Dedication

In an effort to express our sincere appreciation of his dedicated work and of his personal strength and courage, we, the class of nineteen hundred and seventy-four have dedicated this yearbook to Mr. Joseph Terry.

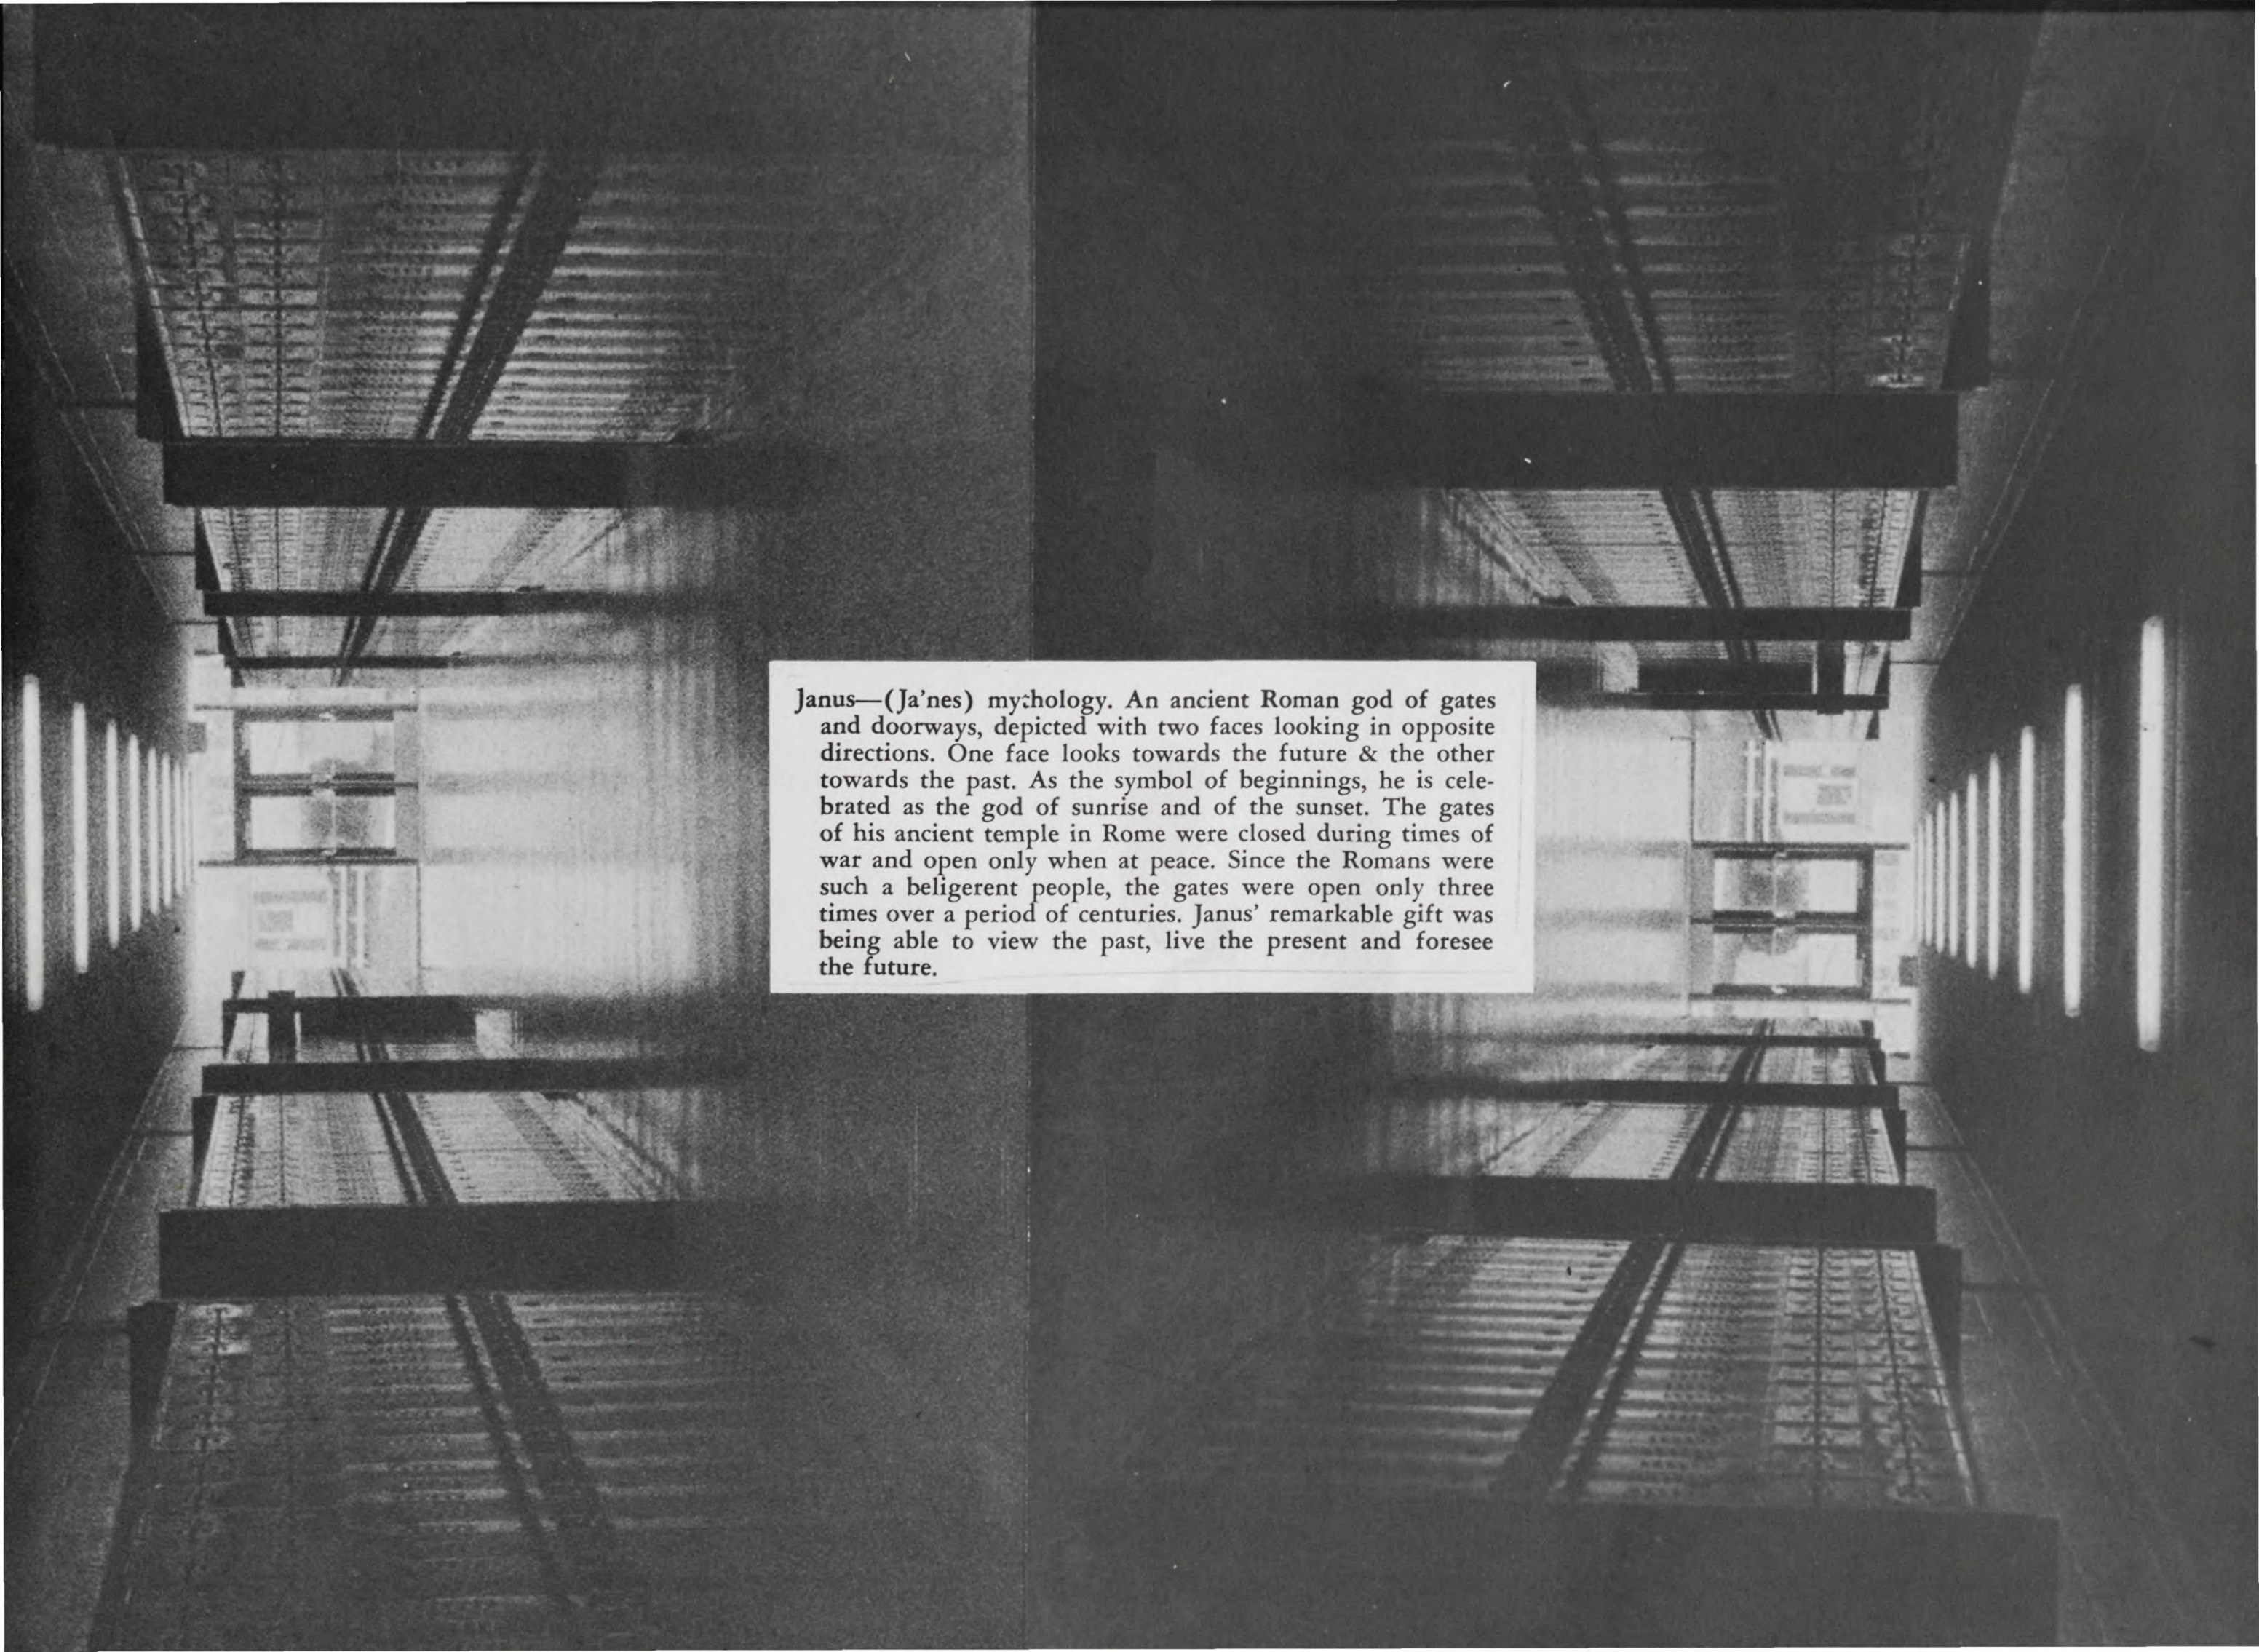

Although he was only briefly acquainted with our high school careers, we vividly remember Mr. Terry as an enthusiastic and diligent achiever. We remember him as a devoted teacher as he introduced many students to foreign language. We remember his fervent efforts as a coach for our seventh and eighth grade