

DR. J. W. SOMERVILLE  
Who will speak in the Methodist Church Sunday morning.

## ORIGINATOR OF GOSPEL TEAM MOVEMENT VISITING IN WESTFIELD

Dr. J. W. Somerville is the pastor of the great progressive St. Paul Methodist Church of Wichita, Kansas. He is the leader of the Men's Gospel Team Movement which originated in his church some three years ago and which has enlisted the most influential laymen and business men of the entire city of Wichita. These gospel teams have been called to visit many of the largest cities in the Middle West. They have gone sometimes by auto-

mobile and sometimes by special train. The scope of their work has covered thousands of miles and their audiences have packed the largest auditoriums. The multitudes of their converts is a testimony to the quality of their work. Dr. Somerville is a strong speaker and will tell the story of this Gospel Team work at the Methodist church next Sunday morning as he happens to be in Westfield visiting his relatives, the Pearsall family.

## MEMORIAL DAY OBSERVANCES

Veterans, Boys Brigade and School Children to Join in Decorating Graves of Soldiers and Sailors

Members of the G. A. R. in this town who are connected with Winfield Scott Post, of Plainfield, held a meeting at the real estate office of Worl & Millett on Broad street on Saturday afternoon and made arrangements for the observance of Memorial Day.

The veterans of the Civil War, Spanish War veterans, school children and Boys Brigade will meet at the above named office at 9:30 in the morning on Memorial Day where the veterans and school children will find stages which will convey them to Fairview Cemetery where the ritualistic service of the G. A. R. will be read and a short address made by Rev. G. Franklin Ream, of the First Methodist Church, at the Soldiers and Sailors Monument.

After the service the members of the Boys Brigade, who will act as an escort, will fire a salute. The graves of the soldiers and sailors will then be decorated with flags and flowers by the school children. On the way back from Fairview Cemetery the veterans will stop at the old cemetery on Mountain avenue and decorate the graves of the soldiers and sailors who are buried there.

On Sunday night union memorial services will be held in the First Methodist Church, at which time Rev. G. Franklin Ream will preach a sermon to the veterans and members of the Woman's Relief Corps. There will be special music and the church will be appropriately decorated for the occasion.

## EIGHTY-NINE BIDS FOR NEW HIGH SCHOOL.

Eighty-nine bids for the several branches of the work in connection with the construction of the new high school in this town were received by the Board of Education at its special meeting held in the Washington school on Friday night of last week.

The object in securing separate bids was to save to the district the ten per cent. profit which would otherwise go to a general contractor for the complete construction of the building. The numerous bids were referred to the building committee and architect to examine and report at the regular meeting to be held on June 2.

## MEN ON STRIKE.

Thirteen of the seventeen men in the milling department of the Hall Switch & Signal Company went on strike Wednesday, led by E. Simonson, because the foreman would not permit them to have the windows open. The men returned Thursday to collect their money.

## BOARD OF TRADE HOLDS ECHO MEETING

Large Gathering Discusses Impressions of Town Exhibit. Elects Officers for Ensuing Year

That the "Know Your Town" exhibit which was held in this town last week was a success from every point of view and left many lasting impressions and benefits among those who saw it was evidenced last night at the annual meeting of the Board of Trade.

The meeting, which was in the nature of an echo meeting of the exhibit, was presided over by President Arthur N. Pierson. After the reading of the minutes of the last meeting, the electing to membership of A. J. Platz and Mrs. T. E. Browne, the report of the treasurer, George W. Frutchey was read and showed the Board of Trade to be in a flourishing condition. The total receipts of the Board were \$1,884.10 since the last annual meeting and the disbursements \$1,525.05, leaving a balance on hand of \$359.05. President Pierson in a brief address told of the success of the exhibit and how the various committees had worked hard and that he believed the real object of the exhibit had been accomplished.

At this time A. L. Russell, president of the Park Commission introduced a resolution in which the President of the Board of Trade and the various committees were thanked for the time and expense they had gone to in preparing the exhibit. This resolution was unanimously adopted. James E. Grape also introduced a resolution which was adopted thanking all those who had in a way contributed to the success of the exhibit.

**Give Thanks for Assistance.**  
The list included the following: Floyd W. Fisk, Board of Health, N. Y. City.  
Board of School Trustees for the use of school.  
Town Council and Engineering Department for their assistance.

Carolus Clark for gathering and preparing the exhibit of old papers, etc.  
Dr. Savitz and instructors of school for their kind assistance in several departments of their work.

Anchor Post Co., Garwood, N. J., for the fence which they erected in the exhibit hall.

Mr. Theo. D. Bunce for contribution to the lighting effect of park.  
Mr. John C. Tobin for the wiring and electric arrangement of the exhibit hall.

Public Service Electric Co., Plainfield Union Water Co., New York Telephone Co. and Cranford Gas Co., for their exhibits and courtesy shown the guests at the exhibit hall.

Carl Baumann for the loan and arrangement of photographs, etc., for our Exhibit.

Mr. W. W. Stallworthy for the very excellent model of the Innhoff tank.

Mr. Carney and the members of the Board of Health for the work done by their department.

To the director and Boys' Orchestra of the High School for the music rendered.

The First Aid to the Injured Corps for their exhibition, the cooking class for their assistance in entertaining our guests, to the Boys' Brigade for their Exhibition Drill on the Opening Day, District Nurse Association and Children's Country Home.

To the Police and Fire Departments for their excellent exhibits.  
Westfield Theatre, Playhouse.  
Building Inspector Moffett.  
Standard and Lender.

Public in general and all others.  
Health department of New York.  
Elizabeth Journal and Plainfield Courier News.

## Elect Officers.

The nominal committee was then called on for its report and C. E. Pearsall read the following nominations submitted by Chairman Frutchey: President, Arthur N. Pierson; first vice-president, James E. Grape; second vice-president, Robert L. DeCamp; third vice-president, Harold Gordon; fourth vice-president, A. L. Abers; secretary, S. S. Clark, Jr.; treasurer, D. C. Arnold; trustees, Dr. J. B. Harrison, C. D. Smith, C. A. Springstead, C. M. Pohlman and A. J. Platz.

These officers were unanimously elected. It was decided on motion by Dr. R. G. Savoye to present the model of the Innhoff tank which was at the exhibit to the Engineering department of the town. It was also decided to present the map of Westfield in 1770.

A committee consisting of A. L. Platz, the Free Public Library.

Abers, B. M. Prugh and J. E. Cowperthwaite was appointed to classify the charts of the town which were in the exhibit and have them printed in book form. The charts are also to be presented to the Town Council and hung on the wall of the town hall.

A committee was also appointed on the suggestion of George B. Hayes to consider the matter of organizing a band in the town. The committee consists of G. W. Frutchey, James E. Grape and Dr. R. G. Savoye. Bills to the amount of \$172.80 were ordered paid.

After the business of the meeting had been transacted President Pierson stated that he intended to call on Mayor Evans, the president of the Board of Education, the superintendent of schools, and others for short addresses on the impressions the ex-

## MILITANT WOMAN INVADES GARWOOD

Pursuing Methods of Mrs. Pankhurst Wreaks Vengeance on Hostelry of Mine Host Cooling

A woman entered the barroom of James J. Dooling's hotel, Saturday evening, to sell some trinkets and before she could prove her ability as a saleswoman, "Uncle Jim" ordered her out. Her preparations for departure were so extended that the proprietor offered his assistance and ushered her into the street.

The woman apparently did not appreciate his aid and picking up two large rocks hurled them with more or less accuracy in the general direction of the hotel and smashed a front window. She then retreated with bag and baggage into Shuster's Grocery Store, across the street. Dooling followed with deadly intent and grappled with the woman who had imported Mrs. Pankhurst's custom into Garwood.

Al Ashfield prevented a fatality by separating the pair and Dooling went to seek auxiliaries in the shape of a policeman. The militant saleswoman attempted to put an end to the whole affair by invading Courtland and Uncle Jim, now strongly reinforced, made her return to the Borough Hall and face Justice of the Peace Cash. Here both sides of the story were heard. Dooling found he had the wrong side of the case and very considerably withdrew his charge. The stranger, moved perhaps by Dooling's kindness, also decided not to press a suit for assault and battery. The case was then dismissed much to the disappointment of those present.

hibit had given them. The first speaker was Mayor Evans who spoke of the work those in charge of the exhibit had done and of their spirit of service. He said that the Board of Trade and its members had given of their time to make the exhibit a success and that they had the right spirit of service.

**Mr. Schaefer's Address.**  
F. H. Schaefer, President of the Merchants' Association, was unable to be present but sent the following address which was read by Secretary Clark:

Mr. A. N. Pierson,  
The Westfield Board of Trade:  
Dear Sir:—

The Town Exhibit was great. It was a complete resume of the civic history of our town, particularly of the last ten years and an inspiration to our governing and educational bodies, and our merchants for future progress.

