CARD PARTY COMPLETE SUCCESS

Ladies of Campaign Committee for St. Elizabeth Hospital Clear \$75 for That Institution; Many Prize Winners

The charity card party given in Roy and Arcanum hall on Monday afternoon for the benefit of St. Elizabeth hospital by the ladies of the campaign committee for the hospital was a complete success and as a result about \$75 was netted which will be sent to the hospital.

There were 170 ladies present from Plainfield, Rahway, Elizabeth, Cranford, Roselle and this place. Rev. Father Watterson, of Holy Trinity church announced the rules for the playing of the games. Fifty-three prizes were donated for the party and these were divided between the winners of bridge, euchre and five hundred.

The first prize or bridge was a \$2.50 gold piece and was won by Miss Clark; the first prize for euchre was a bisque bust and was won by Miss Meyer; the first prize for five hundred was an oil painting and was won by Mrs. Burner of Plainfield.

The other prize winners were: Bridge.—Mrs. Cunningham, Mrs. G. T. Miller, Mrs. Snyder, Mrs. Blackwell, Mrs. Dunn, Mrs. H. Reed, Mrs. Howe, Mrs. Pohlman, Mrs. Faulkner, Mrs. Kretzer, Mrs. Ebbets, Mrs. Dumas, Mrs. Garmley, Mrs. Covert, Mrs. Bachman, Mrs. Kling, Miss Keeler, Mrs. Nicholas, Mrs. Hoffman, Mrs. E. Taylor and Mrs. Reeder.

Five Hundred.—Miss Cook, Mrs. McCahill, Mrs. G. W. Williams, Mrs. McCahill, Mrs. A. E. Kenney, Mrs. A.

C. Blatz, Mrs. Strach, Miss E. Richards, Mrs. Bradford, Mrs. C. L. Smith, Euchre.—Mrs. O. Mallon, Mrs. McDonough, Mrs. Brady, Mrs. Anderson, Miss K. Besler, Miss A. Comil, Mrs. G. Meyer, Mrs. A. Miller, Mrs. J. Whalen and Mrs. Ham. The ladies who arranged the affair are very much pleased with the success of the card party and are very grateful to all those who donated prizes and to all who in any way helped in making the affair the success it was.

The ladies who composed the committee were Mrs. H. C. McVoy, chairman; Mrs. George H. Riley, Mrs. L. H. Phelps, Mrs. George Peck, Jr., Mrs. W. H. Weldon, Jr., Mrs. John H. Roy, Mrs. William Date, Mrs. William Thornton, Mrs. John W. James, Jr., Miss Lucy Traynor, Miss Mae Powers, Miss Bessie Roy.

MOTHER'S DAY, SUNDAY, MAY 10TH.

One of the special features instituted at the Methodist Church is the setting apart of one Sunday to the commemoration and special honor of mothers. Both the morning church service and the Sunday School are to share in the honor of the special recognition services. The Children's Choir, comprising forty voices, which has been recently organized and trained by Professor Gulick will sing at the morning church service, and all other features of the hour including the sermon will do honor to the mothers.

All mothers, old and young, are invited to be the special guests of the church, and in order to make their attendance possible a number of young women are to be in the chapel to take charge of any little folks the mothers may care to leave with them during the church hour. The children may be left with these young women any time after 10:20 o'clock.

MEDICAL SOCIETY DISCUSSES MEASLES.

The members of the Westfield Medical Society were the guests of Dr. and Mrs. J. R. Harrison at their home on Broad street on Tuesday night. It was the regular monthly meeting of the society and all the members were present except Dr. Bell.

The paper of the evening was on "Measles" and was read by Dr. R. R. Sinclair. After the reading of the paper there was a discussion in which the question of more stringent rules and quarantine in contagious diseases was brought up.

During the evening refreshments were served.

Card of Thanks From Bethel Baptist Church.

We take great pleasure in announcing the result of our rally last Sunday, given by the deacons' wives. The amount raised was \$211.28, and we thank all our friends who gave so liberally and especially our white friends who give so willingly towards this rally and who donated so freely during the remodeling of our church and we invite them to come over to inspect our building, Bethel Baptist Church.

Twentieth Anniversary Royal Queen Lodge.

On Sunday, May 10th, the Royal Queen Lodge, No. 3712 Grand United Order of Odd Fellows, will celebrate their 20th annual Thanksgiving Service in the Bethel Baptist church, at 8 P. M.

Rev. W. P. Lawrence, P. N. F., of Orange, will deliver the sermon to this august body. This ancient order's headquarters are in Elizabeth, but they have members in Westfield and they are going to celebrate with them. Mortimer Turner, N. G., R. R. Thompson, P. S.

TOWN COUNCIL ISSUES BONDS

To Take Up Outstanding Improvement Certificates to the Amount of \$129,329.24

POLES ORDERED DOWN

At the meeting of the town council held on Monday night ordinances were passed upon first reading for issuing bonds to the amount of \$129,329.24 to take up outstanding improvement certificates. The bonds and amounts were as follows:

East Broad Street road bonds, \$17,000; General improvement funding bonds, \$52,000; Sewer and sewer disposal plant bonds, \$17,000; Sewer, sidewalk and road bonds, \$41,000; interest at four and a half per cent. is made payable at the Westfield Trust Company on the first two issues and at the Peoples National Bank on the other two.

Two ordinances will come up for second reading at the next meeting of the council.

Another important item of business which was brought before the council by Councilman Perry of the town property and street lighting committee was the question of the poles of the Public Service Corporation which were erected without permission of the town. The council passed the ordinance giving the right to remove poles on Rahway road, Union road, Green street and Scotch Plains avenue. The committee of which Mr. Perry is chairman recommended that the corporation be notified that unless it agreed to place its wires underground within sixty days the poles would be cut down. Those poles carry the high tension wires which supply Plainfield. The town in an action recently against the corporation obtained a decision from the highest courts giving the municipality the right to cut down the poles.

On the request of C. W. Harlan, chairman of the memorial detail of Winfield Scott Post, G. A. R., of Plainfield, \$50 was appropriated for decorating the graves of the soldiers and sailors in the two cemeteries in this town on Decoration Day.

A petition was received for a sewer in Chestnut street from Maple street to Mountain avenue and a hearing was set for Monday evening, June 1. W. R. Rich in a communication asked for an extension of Chestnut street to Hillside avenue. This was referred to the road committee. A resolution was passed for the laying of sidewalks on both sides of Union avenue and hearing on this improvement was set for Monday evening, June 1. Ordinances for curbing on Stanmore place and for gutters, curb and macadam on Lenox avenue, between Stanley avenue and Chestnut street were passed on first reading, no objections being filed.

A communication was received from Mayor Preston, of Baltimore, calling the attention of the council to the 100th anniversary of the Star Spangled Banner celebration to be held in that city from September 6, to 12 and requesting that the national colors be displayed on all public buildings on those days. The council directed that the matter be referred to the Chief of Police and that the flag be displayed on all public buildings on those days.

An improvement certificate for \$5,-

699.32 was ordered issued. Councilman Hohenstein of the fire committee reported that he had received a check for \$21.75 as a rebate for a bad tire. The check was placed to the credit of the fire committee.

On motion of Councilman DeCamp, of the road committee, the Town Plan and Art Commission were requested to suggest to the council the names of streets in town which needed to be changed and also new names for such streets. The contract for supplying tar for the roads was given to the Barrett Manufacturing Company. Residents of Mountain avenue, between Walnut and Kimball, were given permission to lay their own concrete sidewalks. The sum of \$300 was voted placed at the disposal of Overseer of the Poor Fitch. A warrant for \$1,493.37 was ordered drawn for Louis Jacques in full payment for work he had done on the streets. A master of the town dumps was ordered employed at a salary of \$1 per week.

A communication was received from David Stenfield, of Montclair, asking for the position of dog catcher. This was referred to the police committee. A communication from the Town Plan and Art Commission in regard to the widening of Pleasant Place was referred to the road committee.

The reports of the town officers for the month of April were as follows: Treasurer Darby's balance on hand, \$21,767.34; Collector Clark, \$5,121.11; Engineer Vars, nine sewer permits issued, fees, \$27; Recorder Springstead, \$10 for fines collected; Building Inspector Moffitt, eleven permits amounting to \$27,165; Police, \$129.24; Secretary Harlan of the Board of Health, permits issued, \$200; Overseer of the Poor Fitch, wages, \$21.75; balance, \$23.52.

Mayor Harlan reported that he and all the members of the council were present.

BENEFIT CONCERT FOR CHILDREN'S COUNTRY HOME.

Miss Carolyn Harding Bisco, pianist and the Olive Mead Strain Quartet, will give a concert in the Presbyterian Church on Saturday evening, May 16, at 8:15 for the benefit of the Children's Country Home. The concert promises to be a rare treat for music lovers of this town owing to the ability and wide reputation which the artists enjoy. On account of her interest in the town and the Children's Country Home Miss Bisco is donating her services and those of the quartet and there will be no expense whatever on the part of the Board of Managers of the Home and every dollar paid for a ticket will mean a dollar for the Home.

The proceeds of the concert are to be used by the managers for the general running expenses of the Home during the coming season.

Tickets may be secured from the managers and members of the Young Ladies' and Junior Auxiliaries.

COMMUTERS DISPLAY BUTTONS.

A number of prominent residents of the town who are interested in the town exhibit were at the Central railroad station early on Tuesday morning to meet the commuters who do business in New York. Each commuter as he appeared at the station was presented with a "Know Your Town" button and there was not a commuter who escaped as the gentlemen who did the distributing did not leave until the last commuter had gone to New York.

As a result of this nearly 1,000 buttons were displayed in the metropolis on that day by Westfielders.

SCHOOLS TO CLOSE ON JUNE 19

Senior Class Will Give Play on June 15 Following Baccalaureate Sermon on Sunday June 14, in Methodist Church by Rev. G. Franklin Ream

At the meeting of the Board of Education held on Tuesday night arrangements were made for the commencement exercises which are to be held on Friday evening, June 19. Mr. Davis of the teachers committee announced that the speaker on that evening would be H. L. Spillers a member of the Board of Aldermen, of New York.

He also announced that the class play of the seniors would be held on Monday evening, June 15 at the Playhouse. The baccalaureate exercises will be held on Sunday, June 14, in the First Methodist church and the sermon will be delivered by Rev. G. Franklin Ream. The baccalaureate service will be held at the First Methodist Church at 10 o'clock.

On Tuesday evening, June 16, at 8:15, the senior class will give a play at the Playhouse. The play is entitled "The Little Girl Who Was Too Fond of Soap". The play is written by a local author and is a comedy. The play is to be given for the benefit of the Children's Country Home. The play is to be given at the Playhouse, which is a new building on the corner of Union and Chestnut streets.

The Board of Education has decided that the opening day of the town exhibit should be on Tuesday, May 12, the opening day of the town exhibit. The exhibit is to be held at the Central railroad station.

Bids were opened for supplying coal to the schools for the years 1914-15. There were two bids; Tuttle Brothers, and J. S. Irving & Company. The bids were referred to the supply committee and the contract was awarded by them to the lowest bidder.

The supply committee was also empowered to purchase new grates for the boilers in the McKinley school.

President Dempsey presided and all the members of the Board were present.

EMBREE CIRCUS MANAGER.

Spencer D. Embree, of Westfield, was one of the committee of undergraduates which made the Rutgers College Circus a big success last Saturday evening.

The circus was the first ever given by the students and was attended by five hundred persons. It included a slide show, with a fat lady, human skeleton, tattooed man and other freaks; a main show, with clowns, trained animals, and acrobats; and a musical concert. Embree had charge of the refreshment booth and sold over fifty dollars worth of peanuts, popcorn and pink lemonade.

The New Equitable Building

The Town of Westfield

The Pearsall Properties

Twice the present population of Westfield will be the office capacity (15,000) of this, the largest building in the world. Has it occurred to you that the Liberty Street Ferry is the nearest suburban ferry to this building and that the equivalent of TWO Westfields will be placed almost at the door of the Jersey Central terminal and that most of these Equitable Building business men are of the Westfield home-people kind? Be real sensible and think it over.

Because of its natural advantages, it's up-to-dateness and it's wonderful train service, will surely come in for it's full share of these new home seekers that will establish offices in the monster Equitable. These purchasers will not create MORE building sites, but will absorb the better lots and thus enhance the value of the remaining lots of the desirable sort. Just figure it out for yourself. Space prevents our presenting many more convincing facts.

Comprise the very choicest of building sites in Westfield. The advent of the Equitable home seekers may mean that THE home site you have had your eye on, will be forever lost to you. It means much to have your home JUST where you most desire to live. Therefore, why not make your selection now and secure THE spot on a small cash payment and benefit by the advance. There will be no boom, just a steady, wholesome, persistent rise with no reaction.

The Pearsall Company

OLD TIMES IN WESTFIELD

By RICHARD P. GREAVES

The first settlement of Westfield dates back to the early part of the Eighteenth Century, when the rapidly growing population of Elizabethtown began to push out into the fertile fields north and west of the Rahway River. Few in number at first but steadily increasing they took possession of the territory known as West Fields, extending from "Crane's Ford" to the "Greenbrook". In 1730 they had become numerous enough to organize a church, which met in a log house on a knoll east of the present home of the Brewer family on Benson Place.

This gave place in a short time to a frame building standing most probably at the East corner of the old grave yard; and this in 1803 to the third edifice standing immediately in front of the present Presbyterian Church building.

