

BOYS ENJOY ANNUAL BANQUET

Plates at Ten Tables Cleaned in Short Order.
SECRETARY MAKES REPORT

The sixth annual banquet of the Boys League of the First Methodist church was held in the chapel of the old church building last Friday night and was a very enjoyable affair. At 6.30 the boys were lined up single file and led by two drummer boys, Joe Burke and Dick Rochford, marched to the dining room on the main floor.

The room was artistically decorated with red, white and blue and American flags. A big brother was at the head of each of the ten tables to see that every boy was well fed. While the boys were standing Herbert R. Welch, the leader of the League, made a few remarks in regard to the appetite of a boy. At the close of his remarks Chaplain of the League, Burton Dezendorf asked the blessing and then the boys started in on the big feed. While the boys were eating, Dushanek's orchestra furnished some good music. At 7.30 every boy was filled to full for utterance and some of the plates were so clean that it seemed unnecessary to wash them.

After the eats came the entertainment. The president of the League gave the boys and visitors a hearty greeting. Herbert R. Welch read a letter from Harold Leggett, the former president who is studying in Mount Hermon School.

The secretary of the League, Charleston Smith read a detail report of the year's work.

When Rev. Dr. A. W. Hayes, a former pastor of the Methodist church, was announced as a speaker the boys almost raised the roof with their shouts and yells. Dr. Hayes kept the boys laughing most of the time he was talking and when he closed touched the hearts of the boys.

Harold Welch, with his violin and piano stunts, pleased the boys exceedingly. Tom Murray with his songs and stories also helped a great deal in keeping the boys in good humor.

Rev. G. Franklin Ream, pastor of the church, was the last speaker and told the boys several good stories and jokes which were enjoyed immensely.

After three rousing cheers for the ladies and men who had made their evening such a happy one the entertainment was brought to a close by singing. "When the Roll is Called Up Yonder I'll Be There."

The committee in charge of the banquet was composed of Ted Davies, Harold Townley, Vernon Mann, Arthur Corbett, Burton Dezendorf, Conrad Johnson and Earl App.

Report of Secretary.

Much is said nowadays, about the "Boy Problem," and "Boy's Work," and we are glad that this spirit is so rapidly increasing in our town. Many well-meaning friends of the boys, have a false idea of what "Boy's Work" really is. We believe that "Boy's Work" is not work for boys; boys are weakened, not strengthened by having done for them things which they ought to do for themselves. Entertaining and feeding them, is not necessarily helping them. Boy's work is work with boys. It is getting a boy to do something for himself, and then to do something for the other fellow. Boys must have these two objects in view, or it is not boy's work at all.

We have tried to make our Boys' League one whose object has really been "Boy's Work."

Just a bit of history. A little more than six years ago, at a business meeting of the class, held at the home of one of our Sunday School teachers, it was proposed that a religious meeting, held just for boys be started. The following Sunday night eight boys met in the church parlor, and held the first meeting. The meetings have been continued every Sunday night since, except through the summer months. The meetings were held through the entire year of 1913.

The work has grown beyond all dreams of the handful of boys who

It was also decided to hold the annual meeting of the Federation on February 28, of next year.

The afternoon was spent by the women in prayer in commemoration of the National Day of Prayer.

POPULAR GIRL BECOMES BRIDE

Miss Nettie Sparkman at Pretty Home Wedding Marries George L. Stiff of Garwood

The home of Mr. and Mrs. W. M. Sparkman, on South avenue, was the scene of a pretty wedding on Tuesday night when their daughter, Miss Nettie May Sparkman, became the bride of George Lemmon Stiff, of Garwood. The ceremony was performed by Rev. James A. Smith, rector of St. Paul's Episcopal church, in the presence of nearly one hundred friends and relatives.

Miss Frances Sparkman, a sister of the bride, was bridesmaid; and William Lemmon, of Vienna, N. J., was best man. The wedding march was played by Mrs. J. T. Stiff, a sister-in-law of the groom.

MEMORIAL TO MRS. SHEILD.

At a special meeting of the Board of Managers of the Children's Country Home of Westfield, N. J., called February 23rd, 1914, and held at the home of the President, Mrs. Bartis, the following testimonial was presented and adopted:

In Memoriam.

For fourteen years, the late Mrs. Edwin Sheild was a manager of the Children's Country Home at Westfield and for six years an officer of the Board, always thoroughly interested in all of the work, loyal to its every interest willing to spend and be spent in its service.

Nothing was too hard for her to undertake and in one department of work, disliked by many managers, in which she was peculiarly successful that of soliciting subscriptions for the support of the Home, and selling tickets for entertainment benefits, she approached people in such a kindly way that few could resist her winning and compelling manner.

One has said, "Mrs. Sheild made you feel as though she were doing you a favor in giving you the opportunity to help."

By those who have been her co-workers for these many years she will be greatly missed. She had endeared herself to all and we honour the memory of her beautiful life and character, it will not soon be forgotten.

To the family of Mrs. Sheild our tenderest sympathy is extended and may the consciousness of the high esteem in which she was held by all who knew her, help to comfort them in their great bereavement and sorrow.

WOMAN'S CLUB GIVES HOME TALENT ENTERTAINMENT.