Almost everybody was there, which clearly demonstrated that our citizens are interested in civic affairs. The influence of the work of our Board of Trade has caused our neighboring towns to look up to Westfield as a leader in civic development.

My first impression was that of wonder at the extent of interesting facts regarding our town, many of which were known to all of us in a vague way, but when assembled in their entirety, caused me to realize that we lived in a well ordered community of which we should be proud.

The Board of Trade demonstrated its value and importance to our community in arousing and stimulating civic spirit and enthusiasm and deserves much credit for again placing Westfield in the van, showing how a hustling suburban town can lay the foundation for an ideal city. With such a well ordered government as the records of the last ten years and the Exhibit so convincingly demonstrate, how can we do anything else but grow and grow.

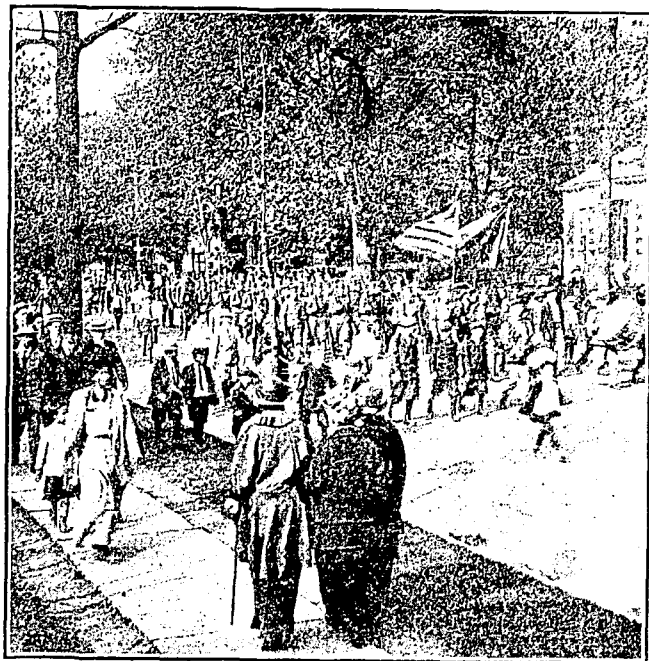

The coming town administrations in the next ten years will surely have to go some to beat the results of the last decade, as shown in this, our first Exhibit. We Westfielders will certainly feel chesty now that we know the facts, and why should we not feel proud of the high standard set. That was some Park and I wish we had it. It would look fine on a postal card and finer still if we could take our friends from other towns and show them how we made provision for the future City of Westfield.

Is there in all Jersey or any other State a sweeter, cleaner and more ably managed town; and whereas it has cost a little to obtain the results, the Exhibit has shown that the money was well spent these last ten years and we have a lot to show for it. Tonight I don't think my tax bill was high last year. There is no use to go into details as the details were all up on the top floor, and those who did not get up there missed something.

The business men of Westfield have a daily exhibit and the growth of our merchants has been consistent with the growth of the town. Good stores with efficient service are a small factor in the growth of a community. The outskirts of Westfield are tapped all around by larger towns and the greatest metropolis in the world, and time was when the merchants of Westfield had to rely solely on the town population for their business. This condition is changing and our stores have grown and we are tapping the surrounding towns and Westfield is becoming a center. The stores in Westfield rank high in comparison with towns much larger in population. The stores reflect the needs and character of their patrons, as they work along the lines of least resistance. As we merit our citizens' support, we shall improve and keep

### Card of Thanks.

Mrs. W. S. Clark and family wish to express in this way their sincere thanks to Mayor Evans, Chief of Police O'Neill, the members of the Town Council, Board of Education and all the fraternal and other organizations for their kindness and interest shown in the funeral services of their son and brother, Thomas Clark.

Thanks is also extended to the members of Company K and everyone who interested themselves in the services.

## Thomas Clark, Private, Buried With Full Military Honors. Nearly Five Hundred Prominent Citizens in Funeral Cortege

More than five thousand persons paid honor and tribute to the memory of Private Thomas Clark, of Company H, Ninth Infantry, Sunday afternoon, when his funeral was held at the town hall, after which the body was escorted to Fairview cemetery by Company K, of Plainfield, the G. A. R. veterans, the Boys' Brigade, the members of the town council, Board of Education, fire department and fraternal and other organizations in this town.

The services were conducted at the town hall by Rev. Charles Snow, of New York, who is occupying the pulpit of the Baptist church. Mr. Snow read the burial service of that church, of which Sunday school Clark was a member when he lived here. At the close of the burial service the minister offered a short prayer and then the body was borne to the hearse by six members of Company K and the march to the cemetery was commenced. The line of march which numbered 415 persons was headed by the police

department which was followed by the life and drum corps of Company K; then came Company K headed by Captain Peterson. The company marched four abreast. Then came the carriage with the minister; the hearse with the body and the bearers, three on each side; the coaches containing the family; veterans of the G. A. R.; Boys' Brigade; Mayor Evans and members of the council and Board of Education; fire department; Fireside Council, Loyal Arcanum; Loyal Association; Independent Order of Foresters; Jr. O. U. A. M.; Knights of Columbus; Holy Name Society; and Loyal Order of Moose.

Arriving at the Soldiers' and Sailors' plot, the committal service was read by Rev. Mr. Snow, after which he offered a short prayer. Three volleys were then fired by Company K, the bugle sounded taps, Reveille was then sounded and the flag was raised to the top of the flagstaff on the plot. The services at the grave were ended and all the honors that could be bestowed upon one that had died for his country had been given by the residents of Westfield.

The town hall, where the services were held, was filled to its capacity and the streets and cemetery were also crowded. The line of march formed at the town hall and marched through Pettis place to Clark street to North avenue and then to Broad street and from there to the cemetery where the last rites were performed.

Private Clark died at Fort Sam Houston, Texas, a week ago last Monday from injuries he received while doing duty along the Mexican border. The body was shipped home and arrived on Friday afternoon. It was placed in the town hall on Saturday afternoon and laid in state there until the funeral Sunday afternoon.

The casket was wrapped with the American flag and covered with beautiful floral tributes.

## FUTURE FARMERS GIVEN SURPRISE PARTY

Former Assessor Charles H. Appley and Family Visited by Friends and Neighbors in Guise of Farmers

It was on former Assessor Charles H. Appley, of Harrison avenue, Tuesday night when about thirty of his friends with their wives invaded his home and completely surprised the former assessor and his wife.

Mr. Appley and family are soon to leave town for a farm which they are to occupy near Clinton and their friends and neighbors arranged a farewell surprise for them. The surprise party all met at the home of A. A. Smith, on Harrison avenue, and from there went to Mr. Appley's home. All were dressed like farmers and it is said that when Mr. Appley and his wife saw them they thought the farmers from the place where they are going to live had come down to visit them and get acquainted before they moved up among them.

Mr. and Mrs. Appley, after they had recovered from their surprise, bade their friends welcome and from that time until after midnight every one had a merry time. The features of the evening were selections by Mrs. P. B. Searff on the violin and by "Andy" Smith on the mandolin. Mr. Smith also sang a song which was dedicated to Mr. Appley and which was entitled "Buy a Nice Little Farm in the Country."

During the evening each guest presented Mr. and Mrs. Appley with a farming implement of some sort with which to work when they get on the farm.

At midnight refreshments were served and a little later the party broke up, all expressing themselves as having had the time of their lives and wishing Mr. Appley and his family the best of luck when they take up their new residence.

Among those present were Mr. and Mrs. A. A. Smith, Mr. and Mrs. William Ferris, Mr. and Mrs. Charles Cox, Mr. and Mrs. Fred Conn, Mr. and Mrs. P. B. Searff, Mr. and Mrs. James Johnston, Mr. and Mrs. Melvin Hlman, Sr., Mr. and Mrs. Melvin Hlman, Jr., Mr. and Mrs. Geo. Cornell and Mr. Cook, of this town; Mr. Herbert and Walter Appley and Charles Brown, of Elizabeth, and Charles C. Eno, of Mexico.

## APPOINT CARETAKERS FOR PUBLIC PARKS

Park Commission Considers Care of Trees and Their Improvement by Use of Dynamite

The Park Commission held its monthly meeting in the town hall on Tuesday night and all the members were present except Messrs. Davis, DeCamp and Perry. B. E. Ball was also present at the meeting and told the members of the Commission about the method of dynamiting trees to make them grow more rapidly. Mr. Ball offered to give the members a demonstration of the dynamiting process and it is probable that the offer will be accepted.

B. C. Howell was present and the members of the Commission explained to him that they wished to get some one to take general care of the trees in town and reported him to consider the proposition and let the Commission know at an early date what compensation he would want for such a job.

Mr. DeCamp was ordered to look after the Elm on Broad street this summer and Mr. Chamberlin to look after the island park on Mountain avenue.

The request of the Parent-Teachers Association of the McKinley school to have the common which belongs to the town and which is now in the yard of H. Willoughby placed on the McKinley school grounds was granted.