It may be useful and interesting to recall the names of these early settlers, and where they lived:—

Deacon Joseph Acken's farm is now the property of Joseph E. Gallagher, Mrs. Betsy Pierson of Benson Place, now in her 97th year is a granddaughter of Deacon Acken. Mr. Nathaniel Baker, tanner and currier, owned the property where Patrick Traynor now resides; his son Daniel Baker, Jr. was a revolutionary soldier; his descendants now live in Ohio and Indiana. Henry Baker, a weaver, lived where William Stitt afterwards resided; his son Daniel Baker, Sr., fought in the Revolutionary War; George W. Baker, the hardware dealer, is a great grand son of Daniel Baker, Sr. James Badgley settled in 1735 on the old "Badgley Place", five generations of the family have lived in the old homestead. William Clark lived on the west side of Central Avenue, beyond Ripley's Hill; his grandsons, William and Avarah Clark were Continental soldiers, and his grandson, Charles Clark, was acting Governor of New Jersey for a short time. Charles Clark, James O. Clark, and Lawrence A. Clark are all descendants of William Clark.

Henry Clark lived on Central Avenue just below the R. R. crossing, he is the ancestor of our popular tax collector Addison H. Clark. Jonathan Cory lived on the farm now owned by Christian Fritz, Joseph W. Cory, of Dudley Avenue, is his great grandson. Captain Matthias Clark lived on the road to Rahway where his grandson Martin V. B. Clark afterwards lived. Gardner Connet lived where Louis Theiss lately resided.

The Cranes and Deamans lived in Cranford where their descendants still live.

Philemon Elmer was the village doctor, his house stood where Dr. Harrison lives; Elmer Street is named for him; Matthias Hedfield, tanner and shoemaker lived at Willow Grove; he

is the ancestor of all the Hedfields in this locality. James and John Lambert kept the Lambert's Mills at Willow Grove.

Mr. Ephraim Marsh lived where Oliver M. Pierson lately resided; his farm consisted of 100 acres of land; embracing all the section at present bounded by Broad Street, Central Avenue, Park Street and Rahway Avenue. Charles Marsh resided on the Fair Acres property; the late John M. C. Marsh was his great grandson.

Enoch Miller lived just west of the Branch Mills Chapel; his grist mill stood by the brook and was afterwards known as Drake's Mill. Enoch D. Miller, and Jonas S. Miller are descendants of the fourth generation. James Mooney lived on Woodland Avenue, where Arthur R. Rule now resides; Franklin D. Mooney of Dudley Avenue and Henry G. Mooney of Mountain Avenue are great grandsons of James Mooney.

Daniel Pierson lived at the foot of the hill beyond Fairview Cemetery; the old Union School house stood on the knoll back of his house.

Mr. David Pierson lived on the Daniel G. Pink farm; Mrs. Jacob D. French, 93 years of age, is his granddaughter. Arthur N. Pierson is a great great grandson. Daniel and David Pierson are both buried in the Baptist Cemetery at Scotch Plains.

Deacon William Pierson lived where Mrs. Charles B. Peddie now resides; Mrs. J. E. Brewer of Benson Place is his great great granddaughter.

Squire John Ross owned the old homestead in Ripley Manor; Irving I. Ross, and Ross Edwards are among his descendants. Col. John Scudder lived near where Mrs. J. H. Roy now resides; Isaac L. Scudder of East Broad Street and George W. Scudder of West Broad Street, are great grandsons of this old patriot.

Mr. Ephraim Scudder lived in the old stone castle in Picton Park; Mulford M. Scudder and George M. Scudder are among his descendants. Glad E. Ludlow lives on the farm once owned by his grandfather Jacob Ludlow a Revolutionary soldier. Mr. John High lived near Graceland; his daughter Euphemia married Robert Woodruff of Conn. Farms the ancestor of Wilford B. Benj. H. and Robert Woodruff of Westfield.

Joseph Cory was a Revolutionary soldier, he lived on Mountain Avenue, where his grandson Levi Cory afterwards resided; the old oak tree near Euclid Avenue is mentioned as a landmark in 1787. The French family lived just over the line in Springfield township; Isaac French married the daughter of Deacon Jacob Davis; Robert M. French, the furniture man, and the children of the late Jacob D. French, are his grand children, the older generations of Frenchs are buried

ROUTINE SESSION OF HEALTH BOARD

Little business of an important nature was transacted at the monthly meeting of the Board of Health held in its rooms in the town hall Friday night. The report of Inspector Carney for the month of April showed that the number of cases of measles which have been prevalent in this place for the past few months was on the wane and that there had only been 5 cases of chicken pox; 1 case of scarlet fever; 1 case of typhoid fever; 1 of paralysis; 1 case of whooping cough and 1 of mumps. He reported that the bakeries, dumps, scavenger wagons and backyards were all in good condition. Progress was reported on the exhibit which the Board of Health is to have at the town exhibit.

Inspector Carney stated that the tuberculosis exhibit had been put off until fall. A communication from the State Board of Health was read by Secretary Harden relative to the residents of Grandview Avenue, letting waste liquid run into the storm brook of the Rahway river. Mr. Harden stated that he had written the State Board in regard to the matter.

John G. Markert was given a permit to sell milk in his store on Elm street. The application of William Evans for permission to cart garbage was referred to Inspector Carney for investigation. A communication was received from the Westfield Medical Society relative to having the rules regarding contagious and infectious diseases printed and distributed in the families where the disease is. The communication was ordered filed and due consideration will be given it by the Board. Secretary Harden reported that he had turned over to the treasurer for the use of the Board the sum of \$36 for permits and licenses issued during the past month.

President Harrison presided and Messrs. Laird, Butler and Harden were present.

Here the men met together in Town Meeting; and here the "City Fathers" met to make rules and regulations for Westfield in "Ye Olden Tyme."

PRESENT RESOLUTIONS TO RETIRING PASTOR

At Farewell Reception Tendered Rev. C. J. Greenwood and Family at Baptist Church

The farewell reception tendered to Rev. C. J. Greenwood and family in the Baptist church last Friday night was attended by a large number of the members of the church and congregation and friends. The entertainment of the evening was in charge of L. G. Venn, one of the deacons of the church, and was very enjoyable. The program consisted of selections by the orchestra of the church; vocal solos by J. J. Huffman, of Rahway, accompanied by Mrs. Huffman; solos by Miss Wiehern, Miss Hartshorn and Stanley Jones; recitations by Miss Beatrice Hoffman and Mr. Raymond Garcia.

During the program Mr. Venn called Rev. Mr. Greenwood to the platform and in a very touching address in which he expressed the regret the members of the church felt in his leaving for some other charge and expressing the good wishes of all towards him and his family on behalf of the official board of the church, presented Mr. Greenwood with a set of engrossed resolutions from the board and a purse of gold from the ladies of the church. Mr. Greenwood in accepting the resolutions and purse spoke very feelingly of his pastorate of eleven years in this place and of the love he had for the people here and said that he should always cherish the gifts which had been presented to him and that if anyone from this place should ever come to Anoka, Minn., he would find the latch string of his door hanging out.

The resolutions which were presented to Mr. Greenwood follow:

Whereas, Our pastor, Rev. C. J. Greenwood, has tendered his resignation to take effect April 30, 1914, and whereas the said resignation has been accepted by this church, be it

"Resolved, That we, the members of the First Baptist Church, of Westfield, N. J., in regular business meeting assembled express our sincere appreciation of Brother Greenwood's earnest work among us during the

past eleven years; that we gladly attest to his sterling qualities as a Christian minister, to his earnest and his sympathetic nature as a pastor and to the high esteem in which he is held in the community;

"Resolved, That we assure him of our best wishes and our earnest prayers that God will lead him into fields of even greater usefulness and true happiness;

"Be it further resolved, That these resolutions be spread in full upon the minutes of the church and that an engrossed copy of same, signed by the moderator of the meeting, the chairman of the Board of Deacons and the President of the Board of Trustees be presented to Pastor Greenwood in evidence of our esteem. Signed, W. A. Dempsey, moderator; J. Winter Davis, chairman of the Board of Deacons, and Rollin P. Grant, president of the Board of Trustees."

After the presentation of the gifts to Mr. Greenwood the rest of the program was carried out and this was followed by refreshments served by the ladies of the church.

The committee of ladies who had charge of the affair, together with Mr. Venn, were Mrs. M. Jones, Mrs. A. H. Hunt, Mrs. W. L. Day, Mrs. G. E. Gilmore, Mrs. G. W. Baker, Mrs. Kissam and Mrs. J. Winter Davis.

HELPFUL WORDS.

From a Westfield Citizen.

Is your back lame and painful? Does it ache especially after exertion?

Is there a soreness in the kidney region?

These symptoms suggest weak kidneys.

If so there is danger in delay. Weak kidneys get fast weaker.

Give your trouble prompt attention. Doan's Kidney Pills are for weak kidneys.

Your neighbors use and recommend them.

Read this Westfield testimony.

H. Wragg, 205 Elmer St., Westfield, N. J., says: "I hold just as high an opinion of Doan's Kidney Pills today as I did several years ago. While I have never had occasion to take this remedy for any length of time, the amount I did use acted beneficially. Other persons of my acquaintances and also different ones of my family have taken Doan's Kidney Pills and I know that in these cases the remedy has lived up to representations. I don't hesitate one moment in making the merit of Doan's Kidney Pills known."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wragg had. Foster-Milburn Co., Props., Buffalo, N. Y.

KNOW YOUR TOWN EXHIBIT COMING

SECURE INVESTMENTS.

The strong, persistent wave of the Thrift Movement which is destined to have a great effect on this country, must not be classed as an attempt to foster the spirit of the miser nor to advise the hoarding of wealth, but rather as a movement toward a curtailment of wasteful extravagances of every character.

When one speaks of a "thrifty farmer" the mental picture is not that of a miser or his hovel, but a prosperous, healthy hard working man with broad, well cultivated fields, fine appearing, well fed cattle, comfortable buildings for both family and stock, modern farm machinery and usually a substantial bank account.

Thrift has been defined as "economical management" and through this naturally comes "increase of wealth" which has also been used as a definition of the magic word.

Economical management in modern business leads to increased profits and surplus, and in the same way economy on the part of an individual will result in a surplus at the end of each month. Then this surplus of the thrifty one is promptly set to work for the owner and often the question is asked—How can I make my surplus each month bring me the greatest return and yet be safe?

The answer to this question is—"Subscribe for shares in The Westfield Building and Loan Association on which you may pay a certain sum of money each month and which at the end of eleven years and four months will pay you \$200, for every \$125, which you invest."

By using "economical management" this Association has been able to earn and pay to its members for the past fourteen years over 8% on the average investment and through the thrift of its members has been able to assist in the development of Westfield by loaning money for the purpose of building and buying homes for its members, now nearly \$50 in number holding over 5,000 shares of stock.

One of the methods advocated by the Thrift Movement is a systematic method of saving and "The Old Building and Loan Association" furnishes a most excellent opportunity for the exercise of this admirable trait.

RULING ELDERS

INSTALLED.

Last Sunday morning the installation of Ruling Elders of the Presbyterian church was held at the close of the morning service.

John C. Morrow was ordained and the following were re-elected: Robert A. Fowler, Joseph E. Brewer, John B. B. Douglas and Frank R. Baker.

This is a copy of our Rexall Store advertisement in this week's (May 9) Saturday Evening Post. Read it and profit by it.

Rexall Ad-Vantage No. 9.

Why You Should Use Rexall Toilet Preparations

Everything that honesty and care and the most modern methods of manufacturing and merchandising can add to the satisfaction-giving qualities of Rexall Toilet Preparations has been provided for. Nothing has been overlooked—nothing left to chance in the desire to please you.

The High Quality

is assured by months and, in some cases, years of conscientious testing and proving by actual use of every formula for every Rexall Toilet Preparation before those formulae were finally adopted as worthy; and by rigid testing for purity and strength of every ingredient before it can become a part of the preparation.

The Low Price

for goods of such high quality are possible because The Rexall Stores own the laboratories in which Rexall Toilet Preparations are made; and because to supply the output of more than 7,000 leading drug stores—one in each important city and town in the United States, Canada and Great Britain—each article must be manufactured in great quantity, permitting lowest big-quantity prices in the purchase of raw materials and supplies.

The Satisfaction

you get in the use of Rexall Toilet Preparations through the ideal manufacturing and merchandising conditions described above, is still further insured by the broad, liberal guarantee printed on every package and backed personally by The Rexall Druggist who sells it to you—a guarantee of satisfaction, or your money back.

Here are some of the Rexall Toilet Preparations

Rexall Shaving Lotion, 2 sizes, 25c, 50c
Rexall Toilet Cream, 25c
Rexall Rose Water and Glycerine, 25c
Rexall Cream of Almonds, 35c

GAS IS MORE CONVENIENT THAN COAL AND COSTS LESS

PRACTICAL tests have demonstrated that when used with carefully constructed appliances, gas is the cheapest of all domestic fuels. It follows that the more efficient the appliance, the less the gas consumption, and therefore the greater saving. The "Vulcan" is the most efficient of all gas heaters—because its construction is unquestionably the most practical.

The solid copper coil in which the water is heated is double, thus bringing a greater amount of water into contact with the heated gases.

The "Vulcan" replaces the old time water back with which most coal ranges are equipped. It will do all that the water back will do, and will do it in less time.

When you have a "Vulcan" Water Heater you can turn on the faucet at any wash basin, bath tub, or sink, and draw hot water within a few minutes of lighting the heater! Your household equipment is incomplete without one of these three Water Heaters.

Don't heat the whole house every time you want hot water.

Don't destroy your day's peace and your night's rest by keeping a fire in the coal range. Put that fire out. The whole house will be more comfortable for it. It will improve your rest—also your temper.

The VULCAN Gas Water Heater

is so constructed that every unit of heat goes into the water, where it will do most good.

Coal ranges are not built to retain the heat. They radiate the heat. May be all right in winter, but bad in summer.

It costs less to heat water with gas—much less than with coal. We can prove this.

A mail or a phone request will bring you our booklet or representative.

Cranford Gas Light Co.

On motion by Freeholder Hall this resolution was on roll call adopted unanimously.

