

COUNCIL OPENS MANY BIDS

Confirms Assessor's Report On
Lawrence Avenue Improvement
\$125 FOR SNOW REMOVAL

At the meeting of the town council held on Monday night a good part of the time the council was in session was taken up with opening bids for the construction of a sewer in Graceland Place and Newark avenue, for laying concrete and blue-stone sidewalks in various streets of the town and for the improvement of Sinclair Place, Arlington avenue, Summit avenue and streets in the Westfield Highlands section. After the bids had been opened and read they were referred to the road committee to report on at the next meeting.

Objections to the report of the Board of Assessors on the improvements of Lawrence avenue from Dudley avenue to Sinclair Place were received from Mrs. Mary E. Thompson and on recommendation of Councilman DeCamp of the road committee the objection was filed and the report confirmed. William H. Orr, attorney for Harriet Hale and Henry Hale, filed an objection to the report of the Board of Assessors on the Highland avenue improvement. This objection was ordered filed and the report confirmed.

Several property owners on North street objected to the improvement of that thoroughfare but as they did not represent enough frontage an ordinance was introduced authorizing the improvement and passed at a first reading. An ordinance to improve Lincoln road and Webster Place was also placed on first reading. The tax budget ordinance on motion was laid over until the next meeting.

Councilman Taylor of the Public Safety and Convenience committee presented a contract of the Mulhennberg hospital which he recommended that the Mayor and town clerk sign. The contract was accepted subject to the approval of the town attorney. The contract provides for the accommodation of patients at one dollar per day, contagious diseases at two dollars per day.

On recommendation of Councilman Davis of the finance committee the council approved the paying of \$125 for the removal of snow during the last snow storm. Councilman Davis also introduced the following resolutions which were adopted: To cancel an improvement certificate to the amount of \$12,125.91; to issue an improvement certificate for \$342.52; to cancel a certificate of indebtedness for \$11,000 and to issue a certificate of indebtedness to the sinking fund to the amount of \$12,000.

Councilman DeCamp of the road committee stated that he had seen the residents of West Broad Street, who presented objections to the report of the Board of Assessors on that improvement at the last meeting and that he thought the matter had been adjusted and recommended that the report be confirmed by the council, which was done. Several of the residents of that thoroughfare who had objected still protested to the Mayor and council against the assessment. The town clerk was instructed to advertise for bids for the sidewalks to be laid on Mountain and Highland avenues.

The Board of Assessors presented reports on the improvement of Stanmore Place; sewer in Pleasant Place; sewer in Edgewood avenue and Central avenue and a hearing was set for Monday April 6.

A petition was received from James F. Johnston and others for the curbing and guttering of Lenox avenue from Stanley avenue to Chestnut and was referred to the road committee. A petition was also received from Isabelle Morehouse and William H. Orr asking the council to have Stanmore place curbed. This was referred to the road committee.

The resignation of Arthur N. Pierson as a member of the playground Commission was received and accepted and Mayor Evans appointed C. M. Tremaine as a member in his place. The appointment was confirmed by the council.

Residents of Stanmore place asked the council to request the Plainfield-Union Water Company to extend its mains into Stanmore place and to

BAPTIST PASTOR RESIGNS CHARGE

Rev. C. J. Greenwood to Sever
Connection With His Church
On April 30

Rev. C. J. Greenwood, pastor of the Baptist church, tendered his resignation at the morning service last Sunday. The resignation was read by J. Winter Davis, one of the deacons and was accepted by the congregation. It will take effect on April 30th. Although the resignation came as a surprise to most of the congregation and those outside of the church it is understood that Mr. Greenwood had been contemplating such a move for some time.

Rev. Mr. Greenwood came to this town in May 1903, from the Main Street Baptist Church, Meriden, Conn., where he had had a very successful pastorate of four years. He followed the Rev. George Francis as pastor of the Baptist church here. One hundred and sixty members have been added to the Baptist church during Mr. Greenwood's pastorate. The church has a flourishing

Rev. C. J. Greenwood

Sunday School and Young People's Society.

Mr. Greenwood's plans for the immediate future are not fully determined. Although he has had many calls from other churches he has as yet not accepted any.

Since coming to this town Mr. Greenwood has made many friends not only in his own church but in the other churches of the town and among the general public. All learned with deep regret of his severing his connection with the local church. The Standard and his host of friends wish him God speed wherever he may decide to locate.

The Rev. Mr. Greenwood was born in Cortlandt, N. Y., and graduated from the McGrawville Union School and the Homer Academy in that place. He learned the printer's trade and from the shop worked his way into the editorship of the Syracuse Saturday Night, a railroad magazine. After serving as editor for two years he decided to enter the ministry. He was graduated from Colgate Theological Seminary in 1887. His first call was to Washington, Iowa, where he served as pastor for four years. He later was minister of prosperous churches in Utica, N. Y.; Taylorville, Ill., and Meriden, Conn.

In 1895 the Central University of Iowa conferred the degree of M. A. upon him.

ADVANCE CLUB MEETS.

Mr. and Mrs. A. McL. Rowland were the host and hostess of the Advance Club at its monthly meeting held at their home on Euclid avenue last night. There was a large number of the members of the club present.

The program consisted of the reading of an interesting paper on "Shintoism and Taoism" by Miss Williams and the reading of a paper on "Reformatories, Past and Present" by Mrs. W. T. Reger. Music was also a feature of the evening. Mrs. Paul B. Scarf playing the violin, and Mrs. Robert Maltbie the piano.

Install a hydrant there. This was referred to the road committee.

Mayor Evans presided and all the councilmen were present.

BIG MEN'S RALLY

Preparatory to an "Every Member
Canvass" by Local Churches

The Baptist, Congregational, Methodist and Presbyterian churches are preparing to make an "Every Member Canvass" on Sunday, March 29. This is in line with a movement which is in progress all over the country, its object being to enlist the support of every member of the various churches for the work of the home church and for mission work in this country and abroad.

The canvassers of the local churches have been appointed and are holding preparatory meetings in their respective churches. On Tuesday evening, March 24th, at 8 o'clock, there will be a rally of the canvassers of the four churches in the Baptist Church. At this meeting, there will be a conference conducted by Rev. William P. Schell, of New York, who was one of the principal speakers in the United Missions Campaign held in Westfield last November, of which the "Every Member Canvass" is an outgrowth. Mr. Schell also addressed the "Get Together Dinner" of church officials on January 15th.

UNION COUNCIL RECEIVES PRIZES

State Prize Goes to Local Council, Also
Many Individual Prizes

A large and enthusiastic meeting of Union Council was held last evening, about 60 members being present.