C. H. Halsted presented his resignation as chairman of the tree committee but after some discussion the resignation was laid on the table until the next meeting.

## ESCAPED LUNATIC CAPTURED HERE.

Calvin Hansen, who escaped from the Morris Plains asylum about a week ago and for whom the authorities had been looking ever since, was picked up by Police Officer Nelson at two o'clock on Monday morning.

He was taken to the police station and the authorities at Morris Plains notified. Guards came here on Monday afternoon and took Hansen back to the asylum.

## COUGH TWO YEARS OLD

Yields to Vinol. Read Why.

Strong vigorous men and women hardly ever catch cold; it's only when the system is run down and vitality low that colds and coughs get a foothold.

Now isn't it reasonable that the right way to cure a cough is to build up your run down condition again?

Mrs. E. A. McGee of Waycross, Ga., says: "I had a chronic cold and cough which kept me awake nights for two years and I felt tired all the time. Vinol cured my cough and I feel stronger in every way."

The reason Vinol is so efficacious in such cases is because it contains in a delicious concentrated form all the medicinal curative elements of cod liver oil, with tonic, blood building ingredients added.

Chronic coughs and colds yield to Vinol because it builds up the weakened, run-down system.

You can get your money back any time if Vinol does not do all we say.

## AMONG FANWOOD CHURCHES

### Among Fanwood Churches.

Mrs. H. P. Robinson, of North avenue, has started a novel system of raising money for the rectory fund of All Saints' Episcopal church. It is called the "Penny a day" system. Each person who is willing to help is given a mite box and requested to deposit one cent a day for a year. At the end of that period, the boxes will be brought to Mrs. Robinson and GALLEY—TEN..... the contents will be deposited to the credit of the rectory fund. All Saints' Guild has worked hard in behalf of a rectory, and the ladies have raised a sufficient sum to purchase the land for a rectory, when it is needed.

Miss Rita DeMott led the meeting of the Epworth League at the Methodist church on Sunday evening. Miss Jennie Johnston is scheduled to lead the next meeting.

St. John's Colored Baptist Sunday school is meeting regularly and the attendance average is high.

Dr. H. K. Carroll will be in charge of the services at the Methodist church on Sunday. The Sunday school meets at three o'clock in the afternoon.

The Mission Circle of the Baptist church will meet in the church parlors next Wednesday afternoon.

A meeting of the Ladies Aid Society, of All Saints' Episcopal church, was held at the residence of Mrs. A. K. Gale, on South avenue, Westfield, on Wednesday afternoon. The trip to Westfield was made in Coddington's stage.

The Junior League held a meeting this afternoon.

### Fanwood Field Club.

The Fanwood Field Club is growing rapidly and is engaging in various activities. They have a fast baseball team which is holding its own on the diamond. A tennis tournament is being arranged which will develop a strong tennis team. In the fall, a fast football team will line up and a "speedy" basketball team will "take the field."

The club uses the diamond opposite Borough school No. 1, for the home games. Tennis is played on Mr. Wicket's court on North avenue.

Walter Anson is captain of the baseball nine, and Maurice Hall is manager. The following are now members of the club: Sidney Lidgate, George Jespersen, Bradley Barrett, S. Wright McAneny, Jr., John Mezgy, Frederick Smith, Richard Vincent, Walter Van Hoesen, Guy Saunders, Ernest Wahl, Walter Anson, E. Marston, Maurice Hall, Frederick Saunders, Robert Anson, Robert Vanderbilt, George Venezia, William Decker, and Southard Outwater.

The officers of the club are: Maurice Hall, president; Sidney Lidgate, treasurer; and S. Wright McAneny, Jr., secretary. Meetings are held on Wednesday evenings at the home of the president on South avenue.

R. H. Smith, of Bound Brook, spent the weekend at the home of his parents, Mr. and Mrs. Amasa Smith, of Depot Circle.

## COUNCIL MEETING.

At a regular meeting of the Borough Council held last Tuesday, it was decided to have drawings for a new Borough Hall presented at a special meeting to be held next Tuesday evening.

A petition was received from the property owners of Second avenue, asking that the surface water in that street be taken care of. The request was referred to the street committee.

Mayor Eriksen presided over the meeting and Councilman J. J. Kraus was the only absentee.

## GIRLS START DANCING CLASS.

The Girl's Progressive Club established a dancing class and held their first class in a vacant store room in the A. D. Washburn building on North avenue. Mr. J. Meyer, of Myrtle avenue, is acting as instructor and the club intends to meet here weekly. Judging from the broken window in the front of the building, instruction is badly needed and it is hoped that in consideration of the rest of the building there will soon be a marked improvement.

The morning service in the Presbyterian Chapel last Sunday was led by A. J. Graham, of South Orange. At the evening service Julian Zelchenko, of Elizabeth, Union County superintendent of the Anti-Saloon League, gave an interesting talk.

## LONDON HOUSEWIVES TURN TO ELECTRICITY.

The too conservative and hardworking housewives of London at last recognize electricity's labor-saving value. Even in the poorer centers the people are enjoying luxuries such as hot baths and electrically heated ovens in which their home-made bread is baked easily and quickly.

In the Marlboro, a West End parish, there are now more than 250 dwellings equipped with electricity for household uses and more than 4,000 electric heating systems. A hot bath cost only one cent for each unit of

Mrs. Augustus Sheelon, of North avenue, has been entertaining out of town friends.

H. K. Woodbridge, of Paterson road, has returned from a business tour of the South.

Miss Claire Hall visited her parents at their home on South avenue over Sunday.

Miss Agnes Phillips, of La Grande avenue, was a guest of friends in Westfield, on Sunday.

Mr. and Mrs. Charles Vanderkooch, of Martine avenue, are entertaining out of town friends.

Robert Hooker, a former resident, was a week-end guest of Maurice Hall, of South avenue.

Mr. and Mrs. Charles Vanderkooch, of Martine avenue, have been entertaining Brooklyn friends.

Mr. Lewis and Miss Theresa Lewis, of Montague avenue, spent Sunday with relatives in Brooklyn.

Edward Schuck and Harold Keenan, of Plainfield, visited Edwin Phillips, of La Grande avenue, on Sunday.

Mr. and Mrs. Charles Vanderkooch, of Martine avenue, have been entertaining out of town friends.

Mrs. George Glover and Miss Virginia Glover, formerly of North avenue, have moved to New York City.

Paul Phillips, of La Grande avenue, was among the party of elders of the Plainfield Motor Cycle Club that went to Easton on Sunday.

S. Dana Townsend, principal of Borough school No. 1, was one of the judges at the Union County spelling contest held in Westfield last week.

A number of Fanwoodites attended the lecture on "Experiences in the M. C. A. Hall in Plainfield, on Tuesday evening.

Mrs. Wagner, of Wisconsin, who has been spending several weeks with Mrs. H. K. Woodbridge, of Paterson road, is now staying at the home of Mrs. Floyd L. Jones, on the same street.

Mrs. H. T. E. Beardsley and daughter and son, of Cranford, and Leonard McAneny, of New York, were over Sunday guests at the home of Mr. and Mrs. S. Wright McAneny, Sr., on North avenue.

The Saturday Night Club held a very pleasant social in Fanwood Hall, on Saturday evening. The regular card games were played early in the evening and dancing followed. Dushack furnished the music. The next entertainment will be held on the evening of May 30th.

The Fanwood Fire Company held its May meeting in Fanwood Hall on Tuesday evening. The regular routine business was transacted. Then the firemen attacked the one hundred and fifty feet of new hose and put it on the jumper.

Mr. and Mrs. A. R. Neilson, Miss Helen Neilson, Rutgers Neilson, Mr. and Mrs. R. M. Huse and Miss Mary Huse, of this place attended the wedding of Miss Roslyn Chant to Mr. Arthur Halvorsen, held in St. Peter's Episcopal church, at Perth Amboy, on Monday evening. Miss Huse was maid of honor and Rutgers Neilson was one of the ushers.

Arthur Pfaff, of 367 Centre street, is recovering from a recent illness.

Dr. Johnson, County Superintendent, visited schools here last Wednesday.

A school exhibit is being held in the Franklin building this afternoon and evening.

Mrs. Vorhee Lewis, of Elizabeth, is visiting Mr. and Mrs. J. T. Stiff of Locust avenue and Centre street.

Keppler's team of Westfield defeated the Garwood Cubs Saturday by a score of 8-2. The batteries were Hessler and Terp for Garwood and McMahon and Keppler for Westfield.

The pupils of the seventh and eighth grades, enjoyed a May walk to Scotch Plains last Tuesday under the supervision of Miss A. E. Johnston and Mrs. A. S. Bartow, their teachers.

The Girls' Progressive Club is laying out a tennis court in the vacant plot on the corner of Spruce avenue and East street and in the adjoining plot a number of young men are constructing a court.