basketball teams. Finally, we remember his encouragement towards our class's beginning as he advised us in our freshman year.

So, as we graduate Mr. Terry, we wish you well, and hope that the impression that we have left with you is nearly as great as the one that you have left within each of us . . . and we thank you.

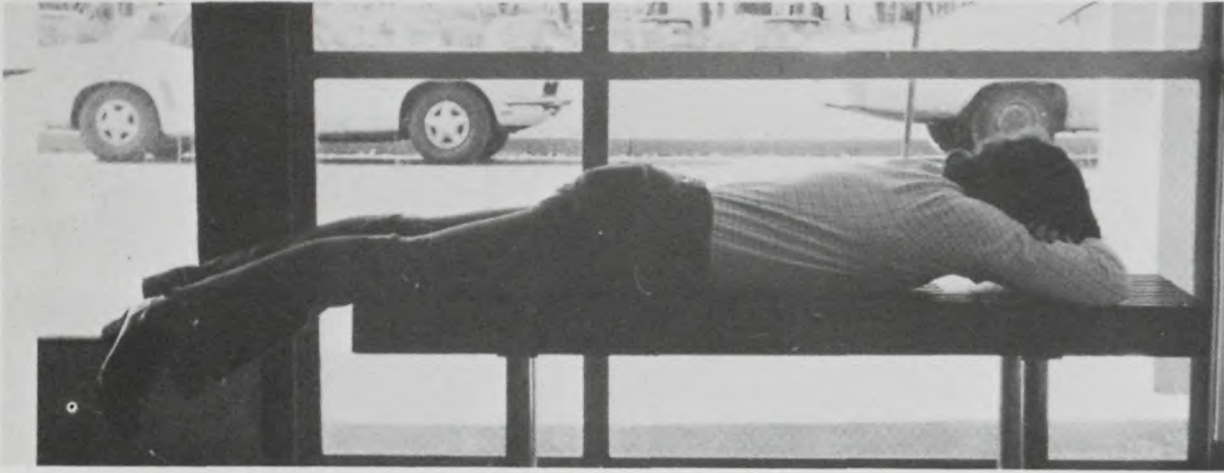

The Class of '74

Janus am I; oldest of potentates;
Forward I look, and backward, and below
I count, as god of avenues and gates,
The years that through my portals come and go.
—*Longfellow*

Janus—(Ja'nes) mythology. An ancient Roman god of gates and doorways, depicted with two faces looking in opposite directions. One face looks towards the future & the other towards the past. As the symbol of beginnings, he is celebrated as the god of sunrise and of the sunset. The gates of his ancient temple in Rome were closed during times of war and open only when at peace. Since the Romans were such a beligerent people, the gates were open only three times over a period of centuries. Janus' remarkable gift was being able to view the past, live the present and foresee the future.