By Freeholder Krouse:

Resolved, That a road known as Westfield avenue or North avenue in the township of Middleburg and in

the Township of Canby and county of Union, beginning at Locust street in the Borough of Rosedale Park and extending to the Salmon River in the Township of Canby, the whole being 2600 feet in length and being at least thirty-three feet in width and at least one mile in length and an extension of improved or paved road or streets, to be improved by the construction of blinding concrete or other suitable road, in any manner, and in such width as the board of public health and nuisances of the year be deemed a health and convenience for travel, under the provisions of an act of the Legislature, entitled "An act to provide for the permanent improvement and maintenance of public roads in this State," approved April 6, 1912, and the act amendatory thereto, and supplementary thereto; be it enacted by the board of public health and nuisances of the year 1913, that the same be and they do hereby so order.

Resolved, That the county engineer, with the consent of the State Commissioner of Public Roads first had and obtained, shall cause a survey to be made of said road so to be improved, and prepare plans, cross-sections and specifications of the work to be done.

On same, the said survey to indicate the width and length of said road, and also how much of said road may be improved by deviation from now existing lines, and submit the said survey and plans, cross-sections and specifications to this board for its approval or rejection.

On motion by Freeholder Wilbur this resolution was on roll call adopted unanimously.

By Freeholder Krouse:

Resolved, That a pond known as Wood Avenue in the Township of Lin-

den and in the Borough of Linden and county of Union, beginning at St. George avenue in the Township of Linden and extending southeasterly through Linden Township, being about 1.17 miles in length and exclusive of

that portion thereof which is now paved with brick and being at least thirty-three feet in width and at least one mile in length or being less than one mile in length in an extension of or connection with a permanently im-

proved or paved road or street), has improved by the construction of concrete or other suitable road, in such manner that the same shall, with reasonable repairs thereto, at all seasons of the year be firm, smooth and comfortable to travel upon, the same

vement for travel, under the provisions of an act of the Legislature entitled, "An act to provide for the permanent improvement and maintenance of public roads in this State," approved April 15, 1912, and the acts amendatory thereof and supplementary thereto: be it further

DISTRICT NURSING ASSOCIATION WINS COMMENDATION

Letter From Medical Society
Praises Work of Nurse. Officers
Elected and Reports Read at
Annual Meeting

The District Nursing Association met on Wednesday the 6th, at 2 p. m., in the Presbyterian Parish House for the election of officers and the hearing of the reports of the treasurer and the nurse.

Although the nurse has made nine hundred calls and most of her patients have not been well to do, she has had only twenty-five charity cases which shows a fine spirit in the people to whom she goes.

The treasurer's report while showing a balance adequate for the immediate needs of the work proves that further work and further subscriptions are necessary to the proper growth of the Association. Our doctors agree that the town affords plenty of work for at least two nurses.

What they think of the present nurse and her work is well shown in the following letter from the Medical Society:

The President and Members of the District Nurse's Association, of Westfield, New Jersey:

At a stated meeting of the Westfield Medical Society, held May 5th, 1914, by a unanimous vote, the President was instructed to voice to your association the high esteem and appreciation with which its members, individually and collectively, regard your District Nurse, Miss McKenzie, who by her constant, untiring and skillful service has deeply impressed them with the great importance of the work and a feeling that it is a necessity and not a luxury for Westfield.

Also that in Miss McKenzie you have one peculiarly adapted to the

work by natural temperament, training and a special fondness for it. She possesses the rare quality of making each served—whether patient or physician—feel that she is specially interested in the given instance. She is indefatigable, conscientious, thorough, firm but kind and gentle, and self-sacrificing beyond words to express.

In fact we warn you to guard her that she may not go so far beyond her physical endurance as permanently to impair her own health and usefulness. While we would feel at a loss if deprived of her assistance even temporarily in our daily work, we keenly realize that she should have a respite from her arduous duties, and strongly urge that you insist upon her taking a vacation.

With sincerest wishes for the continuance of your good work and a most generous and hearty support—financial and moral—from the good citizens of Westfield, we beg to remain, Respectfully,

The Westfield Medical Society,
Westfield, N. J. J. B. Harrison,
May 6, 1914. Treasurer.

Officers elected were Mrs. P. Q. Oliver, President; Mrs. Middleditch, Vice-President; Mrs. H. E. D. Jackson, Secretary; Miss Elizabeth French, Treasurer.

FALLS THIRTY FEET.

Julius Anderson, a carpenter, who lives on Holmes Place, met with a painful accident on Monday, when he fell a distance of about thirty feet from a ladder on Edgewood avenue.

Mr. Anderson escaped with a sprained back and a severe shaking up. He will be unable to work for several days.

MAYOR DRAWS NUMBERS.

The second drawing in the novel advertising contest of the Westfield Hardware Company took place last Saturday, when the following numbers were drawn by Mayor H. W. Evans—173, 236, 256, 502, 518, 574, 597, 701, 855 and 868.

If you hold a letter bearing any of these numbers you are entitled to a dollars worth of merchandise free.

Fanwood

EXAMINATION FOR NEW POSTMASTER

Notices have been posted in conspicuous places about town, announcing the examinations for fourth class postmasters, which will be held in June. Fanwood is in this class. Offices in villages the size of Fanwood, were placed in the fourth class during ex-President Taft's term. The regular postmasters remained in office at that time. Now all offices of this class are declared vacant except those at which the present incumbent was appointed under the Civil Service Regulations. All those postmasters who wish to retain their present positions must take the competitive examinations issued by the commission, along with other aspirants to the office.

The annual compensation for this position is \$180 or more. It is not likely that there will be many aspirants for the position of postmaster in Fanwood.

Miss Carrie Bettman, the present postmistress has held the position for many years, and has faithfully performed her duties. On account of the age limit Miss Bettman does not contemplate taking the examination.

Those wishing to take the examinations, may ascertain the time and place of same by reading the circular which is posted beside the notices. Applicants may be examined at any of the examination points and on the dates mentioned in the circular, without regard to the location of the post office at which the appointment is desired. An applicant for the examination for appointment at any post office must reside within the territory supplied by such post office. The application form may be secured from the postmaster at any of the offices for which the examinations are held, the United States Civil Service Commission, Washington, D. C., or the postmaster at any place at which the examination is to be held, and should be properly executed, indicating therein the examination point at which the applicant desires to be examined and should be immediately forwarded to the Civil Service Commission, Washington, D. C.

Mr. James Minnezeck and family, of Bloomfield, are staying at "The Homestead" awaiting the completion of their new home, which is being erected at the corner of Midway avenue and Russell Road.

AMONG FANWOOD CHURCHES

Holy Communion will be celebrated at the eleven o'clock service at All Saints' Episcopal Church on Sunday, by the Rev. H. W. Elliott, rector of the Church of the Holy Comforter in Rahway. Sunday school will be held at the usual hour.

Miss Harriet Reeder led the Epworth League meeting at the Methodist church last Sunday evening. The topic under discussion was "Heart Hunger for God and His House." Miss Florence Wade will be in charge of the next meeting.

The Ladies Aid Society, of All Saints' Episcopal church held their weekly meeting at the residence of the Misses Whitehead, on Martine avenue, Wednesday afternoon.

The Lend-a-hand Society of the Baptist church met in the church parlors this afternoon.

The Ladies' Aid Society of the Methodist church is highly pleased with the success of the entertainment held under their auspices in Excelsior Hall, last Friday evening.

The services at the Baptist church will be held at the usual time on Sunday. The Young People's Society will meet at 7:30 in the evening.

Miss Helen Lambert, of Terrill road, has returned home after spending a month in New York City.

Miss Dorothy Pinea, of Elizabeth, was a week-end guest of Mrs. S. W. McAneny, of North avenue.

A horse attached to a buggy became frightened by a barking dog on Martine avenue, Sunday afternoon, and ran away. The woman and child in the buggy were unable to check the horse, and the animal ran until it was stopped by a man in front of Walsh's Fanwood Hotel.

The Fanwood Field Club will meet at the home of Maurice Hall, on South avenue, this evening. The club has been granted the privilege of using the tennis court on North avenue, belonging to Mr. Wickel. He has let the young men use the court with the understanding that they keep it in order. A number of good tennis players belong to the club, and some lively matches are promised, when the tournament, which is being arranged is played.

MAY MEETING OF BOROUGH COUNCIL

New Tax Maps Ordered Prepared. A. D. Beeken Resigns From Health Board and Public Li- brary Trusteeship

The regular monthly meeting of the Fanwood borough council was held Wednesday evening in Fanwood Hall.

After the roll call, the regular order of business was suspended and Frank A. Dunham, of Plainfield, explained the details regarding the making of new tax maps of Fanwood borough. It is estimated that ten or twelve sections will be needed to make a complete map. Mr. Dunham stated that he had arranged to use the scale of one hundred feet to an inch, which will conform with the maps of the Lockwood and other tracts of land in Fanwood. There will have to be a new number for every lot in the borough. About three quarters of Fanwood borough has been surveyed by Mr. Dunham on previous occasions, so that only about one quarter of new surveying will be necessary. There will be considerable checking up to do on the other three quarters, however, as several tracts have been subdivided, and other changes have been made. The state board will make duplicates of the maps which they will keep on file.

A resolution was passed instructing Mr. Dunham to prepare tax maps of Fanwood borough, which will be acceptable to the State Board of Equalization of Taxes, to be delivered by the end of the current year at a cost not to exceed \$500, exclusive of binding same.

Other business to come before the meeting was as follows: A letter from A. D. Beeken was read in which he tendered his resignation as member of the borough Board of Health, and also as a member of the Board of Trustees of the Fanwood Public Library. The resignations were accepted with regrets and the clerk was instructed to notify Mr. Beeken concerning same. The Mayor nominated E. B. Sammis to succeed Mr. Beeken in both these positions, and the council confirmed the nomination. W. G. Britten was appointed to succeed S. W. McAneny, who resigned, on the Health Board.

A communication was received from George H. Smith, stating that he wished to lay a concrete walk in front of his property on South avenue, and requested that the council inform him of the proper grade. It was moved that the request be complied with, and the matter was referred to the committee on Streets and Sidewalks. A letter from Mrs. E. J. Rhoades requesting the clearing of the gutters on Midway avenue was also read. The committee reported that the necessary cleaning had been done.

A letter from F. J. Palmer stated that he had secured estimates on the approximate cost of macadamizing the streets of the borough. He enclosed a letter from F. B. Watson, who has done considerable road building in Westfield, in which he estimated the approximate cost as follows: for a road twelve feet wide, \$1,425 per mile; fourteen feet wide, \$1,650 per mile; and sixteen feet wide, \$1,900 per mile. The maximum width would be required in Fanwood. The matter was referred to the Streets and Sidewalks committee.

The committee on Audit and Finance reported a balance of \$2,972.81 in the borough treasury.

The Streets and Sidewalks committee reported that top dressing had been put in the ruts and holes in most of the streets of the borough. They also reported that they had communicated with officials of the Central Railroad and had received a reply stating that the railroad will fix the street around their property, and will put the walks about the stations on both sides of the track in good condition.

The Lights, Water, and Fire committee reported that the Public Service Corporation had not replied to a letter concerning the changing of some of the street lights. The following item was in a letter from the Plainfield-Union Water Company: "Three hundred feet of six inch pipe will be necessary for the installation of a hydrant on Forest road near Midway avenue, and seventeen hundred feet of pipe of the same diameter would be needed to place a new hydrant on Martine avenue, south, requested by the residents of that section." Action in these matters was left to the committee.

The committees on Printing and Stationery, Poor and Police and Rules, Regulations and Ordinances had nothing to report.

The following bills and claims were presented and ordered paid: Public Service Electric Company for street lighting during the month of April, \$109.65; April salary of Marshall Logan, \$75; Peter Ritter, cleaning of dump, \$5; Fanwood Stone Crushing and Quarry Company, crushed stone, \$106.85; Edson Manufacturing Com-

pany, bolts, \$1.97; William Linden, for work on roads, hire of men and teams, from April 2 to May 4, \$21.63; and for carting stone, \$60.11; Salary of Clerk S. W. McAneny, for five months, \$62.40.

Mayor W. H. Hoar presided and Councilmen A. I. Nichols, O. T. Brown, Augustus Sheelen, Thomas Norton, and F. G. Urner were present. Fred W. Cressy was absent on account of illness. The meeting adjourned at 9:45, to meet again on the first Wednesday evening in June.

Mr. Hallenbach, of Martine avenue, entertained Brooklyn friends over Sunday.

Miss Helen Mattox, of Plainfield, visited Miss Agnes Phillips, of La Grange avenue on Sunday.

Miss Dorothy Pinea, of Elizabeth, was a week end guest of Mrs. S. W. McAneny, on North avenue.

James Allen, of Yonkers, spent the week end at the home of his aunt, Mrs. R. G. Meggy, on North avenue.

Mr. and Mrs. Walter Slocum, of Martine avenue, entertained Mr. and Mrs. Leslie Slocum, of Orange, over Sunday.

Mrs. Jennie Cuthbertson, of Westfield, was a visitor at the residence of her aunt, Mrs. E. J. Reeder, on Martine avenue, on Sunday.

Several of the Plainfield High School students, who reside in Fanwood, attended the high school dance on Saturday evening.

Mrs. James Allen and Miss Marjorie Allen, have returned from Princeton and will continue their visit with Mrs. R. G. Meggy, of North avenue.

The Misses Susie and Margaret Scudder, of Broad street, have returned home after spending two weeks with relatives in Philadelphia.

A number of Fanwood people plan to attend the Plainfield High School Minstrel Show, to be held in the Plainfield Theatre tomorrow evening. Several Fanwood young men will be "in black face."

