Letters to Seniors

Mr. Kevin Carroll
Principal

As I look back over the past four years, I have had the privilege of watching the class of 2011 mature into young men and women who have extremely bright futures. Your hard work and dedication to your school work, athletic teams, clubs and community here at Waldwick High School has given you a great foundation. Success does not come easy, but individuals who have a focus, set goals and stay true to themselves will make their mark in life.

As you leave Waldwick High School, I expect you to make good decisions, surround yourself with good people, and treat others with respect. There will be tough times and mistakes will be made but stay true to yourself, and always know family and good friends will be there for you in those tough times.

Thanks for the memories. Best of Luck.

The time has come for you to take another step forward in life. Your family, counselors, and teachers have given you the skills you need in life to reach your fullest potential. No matter where your life takes you, don't ever forget this wonderful place. Thank you for giving me the opportunity over the past three years to watch you grow into fine young adults. I wish you nothing but the best of luck in the future.

Mr. Michael Clancy
Assistant Principal

Board of Education

To the Class of 2011:

When we first met at your class meeting last September, we talked about the uniqueness of senior year and I urged you to exert that extra degree of effort that would enable you to meet your goals. It is my wish for you that you will remember the message of the book I shared with you - 212 degrees: The Extra Degree - and maintain positive attitudes, continue to focus on your goals, work hard, and stay committed to growing as leaders. It is also my hope that as you look back at this past year you will recognize that it was a very special time in your lives.

The old African proverb: It takes a village to raise a child, is very true; many people have contributed to bringing you to this point in your lives. Please remember that concept and thank your parents, family members, friends, and the teachers, counselors, administrators, and staff members from the Waldwick School District who helped you throughout your journey. Try to emulate their examples and extend kindness and support to others you meet as you progress through life.

