WILSON POTTER NOT COMPETITOR

Plans of the other two architects were presented by J. E. Grape of the buildings and grounds committee and after the routine business had been transacted they were looked over by the members of the Board but no definite action taken. The finance committee reported a plan for selling the bonds for the new school building and the district clerk was directed to advertise for bids for same. The bonds are to be of the denomination of \$1,000 each. The rate of interest will be included in the bids.

On recommendation of Mr. Dempsey it was decided not to close the schools on Friday, the thirteenth, the day following Lincoln's Birthday.

After several matters of routine business had been discussed and disposed of the meeting adjourned. All the members were present except Mr. Phillips.

JUBILEE MINSTRELS
GREAT SUCCESS

Entertainment Given by Golf Club Draws Crowded House.

REPEAT PERFORMANCE TONIGHT

The Jubilee Minstrels given by the Westfield Golf Club in the Playhouse last night was very well attended.

The program opened with several plantation selections by the orchestra which consisted of four pieces. The first part of the program was what might be called the "knocker's club" as many prominent members of the club and town, and police department, as well as the Town Planning and Art Commission, were "complimented" if you wish to call it such.

menter if you wish to call a "sucker."

One plantation worker thought he would surprise one of his friends by telling her that the Park Commission was thinking of planting fruit trees, such as pear, apple, etc., in the Park this spring but "Liza" did not seem to see anything wonderful about that as she said that you would find "pairs" in any park in the summer.

Fred Sturgis and his 4-11-44 hot-rod style automobile created some excitement. The machine was made entirely of wood and was amazingly noisy when starting.

The chorus "You Can't Get Away from It" depicted the tragic dance and received much applause, as did also the number, "There's a Girl in the Heart of Maryland." The members deserve much credit for the good work done during the hour and a half, the stage and the beautiful colored lights which made it very effective.

It is this that Master John Paul showed the people of America. He was a natural born actor. He did all the rest in the church, for the people did come regularly during. Again the color lights were changed to a blue and the song, "Let Me Hear Thee Tremble When I Pray," followed my Jimmy's father, then by Charles Clark and B. J. when friends and a real crowd had made up, they came was left on the jump. "A Surprise Finish," "A Surprise" and the number on the program and my body was now being well as usual. After a short while the orchestra, the emcee came and consisted of about half a dozen. I should have said, and not the one, because that the latest singles such as the ones in the

The entertainment consisted of a dinner with the entire company singing "My then best, Willie and I," and received encore after encore.

The program will be repeated on Tuesday night and the Club is confident a significant sum will be added to its treasury.

The cast is as follows:

Rob. Nolan.

At M. E. Church.

The annual banquet of the First Methodist Brotherhood of the First Methodist church was held in the old church building, last night and was attended by one hundred and seventy men including the members of the Brotherhood, and many guests. The dinner was a regular turkey dinner with cranberry sauce and home made mince pie and was prepared by the ladies of the church. It was served in usual excellent style and was one of the best ever. One of the turkeys served was said to be the largest ever seen in this town or in the State. It weighed over forty-one pounds and those who were fortunate enough to get a piece of it pronounced it the best they had ever tasted.

MANY IMPROVEMENTS NOW UNDER WAY

Tax Budget Laid Over Until Next Meeting---Public Service Corporation Denied Injunction

At the meeting of the town council on Monday night no objections were received against the improvement of Union Avenue from West Broad Street to First Street, Hazel Avenue from West Broad Street to First Street, Scotch Plains Avenue from West Broad Street to First Street, First Street from Union to Marion Avenues, and Austin Street from Scotch Plains Avenue, and an ordinance was introduced for these improvements and passed on first reading.

On the hearing for a sidewalk on Mountain and Highland Avenues from Walnut Street to Dudley Avenue and in front of lands of Lizzie V. Hale and L. D. Calkin between Dudley Avenue and Sinclair Place on the westerly side of Highland Avenue objections were received from H. M. Hale, H. A. Hale, H. G. Mooney and others. After consideration of these objections by the council an ordinance was introduced and passed on first reading.

Several petitions for improvements were received. Residents of Railway Avenue asked for a macadam pavement on that thoroughfare. Property owners on North Street petitioned for macadam, curbing and concrete gutters from Central Avenue to Ripley Place. Another petition asked for macadam in Lincoln Road and Webster Place. All the petitions were referred to the road committee.

The ordinance pertaining to the tax budget which was passed on first reading at the last meeting was laid over until the next regular meeting.

On recommendation of Councilman Davis of the finance committee, A. C. Fitch will be continued in the tax collector's office as an assistant to Tax Collector Clark until March 1.

The Board of Assessors presented reports on the sewers laid in Hazel Avenue, Union Avenue, Scotch Plains Avenue, Doring Road and First Street. The cost to the property owners was assessed at \$5,690.38. The east main sewer cost \$6,653.18 and the improving of Union Avenue, Railway Avenue and West Broad Street cost the town \$14,710.29 and the property owners \$15,417.18. Hearings were set for March 2 on these reports.

Residents of Edgewood Parkway petitioned the council for the improvement of that thoroughfare which is at present ungraded and in a dangerous condition.

Fire Chief Decker presented his report of the Fire Department. The report showed that the apparatus was in good condition. The Chief also reported that the horse known as "Bill" was not in fit condition for use.

A communication was received from Town Attorney Oliver stating that the Court of Errors and Appeals has affirmed the order of the court of chancery denying an injunction to the Public Service Corporation in its suit against the town of Westfield. The communication was ordered placed on file. As a result of this decision the town now has a right

Last Sunday the Men's Forum of the First Methodist Church discussed "The Woman in Public Life" at its meeting in the auditorium of the church at the close of the morning service.

The principal speaker was Mrs. W. A. Corbett who spoke on "Woman's Influence Through the Church on the Outer World." Others who took part in the discussion were L. H. Leggett, F. E. Ham, Rev. G. GIRLS CANVASING FOR DISTRICT NURSING ASSOCIATION.

Members of the Sociological Club in this town have begun a house to house canvas in the interest of the District Nursing Association. It has been thought for some time that there are many people here who would subscribe if they were personally asked to do so and the young ladies of the Club kindly volunteered to make a personal canvas of the town between now and May 1.

The young ladies of the club who have interested themselves in the work are Miss Mildred Games, Misses Grace and Elsie Philip, Misses Elizabeth and Dorothy Ames, Miss Marjorie Johnson, Miss Perkins, Miss Harriet Coddling, Miss Marjorie Dohrman and Mrs. Douglas Smyth, chairman of the Ways and Means committee of the association.

PARENT-TEACHERS ASSOCIATION DISCUSSES SEX HYGIENE.

Mrs. Randall D. Warden, of Newark, who is connected with the civics and settlement work in that city, gave a very interesting and instructive talk before the members of the Parent-Teachers Association of the Grant school at the home of the president, Mrs. W. L. Bunnell, on Stanley Oval, Monday afternoon. Mrs. Warden spoke on "Sex Hygiene." She urged the teaching of it in the home but did not approve of it being taught in the schools. Her talk was delightful and much appreciated and at its close a rising vote of thanks was given her by the forty members present. Mrs. Warden's husband will address the association in April.