The Parent-Teacher's Association held a business meeting Thursday afternoon. The association was entertained by singing by the fourth grade, Miss Lois Cowell and Miss Martha Newman of the Franklin school.

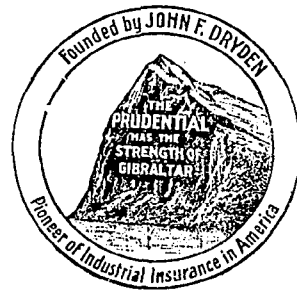

The Interhaven A. C. of Plainfield, was the third straight victim to fall before the Y. M. C. last Saturday. Joe McIntosh pitched a good game and was so ably supported that the Plainfielders were beaten 5-2. The invading catcher did excellent work in catching foul flys but the feature of the game was one hand stab by Joe Ryan in deep centre field.

electricity used, and the current can be cut off when not needed. And the electric ovens are much more economical than those heated by coal or gas.

If London, a less up-to-the-minute city than any city in the United States, realizes the efficiency of electric stoves etc., why can't the Westfield citizens get busy. We are acknowledged as the most progressive town in the state.

H. B. Miller's Sons are only too glad to give whatever information is desired on electric heating and cooking devices and convince you that this method is cheaper, cleaner and better.

## CORPORATE BONDS TO BE ISSUED

New York University Invites Town to Send Delegation to Study Municipal Affairs in Europe

At the meeting of the Town Council held on Monday night, ordinances to issue corporate bonds of the town to be known as the "Special East Broad Street Bonds," the "General Improvement Fund Bonds," the "Sewer, Road and Sidewalk Bonds" and the Sewer Disposal Plant Bonds were passed on final reading. Ordinances to improve Stannore Place and Lenox avenue from Stanley avenue to Chestnut street were also passed on final reading.

Bids for laying flag walks on Mountain and Highland avenues, were received from Louis Francisco and Charles A. Peterson and the contract was awarded to the latter, who was the lowest bidder.

On a resolution introduced by Councilman Davis of the finance committee, a certificate of indebtedness was ordered issued to the amount of \$1,675. The Barr-Abbott Company and Westfield Real Estate Company asked for an apportionment of 1912 taxes on lots in Lenox avenue, St. Paul street and Tremont avenue and the apportionment was granted on resolution introduced by Mr. Davis.

Councilman Wilcox of the building committee recommended that the Newark Advertising Company be notified by the town clerk that the building committee reported unfavorably on the petition to erect a sign by that company on South avenue which would face the railroad.

Councilman DeCamp of the road committee recommended that the petitions of residents of Pleasant Place for the widening of that thoroughfare and the petition of W. R. Rich for improving streets along property which he owns be filed but left with the road committee for further investigation. He also introduced a resolution requesting the Plainfield-Union Water Company to extend its water mains in Edgewood Parkway, Pleasant Place, and Hillside avenue to the borough line of Mountain side. He also asked that the town clerk be directed to advertise for bids for street improvements to be returnable on June 15th.

Councilman Atleek requested that the town clerk notify David Stanfield, who applied for the position of dog catcher at the last meeting, that the services of a dog catcher were not needed at this time.

The treasurer's report showed that he had received since the last meeting \$30,288.47 and that he had a balance on hand of \$22,318.80.

An invitation was received from the New York University to send a delegation from the town council along with representatives from the university and other municipalities to Europe to study conditions in municipal affairs there. This was referred to the public safety and convenience committee.

Under new business Councilman Atleek presented a petition from residents of Kimball avenue, asking that that thoroughfare be macadamized and curbed. Councilman Taylor presented a petition from residents of Grandview avenue, asking for sewer connection on that thoroughfare from Elizabeth avenue to Grove street. Councilman DeCamp presented a petition from residents of the Fourth ward asking for the establishing of the grade, macadamizing and curbing of Union avenue from First street to Doring road. All of these petitions were referred to the road committee.

The town clerk was authorized to solicit bids for the printing of the annual report.

Mayor Evans presided and all the councilmen were present except Councilman Perry.

## ADVANCE CLUB COMPLETES STUDY.

The May meeting of the Advance Club was held at the home of the president, E. T. Cairns, on Highland avenue, last Friday night. There was a large attendance of the members present. The program of the evening consisted of the reading of a paper on the "Comparison of Religions" by Rev. Dr. W. I. Stearns. This completed the study of the different religions of the world which the club has been studying this year. The current event was on the Colorado situation as regards the miner's war and was read by J. A. Sim. The musical program was furnished by the quartet choir of the Presbyterian church, composed of Miss Forsythe, soprano; Mrs. A. B. Rowland, contralto; W. St. John, tenor and B. Unglaub, bass.

During the evening the president named a nominating committee, composed of C. R. Pitcher, chairman; J. B. Douglas, H. N. Taylor, Mrs. G. A. V. Hankinson and Miss Harriet Williams who will select the officers of the club for the coming year. This committee will make its report at the annual meeting which will be held next month. After the business meeting and program, refreshments were served and a social hour enjoyed.

## LADIES AID HOLDS BAZAAR

Raise Over \$200. With Which to Repair Church and Install Heating Plant

The Ladies Aid Society of St. Paul's German Lutheran Church closed their three day bazaar last Saturday evening which proved a marked success, both to the church and to the purchasers.

The fair was held in the portable school building on Thursday, Friday and Saturday and during these days over \$200 was made. This money will be used to repair the basement in the church and install a new heating plant.

The ladies to whom the great success of the fair is due are Mrs. Otto Paessler, Mrs. Conrad Klein, Mrs. Karl Koepke, Mrs. Robert Loderstedt, Mrs. Paul Bretz, Mrs. Stephen Thiaz, Mrs. H. Helder, Mrs. C. Yansch, Mrs. Oscar Grunze, Mrs. Gustave Neuman, Mrs. Fred Marohn, Mrs. Carl Schoenwiesner, Mrs. Martin Schaefer, Mrs. Rudolph Heidner, Mrs. Louise Hook, Mrs. Joseph Schwab and Mrs. Max Hessler.

## TWO PRIZES FOR WESTFIELD GIRLS

In Annual Spelling Contest of Union County Schools Held in Grant School

The annual spelling contest of the Union county schools took place in the assembly room of the Grant school last Friday night.

Principal Richards of the Morrell street school, Elizabeth, was the spelling master and gave out the words. The pupils were allowed only one chance to spell a word and if they failed to spell it correctly were obliged to quit the contest. Mr. Richards was aided by Principal Townsend of the Panwood schools and Principal Davis of the Roselle schools, who acted as judges of the contest. There were two pupils from each school district represented in the contest.

The grades of the schools in the contest were the third, fourth, fifth, sixth, seventh, eighth and high schools. There were a number of contestants in all the grades except the high school, in which there were only two. The prizes for the one who was the last one to be spelled down was a student's standard dictionary.

The prizes were won as follows: For the third grade, Dorothy Dushanek, Lincoln school, Westfield; fourth grade, Florence J. Jacoby, Roselle; fifth grade, Alma Sengbach, Prospect school, Westfield; sixth grade, Joseph Henderson, Roselle; seventh grade, Myles McManus, Lincoln; eighth grade, Alfred Eugene Meder, Cranford; High School, Anna Ibor, Roselle.

Some of the words given the pupils to spell were very hard and would have puzzled older heads. Probably the best speller among those who took part and the one who received the most applause was Joseph Henderson of the sixth grade, Roselle, who is a colored boy and who spelled every word which was put to him without any hesitation at all.

## AMATEUR CAST ARE ENTERTAINED.

On Monday evening the boys and girls who composed the cast in the historic play, "A Tumbler of the Revolution" which was recently given in the Grant school were entertained by Miss Grace Reeve, Miss Ottinger and Principal Starry were also among those present.

The main enjoyment of the evening was Dudley Prescott with his ventriloquism. He gave imitations of various musical instruments and character sketches which greatly amused the guests.

Refreshments were served by Cater Day, of Newark.

## NIGHT TENNIS AT GOLF CLUB.

The opening of the night tennis courts at the Westfield Golf Club will take place tonight at 8:30. It is expected that there will be a large number of players as well as a large gallery on the scene.

The courts will be lighted by electricity. After the opening night the courts may be reserved for play by telephoning to the steward of the club.

## HELPFUL WORDS.

From a Westfield Citizen.

Is your back lame and painful?  
Does it ache especially after exertion?  
Is there a soreness in the kidney region?

These symptoms suggest weak kidneys. If so there is danger in delay. Weak kidneys get fast weaker. Give your trouble prompt attention. Doan's Kidney Pills are for weak kidneys.

Your neighbors use and recommend them.

Read this Westfield testimony. H. Wragg, 205 Elmer St., Westfield, N. J., says: "I hold just as high an opinion of Doan's Kidney Pills today as I did several years ago. While I have never had occasion to take this remedy for any length of time, the amount I did use acted beneficially. Other persons of my acquaintances and also different ones of my family have taken Doan's Kidney Pills and I know that in these cases the remedy has lived up to representations. I don't hesitate one moment in making the merit of Doan's Kidney Pills known." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wragg had. After The Town Exhibit, What?