The Woman's Club held a very interesting meeting in the parish house of the Presbyterian church on Monday afternoon. There were not many of the members present owing to the holiday, but those who did attend were well repaid. The program of the afternoon was given by home talent. Mrs. G. H. Butler read an interesting paper on "Flowers," telling of the origin of the names of flowers and their influence on art.

Mrs. Henrietta W. Roberts read a paper on "The Relation of Nature Study to life." The musical part of the program was given by Mrs. H. W. Nelson who sang, "Oh Willow, Willow," and "Come into My Garden Love," by Mary Turner Salter and "Love Unexpressed" and "I Love You Truly," by Carrie Jacob Bond. Mrs. Nelson's selections were highly appreciated as was evidenced by the warm applause which she received. She was her own accompanist.

BOYS MASS MEETING.

Next Sunday night the Boy's League of the First Methodist church will hold a big mass meeting for the boys and young men of the town at 7 o'clock in the old Methodist church.

The speaker will be David Ranney, who has a wonderful story to tell of his thirty years on the Bowery. Mr. Ranney has given this address hundreds of times before boys and young men of the Y. M. C. A. throughout the East. There will be special music by the young men.

"THIRTY YEARS ON THE BOWERY"

Topic of Address for Theatre Service on Sunday, by David Ranney, of New York.

At the service next Sunday night David Ranney, of New York, will talk and show illustrations on the subject, "Thirty Years on the Bowery."

The service in the Westfield Theatre last Sunday night under the direction of the Congregational church was well attended as those present enjoyed the singing of a few good old songs. The boys who sat in the front rows of seats added a great deal of vigor, and just to show what a fine boys choir he had there Dr. Loomis, the pastor, had them sing one verse by themselves.

The subject of Dr. Loomis' address for the evening was, "The Worship of the Golden Calf." Dr. Loomis first gave a sketch of the Bible story found in Exodus 32. When Moses was up on the mount receiving the Ten Commandments, the people thinking him lost, urged Aaron to make them gods which they could set up before them. Aaron weakly giving in to them made a golden calf. When Moses came down from the mount he found the people rejoicing and worshipping the idol instead of the god who had led them out of Egypt. Turning from that to the present, Dr. Loomis showed how people now worshipped the golden calf. He said that the "Almighty Dollar" is the idol that is worshipped now and that it brings unhappiness and misery into the world today.

A two reel film based on George Eliot's "Silas Marner" was shown on the screen. This showed the main points in the well known story and Dr. Loomis pointed out a few lessons to be learned from it. Dr. Loomis said that as with Silas Marner, so with many. After being treated meanly they finally become mean and embittered. He showed how love in the form of little Elsie, saved Marner, winning him back to his Bible and a belief in the Saviour.

This resolution must come before the Legislature again next year and if it passes then, as it has for two years, it will be referred to the voters at a special election in September 1915.

PARK IMPROVEMENT STRONGLY ADVOCATED

Committees in Session Recommend Acquiring Additional Property For Playground Purposes

The various committees which were appointed by the Board of Trade, the Town Plan and Art Commission, Town Council and Board of Education met with the Park Commissioners in the town hall on Friday night for the purpose of discussing the question of improving the town park at Broad Street and Mountain Avenue. It was decided by the committees and the Park Commission that the park should be improved and that the town council be so notified. It was also decided that the several committees report back to their respective bodies the action taken and that the parent bodies and recommendations to the Park Commissioners.

It was the opinion of the committees and the Park Commission that the Ernst property on Mountain Avenue and the rear of the Clark property must be purchased. The Clark property should be acquired to provide room for playground purposes.

Secretary Grape of the Park Commission exhibited the plans of J. W. Higgins, of Roselle Park for the proposed improvement. It was estimated that the work could be done for \$14,000 and that bonds could be sold to bear interest at 4 1/2 per cent interest, which would add a little over one point in the tax rate. Mr. Grape was of the opinion that the money would be well spent.

School Trustees Davis and Dennis favored the improvement of the park and Arthur N. Pierson, president of the Board of Trade, urged that a complete and thorough job be made of it.

LIFE IN MIKADO'S EMPIRE

Subject of Lecture at Washington School Tomorrow Night.

The lecture at the Washington school tomorrow night will be given by Dr. T. Alexander Cairns and will be on "My Life in the Mikado's Empire." Dr. Cairns is one of the best lecturers obtainable and his thorough knowledge of Japan enables him to tell of the customs and wonders of that country. Dr. Cairns spent four years in Japan in charge of a school of young men and this is brought into his lecture by many personal experiences. The lecture will be illustrated with many beautiful stereoscopic views. In addition to this Dr. Cairns will speak and sing in Japanese.

The lecture last Saturday night by John C. Walsh, M. S., was of special interest to the boys and young men, although it was very interesting to all who attended. Mr. Walsh's subject was "The Army and Navy." His lecture was illustrated with many stereoscopic views including battleships, battlefields, drills, skirmishes and headquarters of the army.

POVERTY DANCE

Ragged Gowns and Torn Clothing Throng Straw Strewn Rooms at Golf Club

The poverty dance given at the Westfield Golf Club last Saturday night was attended by a large number of persons. The dance was a novel affair as those present were attired in ragged gowns and torn clothing. The reception room and ball room were arranged in keeping with the spirit of the gathering. The reception room contained benches instead of chairs and the floor was strewn with straw. All the pictures and decorations of the ball room were removed and posters and old flags were hung in their places.

