

VETERANS TO HONOR DEAD COMRADES

Memorial Day To Be Observed
With Fitting Ceremonies—Day
of Sport and Pleasure for
Many.

Another Memorial Day is close at hand and during the past year the ranks of the veterans who fought for our country in the War of the Rebellion have been depleted. Those who are left will do honor to their dead comrades tomorrow when exercises appropriate to the day will be observed by the remaining veterans.

Though there is only a handful of the veterans left they will conduct exercises at the cemeteries under the direction of C. W. Harden.

At 9:30 in the morning the veterans with the pupils of the fourth and fifth grades of the Prospect street school and the members of the Boy's Brigade of the Presbyterian church will visit Fairview cemetery where the ritualistic service of the G. A. R. will be read and an address made by Rev. G. Franklin Ream of the First Methodist church at the Soldiers and Sailors monument. After the service at the cemetery the children of the school will decorate the graves of the soldiers and sailors with flags and flowers and the Boys Brigade will sing a salute. On the return from Fairview cemetery the veterans will stop at the old cemetery on Mountain avenue and decorate the graves of the soldiers and sailors buried there.

In addition to the exercises of the G. A. R. there will be various other events to attract the attention of the residents.

In the afternoon the annual May festival of the Children's Country Home will be held at the Home. As in years gone by this promises to be well attended and very successful. There will be the usual Punch and Judy show and grab bag for the children and ice cream and cake will be for sale. Those who wish to visit the home and patronize the festival of this worthy institution will be transported from the corner of Broad and Elm streets in automobiles.

In addition to the festival there will be sports galore. In the morning there will be a game of baseball between the Westfield Cubs and the Park Baptist church team of Plainfield. In the afternoon the Cubs will play the Garwood team. Both games will be played at Recreation Park.

There will also be a large number of residents who will visit the Westfield Golf Club where golf and tennis will be the attraction. The various tennis clubs in town will have special events and tournaments.

Several of the residents will entertain guests from out of town while others will take advantage of the holiday and Sunday and will make visits to other places.

LIVE WIRE ENDANGERS LIVES

Little Girl Narrowly Escapes
Contact With Dangling Wire
On Garwood's Main Street

A live wire dangling from a trolley pole, at the corner of Spruce avenue and Centre street, Garwood, endangered many lives yesterday morning. The wire was torn loose, when the trolley pole of a work car jumped the wire and mashed one of the guide wires. It fell in such a way that it touched a steel culvert which formed a portion of the crosswalk.

Dorothy Watt seeing the wire, ran up to touch it but fortunately stepped on the culvert before he could reach it. Burning her foot severely but being frightened from the shock she ran home.

Immediately after this a horse belonging to John Coles came down Spruce avenue, and stepping on the culvert fell down groaning. Mr. Coles, unaware of the cause, leaped from the wagon, sat on the horses head, grabbed the bit and received a severe shock. The motorman of the car which happened to be passing, took the broom from the track sweeper and pushed the wire from the culvert, allowing the horse to rise. The horse was cut on the side and was rather stiff. Mr. Coles took the horse to a Westfield livery stable, where it was afterwards reported that his hindquarters were paralyzed. A Public Service representative arrived after the accident and the wire was soon repaired.

JUDGE TOUCEY HOLDS COURT

Clarence Erhlick Awarded Damages for Horse Which Contracted Rabies Following Bite by F. Washburn's Dog

The trial of Clarence Erhlick against Adolphus D. Washburn, of Garwood, for \$150 damages as a result of a horse being bitten by a dog belonging to Washburn and which resulted in the horse being shot on account of having the rabies occupied the attention of Judge W. B. Toucey and a twelve man jury in the assembly room of the Westfield Theatre on Wednesday afternoon. The interests of Mr. Erhlick were looked after by Town Attorney Paul Q. Oliver and those of Mr. Washburn by Augustus C. Nash.

It was a warm afternoon and the jurors and judge were in shirt waists. The warm weather probably had something to do with the temper of the two lawyers as at times the arguments between them waxed very warm.

The first witness called was Clarence Erhlick, the owner of the horse, which by the way was blind. Mr. Erhlick told of the dog coming to his farm on West Broad street and of its biting three ducks and getting into the manger and biting the horse. He said that he called Dr. Winter, of Plainfield, a veterinary, to see the horse and that he and Doctor H. H. Butler of this town diagnosed the case as one of rabies and that the horse was shot by Dr. Butler.

On being asked how old he was Mr. Erhlick stated that he was nineteen years old.

The next witness for the plaintiff was Herbert Erhlick, a brother of Clarence, who corroborated his brother in every particular. Herbert was followed on the stand by Jacob J. Mowerson, of Paterson, a brother-in-law, who said he was a dealer in horses. He told about the seeing the horse and said that it was blind. When asked how much the horse was worth he said about \$140 or \$150. Here the case of the plaintiff rested.

Lawyer Nash then asked for a non suit, stating that the plaintiff by his own evidence had admitted that he was only nineteen years old and was therefore a minor and that the case Mr. Oliver got into a lively argument would not hold in law. After he and which resulted in a law book being brought out and after some lengthy arguments on both sides the judge decided to allow the trial to go on in the name of Mr. Erhlick's brother-in-law, Jacob J. Mowerson.

The first witness for the defense called was Mr. A. D. Washburn. Mr. Washburn testified that he had never owned a dog in his life. He said that the dog in question belonged to his son. When asked who paid for the ducks which were killed by the dog he replied that his son did and that he gave him the money to do it with.

Pay Washburn was the next witness. He said that he was the owner of the dog and that he bought him in Elizabeth and paid \$7 for him. He stated that he and his father lived in the same house but in separate apartments.

Herman Becker testified to being with Pay Washburn when he bought the dog.

