VOL. XXIX. NO. 49 WESTFIELD, UNION COUNTY, N. J., FRIDAY, JUNE 5, 1914. PRICE 2 CENTS

"SPIRIT OF WESTON"

Crowded House Convulsed With
Laughter by Comedy Cleverly
Produced by Amateurs

Last Monday evening the Knights of the Holy Grail of the Presbyterian Church gave a three act college comedy, "The Spirit of Weston", at the Playhouse. Practically every seat in the house was filled and after the first act all the rest of the building was filled with laughter.

The story is laid in Weston College, a co-ed institution in Pennsylvania during the football season. Among the students are Grant and Robert Hayden whose father has failed in business. The elder brother Grant, who is the star man on the eleven and also a clever sculptor, undertakes to support his brother and himself through the remainder of their college course without letting his brother know of his father's failure. To do this he enters a competition to design and model a statue suitable to be placed on the grounds of the capitol of Arizona, representing the spirit of the West. This work of course keeps him from playing football which makes the College body "sore" since they believe that he is staying away from football only from selfishness. Through the jealousy of the man who is playing his position on the team, the statue is ruined just after Grant tells the coach that he will now be able to play. With the aid of an Indian girl student he rushes the completion of a new figure which wins the prize. Just before the arrival of the telegram announcing that he has won the prize, Grant takes the place of an injured half-back and wins the big game for Weston.

Julius Brooks, otherwise Horatio Miller, took the part of the heavy-weight leader of the Glee Club in a manner that had the audience going from beginning to end. His curtain speech between the second and third act in which he presented Mr. Springfield, the coach, with a cane was particularly fine. Stanley Reese played the hero, Grant Hayden, with good expression, especially in the scene when the statue was destroyed. Raymond Coddington took the part of the younger brother in a very acceptable manner. Harold Stevens, under the alias of Alfred Wolfe, was a villainous villain, and did a hard part in a perfectly natural way. Raymond Tice was a rough-neck coach of the Weston eleven and looked the part. Henry Sumner, Geo. Cook, who was one of the younger professors, looked learned enough for a whole faculty.

Miss Elizabeth Johnston, who had the part of an Indian girl student, was the leading lady of the cast. She was particularly good in the tableau at the end of act two. Katherine Arndt and Hazel Marsh were the twins, Miss Marsh being Miss Arndt's echo. Of course some one had to be engaged to the hero, so at the end Hayden proposed to Rena Mayard whose real name is Marion Tice and was accepted. Lulu Taylor was the Dean's old maid assistant and kept Brooks worried by "jumping on him for everything" when he tried to make love to Margery Carson, Miriam Gordon.

The show was produced under the direction of Miss Beatrix Budell and Mr. C. A. Springstead. W. D. Reese was stage manager, E. W. Wittke had charge of the properties and A. B. Willoughby was business manager. Mr. Charles Taylor and Miss Frances Polce were the make-up artists or as Miller put it, had charge of the art department.

PLAINFIELD TEAM HERE TOMORROW

A Good Game Expected and
Cubs Will Present a Formid-
able Line Up

Plainfield, champions of the Central New Jersey League, will try and take the first fall out of Manager MacDonald's Westfield team at Recreation Park, on June 6th. The fans will see Hank Mathewson, a brother of Christy Mathewson in the box for Plainfield, while Cowporthwaite will work on the mound against him.

The lineup will be—

FINAL MEETING OF MISSIONARY SOCIETY

The Woman's Missionary Society of the Presbyterian church held its last meeting of the season in the parish house yesterday afternoon. Owing to the inclement weather there was a small attendance. The subjects discussed were "Alaska" and "Korea". Mrs. M. B. Dutcher read a paper on the former subject. Miss Ethel Irving read a letter from Mrs. Curcio who is the missionary of the church in Korea. Miss Harriet Williams read a letter from Miss Helm who is the church missionary in India.

Mrs. W. L. Stearns was selected as delegate to attend the summer school at Northfield, Mass. July 9.

The Society will meet again in October.

"THE HOLY CITY"

To be Sung at Presbyterian Church
Sunday Evening

The hour of evening worship at the Presbyterian Church has been changed to 8 o'clock for the summer months. Next Sunday evening Gail's beautiful and well known composition, "The Holy City", will be sung under the leadership of the new director, Mr. Williams St. John, until recently tenor soloist at the First Congregational Church of Montclair, and a musician of ability and wide experience.

The choir has been preparing diligently to give this work, and a helpful and satisfying service is assured. The soloists, Miss Forsyth, soprano, Mrs. A. B. Rowland, contralto, Mr. Williams St. John, tenor, and Mr. E. E. Unglaub, bass, will be assisted by the volunteer chorus—the Misses Cato, Crist, Elda Fink, Williams, Witke, Julia Fink, Johnston, Meyer, Taylor and Tice, and Messrs. Reger, Harris, McLean and Witke.

The membership of the chorus is being enlarged and applications are invited from those not elsewhere engaged who may be desirous of participating in musical service and gaining the advantage of the training and knowledge of some of the finer forms of Church music.

SUCCESSFUL FESTIVAL FOR CHILDREN'S HOME.

The annual May Festival of the Children's Country Home which was held at the Home on Memorial Day afternoon was more successful than in many years past. The ladies who had charge of the affair were kept busy during the afternoon taking care of the visitors.

The auto truck which was used as a means of transporting the people to and from the Home proved to be an attractive feature and many people attended the festival just for the sake of getting the novel ride. As a result of the festival a neat sum was realized for the Home.

PRIZES AWARDED IN MUSICAL CONTEST.

Last Friday afternoon the fourth, fifth and sixth grades of the McKinley, Grant, Lincoln and Prospect schools competed for prizes in the musical contest in the assembly room of the Washington school. In the fourth grades the Prospect school was first; in the fifth grades Lincoln was first and Grant school led in the sixth grade. The prizes were presented by Mrs. H. W. Evans president of the Woman's Club.

In the evening the girls and boys of the schools competed in the prize song contest. From the fifth and sixth grades Miss Ruth Collins received the first prize. From the seventh and eighth grades Miss Madeline Willoughby received the prize. Among the boys of the fourth, fifth and sixth grades, Stanley Jones was awarded the first prize and from the seventh and eighth grades Harry Stahlberg was considered the best.

TEACHING ENGLISH TO ITALIAN MOTHERS.