The guests of the evening were Grand Councilor McKeever, Past G. C. Cathness, S. D. Phelps. Three candidates were initiated, bringing the membership up to 130. The State prize for the largest number of initiations in the state was presented; also the two individual prizes for work done. E. W. Wittke took first with 10 candidates and G. H. L. Morton, second with 10 candidates.

The value of the prizes was \$15.00 and \$10.00. Four Special Grand Councilor prizes of gold watches were also awarded the winners being G. H. L. Morton, E. W. Wittke, Richard G. Tice and Raymond S. Tice.

In presenting the prizes Grand Councilor McKeever congratulated the council on its splendid work. Past Grand Councilor Cathness and S. D. Phelps also added their words of praise and predicted the Council would reach 200 by March 1, 1915.

In addition to the "grand officers" the council was favored with the presence of M. C. McConnor, of the Hudson Trio of New York, who entertained the members with several songs which were highly appreciated. Walter Cosgrove the organist of the council accompanied Mr. McConnor on the piano.

400 MEMBER BANQUET.

Fire-side Council, Royal Arcanum, will hold its 400th member banquet in the assembly hall of the Westfield Theatre tonight. The affair promises to be a big event in the history of the Arcanum. Owing to so many wanting to be there it has been found necessary to refuse a number who had signified their intention of coming.

There will be lots to eat, and specialties and in fact a general good time.

MISSIONARY SOCIETY HOLDS BANQUET

Dr. William H. Schultz, Missionary
to China, Guest of Honor

The Men's Missionary Society of the Presbyterian church held its eighth annual banquet in the parish house on Monday night at which the Rev. Dr. William H. Schultz, one of the churches four missionaries to China, was the guest of honor. Nearly two hundred men and women were at the banquet and gave Dr. Schultz a rousing welcome.

After the banquet Dr. Schultz made an address in which he told of his work in China. He stated that hospitals and doctors were needed there; that the Chinese methods of doctoring were barbaric and that at present the missions' hospitals were located in inns and there was but one doctor to 1,000,000 natives. He said that the majority of the ill were simple and could easily be cured by physicians. He told how grateful the people were for treatment by the American doctors.

Doctor Schultz said that he loved his work and that he felt honored in being the representative of the Presbyterian church, which church he referred to as a business house with good methods for carrying on the "king's business." He gave a report of his work in Northern China and related many interesting experiences.

Walter M. Irving, who acted as toastmaster, spoke on the Forward Movement of the church which resulted in raising the funds for benevolent work from \$822 to \$4,092 in less than eight years. He referred to the every member canvass and said it would result in finding people who had not responded to calls to help the work financially. He said that at the present time only about one-half of the congregation contributed as they should for the support of the church and its benevolent work.

Rev. Dr. W. I. Steans and M. B. Dutcher also spoke on the every member canvass.

The Parish house under the direction of the Westminster Guild had been decorated with yellow and white crepe paper and clusters of yellow daffodils adorned each table. Members of the Guild acted as waitresses and served the dinner which had been prepared by Mrs. G. E. Ludlow.

METHODIST BOYS LEAGUE TO HOLD SOCIAL TONIGHT.

The Boys League of the First Methodist church will hold a social in the chapel of the old church building tonight at 7:30. It is expected that there will be 100 boys present and there will not be a dull minute throughout the evening. The program will include the phonograph and stereopticon slides. Frank Masterson will perform his wonderful acrobatic feats.

Winter and Chamberlin will give their funny playlet, "The Irish and Jew Argument." There will be a three legged race, sack race, potato race and a peanut scramble. All boys are invited and also men who are interested in boys and in work for boys.

FOUR TRUSTEES ELECTED TO SCHOOL BOARD

Appropriations Voted Amounting
to \$42,010. Plans for New High
School Ready in Two Weeks

PRESIDENT'S ANNUAL REPORT

James E. Cutler, William H. Orr, Edward S. Malmar and Everett E. Thompson were elected members of the Board of Education at the annual meeting of the school district held in the Washington school on Tuesday night. The meeting was one of the quietest held in this town in many years owing to the fact that there was no opposition to the candidates. But a few over fifty votes were cast for the trustees and only sixty two votes for the appropriations. Messrs. Cutler, Orr and Malmar were elected for the three year term in place of Messrs. Egel, Schlogg and Phillips who refused to stand for re-election and Mr. Thompson was elected to fill the unexpired term of E. R. Perkins, who resigned some months ago.

On the vote for the appropriations the appropriation of \$2000 for the building and repair of school houses received sixty votes; current expenses amounting to \$33,135, sixty-one votes; manual training, \$1,875, sixty votes; and the sinking fund, \$5,000, sixty-one votes. The total amount of the appropriations voted is \$42,010.

The meeting was called to order by District Clerk Webster. Salter Storrs Clark was selected as chairman and Mr. Webster secretary. The call for the meeting was then read by the secretary after which Mr. Clark appointed the following tellers for the election: Trustees, ballots, J. F. Van Riper and George B. Taylor; appropriations, W. A. Bishop and Russell Marsh. Before the nominations of candidates were made President Egel read his annual report which is given below and W. A. Bishop made a motion which was carried that the Board of Education be requested to continue the free public lectures next year. The polls were then opened and remained so for one hour.

President Egel's Report.

To the Citizens of Westfield:

Your Board of Education submits the following report for the year 1913-14.

During the past year your Board was authorized by vote of the people to purchase a lot on the corner of Walnut and Elm Streets, on which to erect a new High School building and issue bonds for \$112,000.00 for this purpose. The sale of the bonds bearing interest at the rate of 4 1/2 per cent. has been consummated. From plans that have been submitted we feel that we will be able to secure a building which will meet all requirements, and complete plans and specifications should be ready within two weeks.

With the completion of the new building, with its modern gymnasium, we will have better facilities for the instruction in physical culture which was introduced last year and which proved to be of great interest and profit to the pupils. The Director of Physical Culture cooperates with the Medical Inspector in prescribing specific corrective exercises.

The Medical Inspector has examined all pupils in all the schools and found 319 defects which have been reported.

Examinations have also been made of all pupils by the Dental Inspector and 3584 cavities were found and reported.

These examinations have been of great benefit to parents and pupils, defects have been corrected, thereby increasing the efficiency of the work in the classrooms.

The Social Centre dances under the auspices of the Special Work Committee of the Woman's Club have been well attended. The Board approves of having the school buildings used for this work and for the various lectures, entertainments and receptions given by the Parent-Teachers' Associations of the McKinley and Grant Schools. The Advisory Committee of the Woman's Club together with the Parent-Teachers' Associations have been very active and of great help to the board, the teachers, the parents and the scholars.

The Principal of the High School, Mr. Martin, has invited a number of business and professional men to give lectures on vocational subjects to the pupils of the high school and upper grammar grades. These lectures have been appreciated and we hope will be of great assistance to the pupils in the future in determining their careers.