Here the defense rested. Lawyer Nash and Lawyer Oliver then summed up and the case was given to the jury which was composed of George Snyder, P. J. Windfield, Lawrence Powers, John Campbell, John T. Cox, Douglas Darby, John W. Kelly, E. C. McMahon, W. A. Brown, John E. Brittingham, N. J. Crickenberger and J. H. Townley.

After being out about an hour the jury returned with a verdict allowing the plaintiff \$90 damages and costs.

After the verdict had been given Mr. Washburn through his lawyer gave notice that he would appeal the case.

FORMER MAYOR GRANT PASSED AWAY THIS MORNING

VOCATIONAL EDUCATION
UNDER DISCUSSION

The advisory committee on vocational education appointed by President Dempsey of the Board of Education held a meeting in the Washington school last night. There were thirty-three persons present. Mr. Dempsey opened the meeting and stated the object was to learn from business men their attitude toward the public school courses as at present maintained and to determine if possible in what regard the work of the schools at large falls to meet the demands of business.

Supervising Principal Dr. J. J. Savitz was then called upon by Mr. Dempsey to explain the courses of study, the subjects of which he divided into academic, pre-vocational and vocational. He showed how algebra might be taught as an academic subject, merely and also as a vocational subject. He explained fully how the school was meeting the demands of all the children by offering different courses of study.

Others who took part in the discussion were James O. Clark, Sales S. Clark, Leigh M. Pearsall, C. H. Pitcher and W. H. Davies.

Mr. Dempsey closed the meeting by pointing out the fact that many of the things which the pupils formerly learned by association with their parents during the long winter evenings were no longer learned in this way, owing to modern conditions in the home. The school must teach the children many of the things which were formerly learned in the home.

BIG CHURCH RALLY

Men of Westfield's First M. E.
Church Well Represented at
Summit on Thursday Night

About forty-five men of the Men's Brotherhood, of the First M. E. church went to Summit on Thursday evening, where they were guests of Dr. North's Bible Study Class of the Methodist church of Summit. About 60 men from the East Orange Methodist church Bible Class were also guests of the Westfielders, and as over 100 of the Summit turned out to greet the visitors there was a big crowd. All the men came in automobiles and the vicinity of the Summit Methodist Church looked like a motor exhibit.

The reception was held in the service hall, adjoining the church and here speeches of welcome were delivered by Dr. North and the pastor of the church. These were responded to by the Bible Class leader from East Orange and Rev. Mr. Ream of our First Methodist Church. Mr. Ream's remarks were both witty and eloquent and he was warmly applauded as were all the speakers. He told about the work of the Men's Club, not forgetting the church census they had taken, the Men's Forum and told what they expected to do in the future. The spirit of brotherhood shown in such meetings was emphasized by all the speakers.

Hamilton W. Mable gave the main talk of the evening, a most delightful and scholarly address. His theme was a plea for a devotion of life to something higher and nobler than mere money-getting in business. There were many flashes of brilliant humor in his remarks.

After the speeches and the ice cream and cake had been disposed of the visitors were escorted through the beautiful new church. The organist played the organ and that closed the program. The Westfield auto delegation got home about 11:30. All voted the visit a most enjoyable one and the hospitality of the Summit men all that could be desired. The visit was in return for one paid to Westfield last year by Dr. North's class.

MEMORIAL SERVICES IN THE CHURCHES

The service at the First Methodist church last Sunday afternoon in aid of Memorial Day. The service was held in the church at 11 o'clock and was a most enjoyable one and the hospitality of the Summit men all that could be desired. In the evening at the First Methodist church a Memorial Day service was held which was attended by a large congregation including members of the G. A. R., the Woman's Relief Corps and auxiliary to the G. A. R. Pastor Ream preached a special sermon to the veterans which was greatly appreciated by all.

On Sunday morning there will be a memorial day service held in the Congregational church at which the pastor, Rev. Dr. S. L. Loomis, will preach a special sermon and there will be special music. An invitation has been extended by the church to the veterans to attend this service.

FIRESIDE ENJOYS RARE TREAT.

Last evening the members of Fireside Council held a very enjoyable meeting.

Two were added to the Council, one by card, one by invitation. The new uniform side degree team performed on the newly elected candidate who got all that was coming to him.

Under entertainment the orator furnished the boys a rare treat. The new Edison diamond print phonograph was on exhibition and afforded much entertainment to the members. The beauty and perfection of the tones was remarkable and attested the truth of the statement that it was the last word in human sound reproduction.

The new Deputy Grand Regent Bro. Ward of Elizabeth Council, was introduced and urged the Council to do its full duty this year and back him up.

Bro. Gilby told us all about the new arrival at his home last week.

The committee on Mt. Lebanon Rally, June 1st, had the Bulletin distributed and an appeal for a record delegation to capture the banner offered for the largest delegation present was urged.

ORGANIZE BOY SCOUTS

A preliminary meeting, at 11:15 in the parlors of the Board of Education, for the purpose of organizing a Boy Scout troop in Westfield, was held last night. The meeting was called to order by Bro. L. R. Rockhill, after which the Council was made permanent. Charles H. Robinson then explained the work of the Boy Scouts and what they were expected to do. At the conclusion of Mr. Robinson's talk, the following officers were elected: Scout Master, Horace L. Rockhill; assistant Scout Master, Irving Couch; scout committee, Charles H. Robinson and Herbert R. Welch.

STUBBORN FIRE AT NOON TODAY

One of the most stubborn fires that the Westfield fire department has had to contend with in some time occurred just before noon today when a fire was discovered at the home of Harry B. Chell, on Walnut street. Painters were at work painting the house, which is owned by W. G. Peckham, when one of Mr. Chell's sons noticed fire issuing from the roof. He informed his mother and she in turn notified the painters and the fire department was called by telephone.