Music for dancing was furnished by the Al. Brown trio of New York. The occasion was one of the boldest in the history of the club. Supper was served at 11 o'clock. The committee in charge was composed of D. C. Arnold, chairman, Charles Pohlman, Charles P. Worth, Charles Cumming and Ed. Clark.

ARCANUM BANQUET.

Fire-side Council, Royal Arcanum is planning for a big time on March 20, when the members will hold a banquet in the assembly hall of the Westfield Theatre to celebrate reaching the 400 mark in membership.

There will be good music, good singing and a good dinner. The committee who are arranging the banquet expect to accommodate 200.

NO PETITION FOR COMMISSION FORM OF GOVERNMENT

Rumor Without Any Foundation- Seeking Sentiment of Citizens

It has been rumored in various sources that a petition is being circulated in town advocating the commission form of government.

A Standard reporter traced this rumor to its fair and finds there is no truth in it. Those claimed as its sponsors absolutely and emphatically deny that any such petition has been prepared or circulated. Post cards, however, will be mailed today to every voter in Westfield asking his sentiment regarding commission government for Westfield and replies obtained to these queries will determine future action in the matter.

MISSION CONVERTS AT BAPTIST CHURCH

They are living witnesses to substantiate the claims of the Gospel of Jesus Christ. Their presence at the Baptist Church will afford the people an opportunity of seeing evidences of the real value of the rescue missions in our great cities. Special music. Service begins at 7.45. All welcome.

Refreshments were served. About 50 were present.

NOTED CRIMINOLOGIST TO SPEAK SUNDAY.

The Men's Christian Forum of the First Methodist church will have as its speaker at its meeting on Sunday morning, Rev. Dr. Frank Moore of the Railway Reformatory. Dr. Moore is one of the noted authorities on the treatment of criminals and he will discuss the subject of crimes and criminals from the standpoint of one who is familiar with the work in all its phases.

The subject of crimes and criminals was discussed by the Forum at its meeting last Sunday. The leader of the Forum, George D. Beatty, gave a most interesting talk on crime and the modern methods used for lessening it and its causes. Mr. Beatty cited the saloon, poverty, over-crowding in tenement districts of the large cities, child labor, exploitation and excessive hours of labor, as some of the causes of crime.

Several other members of the Forum took part in the discussion of the subject and many interesting points were brought out.

Several Westfield people attended the annual Junior Promenade at Rutgers College last Friday evening. The dance was one of the largest ever held at Rutgers, about four hundred guests being present. On Friday afternoon the Dramatic Club presented "His Excellency the Governor", in the New Brunswick Opera House. On Saturday the fraternity house parties attended the annual concert by the Glee Club, and the basketball game with Manhattan College.

The evening private dances were held in several of the chapter houses. Miss Edith May Gladwin, and Mr. Spencer Embree, were members of the Delta Phi House party. The guests attended all the accompanying festivities of Junior Week. On Saturday evening a dance was held in the new fraternity house, following a tea given to the faculty and alumni members in New Brunswick. The house party continued until Sunday noon.

HATCHETS AS FAVORS.

Last Monday evening, Mrs. O. W. Nicewonger entertained a number of friends at her home on West Broad Street. The affair was in the nature of a Washington's Birthday party. Cards were the enjoyment of the evening. Mrs. Raymond Garcia captured the first prize, while Miss Kennedy was awarded the "booby" prize. The house was prettily decorated with the national colors. Flags and hatchets were given as souvenirs of the occasion and a delightful supper was served at midnight.

PUPILS GIVE MUSICAL.

The piano pupils of Miss Jeanette Perkins gave a delightful program at an informal musical at Miss Perkins' home in Ross Place, on Friday night. Only parents of the pupils were invited.

Those who performed were the Misses Anna Seisert, Anna Revere, Dorothy Anderson, Mary Griswold, Edna Pearsall, Lydia Collins, Arline Emery, Jessie Beatty, Madelyn Beatty, Gladys Dilloway, Charlotte Chamberlain, Masters Robert Glass, Morris Russell, Wistford Cutler and Robert Siebenmorgen. After the musical light refreshments were served.

Informal Dance at St. Pauls.

Mr. and Mrs. Randall, Mr. and Mrs. Keyes, Mr. and Mrs. Griffiths, Mr. and Mrs. Cooper and Mr. Smith, rector, were the chaperones. Dishes and refreshments were served.

Sometimes It Is.

Dick, whose father was a candidate for office, one day ran to his mother, exclaiming: "Oh, mamma! Mr. Smith says papa's got the nomination. Is that worse than the measles?"

TITLE TO REAL ESTATE

Bankers Club Hears This Subject Discussed by Salter Storrs Clark

Salter Storrs Clark, of the Law Department of the Title Guarantee & Trust Company of New York, addressed the members of the Bankers Club and their friends at the Town Hall, Tuesday evening, February 24. He spoke on "Titles to Real Estate," and in an interesting manner and with great clearness unraveled many of the mysteries which usually surround this more or less abstruse subject. In his introduction he paid a compliment to bankers by referring to the fact that banking is coming to constitute a fourth learned profession, the members of which often know more about a customer's specific following than he does himself. "The known history of most titles," said Mr. Clark, "is short—hardly more than the life of a man. The necessity for a deed constitutes one of the striking differences between the sale of land and the sale of personal property. There are practically only two kinds of deeds: quit claim deeds and warranty deeds." After going into the details of these two kinds of conveyances, Mr. Clark went on to say that deeds have been used for thousands of years. He said that he had the fac-simile of a deed 2,000 years old conveying land in Thebes, Egypt, and that the tax on that particular transfer was 10 per cent.