The Saturday Night Club social held in Fanwood Hall was a great success. There were about fifty people present, including several guests from out of town. Cards were dealt for "500" during the early part of the evening and dancing followed. Dushanek's orchestra furnished the dance music. The following people composed the entertainment committee: Mr. and Mrs. S. W. McAneny, Miss Hazel Gardner and Dr. Ray T. Munger. The next entertainment is scheduled for Saturday evening, May 16th.

ed to lay a concrete walk in front of his property on South avenue, and requested that the council inform him of the proper grade. It was moved that the request be complied with, and the matter was referred to the committee on Streets and Sidewalks. A letter from Mrs. E. J. Rhoades requesting the clearing of the gutters on Midway avenue was also read. The committee reported that the necessary cleaning had been done.

A letter from F. J. Palmer stated that he had secured estimates on the approximate cost of macadamizing the streets of the borough. He enclosed a letter from F. B. Watson, who has done considerable road building in Westfield, in which he estimated the approximate cost as follows: for a road twelve feet wide, \$1,425 per mile; fourteen feet wide, \$1,650 per mile; and sixteen feet wide, \$1,900 per mile. The above picture shows Burton Dezendorf and the ore elevator and fish wheel which he has made, the story of which was printed in last week's issue of The Standard.

KNIGHTS OF PYTHIAS EXCURSION.

A celebration of the golden jubilee of the Knights of Pythias fraternity will be held by the Grand Domain of New Jersey at Atlantic City on May 12, 13 and 14. The order was founded in Washington, D. C., on February 19, 1864, by Justus H. Rathbone and twelve friends.

A feature of the jubilee celebration will be a parade of members of the order from all over the State, and for the purpose of transporting the Knights of Central New Jersey to Atlantic City and return, an excursion is being arranged for. This excursion

will be run by the six lodges located in Flemington, Neshanic, Somerville, Bound Brook and Plainfield, these organizations comprising the twentieth district.

It is planned to make the excursion a one-day affair, the special train to leave Flemington by the Central Railroad on Thursday, May 14th, at 6:27 a. m. It will make stops at the principal towns along the line, as far as Elizabeth. The return trip will be scheduled to leave Atlantic City at 11 P. M. so as to afford the excursionists an opportunity to see the night attractions. The fare for the round trip will be but \$3.50, and the public generally will be privileged to accompany the Knights.

SCHOOL PUPILS TO GIVE PLAY

Tomorrow and Monday nights the pupils of the sixth grade of the Grant school will give a play entitled, "A Tomboy of the Revolution" in the assembly room of that building. The children who are to take part have been rehearsing for some time and the play promises to be of exceptional interest. The proceeds will be used for the benefit of the Parent-Teachers Association of that school. At the close of the play tomorrow night there will be dancing.

TOWNS, like individuals and institutions, succeed or fail largely because of the ideals by which they are actuated. Natural advantages contribute to all development, but the real character of a town is determined by the public spirit of its citizens.

In ten years Westfield has grown from a country village into one of the most attractive residential towns in New Jersey. Location and train service have contributed to this change, but other towns have enjoyed these advantages.

The figures submitted prove that the growth has been steady, each year showing a substantial gain. This, coupled with the increasing popularity of Westfield as a home town, should convince the owner of Westfield real estate that his investment is safe and must enhance in value.

The Peoples National Bank has, during its entire history, been in thorough sympathy with the dominant spirit, and has endeavored to make the institution worthy of the town. Since the day its doors were opened its guiding principle has been CONSERVATISM. Protection of the funds of its depositors has never for a moment been subordinated to any other aim.

Faith in the future of Westfield prompted the erection, nearly five years ago, of the present bank building at the corner of Broad and Prospect Streets. That year marked a new era in the character of public buildings in Westfield. Since that time three of our churches have erected buildings of marked architectural beauty. The new fire house and many other handsome new structures add to the attractiveness of our town.

As Westfield has grown and prospered, so has The Peoples National Bank. The confidence of this community is appreciated by every officer, director and stockholder, and they pledge themselves to loyally support whatever is for the town's permanent good.

The Peoples National Bank of Westfield, N. J.

"MAJESTIC" \$1885

POWER PLANT—Long stroke, four-cylinder motor, 45 H. P. Electric cranking.
FUEL SUPPLY—Service gasoline tank under cowl, gravity feed to carburetor and short intake pipe. Supply tank at rear of chassis from which fuel is forced to service tank by a pressure pump on the dash.
SUSPENSION—Full elliptic springs, front and rear. Frame dropped to bring the car close to the ground and still allow full spring action.
REAR AXLE—Full floating, ball bearing throughout. Two universal joints with torsion rod.

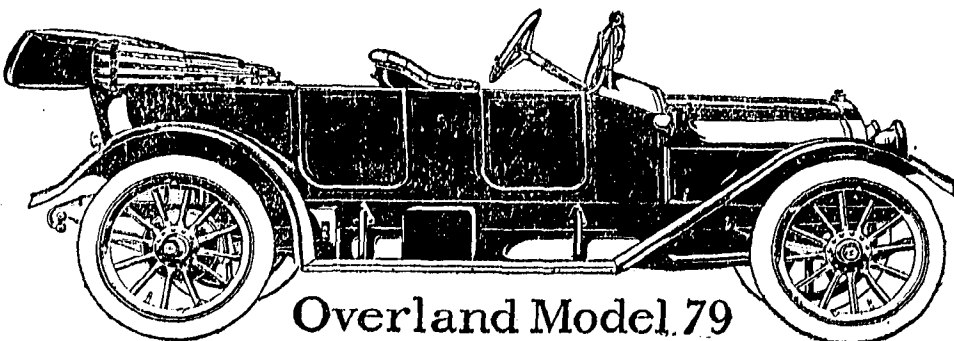

WHEEL BASE—124-inch. TIRES—36 x 4-inch. TREAD—56 inches. 60 inches on special order.
FINISH—Dark blue. Trimming, black and nickel. For special colors an additional charge of \$25.00 will be made.
EQUIPMENT—Mohair top, top hood, ventilating windshield, speedometer, gasoline gauge on dash, speedometer light, Firestone universal quick detachable demountable rims, extra rim, tire carrier at the rear, foot-rail, coat-rail, pump, tools and jack. Tool box under front seat leaving running boards clear. Electric cranking, electric lights and electric horn.

POWER PLANT—Long-stroke, 4-cylinder motor, 40 H. P. Electric cranking.
FUEL SUPPLY—Gasoline tank under cowl, gravity feed. Short intake pipe.
SUSPENSION—Full elliptic springs front and rear. Frame dropped to bring car close to the ground and still allow full spring action.
REAR AXLE—Semi-floating, roller bearing throughout, with ball thrust bearings.
WHEEL BASE—115 inches. TREAD—56 inches. 60 inches on special order.
TIRES—34 x 4-inch. FINISH—Black. Trimming, black and nickel. For special colors an ad-

ditional charge of \$25.00 will be made.
EQUIPMENT—Mohair top, top hood, ventilating windshield, speedometer and gasoline gauge on dash, Firestone demountable rims, extra rim tire carrier on running board, foot-rail, coat-rail, pump, tools and jack. Electric cranking, electric lights and electric horn. Tire carrier will be placed in rear at a net additional charge of \$5.00.
The "Olympic Forty" roadster has the same specifications as the touring car. It is fitted with a large gasoline supply tank at the rear, from which the fuel is forced to the service tank under the dash by a pressure pump. Price, \$1525.

"OLYMPIC FORTY" ROADSTER \$1525

Overland Model 79

Equipped with Electric Lights and Storage Battery \$950, f. o. b. Toledo
With Gray & Davis Electric Engine Starter and Generator for \$1075, f. o. b. Toledo

JUST FIX THESE FACTS FIRMLY IN YOUR MIND:

The 1914 OVERLAND gives you practically all you can find in cars twice the price.
Note that the wheelbase is longer than ever—but the price is lower than ever.
Note that there is more power than ever—but the price is lower than ever.
Note that the tires are larger—the car is bigger—but the price is lower than ever.
Observe the equipment includes electric lights and storage battery (and for a very slight extra electric starting device)—but the price is lower than ever.
Note the addition of electric horn and jeweled speedometer—and other features like new oiling system, regulation of carburetor, etc.—but the price is lower than ever.
Just think what this means—just compare this newest OVERLAND part for part, feature for feature with any and all cars costing again as much—and we are sure your choice will be an OVERLAND.
But—before you decide—as a final measure get a ride in an OVERLAND—try it out under every condition—that's all we ask.

Know Your Town Exhibit May 12-15

GOVERNOR FIELDER TO OPEN EXHIBIT NEXT TUESDAY

Unique Exhibition to Illustrate
Every Phase of Civic, Social
And Material Life of Westfield

TO LAST FOUR DAYS

New to this section of the country is the Town Exhibit to be held next week under the auspices of the Board of Trade, in Washington School Auditorium. Unlike the Old Home Week of the New England Towns, this Exhibit does not lay special emphasis upon the past, although our town can well boast of the part she played in Revolutionary history, and we can all point with pride to the sixty members of the Continental Army, who mustered in from the West Fields, nor is the Exhibit gotten up to boom Westfield or to paint highly colored pictures of her past.

It would be hard to choose three words to more fully explain just the purposes of our Exhibit than "Know your Town". This is the sole purpose of the thought and effort which is being expended to make next week the most memorable one in the history of Westfield.

The aim and scope of the exhibition is to analyze and illustrate every phase of the civic, social and material life and progress of Westfield. This to the end that every citizen shall know his town.

No pains or expense have been spared to set forth in the clearest manner everything that is of common interest to the community.

An elaborate program for each day has been prepared, and will open by Folk Dances on the Washington School Park Lawn, given by the public school children at two o'clock in the afternoon. This will be followed by an exhibition drill of the Boys' Brigade, and an Efficiency Exhibit of the Westfield Fire Department. Governor Fielder, Congressman Tuttle and representatives of the city and town governments, Boards of Trade and Civic Associations from the towns of Northern New Jersey will be the guests on this occasion.

After introductory remarks by the President of the Board of Trade, Governor Fielder will be introduced as the Speaker of the day. He will close his remarks by formally opening the Exhibit.

Following the Governor's remarks, his party, with the invited guests, will proceed to the school hall and review the Exhibit.

The games and contests of the school children will continue the program in the school park. After our guests have viewed the Exhibit, refreshments will be served to them by the cooking class.

The Exhibit will be open to the public at 7:30 in the evening, when all town officials, members of the Board of Trade and Merchants' Association with their wives are specially invited to attend. This does not, however, in any way exclude from the invitation any citizens who will favor the Exhibit by their presence.

The Exhibit will be open to the public on the afternoons and evenings of Wednesday, Thursday and Friday.

TOWN AFFAIRS.

To the right of the entrance of the auditorium, the town budget will be analyzed and explained by various charts and diagrams, and will set forth every phase of the town's business. Included in these are charts giving a complete list of the expenditures for 1913, illustrated by columns showing the relative proportion of expenditures for each of the several departments.

A unique chart with real money, entitled, "Where the taxpayer's dollar went in 1913", will show how the dollar is divided and expended for the various items.

A chart showing the relation between our bonded debt and our valuation, and a chart showing the relation between the tax budget and the valuation for the past ten years will be features of special interest in this section of the Exhibit.

OUR SEWER SYSTEM.

A map showing the exact location of all sewers, together with the aggregate length of same will constitute the central feature of this department's exhibit.

ARTHUR N. PIERSON.
President Board of Trade and Director of Town Exhibit.

men's exhibit. A model of the new septic tank, showing the location of the sewer and a drawing showing the proposed position of this exhibit. Cross section through which our sewage passes, has been carefully prepared by the Education and drainage of our roads will show the location of our town, add to the attractiveness and value of our display, showing different stages of purification will further illustrate the workings of this most important of our town improvements.

STREETS AND ROADS.

Westfield is justly proud of her road and street improvements, and maps

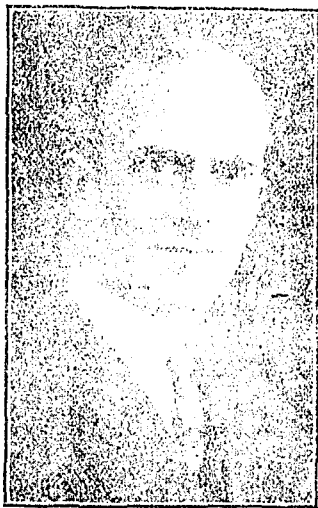

showing the location of the sewer and a drawing showing the proposed position of this exhibit. Cross section through which our sewage passes, has been carefully prepared by the Education and drainage of our roads will show the location of our town, add to the attractiveness and value of our display, showing different stages of purification will further illustrate the workings of this most important of our town improvements.

UTILITIES.

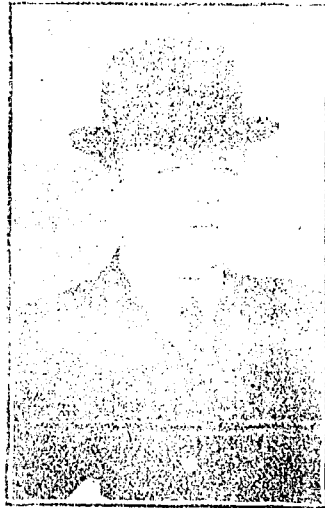

The telephone, electric light, water and gas companies have all entered into the spirit of the Exhibit, and each will show the exact workings of their meter and service system. Glass covered gas, electric and water

GOVERNOR FIELDER
Who will open the Exhibit Tuesday Afternoon.

Arthur D. Tuttle
Chairman Committee Recreation.

Clifford E. Fearsall
Chairman Committee Publicity.

Over 92 Million Dollars

is the amount The Prudential now has invested in Real Estate Bonds and Mortgages, divided as follows:

Farm Loans, over 60 Million Dollars
City Loans, over 32 Million Dollars

The increase in this line of investment in 1913 was over 19 Million Dollars.