The last meeting of the season of the Social Service Committee for work among the aliens in this town was held on Wednesday afternoon in the chapel of the First M. E. church, at which time it was decided to continue the teaching of English to Italian mothers for another month.

Forty-six women are now being taught and twenty more are anxious to join the classes. These new applicants will be cared for in the fall when the society resumes its work in September.

Last Sermon of Series.

At the Methodist Church next Sunday night the pastor, Rev. G. Franklin Reim, will deliver the last of the series of addresses on "Life's Messages from Great Books".

The subject of the closing address will be "Jean Val Jean and the Underworld of Paris." There will be special music by the choir and an organ recital will precede the service.

CHILDREN TO RECEIVE FIRST COMMUNION

At Special Mass to Be Held in
Holy Trinity Church on Sunday
Morning.

In addition to the regular three Masses next Sunday, there will be a special Mass at 8:15 at which 42 children will receive their first Holy Communion.

Preparing for the past two months, with special instructions, these children will realize their joyous anticipation Sunday.

The children are as follows: Aileen Allen, Beatrice Gottlieb, Catharine Gaynor, May Rochford, Edith Vanderbilt, Helen O'Donnell, Margaret Lynch, Cecelia Fenton, Helen Schwenfuth, Ruth Roy, Dorothy Roy, Helen Riley, Alice Keny, Norah Hannon, Catharine O'Connor, Helen Reilly, Frances Dittus, Lena Capponetti, Lillian O'Neil, Catharine Sasenser, Helen Murray, Margaret Moser, James O'Donnell, David Mills, Edw. Gottlieb, Harvey Phelps, James Siler, Edw. Reilly, Donald Date, Douglas Date, Geo. Gaynor, Elliott Brady, Abram Short, Frank Carroll, Timothy Kelly, Robt. Selbenmorgen, Wm. Willoughby, Ralph Maratti, Virgil Burdick, Patrick O'Neil, Lewis Dugli and George Murray.

CROWNING THE VIRGIN

Beautiful and Impressive Ceremony in
Holy Trinity Church Last Sunday

Last Sunday evening witnessed the beautiful and impressive ceremony in Holy Trinity Church of the Crowning of the Blessed Virgin Mary.

Miss Alice C. Roy, organist of Junior Choir, presided at the organ and the Junior Choir, 35 in number marched through the aisles singing appropriate hymns, making an offering of roses as they passed the statue of the Blessed Virgin.

The choir was preceded by the Altar Boys and twelve small girls, all combined making a very pretty scene as they marched through the aisles of the church.

A crown of roses, carried on a silver tray, was presented to the Rector, Rev. H. J. Watterson, who at the appropriate time, placed the crown on the statue, while the children sang "Mary, We Crown Thee." An act of consecration was then recited and a very eloquent and touching sermon delivered by Father Watterson on the characteristics of a true mother. Benediction of the Blessed Sacrament closed the devotions.

Funeral of Anson F. Grant.

The funeral of Anson F. Grant, who died last Friday morning, was held from the Grant home on Westfield avenue, on Sunday afternoon. The service was conducted by Rev. Dr. S. L. Loomis, of the Congregational church. Dr. Loomis referred to the christian life of Mr. Grant, his kindness and his long record as an official and member of the Baptist church.

There was a large attendance of relatives and friends at the funeral as well as members of Fireside Council, of which Mr. Grant was a member, and a number of the town officials. The bearers were W. A. Dempsey, J. W. Davis, G. E. Gilmore, George Dougherty and S. W. Powers, deacons and C. E. Smith, trustee of the First Baptist Church. Interment was made in Fairview cemetery and was private.

Anti-Suffrage Musicals.

A musicale will be given next Monday evening at the residence of Mrs. F. Southmayd, on Clark street, under the auspices of the Woman's Anti-Suffrage League. The program will consist of instrumental and vocal music.

The orchestra will be composed of the following: Miss Doris Suttels, Messrs. A. Mosher and J. Suttels, violin; Mr. O. King, cello; Mr. G. Naylor, French horn; Mr. W. Sampson, flute; Mr. B. Harold, Miss E. McClintock, Miss H. Whitten, Accompanists.

CHILDREN'S HOME OPEN FOR SEASON

The Children's Country Home opened its work for this season on Wednesday with the arrival of twenty-six children from New York and Newark.

They have come from the New York Orthopaedic Hospital for Children, the Hospital for Ruptured and Crippled Children in New York and from the Home for Crippled Children in Newark.

Under the inspiration of the address given at the last annual meeting of the Children's Country Home Association by Dr. Hibbs, orthopaedic surgeon of New York, and by a recent visit to the New York Orthopaedic Hospital, the managers have decided to more carefully specialize the work than formerly. The child of eight or ten years of age with the hump-back or crooked spine may thoroughly enjoy the summer spent in the Westfield Home and the general health may be improved, but the younger child, with the beginning of tubercular joint disease, if then received, can be cured and prevented from becoming a burden to itself and to society.

Children now at the Home are of this particular class, in the early stage of tubercular joints, who have every prospect of receiving permanent and lasting good in our beautiful home, provided that the care and attention given may be continuous. To this all the physicians agree; the Home with all its splendid plant and equipment ought to be open all the year, rather than for the short season of four months.

Better, they say, do greater good work for fewer children in the year than a lesser good for a larger number in the third of that time. But it all costs, and the generous people of Westfield must determine which shall be the plan to be carried out. Let none be frightened by the word "tubercular," there is no danger of infection from a diseased tubercular joint, only as the lungs are affected is tuberculosis a menace. Dr. Hibbs is willing to send an assistant out from the hospital at any time when needed, but he assures the managers that the children sent out by him will need no special care.

May the response of the good people of Westfield to solicitations of the managers for contributions for the support and enlarged usefulness of the Home be prompt and generous.

The managers of the Home are the only authorized committee to solicit contributions and these ladies, whose names follow, hope to call in their several districts before the 15th of this month: Mrs. H. W. Evans, Mrs. A. McL. Rowland, Mrs. D. Stanley, Mrs. J. S. Ferris, Mrs. W. L. Day, Mrs. W. B. Andrews, Mrs. C. N. Coddling, Mrs. J. W. Davis, Mrs. D. H. Collins, Mrs. E. F. McClintock, Mrs. E. D. Floyd, Mrs. R. L. Richardson, Mrs. H. E. D. Jackson, Mrs. J. B. B. Lamb, Mrs. J. T. Wilcox, Mrs. A. E. Decker, Mrs. J. T. Wilcox, Mrs. John Platt and Miss Bridges.