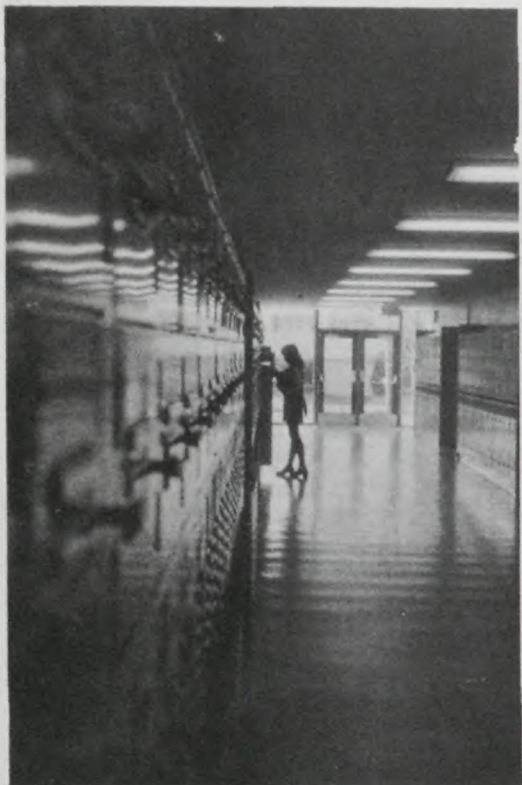

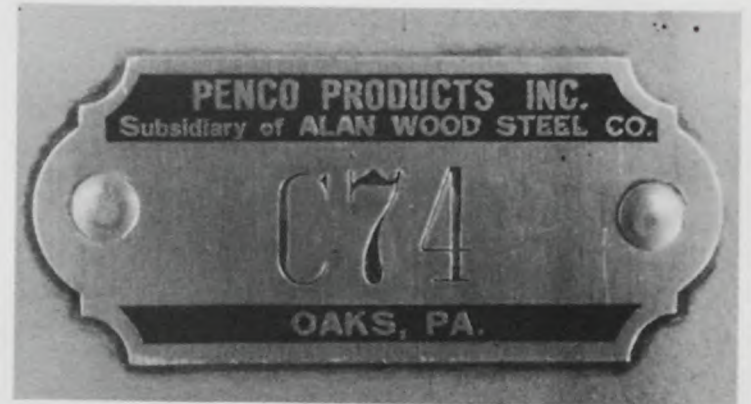

The Dream

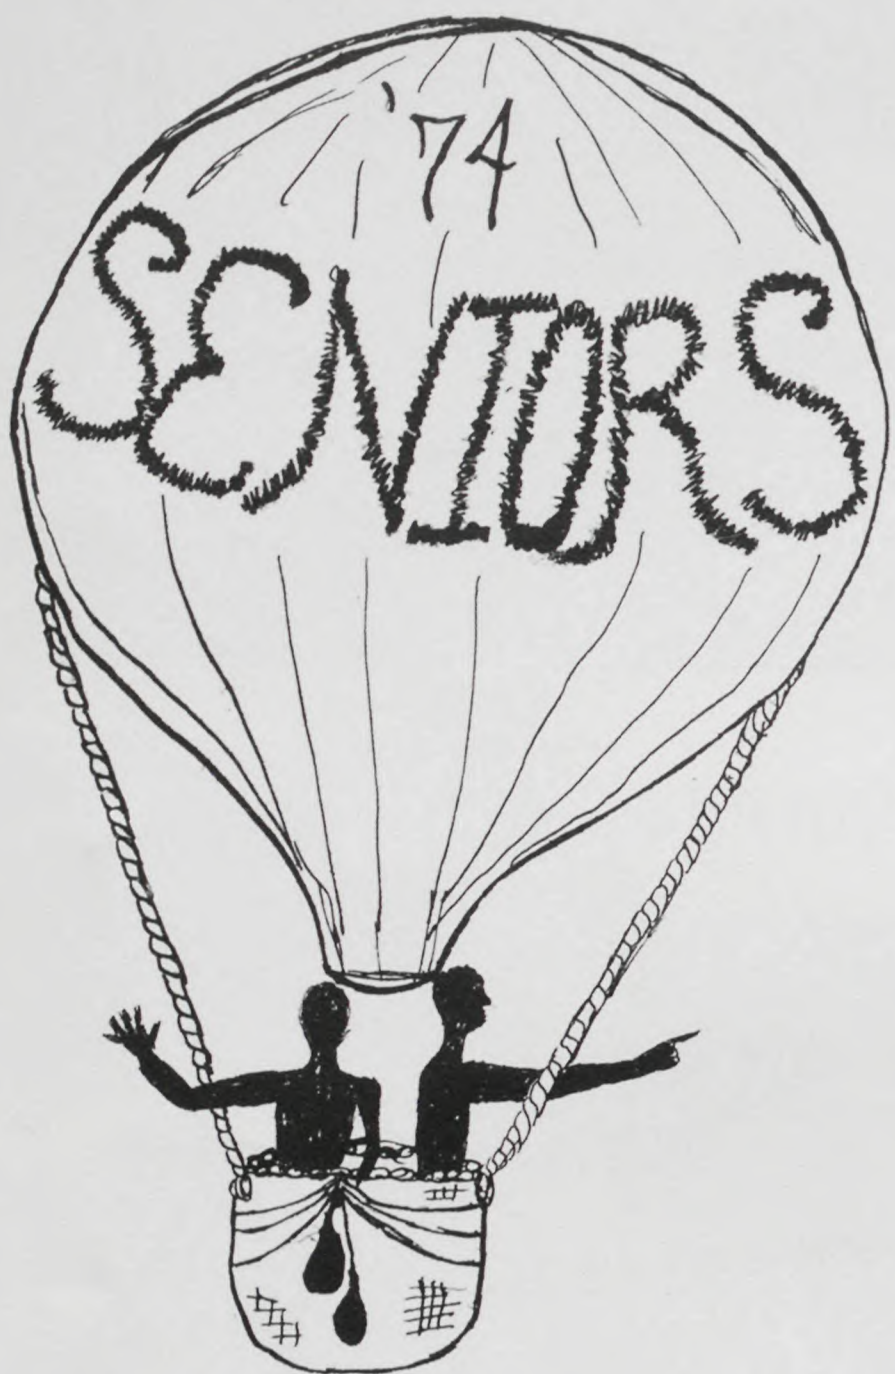

Ah, great it is to believe the dream
As we stand in youth by the starry stream;
But a greater thing is to fight life through,
And say at the end, "The dream is true!"

Administration & Curriculum

Superintendent

Dear Seniors:

What does the 1974 Waldwick High School Yearbook mean to you — now and in the future? To each of us it has a different significance. As Superintendent, I look upon the yearbook as a record of the outstanding achievements of our student body and faculty. It records many events, activities, and moments, the sum of which is a high school education. But actually the yearbook goes beyond past events — future accomplishments constantly come to mind as we pursue its pages. It refers one to new jobs, new studies, of new friends. As we revel in the warm memories of old friendships and of things past, we can look forward to the future with rekindled hope.

Admittedly, the 1974 yearbook is a record of what we did, what we hoped, our joys, our disappointments; undoubtedly we will nostalgically turn to it as our lives continue to unfold. However, the remembrance of the past should assist us in putting forth our best efforts in the future. A future that, hopefully, will be dedicated to the attainment of truth, knowledge, and happiness.

On behalf of the Board of Education I wish you success. We should like you to feel that Waldwick High School will always be available for further assistance whenever required.