The firemen arrived promptly but had considerable difficulty in getting to the blaze on account of the peculiar build of the house. They finally got a stream in the attic where the fire was burning the hottest and it was not long before it was under control. The fire was confined to the second and third floors but the whole house was soaked with water. The damage to the house will amount to about \$2,000 and the damage to the furniture of Mr. Chell will amount to about \$1,000. Both the house and furniture were insured, the latter being by the firm of Wm. S. Welch & Son.

How the fire started is a mystery, as the Chells say that no one had been in the attic in a day or two. Chester Moffett, one of the firemen had his head badly cut by the glass which was broken out of the window in order to let the hose in.

AGAINST GOVERNMENT BY COMMISSION

Judges so Decide at Debate Between Congregational Sunday Schools of Westfield and Plainfield

One of the most interesting debates ever held in this town took place Friday night in the parish house of the Congregational church when representatives of the Sunday schools of the Congregational churches of Plainfield and Westfield argued the question that the Commission Form of Government should be adopted by the suburban towns in New Jersey. The affirmative side was presented by Carter L. Goodrich, Donald P. Uplike and Harold W. Tomlinson, of Plainfield, and the negative side by Coleman T. Clark, James F. Todd and Albert J. Hastings, of Westfield. The chairman of the debate was E. W. Ellsworth. The speakers in rebuttal were Carter L. Goodrich and Coleman Clark. The judges were A. N. Neilson, of Plainfield, E. A. Merrill and Lloyd Thompson. Those who presented the arguments for and against Commission Government were allowed ten minutes each and in rebuttal five minutes each.

The judges decided in favor of the local Sunday school boys.

While the judges were in conference several of those in the audience made remarks on the debate and on Commission Government. Among them was Dr. S. L. Loomis, Satter S. Clark, Arthur N. Pierson, Jr., James L. Todd, Ex-Mayor, A. L. Alpers and Mr. Egbert, and Dr. C. H. Goodrich, and J. McClymont, of Plainfield.

Upon the judges returning from their conference, A. N. Neilson, the judge from Plainfield, in a short address stated that it had been a hard matter for the judges to decide who was the winner of the debate as both sides had done well but that it was the opinion of all that the Westfield representatives had had a little better of the argument.

As soon as the judges' decision was given, the meeting adjourned and nearly every one present congratulated both the representatives of the affirmative and negative side for the excellent arguments which they had put up for and against the Commission form of Government.

Prizes Presented in Domestic Science and Art. Other School News

The fourth and fifth grade pupils of the Prospect street school have been selected to accompany the veterans of the G. A. R. to Fairview cemetery tomorrow morning where they will decorate the graves of the soldiers and sailors. The pupils will meet at the Washington school at 9:30 and will go from there in stages to the cemetery.

Veterans of the G. A. R. were present at the exercises in the Washington school this morning and made addresses. The prizes which were won by the pupils in domestic science and domestic art at the recent town exhibit were also presented to the winners by Dr. J. J. Savitz.

The pupils of the eighth grade of the Washington school will entertain the mothers of the pupils at tea in the Washington school on Friday afternoon of next week from four to six.

Miss Dodd of the Emerson School in Boston was a visitor at the schools this week. Superintendents of schools Shepard, of Asbury Park, Broom's, of East Orange, and Lauder, of Passaic, were recent visitors at the schools.

GUESTS SEE MOVIES OF TOWN EXHIBIT.

The merchants of Westfield, especially those interested in the moving picture films which were taken during the Town Exhibit week, together with a few other privately invited guests witnessed the exhibition of these films at Flagg's theatre on Wednesday morning. More than 900 feet of film was shown, depicting various business and public houses of Westfield, the police department, the fire department in action, the folk dances at the Town Exhibit, the reception of Governor Fielder, the drill of the Boys Brigade and other interesting features. These pictures will be shown at Flagg's Theatre during next week where they may be seen by the public.

The merchants were enthusiastic in their response to the picture, giving noisy demonstrations, as each section of the reel was flashed upon the screen.

Before Recorder Springstead.

Before Recorder Springstead on Tuesday morning Norman Haste was fined \$5 for speeding an automobile.

HELPFUL WORDS.

From a Westfield Citizen.
Is your back lame and painful?
Does it ache especially after exertion?
Is there a soreness in the kidney region?
These symptoms suggest weak kidneys.

If so there is danger in delay. Weak kidneys get fast weaker. Give your trouble prompt attention. Doan's Kidney Pills are for weak kidneys.

Your neighbors use and recommend them.

Read this Westfield testimony. W. Wray, 205 Elmer St., Westfield, N. J., says: "I hold just as high an opinion of Doan's Kidney Pills today as I did several years ago. While I have never had occasion to take this remedy for any length of time, the amount I did use acted beneficially. Other persons of my acquaintance and also different ones of my family have taken Doan's Kidney Pills and I know that in these cases the remedy has lived up to representations. I don't hesitate one moment in making the merit of Doan's Kidney Pills known."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wray had. Foster-Milburn Co., Props., Buffalo, N. Y.

PET DOG BITES MAYOR IN LEG

Wound Immediately Cauterized and no Disastrous Results Anticipated

Last Friday afternoon while Mayor H. W. Evans was in the rear of the property of a neighbor on Dudley avenue he had the misfortune to be bitten by a small dog belonging to this neighbor.

The Mayor, who had arrived home early, intended to take a horse back ride and was entering the stable in the rear of a neighbor's property when he was attacked by the dog and was bitten between the ankle and knee. The dog had never showed any viciousness before and the Mayor and dog had been good friends all along. But when the Mayor this time leaned over to pet him the dog grabbed him and sank his teeth into his flesh. As soon as the Mayor realized what had happened he hurried to the office of Dr. H. C. Stueland where the wound was cauterized.