ORR — HEINS.

One of the largest church weddings ever held in Cranford took place Tuesday evening at 8 o'clock in the Presbyterian church, when Miss Gertrude M. Heins, only daughter of Mayor and Mrs. John W. Heins, of Holly Street, Cranford, became the bride of School Trustee William H. Orr, of Westfield.

Following the church ceremony, a reception was held at the home of the bride's parents.

After an extended wedding trip, Mr. and Mrs. Orr will reside in their new house in Stanmore place, in Westfield.

The bridegroom is a member of the Westfield Board of Education and the Westfield Town Plan and Art Commission. He is a practicing lawyer in New York City.

Additional Freight Service.

Through the efforts of the Merchants' Association and Freight Agent Barrett, the Central Railroad has consented to make a freight delivery in Westfield on Monday and Friday afternoon of each week in addition to the regular morning service.

To The Standard:

Gentlemen—Last Friday I received The Standard delivered to me by mail containing an account of a fire on Walnut Street just one hour and a half after the fire alarm had sounded.

This certainly speaks well for the progressiveness of the Standard and the efficiency of our mail service. I wish to compliment you on the snappy and newsy sheet you are putting out.

Sincerely yours,
Mrs. Florence L. Decker.

NEW HIGH SCHOOL TO COST \$90,000

Breaking of Ground to be Observed With Fitting Ceremonies

SEVERAL SPEAKERS ENGAGED

The Building and Grounds Committee of the Board of Education played a very important part at the meeting of the Board in the Washington school on Monday.

During the evening the committee took two recesses which were of considerable length and finally presented three resolutions which, after some discussion among the members of the Board were adopted. The resolutions as adopted empowered the building committee to engage Henry C. Pelton, of New York City, as architect, subject to the approval of the town attorney and in compliance with the program as drawn. The second resolution was to arrange contracts subject to the approval of the Board and the town attorney for the completion of the building at a cost not to exceed \$90,000. The third resolution provided for the letting of three contracts.

A suggestion was made by President Dempsey that a fitting celebration be held when ground was broken for the new school building. This was laid over until the next meeting.

The contract for supplying the various schools with coal for the ensuing year was awarded to J. S. Irving & Company. This company was the lowest bidder.

Mr. Dennis of the supply committee was empowered to have an iron standard erected at the spring on the promise of the town council to maintain a light there. Mr. Moser reported that the medicine cabinets had arrived. A new set of rules governing the athletic association, the number of games of various kinds to be played during the school year and with whom to be played, was introduced by Mr. Moser and adopted.

The resignation of Miss Laura E. Barkhull, a teacher in the Lincoln school kindergarten, was received and accepted. On the recommendation of Mr. Davis, of the teachers committee, the following teachers were engaged for the ensuing year: Miss J. Dodd, grammar department; Miss E. M. Latend, high school; Miss Grace Putnam, physical culture; Miss Edith M. Hartcastle, primary; Miss Mary V. Boncatt, grammar department and Miss Grace H. Betts, kindergarten.

Mark A. Webster was re-appointed a teacher in the commercial department as well as district clerk for the year beginning July 1.

The Universal Audit Company were engaged to audit the books of the custodian of school money at a cost not to exceed \$100. It was decided to re-open the schools for the fall term on Tuesday, September 8.

The request of the Parent-Teachers Association of the McKinley school to have a cannon placed on the school grounds was brought up by Mr. Grape and he recommended that the permission be granted. The recommendation was seconded by Mr. Moser. Mr. Davis stated that a similar permission had been refused by a Board of Education six years ago at which time a cannon had been procured for the Washington school and he thought that the sentiment of the public should be secured by the Board before the permission was given. On the motion of Mr. Dennis the matter was laid on the table by a vote of five to three, Messrs. Grape, Cutler and Moser voting in the negative.

KNIGHTS OF HOLY GRAIL NOT TO REPEAT PLAY

The members of the Knight's Degree of the Holy Grail Society of the Presbyterian church held a meeting in the parish house last night which was presided over by Commander Stanley Reese.

It was decided not to repeat the play "The Spirit of Weston", which was given in the Playhouse on Monday night.

A tennis tournament between the members of the Knights for a cup will begin on the courts of the Society tomorrow afternoon. Later in the season there will be a tournament between the Knights and Princess.

On Friday night of next week the semi-annual convocation of the Society will be held, at which candidates will be initiated and other business transacted.

Eliza Woodhull Ransom.

Eliza Woodhull Ransom, wife of the late Stephen Billings Ransom, formerly of this town, died at the home of her daughter, Mrs. Henry Baker, at Ashbury Park, on Tuesday morning. She was 83 years old. The funeral services were held yesterday afternoon at her late home in Ashbury Park. Mrs. Ransom was a sister of the late Mrs. Newton Hoffman, of Westfield, and was the last surviving of three sisters.

NO MOSQUITOES FOR WESTFIELD

Local War Being Waged on These
Pests to Result in Mosquitoless
Town This Summer

In previous years Westfield has always had more or less mosquitoes by this time of the year, but so far there have been no complaints of any trouble by the residents of this town. The Union County Mosquito Extermination Commission deserves considerable credit for the favorable conditions which have resulted this summer so far in the elimination of mosquitoes. The Commission has been able to head off every local breeding place for the house mosquito, the kind that troubles indoors at night, so that there has been no complaint in any portion of the town of this disturber of summer slumbers.

Beginning next Monday, Spencer D. Embree, of Clark street, who as the inspector of this district last year, will join the forces of the Commission and with his knowledge of the local places in Westfield, he will be able to control all breeding during the summer time. Inspector J. W. Knox Clark has already visited all premises in Westfield and has eliminated most of the backyard breeding places, such as barrels, tubs, open cesspools, pans, etc. He is now engaged in checking up the results of his first inspection, by visiting all the places where nuisances were found earlier in the season.