The Student Council Association handles student grievances and suggestions for school improvement, and arranges student social activities. This year's officers were: President Steve Donahue (Uncle Steve wants YOU!), Vice-President Lori Jeromin ("Won't anyone come to the Citizen's Assembly??"), Corresponding Secretary Barbara Muller ("Well, no one showed up for the 8th grade cheerleading meeting . . ."), Recording Secretary Janice Turley ("Who was the other person on that committee?"), and Treasurer Donna Cook ("Well folks, the treasurer's report is the same . . ."). Steve and Lori attended an SCA Conference during the summer, as well as an exchange day with other officers at Ridgewood High School in the spring. Other exchange trips were tentatively planned.

This year the SCA drew up proposals for junior privileges and a smoking lounge. Studies were conducted of the cafeteria food and the new number marking system. Tentative plans included a concert with a big-name band at the end of the year and a proposal for a student-teacher coalition government. In addition the SCA sponsored various social events such as talent assemblies, donkey basketball and several dances.

WALDWICK JR. SR. HIGH SCHOOL

WALDWICK, N.J.

VOLUME X, NO. 2

DECEMBER 6, 1973

The Echo, Waldwick High's newspaper, seeks to inform the students of upcoming events and general items of interest around school. The news page, edited this year by Liz Scully, provided coverage of future events. The editorial page, edited by Assistant Editor Alison Davis, offered commentary and food for thought. The feature page, edited by Lori Jeromin, this year concentrated on literary material to spice each issue. The sports page carried many a perceptive analysis by Sports Editor John Salerno. Trusty photographers Brian Smith and Andy Hayter snapped the pictures. The entire operation was overseen by Cyndi Stivers, Editor-in-Chief, and Miss Barbara Juliano (we're glad she won her bout with pneumonia), Faculty Advisor.