Taking up the subject of survey, he explained that its purpose is chiefly to indicate the boundaries of land described in the deed. He emphasized the importance of recording deeds and mortgages, as such record protects one against fraud by preventing the grantor from selling or mortgaging the property to some one else, and it also renders the title marketable.

Mr. Clark spoke on "tenancy in common" and "joint tenancy" and explained very fully the difference between these two terms.

The Torrens System of land registration was described. This System originated in Australia in 1851 and considerably simplifies the transfer of real estate, but as to the relative worth of the Torrens System and the system of insurance by companies there is much difference of opinion.

"There is a large field," said Mr. Clark, especially in title law, for the extension of national legislation. The forms of deeds, mortgages, leases, acknowledgments, etc., should be uniform throughout the United States. Such subjects are not political and should not be subject to the whims of political parties or political leaders but should be settled by some sort of a commission exercising ordinary horse sense.

Mr. Clark's address was listened to with a great deal of interest and he very easily demonstrated the fact that the subject which he had chosen is one with which he is thoroughly familiar.

The next meeting of the Bankers Club will occur on Tuesday evening, March 10th, and the speaker will be Mr. Charles F. Minor, Manager, Bronx Branch of Columbia-Kniekerbocker Trust Company of New York City. Mr. Minor will speak on "The Trust Company and the Community."

MISS SAVITZ ENTERTAINS GAMMA PHI BETA.

Last Saturday afternoon, Miss Helen Savitz, daughter of Dr. and Mrs. J. I. Savitz, entertained the New York alumni chapter, Gamma Phi Beta, of the Woman's College of Baltimore, at a luncheon at her home on Lawrence Avenue. The thirty young women present represented the seven chapters in Michigan, Maryland, Massachusetts, New York, New Jersey, Illinois and Wisconsin. Among the number was Miss Eleanor Shepherd, of Leam, Mass., the grand president. The table was decorated with brown, the society color, and pink carnations, the society flower. The local members present were: Miss Ella Ink, Mrs. R. C. Thompson, Miss Eleanor Oliver, Miss Savitz and Miss Van Cise, of Summit.

TWO CHIMNEY FIRES.

The fire department was called out twice this week to put out chimney fires. The first one was on Wednesday at the house owned by John Long at the corner of South avenue and Spring Street.

The other was yesterday morning at the home of H. S. Embree, on Clark Street. Little damage was done by either fire.

Proof.

Stanley, aged five, wanted to know if vermicelli was alive when he saw it curl about in hot water, and did not seem quite convinced when told that it was not. A few days later, on seeing his mother preparing macaroni for dinner, he exclaimed triumphantly: "Now I know vermicelli is alive, else how could it grow into macaroni?"

Un-American.

"By jove, old chap, you're an hour late!" "That chauffeur of mine cannot accustom himself to disregarding laws and ordinances!"—Puck.

Best & Co., New York City

In another column we print the advertisement of Best & Co., Fifth Ave. and 35th St., New York City, which does not conform in every way to the high standards of the house.

Maintaining their own staff of designers, fitters, cutters, finishers, etc., the styles offered are distinctive and individual, and their larger output enables them to sell merchandise of the highest class at prices which in many cases are lower than many stores ask for their special sale goods.

Best & Co. probably carry larger stocks of children's goods than any other store, not only in the United States, but in the world. A feature of the business is the enormous trade done through the mail order department, which every year fills the wants of hundreds of thousands of customers all over the country.

The new catalogue, the spring number of which has just been issued, contains one hundred pages, describing attractively with illustrations, the same goods as are on sale in the store. The house policy is liberal, the opening of charge accounts with responsible people being encouraged, and satisfaction assured or the money refunded. This liberal policy being followed out in all cases and without question, makes shopping by mail not only very safe and satisfactory, but extremely pleasant.

A feature that will prove of interest to our readers is the free delivery of all mailable packages.

A Good Bargain.

Westfield can well congratulate herself on the very flattering bids received for the high school bonds, on Tuesday evening, at which time a bid of \$100,000, for 4 1/2% 30 year serial bonds was received by the Board of Education.

This is a good figure and is estimated to be equivalent to about 103 or more for 4 1/2% term bonds, and represents a price as good as any municipality has been able to get for its bonds in the past two or three years. In fact, this is about as good a price as any of our bonds have sold at since the Washington School issue of 1890, when we were able to sell 50,000 30 year term bonds at par, bearing interest at 3-65/100.

Good credit goes hand in hand with good business administration of town affairs. All praise to those who have so wisely handled our town government these past ten or twelve years.

Commission Government.

Following a rumor that an agitation is on foot for the commission form of government in Westfield we have been asked just what is wrong with our present form of government or just what is to be gained by commission government. It has been stated that those who have studied this matter find so many weak points in commission government that the sentiment seems to be not at all strong for such a move at this time.

The unsatisfactory results in so many places where the commission form has been tried, should, we believe, lead the citizens of Westfield to consider very carefully the present form of government in contrast with the commission form before any move is made in this direction.