Summer school was conducted for a month last summer. Four hundred and fifteen pupils applied but we could not accommodate all so those who had fallen behind in their studies were selected. The attendance was good, the percentage of attendance being about the same as in winter.

Evening school is still continuing to be a success. Many are taking advantage of this opportunity to gain knowledge relating to their daily work.

TOM THUMB WEDDING

Sixty Little People of Presbyterian
Church to Give Mock Marriage
Tonight

The Tom Thumb wedding which is to take place in the parish house of the Presbyterian church tonight promises to be a successful and enjoyable affair. It is held under the direction of Miss Carrie E. Peters, of Brooklyn, and will be for the benefit of the Dorcas Society. There will be over sixty children in the mock marriage which will be carried out as in real life. Those who will take part will be dressed according to the characters which they represent. Owing to the illness of some of the children who were to take part others have been secured and changes have been necessitated in the program.

Virginia Timberlake who was to take the part of the bride is ill with the measles and her part will be taken by Janet Darby. Stewart Dunn will be unable to take the part of the groom and Hamilton Coulter is to take his place. Howard Meyer will take the place of Russell Welch as announcer and Franklin Windfield will take the place of Hamilton Coulter as father of the groom.

From the war tickets have been selling for the wedding there will be a full house and the treasure of the Dorcas Society will be augmented as a result.

The principal members of the cast include the following young people:

Announcer—Howard Meyer; Minister—Irvin Wells; Second Bride—Janet Darby; Groom—Hamilton Coulter; Best Man—Howard Thompson; Maid of Honor—Lucy Mae Anderson; Father of the Bride—Franklin Windfield.

Bridesmaids—Harriet Thompson, Frances Wells, Dorothy Buchanan, Esther Foran, Anna Mae Plummer, Williams, Sidney MacLean and William Harper.

Flower Girls—Mary Reley, Lenette Sim.

PARENT TEACHERS PLAN ENTERTAINMENT

Association to Purchase Large Picture
of McKinley for School

The Parent-Teachers Association of the McKinley school held one of the busiest meetings since its organization in the assembly room of that school building yesterday afternoon. The plans of the entertainment which the Association is to hold next Thursday evening in the McKinley school for the fathers and mothers was talked over. The program as arranged will include some stereopticon views, a talk on Panama by Mrs. R. H. Collins who has just returned from a trip to that country, and a vocal solo by Miss Ketsenberg, one of the teachers in the McKinley School.

It was decided to purchase a large picture of McKinley and have it framed and present it to the school. A communication was received from the Garwood Association asking that the play "Alice in Wonderland" which was given in the McKinley school be given in the Garwood school. A committee was appointed to confer with Garwood Association about the matter.

Mrs. A. J. Platz, the president of the Association, and Mrs. A. A. King were selected as delegates to the International Congress on the Welfare of the Child under the direction of the National Congress of Mothers and Parent-Teachers Associations to be held in Washington, D. C. from April 22 to 27. It was also decided to give an entertainment for the benefit of the children of the school before the end of the school year. After some minor matters of business had been transacted the meeting adjourned. Mrs. A. J. Platz, the president, presided.

ACKERMAN AND TUTTLE TO BE RIVALS FOR CONGRESS.

Following a recent discussion of the Union County Republican Committee it seems to the consensus of opinion that former Senator Ernest R. Ackerman, of Plainfield, will be the likeliest candidate for Congress at the coming fall election. Mr. Ackerman, as president of the Senate during President Wilson's last year as governor, was frequently called upon to serve as acting Governor during the many absences of Governor Wilson from the State.

Congressman William L. Tuttle, Jr. will undoubtedly be the Democratic candidate to succeed himself and as his popularity is on a high plane in Union County his nomination is practically assured.

The total enrollment in the night school is 250 and in the day school 1640. We have six teachers and a Supervising Principal. The normal increase is about one hundred pupils each year, and we are glad to say that the cost of maintenance of the schools this year will be \$1.65 per pupil less than last year.

Respectfully submitted,
C. M. F. EGEL,
President.

Upon the supposition that only four members in each home in Westfield in which The Standard enters reads this paper we have 5,200 readers.

Would you like an advertisement of your business read by 5,200 people?

Then put it in The Standard.

Woman Suffrage

Pro and Con

"HE WHO RUNS, MAY READ."

Suffrage a Matter of Expediency;
not an inherent right.

Mrs. Edward Yard Breese, President of the New Jersey Association Opposed to Woman Suffrage, in an article in the Trenton "State Gazette" stated: "It is conceded by the more advanced suffragists, as well as by those opposed to suffrage, that there is at stake no question of the inherent right of franchise either for man or woman. The Franchise is a governmental privilege, extended by the state and the question is purely one of expediency." An editorial in another later paper declared that the words used must have been taken from the writings or utterances of a British campaigner, for surely there is nothing in this country to justify them.

Mrs. Breese answers: "I feel that I must correct this mistaken conclusion of the author of the editorial in question, as my statement is based on the publicly expressed opinion of such eminent authorities as the late Chief Justice Marshall, of the United States supreme court, and the Hon. Elihu Root, United States Senator from New York."

Chief Justice Marshall said: "Whatever abstract arguments may be used concerning it, the fact remains that the granting of the franchise has always been regarded as the practice of nations as a matter of expediency and not as an inherent right."

Senator Root, in an address delivered before a New York state constitutional convention said: "If suffrage were a natural right, then women should have it though the heavens fall, but if there be any one thing settled in the long discussion of this subject, it is that suffrage is not a natural right, but is simply a means of government, and the sole question to be discussed is whether government by the suffrage of men and women would be better than government by the suffrage of men alone. The question is therefore a question of expediency."

The editorial in taking issue with my statement further declares: "The franchise is an inherent right, not a privilege," and to substantiate this quote from the Declaration of Independence, as follows:

"We hold these truths to be self-evident: That all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty and the pursuit of happiness."

That to secure these rights, governments are instituted among men deriving their just powers from the consent of the governed."

Now while upholding the Declaration of Independence in its entirety it is still logical to maintain that the quotation as given does not relate to the point at issue. Whether the franchise is an inherent right or a matter of governmental expediency, and as it does not so relate to this point at issue, it must be regarded, in the words of Chief Justice Marshall, as an abstract argument used concerning it.

Further referring to my statement that the most desirable solution of the problem which woman suffrage presents would be a referendum to the women of New Jersey, the editorial declares that all that is now asked is that the legislature permit the male voters to decide because they, the male voters, have taken upon themselves to deny to woman the right to vote.

It is a curious fact and one worthy of consideration that the suffragist demands for woman that she be permitted to vote on every subject but the one all-important subject to her, whether or not she shall vote at all.

However, I repeat that we rest confident in the belief that the ultimate decision of the men of New Jersey will be one of unquestioned loyalty to the best interests of the state and of its women.