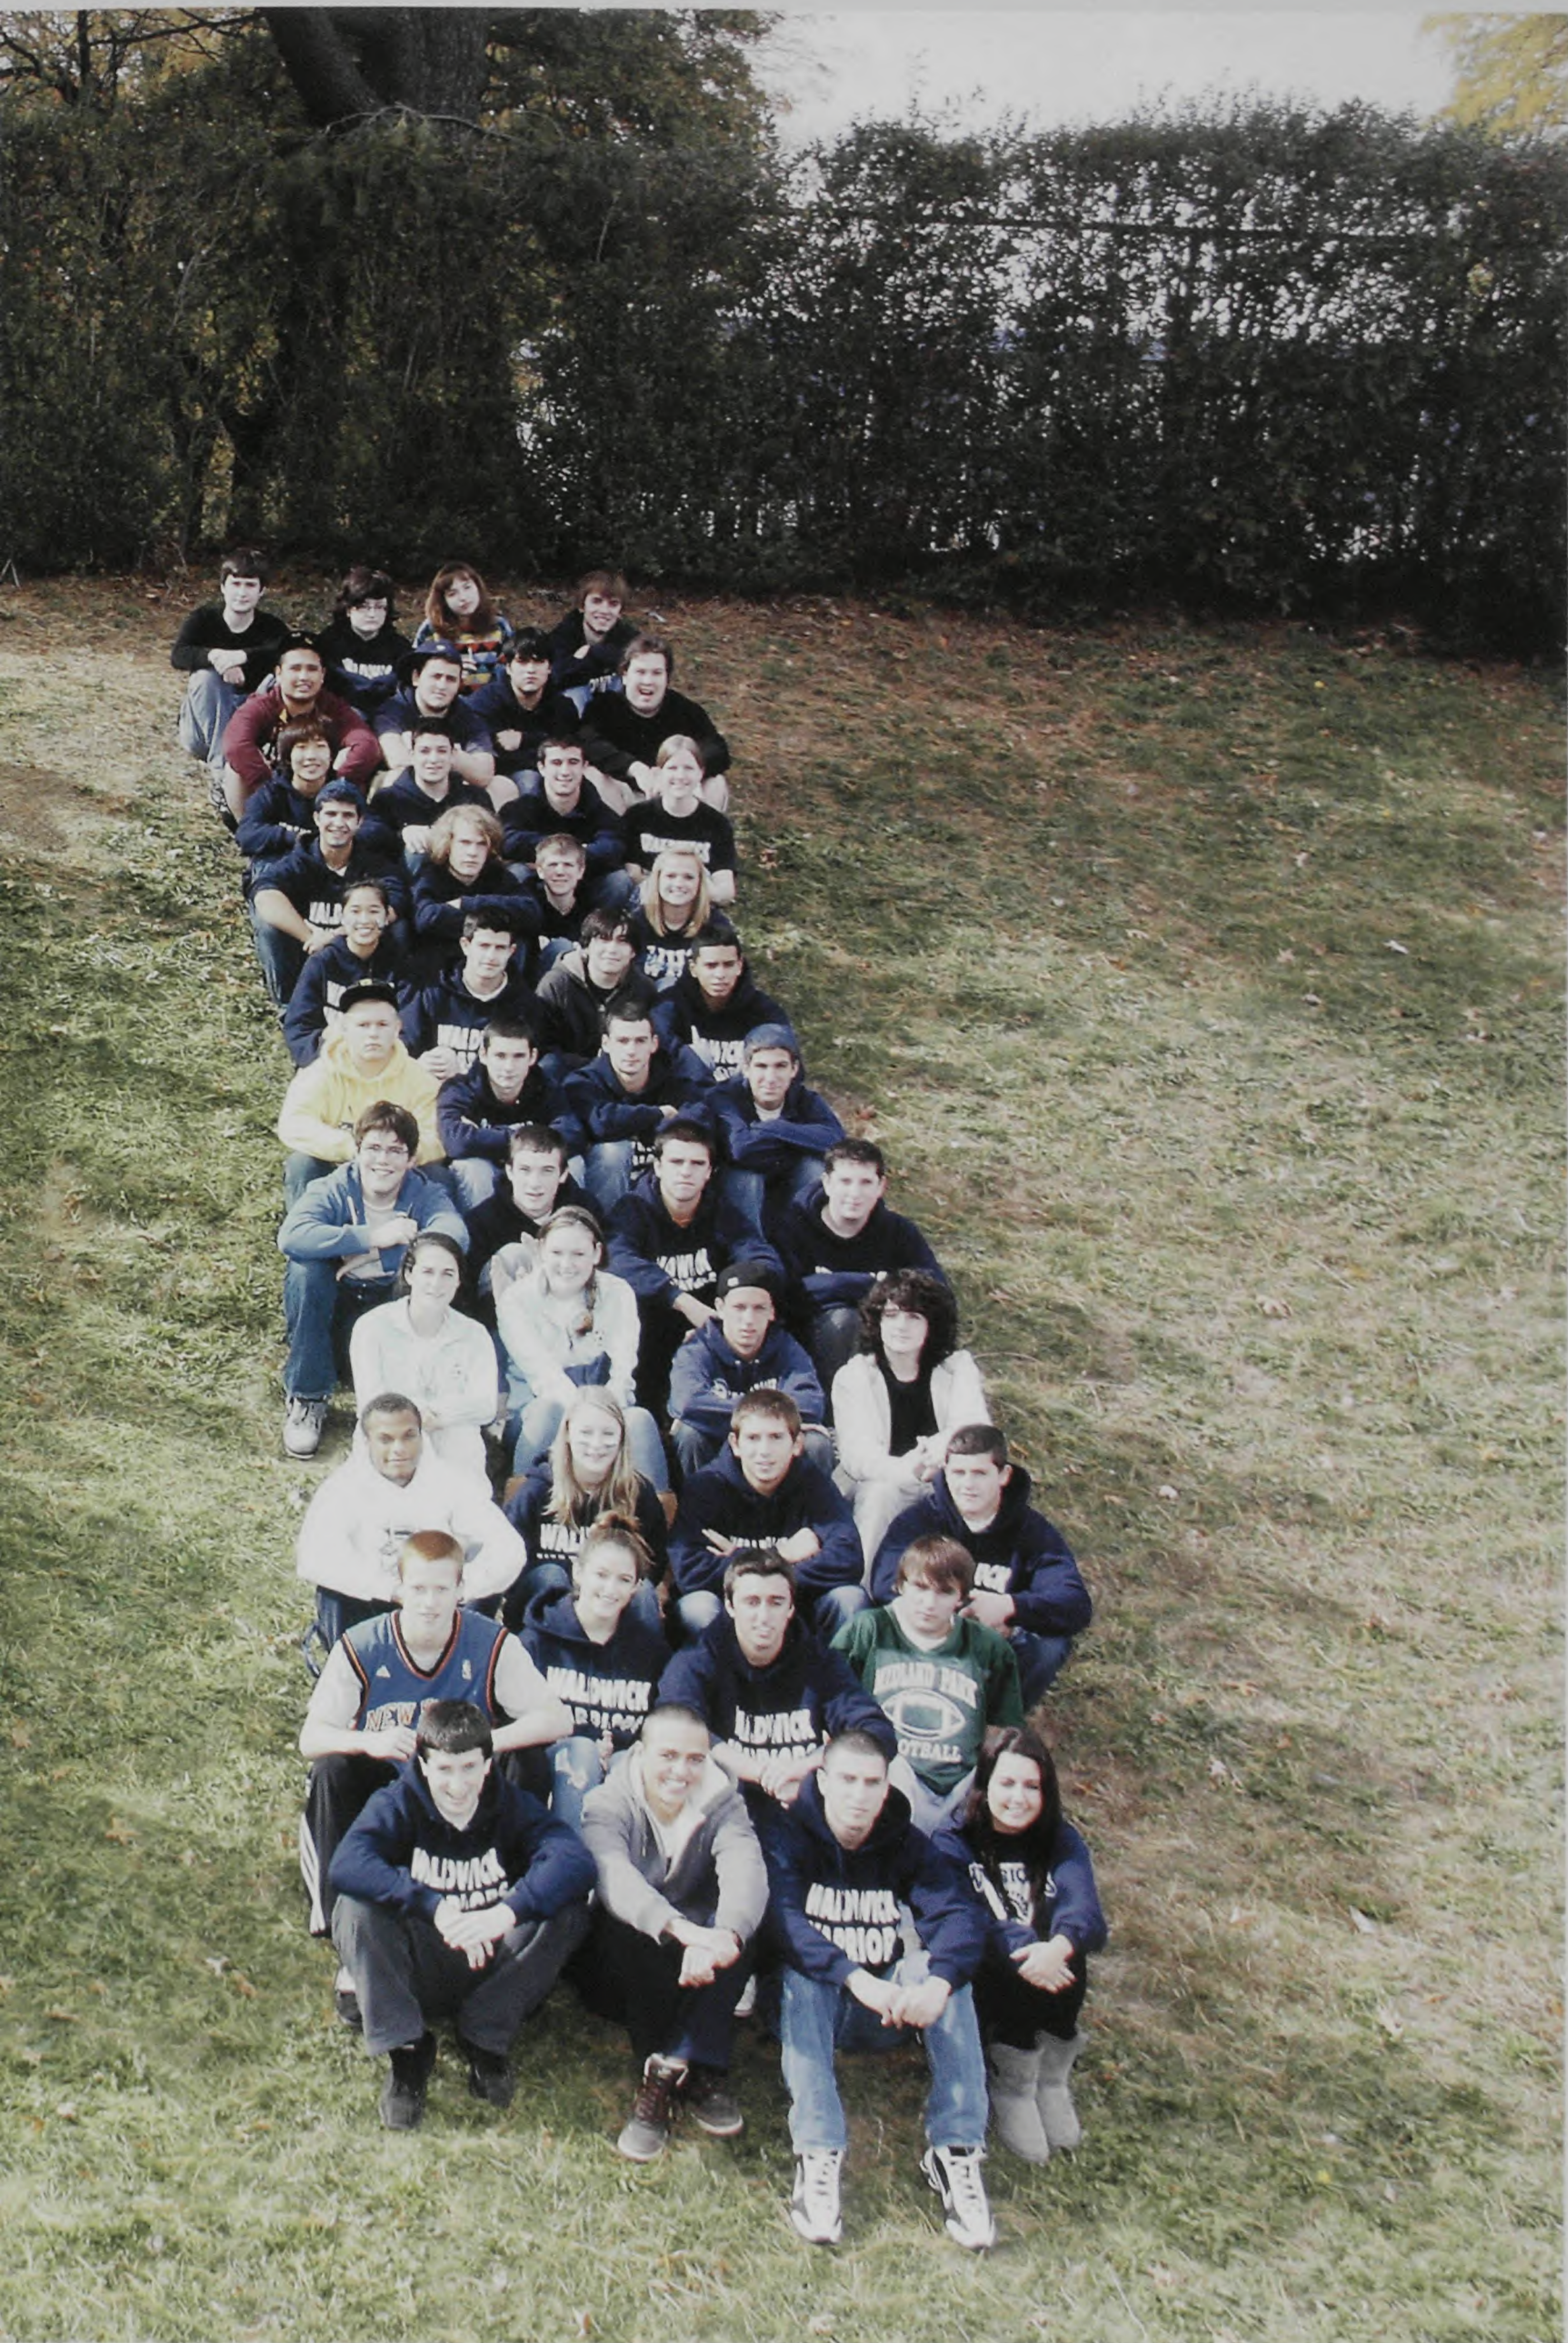

Congratulations on your many accomplishments and I extend my very best wishes for good health, much happiness, and continued successes.

Dr. Patricia M. Raupers
Superintendent of Schools

The students of the yearbook club help create and design the Waldwick High School yearbook. In addition, students are responsible for planning, organizing, proofreading, and editing the yearbook. The club meets after school hours and work very hard to create this important memorial of their high school years. Students in grades 9-12 are welcome in the club where they gain the opportunity to work on deadlines, work as a team, and practice life skills that will prepare them for what they will face after high school.

The Echo

The Echo is the student newspaper of Waldwick High School. The mission of The Echo is to address issues that concern the student body and to promote the activities in the high school. Members write stories, create cartoons, submit photos, edit student writing, and design layouts for the school paper. This year, members of The Echo prepared for the transition of the publication from print to digital. Echo members also participate in and raise awareness for charity fundraisers such as the American Cancer Society's Making Strides Against Breast Cancer walk and the National Multiple Sclerosis Society's Walk MS.

The Mind's Eye