The at large representation, which invites so many unsatisfactory conditions, the four year term with all the commissioners retiring at one time, and the lack of responsible head to the government under commission form are all points to be considered.

With a unanimous voice, Westfield turned from the old township form of government, which was in almost every particular the commission form, to its present form, which has seemed to prove very satisfactory up to date.

Why Not Westfield?

Assemblyman Kahlke, of Hudson County, has introduced a bill at Trenton, fixing the maximum charge for all water meter service in first class counties at \$1.25 per thousand cubic feet and \$1.00 per thousand when the quantity used is over 5000 cubic feet. While this provision applies only to first class counties, and would not affect Westfield as Union County boasts of being in only the second class, we believe, however, that \$1.25 per thousand feet is enough for water in a community such as Westfield, as many towns that own their own water plant make a charge of \$1.25 or less per thousand to the consumers and still turn a revenue into the city treasury each year.

If this is good for towns in first class counties, WHY NOT WESTFIELD?

Small Board Bill.

Much interest is being taken throughout the State in the proposed small board of freeholders bill, as this bill effects 18 of the 21 counties, giving them representation ranging from three to seven members. The evil recognized by all in this bill is what is commonly known as the commission feature, viz., electing freeholders at large, as this always opens the way for political intrigue and sectional factions, which result in taking away from many sections of the county the direct representation which has always been the one fundamental

feature of free government.

In reply to numerous petitions sent to Assemblyman Griffin from civic organizations throughout the county, he has claimed that the opposition to the bill was simply party politics. We know this to be entirely outside the fact, but since Mr. Griffin has made this statement, it is certainly up to the representatives of the party of which Mr. Griffin is a member, to go to the front at this time with such a demonstration of the real condition of affairs as to change his mind. We are perfectly sure that the Democrats, as well as the Republicans and Progressives, outside of Elizabeth, are opposed to this bill, and it is now up to the leaders of the Democratic party in the different towns and boroughs of Union county, to come forward and save the county from the calamity which threatens it.

A Bad Bill.

Not satisfied with the exempting clauses in the Sundry Civil Appropriation Bill of last Session of Congress, which prohibited the use of any of the money set aside for the enforcement of the Sherman Act to be used for the prosecution of producers of farm products or labor organizations, the party in control at Washington now proposes a bill that will absolutely tie the hands of the courts and the government in prosecuting labor combinations or organizations for instituting boycotts and other unreasonable means to force their ends, and to abolish civil and criminal liability on the part of labor organizations and labor combinations, denying the protection of an injunction to the employer.

While we cannot believe that any party can be so under the control of the unprincipled element of the electorate as to really pass such a bill, and we have President Wilson's threat that if anything of this kind should come to him again it would be vetoed, somehow, we would feel better if the bill did not get out of the Committee or if the stamp of disapproval were put upon it in the Senate or House, as without the restraining influence of criminal liability on the part of both labor organizations and corporations, law and order would be a thing of the past, and life and property would be sacrificed to no good end.

Living High.

In a recent address by Mayor Stewart, of Plainfield, before the Board of Trade of that city, Mr. Stewart called attention to the increasing demands made by the taxpayers upon the governing bodies for improvements of streets, extensions of sewer system, etc., as well as the demand for better fire and police protection, street lighting and enlarged school facilities.

While the Mayor felt that it was a sign of progress, and higher standard of living, the taxpayer could not expect to have all of these improvements and betterments without paying for them. We quite agree with Plainfield's chief executive, as the demand during the last ten years in every section of our country has been for improvement. In fact, the luxuries of ten years ago are conceded to be the necessities of today.

We cannot expect to have all these improvements to make living in Westfield easier and happier unless we pay for them, any more than one can expect to ride in a Pullman car and have the comfort of an easy chair with the services of a special porter to attend to one's needs, or to go to a hotel and demand the most exacting service of the institution with a private bath and pay the same as for the old fashioned room and bed accommodations, all of which, not so many years ago, were considered first class accommodations, but today are hardly recognized as such. Consequently the last few years' increase in tax bills all over the land must be charged to the "cost of high living" rather than to the "high cost of living."

F. H. KOERNER.

F. H. Koerner, president of the P. Lowenthal Manufacturing Company of Newark, died on Tuesday at his home in that city. Mr. Koerner was a former resident of this town and was for many years connected with the C. & C. Electric Company at Garwood.

In 1907 he took charge of the Lowenthal Company, as general manager, and in 1909 was elected president. The funeral service was held last night from his late home in Newark and was attended by a number of the members of Atlas Lodge, F. & A. M., of this town, of which lodge Mr. Koerner was a member.

Its circulation is not only the largest of any work but is constantly increasing.

Timkins' Little Joke.

Mr. Spriggs, who was very self-important, made an absurd offer for Mr. Timkins' extra lot in East Orange. He allowed a day for Mr. Timkins to think it over; then called again. "Did you entertain my proposition?" he asked. "No," said Mr. Timkins. "Your proposition entertained me,"—New York Evening Post.

Picked Up Bargain at Auction Sale.

A fortune in a pipe bowl was discovered by a Peterborough (Eng.) architect, Mr. Fordham, who purchased an old mooricham pipe at a recent auction sale for a few shillings. He found on taking his purchase home, that the front of the bowl was set with a cluster of diamonds, emeralds and rubies. The gems have been valued at over \$500. Dealers from all parts of England were present at the sale, but failed to discover the bargain.