Much interest has been aroused in our town by the Exhibit so successfully conducted by our Board of Trade last week. The average citizen is better informed about his town than ever before and we believe loves his town better, but to allow the enthusiasm created by this Exhibit to pass without finding expression in some definite form will leave Westfield worse off than had she no exhibition.

It is a well proven fact that an inspiration for good allowed no avenue for expression, leaves the party receiving the inspiration less susceptible to impulses that would move him to service.

To have the best home town in New Jersey, is, of course, a source of satisfaction, but it is only possible to keep Westfield such by eternal vigilance and untiring activity. We offer our columns to the citizens of Westfield and invite their suggestions as to how best to improve our opportunities for a program of activity.

Save Our Trees.

Newark is wide awake to the profit and benefit of shade trees. Last year, she spent over \$10,000 in the care of her shade trees, and this year she proposes a \$30,000 expenditure for this most important object. When will Westfield wake up to the value and importance of her shade trees, and appropriate sufficient funds to employ a man skilled in the care and treatment of trees?

By more or less persistent effort, some of our elms have been saved from the ravages of the elm beetle, but little or nothing is being done to save our maples from the cottony maple scale which is, if anything, a greater menace than the elm beetle.

If we are going to save the beauty of our trees, we must be alert to this situation, and quit drifting along in this matter. The cottony scale offers a more stubborn resistance than the elm beetle, and nothing but a vigorous campaign will save our maple trees.

A County Parkway.

The Hudson River Bridge proposal which would saddle a debt of a million and a half upon Union County, with little or no benefits to be derived, is certainly going too strong for a county so remote from the benefits of such a project as is Union County.

A proposition to bond the county for say half a million dollars to establish a system of parkways or boulevards, extending from Elizabeth along the Elizabeth River, and from Rahway along the Rahway River, through Cranford to Springfield, and then on the crest of the mountain to a point back of Plainfield continuing same down to the lower end of the county with a connecting loop from a point near Springfield through the Branch Mills section, following through the Echo Lake property and German town into Westfield, would be much more reasonable and logical reason for a bond issue in our county.

A strip 100 feet wide on either side of the Rivers mentioned, with a boulevard, would add much attractiveness to some of the unattractive portions of our county. In such a proposition Union County would get a good return for money expended and convert many acres of land which are now a positive detriment to the county into an asset, leaving it to the several municipalities to supplement such a project with their own parks. Union County could then well challenge Essex and Hudson for supremacy in this most approved and profitable manner of spending public funds.

"Wide-awake Westfield."

The wide-awake town of Westfield has been holding a town exhibit this week, under the auspices of the Board of Trade.

Such affairs help everybody to "know their city," in a way that cannot be secured otherwise. It has been suggested that Round Brook might do something along this line, but at present there is no suitable room for such a show. Possibly the assembly room of the new La Monte School will be available as it is to be on the ground floor.

—The Chronicle, Round Brook.

A Municipal Exhibit.

Westfield is to be congratulated on its "Know Your Town" Exhibit which was opened on Tuesday by Governor Fielder, and which was continued through today. The whole program was admirably conceived and carried out with skill and finish calculated to stir pride and admiration in the most composed and conservative of citizens.

The idea of a budget exhibit is not new, as other cities, including New York, have tried the plan with a large measure of success. The budget exhibit is now widely understood to be an intelligent public effort to gather all the facts pertinent to the welfare of the municipality together in a way that is both informing and impressive.

Every city, including Summit, will find it worth while to convey information to the public concerning municipal affairs in this way. Probably not fifty persons in Summit are as thoroughly informed as they would find it worth while to be about city affairs. The majority are painfully ignorant. They have not the time, and, in many cases not the training to study problems of local government in detail. And yet we are all responsible for what goes on here in our city.

This is why municipal stock-taking, a summing up for the benefit of all hands, an attempt to get at the pith of things in municipal affairs, which is the purpose of the exhibit is both desirable and necessary.

The Board of Trade of Summit might well give immediate and careful consideration to such an admirable enterprise. Summit needs some new life and enthusiasm and the undertaking of such an enterprise would be of untold advantage to our city.

—The Summit Herald.

Why Not Boom Rahway.

In the neighboring city of Westfield, which is recognized as one of the active, wide-awake and modern municipalities of the State, the people have held a "Town Budget Exhibit" which has been pronounced a big success and which has done much to boom the prosperity of the town.

The exhibit, which will be concluded this evening, included drills and races by school children, fire efficiency tests, a May festival and many other interesting and instructive features. Governor James F. Fielder was the principal speaker on the opening day and the news of his address was telegraphed to every paper in the State. People living in other cities received the news of Westfield's big display and the town received thousands of dollars worth of free advertising.

The purpose of the exhibit was to give everybody an opportunity to see and know how the town's advancement was accomplished. Even the chronic "knocker" was impressed by the ceremonies, and the residents of the city could not fail to experience a feeling of pride in the prosperity of the place in which they live. The expenses were heavy, but the benefits derived far outweighed the cost.

Our city is growing all the time, new improvements are constantly being added and the day is at hand for a big demonstration. But Rahway is inclined to be satisfied with small things and, unless some influential civic body takes a hand our "Town Budget Exhibit" will never be realized. Is the Board of Trade willing to undertake such a project? If it is now is the time to start.

—Rahway Record.

CHILDREN'S COUNTRY HOME.

The managers of the Children's Country Home have given in the past year no annual entertainment for the benefit of the Home, as has been their custom for many years.

But several have been given with the desire to help the Home, which have returned some money, more or less, to the Treasury. With all the best intentions possible the public has been asked to buy tickets for the "Benefit of the Children's Country Home" but, though these have been attractive and have been well attended, the resultant benefit to the Treasury of the Home has been disappointingly small.

To avoid complications in the future

and too frequent demands upon the public to "buy tickets" the managers have gladly accepted the proposal of the Young Ladies' Auxiliary presented in the following letter:

"To the Board of Managers of the Children's Country Home:  
At a special meeting of the Young Ladies' Auxiliary held on Tuesday, April 21st, 1914, it was decided to bring the following motion before the Board, viz: that the Auxiliary have the control to plan and arrange all entertainments to be given in the name of the Home; that this be accomplished with the co-operation of the Board of Managers and the Junior Auxiliary and that the distribution of the proceeds be decided by the mutual agreement of the Board of Managers and the Young Ladies' Auxiliary.  
Respectfully,  
MARJORIE T. BRAINERD,  
Secretary Young Ladies' Aux."

Thus, it is hoped, the appeals for the "Benefit of the Children's Country Home" by Public Entertainments will be less frequent and the corresponding financial returns greater.

The Young Ladies' Auxiliary will assume all responsibility for these and they ask that no entertainment be undertaken without the consent and approval of the Board of Managers and the Young Ladies' Auxiliary.

At a regular meeting of the Board of Managers held on Wednesday, it was decided that, as far as possible, the managers make the usual calls to solicit contributions for the Home in the districts assigned them in the second week in June and the friends of the Home are requested to receive them cordially and to contribute liberally.

BOARD OF TRADE HOLDS ECHO MEETING

(Continued from Page 1.)

pace with the progress of Westfield.

Yours respectfully,  
F. H. SCHAEFER,  
The Retail Merchants' Association.

Prominent Speakers.

W. A. Dempsey, president of the Board of Education, was the next speaker. Mr. Dempsey said that the exhibit should produce a big gain in knowledge of town conditions. He said that the exhibits of the sewer farm, gas, water and laboratory were interesting and that the exhibits of the police and fire departments were exceptionally good. He referred to the cake, bread, sewing and manual training exhibits of the schools and said that they appealed to everyone as visible evidence of sound practical educational work. He said that the charts of the town while very complete needed in some cases explanation in order to a clear understanding of what was indicated. He stated that the model showing the development of the park met with general approval and if it could be carried out would turn a present town liability into an asset. The exhibit he said also indicated great possibilities in the future.

Dr. J. J. Savitz, superintendent of the public schools, said that the exhibit had given everyone a better idea of the town and that he had been amazed at the number of displays made. He referred to the charts of the town and said that they were of great educational value and that he would like to have them loaned to the school in order to help in the study of civics. He thanked the Board of Trade for the exhibit on behalf of the schools and said that it meant a great deal to them. He also referred to the May Day festival the domestic science and domestic art exhibits and in closing said that the exhibit had done a lot of good for the pupils.

Ex-Mayor Dennis then made a brief address in which he said that the exhibit was the best thing that had ever happened in this town and that it showed what the town had done in every way.

Ex-Mayor Alpers also made a brief address in which he said that he had always been proud of Westfield but that since the exhibit he had been prouder than ever. He said everybody was pleased with the exhibit, that the people knew more about the town than they did before and that the interest aroused did not end when the exhibit closed.