The regular monthly meeting of the Westfield Branch of the N. J. Association Opposed to Woman Suffrage took place at the home of Mrs. P. O. Oliver on Monday afternoon, at 3 o'clock. The meeting was in charge of the first vice-president, Mrs. Frank Goodwin in the absence of Miss Bridges the President. The proposed amendment to the Federal Constitution giving women the right to vote was the topic of the afternoon, and much interest was shown by those present in the subject as explained by Mrs. Goodwin. The expediency of the amendment, its interference with States rights and the opposition to it shown in state where already the 14 and 15 Federal Amendments could not be enforced owing to conditions peculiar to those States.

Prohibition and Woman Suffrage.

Mrs. Lillian M. N. Stevens, of Portland, Maine, President of the National Woman's Christian Temperance Union, stated in her speech at Asbury Park, on October 31st, that the growth of prohibition in the States where women have political influence shows what the ultimate result will be when the women of the entire country are enfranchised. It is interesting to note in this connection that the nine prohibition States are all non-suffrage States, and that prohibition does not prevail in any of the nine suffrage States except Kansas, which had prohibition for 19 years before its women were enfranchised.

Among the list of men's names appearing on the committee in charge of the meeting of the Men's League for Woman Suffrage in New Jersey, at Elizabeth, on Monday night, were, noticed Mr. J. F. Van Riper and Gen. Dennis Collins, the former an ardent advocate of prohibition, the latter the President and owner of the Peter Britt Brewing Company, and ardent advocate of quite the other thing. Dr. Shaw will have to rearrange her famous speech about the Anti's, to fit this case.

AMATEUR CAST ENTERTAINED

Mrs. R. H. Collins, of First street, entertained the members of the cast of the Old Folks Concrete of the Social and Literary Circle of the First Methodist church at luncheon at her home today.

There were about fifty of the cast present. After the luncheon the cast adjourned to the home of Mrs. W. H. Davis on the Boulevard where the monthly meeting of the Circle is being held.

HOLY TRINITY'S SUCCESSFUL MUSICAL AND DANCE

Monday evening found Flagg's Assembly Hall crowded to the doors by an expectant audience, whose presence was induced by a most attractive program.

Holy Trinity Choir at once captivated the hearts of the audience by the effective and expressive rendition of various appropriate selections.

Master Southard and his sister, Mary, assisted by Miss Lucy Traynor, made a decided hit in their pleasing number.

John C. A. McGlenon, Mayor of East Newark spoke most entertainingly for one hour in explanation of the hundred or more beautiful pictures shown. Starting from the good old U. S. A., he carried his hearers in spirit over the Atlantic to the Emerald Isle and gave them a most thorough explanation of the various and historic points of Ireland. His humorous remarks, apt and most timely, were gems of true Irish wit and were received accordingly by a thoroughly wide-awake and appreciative audience.

The frequent and generous applause showed how well Mr. McGlenon treated his subject.

Dancing, always enjoyed, followed. Messrs. James Bates, John James, Jr., F. Tully and A. Marengli saw that the audience was made as comfortable as possible.

A committee of the ladies of the parish, consisting of Mrs. G. H. Riley, Mrs. Wm. E. Date, Mrs. J. Bates, Mrs. J. Fogarty, Mrs. H. A. Voy, Wm. M. Tully, Mrs. L. Powers, Miss Mary Miller, Miss Lucy Traynor and Miss Alice Row, prepared refreshments and served them with grace and taste. They did splendid work, with tables and hall prettily decorated, and were well rewarded for their labors by the many pleased patrons they served.

The program follows:

I. Overture—"The Last Rose of Summer"; Moore; Pianist, Miss Lucy Traynor; Violin, Miss Helen Southard; Cornet, Master John Southard.
II. Chorus—"The Wearing of the Green"; F. W. Goodrich, by Holy Trinity Choir. Miss Henrietta Meyer, Soprano; Miss Florence Hartman, Soprano; Miss Lillian Somers, Soprano; Miss Agnes Somers, Soprano; Miss May Walsh, Soprano; Mrs. J. M. Walsh, Alto; Miss Mae Powers, Alto; Miss Winifred Eller, Alto; William Schenckmorgen, Tenor; Joseph Whalen, Tenor; Clarence Strick, Tenor; Frank Eller, Bass; Joseph Kraus, Bass; and Arthur Pfaff, Bass.

III. Soprano Solo—"Kilbride"; M. W. Baker, Miss Lillian Meyer.

IV. Lecture—"Ireland" Hon. J. A. McGlenon.

V. Duets—"Come Back to Erin"; Charles Rhys Herbert, Miss Florence Hartman, Soprano; and Mrs. J. M. Walsh, Alto.

VI. Quartet—"The Kerry Dance"; (Malloy Rhys Herbert, Miss Henrietta Meyer, Soprano; Miss Mae Powers, Alto; Mr. Wm. Schenckmorgen, Tenor; Mr. Frank Eller, Bass.)

VII. Dancing—Music by Carpenter's Orchestra.

ST. PATRICK'S DAY SOCIAL.

The Young Peoples Society of the Baptist church held a very enjoyable St. Patrick Day social in the church parlors on Tuesday night. It was attended by about seventy-five members of the society and their friends. The church parlors were decorated with American flags and crepe paper. Everyone present was required to wear something green before they were admitted.

The program consisted of vocal solos by Miss Wichern, Miss Mary Coles, Thomas Clements and Mr. Field, of Dunellen; readings by Miss S. A. Coles, Miss Louise Hann, and a recitation by Miss Beatrice Hoffman. Mrs. George W. Baker told some Irish stories and played the accordion. The Misses Grace and Gladys Walker played a piano duet and Miss Esther Lightfoot a piano solo.

After the program refreshments were served. The committee in charge of the social was composed of Miss Grace Walker, chairman; Mrs. G. W. Baker, Mrs. George Dougherty, Miss Mary Coles, Miss Marguerite Greenwood and Miss Eleanor Garcia.

EQUAL FRANCHISE LEAGUE DISCUSSES LEGISLATIVE WORK.

Mrs. McClary, of Rahway, one of the best known club women and suffragists in the State made an address at the meeting of the Equal Franchise League of Westfield held at the home of Mrs. F. E. Sturges, on the Boulevard, Monday afternoon. Mrs. McClary spoke on the legislative work, in which she has been engaged for the past twenty years, from a suffrage standpoint.

She told of the conditions in the factories and mines which she had visited in her work. Mrs. McClary is against the employment of child labor and has been working for the enactment of child labor laws for many years. The League is in a flourishing condition the names of forty new members, including both men and women having been added to the constitution since the last meeting. It is planned to hold a mass meeting in April.