VOCATIONAL TALK.

Mr. S. B. Patrick, of Fair Acres Farm, gave a talk on "Farming as a Vocation" before the High School pupils and the boys of the eighth grades, yesterday morning.

Mr. Patrick, who was formerly an instructor in one of the larger private schools in New York, said that to be successful in the farming business a farmer must have a thorough education. To illustrate this point Mr. Patrick told of a farm owned by a college graduate which was successful while the adjacent farm was run by an uneducated man without success.

The next vocational talk before the high school pupils will be given by F. W. Ellsworth, manager of the Department of New Business of the Guaranty Trust Company, of New York, on March 5. Mr. Ellsworth's subject will be "Bank Advertising as a Profession."

The attendance was not as large as had been expected owing to several other entertainments being scheduled for the same night. The address was much enjoyed. A silver collection was taken, which will be used for carrying on the Social Service Committee's work among the Italians.

WOODMEN TAKE THREE FROM RED MEN

The tie between the Woodmen of the World No. 20, the Red Men and the Royal Arcanum teams of the Fraternal Bowling League for first place which has existed since Tuesday night was broken last night when the Woodmen of the World, by excellent pinning took three games from the Red Men and took the lead by three games in the League. All three of the games were hard fought and interest was at fever heat. The Woodmen had their bowling eye with them and kept hitting the wood at will, while the Red Men were not in their usual form. Those who saw the games say that they were the best of the Fraternal League so far this season.

Koons of the Woodmen, was the crack bowler, with 226 in the first game, 173 in the second and 179 in the third. Stegmeyer of the Red Men was the only man on his team to reach the 200 mark. The scores:

WESTFIELD DEFEATS ELIZABETH

The Westfield Theatre alley team and a team from Elizabeth rolled a match game on the local alleys Wednesday night, and the Westfielders were the winners. Some weeks ago these teams bowled a match at Elizabeth and the local bowlers were defeated.

A return match was arranged for Wednesday night and after the Westfield team had taken two games the Elizabeth bowlers got cold feet and refused to roll. It was expected that there would be single and two man matches but these were not rolled because the Elizabeth team refused to roll. Beaman was the star pinner for Westfield posting 222 in the first game. Gripp also posted 205 in the second game.

RED MEN TAKE TWO OUT OF THREE.

The Red Men made it two out of three in the games with the Loyal Association on Tuesday night in the Fraternal Bowling League tournament. In the last game the Indians had a margin of only three pins over the Loyals. Both teams did some excellent hitting. Gripp of the Indians posted 251 in the first game, 202 in the second and 203 in the third. For the Loyals, Townley was the star pin hitter, hanging up three good scores, two of which were over the two hundred mark. Ortley also posted a two time score in the second game and Gilmore one in the second. The scores:

BOWLING SQUIBS

Gripp of the Red Men was certainly doing some pin hitting in the games on Tuesday night when he hung up three two hundred scores.

The Loyal Team established a new high team score for itself on Tuesday night when it posted 900 in the second game.

Townley of the Loyals, was doing some good bowling on Tuesday night when he posted 197, 211 and 205.

Ortley and Gilmore of the Loyals were both in the 200 class on Tuesday night.

Too bad that Butler fell down in the tenth frame as it lost the game for the Loyals!

With three teams striving to be in the lead, the Fraternal bowling League is exciting and interesting.

Endurance Bowling Contest.

The Westfield High School bowlers began a six hour endurance contest this afternoon on the Westfield Theatre alleys. Ten teams have entered and this will be the first Junior bowling contest ever held.

The High School has some good pinners, Harry Randall being their champion. There will be a large number of school rooters on the alleys to encourage their favorites.

WALK-AWAY FOR PRESBYTERIANS.

The Presbyterian and Baptist teams of the Sunday School Athletic League lined up against each other in the bowling tournament on the Westfield Theatre alleys last Friday night and the Presbyterian team walked away with three games. This now puts the Presbyterians in the lead again.

The Baptists were not in their pinning form although Worth and Gilmore both posted two time scores. In the last game they lost by four pins. Baker of the Presbyterians was the only man on his team to reach the two hundred mark.

S. S. A. L. BOWLING NOTES.

Trinity and Congregational are on the program for this evening's little affair and may be somebody else is due for a surprise. Ed. McMahon will be on deck this evening and nothing short of three games will do. How about that Capt. Kimball?

Baker's average heads the list. The high score record of 228 also belongs to Ed. So at present he is in line for two very attractive gold medals.

Baptist received a pretty hard jolt at the hands of Presbyterian last week, when the boys from Dr. Stearns' church snowed the Greenwood's under in all three games. The beating was as bad as it was unexpected.

It is surprising, the regularity with which bowlers approach that "228" only to fall down a few pins short. Can it be they get nervous?

The games last week put quite a crimp in the averages of more than one bowler. Ah! Many went down but few went up!

Presbyterian will be winner of this year's championship cup unless—Congregational takes two from them and Trinity rises up and surprises Baptist. But as somebody remarked last Friday after the games, it looks as if it might be all over for this year.

Harry Wahl "CUBS" Only Hold-out.

Harry Wahl, one of Mac's star moundsmen, has failed to sign a Cub contract as yet, but Secretary Douglas claims he will have him in line by April 1st.