President Pearson then made a few remarks. He said that the exhibit had shown that in the past ten years the town had done exceptionally good work and that he was satisfied that the council, Board of Education and other civic bodies would get the support they deserved.

The meeting then adjourned and the entertained committee of the Board served refreshments and cigars which were related by the fifty members of the Trade Board present.

### You Help in Rendering Good Telephone Service

THERE are three important factors necessary in rendering good telephone service:

1. The Party who is calling.
2. The Telephone Operator.
3. You.

When a customer desires to reach you by telephone, and the operator finds that your telephone is busy, she is obliged to report: "Line's busy." It is her way of saying: "His telephone door is closed." She has done her part; the person calling has done his.

You can help in rendering good telephone service by providing telephone facilities adequate to prevent frequent "Busy" reports.

Upon request we shall be glad to furnish a record showing the number of times your line has been reported "Busy" and recommend the facilities necessary in order to KEEP YOUR TELEPHONE DOOR OPEN AT ALL TIMES.

## WESTFIELD HIGH BLANKS PINGRY

Pearsall Gets First Shut-out of the Season. Score 10-0

Remembering the rough handling Westfield gave them in football, Pingry came to Westfield on Wednesday determined to do the same to Westfield. But this was not to be. The home team landed on Pingry's star pitcher, Langstaff, and in eight innings gathered in fourteen slugs and a triple, besides drawing seven passes, all of these resulting in a victory for Westfield 10-0.

Pearsall was stingy with his hits and passes, allowing only five hits and letting only one man amble. The one pass came in the second when that with two errors filled the bases, but the next man was out, Pearsall to D. Gilmartin, retiring the side. Two of Pingry's hits came in the fifth, two in the sixth and one in the seventh. Every man on the Westfield team had one hit at least to his credit. Taylor and Bill Gilmartin getting three apiece, one of Taylor's being a clean triple, Taylor faced the pitcher five times and was safe at first each time. Marengi and Crutenden drew two passes and a hit apiece out of the four times they went to bat.

## GREEN SCORES ENOUGH TO BEAT SOMERVILLE.

Westfield made a trip to Somerville Saturday with every member of the team a Westfield boy, and took the Up-State team into camp by the score of 3 to 1. Cowperthwaite was picked for the mound duty while Taylor, the High School star, was placed at third and did fairly well.

Green started in the first inning when he worked Kraft for a base on balls, stole second, and went to third on a bad throw. Taylor made good in his first time up and singled over second and Green scored.

In the third inning Green hit safe, after Cowperthwaite struck out, and advanced to second on Taylor's grounder to the first baseman. Kraft then made two wild pitches which Green made use of, going to third on the first and scoring on the second.

With the seventh inning at hand, Westfield's two runs looked very big as by this time both pitchers looked to be going fine. Walker, Somerville's right fielder, hit one up in the air but Taylor's speed enabled him to get under it. Dixon, who had struck out on his first trip to the plate, had two and two on him before he found one to his liking. Worth backed up to the fence but it had the fence cleared by a foot. Cowperthwaite became peeved at this home run business and struck out the next two batters.

Westfield made up for that run in the ninth inning. Hansen was called out on strikes. Hunt hit safe. Cowperthwaite singled on the hit and run, and Green wasn't going to let any runs be made without him having a hand in it so he hit for two bases. Hunt scored, but Cowperthwaite was called out, and Taylor ended the inning by firing to Prezza in deep center.

# HOW TO DANCE THE HESITATION

By ODGERS T. GURNEE

Illustrated With Specially Posed Photographs

WHEN the hesitation waltz was first introduced into this country it was taken up by every one with a great deal of enthusiasm; but, unfortunately, the steps were changed about so in different localities that few people were able to dance it together without first practicing.

Now, however, the steps have been simplified a great deal and are fairly well standardized.

Such names as "the flirtation," "the wave" and "the twinkling" are fairly common wherever dancing is popular. However, an accepted method of executing these steps will aid greatly in learning them.

The twinkling suggests stars, but really refers to twinkling feet. It is danced from the open formation of the tango—that is, side by side, facing in the same direction, with arms extended in front. The step is founded on the principle of "two steps forward, one step back," but has been modified as follows:

Step forward on the right foot, then forward on the left, rock back on the right and bring the left back beside it. As the right foot comes back move the right forward again quickly. The step can be continued, starting on alternate feet. Be careful in this step, as in all waltz measures, to keep in time with the music and not jerk or pull too much.

The wave is a very pretty step, but is hardly suited to use on a crowded floor. It is danced from the straight position and requires greater freedom and more space between the partners than do other steps.

The man crosses his right foot over in front of his left, turning slightly to the left. This first step must be a long one, and is followed by two shorter steps. The girl does just the same, only going backward. This carries them about three feet to the left. Without breaking the tempo they turn slightly on the balls of the feet and repeat the step in the other direction. At the end of three steps another turn and the original step. By dipping very slightly on the second step and rising to the toes on the turn, a billowy effect is obtained; hence the name. Care must be taken not to crouch or stand too far away when doing this step.

The flirtation is simply a series of turns. While dancing in the face to face position, hold your left hand and the girl's left above your head and clasp your right and her right behind her back. From this position it is possible to turn completely around without letting go of each other's hands. On the turn the partners should look

into each other's faces, being careful not to bend the head too far out of line.

The lame duck may also be danced to waltz time very effectively. It is done as in the one step, with a slightly lower dip.

The history of the waltz shows it to have had a very checkered career. In

A PERFECT POSITION IN THE FLIRTATION STEP, BY MISS WILMA WINN AND MR. EVERETT LYMAN.

every country where it has appeared it has at some time been strongly condemned, and, when such a thing was possible, absolutely forbidden by the authorities. A number of the most prominent men and women in the literary world have also fiercely opposed it, though Lord Byron's stanzas in its favor are well known. There is undoubtedly a fascination which every musical person acknowledges when this music is played. We may disapprove of the waltz as a dance to be participated in indiscriminately, but its charms cannot be disputed regarded simply from a musical point. The time observed by waltzers has changed with every century, until it has reached at most the quiet dignity of the minuet in the present age.

### JOTTINGS AND CLIPPINGS.

There are even greater words than Liberty, Equality and Rights. Lacordaire, during the revolution in France, dared to say to his countrymen: "You have written upon the monuments of your city the words Liberty, Fraternity, Equality. Above Liberty write Duty, above Fraternity write Humility, above Equality write Service, above the immemorial creed of your Rights inscribe the divine creed of your Duties."

We may be old-fashioned, but the recent revision of our Declaration of Independence and the parody on our national anthem gives us a queer feeling. In our thoughts they always go with the American flag. We read the manifesto with interest and consider it an extraordinary document. General comment would be superfluous, but we do challenge the statement that "The women of the United States have decided to have a Fourth of July of their own." It should read the Suffragists of the United States, representing ten per cent. of the women. Also in the revision we challenge the statement, "We, therefore, THE women citizens of the United States of America." It should read SOME women citizens.

#### "Absolute Subjection!"

Some phrases from "The Women's Declaration of Independence."

The history of our Government is a history of repeated injustices to women.

But when a long train of abuses and usurpations, pursuing invariably the same object, evinces a design to keep them under absolute subjection.

In every stage of these oppressions we have petitioned for redress.

If we dug up a document like that from among the shards of Egypt or the bricks of Babylon we would at once get a picture of women yoked side by side with oxen and asses, driven to degrading labor with bloody whips, sold in the open market like cattle.

The results of women's votes at the recent Chicago election!

"In twenty-eight out of the thirty-five wards of Chicago the results of the election were precisely what they would have been if women had not voted. In seven wards the women contributed to the election of the better candidates who otherwise would have been defeated. Your correspondent gives the results in these seven wards with great particularity, showing a majority on the right side in one ward, of 97 votes, in another, of 149 votes, and so on.

But Bathhouse John, against whom the women's uplifting campaign was chiefly directed, came out triumphant with a plurality of nearly 4,000; and the still more surprising fact is that

more women voted for him than against him. In other words, if every man is that ward had stayed away from the polls Bathhouse John would have been elected by the women's votes.

So far as this goes it seems to sustain the confidence of Mr. Cornack of the United Societies (the liquor interests) that, with women voting, they would be able to "get results at the polls."

The Suffragists point with pride to the 1,000 towns in Illinois that went "dry" at the last election because of the women's vote. What about the 3,000 towns that went dry in Ohio WITHOUT the women's vote.

Of the 9,000 women of legal voting age, enrolled in the New Jersey Association Opposed to Women Suffrage, 80-82 per cent are wage-earners and the wage-earners League of the New York Association Opposed to Woman Suffrage was organized upon the initiation of a wage-earner.

And yet the Suffragists claim that the vote is necessary to protect the wage-earning women, who evidently do not think so themselves.

"IT IS TIME TO CALL A HALT!" Judge Lindsey.