The association is planning to hold a social affair in the assembly room of the Grant school some time this month. A resolution was presented to the association by the committee of fifteen against the granting of any new saloon licenses in the town. After consideration it was decided to uphold the committee in its efforts. Before the meeting adjourned refreshments were served.

When public endorsement is made by a representative citizen of Westfield the proof is positive. You must believe it. Read this testimony. Every sufferer of kidney backache, every man, woman or child with kidney trouble will do well to read the following:

H. Wragg, 205 Elmer Street, Westfield, N. J., says: "I hold just as high an opinion of Doan's Kidney Pills today as I did several years ago. While I have never had occasion to take this remedy for any length of time, the amount I did use acted beneficially. Other persons of my acquaintances and also different members of my family have taken Doan's Kidney Pills and I know that in these cases the remedy has lived up to representations. I do not hesitate one moment in making the merit of Doan's Kidney Pills known."

ROOF BURNED FROM TAYLOR HOMESTEAD

The residence of Charles F. Taylor on Fourth Avenue in the Oakland section was saved from being burned to the ground on Monday night about eight o'clock by the good work of the Westfield Fire Department. The roof of the house was a mass of flames when the firemen arrived in response to an alarm. The fire did not get beyond the third floor as the firemen soon had a stream of water playing on the blaze and kept it confined to this story. The rest of the house was flooded with water.

The fire was discovered by Charles Taylor, a son, who saw the flames issuing from the front of the building and he gave the alarm. The members of the family gathered their valuables and clothing and removed them to a place of safety. The house was built over twenty years ago and was a frame structure and one of the largest dwellings in the Oakland section. The damage is estimated at \$2,000, covered by insurance. It is thought that the fire started from sparks from the chimney.

Harry E. Clure, who has just recently been made a member of the fire department, had his hands and face singed while holding the nozzle of the hose.

SURPRISED ON THIRTIETH WEDDING ANNIVERSARY.

Last Saturday evening, Mr. and Mrs. Alexander McL. Rowland were tendered a surprise party at their home on Euclid Avenue by a number of their friends in honor of the thirtieth anniversary of their wedding. Although taken by surprise Mrs. Rowland responded in a fitting manner. During the evening Mrs. Arthur Rowland sang several contralto solos and Harry Kniffin and Adolph Ganzel, accompanied by Miss Belle Walker, gave mandolin and vocal solos. Mr. Ganzel also gave several monologues. Dancing was enjoyed until 11:30 to the music of a victrola after which supper was served by Mrs. Gideon Ludlow.

Those present were Mr. and Mrs. S. L. Kniffin, Mr. and Mrs. E. R. Merry, Mr. and Mrs. F. S. F. Randolph, Mr. and Mrs. W. R. Darby, Mr. and Mrs. A. N. DOG FRIGHTENS THIEVES AWAY.

The barking of a pet dog at the home of A. R. Whitman on Prospect street last Saturday night frightened away thieves who had planned to rob the house. The family was awakened by the barking of the dog and Mr. Whitman came down stairs and found the front and rear doors wide open. The police were notified and an officer and Mr. Whitman made a search of the house but found nothing missing.

Woman Suffrage

Pro and Con

WOMAN SUFFRAGE AND THE LIQUOR QUESTION.

Some weeks ago a very humorous, though vigorous, effort was made in the columns of The Standard by an Anti-Suffragist to convince the public that a victory for woman suffrage meant a triumph for the liquor interests. The undersigned challenged the statement and in refutation gave the history of an incident in one of the Counties of Michigan where the retail liquor dealer's association had taken one of the leaflets issued by the Michigan State Association opposed to Woman Suffrage and sent it to every newspaper in the County, with instructions to insert it as a display advertisement at the expense of the liquor dealers association. Quotations were given from the official organ of the liquor interests in Wisconsin and from the "National Forum", the official organ of those interests in Montana, showing their open hostility to the Woman Suffrage movement, which hostility they based on the ground that a victory for that movement meant the ultimate destruction of the saloon and the liquor traffic in those States.

The latest chapter in this story is rather interesting reading and ought to act as a damper upon any further efforts of the Anti-Suffragists to throw sand in the eyes of any one whose vision is not already impaired.

The story which is taken from the Anaconda, Mont. "Standard" and the "National Forum" itself runs in this wise:

Miss Clara E. Markeson, of Columbus, Ohio, went to Butte, Montana and called upon the publishers of the "National Forum", representing herself as the personal agent of Mrs. Arthur M. Dodge, President of the National Anti-Suffrage Association, and proposed to the publishers that they withdraw their open opposition to suffrage and confine their efforts to silent work, leaving the open campaign to be carried on by the women themselves. The comments of those papers upon Miss Markeson's visit are put as follows: The Anaconda Standard says: "The campaign for woman suffrage in Montana is not to have an unopposed course, for preliminary plans have been set afoot throughout the State to organize a vigorous opposition. Up to this time the opposition has come chiefly from the liquor interests, but now a national movement has entered the situation, and the first thing that has engaged its attention is the elimination of the liquor interests' activity, and especially that of the organ of the Montana Protective Association, the contention having been that such opposition was doing the cause of equal suffrage more good than harm."

The National Forum itself says: "The statement made to the effect that the publishers of the National

Forum had agreed to enter Markeson's proposed campaign, and had agreed to change the policy of the paper to suit her wishes, is entirely inaccurate, inasmuch as nothing was agreed upon except Miss Markeson agreed to return to Butte with two or three other ladies about the first of March, and at that time she would lay her campaign before us for our consideration and possible approval for co-operation. Miss Markeson suggested that the interview and her mission to Montana be kept strictly confidential and secret. We kept our faith with her and we do not understand the reason for the wide publicity given her movements here.

"The policy of the National Forum for the past six years has been to fight the opponents of the interests which it represents fairly and squarely and in the open. It has taken the position that any business which cannot stand before the public and fight for its existence openly and in day light will not be tolerated. The efforts of the paper have always been for the uplifting and the betterment of the business it represents, and neither the paper nor the organization back of it has ever resorted to any such methods as those of the liquor traffic in those States.

"Miss Markeson's position as stated in the Standard, as to the withdrawal of the sale of liquors in the woman suffrage fight in Montana, is criticised, principally for the reason that it shows she does not fully appreciate the intelligence of the women of Montana, nor of the women of the State. The women of Montana and also the women of the State are well informed and too intelligent to be led astray by the policy of any interest, such as those represented by the National Forum. Knowing this, and appreciating the high intelligence of the women of Montana, the National Forum has never made an effort to deceive them as to the effect of the interests behind it. The policy of this paper will remain all the same, to try to do the best for the women of the State by the publication of the facts of the situation of the National Forum, and to have the facts of the situation of the liquor traffic in Montana, and the policy of the liquor traffic in the future as it has in the past."

Without making any comment on the ethics of Miss Markeson's visit, or Mrs. Dodge's method of leading her on such a mission, let us speak fairly and calmly for the liquor traffic. It is to be hoped that the liquor traffic will continue to be a part of the future as it has in the past."

CONGREGATIONALISTS DINE

First Monthly Dinner in the Parish House
A Great Success

The Congregationalists and their friends to the number of nearly two hundred discussed a most interesting report at their Parish House last Friday evening, January 30th. The gathering was like a huge family party, and everybody present seemed to enter into it with this idea in mind. At the conclusion of the gastronomic portion of the program Mrs. Loomis made an informal announcement concerning the purpose of the dinner, and with whose wit and a touch of sarcasm outlined the program which it is proposed will be followed during the coming months. Dr. Loomis was presented as the toastmaster of the evening, and easily maintained his reputation as an after dinner speaker.