Residents of Westfield have aided considerably in freeing their premises of stagnant pools and ponds during the spring. Altogether they have been 89 ponds, swamps, and pools of various kinds drained or filled in during the last two months in and around Westfield, according to the report of Chief Inspector Russell W. Gies. On the property of Mr. Leigh M. Pearsall alone, 43 ponds have been drained, most of those being located along upper Prospect street and Lawrence avenue. Mr. Pearsall is paying for most of this work himself, as are most of the property owners who have had drainage work done. On the property of the Presbyterian Church Society on Prospect Street, 16 ponds have been drained. There have also been 8 ponds in the vicinity of Woodland avenue and Broad street, on the Scudder, Miller and Tipping properties, the pond on the Cranford Golf Links near Germantown, and ponds on Sinclair Place near Lawrence Avenue, either drained or filled in during the past few weeks. The latter places have been filled in under the direction of Town Engineer Vars, who has dumped the material from the Street Paving work into these low places.

Mr. Vars is also co-operating with the Union County Mosquito Extermination Commission in the drainage of the woodland pools located in the center of Westfield, between Dudley Avenue and North Avenue, work on the drainage of which is expected to start in the near future. The drainage of Turkey Swamp in the northwestern part of Westfield is now under way, with a gang of 9 laborers under the direction of Mr. Clark.

All of this work is permanent work which will not have to be repeated in future years, the only work necessary is the keeping open of the drains which have been cut. Some of these places were not bad breeding places, but they were apt to become so at any time, and by the elimination of so much stagnant water before they become really bad places, due to pollution of sewage and refuse, a considerable source of future trouble has already been eliminated.

The Board of Health is aiding the work of the Mosquito Commission in having a number of open cesspools and cisterns throughout Westfield properly covered, and compelling property owners where no adequate cesspool facilities were found, to put in such cesspools to prevent mosquito breeding in the open drains which lead from the houses. The residents of Westfield co-operate splendidly with the work of the Mosquito Commission in keeping their own premises free of stagnant water. Rain barrels and cisterns where it is necessary to keep standing water, should be thoroughly covered up and should regularly once a week, and in cans and other places where water might accumulate, should be buried.

The inspectors as they come from house to house, will be glad to offer any suggestions for reducing mosquitoes at any time, and will gladly welcome any complaints of annoyance from these pests.

LIBRARY TRUSTEES MEET.

The trustees of the Free Public Library held a meeting at the library last night. It was decided to put the assistant librarian, Miss Josephine Teller, on full time which will make thirty hours she will be at the library. Her salary is also increased. Several bills were ordered paid. The report of the librarian, Mrs. Barr, showed the library to be in a flourishing condition. President Clark presided and all the trustees were present except C. A. Springstead.

Grant Parent-Teachers Hold Final Meeting.

The last meeting of the Parent-Teachers Association of the Grant school was held in the assembly room of that school building on Monday afternoon. There were about twenty-five members present. The meeting was presided over by D. Ralph Stary, principal of the school. The first vice-president of the association, the standing committee of the coming year were elected as follows: Membership, Mrs. D. J. Martin, Jr., chairman; social, Mrs. W. J. Lee, chairman; program, Mrs. David Conner, chairman. Mrs. A. A. Moser was appointed a committee of one to secure dishes and table cloths for use of the association at its social gatherings.

Following the business meeting a social hour was enjoyed. The Association was organized one year ago and now has sixty members. A campaign for new members will be started in the fall. The next meeting of the Association will be held on October 5th.

ALUMNI REUNION.

The twenty-sixth annual meeting of the Alumni Association of the New Jersey State Normal and Model Schools will be held at the Hotel House, Trenton, on June 29, beginning at 12 M. A reception and business meeting will be held in the afternoon.

A program of music and short addresses will follow the business given in the morning. The theme of the address will be the chief part.

JUNE SUPPER.

The June supper of the Ladies Sewing Society of the Presbyterian church will be held in the parish house on Thursday evening, June 11, at 6:30 P. M.

The members of the Society hope that the members of the church and their friends will keep this date in mind and attend the supper which is usual promises to be excellent.

BOY SCOUTS MEET.

The Boy Scouts held a meeting in the parlors of the Baptist church last night, which was attended by a large number of those interested in the organization of the scouts in this town.

Instruction was given in the requirements of the tenderfoot in the tying of knots and learning the scout oath and law. Five new members were added to the roll making 45 in all. The boys present were divided into five patrols and an officer of the scouts was in charge of each.

Another meeting will be held next Thursday night.

"FATHER'S NIGHT."

At the Boys Meeting of the First Methodist church next Sunday night every boy between the ages of 8 and 18 are requested to bring "Father" with them as it is to be "Father's Night."

The principal speaker at the meeting will be E. J. Johnson and his subject will be "Chumming" or the relation between father and son.

How's This?

We offer One Dose of Catarrh Cure for every case of Catarrh that cannot be cured by Hall's Catarrh Cure.

W. L. CHENEY & CO., T. J. O'NEIL, O.

We are a family of four. I am E. J. O'Neil, 15 years, and believe in Catarrh Cure. It is the best medicine I have ever used. It is the only one that cures Catarrh. It is the only one that cures Catarrh. It is the only one that cures Catarrh.

W. L. CHENEY & CO., T. J. O'NEIL, O.

Hall's Catarrh Cure is taken from the rectum, and acts upon the blood and imparts to it the power of the system. It is the only medicine that cures Catarrh. It is the only one that cures Catarrh. It is the only one that cures Catarrh.

Take Hall's Catarrh Pills for constipation.

JUNE MEETING OF BOROUGH COUNCIL

Fire Department Sends Thanks For New Hose, New Lights Needed

The Land-a-Land Society meets this afternoon in the parlors of the Baptist church.

Bracket and Engine Company held a meeting on Monday evening in Excelsior Hall.

Out of town friends visited Dr. Thelberg, at his home on Russell road, on Sunday.

Mr. and Mrs. A. R. Neilson, of Martine avenue, visited friends in Cranford on Sunday.

Mr. and Mrs. E. J. Palmer, of Tillotson road, left yesterday for a stay at Delaware Water Gap.

Miss Virginia Glover, of New York, has been visiting the Misses Palmer of Tillotson road.

Miss Maude Clyde, of Brooklyn, has been visiting Miss Theresa Lewis, of Montague avenue.

Mr. and Mrs. Emil Eckardt, of Midway avenue, spent the holiday with relatives in New York.

Local tennis players are now active and all the courts in town are the scene of lively matches.