(From the Cincinnati Commercial-Tribune, January 17, 1914)

A brideless bridegroom passed through Cincinnati yesterday in the person of Judge Ben B. Lindsey of Denver, familiarly known as "the daddy of the Juvenile Court."

His stop was short—just between trains—as he had a lecture engagement to fill in Lewisburg, O. In his usual trenchant way he had some comments to make upon matters of public import.

"I am not in harmony or in sympathy with the feminist movement in this country at the present time," said the Judge.

"Do you mean by that you are against woman suffrage?" he was asked.

"No, not that. Equal suffrage has many admirable features, but the trouble is that the women win not stop there. Other questions of sex are vexatious and with which I heartily disagree.

"The one great argument of the feminist is that it will make better men. As I see it will make looser women. Here comes a feminist who advocates woman choosing the father of her child. What piffle! In a single stroke she would break down the barriers that have protected the legitimacy of our children for centuries.

"If the ideas that these faddists continue to create, grow and spread, the only thing I can see ahead is loose morals and loose marriage laws, such as are in Scotland and some of the older countries where the barriers have been broken down. It is time to call a halt.

### STATE HONORS FOR WESTFIELD WOMAN.

At the annual State Convention of the Daughters of Liberty, held in Atlantic City this week, Mrs. E. M. Holmes, of North avenue, was honored by being selected State Councilor for the ensuing year.

Mrs. Holmes was the vice-councilor last year and has been an ardent worker in the order for many years. Her many friends in this town as well as members of the order are very much gratified and pleased with the honor which she has received and bespeak for the order a successful year under her administration.

Mrs. Holmes was presented with a solid gold amethyst pin and with a beautiful bouquet of carnations and roses by the Union County delegation of the councils present.

### "K. B." SOCIETY HOLDS REUNION.

Last Sunday the "K. B." Society of town, visited the chapter at All Angels Church, New York. After church and the regular "K. B." service, Mr. E. M. Robinson, Secretary of Boy's work of the International Y. M. C. A., gave one of the best talks that has ever been delivered to a bunch of fellows. His topic was "Manhood."

### PARENT-TEACHERS ELECT OFFICERS

McKinley School Association Holds Annual Meeting, Retiring President Receives Flowers

The Parent-Teachers Association of the McKinley School held its annual and closing meeting of the year in the assembly room of McKinley school on Wednesday afternoon. It was attended by about forty of the members.

The following officers were elected for the ensuing year:

President, Mrs. A. A. King; first vice-president, J. H. McLaughlin, principal of the school; second vice-president, Mrs. Raymond Garcia; secretary, Mrs. F. K. Winter; treasurer, Mrs. James G. Casey.

The program of the afternoon consisted of an address by Robert W. Harden, of the Westfield Trust Company, who gave an outline of the school savings bank. Mr. Harden explained the plan of the bank and how it worked in localities where it had been tried.

In addition to the address of Mr. Harden, Mrs. William Sanford, Jr., of Plainfield, told of the work of the National Congress of Mothers and Mrs. A. J. Platz of the local Association gave a very interesting report of the convention of the National Congress of Mothers which was recently held in Washington and which she attended as a delegate from the McKinley school association.

Mrs. Platz, who retires from the presidency of the association, was presented with a large bouquet of lilies of the valley by the members of the Association in appreciation of her services. After the business meeting refreshments were served and a social hour enjoyed.

### BOY SCOUT TROOP TO BE ORGANIZED.

A troop of Boy Scouts is to be organized in Westfield. At present only the Methodist and Baptist churches are represented. It is hoped that at least a patrol of ten boys will represent each church or Sunday school. It is not necessary, however, to be a member of a church or Sunday school as any boy over twelve years of age is eligible to join.

A meeting will be held in the parlors of the Baptist church on Thursday evening, May 28, 1914, when a talk will be given on the objects of the scouts and plans arranged for the future. Any boy desiring information on the subject or wishing to join will kindly be present. Meeting at 7:30 o'clock, will be in charge of Horace L. Roekhill, Scout Master, and Irwin Couch, Assistant Scout Master.

### SMOULDERING FIRE ROUSES FAMILIES.

Sunday morning about four o'clock, Lieutenant Canfield of the police force, discovered smoke issuing from the tailor shop of A. Goldberg, on Broad street. He made an investigation and found that the smoke was coming from the inside of the store. He gave the alarm and the fire department responded.

The Lieutenant went to the rear of the store and broke in a door and upon entering the store after groping around in the smoke found the fire was burning a pressing board on which was a gas iron which had been left lighted by Mr. Goldberg when he went home on Saturday night and which had set fire to the cloth which covered the pressing board. The fire was soon extinguished without the use of the hose.

The ironing board and table upon which it was placed was badly burned as were some clothes which were on the table. Before the alarm sounded families living in the apartments nearby were awakened by the smoke. Mr. Goldberg estimates his loss at about \$85. He says that he was working in the store until quite late on Saturday night and that he undoubtedly forgot about putting the gas out before he went home.

### FIRST FISHING PARTY.

The first fishing party of the season from this town went to Lake Hopatcong on Wednesday morning for the purpose of catching some pickerel, the season for which opened on that day.

### SCHOLARS TO MEET IN MUSICAL CONTEST.

The annual spring musical contests in which the classes in Grades 1 to 6, of the public schools, will compete for prizes will be held on Thursday and Friday of next week. A beautiful prize has been donated to the sixth Grade by Mrs. Harrison and Mrs. Sinclair; and Mrs. Verleden has donated a similar one to the First Grade.

The first three grades will sing on Thursday afternoon; the fourth, fifth and sixth grades will sing on Friday afternoon and the soloists on the evening of the same day.

Since the Grant school won all the music prizes last year, the children of the other schools are working with the determination of taking them away from that school and the promise is given that the contest will be very interesting.

This is the first year for the solo contest and many boys and girls have entered. A prize has been offered to the seventh and eighth grades and another to children below these grades.

### Song Recital Next Monday.

On Monday evening Miss Dorothy Elizabeth French, the popular young singer who has delighted many Westfield audiences, will give a recital in the Westfield Theatre under the personal direction of Dr. von Jackson.

Miss Mabel E. Bray, supervisor of music in the public schools, will assist and Mr. Frederick Schlieder will be at the piano.

THIS is one of the prettiest and most graceful methods of dancing the waltz, but is very difficult on a crowded floor, as it is impossible to lead the girl out of the way of the other dancers, and the occasional bumps throw one out of step and spoil the whole effect of the dance. The same steps are used as in the ordinary hesitation, the only difference being that the partners do not touch each other at all. To do the best work in this remember to keep as erect as possible throughout and never get more than a foot away from your partner.

## KNIGHTS OPEN COUNCIL CHAMBER

Hall in Darby's Garage Dedicated  
As Meeting Place of Knights  
of Columbus.

The opening of the new hall of the Knights of Columbus, on Prospect street, was formally celebrated on Wednesday night when about four hundred of the Knights with their friends enjoyed a program of music and a lecture by Dr. James G. Coyle, of New York, on "Religious Tolerance in America."

The hall was prettily decorated with flags and the Knights of Columbus are to be congratulated upon having secured this hall for a lodge room, as it is the finest in town. The program consisted of a selection by Carpenter's orchestra; song by Thomas P. Green entitled "In Happy Moments," selection by the orchestra; song by Miss Elta Meyer, entitled "Love's Sorrow," lecture by Dr. Coyle; song by Joseph McDevitt of Roselle entitled "I Hear You Calling Me." This was followed by dancing.

The lecture of Dr. Coyle was very interesting and instructive and was much appreciated by those present.

Dr. Coyle said: "The United States of America is known to the world over as a land of civil and religious liberty. This conception of the United States is mainly but not wholly correct. Civil liberty is practically nation-wide. The prescribed Christian religion was always the Catholic religion."

Dr. Coyle referred to the original thirteen colonies and told of the various hardships the Catholics had in those days and how in some of the colonies they were not allowed to have any rights at all; that in some of them they were not allowed to hold office; in others they were excluded from freedom of worship; and they were persecuted yet in others.

He referred to New Jersey and said that in the early days Catholics were not desired here. Others had religious liberty at the outset. He cited Maryland as being founded by the Catholics and said that religious freedom was given to all Christians from the beginning. He stated that even in 1790 the Catholics were practically confined in the east to Pennsylvania and Maryland, where there were 23,000 Catholics out of 39,000. In the United States, today there are over 10,000,000 out of 100,000,000. Connecticut, which did not have fifty Catholics one hundred years ago, is one-third Catholic today. More than one-sixth of the United States population is Catholic.

## HERO'S FUNERAL IN MOVING PICTURES.

The Westfield Theatre has as a special feature today and tomorrow—the moving pictures of Westfield honoring her dead hero, Private Thomas Clark, who was buried on Sunday with full military honors. The pictures were shown yesterday at the Theatre.