When he had finished his introductory remarks, the Doctor called on Mr. Ellsworth, Mr. Salter Stors, Clark, Rev. Mr. Goodwin and others, all of whom responded in a happy manner.

The Ladies' Committee, who had the dinner in charge, are to be congratulated upon the unqualified success of this initial gathering.

PUBLIC INSTALLATION FOR DAUGHTERS OF LIBERTY.

Pride of Our Flag, Council No. 161, D. of L., will hold a public installation of Officers in Odd Fellows Hall Thursday evening, February 12, at which time the friends and all interested in this organization are welcome. The doors will be open to the public about 8:15.

This Council has made its first step toward a boom meeting for Union County. A committee has been appointed who are conferring, with the other Union County Councils, and expect to make it a big success, and give an increase in membership to the incoming State Council, Mrs. E. M. Holmes, which will not only please her but be a credit to Union County and Pride of Our Flag Council No. 161 in particular.

MUCH SMOKE BUT LITTLE FIRE.

The white automobile of the fire department answered a still alarm sent from the home of Dr. R. R. Sinclair, on Elm street, last Saturday night.

When the firemen and auto arrived it was found that an overheated pipe had caused the casings to take fire. The damage did not amount to anything but the house was filled with smoke.

AULD FOLKES CONCERT.

The social and literary circle of the Methodist church are planning for an "Auld Folkes Concert" to be given on February 19. About forty ladies will take part, being dressed in old fashioned costumes.

The singing of many of the old songs will be a feature of the evening. Everyone should reserve this date and go and have a good time.

FRIDAY FEBRUARY 6, 1913.

Mrs. Sheild.

In the death of Mrs. Sheild, Westfield has lost one of its most earnest church and charity workers. For many years Mrs. Sheild has been prominent in the Children's Country Home, Needlework Guild, District Nursing Association and Church work of our town, and her loss will be felt by all those who have been associated with her in the noble enterprises which our town has been so prominent in supporting. The town and her church will miss Mrs. Sheild and mourn the loss of one of their most benevolent spirits.

The New High School.

It is a great disappointment that so few architects responded to the invitation to enter the competition in submitting plans for our new high school building, which brings us to the question as to whether it is the wisest and best procedure to undertake such improvements in competition. Architecture is not a trade, it is a profession, and anything in the competitive order robs the calling of its proper dignity. From those who have had the largest experience in building, we learn that competitions do not insure the services of the best and most experienced men in the profession. However, since we have entered into this program, we trust the very best will come of it. In all events, we are assured that there are nine men upon our School Board who are fully qualified to judge all the merits of the case, and feel that the matter is entirely safe in their hands. There is one thing, however, that we hope will be kept constantly in mind; viz., that this is the one central building of our school system. It is to be located on one of the most prominent streets of the town, and should be up to the latest standard in equipment and facilities as well as architecturally beautiful. Since we have undertaken this important matter, it is to be hoped that the best and most up to date high school building in the State will be erected in Westfield as a result of this undertaking.

More Light.

With the improvements around our station and the business section of our town, there seems to be one very necessary feature which has been overlooked, viz., the proper lighting of the north side of our depot approaches. The numerous automobiles and carriages, together with the large number of pedestrians who leave the depot at train time, need a more generous distribution of high powered lights than is now furnished. We would suggest for the consideration of the Street Lighting Committee that a couple of ornamental standards on the south side of North avenue, at either side of the park entrance, would not only furnish the additional lights, but at the same time create a very favorable impression to visitors and to those who pass through on the train. This subject is one of considerable importance from many standards, and we believe it one that would be well worth the time of our lighting department to take into careful consideration. It is possible the railroad company would join in a comprehensive lighting scheme that would not only lend charm to their property, but would furnish the light so much needed at this point.

Our Trees.

In connection with the very able article which appeared in The Standard two weeks ago, written by the Secretary of the Park Commission, entitled, "Shade Trees, Their Importance", and placing a true value upon the trees of our town, we believe there cannot be too great an importance placed upon this

one of our greatest assets. At the same time, we should be consistent. If the trees are of as great a value to the beauty and welfare of our town as they are universally accepted to be, are we paying as much attention to their care and preservation as we should?

We have in the past farmed out the trimming and care of the trees to a contractor at so much per tree, which seems to us not the best mode of procedure. The work should be done by someone experienced in the care and treatment of trees in a way that would preserve their greatest value at whatever the cost. There is entirely too little incentive for proper treatment in a per tree contract, and the average contractor does not know anything about forestry. During the trimming season, the service of one qualified to do the work should be employed, and a gang of men given him that the trees may receive the trimming and treatment they need to preserve them for their greatest value to the town.

Mr. Griffin's Position.

On another page is found Mr. Griffin's reply to the protest of our Council against the small board of freeholders bill. It is very evident that Mr. Griffin had his mind made up for some months that he would accept the first opportunity to push through the Legislature the small board of freeholders bill. Mr. Griffin's reply to the protest leaves little encouragement but to believe that we have nothing but an opponent in Mr. Griffin as regards this piece of legislation which we have so long feared was a part of the program of the politicians in Elizabeth. Let us hope that the tremendous protest which is being put up by the people in Union County and other counties will serve to defeat this bill before it goes to the Governor, or, as a last resort, let us hope that Governor Fielder will see the inconsistency of his position in recommending the correction of the evil in the Assembly districting, of which he has advocated the creation in the small board freeholder bill and veto the bill if it gets to him.

A Bad Choice.

Each day brings a protest from some new source against the proposed small board of freeholders bill. There is not a community outside of Elizabeth that takes any comfort in the anticipation of the control of county affairs by a small board, chosen by the political gang of Elizabeth. All this agitation and discomfort would have been spared had Mr. Griffin given us his views on the small board bill during his campaign last fall. Although Mr. Griffin was the father of the last small board bill, which resulted in the election held under it being declared unconstitutional, our people seemed to have forgotten this fact, and went to the polls and honored Mr. Griffin by a reelection last fall. After all, how short are our memories and how bad are our choices at times.

NICHOLAS H. DENNIS.

Nicholas H. Dennis, 84 years old, father of Ex-Mayor J. Alston Dennis, died on Monday morning at the home of Mrs. E. Wheeler, 133 Prospect street, after an illness of two weeks. Mr. Dennis was born in Boston, Mass., but had been a resident of this town for the past thirty years. His wife died sixteen years ago. He is survived by three sons, Henry Dennis, of New York; Robert Dennis, of Jersey City; and J. Alston Dennis of this town. The funeral was held at the Wheeler home on Wednesday afternoon at 2:30 and was private. The service was conducted by Rev. Dr. S. L. Loomis of the Congregational church. Interment was made in Fairview cemetery.

MRS. ANNIE JEPSON.

The body of Mrs. Annie Jepson was brought to this town on Tuesday afternoon and interred in Fairview cemetery. Mrs. Jepson was 91 years old and was the mother of the late Andrew Jepson, who several years ago kept a florists place on Prospect street and who died here about eleven years ago. Mrs. Jepson made her home with her son here until his death and then went to live with her son Jepson, of 258 East 34th Street, Brooklyn, at whose home she died. She is survived by three sons, Samuel Jepson, of Chicago; Jepson, of Brooklyn; and Peter Sorrenson, of this town. Thirteen grandchildren also survive her.