Paul Phillips, of La Grande avenue, returned to Delaware Water Gap with the Plainfield Motor Cycle Club, on Sunday.

The Altar Guild of All Saints' Episcopal Church will hold a meeting at 10 o'clock tomorrow afternoon, in the church.

R. French Storr, of Bound Brook, has returned home after visiting his parents, Mr. and Mrs. Anna Storr, of Spot, Circle.

Mr. and Mrs. Charles Vanderkooch, of Martine avenue, have been entertaining Mrs. Vanderkooch's parents from New York.

The regular services will be observed at the Methodist church on Sunday at 10 A. M. and Sunday school at 9 P. M.

The Rev. G. H. Houghton Butler will occupy the pulpit at All Saints' Episcopal church on Sunday, which will be Trinity Sunday.

A. R. Neilson, of Martine avenue, attended the funeral of his brother-in-law, Justice Willard P. Voorhees, at New Brunswick, on Wednesday.

The Ladies Aid Society of All Saints' Episcopal church held its weekly meeting at the residence of Mrs. Ribbet, Sr., on Russell road, Wednesday afternoon.

The Board of Health did not meet on Monday evening as was scheduled. The Board will hold a special meeting to elect a new secretary to succeed S. W. McAneny who resigned.

The Saturday Night Club will hold a social and card party in Fanwood Hall tomorrow evening. Mrs. Strong and Mr. and Mrs. Fred W. Cressy compose the arrangement committee.

The "eight cent" social held under the auspices of the Ladies Sewing Circle, of the Willow Grove chapel was a great success. Miss Lillian Lambert and Mrs. Philip Eberle managed the affair.

Mrs. M. Pandick, of North avenue, entertained on Decoration Day, at a house party, several friends who have just returned from abroad. Supper was served at 8:30, and the evening was spent in dancing.

The Fanwood Field Club will meet at the home of Maurice Hall, on South avenue, this evening. The baseball team will cross bats with the Newburgh Athletic Club on the home diamond at three-thirty tomorrow afternoon.

Last Friday afternoon, as Mrs. Harold Underhill, of Rockview avenue, North Plainfield, was driving her car through South avenue, Fanwood, an automobile collided with her car, damaging it considerably. The driver of the other car did not stop after the collision.

The twenty-fifth anniversary of the founding of the Epworth League was observed last Sunday evening at the Methodist church. Mr. Hoffman, of Raritan, addressed the meeting and special music was a feature of the program. Miss Katherine Clark is scheduled to lead the meeting on Sunday evening.

The June meeting of the Fanwood borough council was held on Wednesday evening in Fanwood Hall.

A letter was received from S. G. Van Hoesen, secretary of the Fanwood Fire Company, acknowledging the receipt of one hundred and fifty feet of new fire hose, and stated that the company at its last meeting had unanimously voted that thanks be extended to the donors for the same.

The committee on audit and finance reported a balance of \$2,229.77 in the borough treasury. The streets and sidewalks committee reported that the streets of the borough had been thoroughly oiled, and that other needed improvements had been made. Chairman Turner, of the lights, water and fire committee, was not present but his report was presented in writing, and stated that he had written to the Plainfield Water Company, regarding the placing of a new hydrant on Martine avenue, south of the intersection of the street with the lights on North avenue from the "S" turn to the new straight turn on that avenue, and that other needed locations be considered. It was pointed out that lights were necessary on Wiloughby avenue, North avenue near Farley, and at the junction of Forest road and Martine avenue. Chairman Norton, of the audit and finance committee reported in this connection that the appropriation for lights this year had been expended. It was suggested that perhaps the two lights on North avenue might be removed to points where they would render more efficient service, without incurring any additional expense for lights.

The following bills and claims were presented and ordered paid: Peter Service Electric Company, street lighting for month of May, \$109.65; J. A. Kelly, two automobile warning signs, \$6.00; Overseer of the Poor George Rainer, for services January first to June first, \$10.00; Peter Ritter, for carriage hire \$4.50, for cartage of fire hose from freight house, \$75.00; \$5.25; Anthony Alberts, for repairs to borough hall and police court, \$49.00; William Linden work on streets, etc. \$58.52; Fanwood Fire Company, one year's rent of the house by the council, \$45.00; Eureka Fire Hose Company, one hundred and fifty feet of fire hose, \$127.50; Marshall Logan, May salary, \$75.00.

It was reported that W. G. Britten had qualified as a member of the board of health, and that E. B. Farquhar, regretted that he would be unable to accept his nomination. The Mayor nominated Albert H. Ribbet, as a member of the board and the council confirmed the nomination. S. D. Townsend was appointed to take the place of the board of library trustees vacated by the resignation of A. D. Peelen.

Councilman Brown offered a resolution that the question of street lighting be considered, and the committee on streets and sidewalks was authorized to investigate the cost of installing same.

Tax Collector Charles H. Sheeley who was present, called the attention of the council that the borough was no longer receive revenue from the tax on bank stock, as heretofore. A new law has been passed which calls for the state receive such taxes. He estimated that Fanwood borough would lose about \$200 per annum from this source.

The question of an additional police marshal was discussed at length. Fanwood has grown considerably and the task of patrolling the streets of the borough adequately, is too big a job for one man. The present marshal is doing very good work, but he should not be expected to cover the entire borough. The matter of appointing two special marshals who shall be paid by fee, not salary, was brought up, and the committee on poor and police was authorized to investigate the matter and report at the next meeting.

Mayor Hoar, Clerk S. W. McAneny, and Councilmen, A. L. Nichols, O. Brown, Fred W. Cressy, Thomas Norton, and Augustus Sheeley were present. E. G. Turner was detained at home by illness. The meeting adjourned at 9:20 to meet again on the evening of Wednesday, July First.

The offertory at All Saints' church on Sunday will be for a new fund which will be known as "The Sear-borough Fund" which the trustees of the Widow's and Orphan's fund will manage. The trustees are to invest and reinvest the funds and use the money for general needs of the diocese. This is a distinct fund from that for the Widow's and Orphan's.

The Ladies Sewing Circle, of the Willow Grove chapel was a great success. Miss Lillian Lambert and Mrs. Philip Eberle managed the affair.

Mrs. M. Pandick, of North avenue, entertained on Decoration Day, at a house party, several friends who have just returned from abroad. Supper was served at 8:30, and the evening was spent in dancing.