The dog has been under the surveillance of Dr. Butler ever since but up to this time has shown no signs of being affected with the rabies.

The Mayor though he has a bad wound on his leg caused by the teeth of the dog is nevertheless able to attend to his many duties. It is not thought that any serious consequences will develop from the bite and it is hoped that our genial and ever smiling Mayor will be none the worse for the treachery of his canine friend.

WOMAN'S MISSIONARY SOCIETY.

The Woman's Home Missionary Society of the First Methodist church held its May meeting yesterday afternoon at the home of Mrs. T. J. Woodring, on Elm street, and there was a large number of members present. The lesson topic of the afternoon was "Asiatic Influence" and the central thought "Foreign Mission in the Homeland."

The program included "Illustrative Incidents", by Mrs. M. T. Townley; review of chapter 5 of the text book, by Mrs. R. Crosby; a picture exercise with illustrations of the homes of the society by Mrs. Ralph Vervoort.

Miss Anna Terry gave a sketch of "The Pacific Coast." The "Let-alone Policy", a very interesting leaflet, was also read.

HOME RULE FOR IRELAND PLEASES LOCAL MAN.

Rejoicing with the millions of Irishmen in America at the passage of the Home Rule bill and restoration of Ireland's Parliament in College Green, Dublin, once more, John J. Daly, of Lenox avenue, on Tuesday sent the following cablegram to Mr. J. E. Redmond, House of Commons, London:

"A thousand heartfelt congratulations from a veteran friend in the cause, on glorious victory crowning lifelong fight."

JOHN J. DALY,
Westfield, New Jersey,
U. S. A.

Since the days when John Redmond took up the mantle of the immortal Charles Stewart Parnell, Mr. Daly has been a constant supporter, admirer and personal friend of Mr. Redmond who was elected for the city of Waterford, capital of his native county, over 25 years ago and re-elected continuously ever since.

Mr. Daly in 1892 prepared a demonstration and presented an engrossed address to Mr. Redmond in New York. Mr. Daly has met Mr. Redmond as a delegate to the United Irish League National Convention on various occasions since at Boston, Philadelphia, New York and Buffalo and after all these long years of strife and agitation he feels that at last Mr. Redmond and those who were interested with him are vindicated for the stand they took.

FORMER PASTOR SAILS.

Rev. Newton W. Cadwell a former pastor of the Presbyterian church in this town but now pastor of the Mount Olivet Presbyterian church, Atlantic City, was given an informal reception at the close of the prayer service on Wednesday night.

On Thursday Dr. and Mrs. Cadwell left for New York and tomorrow they will sail on the Olympic of the White Star Line for a three month's tour of Europe. They expect to join their son Paul Cadwell, in Paris.

Veteran Addresses Boy's League.

Last Sunday night Edward E. Townley, one of the veterans of the Civil War, spoke to the members of the Boy's League at their meeting in the chapel of the First Methodist church. There was a large gathering of the boys and they were much interested in what Mr. Townley told them about the Civil War.

Mr. Townley was in full uniform and at the close of the talk he was given three rousing cheers by the boys.

BAKERY CHANGES HANDS.

Mr. Schuarnschmidt and family will sail on the Pretoria of the Hamburg-American line on June 11, for a trip to Germany where they will remain for some time.

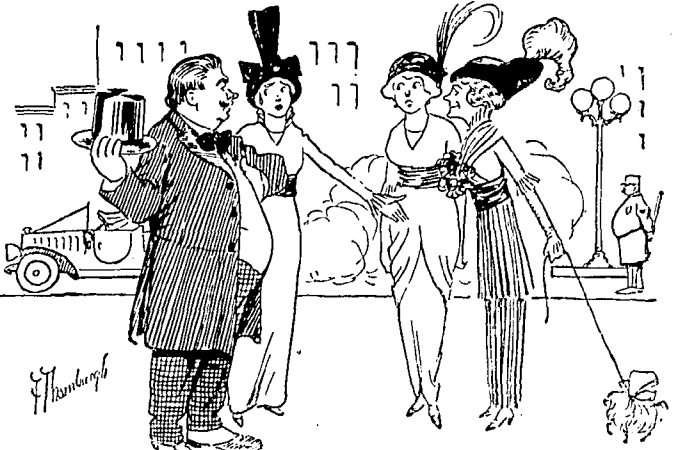

FABLES FOR THE FAIR

BY JOSEPHINE DODGE DASKAM

THE WOMAN WHO UNDERSTOOD OPERA
There was once a Woman who Thoroughly Understood and appreciated Grand Opera. She was Accustomed to Purchase a Libretto Weeks Ahead, and she Played the Score through on her Piano Before she Went to a Performance. So she always Knew What they were Singing and When it was Over. She had a Cousin who did Not Know an Oboe from a Snare-drum, nor a Tenor from a Bass. Nevertheless she Enjoyed the Opera.

One day they were Presented to a Great Tenor. The Woman who Understood Opera spoke to him as Follows:

"Do you not Think the Overture to 'Tannhauser' is a Beautiful Thing? I Adore Wagner. Don't you? But I Thought that the Brasses

ONE DAY THEY WERE PRESENTED TO A GREAT TENOR.

were a little Flat and that the Eighth Bar of Your Aria in the First Scene was a Little Hurried. Am I Right?"

"Very Probably," replied the Great Tenor. "And does your Cousin, too, Like the Opera?"

"Very much," said the Cousin. "Especially since I have learned to Distinguish between the Kinds."

"And How do you Do that?" inquired the Great Tenor, with Interest.