Mrs. Mildred Christian Sheild.

Mrs. Mildred Christian Sheild, wife of Edwin Sheild, died at her home, 532 East Broad Street, on Wednesday morning about six o'clock. Mrs. Sheild had been a resident of this town for about twenty-five years. Besides her husband she is survived by three children, Miss Etta Sheild, of the University of Chicago, Edwin Sheild, Jr., and Newell Christian Sheild. Mrs. Sheild had been an active member of the Episcopal church for many years. She was also a director and secretary of the Children's Country Home, secretary of the District Nursing Association, and a member of the Woman's Club. She was well known here and had a host of friends who are shocked to hear of her death. The funeral was held this afternoon at 2 o'clock from St. Paul's Episcopal Church and was conducted by Rev. Harris C. Rush and Rev. James A. Smith. Interment was made in Fairview cemetery.

Mrs. Laura Coard Mumford.

Mrs. Laura Coard Mumford died last Friday night at the home of her nephew, William J. Taylor, 546 Westfield avenue. Mrs. Mumford was the widow of Charles Mumford and was 73 years old. She is survived by two children, John C. Mumford, of Bloomfield, and Miss Mary E. Mumford, of White Haven, Pa. The funeral was held on Monday afternoon at 2:30 from the Taylor home and was conducted by Rev. G. Franklin Ream of the First Methodist church. Interment was made in the Taylor plot in Fairview cemetery.

A CORRECTION.

The Standard last week published a list of the freeholders of Union County furnished to this paper by the freeholders themselves. There were but twenty names in the list and there should have been twenty-one. The member omitted was Barton P. Hall, freeholder from Fairwood.

Queerest of Trades.

Mr. Chesterton once wrote a book called "The Club of Queer Trades." One of the queerest trades in real life is that of the elderly South London man who stands duty at a very congested crossroad and assists children over the thoroughfare. Some 15 years ago he started this occupation out of sheer benevolence, and has been doing it ever since. The small sums and the Christmas gifts he receives from the parents of the children serve to eke out his pension.

Small Boy's Essay.

A youthful American citizen for the time being resident in Germany was asked to observe Independence day by writing "a patriotic American composition." Bobby chose "The Cow" for his subject, and this was the essay he turned out: "The cow is an animal. She has two horns and four legs and a tail. Sometimes this tail waves. Long may it wave over the head of the frog and the horse of the brave!"

Genuine Plity.

"Mr. and Mrs. Whiffer never have any arguments." "How does that happen?" "Mr. Whiffer won't argue." "The poor woman!"—Birmingham Age-Herald.

How Cat Caused Fire.

A cat caused a fire in a dwelling house at Port Glasgow, (Renfrew), recently. A hot cinder fell on the cat lying in front of the hearth. The animal darted under the bed, and the cinder fell among some clothing and set the place on fire.

STAR GUNNERS TO SHOOT IN SPORTSMEN'S SHOW TOURNAMENT.

The list of entries received to date by the officials of the championship trap shooting tournament to be held in connection with the big Sportsmen's Show in Madison Square Garden, New York, February 21 to 27, includes the names of the greatest professional and amateur champions and the ladies' indoor championship and will bring out the finest field of experts ever seen in competition at the traps. Among the best known professionals who will face the traps will be: W. B. Darton, last year's indoor champion, who will shoot for the Marlin Fire Arms Company; Neaf Apgar, of the Peters Cartridge Co., Frank Stevens, of the Remington U. M. C. Company, H. S. Wells, of the Deadshot Powder Company, and T. A. Davis, of the Winchester Repeating Arms Company. Many other prominent professionals are certain to compete, but their entries have not yet been officially received.

The men's amateur field will include scores of the best wing and head shots in the East. Among those certain to be seen on the range are: D. F. McMahon, of the N. Y. A. C.; J. H. Hendrickson, of Jamaica, Long Island; Charles Van Rone, of Bridgeport, Conn.; C. H. Sewcomb, of Philadelphia; Dr. C. H. Martin of White Plains, N. Y.; M. K. Guggenheim, the millionaire champion of Westchester County, N. Y.; and Dr. D. L. Culver of the N. Y. A. C. This is but a handful of the best known amateurs who will compete, the full list including about 150 men, all crack shots.

Among the most prominent women gunners, whose contest will be a new and attractive feature of the tournament, are Jane Houghton, of New York; Mrs. L. G. Vogel of Detroit, Michigan, the world's champion women live-bird shot; Jessie Thorp, the sixteen-year-old marvel of Mt. Vernon, New York; Mrs. F. F. Rodgers, Stamford, Conn., winner of the Long Beach Tournament last year; Miss Rita Brown, of New York and Miss Mabel F. Rose of New York.

The water sports carnival will include swimming races, diving contests and water-polo games, with the best known professional and amateur watermen in the east as competitors. The events will be conducted under official sanction in a tank 60 feet long, 30 feet wide and of a depth ranging from four to eight feet and are expected to prove one of the most attractive features of the program. Other interesting events will be the fly casting contest, in which some of the most noted anglers in the country will compete; the school boys rifle shoot and a life saving exhibition by the United States Volunteer Life Saving Corps.

The greater part of the huge enclosure will be filled with the booths of exhibitors, who will include the representative fire arms and sporting goods houses of the country. The outdoor lover will find displayed under the most attractive surroundings, every form of equipment and paraphernalia known to the sporting world, from a baseball to the full kit of an African hunting expedition.

Simplcity in Higher Life.

The higher we rise the simpler we become. There is a childhood into which we have to grow, just as there is a childhood which we must leave behind; a childhood which is the highest gain of humanity, and a childishness from which but few of those who are counted the wisest among men have freed themselves in their hinged progress towards the reality of things.—Geo. MacDonald.

Golf an Ancient Game.

One of the few publications issued for extended circulation by the Brothers of the Book is entitled the Links of Ancient Rome. It is in Latin, and purports to show that the dignified game of golf was played on early Roman greens by characters who are famous in history. The Brothers of the Book is an organization of idealists in more or less widely separated cities. The headquarters are in Chicago.

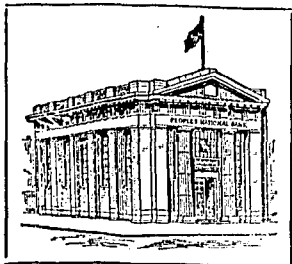

VOCATIONAL TALK ON THE TELEPHONE.

G. W. Ross, of the New York Telephone Company, gave a very interesting and instructive address before the pupils of the Westfield High School in the chapel of the Washington school yesterday morning on "The Wonderland of the Telephone."

Mr. Ross told of the invention of the telephone and how it came to be invented. He said that at first the lines were run over the roofs but soon pole lines came into use and were found to be more satisfactory.

Mr. Ross showed many pictures, illustrating the different phases of telephone work.

The address and illustrations were much appreciated by the pupils. It was one of the series of vocational talks which the principal of the school, R. E. Martin, has arranged to be given during the school year.