The Fanwood Field Club will meet at the home of Maurice Hall, on South avenue, this evening. The baseball team will cross bats with the Newburgh Athletic Club on the home diamond at three-thirty tomorrow afternoon.

Last Friday afternoon, as Mrs. Harold Underhill, of Rockview avenue, North Plainfield, was driving her car through South avenue, Fanwood, an automobile collided with her car, damaging it considerably. The driver of the other car did not stop after the collision.

The twenty-fifth anniversary of the founding of the Epworth League was observed last Sunday evening at the Methodist church. Mr. Hoffman, of Raritan, addressed the meeting and special music was a feature of the program. Miss Katherine Clark is scheduled to lead the meeting on Sunday evening.

The June meeting of the Fanwood borough council was held on Wednesday evening in Fanwood Hall.

A letter was received from S. G. Van Hoesen, secretary of the Fanwood Fire Company, acknowledging the receipt of one hundred and fifty feet of new fire hose, and stated that the company at its last meeting had unanimously voted that thanks be extended to the donors for the same.

The committee on audit and finance reported a balance of \$2,229.77 in the borough treasury. The streets and sidewalks committee reported that the streets of the borough had been thoroughly oiled, and that other needed improvements had been made. Chairman Turner, of the lights, water and fire committee, was not present but his report was presented in writing, and stated that he had written to the Plainfield Water Company, regarding the placing of a new hydrant on Martine avenue, south of the intersection of the street with the lights on North avenue from the "S" turn to the new straight turn on that avenue, and that other needed locations be considered. It was pointed out that lights were necessary on Wiloughby avenue, North avenue near Farley, and at the junction of Forest road and Martine avenue. Chairman Norton, of the audit and finance committee reported in this connection that the appropriation for lights this year had been expended. It was suggested that perhaps the two lights on North avenue might be removed to points where they would render more efficient service, without incurring any additional expense for lights.

The following bills and claims were presented and ordered paid: Peter Service Electric Company, street lighting for month of May, \$109.65; J. A. Kelly, two automobile warning signs, \$6.00; Overseer of the Poor George Rainer, for services January first to June first, \$10.00; Peter Ritter, for carriage hire \$4.50, for cartage of fire hose from freight house, \$75.00; \$5.25; Anthony Alberts, for repairs to borough hall and police court, \$49.00; William Linden work on streets, etc. \$58.52; Fanwood Fire Company, one year's rent of the house by the council, \$45.00; Eureka Fire Hose Company, one hundred and fifty feet of fire hose, \$127.50; Marshall Logan, May salary, \$75.00.

It was reported that W. G. Britten had qualified as a member of the board of health, and that E. B. Farquhar, regretted that he would be unable to accept his nomination. The Mayor nominated Albert H. Ribbet, as a member of the board and the council confirmed the nomination. S. D. Townsend was appointed to take the place of the board of library trustees vacated by the resignation of A. D. Peelen.

Councilman Brown offered a resolution that the question of street lighting be considered, and the committee on streets and sidewalks was authorized to investigate the cost of installing same.

Tax Collector Charles H. Sheeley who was present, called the attention of the council that the borough was no longer receive revenue from the tax on bank stock, as heretofore. A new law has been passed which calls for the state receive such taxes. He estimated that Fanwood borough would lose about \$200 per annum from this source.

SCHOOL NOTES.

Dr. H. W. DeGroot, of the Cortland Normal School, New York State; Assistant Commissioner Myrick; Principal D. A. Howell, of Linden; Superintendent C. S. Marsh, of Summit; Principal Fetterly and a committee of the Board of Education of Rutherford schools were visitors at the Washington school on Monday.

Miss Edith Tabet of the Hampton, N. J. schools was a visitor at the Washington school this week.

The Phys. and the Washington school will open for the summer on Monday, July 6, under the direction of Miss Petrus, the physical culture teacher of the schools.

The schools will close for the summer vacation on June 19th.

The Parent-Teachers Association of the McKinley school will give a party to the children of the school in the assembly room this afternoon.

The senior class are busily engaged in rehearsing their class play.

Mrs. Johnson, a teacher in the McKinley school, is out of school on account of the illness of her husband.

BITTEN BY A DOG.

Miss Ruth Morton, daughter of Mr. and Mrs. G. H. L. Morton, of Walnut street, was bitten on the arm by a dog belonging to D. S. Burns, of Kimball avenue, Saturday afternoon.

Miss Morton had been visiting at the home of a friend next door to the Burns' home and on passing the house on her way home the dog rushed out and grabbed her by the arm, sinking its teeth into the flesh just above the wrist. She hurried home and from there to the office of Dr. R. R. Sinclair where the bite was cauterized.

She is now doing nicely and no serious outcome is looked for. Mr. Morton notified the police and they went to the home of Mr. Burns and ordered him to tie the dog up.

Queen Esther Circle

Elects Officers.

At the meeting of the Queen Esther Circle of the First Methodist church held at the home of Miss Edith Jones, on Prospect street, Monday night, the following officers were elected for the ensuing year: President, Miss Marion Ferris; First Vice-President, Miss Edith Jones; Second Vice-President, Miss Miriam Warner; Secretary, Mrs. Walter Seager; Treasurer, Miss Florence Taylor; Miss Box Secretary, Miss Mae Ferris.

After the election of officers and other business of the Circle had been transacted a social hour was enjoyed and refreshments served.

STEADFAST CONFIDENCE

The Following Statement Should
Form Conclusive Proof of Merit
To Every Westfield Reader.

Could stronger proof of the merit of any product be desired than the statements of grateful endorser who say their confidence has been undiminished by lapse of time. These are the words of statements that are appearing in your local papers for Don's Kidney Pills. They are twice-told and confirmed with new enthusiasm. Can any reader doubt the following? It's from a resident of Elizabeth.

Mrs. Robert Irvine, 1111 E. Grand Street, Elizabeth, N. J., says: "Backaches, headaches and a general run down condition caused by weak kidneys had been bothering me for some time. I saw Don's Kidney Pills advertised and began taking them. They were the means of stopping the trouble. I am free from backache and headaches now and all other symptoms of kidney trouble."