"Oh, there are Many Points of Difference," she replied. "In the First Place, the Women wear Flowing Robes in German Opera, but Corsets and Trains in Other Kinds. Then you Yourself wear High Boots and a Long Mantle in Italian, but Low Shoes and a Short Mantle in German."

"What you Say is True," remarked the Great Tenor, "and More than That, it is Interesting. If I had Known this Before, I should have Saved Myself much Confusion. Pray Continue."

"A Good Way to Tell is by the Chorus," said the Cousin. "In German Opera they are Differently Dressed, but in Other Kinds they all Look Alike and Put their Hands on their Hearts all Together."

"Henceforth I shall Observe the Chorus very Carefully," said the Great Tenor. "You are Evidently an Adept at This. I suppose you Rarely make a Mistake?"

"Not Often," said the Cousin, Modestly. "Although Some Things are Perplexing. They Wave their Arms About much the Same in Both Kinds, and the Heroines almost always wear Bronze Slippers with Two Straps. So sometimes, when Your Mantle is Medium Length, I have No Means of Judging."

"I am Sure that All you Need is a little More practice," said the Great Tenor, "and it would Give me Great Pleasure to Place a Chair in the Orchestra at your Disposal for Tomorrow Night, when I will See that my Mantle is Unmistakably Shortened. I should be Glad to Include your Cousin but Unfortunately I have No More Seats Left."

This teaches us that the Parquet is Not Paved with Good Intentions.

Wednesday Half Holiday.
The Standard wishes to commend the Merchants' Association for the welfare movement inaugurated several years ago and which is about to be started again this year of closing the stores of the members of the association on Wednesday afternoon of each week during the three warmest months of the season.
It is now almost a universal custom among employers to give their employees a half day holiday each week for recreation and pleasure. As it is not feasible for the retail merchants of town to permit their clerks this half holiday on Saturday, Wednesday afternoon has been selected. This movement is for the benefit of the clerks, not the employers. The public is urged to support this movement and co-operate with the stores in this welfare work.

Poison Ivy.
The Road Department, under the direction of the Board of Health, has done a service to Westfield, which we feel is especially important at this time of the year, in examining the road sides of our town for poison ivy, and where found destroying same, thereby saving passersby from the dangers which attend the growth of poison ivy near the frequented sidewalks of our town.
The carelessness of some of our property owners along our streets, in allowing poison ivy to grow on trees in vacant lots, or near the sidewalk, where many people pass same through without coming in actual contact with the ivy, is the source of much danger.
While there may not be an ordinance covering this matter, there should be. In all events, we feel like commending the Board of Health and the Road Department for their alertness in having this matter attended to before damage is done. The owners of the property, however, should prevent the growth of anything so dangerous as this near the sidewalk.

Grand Army Angry.
Members of the Grand Army of the Republic, says an exchange, cannot understand why the President should refuse to attend the Decoration Day exercises of the Grand Army at the National Cemetery at Arlington tomorrow and yet accept an invitation to the Confederate exercises at Arlington on June 4, a few days later. If there was a valid objection to the presence of the President at one event it would seem to apply equally to the other. There is nothing the President of the United States could properly say on either occasion in speaking of the nation's dead that could in the least affect our foreign relations or our affairs in Mexico, and the public is never critical of a patriotic address on a national holiday. The President's objection to speaking at the Decoration Day exercises is therefore fanciful.
The President did not attend the annual exercises at Arlington a year ago and instead went automobile. Every former President since Arlington was established as the mausoleum for the nation's dead made it a duty to be present at Decoration Day observances, a precedent which President Wilson has disregarded. The veterans of the Grand Army are angry. Is the nation indifferent?

Swat The Fly.
There are 30,000 known varieties of flies in the world. A single house fly lays 120 eggs in excrement, rotten refuse, etc. The maggots hatch in six or eight hours and the maggots become flies in five or six days. The life cycle of a fly in midsummer is ten days. So, a single fly may have 120 children, 14,400 grandchildren, 1,728,000 great grandchildren, 207,360,000 great great

grandchildren within two months. What the married ones are capable of is too serious to contemplate. The moral is, swat the fly and in the fourth generation you have swatted over 200 million of it.
The Restoration Architect.
The following editorial appeared in the New York Sun on Tuesday. It is quite proper and well to the point and many of our citizens will appreciate it just at present:
"Fourparlers are always in order; and there can be no harm in well intentioned, if premature or clumsy, attempts to bring about or begin in earnest the union of Republicans and Progressives. But a little time and patience will do more than the fussiness of many busy-bodies.
"Not even the Colonel, the Grand Cham of the Progressive party, the whole party barring a few negligible irreconcilables, needs to be invoked and supplicated and coddled.
"An indefatigable Republican reunionist is working overtime in Washington. His name is Woodrow Wilson."

A GOOD TOWN.
Here are some words from Edward K. Graham in Harper's Weekly that are in such thorough accord with the doctrines of city building advanced by this newspaper from time to time that we cannot resist reprinting them:
"We do not ask for the biggest town or the richest town, so that the people at the top can have enough money to stop work. We do ask for wisdom enough to know what the permanent and progressively good things to work for are, the civic will to work for them, and the material prosperity to put wheels under them to make them go.
"What we have learned is that it is wise to work together for a good place to live—a good town, in a good county, in a good state. And we mean by a good place to live, a place both to make a good living and to live a good life—good money, good water, good streets, good schools, good churches. A good place to live is a place to invest money and get bigger returns, and to invest life and get bigger returns.
"Whatever promotes the material welfare of the largest number of people is an essential of good government as it is of good education and of good religion. Good citizenship is not a fierce struggle in our business to take all the other fellow has and then endow a school and church for him to go to for consolation. Big men in business are more and more coming to discover the value of profit-sharing and co-operation between all factors, even in business itself; and fortunate will be that community which extends to every detail of its economic life that same doctrine of fraternal co-operation which gave us democratic government and the Christian religion."
With the city, as with the individual there can be no prosperity worth while that is not based on order, equity and a sincere devotion to the common good. A good town implies a town that is rounded out equally in all desirable phases.