The pictures are very clear and show the body being brought out of the town hall by members of Company K; the march to the cemetery; the grave and the body being lowered into it; Mayor Evans and other officials and a picture of the crowd at the cemetery.

## Social and Literary Circle.

The May meeting of the Social and Literary Circle met at the home of Miss Florence Hicks, on St. Mark's avenue, last Friday afternoon.

Mrs. Franklin Reed read a paper by Mrs. R. S. Keeler on "Home Gardens." Mrs. Leigh M. Poursall and Mrs. Ralph H. Collins rendered vocal solos.

## EQUAL SUFFRAGE LEAGUE HEARS MISS JANE DAY.

Miss Jane Day, one of the Visiting Teachers of the Public Educational Association of New York, addressed the Equal Franchise League at its monthly meeting held last Monday at the home of Mrs. F. E. Sturgis, president of the local league. Miss Day's talk was based upon the circumstances of women as disclosed by her work and association among the different classes of New York City.

The speaker said she believed the status of woman would be changed when she gets the franchise, because of her having a value to the State. Miss Day spoke of the disadvantage under which mothers and daughters live, which is due to the old tradition that the male member of the family must be the governing force. She showed in many instances how if mother and daughter were lifted to a higher plane in life this condition would not exist.

Mrs. Sturgis, the president, with whom Miss Day was associated in settlement work in New York, was paid a very high tribute by the speaker who spoke of her fine Christian character and untiring labors, which always made a deep impression upon the people with whom she came in contact.

Miss Day is very influential in her work as she goes about talking with fathers and mothers who are interested in their children. In her talk she spoke words of commendation about President Wilson and said she only regretted that her first vote was not for him; she also complimented the police of New York, who lend her much aid in her work.

Those present greatly enjoyed the address and the league hopes to have the pleasure of hearing Miss Day again in the near future.

## ECHOES OF THE TOWN EXHIBIT.

In 1820 Westfield's taxes amounted to \$879.95. Of this amount \$629.55 was for State, county, town and poor taxes. The highway tax was \$250.60. Westfield's budget for 1914 is \$76,991.95 of which amount \$16,500 is for roads. In 1893 the total resources of the banking institutions amounted to \$120,000. Today they amount to \$2,783,002.

The assets of the Building and Loan Associations in 1893 amounted to \$17,526.71. Today they amount to \$617,205.17.

The per capita asset is \$1,742.51. The total value of buildings erected in the last five years is \$1,899,504.16. In 1907 the total circulation of books in the free Public Library was 16,518. In 1912 it was 29,307.

## LADIES AID HOLDS SUPPER.

The Ladies Aid Society of the First Methodist church held a supper in the chapel of the old building last night which was attended by nearly two hundred persons. The menu consisted of five courses and was prepared by the ladies of the society.

As a result of the supper a neat sum was realized which will be donated to the building fund of the church.

The committee in charge was Mrs. R. H. Collins, chairman; Mrs. T. A. Pope, Mrs. T. W. Murray, Mrs. W. H. Davies, Mrs. G. F. Ream, Mrs. F. E. Slater, Mrs. B. H. Woodruff and Mrs. John Jarvis.

## GUILD DISTRIBUTES 1,140 GARMENTS

The Rev. J. C. Stock, assistant superintendent of the New Jersey Children's Home Society, addressed the annual meeting of the Westfield Branch of the Needlework Guild of America, held in the Presbyterian Parish House, Tuesday afternoon. The meeting was the thirteenth annual meeting for the distribution of garments, and 1,140 articles collected by the officers and directors were distributed among ten beneficiaries.

The Rev. Mr. Stock emphasized the fact that the New Jersey Children's Home Society was not a home, but a society which provided homes for children. He told of seven Westfield children who had been placed in good homes by the society. One had been adopted and another, a girl, is now married and has applied to the society for a child to care for. Mr. Stock said that the society would be twenty years old on June 11, and since its formation has found homes for 2,020 children.

Mr. Stock told how the children were treated by physicians and were made as near physically perfect as possible before being placed in homes. He also told of the supervision of the children after they were placed in homes. He said that it was no trouble to find homes for girls, as at present the society has a big demand for girls of 3 years of age and under.

Mrs. A. E. Woodruff, president of the Railway society, who was instrumental in the organization of the local branch, told of the annual meeting of the presidents of the guild in Washington in March and of the reception given them by Mrs. Woodrow Wilson. The garments collected by the guild were ordered distributed as follows:

Children's Country Home, Westfield, 267; Elizabeth General Hospital, Elizabeth, 115; Muhlenberg Hospital, Plainfield, 112; New York City Mission, 105; Newark Orphan Asylum, Newark, 100; New Brunswick Home for Incubates, New Brunswick, 30; St. Katherine's Home, Jersey City, 107; New Jersey Children's Home Society, Trenton, 111; Miss Sarah Curry's Day Nursery, New York, 100; Arthur Home for the Blind, Summit, 103; Reserve Fund, for private cases, 134.

The officers and directors of the society are as follows:

President, Mrs. James O. Clark; first vice-president, Mrs. Edwin Sheild; second vice-president, Mrs. William G. DeLamater; third vice-president, Mrs. R. R. Sinclair; fourth vice-president, Mrs. T. D. Bunce; secretary, Miss Elizabeth French; treasurer, Mrs. E. D. Floyd; directors, Miss Matilda Alpers, Mrs. Samuel Burhans, Miss Laura Ball, Mrs. T. D. Bunce, Mrs. J. E. Burtis, Mrs. J. O. \*Deceased.

## Mrs. Phoebe Howland.

Mrs. Phoebe Howland, 82 years old, died at the home of her granddaughter, Mrs. George W. Anderson, 411 Boulevard, last Friday afternoon. Mrs. Howland was born in Monmouth county, near Freehold, and came to this town from Long Island about six years ago. Heart trouble was the cause of her death. She had been a widow for many years.

The funeral was held from the home of her granddaughter on Monday afternoon and was conducted by Rev. G. Franklin Ream, of the First Methodist church. Interment was made in Fairview cemetery.

## Florence May Carpenter.

Miss Florence May Carpenter, daughter of Mr. and Mrs. W. Irving Carpenter, died at the home of her parents, 149 Central avenue, on Monday morning. Miss Carpenter had been ill for some time but had been confined to her bed for the past two weeks. She was in her nineteenth year and was born in this town and had always lived here.

She was a pupil of the Washington school until about a year ago. For the past six months prior to her death she had been the cashier at the Playhouse. She was a member of the Sunday school of the First Methodist church. Besides her father and mother, she is survived by a brother, Benjamin C. Carpenter, and one sister, Miss Grace Lillian Carpenter.

The funeral was held from her late home yesterday afternoon at 2:30 and was conducted by Rev. G. Franklin Ream, of the First Methodist church. Interment was made in Fairview cemetery.

## Marion Daley.

Miss Marion Daley, a sister of John J. Daley, of Lenox avenue, died at the home of her friend, Mrs. Lucy, East 116th street, New York, on Tuesday. The body was removed to the undertaking parlors of Richard J. DeLaney, 69 Eighth avenue.

The funeral was held this morning at 10 A. M., from St. Bernard's church in West Fourteenth street, where a requiem mass was offered up for the repose of her soul. Interment was made in Calvary cemetery.

A number of the members of Westfield Council, K. of C., of which Mr. Daley is a member and Rev. H. J. Watterson are attending the funeral.

**A Reduction of 20% on Regular Prices - June 6, 1914 Afternoon**

To have a real home amid ideal environments and yet with every convenience of the large city—is the opportunity that will come to you on June 6th with the Special Sale of building plots in magnificent Westfield Gardens. The number of plots offered at the reduced price will be limited, and the opportunity will be available for the one afternoon only—from 1 P. M. to 5 P. M.

### Improvements Completed - Carefully Restricted

We could write column after column about the many attractive features in Westfield Gardens—of the concrete sidewalks and curbs, the wide parkways and macadamized roads, the modern electric street lamps, telephone and electric wiring for the home; the splendid water, gas and sewerage systems—but we would prefer to have you see for yourself how thoroughly these important improvements have been carried out.

### An Unusual Investment

A plot in Westfield Gardens is an excellent investment whether you intend to build now or later. Not only is the entire town of Westfield due to grow because of its very progressiveness, but because of its nearness and accessibility to New York City it will be affected by the tremendous and continuous growth in the real estate values of America's greatest metropolis.

### Valuable Home Site

Westfield Gardens offers a perfect homesite for the typical American family. Opportunities for recreation abound—riding and driving under the best of conditions for lovers of the horse; the Westfield Country Club with its fine 9-hole course will impress the golfer; fast tennis courts are on every hand, and the entire section surrounding and including the Gardens is well known to motorists and motor-cyclists for its well-laid and well-kept roads. Every plot to be offered on June 6th is of generous size, none being less than 60 feet frontage, with an average depth of 150 feet. Many of the choicest locations are included. Now is the time to see the property. Go to office at Westfield Gardens.