WOMEN PLAN WORK AMONG OUR ALIENS

The Social Service Committee for work among aliens, met Wednesday afternoon in the Methodist church, Mrs. Harkrader presiding.

After a short devotional service, a number of matters of importance were taken up and a vigorous campaign for the future was planned. Miss Randolph reported progress for the sewing class. Miss Tucker reported a steady growth in her department, manifested by the increase in number of teachers and women being taught.

The committee has planned to circulate literature among the foreigners, giving needed information regarding accidents at work, using P. O. money orders, regular State banks for deposits and the advantage of learning English at night school.

Miss McKenzie, the District Nurse, had expected to be present and give some helpful hints to those who are visiting in the homes, but was unable to be present on account of her pressing duties.

Unlike Most Visitors.

The perfect baby had reached the age when he could eat, an accomplishment in which he indulged himself most of the time when not otherwise engaged. "He is the most work coming visitor I ever had," said the mother, proudly. "He just lies and talks to me by the hour." "Isn't that nice," replied the caller, "so unlike most visitors—they just talk and lie to you by the hour."

Meen Farmer.

The meanest man on record is said to be a farmer who lives in Kansas. He sold his son-in-law one half a cow and then refused to divide the milk, maintaining that he sold only the front half. The buyer was also required to provide the feed the cow consumed and compelled to carry water to her three times a day. Recently the cow hooked the old man, and now he is suing his son-in-law for damages.

To Stop a Leak.

To stop a leak in a rubber pipe and yellow soap into a rubber pipe with a little water. Apply this to the place where the leakage is and it will be instantly stopped. A visit from the plumber will still be necessary, but there is no special hurry for more radical repairs.

Fearful to Kill Sawdust.

One day small Oscar was playing with a doll and some of the sawdust leaked out from the floor. Soon after Oscar's mother called him to her to trim his finger nails and Oscar said: "Don't trim so short, for all the sawdust will come out."

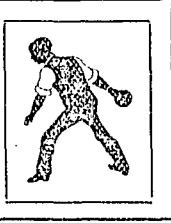

Evidently Not.

The fellow who said, "One-half of the world does not know how the other half lives," evidently did not exist in a period of Ladies' Aid societies, Thursday Afternoon Whist clubs, Ladies of the Round Table, Sewing Circles and like organizations.—Judge.

JUNIORS DEFEAT WOODMEN.

The Woodmen of the World team of Garwood proved itself not to be in the same class with the Jr. O. U. A. M. team last night on the Westfield Theatre alleys when that team took three straight games from the Garwood woodchoppers. The Woodmen never had a look in. Every man but one on the Junior team hung up a two time score. Archbold failed to reach the high mark while Baker posted one in the second and one in the third. The scores:

WESTFIELD vs. ROSELLE.

Westfield and Roselle rolled a return match on the Westfield Theatre alleys Wednesday night with the result that the local bowlers took two games straight. The Roselle bowlers were not in the running at all and were beaten out by several pins. Ehmling of the local team hung up a 220 score in the initial game and Jones 204 for Roselle.

In the one-man matches between Stegmeier and Winkler the latter was winner, taking three out of the five games. Both men posted some excellent scores.

In the three man matches Westfield again proved its superiority over Roselle.

ARCANUM LEADS LEAGUE.

The Royal Arcanum team of the Fraternal Bowling League took second place in the league on Tuesday night when they defeated the Red Men, three straight games. The Red Men did not put up their usual good game. In the second game the Indians had a lead of 65 pins at the beginning of the fourth frame but the Arcanumites kept plugging away and whittled this lead down and when they went into the tenth frame were twenty pins ahead. Only one two time score was hung up and that was made by Forster in the last game when he posted 211.

WOODMEN TAKE TWO.

Westfield Camp, Woodmen of the World bowling team and the Immediate Aid team, who are occupying the cellar position in the League, rolled three games on the alleys of the Westfield Theatre and the Woodchoppers captured the first and second games but failed to land the third. None of the Woodmen bowlers reached the two hundred mark, while Miller, who took the place of Lambert on the Immediate Aid team in the last game, posted 214. Powles, of the same team, hung up 200 in the same game. Jack Miller of the Woodmen retired in favor of William Brown after the first game.

Three of the members of the Baptist team posted scores in the two time class. Worth posting 210 in the first, and Gilmore 202 and Charlie Ortleb 204 in the second. In the first game Ortleb, who is a star bowler generally, only posted 98. None of the Congregational team reached the two time mark. The scores:

S. S. L. BOWLING NOTES.

Due to a change in the schedule Trinity will meet Presbyterian tonight and Congregational will meet Presbyterian next Friday, so Ed McMahon's hustlers will go after the boys from the big white church tonight.

Charley Kimball's team has bowled so much lately that they need a rest to recuperate. We hope the lay-off for a week will do them good and put some good games into their systems.

Looks as though that Presbyterian-Baptist clash on the 20th might just about settle the championship for this year. It has been a fight between these two teams all season.

Worth and Kimball picked off some splits last week that had the spectators hopping around for a while. Ever notice how Worth gets that "7" pin.

Ed Witke's team will be busy the next three weeks as they meet Trinity, Congregational and Baptist, one right after the other. They ought to

be tuned up for that match on the 20th.

Ehmling and Ortleb are practically tied for the individual average with Gilmore a close third. It looks as though one of these men would finish on top at the wind up.

BOWLING SQUIBS

My, but didn't the Arcanumites take the wind out of those Indians on Tuesday night!

"Pop" Forster was the only two time man on either team. He posted 211 in the last game.

That 65 pin lead in the fourth frame of the second game looked big to the Indians but it didn't last long.

Stegmeier came within one of posting a two time score in the first game.

Tobin of the Arcanum team posted three good scores.

While Frank Miller only bowled one game for the Immediate Aid team on Monday night he hung up a 214 score which helped a whole lot in their winning the last game from the Woodmen.

Powles posted 200 in the last game for the Immediate Aid team.

Jack Miller bowled 181 in the first game for the Woodmen and then gave way to Brown, who bowled the remaining two.

French of the Immediate Aid was not in his usual pinning form as was evidenced by the two low scores in the second and last games.

W. H. S.—81; CRANFORD—3.

The Cranford High School team refused to play the second team but from the result they might better have played the third or fourth team. The game was little better than a shooting practice for the High School since C. H. S. only had five shots at the basket. Ewing had a fine chance to raise his total number of baskets which opportunity he took advantage of scoring 16 field goals.

Summary: W. H. S. C. H. S.

NORTH PLAINFIELD'S GIRLS' WINNING STREAK BROKEN.

After winning eleven games with little difficulty, the North Plainfield girls went down before the strong Westfield attack in the bitter game of the double-header Wednesday. North Plainfield was outplayed in both halves and had little chance to display the fine shooting which won the last eleven games for them. As usual Misses' Pearsall and Kjellmark outplayed their opponents while Miss Martin held the Plainfield star scoreless.

"CUBS" SCHEDULE NEARLY COMPLETE.

Cubs will meet the Westfield H. S. about April 18th in their first game of season and will likely face their old teammates Crutenden and Pearsall who will probably pitch a bait game apiece for the High School.

It is likely that the Cubs will have to play out of town for the first part of the season, unless they can make arrangements for a playing field, as it is not sure that Recreation Park can be secured.