Some time ago Congressman Tuttle sent one of his constituents some grass seed. Now that the grass has grown the constituent is asking the Congressman for a lawn mower.
Bill says he certainly is a Progressive.
If Colonel Roosevelt keeps on declaring that he doesn't intend to run for governor in New York next fall, we shall soon begin to believe that he is really a candidate for the office.
—State Gazette.
The colonel is getting back to his old form. That is, about seventy inches around the waist.
—State Gazette.

"FAMILY ALBUM" REPEATED.
The "Family Album" which was given by the members of the Queen Esther Circle of the First Methodist church some weeks ago, was repeated last night in the chapel of the church, before a large audience.
The album was represented by the same caste and was read by Mrs. G. Franklin Ream. In addition to the album there was a recitation by Miss Whitford Wright; a duet by Miss Estelle Webb and Miss Hamilton; and a piano solo by Miss Ruth Stauffer. At the conclusion of the album refreshments were served.

MISS FRENCH GIVES SONG RECITAL

Westfield's Young Singer Show-ered With Bouquets and Praise by Admiring Throng of Friends.

On Monday evening Miss Dorothy Elizabeth French, of Stoneleigh Park, gave a delightful song recital at the Westfield Theatre. She was presented by Dr. Ion Jackson, of New York, with whom she has been studying for the past two years.
Miss French has a beautiful clear soprano voice which increased in volume and sweetness as one number followed another. The program was made up of a variety of songs which brought out the pleasing personality of the singer and everyone was held entranced throughout the entire program.
Miss French looked most attractive in a gown of yellow messaline and shadow lace.
The large audience gave evidence that she was not unknown to the music lovers of Westfield and her wonderful work Monday night surpassed even the expectations of her most intimate friends.
Bouquets of flowers were showered upon her and after the recital she was surrounded by a host of friends and acquaintances who speak in the highest terms of the sweet young singer.
Miss French was ably assisted by Miss Abner E. Bray and Mr. Frederick Schlieder, F. A. G. O., as accompanist.

Funeral of Miss Marion Daly.

Among those in attendance at the funeral and requiem mass on Friday May 23, at St. Bernard's R. C. church, West Fourteenth street, New York City, for the repose of the soul of Miss Marion Daly, sister of John J. Daly, of Lenox avenue, were Rev. H. J. Waterson, chaplain and lecturer of Westfield Council, K. of C., George H. Riley, Grand Knight; William A. Thornton, Trustee, E. C. McMahon, Lawrence Powers, and William E. Brown.
Among the many floral tributes was a beautiful wreath from Westfield Council, No. 1711, Knights of Columbus, on which was the words "Deepest Sympathy." The tribute was greatly appreciated by Mr. Daly's family.

Miss Bachmann Entertained At Bridge.

Miss Ernestine Bachmann entertained twenty of her friends at a bridge party at her home on Park street yesterday afternoon at which prizes were won by Miss Helen Griffiths, Miss Minnie Strauch, Mrs. John Spalekhafer and Mrs. O. Arnold.
The party was given by Miss Bachmann in honor of her approaching marriage to Leslie Cross which will take place in St. Paul's church on Wednesday June 10.

MERCHANTS TO HAVE WEEKLY HALF HOLIDAY.

At a meeting of the Retail Merchants Association held in Arcanum hall on Tuesday night it was decided by the merchants that all should close their places of business on Wednesday at 1 P. M. during the months of June, July and August, with the exception of the dry goods merchants and haberdashers, who will close on the same day, at the same hour but during July and August only.
On July 1, which falls on Wednesday, the merchants will remain open in the afternoon owing to the fact that it will be so near the Fourth of July, which falls on Saturday, on which day they will close all day as they will on Memorial Day, tomorrow.

GOLF CLUB STARTS NIGHT TENNIS

Large Gallery Praises Innovation,
First of Its Kind in State.

The opening of the night tennis courts of the Westfield Golf Club last Friday night was witnessed by a gallery of nearly two hundred persons and proved to be an unqualified success. There were also a large number of automobile parties present when the lights were turned on for the exhibition match between E. S. H. Pendergrast and H. McKay Glassbrook, of the Elizabeth Country Club, against H. C. Cochran and A. Beers, of the Plainfield Country Club. The Plainfield team proved to the satisfaction of all that they could play by electric light as well as by day light and won the match in straight sets 6-1, 6-1, 6-2.

Miss Hazel Gardner and R. Gomes played one set against Mr. and Mrs. S. W. McAneny and came out winners. The courts were then thrown open to the club members and games were played until 11 o'clock.

Those present were loud in their praise of the innovation as nothing of the kind has ever been seen before in the State.

After the games dancing was enjoyed and a collation was served under the direction of Mrs. F. C. White and her associates from the ladies committee.

For next month a night handicap tournament is being arranged by the tennis committee. Forty entries have already been received for the Golf tournament which will begin tomorrow.

The big holiday event will be a men's doubles which is scheduled to start in the morning at ten o'clock. In the evening an informal dance will be the attraction.

GOLF LINKS IN EXCELLENT CONDITION

Many Events Scheduled for Season.
Special Event for Tomorrow

The golf links of the Westfield Golf Club have never been in better condition than they are at the present time and the Greens Committee deserve great credit for their excellent condition. Many of the members of the club and friends went over the course on Saturday. The first place in the Saturday sweepstake event was won by C. T. Revere; T. Fuhl was second and L. G. Dietz and G. C. Abernethy tied for third.