National Honor Society

The Waldwick High Chapter of the National Honor Society, advised by Mr. Joe Parker, elected officers this year in the hope that the group would accomplish more than in the past. The officers were President Lori Jeromin, Vice-President Dianne Kwederis and Secretary Liz Sherwin. The group was greatly enlarged this year by the highest number of inductees to date, bringing this year's membership to 46. The society's function is based on its four bases for qualification: character, scholarship, leadership, and service. It has fulfilled its goal so far by tutoring students who ask for help. Other plans were crystalizing at our deadline.

The WHS Theater Workshop, under the direction of Mr. Dennis (Ah so!) Cox, presents two productions annually, drawing on WHS student talent. This year's fall play, presented November 30 and December 1, was James Thurber's *A Thurber Carnival*, a series of short, comical skits. The annual Junior/Senior Play was Arthur Miller's *The Crucible*, a story about the Salem witch trials in colonial New England. Each play utilizes student talent in set design, construction, and painting, making or borrowing props, lighting, sound effects, directing, acting (natch!), prompting, overcoming nervousness (especially Mr. Cox's!), publicity, ticket selling, and the list goes on. The Workshop's aim is to expose each student to as many of these areas as possible. Ah Sooooo, Mister Cox!

Key Club

The Key Club is a service organization affiliated with the Kiwanis Club. For this year an ice-cream sale, attendance at the State Key Club Convention, and a "trip at the end of the year". Sounds like fun, boys. The Key Club is advised by Mr. George Farago and Mr. Fred Danz. The Varsity Lettermen's Club, advised by Mr. Paul Puglise, assists at various sports events. The lettermen handed out programs at football games and sold refreshments during the basketball season. The club also is quick to point out that they are yearbook patrons in good standing, having bought an ad. They also spoke of the mysterious "trip at the end of the year", each with a glint in his eye. What can this mean? This year's officers were President Ray Wassmer, Vice-Presidents Jamie Hctor and Marc Russo, Treasurer Paul Chiappetta, and Secretary Luke Higgins. What's up guys?

The final meet of the year on March 23, included an awards dinner at which prizes were awarded to the top scorer in each school and the top three in the county. Then the team members began practicing problems for next year's meets, or — college!

