fulco was the most improved player coming off the bench her junior year and actually not playing soccer her freshman year. She was that tough defender every team needs to have. Toni Aita was the strong stopper that

teams would fear and would lose on a challenge. Michelle also known as simply Hartmann was the intelligent player who learned to position herself well and played everywhere on the field. Even though Kristen Mone was sidelined due to injury, she was immensely missed on the right mid position where she was a starting varsity player since her freshman year. The senior players can easily be defined as those who left everything on the field and whose passion came out at the most important time, those moments of weakness, those crucial tough games. ~Coach Salme

Cayce Bradley, 2010

Cayce Bradley came on the team as a freshman. She had a wonderful demeanor and her attitude enabled her to be welcomed onto the team and seamlessly take her place at first singles. Cayce was a finalist in the Bergen County Tournament in her freshmen, sophomore, and senior year. In her junior year she won this tournament and became the first player in Waldwick's history to do so. Her record in our league for her four years stands at 59-2. Her record for all

league, county, and state matches stands at 77-8. As team captain Cayce strives to do what's best for the team. She has always taken the time to work with the beginners on the team offering to help them with their strokes, scoring, and strategy. I can't say enough about Cayce's dedication to this team over the last four years and her love of the game. She has been such a great asset to Waldwick Tennis and I'll miss her.  
~Coach Voss

We can't say it in a song  
We won't take anyone along  
No one stop our tears  
Overcome with all our fears  
Surrounded by all our peers  
So much to do so little time  
Sad little stories only worth a dime  
Not much left to say in this little rhyme  
Have to hurry up and say  
What no one can in a day  
That none of us know the way  
Although it maybe a stun  
That our battles are not yet won  
Keep fighting for our dreams, our lives are not done

## ***OUR WISH FOR YOU...***

We hope that the days come easy and the moments pass slow and each road leads you where you want to go. And if you're faced with a choice and you have to choose, We hope you choose the one that means the most to you.

But more than anything Mikey, our wish for you is that life becomes all that you want it to. Your dreams stay big and your worries stay small, and you'll never need to carry more than you can hold. And while you're out there getting where you're getting to, we hope you know somebody loves you and wants the same things too. Never look back, but never forget, all the ones who love you in the place you left. We hope you always forgive and never regret, and help somebody every chance you get. May you find God's grace in every mistake, and always give more than you take.

You are a wonderful son, brother, grandson, nephew, cousin and friend. You have fulfilled our wish.

Love,  
Mom, Dad, Tommy-'04, Danny-'07

I can't think of a better time to tell you how proud I am of you! You are such an amazing young woman. You are the girl with a heart of gold! Besides your academic accomplishments, it is your inner person that I have always been most proud of. You are generous, kindhearted, loyal, funny, compassionate, considerate, courageous, a good friend, and a great daughter. You have been through so much for a young girl and yet, you always find a way to make the best out of every situation and handle yourself with such grace. I have admired your strength, courage, and ability to make so many friends. I know that whatever you choose to do in life, you will succeed because of who you are and what you have to offer! Never stop being you, because you are truly a gift! Thank you for being one of the greatest gifts that I will continue to use as an inspiration. Congratulations on your graduation! You have overcome many obstacles in your life and have done very well in completing the second part of the most important task in your life (your education). Now that you are graduating from H.S., you are entering a new stage in life where you will turn from being a teen to a young adult. Being an adult has its privileges, but it also has its difficulties. I can assure you that the obstacles will not cease to come about. But I am confident that you will overcome! It will require more work and more concentration, but I know you will succeed! Life is tough! But I know you can handle it! Not only can you handle it, but you will crush the difficulties with your beautiful smile. I wouldn't say these things if I didn't believe in them or believe in you! With the utmost unconditional love that a father can have for this daughter, I pray that you continue to stay focused and continue to succeed in life. Te quiero siempre con todo mi Corazon y alma!! Que Dios te bendiga y te guarde siempre!....Your Dad

*Once I wished upon a star, and dreams came true from a land afar.*

Alea, you have always had the heart and mind of someone beyond your years. Continue to use these gifts to carve your future. Allow your Spirit to guide your footsteps and always keep your intuitive mind looking forward with love. Inner peace will be your ultimate reward.

You have always lived by the words made famous by the comedian Bill Cosby:  
"I don't know the key to success, but the key to failure is trying to please everybody."  
Do what is right for you, but live your future with an eye toward what you will contribute to the world.