Cowperthwaite, last season of Dartmouth, will make a strong bid for third base this season in the Cubs infield, and from all reports he will have little trouble showing the Cub's Manager that he has the goods. If George Young comes back without having Joe Tinker signing up a Federal League contract before he leaves Pittsburgh, with Ed McMahon, there will be

some little fight for the third base job. Capt. Green has first base all to himself; for anyone who can beat him out should be down south looking after Fred Merkle's job.

B. A. C. TRIMS SCOTCH PLAINS SECOND.

The B. A. C. vs. Scotch Plains second game proved to be a cinch for the local club, which won 48-24.

Team work was responsible for the B. A. C.'s victory, lucky shots for most of S. P. P. H.'s points. Allegar and Saunders were ruled off the floor in the first two minutes of the second half. Taylor's shooting was the feature of the game.

Summary: B. A. C. S. P. P. H. (2)

Poole right guard Marston

D. Gilmartin left guard Anson

Field goals—Taylor 9, Day 5, D. Gilmartin 4, Trimbale 1, Poole 1, Allegar 3, Hall 4, Saunders 1, Jespersen 4, W. Gilmartin 1.

Foul goals Hall 3, Marston 1, Taylor 1, Allegar 1.

Subs—Trimbale for Allegar, Hohenstein for Day, W. Gilmartin for Saunders.

KEARNEY PROVES EASY FOR GIRLS.

The team advertised as Arlington turned out to be Kearney, also proved to be an easier game than was anticipated. It was all Westfield, from whistle to whistle. While the local girls were amassing 27 points in the first half Kearney was working hard to score five. In the last half with all the substitutes they had a harder time scoring only 7 points to Kearney's 2. Miss Pearsall was the star of the game, scoring 11 baskets, 7 of them in four minutes.

Summary: W. H. S. K. H. S.

Kjellmark right forward Carling

Pearsall left forward Ferrie

Howarth center Schillat

Lockwood side center Hagenbush

Martin right guard Klien

Field goals—Miss Kjellmark, 5, Pearsall 11, Carling 2.

Foul goals—Kjellmark 1, Ferrie 3, Referee—Westervelt. Umpire—Miss Morris. Timer—Ewing.

NORTH PLAINFIELD BOYS TAKE SECOND GAME.

Dunning proved too much for the team to hold. As a result, the High School went down to defeat again before the strong quintet from North Plainfield 40-24. Dunning had a habit of being too numerous. He shot ten field goals and yet was always on hand to keep his man from scoring. Including the fouls he shot Ewing was only 2 points behind but the rest of the team was way off, Pearsall being the only man to score.

PLIO LOSES SECOND GAME.

Last Friday night the Plio Club lost their second game of the season to the High School. The High School owed their victory in a large measure to their ability to shoot, as Plio played much better team work. The game was close, however, as the High School led by only 2 points each half making the final score 15-11. While the High School won they are capable of a much better game than they put up last Friday. Pearsall and Ewing were the only H. S. players up to their usual form. Mrs. E. H. Faulkner and Mrs. E. B. Prouditt chaperoned the game and dancing.

Dear Mr. Newcomer:

ORGANIZATION OF YOUNG MEN DOING NOBLE WORK

(Continued from Page 1.)

The company has been a success under Captain Wittke, and is in better shape today with the exception of lacking a few uniforms, than at any other time. The list of the company's officers are now completed and are as follows: Captain—E. W. Wittke; First Lieutenant—S. H. Reese; Second Lieutenant—R. S. Tice; First Sergeant—G. Howarth; Second Sergeant—G. B. Dushanek; Third Sergeant—L. Catto; Fourth Sergeant—W. Kennedy; Corporals—R. Stiles, W. Bush, H. Coddington, P. Hoffman, and H. MacMillan; Quartermaster—Sergeant—G. H. Stevens.

The first drill was held November 13, 1908, and on November 23, 1908 a constitution was adopted, and a month later the uniforms were purchased. The present uniforms having been used for five years.

In May 1909, the company successfully presented the play "Hiawatha," at the Casino, the proceeds of which purchased our rifles. In April, another entertainment was given at the Parish House.

The outdoor attractions and activities of the company have been many. Numerous sham battles have been fought in the mountains and around the deserted village. These have been a source of great profit to us. In these maneuvers everything is made as nearly like a real battle as possible. The company is divided into two platoons, each commanded by a lieutenant, who must do his own campaign planning and actions. Locating the enemy, routing them from their position, retreating, skirmishes, scouting and the like, make this one of the most interesting parts of our work. The top of the stone crusher is a favorite place for signaling, as the trolley line is visible from its summit. Signaling with flags, which in the distance look like small handkerchiefs, is very interesting.

An exhibition drill and dance is held in the High School Auditorium by permission from the Board of Education at the close of the drill season. Admission to this is by invitation only, and each year the applications for these affairs are increasing. Invitations, as far as possible, are given only to those having an interest in our work, and not to those seeking merely a good time. The last exhibition drill was viewed by the Commander-in-Chief of the U. S. Boys Brigades, Major-General H. Hartman, of New York City. The members worked hard for that drill and it was indeed a pleasure to the officers to see the fine result of their year's work.

The Westfield company was the Boys organization of any character in the famous Maine Memorial Parade in New York City on December 1st last year. Other than no organization other than Government and State Militia were in parade. With our company flag, a company front, passing Ex-President Taft in the reviewing stand. This was the first time a Westfield company ever took part in a parade in New York City.