K. OF G. NOTES.

Westfield Council, K. of G., conferred the 30th degree upon a large number of its members at a meeting on Wednesday evening.

Farther Wattersen will be the subject at a social given on Friday Sunday, April 5, at 8:15 A. M. At this Mass Westfield Council, K. of G., will attend in a body.

In the evening at 8 P. M., they will attend Vespers. A large number of visiting Knights from Rahway, Plainfield and Elizabeth will be the guests of the local Knights. Welcome Brother Knights!

THROUGH AT MEN'S SUFFRAGE RALLY

Enthusiastic Reception to Mrs. Beatrice Forbes-Robertson Hale and Rabbi Wise at the Elizabeth Gathering

A large party of Westfield suffragists leaped to swell the numbers from all the other principal towns as far west as Bound Brook who went to Elizabeth on Monday evening to attend the mass meeting at First's Theatre given by the New Jersey Men's League for Woman Suffrage. This was the most important and largest demonstration that has yet been made in this section of the Suffrage cause.

The Men's League began on Monday night what promised to be a very active campaign in aid of the women. One thousand people turned out to express their enthusiasm and give an appropriate welcome to the eminent speakers. The 11:03 train coming west from Elizabeth was so packed that standing room in the baggage car was at a premium.

Chaplain L. Riley, President of the Men's League made a short address explaining the plans of the League and short but appropriate speeches were made by Dr. Victor Maynard, Mayor of Elizabeth, and Judge Connolly of the Court of Common Pleas.

The principal speakers of the evening were Mrs. Beatrice Forbes-Robertson Hale and Rabbi Stephen S. Wise. Mrs. Hale made one of the most forceful, persuasive and eloquent presentations of the Suffrage cause that has ever been listened to. She had her audience with her from the start and held them spell-bound to the finish of her address. She seemed all too short, although she spoke for three minutes. She had an air of confidence and the false remnants of fear of a woman holding the recently adopted position of "temper" which she should have a right to have and which was shown in a few words in social discussion and in the whatever to do with suffrage.

Rabbi Wise also made a powerful plea for the cause that was much appreciated by the audience.

It is noted that Mrs. Hale will be heard in Westfield in the near future. This will be a very impressive fact. Westfielders, whether they be for or against Suffrage will not want to miss Mrs. Hale in a case of the refined and cultured English lady, who is a home-loving mother and an orator of great power and skill.

BIBLE STUDY

Winter Term's Work Completed—Plans for Spring Term

The two Westfield Extension Classes of the Bible Teachers' Training School of New York finished last week the winter term's work of the school year.

Miss Angelina's class which meets Friday mornings is preparing a lovely and delightful year on the Gospel by Matthew.

The Tuesday Evening Class taught by Miss Galbreath is anti-climatic with pleasure the spending of the last term of this year and the whole of next year on Old Testament History.

The spring term begins next week. Miss Galbreath's class meeting Tuesday evening at 8 o'clock in the Presbyterian Parish House, and Miss Angelina's class on Friday morning at 10:10 o'clock.

These classes are interdenominational. The young people of the town, both young men and women, are especially invited to come and take part in this inspiring and instructive work which is under the guidance of teachers of rare preparation and ability.

HARVARD CLUB DINNER.

The Harvard Club of New Jersey invites all Harvard men to its annual dinner, April 18th, at 8 P. M. The dinner will be given at the Down Town Club in Jersey City.

Among the speakers will be Evert Jansen Wendell, Norman Hargood, Witter Lymor, Ralph Ross, Captain Brickley of the football team and Captain Reynolds of the easily victorious crew. W. G. Peckham, of this place, as President of the Club, will preside.

A feature of the dinner will be the singing of football songs and a choir of under graduates will lead in the singing.

A SPLENDID OPPORTUNITY.

Wallach's Superior Laundry, the largest and best concern of New York is soliciting the trade of well dressed people by Parcel Post. An advertisement of their in the paper will explain their service.

This Company has been in business for 180 years and is the best and most reliable in its line.

The high quality of its goods and the responsibility of its management would serve to make it a fact that people who are particular about their laundry would do well to get to know it.

At St. Patrick's Day Banquet.

A number of people from this town attended the banquet of the Friendly Sons of St. Patrick held in Elizabeth on Tuesday night.

Among those present were Mayor Evans, Councilman McCann, Edward C. McMahon, John W. Kelly and John J. Daley.

FRIDAY MARCH 20, 1914.

Get On The Job.

On Tuesday evening, 61 out of the 3,000 citizens in Westfield entitled to vote at the school election turned out to register their vote on school matters. This is a deplorable showing of interest by the citizens of Westfield, especially when so many things in the past few months have called them to a showing of their civic rights and choices.

The school budget of \$50,467 was voted into being by about 2 per cent. of the electorate. Do our citizens really care to undertake the responsibilities of the ballot, or do they only want to say they do?

In connection with this matter, The Standard feels like suggesting that it would be a wholesome thing for Westfield to have less of the "Get Good Quick Wallingford" agitation, and more of the "Get on the Job Wallingford" sort of a spirit.

Is It Worth While?

While little or nothing has been heard from the canvass to get the attitude of the voters of Westfield upon Commission Government, it might be timely to note that the Commission Government Act in New Jersey is generally admitted by authorities on the subject to be a very weak and faulty law. None of the towns or cities have had sufficient actual experience to prove, even to a reasonable degree, the value of such a system of government.

The Commissioners elected in Jersey City about ten months ago, have found the law so deplorably weak and ineffective that they have drafted a new bill which does away in a large measure with many of the provisions so generally pointed out as features of strength and value in the Walsh Act.

The Standard has always been most earnest in its advocacy of the best in government, as to form and policies, as well as to the men who conduct our affairs; but a change, simply for the sake of a change, without a fair understanding of the effect such a change might have, we believe very ill advised. Since the question has been raised, there have been many expressions of approval of the present form of government and of those who are serving as Councilmen and Mayor.

Unappropriated Assets.

The suggestion is made in the Canadian Municipal Journal that municipalities are losing good counsel, in not making use of the ex-mayors as advisers to present administrations.

This might be a profitable scheme in Westfield, as our ex-mayors are ripe in experience and can give very profitable counsel to the present administration. As our town grows, and the list of those who have served in this capacity is enlarged, their experience and counsel would prove a source of strength and profit. Why not utilize these heretofore unappropriated assets?

Good Werk.

The Water Rate Bill, fathered by Assemblyman Kuhlke, of Bergen County, passed the House on Wednesday. It is now up to the Senate and the Governor for their approval.

Let us hope that this bill which includes all water service in first and second class counties, will become a law. This will give us a maximum rate for water of \$1.25 per thousand cubic feet up to 5000 cubic feet, and \$1.00 per thousand for anything over this. Our present rate is \$1.88 with a minimum charge of \$2.50.