The Prudential

FORREST F. DRYDEN, President

BIG AGRICULTURAL LAND OPENING

TWELVE HUNDRED AND FIFTY TRACTS of five and ten acres each to be granted to prospective settlers in the opening of Twenty Thousand Acres of Rich, Southern Georgia Land, which is admirably adapted to the growing of celery, sweet and Irish potatoes, cantaloupes, water melons, corn, oats, cotton, hay—in fact, all staple crops grown in this fertile section as well as a large variety of semi-tropical fruits, and the famous immensely profitable paper-shed pecans.

Providing you are eligible under the classifications prescribed by us, you are now offered an excellent opportunity to break away from the drudgery and toil of a small wage, or working for the benefit of landlords, and go back to a land of plenty, to which, if granted, you will hold a warranty deed, and abstract.

The best security on earth is the earth itself, and land is the basis of all wealth. Owners of productive lands are benefitting by the increasing high cost of living, while others are suffering from it.

An Opportunity to Secure Rich Productive Land Without Capital.

You will not be required to leave your present surroundings now. All we ask of those to whom we grant tracts is that they plant, or arrange to have planted, a crop of one of the above-mentioned products, within three years, after which we will have it operated (harvested and replanted) for grantees, in consideration of 25 per cent. of the net profits derived from the sale of the crops, thereby allowing the grantee his or her present occupation until such time as they determine just what the yield of their acres amounts to. Consider what this may mean as a source of income, when statistics show that the yield of one acre of celery amounted to \$1,208.45, and that one acre of well-cared-for paper shell pecans, in full bearing, should net its owner as high as \$500.00 per year. We are of the opinion that after it is proven by actual results obtained in operating the land that they will need no further urging and waste no time in locating in this land of plenty. We also require grantees to occupy the land within ten years, or sell it to some one who will occupy it; otherwise it reverts back to the grantor.

The land included in this opening is located directly on and adjoining the Atlantic, Birmingham and Atlantic Railroad, about twenty-five miles west of Brunswick, a thriving city of fifteen thousand, having direct steamship service to New York and Boston, and excellent railroad transportation facilities to all points. The average temperature for six months of the year, from April to October, is 77 degrees; the climate is most beautiful, delightful, and invigorating, and there is an ample rainfall of 51 inches per year.

OUR AIM IS FOR MUTUALLY BENEFICIAL RESULTS.

As we are extremely desirous of having settlers locate on this property, and assist in its development, and thereby greatly increase the value of surroundings and intervening property, which we will hold, and to increase the wealth of the Atlanta, Birmingham and Atlantic Railroad, and thus facilitate the service, we feel warranted in granting these tracts to those who register with us. We also have in mind business and residence plots, which we will offer for sale after the opening, but which will not be held out in this "money-making afterward" consideration in this liberal-minded opening, similar to

those of the Northern Pacific and other railroads when they granted their lands, and we expect to benefit thereby, as well as the ones who will receive the tracts.

We have also planned to develop what is designed to be the best equipped, most up-to-date, scientific, commercial farm and orchard in existence. It will consist of six thousand acres, and will be included in this opening. All who register and receive tracts will get the benefit of the experiments and scientific methods in vogue thereon. While we are arranging to prevent over-registration, we will avoid many disappointments, such as occurred in other land openings conducted by the United States Government and railroads, by granting those who register in excess of the number of tracts to be granted, an interest in this commercial farm and orchard enterprise. In the hope that they may later locate in one of our town sites.

Examination of the land will cheerfully be permitted, and the opening will be held at Brownstown, Wayne County, Georgia, one of the stations of the A. B. & A. Railroad, which is located on this property, and will occur as soon after the closing of registrations as arrangements can be made.

The presence of those registered will not be necessary at Brownstown on the opening day, unless they wish to attend, for there will be no favoritism shown anyone. It will be conducted by a committee selected for the purpose, and those registered will be notified of what they have been granted, as soon as possible.

With the ever-increasing population of this country there is no corresponding increase in the area of land, and naturally as the population increases and seeks the land in pursuit of health, happiness and independence, it will continue to be harder to secure.

The prosperous and contented class in Europe today are the descendants of those who secured land there when it was plentiful, while the descendants of those who obtained no land are now the peasants and slaves. You must realize that this may be your last chance to secure land in this country without a large outlay of capital, so it should not be necessary to urge you to act at once by forwarding us the application for registration attached to this announcement.

SOUTHERN GEORGIA RAILROAD-LAND DEVELOPMENT BUREAU, CORPORA BUILDING, WASHINGTON, D. C.

Southern Georgia Railroad-Land Development Bureau, Registration Department, Washington, D. C.

I hereby make application to register for your Fruit and Agricultural Railroad-Land Opening, and furnish you with the correct answers to the following questions:

Name _____ City _____

State _____ Street or R. F. D. No. _____

Age _____ Married or Single _____ Widow, Widower, or Orphan _____ Occupation _____

Nationality _____ Do you now own over ten acres of land in the United States? _____

If my application for registration is accepted, please send me, without obligation, further and complete information and particulars, including maps of the land, showing its exact location on the Atlantic, Birmingham and Atlantic Railroad, its transportation facilities, agricultural, fruit and nut-growing possibilities, etc.

Very truly yours, _____ Signature.

GOVERNOR FIELDER TO OPEN EXHIBIT NEXT TUESDAY

(Continued from Page 1.)

expected our Board of Health to even concern themselves about.

OUR GOOD WORKS.

The two prominent charities of our town, i. e., the District Nurses' Association and the Children's Country Home have been given a special space by the Exhibit Committee to illustrate and analyze the work they are doing.

To appreciate the great scope of the work being done by these institutions and the large amount of good they are doing is a thing which every citizen should take time to analyze and consider.

FIRE DEPARTMENT.

While the Fire Department cannot display their apparatus, we all appreciate that Westfield has one of the most up-to-date and efficient fire departments to be found anywhere.

The first fire engine will be on exhibition, and a complete fire alarm box will be shown in working order. Many pictures of the old volunteers and past chiefs of the fire department will be included.

POLICE DEPARTMENT.

Presided over by one of the "finest" will be the exhibit of the police department. The police and system will be in actual operation at the booth. The handcuffed and in uniform pictures of the police department from the time of its organization to the present time will adorn the walls of this exhibit, and a arsenal of wicked looking things which have been taken from prisoners will be displayed to the curious.

PARKS AND PLAYGROUNDS

While the parks of Westfield today are hardly worth mentioning as anything to be proud of in our town, the recreation committee have gone to the expense and trouble of having a complete model made of our town park showing the possibility of development. This promises to be one of the most attractive features of the Exhibit.

A model playground is also promised, and will, no doubt, be the center of attraction to those who have studied and appreciate the importance of this feature of our town life.

EDUCATION.

The Education Committee, assisted by the generous services of the Superintendent of our Schools and the instructors in manual training, domestic science and cooking, will give an exhibition of the activities of our school life.

Actual exhibitions of the work of "The First Aid to the Injured Corps" will be shown each evening of the week.

OLD WESTFIELD.

While special emphasis in this Exhibit is given to the present Westfield, the exhibit would not be complete without some of the old history of our Town.

An honor roll showing the members of the Continental Army which mustered in from Westfield, will be most interesting.

A map showing Westfield in Revolutionary times, together with pictures of many of the old houses will make us appreciate that Westfield has a past that her citizens may well be proud of.

CHURCHES.

No show of Westfield's real life or progress can be made without including her churches. In fact, the history of Westfield from 1730 to 1860, all center in the old meeting house and church green. Here is where the drum beat for the assembling of the minute men of the Revolutionary War. Here is where the cannon boomed to rally the boys for 1812 and again in 1860. The mustering officer read the proclamation of the drafts for the Civil War from the steps of the old meeting house facing the green. Pictures of the old churches and the present houses of worship have been gathered for this display.

OUR SCHOOLS.

Westfield has always boasted of her school system and her beautiful school properties.

Surrounding the picture of the old red academy, which stood in the corner of the old grave yard on Mountain avenue will be the pictures of the present schools, and it is hoped to have a picture of the High School, which has found the most favor with the Board of Education in the recent competition.

TOWN ASSETS.

Charts showing the growth and present condition of our banking, building and loan, church, social and benevolent societies will constitute a group by themselves, and show many features of the growth and progress which can scarcely be realized, but which, nevertheless, are true to fact and figures.

Charts showing the growth of postal receipts, our commuters, our library, our telephone system, and our building department, charts analyzing our license problem, etc., will be displayed in their proper places.

OUR MAYORS.

Few towns have had a finer lot of Mayors than Westfield, and to prove this fact pictures of all our past Mayors together with the present incumbent in office will adorn the walls to challenge any competition that may

MOTION PICTURES OF TOWN EXHIBIT.

On Tuesday, the opening day of the Town Exhibit, A. S. Flagg of the Westfield Theatre has made arrangements to have moving pictures taken of the Folk Dances, the games and contests of the school children, the drill of the Boys Brigade, the efficiency exhibition of the fire department and of Governor Fielder and expects to have them ready to throw on the screen at the Westfield Theatre within two weeks after they are taken.

On Monday Mr. Flagg will have pictures taken of the business places on Broad Street.

BROKERS WEAR BUTTONS.

Right after the opening call Wednesday morning, on the New York Coffee Exchange, "Charlie" Walter, one of the best known brokers on the floor, moved that business adjourn to Westfield, N. J., about the only fully wide-awake place on the map.

This remark was occasioned by Mr. Walter seeing so many "Westfield—Know Your Town" buttons being worn by the brokers. "Charlie" also was the proud wearer of one of the buttons.

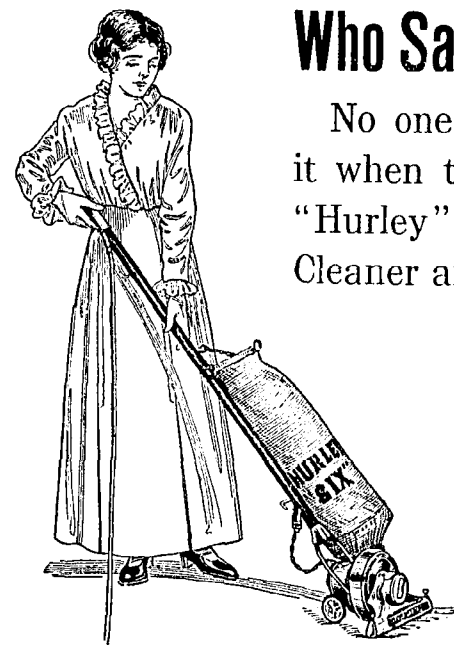

Before Mr. Walter's motion could be seconded, however, some one bought 250 bags of coffee and routine business continued.

However, Westfield was put on the map with the exchange brokers.

TO BURN HOUSE.

One of the features, during opening day of the Town Exhibit, next Tuesday will be the burning of a real house on the vacant lot on Elm street opposite the Playhouse. Herbert R. Welch of the firm of Welch Bros. Inc. will erect a small structure on the lot and have it painted with a fire-proof paint.

In the evening at 7:30 of the above day it will be set afire to show the protection this paint gives in case of fire.

Who Said Dirt?

No one dare say it when there is a "Hurley" Vacuum Cleaner around.

We have them. All sizes and prices.

Woman Suffrage Pro and Con

MAYOR EVANS SPEAKS FOR SUFFRAGE.

Our Mayor spoke for Suffrage at an open air meeting at Cranford, May 2nd.

The Westfield Suffragists are to be congratulated upon having such a wide-awake and progressive Mayor.

INDEPENDENCE DAY.

Independence Day was celebrated by the Executive Board of the Equal Franchise League, at the home of Mrs. Frank W. Smith, on Saturday, May 2nd.

The Woman's Declaration of Independence, suggested by the National Suffrage Association, was read and the resolution in regard to the Suffrage Amendment was endorsed.

Woman's Song of Liberty was sung with great enthusiasm, being led by

Mrs. Paul Peckham. Mrs. Watts followed with a most interesting talk, quoting from an article by Rheta Childs Dorr. Refreshments were served and a social hour enjoyed by all.

The first suffrage meeting was held at the home of Mrs. Smith and she is to be congratulated upon having Independence Day Celebration at her home also. Unfortunately the president, Mrs. F. E. Sturgis was unable to be present.

The mass meeting of April 27th was really the celebration given by the League in honor of Independence Day, being unable to secure the hall for the League, May 2nd.

On May 2nd, the League colors, green, white and violet (give women votes) were seen floating from the homes of the Executive Board and caused quite a good deal of favorable comment.

Branch Mills

LONG—SCHOONOVER.

Samuel L. Long and Miss Ella Schoonover were quietly united in marriage by Rev. Percy Pemberton at the residence of Mrs. H. Parkhurst of Branch Mills, Sunday afternoon at five-thirty.

The bridal couple were attended by Mrs. Jonathan Payne, of East Broad Street, and Mr. W. Wigg, of Mountaintop. A supper was served at the home of Mrs. Jonathan Payne in honor of the bride party, after which the bride and groom left for a short wedding trip.

Upon their return they will reside in Branch Mills in a home which is ready and waiting their arrival.

JUDGES SELECTED FOR SCHOOL COMPETITIONS.

The Woman's Auxiliary to the Board of Education, of the Woman's Club has selected the judges for the school competitions to take place in connection with the Town Budget Exhibit. The awards will be made at 1 o'clock on Tuesday.

The judges of the domestic science work of which Miss Davis is the instructor will be Mrs. Oliver W. Hall, Mrs. R. H. Middleditch and Mrs. C. E. Cheney; for the dress designing work, of which Miss Stockton is the instructor, Mrs. W. R. Davis, Mrs. C. C. Lind, Jr., and Mrs. Walter Casgrove; for the dressmaking department work, of which Miss Dickinson is the instructor, Mrs. R. T. Richardson, Mrs. Frederick White and Mrs. Stephen Kretzer.

The prizes in each department will be in gold.