The Mind's Eye

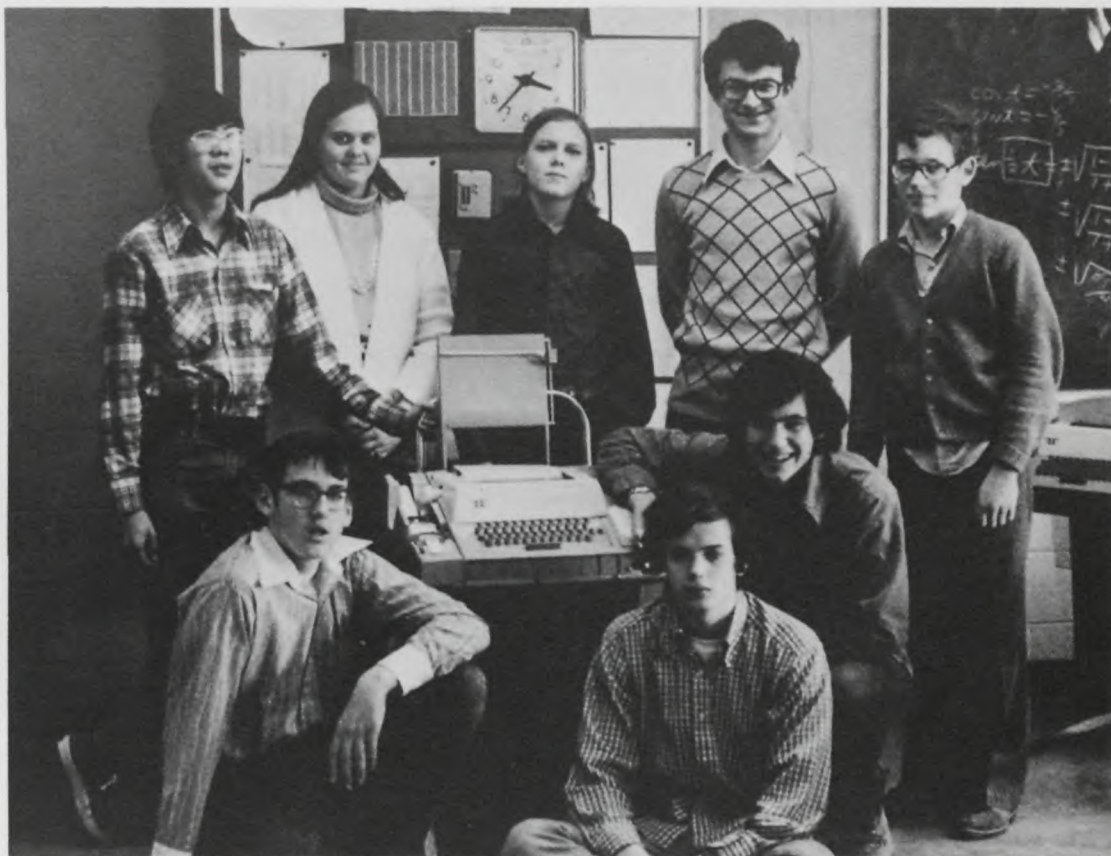

The Mind's Eye is the WHS arts magazine. Prepared for publication by about a dozen students and advisor Mr. Charles Deahl, *The Mind's Eye* displays student talent in all forms of writing, art, and photography. The staff worked throughout the year gathering student material, and the magazine hit newsstands (meekly translated as "the tables below the SCA Calendar") in late spring.

The Computer Club, advised by Mr. Daniel Flegler, is a group of students which studies advanced problems on the computer. The club's officers were Lou Biondo, President, and Vice-President Scot Barthold. On March 4, Bob Bonczek spoke to the club concerning the four areas of Computer Science and answered questions about computer programs. The year's other plans included attending a computer convention and writing a program for computer dating (starring Clint, Jackie and Dan!).

Science Fiction Club

The Science Fiction Club is, as the name suggests, a group of science fiction buffs. They meet to discuss science fiction literature led by our high school's foremost science fiction (buff) — he claims you may use the word or leave it out with no change in the meaning of the sentence — Mr. Dan Flegler. They hoped to rent a science fiction film as they did two years ago. (Who can forget "Burn, Witch, Burn"?!) They also planned to attend Lunacon, a convention of science fiction fans and authors held during May in New York City.

Folk Club

The Folk Club is a group of friends who appreciate music and indefinable "other things." No one really knows why they stick together, but they do. This year's officers were: President Nancy Picard, Vice-President Robin Marks, Treasurer Janice Turley, and Secretary Clace Cleaver. With the assistance of advisors Mr. Raymond Di Grazia and Mr. George Farago, the officers planned the annual Bike Races and Folk Festival. A "Slave Day" was also in the works. When asked what else they do, "Mr. Di" said, "Oh, we just folk around."

Mr. Surak, Advisor

The Sociology Club, under the supervision of Mr. John Surak seeks to "expand their horizons" by examining different beliefs and ways of life. In this interest they have visited Chinatown and Little Italy. The movies "Conrack" and "Romeo and Juliet", the play "Moon Children", and a trip to the Statue of Liberty were other items on their agenda. Also, Mr. Surak and interested students launched an experiment in sociology just as we were going to press with the formation of a yoga club.

Ski Club

The Waldwick Ski Club, under the supervision of Mr. Richard Keil and Mr. Tony Caiazzo, got in a lot of good skiing this season. These are the folks who dream of being ski bums at Whiteface Mt. until they're old enough to retire. They were nevertheless satisfied by weekly excursions to Vernon Valley, and a 3-day trip to Whiteface Mountain, N. Y., during February vacation. Wonder of wonders; only two seniors made the disabled list this year. Donna and Alice, wasn't it fun coming down on a toboggan instead of skis?

Senior Chorus

The Senior Chorus is composed of about fifty 10th to 12th graders, who are called on to represent Waldwick High School in numerous concerts. In addition to learning and practicing music all year, the Chorus has a busy performing schedule. In November the group saw "Godspell" on Broadway and sang at the Allendale Nursing Home. The group attended "Madama Butterfly" in December in addition to performing at the Forum, Middle, and High Schools at Christmastime. In March the chorus performed for the Women's Auxiliary Tea of the Waldwick Baseball Association, and at Glen Rock High School in an exchange assembly. Glen Rock came to WHS in April. The annual spring choral festival was in May, and tentatively scheduled was an exchange trip with Willow Grove, Pa. The chorus is directed by Mr. Daniel Schwartz and this year's officers were: President Steve Phillips, Vice-President Liz Sherwin, Treasurer Liz Scully, Secretary Lorraine Ade, Historian Debbie Columbo, Publicity Peggy Lisbona, Wardrobe Mistress Cheryl Pease, and Librarian Barbara Porto. The group's section leaders were Lorren Mileham, Lynn Hagmann, Cyndi Stivers, Chuck Kurtzke and Tom Tuomala.

The Senior Vocal Ensemble is a 15 member select group belonging to the Senior Chorus. In addition to appearing with the chorus, the ensemble also performs on its own. The group performed for the Waldwick Lions Club Senior Citizens in December, at the Teen Arts Festival in March, at the Methodist Mother/Daughter Dinner in April, and for the Women's Club and Welcome Wagon in May. Also on the bill with the ensemble are four of its male members, the WHS Barbershop Quartet, who often stole the show.