Mr. Griffin's Bill.

The referendum amendment offered to the Small Board of Freeholder Bill by Senator Hennessey, on the same day that he introduced the duplicate of the

Griffin Bill in the Senate, indicates that there is more or less opposition to the small board bill as it was originally introduced. It also indicates that the bill is not having the strong support that Mr. Griffin anticipated for this measure. Each day brings new indications that the people are waking up to the undesirable features of the commission plan of electing officials.

A special communication from Trenton, just as we are going to press, indicates that the small board bill is getting much adverse criticism and it's passage is in doubt; that it will probably be left for the last day's rush in hopes that some trade can be made to get it passed.

STOP THIEF!

The raids which are being made upon our municipal resources for the sake of the State Treasury should stir up the people of New Jersey to the consideration of this very serious matter.

The present administration, of course, dislikes very much to go on record as having to father a deficit, or as the party under whose administration a State tax is inaugurated. This, of course, would serve as a heavy handicap for the candidates at the coming fall election. Why not come out fairly and squarely as to the real cause of the deficit and get rid of the foolish Seven Sisters Bill, which has driven corporations away from our State and hinders others from incorporating here. This has caused so large a shrinkage in the corporate tax returns as to make the subject of State finances a serious problem at Trenton.

There has been no effort to enforce Mr. Wilson's pet Seven Sisters laws, but the bad effects of this legislation is telling on our revenues just the same.

A Bad Bill.

It is not to be wondered that the Bank Tax Bill should have brought a strong protest from the banking interest in New Jersey. This bill would take over half a million dollars of the annual profits from the stockholders of banks, which are already taxed for their real estate holdings as well as on income such as other corporate bodies.

Such an unreasonable law could not but affect the savings and mortgage interest rates, and cause the conversion of surpluses and undivided profits into dividends, which would in the end lessen the protection of depositors and weaken the banking system to the detriment of the whole State.

THE SCHOOL ELECTION.

March 19th, 1914.

To the Editor of The Standard:

On Tuesday, March 17th, an election duly advertised for ten days was held in the Washington School, for the election of four members of the School Board and School Appropriation. Of three thousand persons who were entitled to vote sixty-one cast a ballot.

This election was particularly important for the reason that during the next year the Board of Education will be called upon to disperse (including the new school building) approximately \$200,000.00 and while it is generally accepted that silence gives consent, nevertheless it would seem that not only the Board of Education, but all other civic bodies should have the seal of approval or disapproval of a greater proportion than two per cent of those who are entitled to vote.

Personally I think the Board of Education owe a vote of thanks to the sixty-one voters, who showed their appreciation and confidence by taking the trouble to cast their ballot, and it was particularly gratifying to the undersigned to find that at least one of the twenty-seven signers of the Commission Form of Government Circular was interested enough in our Town affairs to vote.

"FOR KEEPS"

To the Editor of The Standard:

Now that the season for marbles is so near at hand, would it not be fitting to hear from some of the parents of boys in regard to the playing of marbles "for keeps"? I feel as my Mother always did, that it is the first lesson in gambling.

Of course some never go any farther but many more do go farther along that road. And what benefit does the boy get from winning marbles at the expense of others? But what a good start on the road to a strong character is made by firmly refusing to play "for keeps."

It seems to me that it will be far easier for that boy to take a stand against temptations of greater size, which are bound to come his way later on.

I hope some others will write of this matter if you have a little space for it.

There were many floral tributes including set pieces from the Fire Department, Menno Tribe of Red Men and the Street Cleaning Department. The bearers, all members of Menno Tribe of Red Men, were John Whalen, M. Namery, M. Tally, Charles Zimmerman, Martin Caulfield, T. Brady. Interment was made in St. Mary's Cemetery, Plainfield.

MRS. MARGARET D. BLAKE.

Mrs. Margaret D. Blake died at the home of her daughter, Mrs. A. R. Maxwell, at Mountainside, on Saturday. Mrs. Blake was born in Ireland and was in her 76th year. She had been a resident of Mountainside for a number of years.

The funeral was held on Monday afternoon from the Maxwell home and was conducted by Rev. Percy Pemberton of the Mountainside chapel. Interment was made in Fairview cemetery.

OVER FOUR BOXES OF FREE SMOKES.

Many inquiries have been received as to the outcome of the wager between George W. Fruthey and the editor of The Standard that a certain number of people would enter Fruthey's Pharmacy on Saturday last and say they had seen his advertisement in The Standard in return for which they were to receive a free cigar.

Many more than the estimated number replied to the announcement and more than four boxes of cigars passed over Mr. Fruthey's cigar counter as free smokes on last Saturday.

We are more than pleased with the outcome of the wager and Mr. Fruthey is well satisfied as he had the biggest cigar day in the history of his business.

Long Lifetime in Bed.

Fifty-five years in bed is probably a record in that line and is held by Mlle Lucaux, a spinster of seventy-five, living at Wavillon, France. Although in perfect health, she went to bed when she was twenty with the avowed intention of never leaving it again, and has faithfully kept her word. She is naturally suffering from chronic cramp, but her general health is good.

Tonic in Scent of Lavender.

If you are a martyr to neuralgia or headaches you may envy the people who prepare lavender for sale. Lavender, indeed, is an excellent tonic for anyone who is run down. Doctors frequently recommend people suffering from nervous breakdown to get a job at gathering or distilling this fragrant plant.

Jimmie's Conclusion.

Little folk frequently manifest unexpected powers of observation and analysis. Little Jimmie, for instance, was asked if a young lady whom he don't love was pretty. "She looks pretty to me," he announced, "after a brief period of consideration, but I don't suppose she's really pretty. I notice Brother Ben don't sit by her side an awful lot when she comes home."

Upchurch Lodge, A. O. U. W., will hold an important meeting in Odd Fellows hall on Tuesday night. A report of the representative to the Grand Lodge, P. E. Hawley, Past Master Workman, will be given including a detailed statement of the doings of that body.

David J. Carney, a well known newspaper man and publisher of the North Plainfield Review died on Tuesday night at his home in that city. Mr. Carney was well known and had a host of friends. He had always been an active Democrat and from boyhood had taken an interest in newspaper work. He was an uncle of Andrew Carney, Jr., health inspector of this town.

Miss Eleanor Garcia entertained a number of friends at a St. Patrick Day party at her home on West Broad street, Tuesday night. Among those present were Miss Marion Kenney, Miss Elsa Hall, Miss Jennie Stenson, Miss Julia Pettigrew, Messrs. James Stenson, James Manning, Erickson Van Orden, Arthur Gaskill and George Kling.

J. W. Knox Clark, of Plainfield, an inspector of the Mosquito Commission, was in town yesterday making inspections for breeding places of mosquitoes. He stated that he found, with a few exceptions, conditions very good and only a very few places where these pests could breed. Mr. Clark also stated that Turkey Swamp is to be cleaned out to Panwood avenue.