The handicap committee is busily engaged on the events for the season and expect to complete its work this week.

The ladies will have two events this year as well as the monthly medal

play. Dr. R. R. Sinclair has presented a cup to the ladies to be played for by active members only as a handicap event and must be won twice by a contestant to become permanent property.

The event for tomorrow (Decorative Day) is a four ball foursome handicap awards for lowest net and gross score. Play will begin at 8:30 A. M. In the afternoon the qualifying round for the club championship, which is a scratch event, will be started at 12 o'clock. Awards will be given for lowest score. The following rounds will be played next month: June 6—First Round Club Championship. June 13—Second Round Club Championship. June 20—Semi-finals club championship. June 27—Final, club championship. Club Championship gold medal to winner; silver medal to runner up.

INTERSCHOLASTIC TRACK MEET AT PINGRY,

Tomorrow afternoon the Westfield High School track team will compete in the Union County Championships at Pingry Oval. Everything points toward this being one of the best meets of the year.

Runyon of Plainfield High is good for over eleven feet in the pole-vault and there are quite a few men in the county who can do 5 ft. 6, or better in the high jumps. In the broad there are some of the best jumpers in the vicinity. Coleman Clark of the local school is always sure of over 20 feet, while Randall and Taylor come pretty near the mark. Three local men are entered in the shot-put which promises to be close.

Many fast sprinters are entered and county records are endangered, especially in the 220 and quarter. The half and mile events have large entry lists and should be interesting.

Medals are to be given for first, second and third with a cup for point-winner and winner of the relay. Ten schools have entered teams, besides several individual entries. Roselle, Plainfield, Somerville, Rahway, Bloomfield, Summit, Cranford, Battin and Westfield High Schools and Pingry Prep. are to be represented by full teams.

The local entries are:
100 yard Junior—L. Clark; 100 yard Senior—C. Clark, P. Taylor.
220 yard—C. Clark, P. Taylor.
440 yard—C. Ewing, (Capt.), L. Clark, H. McMillan.
880 yard—R. Goltra, D. Hutson and J. Carberry.

1 mile run—R. Goltra, D. Hutson and R. Cairns.
Shot Put—P. Taylor, H. Randall and R. Poole.

Broad jump—P. Taylor, C. Clark and H. Randall.
High jump—C. Clark and H. McMillan.

Relay—Four of the following: McMillan, Taylor, Ewing, L. Clark and Carberry.

The games will start promptly at 2 o'clock and should be well attended for the local boys are going to annex both cups. Tickets may be obtained

Rutgers 1917 Breaks Westfield's Winning Streak.

A very small crowd saw the best game of the season last Saturday when the Rutgers Freshmen played at Recreation Park. In a small degree, they made up for last fall winning 4-3.

Crutenden pitched a fine game and fully deserved to win but errors gave the game to Rutgers. Crutty struck out twelve men and didn't walk a single batter. Bowen, one of the Rutgers Varsity Squad, pitched good ball for the visitors, except in the seventh when he walked Bourne with the bases full. He had all sorts of speed with good control and in addition made the home team hit the ball right into the hands of a Rutgers man.

Elmer, the first man to bat, struck out. Lest was safe on short's error and went up a base when Searr sacrificed, third to first. Bowen scored Elmer with a double to center and came in on Chambers hit after Clark had advanced him on a hit. Herbert struck out.

That lead probably lost the game for Westfield. Neither team scored again until the sixth when Bowen was safe on an error, and Clark singled. A hit by Chambers and an error by short-stop gave Rutgers their other two runs. Westfield's first tally came in the sixth. Crutenden was safe on a grounder past third. Martin and Pearsall made first on errors by short. Then Bourne walked forcing Crutenden across the plate. The other pair of tallies came in the ninth when Crutenden singled to right and scored on Martin's single to the same place. Martin scored on a passed ball.

In the seventh the high school forced two men at second on a fine play. After Crutty had worried the runners by threatening to throw without doing so, he turned quick and threw, short, touching the first man, second taking the other.

7 Tons of Silver a Month.

A widely known firm of manufacturers of cameras and photographers supplies use between six and seven tons of silver a month for making nitrate of silver. It claims to be the largest consumer of silver bullion in the United States, but the Engineering and Mining Journal expresses the opinion that some of the silversmiths or silver platers may be larger consumers even than this firm.

WESTFIELD JUNIORS DEFEAT ROSELLE

Quipp Makes Three Hits Knocking In Four Runs. Play Double-Header Tomorrow

The Westfield Juniors journeyed to Roselle last Saturday and defeated the Reliable A. C. of that place in a seven inning game. McMahon of the Juniors pitched his regular good game, fanning ten of the Roselle batsmen and allowing eight hits.

The feature of the game was the hitting of H. Quipp, who made three hits in three times at bat, knocking in four runs. In the sixth inning the Juniors found Morton for seven hits which brought four runs across the plate.

The Westfield Juniors will play a double header tomorrow. The batteries will be McMahon, Moffett and Keppler.

WESTFIELD DEFEATS TEAM FROM PLAINFIELD

Having taken two football games from Plainfield and having lost two basketball games, it was up to Westfield High to take baseball and so take the majority. This they did last Monday at Plainfield, vanquishing the Plainfield nine; 10-4. As a matter of fact, it seemed to be more the Plainfield ten. The umpiring could not have been worse. Three different times Westfield was robbed of runs and several times Plainfield was handed runs through the courtesy of the umpire.

Westfield started off strong, the first three men up being safe but Rahb was called out on a close decision at home. Pat Gilmarin struck out, and Crutenden fled to first. An error, a hit, and a hit batsman gave Plainfield two runs in the second. Westfield tallied twice in the fourth, Taylor being safe on a hit to right and scoring on Crutenden's single. Pearsall scored Crutenden with a double which would have been a triple had he slid into third.