Marching Band

Drum Major—Stephanie Smith

The Waldwick High School Marching Band, undefeated in Class B competition, has accumulated 17 first place and 9 second place awards over the last two years. Under the direction of Mr. Laurent (Uncle Larry) Gareau and Miss Jacqueline Chintala and conducted by Drum Major Stephanie Smith, the 8th to 12th grade members have marched in eight competitions this year in addition to their trip to Virginia Beach last June and the Clifton Band Festival. On Saturdays the band entertained the fans at football games, and for six consecutive Sundays beginning September 30, they marched in competitions in Woodbridge, Edgewood, West Essex, Deptford, Pleasantville, and Ramsey. With the return of good weather came two more competitions: Ridgewood on May 18 and Sherberne, N.Y. on June 1. The band officers this year were President Tom Oeschlager, Vice-President Nancy Beck, Historian Karen Komsa, and Secretary Pam Decales. The whole town is proud of this bunch.

When the Marching Band isn't concentrating on marching, its members split up into four smaller groups, each under the direction of Mr. Laurent Gareau. First, the Wind Ensemble is a small select group of WHS's best musicians which plays the most advanced music. The Symphonic Band is a larger group composed of the Marching Band's regular members sitting rather than marching. Here they take a break from songs for the football field to play concert music. The Symphonic Band performed in the May Spring Concert. Both the Wind Ensemble and Symphonic Band competed in the Ridgewood (May 18) and Sherberne, N.Y. (June 1) Festivals. The Concert Band members are 8th and 9th graders not yet very experienced as players. This band, which competed in both festivals and the Spring Concert, gives these young talents a chance to develop. Finally (but of course, not least important) is the Stage Band, which plays jazz. For the first time this year the group performed at two judged events, at Morris Hills in February and at Indian Hills in March.

The WHS Majorettes, under the direction of Miss Lynn Basler, Mr. Joe Sassano, and this year's Captain Liz Cambridge and Co-Captain Robyn Franklin, practiced all year in preparation for the football season, the indoor majorette season, and spring band competitions. Performing with the marching band, the majorettes and color guard won a first place band front trophy at Pleasantville, a second place at Ramsey, and a third place at Woodbridge. The majorettes also competed on their own in the Ramsey Twirling Competition on March 28, and in a majorette competition in Ridgewood on May 18.

The 26 members, captained by Anita Tacconi and Co-Captain Grace Katz, and advised by Mr. Joe Sassano, perform a routine with flags and rifles which along with the majorettes' twirling admirably accentuates the band. Along with the majorettes the color guard was awarded a first place band front trophy at Pleasantville, a second place at Ramsey, and a third place at Woodbridge.

Varsity Soccer

Bring on the dancing girls.

Waldwick High Soccer . . . We have seen victory and defeat, injury and improvement, yet the one factor that bounded the club together was teamwork. The side by side effort in practice and games showed that this was a strong ball club.

After each game, Coach Lorenzo said that winning is important but the true reason for playing is to develop a sense of pride and respect for the opposing side.

Although the record has improved from previous years, this is only a start to the growing sport of soccer.

Basketball

The basketball team finished this year with the finest record ever in the school's history. The team ended 1st in both BPSL group and State Section I Group 2; recording wins over such fine teams as Elmwood Park and Englewood. The '74 team maintained a record-breaking winning streak of 16 games. They earned Waldwick High's first invitation to the Bergen County Jamboree and innumerable individual honors. The glorious success of the '74 Warriors may be attributed to outstanding teamwork, coaching, and support by the fans. Enthusiastic reception by the press expressed for the Waldwick fan the hearty praise and congratulations the team deserved. The warriors really put the WHS Class of '74 on the map.

Live each day to the fullest, get the most from each hour, each day, and each age of your life. Then you can look forward with confidence, and back without regrets.

Forget what you have done for your friends, and remember what they have done for you. Disregard what the world owes you, and concentrate on what you owe the world.

And don't be afraid to be happy. Enjoy what is beautiful. Love with all your heart and soul. Believe that those you love, love you.

All Our Love,

"How much is a yearbook?! . . . \$7,000!! . . . another meeting in room #145 . . . Yes, Mr. Fox, I mean Mr. Wolf, well be *on time!*? . . . what senior candids do we need? . . . Lou better come today . . . when's the track meet? 10:00 AM? SATURDAY MORNING? . . . Uh! . . . Did you finish the cover yet, Jim? . . . I can't wait until this whole thing is done . . . Who cares about Columbia ratings?! . . . How much have you got done? . . . Our deadline is this Wednesday!" Leaving school at 5:00 p.m. every day . . . "and how could I ever forget all the time and patience of Mr. Murray" . . . "Thank you."

As I looked back on this whole year, I found that these were some of the things I've said and heard the most. At long last we've made publication become a reality. The planning of everyone and continuous ambition has finally ended for those who have worked so hard. It is here that I would like to thank all of those who have contributed their time, effort and talent, to make what I feel is one of the Class of 1974's contribution to Waldwick High School.

Special thanks to Andy Hayter and George Osgoodby.