**MISS DENMAN'S CLASS
GIVE A GERMAN.**

Miss Marion Denman entertained the members of her dancing class by giving a German in the assembly room of the Westfield Theatre on Wednesday afternoon. It was the closing of the second term and there were about forty pupils who took part. Miss Lucy Williams, who dressed in a pink tarleton ballet gown, danced the "Nightingale Dance". Miss Beatrice Locke and Miss Dorothy Cobb danced a De Gavotte and were dressed in Colonial costumes. Miss Ruth Hubert and Master Roy Canfield, danced a Society maxixe. Miss Isabelle Hubert was the pianist. Miss Denman distributed many favors. In addition to the above dances there were many cotillion figures. The German was greatly appreciated by those present and reflected great credit upon the work of Miss Denman.

FALLS FROM LADDER.

Mrs. Howard Miller, of 455 Central avenue, fell from the top of a high step ladder while cleaning a closet in the kitchen of her home on Monday morning. She was pressed up in a semi-conscious condition and Doctor Charles Decker was summoned and found that she had received a severe cut over her eye. The wound required several stitches to close. No bones were broken. Mrs. Miller is a very heavy woman and as a result of the fall she will be confined to her bed for several days.

WESTFIELD WINS FROM SOMERVILLE

The Westfield Theatre alley bowling team journeyed to Somerville on Wednesday night to roll a match game with the crack bowling team of that place on the armory alleys. The Westfielders were the winners of the first two games and incidentally posted the highest score ever made on the armory alleys when they posted 1037 in the first game. Baker of the local team did some good bowling posting scores of 226 and 237 while Elmhurst hung up 223 in the first and Radin 213. For Somerville Schaub was high man with 227 in the first game. The scores of the two games follow:

WESTFIELD		SOMERVILLE

ELIZABETH DEFEAT LOCALS.

A bowling team representing the Playhouse and the Elizabeth Athletic Club team rolled a five man match on the Playhouse alleys Tuesday night. The Elizabethtown bowlers won two straight. Worth of the Playhouse team was high score man with 224 in the second game and Kissan next with 222. It was a walk away in the first game for the Elizabeth bowlers.

In the second the Locals had a good lead up to the eighth frame. In the tenth the Elizabeth aggregation came down with three strikes to a man for the first three men which brought the lead of the locals to a close margin and the final score showed that Elizabeth had won by 30 pins.

GARWOOD WOODMEN FAIL TO SHOW UP.

Only one man on the Garwood Woodmen team of the Fraternal Bowling League showed up on the Westfield Theatre alleys on Tuesday night to roll the match with the Red Men, but this did not stop the Indians from rolling the three games for averages.

In the first game, Manning of the Garwood Woodmen rolled against them. Brown and Stegmeyer were in the two time class. Brown rolling 200 in the last game, Stegmeyer 217 in the second, and 203 in the last game. The scores:

RED MEN		GARWOOD WOODMEN	
McKelvey	163	168	153
Brown	161	182	200

BOWLING SQUIBS

Three easy games for the Red Men on Tuesday night when the Garwood Woodmen did not show up.

Manning of the Garwood Woodmen was the only man on his team to show up on Tuesday and he quit after the first game.

Brown and Stegmeyer of the Red Men put up two time scores on Tuesday night.

Whalen was in the line up of the Red Men on Tuesday night. "Jack" is improving all the time.

The Immediate Aid broke the ice on Monday night when they took one game from the Juniors and made them nervous about the second.

Brown of the Immediate Aid team was in only the last game between the Aides and the Juniors on Monday night.

Archibald and Baker of the Juniors were the only two time scorers on Monday night.

French and Lambert were the low men on the Immediate Aid team.

FINAL AVERAGES OF S. S. BOWLING LEAGUE.

The final individual averages below give Ed. Baker, of the Presbyterian team, the honor of leading and he wins the gold medal donated by the league for the best average.

The high score record of 228 also was made by Baker and he wins the high score medal also.

PRESBYTERIANS TIE FOR FIRST PLACE.

The Congregational and Presbyterian teams of the Sunday School Athletic League rolled the last match in the tournament of that League on the Westfield Theatre alleys last Friday night and as a result the Congregational bowlers took two out of the three games and placed the Presbyterians in a tie for first place with the Baptists. Both teams have won nineteen games.

The Presbyterians couped the first game but in the next two the Congregationalists showed some class and won out. Kennedy of the Congregational team was the only man to reach the two time mark, he posting 215 in the last game. The roll off between the Presbyterians and Baptists will probably take place next Friday night.

ED. BAKER WINS BOTH MEDALS.

At the beginning of the S. S. A. L. Bowling Tournament it was announced that the following prizes would be awarded:

Gold Medal for the highest average. Gold Medal for the highest score, and Silver Cup for the championship team.

The schedule of the tournament was completed last Friday when Congregational and Presbyterian rolled and the individual averages, with these games included, show that Ed. Baker of the Presbyterian team has the best average; just short of 174. Harry Gilmore, of the Baptist team, is the runner up with an average of 171.

The high score record also belongs to Baker as nobody was able to equal or beat his score of 228. Several times this score was in danger of being beaten but it never was. Kennedy of the Congregational team, came the nearest when he rolled a score of 227.

S. S. A. L. NOTES.

The Congregational team is being praised on all sides for the plucky way in which they beat Presbyterian two out of three games last week. It was a big feather in the cap of the winners and a hard dose for the losers.

Cowperthwaite, Kimball, Mann, Smith, Baker and Kennedy all hit the pins for good scores when they were needed in the match. Kennedy just about won the last game for Kimball single-handed.

There is little doubt that the games between Baptist and Presbyterian next week will be hard fought and well worth seeing. Captains Clements and Wittke are hustling around after their best men.

The season's games between Presbyterian and Baptist stand five wins for Baptist to four for Presbyterian. So it can be seen that these teams are pretty evenly matched.

GIRLS FINISH SEASON WITH ONLY ONE DEFEAT

Alumni Outclassed by High School

Last Friday evening the girls of the High School ended the most successful season, which any girls' team in the High School has had, by defeating a fast Alumni team 31 to 8. The Alumni was composed of players, all of whom were stars when in school, several being ex-Captains but they couldn't penetrate the strong High School defense.

Miss Pearsall, as usual, starred for the High School tripling the Alumni's score herself. Honors for the Alumni were evenly divided between Misses Bunce and Gladwin, each of whom scored one field goal and two fumbles.

CLASS GAMES OF HIGH SCHOOL

Some Big Scores Are Being Rolled Up
Though Enthusiasm is Lacking

The High School class games which are being played this week are not arousing anywhere near the proper amount of enthusiasm. This is probably due to the fact that there are not enough Sophs who are eligible for them to put a team on the floor which will count in awarding the banners. In addition to the Sophs, several other classes have had their teams weakened by the loss of their stars.