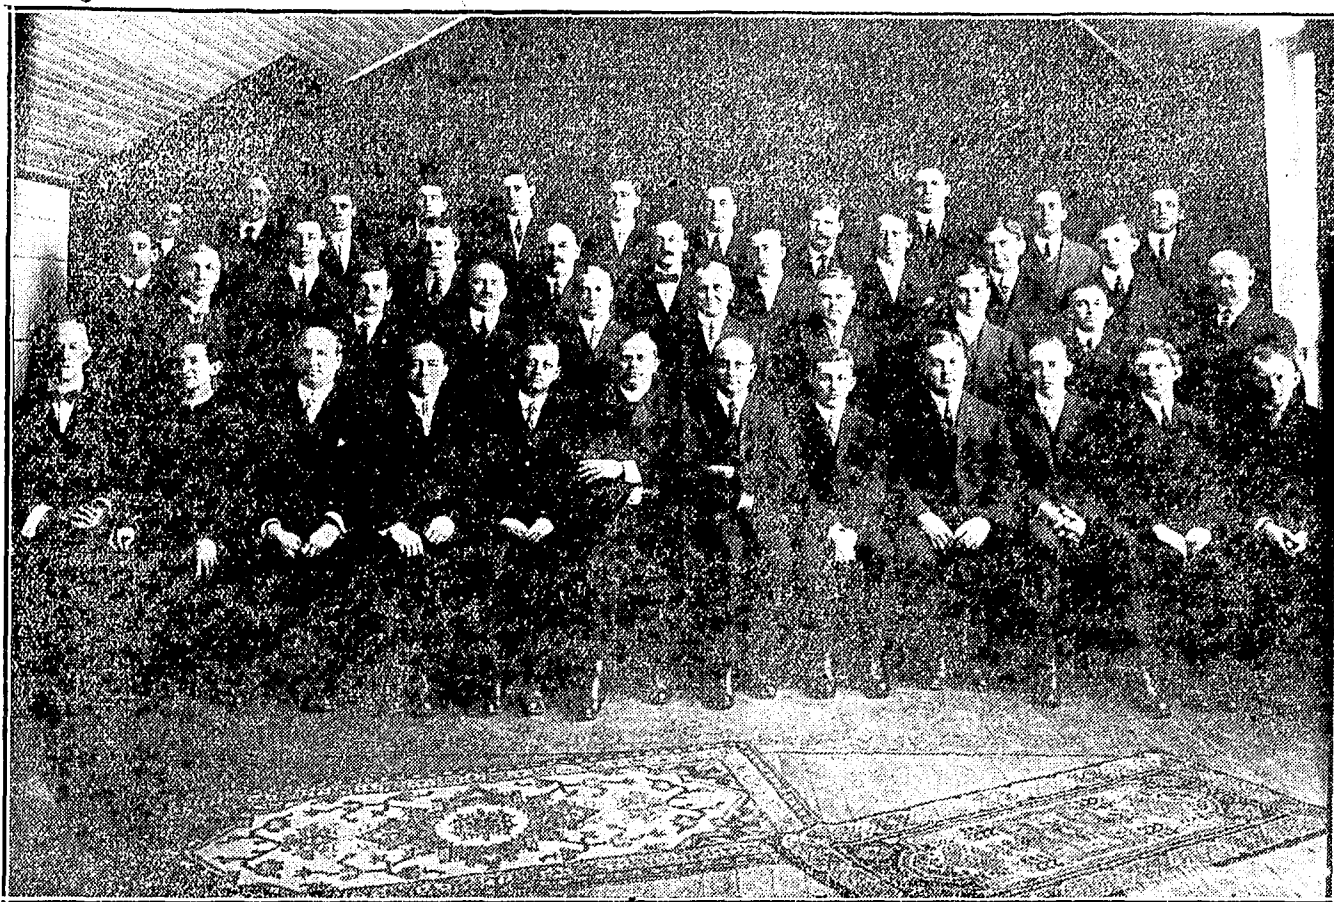

During Westfield's civic celebration in 1911 the Boy's Brigade was a great help. They kept the track used for athletic events clear of people, mingled with the crowd at the band concerts to help preserve order, and were used by the committee in numerous other instances.

The Memorial Day service is always a day of great pride for our company. We appreciate the glory and high honor conferred upon us by those few G. A. R. veterans who are left from the heroic struggle to preserve our Union. We feel that we can receive no higher honor than to escort these veterans to the cemetery and to join with them in paying respect to their dead comrades. We will gladly take up their work when they finally leave it, and every year we will carry out the services to the best of our ability. We will always realize it is our duty and our privilege to keep fresh in the minds of the people of Westfield the memories of the heroes of days gone by.

The Boy's Brigade is composed of a fine class of fellows in this town, banded together in each other's interest and striving to be an example to the rest of Westfield. We are simply doing the best that we know how, and we need the earnest support of every citizen of Westfield. This article precedes a campaign for funds, in order that we may equip ourselves with some more new uniforms, of which we are sorely in need. We ask that every father and mother, every citizen of this town, consider seriously the benefits of this work, the good it is doing for the town of Westfield, and give us their earnest support.

The requirements for active membership in the senior company of the Boys Brigade is as follows: The applicant must be over five feet, three inches in height, twelve years of age, and attend a Protestant Church in Westfield. Those under height and age are formed into a Junior company. Application blanks can be had from any member. Each applicant's name is presented before the Board of Direction for approval. The Board consists of the commissioned officers and three cadets from the company, and a member of each Church represented by members of the company; that is, a man representing each church that furnishes members. If no objections are filed with the said Board within six

Drills are held every Monday night in the Presbyterian Parish House, at 8 o'clock. Everybody interested in our work is cordially invited to be present on any first or third Monday of the month, to see how we conduct our work. Every attention will be given visitors, and we hope that we will have plenty of them.

We have lost only one member by death, that being the late Corp. Louis Stevens, December 6, 1913.

Watch the papers for further developments in our campaign, and give us your support. No matter how little that support may be, we will appreciate it. We are sincere and earnest in our purpose, and without your help we cannot make it a success.

For particulars about our Associate members and all other matters concerning the Boys Brigade, apply to Captain E. W. Wittke, or First Lieutenant S. H. Reese, the Secretary, 249 East Walnut Street.

SUBSCRIPTION DANCE AT GOLF CLUB.

The subscription dance given by the Westfield Golf Club at the club house last Friday night was a very enjoyable affair and was attended by about 125 persons. The music for the dancing was furnished by the Al Brown trio of New York.

During the evening supper was served. Among those present were many from out of town. The dance was arranged by the entertainment committee of which Douglass Arnold is chairman.

KNIGHTS OF COLUMBUS GROWING RAPIDLY

Local Council Recently Organized With 53 Members Now Has 77 And Expects 100 Members By Easter

Members of the Knights of Columbus who have been living in this town for some years have been at various times trying to organize a council of the Knights here. Many preliminary meetings were held but the attempt was abandoned finally on account of the fact that the requirements for instituting a council provided that a new council should have at least twenty insurance members with a like number of associate members.

However, through trying to organize a council, the Columbian Circle was formed. This was organized on May 18, 1911, with sixteen members, and was purely a social club.

The ultimate aim of the Columbian Circle was achieved on November 30 of last year when the Circle and all its belongings were merged into the new Westfield Council, Knights of Columbus, No. 1711, and fifty-three charter members were initiated into the three degrees at the Darby building on Prospect street when upwards of 800 Knights of Columbus of high and low degree from all parts of the state, as well as New York and Brooklyn, visited this town.

At the last regular meeting twenty-four new members were initiated in the first degree making a total membership to date of 77 and the indications are that the one hundred mark will be reached before Easter.

When the accompanying photograph was made twelve of the charter members were unavoidably detained at home by sickness or other unforeseen engagements and are consequently not in the picture. The names of those who do not appear are H. J. Lusardi, trustee, one year; John Whalen, inside guard; H. J. Sheehan, Martin Canfield, John Dughi, Albert Winkler, Lawrence Powers, James J. Duffy, Edward Stultz, Louis Marenghi, C. J. Crowley, Joseph McDevitt, advocate.

A series of public lectures will be given at regular intervals by the organization, by eminent speakers of the order, through the courtesy of Dr. John Grant Coyle, chairman of the Columbian Assembly, New York City. Following are a partial list of the subjects:

"The Menace of Socialism. Some Dangers that Confront the Republic," by Arthur J. W. Hilley; "Catholic Signs of the Constitution," by William F. Hooley; "Three Great Catholic Jurists of New York in the 19th Century," by James T. Hallinan; "Catholic Contribution to the U. S. Supreme Court," by William E. Murphy; and lectures upon Charles Carroll, Archbishop John Carroll, Thomas Dongan, John Barry, Commodore of the American Navy; James

Shields, Stephen Moylan, Catholics and the American Revolution, Edward Cayamagh, Catholic Governor of Maine; Catholic Contribution to the United States Supreme Court, and General Thomas Francis Meagher, orator, patriot, soldier, "The Irish in America," the immortal John Boyle O'Reilly Irish nationalist.