George C. Stacey.
George C. Stacey, 69 years old, died at his home, 114 Park street, on Wednesday night, after a lingering illness. Mr. Stacey had been a resident of this place for the past seven months, coming here from Brooklyn.
He is survived by a widow. The funeral will be held from his late home tomorrow morning at 11:15 and will be conducted by Rev. Dr. S. L. Loomis, of the Congregational church. Interment will be in Greenwood cemetery, Brooklyn.

Wallace Ditzel.
The funeral of Wallace Ditzel who died at the home of his mother, on North avenue, last Friday, was held from the home on Sunday afternoon and was attended by a large number of relatives and friends. The service was conducted by Rev. Percy Freeman of the Branch Mills Chapel. The bearers were Sheldon Deming, Edward Deming, Louis Deming and Augustus Deming, cousins of the deceased. The interment was made in Fairview cemetery.
Mr. Ditzel was 27 years old and had been ill for several weeks. He is survived by his mother, a widow and two children and several brothers and sisters.

KNOW YOUR TOWN.
By Arthur N. Pierson
President of the Board of Trade.

Never in the history of Westfield has there been such planning and thought as for the Town Exhibit to be held next week. The object of this Exhibit is to demonstrate every feature of the civic, social and material life of Westfield, a sort of stock taking time, with a clear statement of every department set before each stockholder. This we believe to be one of the most wholesome and worthy objects to be sought by any community that has so much of interest and profit to show as has our town.

To reflect upon the past is some times profitable, and to cherish great things for the future is commendable, but we are living in the present, and no matter what the past, if the present is not the best that we can make it, Westfield would fail in her opportunity. With the present well served, the future will take care of itself and need cause no anxiety. The Board of Trade believes that it can serve Westfield best by giving everyone an opportunity to "Know your Town."

In a rapidly growing community such as Westfield, with its complicated life, there is need that we pause and exercise ourselves regarding our various activities. The Town Exhibit is this opportunity.

The citizen who takes things for granted, and who believes all things are right or all things are wrong, is truly a poor citizen. While those elected to the public office may have his support, every citizen owes it to himself and his family, as well as to those who serve the town in elective offices, that he should support or criticize from an intelligent knowledge of conditions as they exist. While the Exhibit to be held next week is the first affair of the kind to be held in this section of the country, there need be no fear but that it will be a help to the "Westfield standard."

Westfield deserves, and the Board of Trade earnestly desires, that the citizens of Westfield shall be intelligent and enlightened, knowing their town and what she has to offer in her claim of being "the best home town in New Jersey."

Ignorance is the father of criticism and bad citizenship. Knowledge is the father of good citizenship, which makes for better neighbors and a better community.

After the Exhibition, "Why not Westfield?" will not seem strange to some of our people and the reason for the slogan of the exhibition, "Know your Town", will be much clearer and much more forceful to every citizen.

It is the one desire of the Board of Trade that the citizens of Westfield should be possessed with the absolute knowledge of every feature of the Town's activity, that a greater degree of the "true Westfield spirit" shall pervade every home, every circle, and the whole community.

The Board of Trade is doing all the work and bearing the expense of the undertaking, but the Exhibit is Westfield's Exhibit; it is for the people of Westfield and the Board of Trade hands it over to her citizens with best wishes, and with but the one desire that every citizen shall "Know your Town" better and love Westfield more.

Our Thanks, Gentlemen.
The thanks of every citizen is due to the Board of Trade and the Exhibition committees for the excellent exhibit they have prepared for the people of Westfield.

An affair such as this is only possible after a great deal of thought and work, but nothing is too hard or too much trouble for our Board of Trade to undertake for Westfield and her people. All praise to the organization

that has done so much for our town!

Westfield's Honored Guest.
Westfield does not have a real live Governor honor her by his presence so often as not to appreciate the coming of Governor Fielder for the opening of our Town Exhibit next Tuesday. We have had ex-Presidents and Presidents in Westfield but they came to ask us to vote for them, so even their visit did not make us feel as good as the coming of Our Governor—coming just because he loves us.

Savings Banks in Schools.
The suggestion made to the Board of Education by Mr. Robert W. Harden, of the Westfield Trust Company, that savings banks be worked in connection with our public school system is a most excellent one, and we sincerely trust that the Board of Education will bring it about.

Superintendent Maxwell, President of the Board of Education of New York City, in his annual report for 1912, laid special emphasis upon school savings banks, and classed them as an aid to the solution of one of the most vital of educational problems. He also suggests that the lack of thrifty habits was most prominent in the average American child, and the school children, learning the value of thrift, become better citizens. President Maxwell also stated that it is his belief that there is no agency so well equipped to stimulate habits of thrift as the public schools.

It is universally recognized that an inspiration of good denied the opportunity for expression leaves a person worse off than though the inspiration had not come to him.

Children are easily stimulated to do right and to form good habits, and the habit of thrift is the most important. It helps build character and makes for a higher order of citizenship.

Men's Forum Discussion.
"Wealth and the Individual" was discussed by the members of the Men's Forum at their meeting in the First Methodist church last Sunday morning. President Beattys read a number of Biblical references to the rich man showing that in ancient times the Rockefellers and Carnegies were criticized as much as those of the present day. Beginning next Sunday the Forum is to devote several of its Sunday meetings to the subject of "Socialism."

Walter Clark.
Walter Clark, 42 years old, died in the Elizabeth General hospital on Tuesday. Mr. Clark had been a resident of this town for a number of years. He has no living relatives. The funeral was held from the undertaking parlors of the Grey Cremation Company this afternoon and was conducted by Rev. Dr. J. A. Peck. Interment was made in Fairview cemetery.

John Fogarty.
John Fogarty, 64 years old, died at the St. Elizabeth hospital on Tuesday night, after an illness of several weeks. Mr. Fogarty had been a resident of this town for the past forty years, residing on Spring street, and was well known. He had been in poor health for several years but had only been confined to his bed for the past six weeks.

He is survived by a widow and five children—Edward, James and John Fogarty, of this town; Mrs. Charles Shelden, of Fairwood, and Mrs. William McBride, of Brooklyn. The funeral was held this morning from Holy Trinity church at 9 o'clock and was conducted by Rev. H. J. Waterson. Interment was made in St. Mary's cemetery, Plainfield. The bearers were Lawrence Powers, Michael Tully, James McCarthy, James McCone, Patrick Traynor and E. C. McMahon.

SILVER TEA AT ST. PAUL'S PARISH HOUSE.

The silver tea given in St. Paul's parish house on Wednesday afternoon for the benefit of the parish house was a success socially and financially. The musical program was furnished by Miss Irma Hayden, pianist, of Jersey City; the Misses Margaret and Estelle Eagle, of Fairwood, piano duets; and Miss Valerie Deusehor, soprano soloist, accompanied by Miss Winifred Barr. The committee in charge of the tea was composed of Mrs. R. R. Sinclair, Mrs. C. N. Coddling, Mrs. C. H. Griffiths, Mrs. J. S. Foster, Mrs. J. A. Dix, Mrs. J. L. Seaman, Mrs. P. Q. Oliver, Mrs. F. W. Newcomb, Mrs. C. M. Tremaine and Miss Grace Philip.

The Town Exhibit Will Be Held in Washington School Hall.

AMATEURS TO ACT FOR CHARITY.

Don't forget to attend the big benefit entertainment by local talent, to be given in the Playhouse on Monday night for the Children's Country Home and the District Nursing Association. The proceeds of this entertainment are to be divided between these two charitable institutions and it is stated that there will be a capacity audience present as nearly all seats are already sold.

The program will consist of two farce comedies entitled, "The Youth Restorer" and "Spreading the News" both of which will be taken part in by local amateur actors.

In addition to this there will be Irish songs in costume by Mrs. Paul Peckham and dancing specialties by Mrs. G. W. Morrison. So reserve Monday night for this entertainment as it promises to be the event of the season and by going you will help these two worthy charitable institutions.

SCANDIA WOMEN EAGER FOR SUFFRAGE.

At a meeting of the Scandinavian Sewing Circle held at Scandia Heights on Wednesday afternoon Mrs. F. E. Sturgis, president of the Equal Franchise League of Westfield, was present and made an informal talk. She urged upon the members present the necessity of the women having the right to vote and also that they form a League among themselves. No organization was formed but the members of the Circle have taken the matter up for consideration and an organization may be effected in the near future.

The Scandia women are all for equal suffrage as in Norway the women have the right to vote. They will take the matter up with their husbands and get them to vote for suffrage.

At the close of the meeting refreshments were served by the hostess, Mrs. Jorgensen. This was followed by a social hour. The meeting was very interesting and a large number of the members of the circle were present. Mrs. O. Doyle, is the secretary of the Circle.

Sunday School Conference Held in Local Church.

On Tuesday afternoon and evening a meeting of the Elizabeth District Conference on Sunday School Efficiency was held in the First Methodist church and was attended by the pastors and delegates from all the churches in the conference.

The meeting commenced at 4 o'clock. Rev. G. Franklin Ream, the pastor of the local church, made the opening prayer. An address on "The Modern Sunday School Opportunity and How to Lead It" was made by Rev. Arlo A. Brown, of Plainfield. Rev. N. S. Littlefield spoke on "Training Through Service."

Supper was served in the chapel at 6 o'clock and at that time a conference was held on "Our District Program." The discussion was led by Rev. F. J. Hubach, the new district superintendent. At 7:15 Rev. Dr. Brown gave a talk on "Graded Lessons and Future Training." At 8:15 Dr. Littlefield spoke on "Teachers Equipment."

The conference was largely attended and those present from out of town were very much pleased with the Westfield Church and its people.

FIRE CHIEF DECKER ISSUES WARNING.

"I would suggest as a special precaution to safeguard the lives of both the citizens and firemen, that drivers of all vehicles stop well to the side of the road when they hear the fire alarm or the approach of the fire apparatus. This precaution should be strictly observed when the drivers are approaching a corner around which the apparatus is apt to pass.

On May 12th the fire department has been called upon by the Mayor to give an exhibition run in connection with the Town Exhibit. They will run from headquarters and connect on a hydrant on Elm street in front of the grounds of the Washington School so give them plenty of room and don't block the corners.

The fire apparatus weighs over five tons and with the powerful engines driving them there is always an element of danger not only to the citizens but to the firemen themselves."

F. C. DECKER,
Chief of Fire Department.

KEYSTONE STORE SUSPENDS BUSINESS.

The delicatessen and grocery store on Elm street, known as the Keystone, and which has been doing business in this town for a long time was closed this week to satisfy a chattel mortgage held against it by Millicent L. Matthews.

The stock and fixtures will be sold on Monday of next week.

Missionary Society Holds May Meeting.

The Woman's Foreign Missionary Society of the First Methodist church held its May Meeting at the home of Mrs. G. D. Beattys, in Stoneleigh Park, yesterday afternoon. It was attended by forty-three members and friends of the society.

After the business meeting the program of the afternoon was taken up and consisted of a reading by Mrs. Franklin Reed; the collecting of the yearly thank offering; short talks on India by Mrs. H. L. Russell, on Korea by Mrs. John Fallon and on South America by Mrs. Patrick. Mrs. Frank Moffett then sang a solo. This was followed by a very interesting address on "Mexico", by Mrs. F. J. McConnell, wife of Bishop McConnell, who has recently returned from that country. Mrs. McConnell told of her experiences in Mexico and the conditions there and the needs of the people. Mrs. McConnell with her husband was there a year ago during the war in Mexico and was locked in a hotel for ten days while the bullets were flying.

At the close of Mrs. McConnell's address a duet was sung by Mrs. Frank Moffett and Mrs. Leigh M. Pearsall after which a social hour was enjoyed.

Mountainside

MILLER — LONG.

Sunday evening a marriage service was performed at Mrs. Parkhurst's home at Mountainside, the couple being Mr. John Miller, of Westfield, and Miss Gussie Long.

A short while ago the Girl's Club of Branch Mills Chapel, known as "Faithful Workers, of which Miss Long was a member gave her a kitchen shower at the home of Mrs. C. F. Peterson.

The marriage was quite a quiet one. Mr. Alex. Long stood up with the groom and Miss Bessie Wilcox was the attendant of the bride. Mr. Alfred Heckel, Miss Minnie Thoms and Mrs. Parkhurst also witnessed the ceremony. The couple will board at the present home of the bride's mother near Railway Junction.

The Willing Workers will hold a May Dance at the Mountainside Borough Hall on Friday evening, May 8th. Stages leave Broad and Elm street at 7:30 and 8:30.

Music will be furnished by the Young Men's Club of Rahway.

The Judson Memorial Missionary Society, of Mountainside Chapel, will give a lunch box social at the Chapel next Tuesday evening, May 12th.

Ladies please furnish lunch boxes.

The eighteenth annual birthday party of the Little Missionary's Day Nursery, 92 St. Mark's Place, New York, will be held at the Collegiate Reformed Dutch Church, Seventh street, near Second avenue, on Tuesday evening, May 19th. Miss Sara Curry who is well known in this town is the manager of the Day Nursery.

NOTICE:

The date of folk dances at Washington school on Tuesday is set for two o'clock, as per program published elsewhere in this issue, the hour of three o'clock, as printed in other publications this week, being an error.

Mrs. G. Franklin Ream Shows Family Album.

The "Family Album" was the title of a unique entertainment given by the Queen Esther Circle of the First Methodist church in the chapel of the old church building last night and which was attended by a large and appreciative audience. The Album was participated in by fourteen members of the Circle who each represented a different character.

Mrs. G. Franklin Ream described the characters and showed the Album. Those who took part of the various characters in the album were Mrs. R. I. Vervoort, Mrs. Estelle Webb, Miss D. Sanford, Miss Mildred Burhans, Miss Miriam Gordon, Miss Miriam Warnerke, Miss Anna Bush, Miss Grace Crider, Miss Marguerite Jimerson, Miss Edith Jones, Miss Florence Taylor, Miss Marlon Ferris, Miss Mabel Brown, Miss Hazel Allegor and Miss Grace Hildebrandt.