The Mind's Eye is the high school's literary magazine. This magazine provides a creative outlet for all students who enjoy photography, art, and creative writing. The students on the staff collect creative work in order to publish it in the magazine. Usually, we work on and publish two editions: a spring edition in which all students can contribute, and a senior edition where the primary focus is on work that seniors have submitted.

Academic Decathlon

The purpose of the United States Academic Decathlon is to promote learning and academic excellence through teamwork among students of all achievement levels. The competition is comprised of ten events spanning all curricular areas from art to math to history, as well as speech, interview, and essay. Walldick boasts a long tradition of excellence in Academic Decathlon, ranking as one of the top schools in New Jersey by winning several divisional state championships. We look back with pride at our team's history and look forward to more success in the future.

The PALS meet with 6th graders monthly and develop fun and educational activities, usually geared around a character pillar of the month. Additionally PALS are trained to perform peer mediation and conflict resolution available to all grades in Middle School and High School. Often PALS assist in other school activities such as bully programs, antiviolence, red ribbon week and field day. The Heroes and Cool Kids is an outside organization developed by former professional and amateur athletes. The group addresses the needs of younger students using older student athletes as role models. The belief is that our student athletes are seen as heroes in the communities and therefore can be a positive influence on younger students. Students who are selected attend three yearly training sessions with other schools through the organization. Student athletes then teach three lesson plans to all 5th grade classes. Topics include lessons in life learned by playing sports, good decision making skills, substance awareness, bullying and good sportsmanship and nutrition.

This year the High School Drama Club has kept very busy. In the beginning of the year students were involved in the production of "The Best of Broadway", our 6th Annual Musical Revue. All of the students involved did a tremendous job with their songs and the night was a huge success. Beginning in January the Drama Club prepared for the Spring Musical, "The Drowsy Chaperone". The returning members of the club along with some new faces let audiences in on the mayhem that happens in a 1920's musical. Playing the role of the Man in the Chair was Andrew Smith, accompanied by Melissa Mojica and Danny Smith as the bride and groom. Also in the mix were Michael Marrero as the infamous Aldolpho, and Garrett O'Reilly and Erica Dischino as the laughable hosts of the party. The students all pulled together to put on a great show.