A LATER ENDORSEMENT.
On August 12, 1913, Mrs. Irvine was interviewed and she said: "You are just as welcome to use my endorsement of Don's Kidney Pills today as in the past. I have told my friends about Don's Kidney Pills and shall continue to do so."
Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Don's Kidney Pills—the same that Mrs. Irvine had. Foster-McBarn Co., Props., Buffalo, N. Y.

TOWN COUNCIL HOLDS BUSY SESSION

Many Ordinances Introduced. Police Chief to be Sent to International Convention

The town council at its meeting on Monday night transacted considerable business. Several objections were received to the construction of a sewer in Chestnut street from Maple street to Mountain avenue. They were referred to the road committee. No objections were received to the construction of a sewer in Chestnut street from East Broad to Maple streets and an ordinance for this improvement was passed on first reading. No objections were received to the laying of a sidewalk on Pierson street, or to the laying of a bluestone walk on the southwestern side of Union avenue, from the northwesterly end of the existing flagging in front of lands of C. H. Van Doren to Broad street and ordinances for these improvements were passed on first reading.

The council, on recommendation of Councilman Alcock of the police committee, voted to send Chief of Police O'Neill to the International Police Chief's Convention to be held in Grand Rapids, Mich., from June 14 to 19 and \$125 was voted to him for his expenses. Only one dissenting vote was registered against this recommendation and that was by Councilman Casey.

On resolution introduced by Councilman Davis, of the finance committee, the town clerk was directed to subscribe for the Magazine called "American City." This resolution was at the request of the Town Plan and Art Commission and the Play-ground Commission and the magazine will be used by the members of these commissions. Mr. Davis also introduced a resolution which was adopted, authorizing the town clerk to advertise for bids for the corporate bonds of the town which were recently issued. The bids are to be returnable on June 21. \$5,000 was ordered transferred from the unexpended balances to the town account. Improvement certificates to the amount of \$2,388.51 and \$1,742.07 were ordered issued. The last certificate was to pay the balance due Costa & Company, sewer contractors. A public hearing on the proposed improvement of Kimball avenue between Harrison and Euclid avenues, was set for Monday evening, July 6. Councilman DeCamp, of the road committee, recommended that First street and Austin street, in the Westfield Highlands be paved with cobblestones instead of with concrete in the gutters.

A communication was received from Secretary Harden, of the Board of Health, asking the council to take action to muzzle the dogs of the town as many persons had been bitten by them this spring. The communication was referred to the public safety and convenience committee.

Permission was granted the Public Service Electric Company to erect poles in Stanmore place, Pleasant place and Edgewood avenue. Upon request of the Board of Education a policeman and fireman will be on duty at all the public exercises to be held in connection with the graduating exercises of the high school.

The reports of the town officers were received as follows: Treasurer's balance, \$24,123.34; Town Engineer Vars reported that he had been eleven permits during the past month for sewers; Building Inspector Moffatt that he had issued twelve building permits amounting to \$48,350; Secretary Harden that he had issued thirty-eight permits for the Board of Health; Overseer of the Poor Fitch reported that he had a balance on hand of \$299.98; Chief of Police O'Neill reported that the police department had made 22 arrests during the month of May.

An invitation was received by the council to attend the annual exhibition drill of the Boys Brigade to be held in the Washington school tonight and the invitation was accepted.

H. B. Miller's Sons were given permission to erect a three-light standard in front of the New York Candy Kitchen on Broad street. Renewal of licenses were granted to all the local hackmen in the town.

Mayor Evans presided at the meeting and all the councilmen were present.

COD LIVER OIL AND IRON

Two Most World-Famed Tonics Combined in Vinol.

Cod Liver oil and Iron have proved to be the two most successful tonics the world has ever known—Iron for the blood and the medicinal curative elements of cod liver oil as a strength and tissue builder for body and nerves, and for the successful treatment of throat and lung troubles.

Two eminent French chemists discovered a method of separating the curative medicinal elements of the cod's livers from the oil or grease which is thrown away, but to these medicinal elements tonic iron is now added, thus combining in Vinol the two most world famed tonics.

As a body-builder and strength creator for weak, run-down people, for feeble old people, delicate children, to restore strength after sickness, and for chronic coughs, colds, bronchitis or pulmonary troubles we ask you to try Vinol with the understanding that your money will be returned if it does not help you.

P. S. For plumpers and blotches try our Saxo Salvo. We guarantee it. Frutchey Pharmacy Co.

FRIDAY, JUNE 5, 1914.

In response to a request from The Standard, Rev. G. Franklin Ream, pastor of the First Methodist Church, who has just completed his first year's pastorate in this town, has contributed the following editorial:

A Still Better Westfield.
By Rev. G. Franklin Ream

It is an excellent thing to know one's town. It is gratifying to know that there are so many reasons for which the loyal citizen may be justly proud of his town. It is altogether pleasing that that pride should make of every townsman a most enthusiastic booster. But what form shall the boosting take? Shall we become inflated in our pride over present conditions, shouting to all passers-by, "We have the Best town in Jersey" or shall we go after still greater things? The pride is pardonable and the shouting is good. But if we expend all our patriotism in the proclamation of improvements already attained, and have set nothing further before us for which to strive, we set ourselves apart from the very spirit of the men who have made the town what it now is. They were striving constantly for better things, more modern improvements, higher civic ideals, and if we would be like them we too must strive for a still better Westfield.

One of the outstanding facts in municipal improvement during the last fifty years has been that property and material things have received the chief consideration. In many a town one of the first proposals to engage public interest was a fire department for the protection of property, then came improved sidewalks, paved streets, police protection, municipal buildings, street railways, electric lights, water supply etc. And it is very natural that these physical considerations should receive first attention. It is the course of nature in all advancing civilization. But as the physical improvements have been gradually catching up with the general public demand the spirit of public interest has been slowly ascending to a high scale. Property and physical considerations have been slowly displaced from primary emphasis by human life considerations. Instead of streets and franchises the public of progressive communities are now caring most about the education of their youth, the care of human health and the fighting of preventable diseases, the better housing of the poor, the relief of the unemployed, the provision of public recreation, etc. This entire new spirit may be summed up under the name of Interest in Public Welfare.

Some cities have already incorporated Boards of Public Welfare into the regular organizations of city administration and the work which is being accomplished is a most striking object lesson to the rest of us who have not yet taken up the more modern methods of community life in a systematic way.