The Cubs open the season with the High School, who will they close with? The Giants? That depends. The Westfield Athletic Association will have one of their big meetings, March 6th. It is expected that all the members will be present when President Venn calls the meeting to order.

INDOOR TENNIS TOURNAMENT.

The first indoor tennis tournament ever held in this town will be played on the courts in St. Paul's parish house beginning March 17. The games will be called at 7.30.

Entries will be accepted from any member of the Westfield Golf Club, Stanley Oval, Terrace Park, or Beechwood Club, or from any unattached player. Entries will close on March 10th.

RAHWAY HANDS W. H. S. SECOND DEFEAT.

The local High School five minus Taylor and Marsh proved easy picking for the speedy Rahway quintet in a fast, rough game, at the High School last Wednesday, losing 26-19. Westfield's loss can be explained by the fact that "Doc" Armstrong got only 1 point less than the entire Westfield five. Burns and Day both scored and held their opponents scoreless. Pearsall's man got two to Pearsall's one, "Monk" Armstrong was only able to get two goals off Gilmarin, Ewing only made two goals, while "Doc" Armstrong won the game for Rahway.

GIRLS HAND SECOND DEFEAT TO ROSELLE PARK.

Playing on a poor floor with no heat in the building, the local girls trimmed the Roselle Park sextet 36-27. The game was close throughout the score being tied many times.

Miss Pearsall, as usual, was a team in herself, scoring 22 points. Miss Miller starred for Roselle, especially in shooting fouls.

FACULTY TRIMS STUDENTS.

For the first time since the Faculty has been playing the High School boys, on Washington's Birthday they won, 23-17. Usually the game is a sort of a joke, but this time every man on the Faculty knew how to play and played the best game that has been seen on the High School floor for some time. Huber, the H. S. coach, played one forward and he alone scored as many points as the whole H. S. team. He shot 9 out of the 11 fouls he tried.

Martin, H. S. principal, was the other forward and fitted in well with Huber.

Ketcham, Prospect school principal took good care of center, Baish, principal of the Lincoln School, played

a much better guard than he has previous to this year, holding Ewing to 2 field goals. Markley was especially good at teamwork.

The High School started off poorly and were unable to make up the lead.

WOODBIDGE GETS REVENGE.

Woodbridge remembered the defeat Westfield handed them earlier in the season and set out to get revenge. They got it. In one of the roughest, scrappiest games of the year, Westfield lost 35-24.

The Westfield five led with less than five minutes to play but Woodbridge scored 15 points while the local team was held scoreless. Ewing's foul-shooting was a big factor in the game, as he shot 10 in addition to his 5 field goals. H. Reyder led Woodbridge's scoring with 20 points.

BOUND BROOK GAME A FARCE

What was expected to be a good game last Friday, proved to be a joke when the local girls defeated Bound Brook 44-2. The girls used all the subs they had but even at that had Bound Brook snowed under all the time. Although not playing the whole game, Miss Kjellmark scored 22 points.

Famous Authors Once Sailors.

Perhaps the most celebrated authors who started life as sailors are Fenimore Cooper, the famous author of the "Last of the Mohicans," Clark Russell, the author of "Alone on the Wide, Wide Sea," and Frank Bullen, the author of "The Cruise of the Cachalot." This trio has made excellent use of the seafaring lore which only experience can give in the long list of works for which they are responsible.

Report of committee on repairs and lighting of certain bridges at Linden, N. J.
 To the Board of Freeholders:
 Your committee on this work would report that a meeting has been held with the representative of the Linden Borough Council and the various bridges were examined. It was found that a number of bridges extend only from gutter to gutter, and because of present and prospective sidewalk constructions, they should now be lengthened to include the sidewalks of the street. Among those examined were those upon Price street, near Wood avenue; Elizabeth avenue, near Wood avenue; Price street, near Elm street. There are several other bridges where new inlets are necessary from the gutters and some small repairs are necessary.

It was agreed that this work was necessary, but that it should not be done until the spring of 1914.

Your committee would, therefore, report that the work as stated above is necessary and should be taken up and contracted for early in the spring of 1914.

HENRY KROUSE,

ANOTHER SUPPER

One of the most enjoyable features of the work of the Union County C. E. Union this season has been the Supper Conferences of the various Departments. The next one will be that of the Fresh Air Department which conducts Camp Endeavor, a Fresh Air Camp for boys, at Scotch Plains.

This supper will be served by the C. E. Society of the First Baptist Church of Roselle on Tuesday evening, March 3rd, at seven o'clock.

An illustrated talk on Camp Brett, the Hudson County Fresh Air Home, will be one of the many features of this rally. A large collection of views illustrating the work that is being done at Camp Brett will be explained by a practical Fresh Air Worker. There will also be several musical selections which will add to the interest of this conference.

An important question relative to the future policy of the C. E. Fresh Air work will be decided at this meeting, whether this camp should be an exclusive boys' camp or whether a summer home for the tired mothers and little children.

If you are a C. E. worker or at all interested in the work of this Society, you will enjoy this conference and supper.

BERDILLO ESTATE SETTLED.

The estate of Mattiano Berdillo, who was killed by a Central railroad train at the Central avenue crossing on January 23, 1913, was settled in court in Elizabeth this week.

Berdillo who was unmarried had money in the bank and building and loan shares amounting to \$1,285. After the expense of the court proceedings were paid the balance was paid to the father of the dead man, who came from Italy to get it.