Chess Club

The Chess Club meets every Thursday and is a popular and fun group whose aim is to have each student develop a love of chess and become a better player in the process. The President of the Chess Club is Steven Nesterovich and is advised by Mr. Noschese. Students of all levels are welcome and compete among their peers in a fun and engaging environment.

This years chaperones included: Mr. Hagen, Mr. Carroll, Mr. Marzullo, Mr. Meltzer, Ms. Sacci, Ms. Murphy, and Ms. De Gironimo. The ratio of snowboarders to skiers this year was 7 to 1. Technology Club

The Technology Club members are students who complete assignments in Mr. Drechsel's Technology classes that may be entered into the New Jersey State Technology Student Association Design Competition. Since all of the activities are usually long term and specific, the entries are projects completed during the school year and judged at the competition in the spring. Most of the projects in the past have been completed in CAD classes, however, this year students in the Design and Engineering class will be entering their classroom projects as well. Projects may include entries in CAD, Robotics, Design and Invention, CO2 Race Car and Structural Engineering.

Chorus

Students involved in chorus class learn proper singing technique, music theory and about various genres of music and music history. Through-out the year students will work on many different types of music and prepare for the concerts. There are many opportunities to perform through-out the year. The chorus takes part in the Winter Concert, the Spring Festival of the Arts, and the Bergen County Teen Arts Festival. The chorus also performs at various events during the year and for local Senior Citizen groups.

During the year, the Students for Global Awareness raised and donated funds to assist people around the world who lived in extreme poverty. The club conducted bake sales, candy cane messages, a volleyball tournament, and a bracelet sales and worked with nonprofit organizations that provide economic opportunity for the global poor. Specifically, the students were able to donate to UNICEF and HOPE, International. The donation to HOPE targeted citizens of Haiti who are rebuilding after the devastating earthquake last year.

Comprised of over a dozen faces, this service club dedicates its time to many activities that benefit others. A lot of our money raised goes to Breast Cancer Awareness, Polio, UNICEF, and the American Health Association. Every holiday, we make cards for children in the hospitals, as well as senior citizens. Where did the time go, 13 years seemed like an eternity and yet was over in the blink of an eye. While the graduating of high school may seem like the end of so many wonderful things to you, in reality it's just the beginning of the rest of your life.

A life full of promise and potential, laughter and tears. But as you go through life you will be able to draw upon the memories and experiences of high school to get you through the tough times and put a smile on your face. What a wonderful time I had being a part of it all. Just know this Anthony, your family loves you very much and we will always be there for you in anyway we can.

Congratulations Anthony, follow your dreams, never settle for second best and reach for the highest stars. Looking forward to the next four years and seeing you graduate college. Thank you for being a wonderful son. I love you very much.

Sequins

Shiny, sparkly sequins become a major fashion trend when Zoe Kravitz and runway models are spotted wearing them on hats, dresses and tops.

Hats

Self-expression is always in fashion and the right hat makes it easy to add panache (and hide a bad hair day). All you need is a cute fedora or a jaunty newsboy cap.

Military Jacket

There's nothing olive drab about this trend. Military jackets are snappy, sleek and chic — a far cry from the oversized Army surplus look of yesteryear.

Energy Drinks

Energy drinks are the beverage of choice among sleep-deprived students, despite concerns that they contain unhealthy levels of sugar and caffeine.

Pillow Pets

Now it's a stuffed animal. And now it's a pillow. Puffy, popular PillowPets™ may be the snuggliest, softest trend of the year.

Dentists report that more and more teens are asking about teeth bleaching procedures, especially for photo-op occasions like proms or sweet sixteen parties.

Monkey Slippers

It's a toy. It's a slipper. It's a fun fashion trend. Sock monkey slippers are popular in college dorms and at slumber parties.

Long Necklaces

Long, statement necklaces are trend-right. Gossip girls look luxe with Tiffany-style trinkets. Layered, chunky, vintage baubles create an alt-rock, art school vibe.

Over the Knee Boots

Boots go to great lengths. Over-the-knee styles are seen everywhere from runways to red carpets. Trendsetters wear them with short skirts or slim leggings.
