# Letters to Seniors

Mr. Carroll  
Principal

Four amazing years with the class of 2014! Where did the time go? Your high school years flew by and as you begin the next chapter in your life, remember to take advantage of opportunities and don't wait for something to happen. Go out and #MakeItHappen. You control your future by the decisions you will make over the next few years. Success will not come easy, but if you stay focused on your goals, make good choices and surround yourself with people that care about you, you can and will accomplish anything. Our theme for the 2013-2014 school year was #OwnIt! Remember it, use it, and apply it to be the person you want to become. Don't settle for average. Go out there and #BeGreat! Thanks for the memories. Best of luck and remember you will always be part of #WarriorNation.

Mr. Carroll

I would like to take this opportunity to congratulate the class of 2014 on this wonderful accomplishment. With the guidance of your parents, teachers, and administrators, we hope that we have paved the way for a bright future. As you move on to bigger and better things, remember to surround yourself with good people and good things will happen. Stay positive, take the time to reflect on decisions you have made and always learn from mistakes. It was a privilege for me to have the opportunity to get to know you in the time you have walked the halls of Waldwick High School. I wish you only the best.

Mr. Clancy

Mr. Clancy

## To the Class of 2014:

When we first met, in September of your 9th grade year, I shared with you the message of a book I had just read, *212 degrees: The extra degree*. I stressed that you should embody the theme of the book during your four years at Waldwick High School. I urged you to maintain positive attitudes, work your hardest, set high goals, and stay committed to expanding and enhancing your leadership skills. In essence, I wanted you to make the most of your high school years so that you would never look back in regret and so you would be well prepared for the future.

You have risen to the challenge! The Class of 2014 has many academic, extra-curricular, athletic, and community service accomplishments. You have contributed greatly to Waldwick High School and the broader Waldwick community and your fellow students and citizens have been enriched by your involvement. You have made us all very proud of you.

Many of you have heard me refer to the old African proverb: It takes a village to raise a child; I believe it to be very true since many people contribute to our successes in life. Please remember to thank your family and friends as well as the teachers, counselors, administrators, and other staff members from the Waldwick School District who helped you throughout your journey. Just as they extended love, kindness, and support to you, emulate their behaviors and help others as you progress through life.

Best wishes to the Class of 2014 for continued successes, much happiness, and good health!

Dr. Patricia M. Raupers  
Superintendent of Schools

# Shayna O'Reilly

I am unwritten,  
Can't read my mind, I'm undefined.  
I'm just beginning,  
Pen's in my hand, ending unplanned.

Staring at the black page before you,  
Open up the dirty window,  
Let the sun illuminate  
The words you could not find.  
Reaching for something in the distance  
So close you can almost taste it,  
Release your inhibitions!

Feel the rain on your skin.  
No one else can feel it for you,  
Only you can let it in.  
No one else, no one else  
Can speak the words on your lips.  
Drench yourself in words unspoken,  
Live your life with arms wide open,  
Today is where your book begins  
The rest is still unwritten....