The affair was an enjoyable one and as a result about \$20 was realized which will go towards a scholarship in the Home Missionary Home at Sag. Francken. After the entertainment refreshments were served and a social hour enjoyed.

Mrs. Harold Gordon, of Edgewood avenue, has returned from a visit in Paterson.

The W. A. A. baseball team will go to Summit tomorrow afternoon to play the third team of Carlton Academy.

Mrs. Joseph Spooner and child, of North East, Pa., are visiting Mrs. Spooner's parents, Mr. and Mrs. W. S. Hurst, of the Boulevard.

Dr. William Gale is confined to his home with a lame knee caused by coming in contact with a go-cart in his store on Broad street.

During the past week, H. L. Fink has sold to C. E. Smith, a Jackson 40-horse-power touring car, and to David F. Finkle an Overland touring car.

John McLean and Edgar Edgar were sent to the county jail for thirty days on Tuesday morning by Recorder Springstead for being drunk and disorderly on the streets.

The Social and Literary Circle of the Methodist Church will meet at the home of Miss Florence Hicks, 552 St. Marks avenue, on Friday afternoon, May 15, at 3 o'clock.

Star of Westfield Council, Daughters of America, will give another of its popular dances in Arvanum hall tonight. The committee in charge is planning to make this the best of the winter.

Mr. and Mrs. Charles E. Allen have returned from their wedding trip and are making their home for the present at the home of Mrs. Allen's parents, Mr. and Mrs. Adam F. Huffman, of Walnut street.

The Woman's Association of the Congregational Church held its monthly meeting at the home of Mr. W. R. Davis, 623 Boulevard, on Monday afternoon. The topic discussed was "Immigration."

Rev. J. A. Hoggard, who has been the pastor of the A. M. E. Zion church on Downer street for the past two years, has been transferred to the Monmouth street A. M. E. Zion church in Jersey City, and Rev. J. J. Adams, of Red Bank, has been assigned to this charge. Mr. Hoggard and family will go to their new charge next week.

Rev. C. J. Greenwood and family left town this morning for Cortlandt, N. Y., where they will remain a few days before going to their new home in Anoka, Minn. Mr. and Mrs. Greenwood and daughter, Doris, were the guests of Mr. and Mrs. J. D. Barr, of Elm street, on Wednesday and yesterday and many of their friends called and bade them good-bye and God speed.

Benefit Entertainment For Baseball Team.

The entertainment of the Westfield Athletic Association to be given in the Westfield Theatre on Monday night for the benefit of the baseball team of that association promises to be a very successful affair, judging from the way tickets are selling.

Paint That Protects Your Home From Fire

To see how paint will protect your home and other buildings against accidental fire, you should witness a fire-test of GIBALTAR PAINT to be given in the vacant lot on Elm Street, opposite The Playhouse, Westfield, at eight o'clock in the evening of Tuesday, May 12, 1914.

A miniature house—about six feet high—built of dry pine lumber and coated with GIBALTAR FIRE-RESISTING PAINT, made by the GOULD GIBALTAR PAINT COMPANY, 32 Union Square, New York, will be submitted to a blistering fire-test, showing exactly how the wooden walls of your home, inside and outside, would stand fire if they were coated with GIBALTAR PAINTS.

Come and see how to SAVE your home and its contents from being burned, instead of standing your share of the loss and cost of rebuilding and refurbishing—besides ALL the loss of things you CANNOT REPLACE—after a fire.

GIBALTAR PAINT spreads as far, resists moisture and holds its color as well as any first class paint, and the price is the same. You get the fire protection for nothing.

NIGHT TENNIS ON GOLF CLUB COURTS.

The work of installing the lights for the courts that are to be used for night tennis at the Westfield Golf Club has been completed. The lights will be of six kilowatt per hour and will be very powerful.

Early next month the tennis committee will run a night tournament which will be open to members of any tennis club in town. The season's schedule is being prepared by the tournament committee and the opening day for play will be on Decoration Day.

Work was started this week in grading around court No. 3 and when completed will greatly improve the surrounding courts.

CANTATA REPEATED.

The cantata "The Great Light", which was given by the chorus choir of the Baptist church on Monday evening of last week was repeated in the church on Sunday afternoon and was listened to by a large and appreciative audience.

RUN-DOWN WOMEN

Find Health in a Simple Tonic.

How many women do you know who are perfectly well, strong and healthy as a woman should be? They may not be sick enough to lie in bed—but they are run-down, thin, nervous, tired and devitalized.

Women are so active nowadays and so much is expected of them that they constantly overdo and suffer from headache, backache, nervousness and kindred ills.

Such women need Vinol, our delicious cod liver and iron tonic without oil which will create an appetite, tone up the digestive organs, make pure blood and create strength.

Mrs. Walter Price, Biloxi, Miss., says: "I was in a run-down condition for months. I had taken several medicines but they seemed to do me no good. Finally Vinol was recommended, and from the first bottle I began to improve until I am strong and well as ever."

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

P. S.—For pimples and blotches try our Sazo Salve. We guarantee it. Frutchey Pharmacy Co.

SPORTS

CLOSE GAME WITH CRANFORD HIGH.

Westfield High was surprised when they encountered the Cranford High School nine last Saturday and though they won 11-9, Cranford had them pretty well scared.

The game was one of the poorest played at the local grounds this year. Three errors, a base on balls and three hits gave Cranford a six run lead in the first inning, which took Westfield eight innings to overcome.

Nine of Westfield's eleven runs were earned however, while only three of Cranford's nine would have come across with good playing.

In their half of the first inning the High School cut down Cranford's lead to our when Pearsall and Crutenden came across. Crutenden went into pitch at the beginning of the second and struck out fourteen men in eight innings. Both teams scored once in the second, but the home team cut down the lead again in the third when Pearsall and Crutenden scored again after putting out the first three Cranford men to face them.

Neither team scored in the fourth but another two runs were added to Westfield's score in the eighth when Crutenden and Taylor scored. Burr brought one over for Cranford in this inning and another in the seventh.

Westfield's usual eighth inning rally won for them again, Taylor and Gilmarin bringing over the runs needed to tie and Martin and Davies those needed to win.

Summary:

WESTFIELD LOOKS GOOD.

The Westfield A. A. took a fall out of the Monroe Baptists of the Plainfield church league, Saturday, at Plainfield. The hitting of Douglas and Vallean made Westfield easy winners while Cowperthwaite played with the Plainfield boys. The only error made by Westfield came in the first inning on the first man up who hit an easy grounder to Vallean who made a bad throw to Green. But this did not keep Plainfield any as "Steamboat" Cowperthwaite and Al. Hunt had things fixed so that the next three men would strike out.

Westfield scored two runs in the ninth on two bases on balls and hits by Douglas and Dallas, of the Scotch Army.

Next Saturday the boys will have a real test when they meet Garwood, at Garwood, and Captain Green will do his best to bring the boys back winners; but he, like Ty Cobb, is a little slow in getting started with his bat this season.

Al. Hunt thinks "Steamboat" is a good pitcher as Al. had fifteen putouts Saturday. If the team keeps up the play that it has shown in the last two games there will not be any changes in the lineup, although the outfield may prove a little weak in batting as it was hard to fill the hole left by Douglas.

BASEBALL AT THE REFORMATORY.

The inmates of the New Jersey Reformatory will open their baseball season this year on May 23rd with the Fraternity Club from the City of Rahway. The inmate team this year will be exceptionally fast.

The management would like to arrange games with amateur teams from nearby cities, averaging about twenty years. For date and guarantee, communicate with E. E. Higgins, care of New Jersey Reformatory, Rahway, New Jersey.

EIGHTH INNING RALLY SAVES WESTFIELD.

For the second time this year Westfield trimmed Somerville, this time 6-3, at Somerville on Wednesday.

Up to the eighth inning Somerville led but then the usual fast finish of the Westfield team proved too much for them and they let Crutenden, Rabb, D. Gilmarin and Taylor across with the winning runs. Kershaw pitched good ball for the Somerville team, striking out thirteen men.

Pearsall let them hit the ball more but on the whole, pitched better ball. In the first inning Somerville was retired with four pitched balls which is a record for any pitcher to be proud of. In six innings only eighteen men went up to the plate, four striking out.

Rabb led off for the visitors with a run which was Westfield's only score until the eighth.

In the third Pearsall had his one unsteady inning, giving two singles, hitting a batter and giving three bases on balls, which resulted in three runs.

Underwood brought over Westfield's second run in the fifth, after a pretty double to center. In the eighth four hits and an error were responsible for Westfield's winning the game.

WESTFIELD BOYS IN FRATERNITY LEAGUE.

Four of the five Westfield boys at Rutgers College are playing prominent parts in the Fraternity League which has been started at the New Brunswick institution. This league is arousing no end of interest among the students and one of the town merchants has offered a large silver cup to the winner. Each of the fraternities must play a schedule of games which includes a contest with every other fraternity.

Last week Chi Psi defeated Delta Phi by the score of 11 to 3. Frederick Brush, of Westfield, was catcher on the winning team and did excellent work in the field, besides driving in a brace of runs with his bat. Walter D. Reese, of Westfield, played left field on Chi Psi and went through the game without an error. Russell Savitz is a member of the same team.

Stanley Williams, of Westfield, is a member of the Lambda Chi Alpha team which is cutting quite a figure in League circles and is expected to make a strong bid for the pennant.

Fraternal Bowling League Organizes for 1914-15.

The representatives of the various lodges in the Fraternal Bowling League held a meeting in the assembly hall of the Westfield Theatre on Wednesday night and elected the following officers for 1914-15:

President, George Brown, of the Immediate Aid; Vice-President, Henry Forster, of the Royal Arcanum; Secretary, Edward Witke, of the Loyal Association; Treasurer, Fred K. Winter, of the Jr. O. V. A. M.

It was decided that the prizes won by the various teams and members of the League should be placed on exhibition after which they will be distributed at the discretion of the executive committee.

Beware of Ointments for Catarrh That Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system. A cure is required which directly attacks the cause and drives it out of the system. In buying Dr. Williams' Catarrh Cure be sure you get the genuine. It is taken internally and made by Dr. J. C. Williams, of Lowell, Mass., U. S. A. Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

SNYDER STORE IS BOUGHT BY MICHAEL & CO.

Announcement was made today of the purchase of the W. V. Snyder Company department store, at Broad and Cedar streets, Newark, by the firm of Oscar Michael & Co. It is said that the transaction involves more than \$1,000,000. The deal is perhaps the largest of its kind in the history of Newark. Immediate possession is given.

Oscar Michael and his brother, Charles Michael, are the leading factors in the new organization. They are veterans in the local department store field, having been connected for many years with the Plant interests. It is their intention to develop the new concern as fast as circumstances may permit.

LEGAL NOTICES.

SHERIFF'S SALE—In Chancery of New Jersey, Between The Workmen's Building and Loan Association of the City of Elizabeth, N. J., a corporation, complainant, and Katherine P. Huber, et al, defendants. Pl. fa. for sale of mortgaged premises.

By virtue of the above-stated writ of fieri facias to me directed I shall expose for sale by public vendue, at the sheriff's office in the Courthouse, in the city of Elizabeth, N. J., on

WEDNESDAY, THE THIRTEENTH DAY OF MAY, A. D. 1914.

at two o'clock in the afternoon of said day, all those certain lots, tracts, parcels of land and premises heretofore particularly described, situate, lying and being in the Borough of Garwood, in the county of Union and State of New Jersey.

First Tract—Which is more particularly laid down, designated and distinguished on a certain map entitled, "Map of Building Lots situated in Oakland, between Cranford and Westfield, N. J." (which map is on file in the recorder's office of Union county) as lot numbered seven (7), on block numbered nineteen (19), as laid down on said map.

Second Tract—Which is more particularly laid down, designated and distinguished on a certain map entitled, "Map of Building Lots situated in Oakland, between Cranford and Westfield, N. J." (which map is on file in the recorder's office of Union county) as lot numbered twenty-six (26), on block numbered nineteen (19), as laid down on said map; said lot being fifty (50) feet wide front and rear one hundred and fifty (150) feet deep.

Excepting therefrom a lot twenty-five (25) feet wide by one hundred (100) feet deep, heretofore conveyed to Bernard J. O'Donnell by deed recorded in Book 480, page 3, etc., and dated March 21, 1907, reserving to Katherine P. Huber and Michael A. Huber, her husband, their heirs or assigns, the use of four (4) feet off the easterly side of the lot so conveyed to said O'Donnell, which together with strip four (4) feet wide off the westerly side of that portion of said lot twenty-six (26) yet owned by the said Katherine P. Huber and Michael A. Huber, her husband, the use of which was granted to said O'Donnell in and by said deed to him, to form an alley through the centre of said lot twenty-six (26), to be used in common as a driveway, by the said Katherine P. Huber, and Michael A. Huber, her husband, and said O'Donnell, his heirs and assigns, until the use thereof is mutually released by said parties, their heirs or assigns.

PROPOSALS FOR FLAGGING.

Westfield, N. J.

Sealed proposals will be received by the Council of the Town of Westfield, N. J., at the Town Hall on

MONDAY, MAY 18, 1914

at 8 P. M., for furnishing and laying about 750 lbs. of blue stone flagging on the westerly side of Mountain and Highland Avenues, between Walnut St. and Church Place.

Each proposal must be accompanied by a certified check for \$100.00 drawn to the order of the Town Treasurer as an evidence of good faith.

Specifications and forms of proposal may be obtained at the office of A. W. Vane, Town Engineer, Town Hall, Westfield, N. J.

The Council reserves the right to reject any and all bids.

CHARLES CLARK, Town Clerk.

May 8-15. Fee \$1.25

IN CHANCERY OF NEW JERSEY.

To Joseph Hahn, Mrs. Joseph Hahn, and Anna Ooten Scholch.

