# Letters to Seniors

I told you four years would fly by! I have great memories of the class of 2016 and it's my hope that when you look back at your years at Waldwick High School, it puts a smile on your face and brings back some amazing memories. The next step in life is upon you and I am confident that you are ready to take on that challenge and make the most out of the opportunities that present themselves. Your success will depend on you by the goals you set, the opportunities you take advantage of and the work you put in. Don't settle for average, go out there and #Ownit!

Thanks for the memories. Best of Luck and remember you will always be part of Warrior Nation.

Mr. Carroll  
Principal

Mr. Clancy  
Assistant Principal

Congratulations to the class of 2016! Your goals, dreams, and visions have paved the way for a bright future. Understand that it is okay to make mistakes, but learn from it. Understand that it is okay to seek advice, listen and form your own opinion, and understand that success does not happen overnight. Through hard work and all the skills that were taught to you, your dreams can become reality. Thank you for allowing me to be a part of your lives for the past four years. Your academic and athletic talents have brought great pride to our school community. I wish you all the best of luck in the future. Go Warriors!

## Congratulations to the Walldwick High School Class of 2016!

I would like to thank and congratulate the Class of 2016 for your many outstanding accomplishments over the past four years. By challenging yourselves academically, athletically, artistically and participating in community service projects, the skills and talents you have harnessed will serve you well as you begin the next phase of your lives.

As you embark on new challenges in the future, go forward with confidence. You are well-prepared and I trust that you will be successful in all of your future endeavors.

I wish you continued success.

Dr. Paul Casarico  
Superintendent of Schools

# Clubs

## Yearbook Club

Students of the 2016 Yearbook staff are responsible for editing, organizing, planning, and creating the Waldwick High School Yearbook. The club meets after school where members are encouraged to work together as a team to meet important deadlines and make vital decisions that effect the outcome of the yearbook. Students in grades 9-12 are encouraged to join the staff where they can gain the opportunity to share their creative ideas and talents.

## G.E.M. Club

The G.E.M. club works to promote the gender equality movement in the Waldwick school community. The club's goals are to spread awareness of economic, social, and political inequality based upon gender. Some issues that the club has addressed this year include educational opportunity for girls, equal pay for equal work, and body shaming for both men and women.

## Video Production Club

Students who are interested in producing their own videos have the opportunity to work in the genre of the short film. Video Club allows young artists to tell stories and hone their skills as filmmakers.

## Students for Global Awareness

This year the Students for Global Awareness worked hard to raise awareness and donate funds to Educate Africa, a non-profit organization which promotes educational equality in poverty-stricken areas in South Africa. The annual Faculty Dessert War was the highlight of our fundraising. We especially thank the many teachers who donated their time and efforts to provide delicious desserts.

## CSA Garden Club

We continued to build upon our school garden this past year as we were able to introduce some new varieties of crops. Much of our produce was either donated to a local food bank in Paterson or used in the cafeteria for student lunches. We also hosted an educational program at Traphagen and Crescent elementary schools which focused on sustainable agriculture and healthy eating.

# Concert Band

Concert Band is a full year music elective for students in grades 9-12. Band members rehearse together daily to improve technique, develop musicianship, and build an understanding for the musical language. The Concert Band performs at the High School Winter and Spring Concerts, for elementary schools, and other venues throughout the year.

# Jazz Band

The High School Jazz Band performs several times a year at school concerts, as well as in the community. They have performed for students at Crescent and Traphagen Schools. The Jazz Band has also played for the Seniors in the School Program, residents at Dell Ridge Rehabilitation Center, and at the Bergen Teen Arts Festival every May.

## Drama Club

Dedication to the arts in the Drama Club means not only rehearsals of a play and a performance, but also much more. Character, development, choreography, vocal performance, script memorization, set construction, costuming, improvisation, lighting design, and so much more go into the hours of toil so the members of the Drama Club can "strut their hour upon the stage."

## Fashion Club

Our mission is to bring fashion to Waldwick High School by integrating fundrasing and social media to interact with all students.

# Girls Who Code Club

GWC is a group of young women who meet to learn computer coding using self-guided lessons online. The club is part of a national organization focused on increasing women's opportunities in computer science and technology. In addition to learning how to computer code the club contributes to organizing the annual school-wide Hour of Code celebration, participates in field trips to technology companies, and learns about women's contributions to computer science.

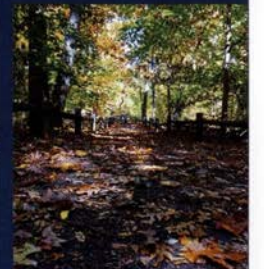

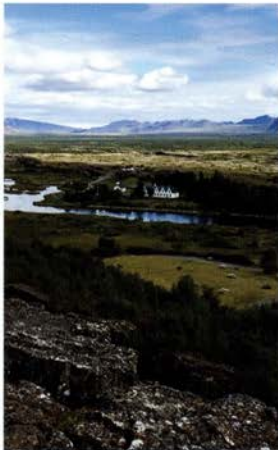

# Photography Club

This year more than sixty students participated in the Photography Club. We were able to capture and share creative photos with each other and the school community while travelling to some great places in our area, including Point Pleasant and New York City.