Dr. Coyle, who is recognized as one of the foremost distinguished speakers and lecturers in Catholic and Irish circles today, has kindly promised to come to Westfield at an early day to render the initial lecture of the course, notice of which will be announced later.

She spoke of the great advance Christianity had made in that country in the last twenty-seven years; and how the lives of the women had been brightened.

Mrs. Parker, a returned missionary from India, was also present and was introduced to the women.

SENATOR NORRIS AT MEN'S BANQUET

(Continued from Page 1)

After the wants of the inner man had been satisfied, adjournment was made to the auditorium of the building where the men were joined by many ladies invited to hear the address of Senator Norris. After the singing of "My Country 'Tis of Thee" the president of the Brotherhood, Arthur Atkins, extended a cordial greeting to those present and then read a letter which he had received from Rev. Dr. A. W. Hayes, of Madison, a former pastor of the local church, expressing his regret at not being able to be present and wishing the Brotherhood every success. Mr. Atkins then in behalf of the Brotherhood called Dr. W. W. Gill, the chairman of the committee who had charge of the arrangements of the banquet, to the front of the church and asked him to present a large bouquet of roses to Mrs. Ream, the pastor's wife, as a token of appreciation and friendship which the Brotherhood had for her. Rev. Mr. Ream was then called on for a few words of greeting.

The next speaker was "Congressman W. E. Tuttle, Jr., who said that it was a relief to get away from "Woman's Suffrage" and the Immigration bill at Washington and come home to his own people. The Congressman said that he was not down for a speech but had come home to bring with him a man from the west whom he wanted to show the best town in New Jersey and the best people. He then said it was his great pleasure to introduce to the Brotherhood and its friends Senator Norris, of Nebraska. Congressman Tuttle was given quite an ovation by those present.

Senator Norris after talking on the changes being made in the country, the political world, the schools and churches and touching on Woman's Suffrage, launched forth into an address on "Citizenship—Principles and Men vs. Partisanship." He held the wraps attention of his hearers for over two hours and all were sorry when he had finished.

Altogether the banquet was a very successful affair and reflected great credit upon those under whose management it was arranged and carried out.

Day by Day.

We live by days. They are the leaves folded back each night in the great volume that we write. They are our autobiography. Each day takes us not newly, but as a tale continued. It finds us what yesterday left us; and as we go on, every day is telling to every other day truths about us, showing the kind of being that is to be handed on to it, making of us something better or something worse, as we decide.—J. F. W. Ware.

Land in Bolivia.

In Bolivia all vacant land belongs to the republic, and can be acquired by purchase or lease, subject to special regulations. The unit of measure is an hectare, which is 2.47 acres. Any one may acquire as much as 20,000 hectares, paying cash at the rate of 10 cents per hectare for farming and grazing lands.

Hint for Young Musicians.

Begin your practice with enthusiasm. Don't put your practice off because you have "plenty of time." You cannot know your piece too well, but remember that one hour of steady, concentrated practice is better than four hours of careless strumming at the piece.

SPOONERS' SEAT WALKED.

The "Overturned Boat" Was a Six Hundred Pound Sleeping Turtle.

Charleston, S. C.—A young couple strolling on Sullivan's Island became fatigued.

Why not sit on that overturned boat over there?

They did.

But the "boat" moved.

She shrieked, and the "boat" moved faster.

It was a 600 pound turtle asleep on the beach.

The turtle carried six men to the water.

In its nest were found 200 eggs.

Spoonful couples on Sullivan's Island now sit on the ground.

PROTEST AGAINST SMALL BOARD

Fanwood Council Adopts Resolution Against Changing Present Board Of Freeholders

The Fanwood Borough Common Council held its monthly meeting on Wednesday evening at the residence of Mayor W. H. Hoar, on Martine Avenue, instead of in Fanwood Hall, the usual place of meeting.

The following was the order of business: The Audit and Finance Committee reported a balance of \$4,040.08 in the borough treasury. The Committee on Lights, Water and Fire reported the purchase of thirty new firemen's badges. Additional lights are to be placed on Farley Avenue, and on Russell and Patterson Roads. The Committee on Poor and Police reported that the estimated cost of repairs in the police court would be about \$40. The expenditures of the borough during the month of January were as follows: \$118, for street lighting; \$75, for police officers; \$93.75, to the Water Company; \$19.50, for fire badges.

Dr. F. W. Westcott appeared before the meeting, speaking against the proposed decreasing of the number of freeholders. There are 21 members at present. The new plan is to have but 7 members. The Doctor showed the fallacy of such an arrangement, and how it would be disastrous to small municipalities like Fanwood. The larger towns would poll the largest vote; secure their men, and receive most of the appropriations for improvements—at the expense of the county. A resolution was adopted against changing the present board of freeholders.

Mr. Eckhardt was present to call the attention of the Streets and Sidewalks Committee to a needed improvement on Patterson Road. The Committee provided for the needed repairs.

An ordinance regarding the condition of sidewalks was passed on first and second readings. It requires that only slag or cement walks be laid in the borough.

A letter from Mr. Palmer, of Tillotson Road, protesting against the vocal aspirations of a neighboring cockerel, was read. A Montclair dog ordinance was inclosed with it. The matter was laid on the table.

The following appointments to the Board of Trustees of the Fanwood Public Library were made by the Mayor and confirmed by the council: Mrs. J. Hudson Thompson to serve until January 1917; Miss Alice Kite to serve until January 1918; Mrs. Thomaie to serve until January 1919.

The appointment of Dr. Ray Munger as a member of the Board of Health, by Mayor Hoar, was accepted.

It was decided to purchase badges for the Mayor, the clerk, and the councilmen. These gentlemen have police power, and the badges will identify them as officers.

Didn't Feel It.

A little girl had been allowed coffee for breakfast as an unusual treat. She insisted upon having more sugar in it than mamma thought necessary. "I have already sweetened your cup, dear," was the firm if gentle reply to the child's demands for further indulgence. "The sugar is at the bottom of the coffee." "I don't feel it," came the dubious answer, accompanied by thorough and noisy action of the spoon.

Fear'd the Worst.

Arthur suffered so severely from toothache, due to a bad tooth, that his father finally insisted upon the aching sufferer's removal. "The little had bore up bravely under the operation, but seemed troubled on the way home. At last he voiced the cause of his anxiety. "Papa," he asked, pale and trembling, "am I a cripple now?"

Love in a Hickory-nut.

A hickory-nut is named, then cracked. If the kernel is withered, love has grown cold; if it is broken, the loved one is untrue; if it comes out whole, all is well.

The Ambassador of Your Heart

It's the Valentine. It Performs
the Diplomatic Service of Voic-
ing Heart-Throbs. :: ::

There is an unfortunate misconception in some minds about the true significance of the valentine. The satirical caricature is responsible for this. The day, properly is dedicated to St. Valentine, and was selected as an occasion for the expression of love because at one time birds were supposed to mate on that day. The valentine had its birth in this sentiment—a very pretty one you must acknowledge.

Isn't there someone of whom you are particularly fond, someone to whom such a token would mean a whole lot? Assuredly there must be.

The valentine will admirably express what is in your heart. We have some that are expensive, and others that are decidedly reasonable. The prices range from the 5c and 10c varieties for the children, up to others that sell for \$1.50. The penny post cards, too, (and we have a lot of them) can just as truly represent you as the more expensive valentine. They are all pretty.