By virtue of an order of the Court of Chancery of the State of New Jersey, made on the day of the date hereof, I, a justice of the peace, do hereby certify in compliance and you and others are defendants, you are required to appear, plead, demur or answer, to the complaint filed of complaint, on or before the sixth day of July next, or in default thereof such decree will be made against you as the Chancellor shall think equitable and just.

The said bill is filed to foreclose a mortgage heretofore given by Otto C. Meyer to one Otto C. Wright covering lands in the Town of Westfield, Union County, New Jersey, and you, Joseph Hahn, are made a party defendant, because you claim you are the owner of said premises; you and you, Mrs. Joseph Hahn, are made a party defendant, because you claim a right of dower in said premises; and you, Anna Ooten Scholch, are made a defendant because you claim to hold a mortgage upon the said premises, which are alleged to be subject to that of the complainant.

AUGUSTIN C. NABH, Solicitor of Complainant.

4 Elm Street, Westfield, New Jersey.

Dated April 30th, 1914. (Fee \$12.50)

GARWOOD

TWO TEACHERS PRESENT RESIGNATIONS

At Meeting of Board of Education Held Last Friday. Six Teachers Re-engaged

The resignation of two of the school teachers were received at the meeting of the Board of Education last Friday evening, from Miss Mae E. Haas, teacher of the second grade and Miss Ethel D. Johnson, the third grade teacher. Six of the present staff were retained by the Board for next year, namely: Mrs. A. S. Bartow, Mrs. J. P. Axtman, Miss E. A. Johnston, Miss N. S. Robinson, Miss V. K. Mallory and Miss M. M. Johnson.

Principal E. N. Rozelle reported that Mr. Dooling had granted permission for the school pupils to use a portion of his property on Second Avenue and Walnut street for a school garden. The board directed that it be plowed and put in condition.

The Girl's Progressive Club advanced the petition of using the Franklin building auditorium for a dancing class once a week. After considerable discussion, permission was granted and it was recommended that the Club attempt to hold their classes on Friday evening as it was

more suitable for the janitor. The use of the hall was also given to a number of young men represented by Merrill Conklin and Hakan Kjellmark for an invitation dance to be held next Saturday. The use of the hall extends to 11:30 and the party is limited to fifteen couples.

Miss N. S. Robinson visited schools in Plainfield Wednesday.

Mrs. Johanna Stiff and Mrs. John T. Stiff left for Washington last Wednesday where they will pass several days.

Mr. P. A. Shuster is passing around the cigars in honor of the arrival of a baby girl at his home in Roselle Park. Mrs. Shuster was formerly Miss E. K. McElheny of the local faculty.

Thirty pupils from the fifth grade, under the supervision of Miss M. M. Johnson will represent Garwood in the Somerville music festival to be held tonight.

Mr. and Mrs. Richard Catlin, and daughter, Virginia, of Wilmington, Delaware, passed the week end with Mr. and Mrs. Corliff, of 2nd Centre street.

Is This One Old?

A correspondent writes us of a Sunday school child who was asked, "What is the chief end of man?" and who replied promptly: "To glorify God and annoy him forever."

Oscar Michael

Announces the purchase and entire ownership of the well-known firm

W. V. Snyder Co.

Newark, New Jersey

697 to 705 Broad St. and 1 to 17 Cedar St.

The establishment will be closed temporarily for re-organization and adjustment of stocks, and will reopen shortly. The business was established in 1855 as a Dry Goods Store, and for nearly sixty years progressed steadily and successfully upon the fundamental principles maintained by the founder. In taking the property over from the successors of W. V. Snyder & Co., we shall aim to uphold its former prestige with the shopping community. Our endeavor shall be not only to maintain the high standards of the past, but to inaugurate new advances which shall make this store the shopping centre for the leading City of our State.

Respectfully,

OSCAR MICHAEL, President.

CHARLES MICHAEL, V. Pres. & Treas.

PHOENIX SILK HOSIERY

75c and \$1.00

There is No Better Hosiery Made

The aristocracy of Phoenix Silk Hosiery involves its brilliancy and the distinction it imparts to the wearer. Its durability centers in the quality of the silk thread and the perfection of knit and dye.

What we offer you now is strongly and evenly knitted, carefully proportioned, yarn dyed, and splendidly reinforced to resist garter strain and foot friction. It is easily hosiery of rare excellence.

We have an exceptionally complete assortment. The shades are taupe, bronze, mahogany, Copenhagen, Palm Beach, gold, Tango, Russian green, also black and white. The price is 75 cents. For the better grade with the seam up the back the price is \$1.00.

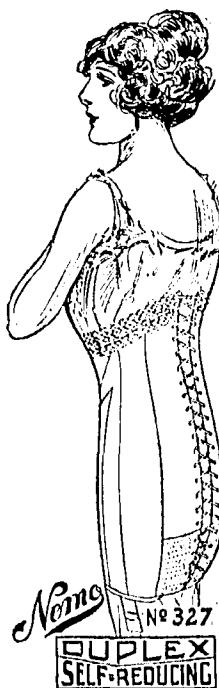

A MATTER FOR YOUR CONSIDERATION

We are showing the new \$3.00 Nemo—and we'd like you to see it.

Whether you be a casual or a most critical shopper you will certainly agree that the new Nemo (No. 327) is a superior corset.

It's a hygienic corset to begin with. It will go a long ways toward preserving your normal health. A corset should do more than merely give lines, it should give you the needed support.

This \$3.00 Nemo does both. It's a flexible stay—one you'll be happy to wear—always.

A Wonderful Opportunity for Homebuilders

Sale of 150 Choice Plots in Beautiful Westfield

CHOICE 60 FOOT PLOTS AS LOW AS \$800.

A Reduction of 20% on Regular Prices - June 6, 1914 Afternoon

To have a real home amid ideal environments and yet with every convenience of the large city—is the opportunity that will come to you on June 6th with the Special Sale of building plots in magnificent Westfield Gardens. The number of plots offered at the reduced price will be limited, and the opportunity will be available for the one afternoon only—from 1 P. M. to 5 P. M.

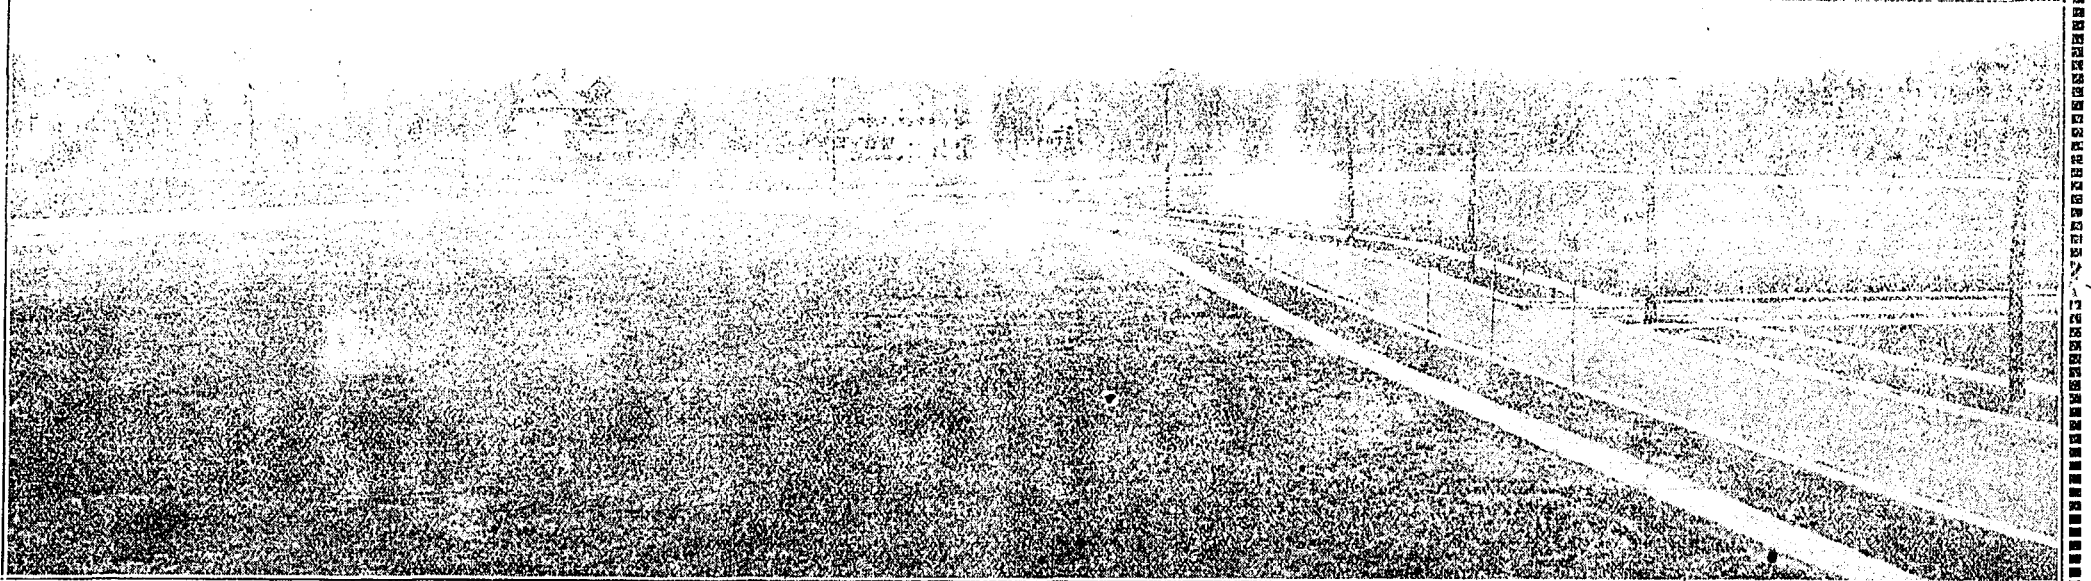

Improvements Completed - Carefully Restricted

We could write column after column about the many attractive features in Westfield Gardens—of the concrete side walks and curbs, the wide parkways and macadamized roads, the modern electric street lamps, telephone and electric wiring for the home; the splendid water, gas and sewerage systems—but we would prefer to have you see for yourself how thoroughly these important improvements have been carried out.

Town Exhibit May 12-15, 1914.

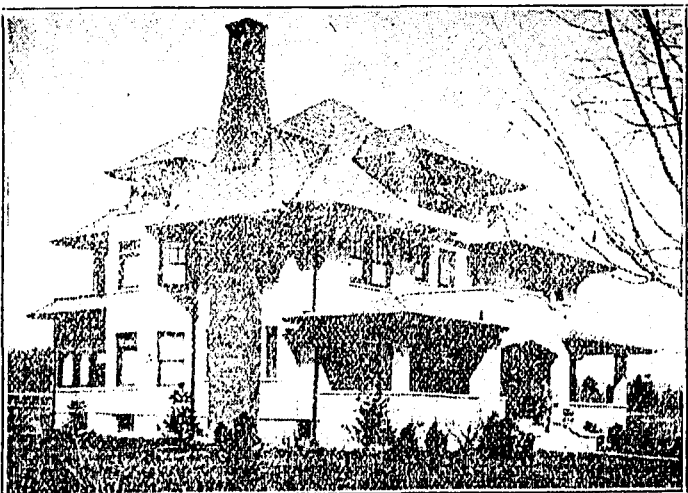

Come to the live, growing town of Westfield.—Hear Governor Fielder's address at the opening of the TOWN EXHIBIT, "take in" the host of special attractions that have been prepared by the Board of Trade and the people of the progressive town of which Westfield Gardens is a part. Come and see, as shown in the Exhibit, what Westfield is, what it was, what it is going to be, come and see the value of a homesite in Westfield Gardens.

An Unusual Investment

A plot in Westfield Gardens is an excellent investment whether you intend to build now or later. Not only is the entire town of Westfield due to grow because of its very progressiveness, but because of its nearness and accessibility to New York City it will be affected by the tremendous and continuous growth in the real estate values of America's greatest metropolis.

Valuable Home Site

Westfield Gardens offers a perfect homesite for the typical American family. Opportunities for recreation abound—riding and driving under the best of conditions for lovers of the horse; the Westfield Country Club with its fine 9-hole course will impress the golfer; fast tennis courts are on every hand, and the entire section surrounding and including the Gardens is well known to motorists and motor-cyclists for its well-laid and well-kept roads. Every plot to be offered on June 6th is of generous size, none being less than 60 feet frontage, with an average depth of 150 feet. Many of the choicest locations are included. Now is the time to see the property. Go to office at Westfield Gardens.

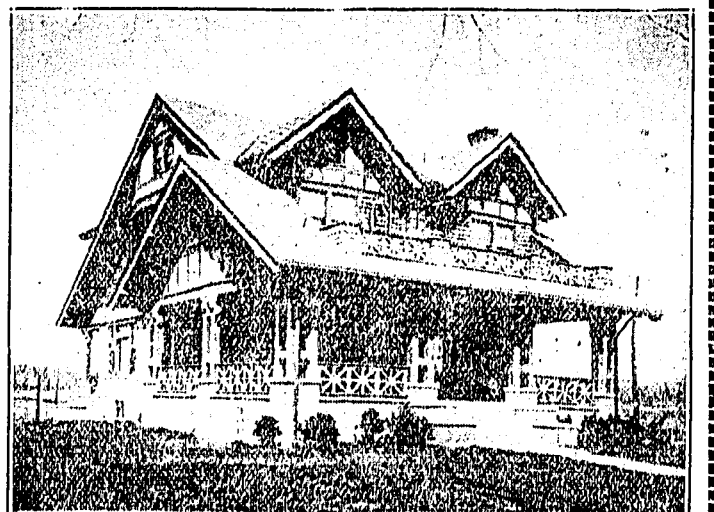

This is Your Opportunity