# Photography Club

## Ski Club

The ski and snowboard club takes advantage of the winter season by taking excursions to New Jersey's favorite slopes.

## Literary Magazine

The Mind's Eye is the literary magazine produced by students who take part in this club. They are responsible for producing and collecting creative writing. Also featured in the literary magazine is artwork and photography. After collecting the work, students format and edit the magazine for production.

## Student Council

The Student Council is a group of students who advocate and support student involvement and school spirit, as well as facilitate many student-run events ranging between fundraisers, pep rallies, and talent shows. Our main goal is to connect the students with their community, encouraging them to play an active part in their school environment to bring forth positive change.

## History Club

The History Club is comprised of students who have a passion for learning and exploring all aspects of history. Our goal is to make history come to life through discussion, activities, field trips, and movie nights. Students gain new appreciations for the past and how it impacts the present and future.

# Heroes and Cool Kids Club

This is a peer program in which high school students train with other high school students under the supervision of professional athletes. The students are trained in important issues such as decision making, drugs and alcohol, bullying and sportsmanship. Student leaders then provide lessons plans for 5th grade students. Peer leaders work in teams of 3 to 4 students per 5th grade class.

# Interact Club

The Interact Club is for students who want to connect with other people in their community or school. The purpose is to benefit the community and provide help to those in need. Club members discuss and select organizations or causes in need and then dedicate themselves to leading service projects and promoting fundraising drives. The Interact Club helps to develop leadership skills and foster responsible citizenship.

## Math Club

The Math Club is for students who feel they have an aptitude for math and want to expand their skills further or want to challenge themselves in mathematics competitions. There are competitions during the year in which students compete. Practices are held weekly and help students prepare for the mathematics involved in the competitions.

## National Honor Society

NHS serves to honor students who demonstrate the areas of scholarship, leadership, service, and character. As a member, one must make voluntary contributions to the school or the community, done without compensation and with a "positive, courteous, and enthusiastic spirit."

# Academic Decathlon

The purpose of the United States Academic Decathlon is to promote learning and academic excellence through teamwork among students of all achievement levels. The competition is comprised of ten events spanning all curricular areas from art to math to history, as well as speech, interview, and essay. Waldwick boasts a long tradition of excellence in Academic Decathlon, ranking as one of the top schools in New Jersey by winning several divisional state championships. We look back with pride at our team's history and look forward to more success in the future.

# PALS

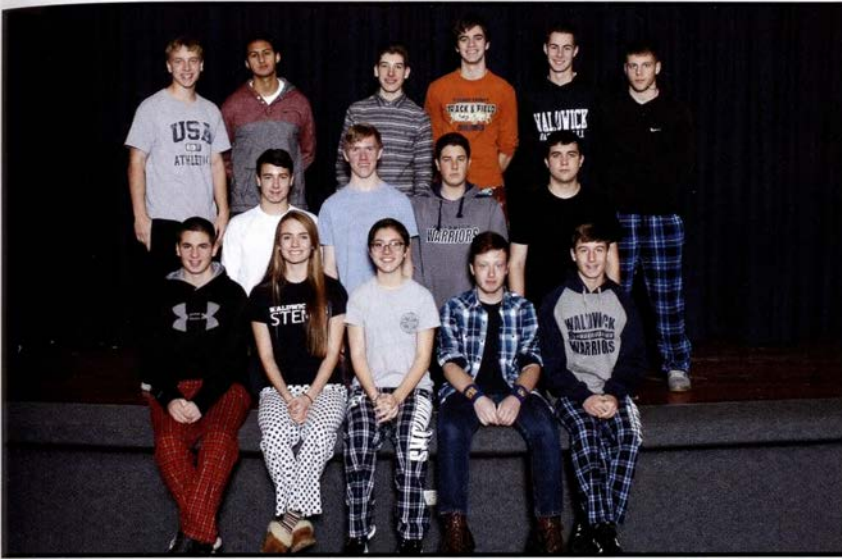

This is a peer program in which high school students are trained to provide lessons for incoming 6th grade students. They cover topics such as substance abuse, bullying, sensitivity and time management. These students act as peer mentors to the new middle school students.

## Technology Club

Technology club members are students that use their local high school membership to affiliate in a national club called the Technology Student Association. Club time is used to create prototypes that may be entered in design competitions. The club has been very successful placing in the top 3 over the past 15 years in the New Jersey State Technology Student Association Design Competition. The high school Design and Engineering class and the advanced CAD students make up most of the membership.

## LGBT Club

The LGBT Club works to raise awareness on issues related to the Lesbian, Gay, Bisexual, and Transgender community through education, advocacy, and activities.