GOOD NEWS.

Many Westfield Readers Have Heard It and Profited Thereby.

"Good news travels fast" and the thousands of bad back sufferers in Westfield are glad to learn where relief may be found. Many a lame, weak and aching back is had no more, thanks to Doan's Kidney Pills. Our citizens are telling the good news of their experience with this tested remedy. Here is an example worth reading:

Miss Kate Brady, 543 Downer St., Westfield, N. J., says: "Backaches and headaches troubled me for a long time and I seemed to be no relief for me. Whenever I caught the least cold, it settled on my kidneys and at these times, the kidney secretions were a source of annoyance. When I stooped, I felt dizzy and there was a blurring before my eyes. I learned of Doan's Kidney Pills through reading of them and I began their use. My back was soon strengthened and the pains were removed, together with the other symptoms of kidney complaint. I have had not had backache or kidney trouble since. I gladly confirm my former public endorsement of Doan's Kidney Pills." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Miss Brady had. Foster-Milburn Co., Props., Buffalo, N. Y.

BOYS ENJOY ANNUAL BANQUET

(Continued from Page 1)

conceived the idea, until now we have nearly 125 boys who take great pride in telling that they are members of the Boy's League. These are not all Methodist boys; they are Westfield boys, many from other churches, and some who do not attend any church. Our aim is to do the most good for the largest number of boys. The Boy's Meeting, is not a meeting conducted for the boys, but by the boys. We will be glad to have you visit us, next Sunday evening, or any evening. You will find a boy leader, boys conducting the singing, boys ushering, boys speaking, and praying, and the entire time filled with the spirit of boy fellowship.

We have held 32 religious services this year, with an average attendance, during the winter, of 52, and a total attendance of over 2000, for 1913. The ages of the boys range from 7 to 17; the average age being 12.

One of the most interesting meetings of the year was held in the form of our fall rally, in September, when nearly 120 boys with their fathers, attended. As our guests that night, we had the Mayor, a councilman, Prof. J. J. Savitz, Superintendents of two of the town Sunday Schools, and others interested in boys. That evening will long be remembered by us.

At Thanksgiving, the boys assisted in supplying and delivering seven Thanksgiving dinners. Burton Teenderoff made a full report of our visits to the homes, at the Sunday School service the following Sunday.

At Christmas, we sent several Christmas stockings to Miss Curry's Little Day Nursery, in New York City.

This League has stimulated the organization of a Boy's Meeting in the Cranford M. E. Church, Lorraine M. E. Church, and the two chapels at Mountainside. Our boys have assisted in various meetings held by these leagues. In September, some of the older boys assisted with the Sunday afternoon service held in the N. J. Reformatory at Rahway. Last month accompanied by Mr. Martin and a number of the High School boys, twenty in all, we again visited this institution. After Mr. Robbins, the Chaplain, had taken us on a tour of inspection, we joined in the service held by the boys of the Reformatory. Three of our boys gave brief spirited talks. We were intensely interested in the deep Christian spirit found in many of the boys there, and came away with an entirely different opinion of the work of the Reformatory, some one has called it the "University of Another Chance."

We cannot forget the one day's camping trip which we enjoyed in June, when 54 boys started from the Church, under the leadership of Indian chiefs, and hiked it over the Mountain to Silver Lake. Here we had a good time swimming, boating and fishing. Mr. Ream came in about noon. All we boys were wondering what kind of a fellow our new pastor would be, and we soon found out, for with his coat off, and a camp fire started, he showed us how to bake potatoes in real Indian fashion. All the boys agreed that they had had a big day's fun.

We look back upon the past year, as one of the most successful since the organization of the League.

We are laying plans for the coming year, which will be of interest to all our members.

Archeological Find.

Some interesting remains of an old Friary have been brought to light during alterations to Cromwell House the site of the birthplace of Oliver Cromwell, at Huntingdon, England. The remains include the base of a wall with parts of two doorways. The foundation of a large chimney stack has been found, and in one hearth ashes still remained. The house is believed to have been founded by the Augustinian Friars shortly before 1285.

Hawk Probably "Rattled."

A hawk attacked a woman teacher recently in Felincoff council school, Llanelly, Wales. The bird flew through the open window and clinging to the woman's blouse was only dislodged with difficulty when one of the male teachers came to the rescue. The bird is now in a cage in one of the classrooms.

Wet Clear Through.

A little girl was playing at the table with her cup of water. Her father took the cup from her and in so doing accidentally spilled some of the water on her. "There," she cried, as she left the table indignantly, "you wet me clear to my feelings!"

A MESSAGE TO WOMEN

Who Are "Just Ready to Drop."
 When you are "just ready to drop," when you feel so weak that you can hardly drag yourself about—and because you have not slept well, you get up as tired-out next morning as when you went to bed, you need help. Miss Lea Dumas writes from Malone, N. Y., saying: "I was in a badly run-down condition for several weeks but two bottles of Vinol put me on my feet again and made me strong and well. Vinol has done me more good than all the other medicines I ever took."

If the careworn, run-down women, the pale, sickly children and feeble old folks around here would follow Miss Dumas' example, they, too, would soon be able to say that Vinol, our delicious cod liver and iron remedy, had built them up and made them strong.

It is a wonderful, strength creator and body-builder, and we sell it under a guarantee of satisfaction. You get your money back if Vinol does not help you.