Smilek, who gave three runs to Plainfield, made his second contribution in the fourth. Three hits and two errors gave Westfield three runs in the sixth, while Plainfield made one on a hit and an error. A base on balls, an error and two hits gave Westfield two in the seventh. A triple followed by a double added another run in the eighth, and two more came in the ninth on two errors and a single. Taylor and W. Gilmarin each found the Plainfield pitchers for three hits and two runs out of five times at bat.

ONE LOSS, ONE WIN FOR W. A. A.

The W. A. A. and the W. A. C. crossed bats on the Stoneleigh Park grounds last Saturday and the former team was treated to a coat of whitewash by their opponents, the score being 16 to 0. This was the first game the W. A. A. has lost so far this season. The batteries for the W. A. A. were Lawrence Crutenden and Howard Walsh; and for the W. A. C., John Clark and Alexander McGwire. On Tuesday afternoon the W. A. A. played a game with the P. C. Club and the W. A. A. was a winner by the score of 15 to 4. The batteries were—for the W. A. A., Clifford Roy, and Howard Walsh; for the P. C., Russell Morgan and Russell Welch.

Terrace Park Tennis Club.

The Terrace Park Tennis Club have had their courts put in the pink of condition and many of the members gave them a tryout last Saturday. The club now has a membership of twenty six and it is expected that there will be more activity this year than last.

The Ranking Committee are arranging for inter-club matches. At a recent meeting of the club the following officers were elected for the ensuing year: President, George Delatour; vice-president, George McClintock; treasurer, Lloyd Meyer; secretary, George Cornell.

Tomorrow every member of the club is urged to compete in the games to decide what ranking handicap will be given the members in this season's tournaments.

MRS. W. W. LAKE

Tells Others How to Get Strong and Well.

Mrs. W. W. Lake of Aberdeen, Miss., says: "The grippe had left me in a weak, run-down condition from which I suffered for some time. I tried different remedies but nothing seemed to do me any good until I took Vinol, from which I received great benefit. My cough is almost entirely gone and I am strong and well again, and I am glad to recommend Vinol to others who suffer as I did."

Mrs. Lake's recovery was due to the combined action of the medicinal elements extracted from cod's livers—combined with the blood making and strength creating properties of tonic iron, which are contained in Vinol, and her cough disappeared as a natural result.

We guarantee that Vinol will do all we claim and will pay back your money if Vinol does not satisfy you.

Flirtation Turn In the Hesitation

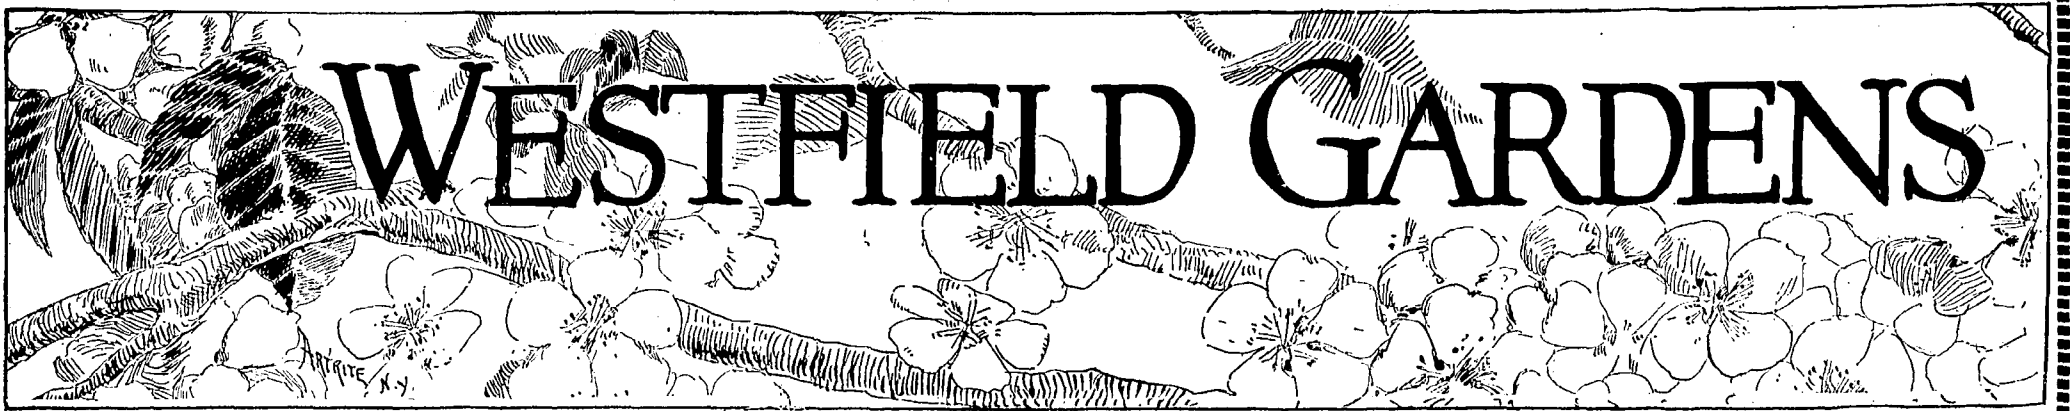

Posed by Miss Janet McIlwaine and Mr. J. J. White.

A CHARMING position from the hesitation. It is merely a series of reversals from the same basic position. Care must be taken to stand gracefully while doing the turn. Do not whirl while doing this. It is a slow and stately measure in time with the waltz. A great many dancers have a tendency to too in badly when doing this step. It throws one off their balance and ruins all possibilities of gracefulness. The beginner should guard against it continually.