On Monday the Seniors defeated the Freshmen Boys 57-21. The game was close in the first half, the Seniors having only a 5 point lead but in the second half the Seniors rolled up 34 to the Fresh's 3. The Sophs girls forfeited to the Juniors because they had no team.

Tuesday was a day of big scores, the Senior girls defeated the Freshmen 64-1. While the ineligible Sophomore Boys trimmed the Juniors 55-8. Wednesday gave the Junior girls their first game which they won from the Freshmen 22-4. The best game of the series was won by the Senior boys who defeated the Sophs 29-22.

BOYS A. A. ELECTS OFFICERS.

A meeting of the Boy's A. A. was held Wednesday for the election of assistant managers. Robert Cairns was elected assistant manager of basketball, William Gilmarin, of football and Henry Bourne of baseball. The Captains and Managers with the assistant manager follow:

Track—Clifford Ewing, manager. Baseball—Harold Cruttenberg, manager; Henry Bourne, assistant manager. Football (next year)—Robt. Cairns, manager; Wm. Gilmarin, assistant manager; Harry Randall, Capt. Basketball (next year)—Walter Day, manager; Robt. Cairns, assistant manager; Paul Traynor, Capt.

In addition to the elections Mr. Pearsall mentioned the fine prospects for baseball while Mr. Ewing spoke for the track team. Mr. Martin said that suits had been purchased for both teams.

FIRE COMPANY MEETS.

The Fanwood Fire Company held its monthly meeting on Tuesday evening in Fanwood Hall. The regular routine business was transacted. Badges were given to Messrs. Henry L. Jespersen, Jr., and Reed-Holliday. Mr. Palmer volunteered to have a map on which the location of the fire hydrants will be marked, and a copy of the same will be hung up in the fire house. It was proposed that the hydrants be painted red. There was an unusually good number of members present. The meeting adjourned at nine o'clock to meet again on the third Tuesday in April.

Mr. and Mrs. Benjamin Peck and their son, of Providence, Rhode Island, have been guests at the residence of Henry L. Jespersen on Martine Avenue, during the past week.

No service was held at All Saints' Episcopal church last Saturday afternoon.

The Ladies Aid Society of All Saints' Episcopal Church is holding an afternoon tea and cake sale at the residence of Mrs. Claire I. Hall, on North Avenue, this afternoon.

We didn't put the Fan in Fanwood but we started it going!

The Monday evening dancing class did not meet this week.

GARWOOD

SCHOOL ELECTION DRAWS CROWDS

Three Tickets in the Field Draws Out Largest Vote Ever Cast at School Election

OLD TRUSTEES REELECTED

The election of School Trustees and public voting on appropriations Tuesday evening was attended by the largest number of voters that ever turned out to a school election in Garwood. About seventy-five per cent. of the voting population of the town was present and also about five women cast their ballots on the appropriations.

The meeting unanimously elected W. R. Conklin, chairman and B. M. Galloway, secretary. The chairman experienced some difficulty in selecting tellers as no one seemed anxious to serve. Mr. H. M. Wyckoff and Mr. D. F. Snyder were finally selected as tellers on the trustees and Mr. Charles H. Garretson and Mr. J. Deremer on the appropriation.

The Secretary read the call stating that five trustees were to be elected and the following appropriations to be voted on:

Current Expenses\$5,000
Repairs 500
Furnishing 800
Manual Training 800
District Clerk J. Henderson read the annual report of the School Board in which he explained the nature of the appropriations.

The fact that Miss Nellie A. M. Cook, the first woman to run for the school board, had been selected by the Executive Committee of the Good Government Club, and the fact that the same club was trying so energetically to oust the old members, caused considerable interest to be displayed. Miss Cook was nominated very eloquently by Mr. D. J. Burke and Mr. A. Hammer nominated the remainder of the Good Government candidates, namely Messrs. Frederick Wey, W. A. Gerty, Mr. H. H. Dixon.

Mr. Richard Watt nominated for re-election for a term of three years. Messrs. J. H. Rahb, J. Henderson, and Wm. Anger and for a one year term, Messrs. McManus and A. Fromkorth.

There was a third ticket assembled by Mr. Wm. T. Froat, which was exactly the same as the Good Government ticket with the exception that his own name was substituted for that of Mr. H. H. Dixon.

Councilman Wessler asked if the school auditorium might be used for a meeting place of the council until a borough hall was erected but his request was answered by the chairman that only business read in the call could be discussed in the meeting.

The polls were declared open at 8:40 and were to remain open for one hour, this being deemed sufficient to cast all votes.

The polls were closed at 9:40 and although a few voters arrived late it was shown to be a record breaking

vote for Garwood, 179 votes being cast for trustees.

The result was as follows:

	Votes
Mr. John Rahb, R.....	174
Mr. Joshua Henderson, R.....	107
Mr. William Anger, R.....	95
Mr. Walter McManus, R.....	105
Mr. Adam Fromkorth, R.....	97
Miss Nellie A. M. Cook, G. G.....	74
Mr. Frederick Wey, G. G.....	71
Mr. W. A. Gerty, G. G.....	62
Mr. H. H. Dixon, G. G.....	57
Mr. W. T. Froat, unattached.....	12

All appropriations asked were granted with the exception of Manual Training which lost by four votes.

The votes showed an appreciation of the voters of the work done by the three old members and as they won by a very fair majority and their running mates McManus and Fromkorth were also given excellent support.

Miss Cook received the largest number of votes granted the Good Government candidates.

Mr. Froat did not receive the support expected as the Borough was not thoroughly canvassed in his behalf. He followed W. J. Bryan's example however, and intends to run again.

Bernardo Ulmer and family visited in New York last Saturday.

The Beckley Perforating Company is making alterations in its office on North Avenue.

Fire Chief Troeber inspected the fire hydrants Saturday and found them in working condition.

Miss Frances Beadle, of Providence, R. I., formerly of this town, is visiting Mr. and Mrs. John Nolan, on Fourth Avenue.

Gustav Schmal's bakery on South Avenue now has Mr. Ruppel, of Newark, as proprietor. Mr. Schmal having moved to Willow Avenue.

All departments of The Aeolian Company are working four days a week with the exception of the eye department.

Dr. Sinclair, of Westfield, visited the Hall Switch and Signal Company Saturday morning and examined nine employees desiring membership of the Sick and Death Benefit Society.

It is reported that Fay Washburn, Garwood's professional third baseman, will not sign with Worcester of the New England League this season although the manager has asked him to draw up the articles. Fay played ball with this club, the last part of last season and made a very favorable impression on the manager.