Here are a few of the things which public welfare boards under city administration are already doing: Providing public play grounds and tennis courts for the many who are unable to possess their own; exercising censorship over moving picture exhibitions in order to protect the young from pistol-brandishing villainy and vicious suggestions; the supervision of all places of commercial amusement such as pool rooms and dance halls and whenever possible providing more wholesome substitutes; the instituting of vacant lot gardening by which the non-productive real estate is made productive and the poor are helped into independent self assistance; the operation of a public loan office, and a public employment bureau which at certain seasons of the year are seriously needed; the provision of legal council free to those who are unable to pay for it thus saving the

poor and ignorant from the rapacity of those who would willingly profit by their inability to protect themselves; the establishment of public comfort stations near the center of business sections.

What Westfield has done in the past is worthy of our genuine praise, and the spirit which characterizes Westfield at the present will doubtless put her beside others which may be called truly modern. Our property is well cared for, our public works and improvements are good. Now let us set out on the truly noble policy of protecting and improving the lives of our community.

Why Not Now?

Not the least of the exhibits in our recent "Know Your Town" Exhibition to attract attention was the Park exhibit furnished by Mr. Tuttle under "Parks and Recreations". This exhibit showed the possibilities of development of property now owned by the Town, and it is not at all surprising that strangers expressed wonderment that a town so well equipped in every department, and so up to date as Westfield, should be content to allow property owned by it, and purchased several years ago for a park, to remain as a positive detriment to the health and beauty of the whole town.

While our neighbors wonder and charge the lack of enterprise and good sense up to the town at large, the citizens of Westfield, who have looked into this matter, wonder how it is our Council can find money for every other class of improvement even to the extending of her road system way beyond the line of definite improvement, and still allow the whole town to suffer from the conditions present on our own property, and to do without the benefits and advantages which such improvement would bring to every citizen of our town.

It is conceded by everybody that we will have a park some day, but why in the name of good sense, can we not have it now? Mr. Mayor and Council, wake up and get busy on the park problem! It will cost money. Everything worth while does; but it will be well worth it to the town and to every citizen who has to pay the taxes.

Enterprise That Counts.

The enterprise of proprietor Flagg, of the Westfield Theatre, in having moving pictures of the opening day exercises of the recent Town Exhibit, is certainly commendable. This brings afresh to our minds this interesting occasion, with the beautiful dances and exercises by the school children, the exhibition of our Fire Department, the drill of the Boys' Brigade, and the presence of our Governor in our town.

After this week's run at the theatre, these reels will go about our state, and prove not only a feature of entertainment and education to those who may see them, but will place our town in an enviable position before the other cities.

Our "Know Your Town" week, with all it has offered in opportunities for Westfield citizens to know and to love their town, will now go abroad and the whole state will know Westfield in the most commendable sort of a way.

Standardized Packages.

Congressman Tuttle has been instrumental in having passed a bill, the purpose of which is to standardize boxes, barrels, packages and all manner of containers in which vegetables and fruits are packed.

We have been won't to consider that a box is a box, whether it is a pill box or a piano box. It is only right, however, that a package should contain a certain specified number of cubic inches so that a purchaser may know just what he is to get.

Mr. Tuttle was very generously praised for his measure by the National Congress of Weights and Measures which recently met in Washington and he should receive the thanks of every citizen and householder because we have been exploited too long by unprincipled packers by their unlimited variety of measures.

Commission Government.

To those who may be interested in the study of Commission Government, either as stated by the Walsh Act or by the Manager Plan, might be interested to read the declaration made by H. W. Waite, the City Manager of Dayton, Ohio, in his speech made before the Conference of Mayors of

ASSETS OVER \$1,000,000.00

TRUSTEE

GUARDIAN

New York State on Wednesday. "H. M. Waite, City Manager of Dayton, Ohio, discussed the advantages of the commission manager form of government, warning the city officials that they should not rely too much upon it to bring about efficiency. He said that it made no difference what form of government the city might have, if the people themselves were not interested in it the government would never be a success."

This reinforces the conclusions which all thinking and sober-minded people have come to regarding commission government in any form.

It is a well known fact, proven in all ages, that the government is the product of the people under whatever form it may be found.

White House Tango.

Those who are learning the new summer dances should include the White House Tango, which, according to the latest rule, goes something after this fashion:

One step forward, hesitate.
Three steps backward, hesitate.
Two steps sideways, watch—wait.

Every school boy for the last century learned the verses about George Washington, "First in war, first in peace and first in the hearts of his countrymen", but it remains for those of the present day to learn the second stanza to this most popular ditty about our esteemed Secretary of State, "Who is last in war, last in peace, and last in the hearts of his countrymen."

Long Lifetime in Bed.

Fifty-five years in bed is probably a record in that line and is held by Miss Lacey, a spinster of seventy-five, living at Weavie, France. Although in perfect health, she went to bed when she was twenty with the avowed intention of never leaving it again, and has faithfully kept her word. She is naturally suffering from chronic cramp, but her general health is good.

Bad Effect of Moonlight.

There is scarcely any region on this globe, from the equator to the newly found continent of the arctic circle and the lately discovered south pole, where there is not a general belief in the powerful and deleterious effect of moonlight on fish, newly planted seeds and to a lesser extent on man, which is to become food, says a writer in the New York American.

Tiny English Church.

The smallest church in England at Fairfield, Romney Marsh, was visited recently by the archbishop of Canterbury. The building, an ancient one, is isolated in a meadow surrounded by water. The six painted box pews were filled with visitors. The parson preached from a high pulpit, and his head nearly touched the oak beams.

Jimmie's Conclusion.

Little folk frequently manifest unexpected powers of observation and analysis. Little Jimmie, for instance, was asked by a young lady whom he dearly loved was pretty. "She looks pretty to me," he announced, after a brief period of consideration, "but I don't s'pose she's really pretty. I notice Brother Ben don't sit by her side an awful lot when she comes here."

Centre Eyed Seal.

Seals are still numerous and are disliked by Labrador fishermen. Dr. Grenfell says that he has known a seal to haunt a net persistently that to get any fish the wner had to watch all the while at one end of it, and even then the seal would almost snap off the fisherman's hand as he tried to be first to disentangle the salmon.

Aid to Genius.

Our idea is that there ought to be at least three children in every family, so that if one of them should become a genius the other two could support him.—Galveston News.

Holy Communion at 7:30 a. m. Sunday, and on the first Sunday in the month a second celebration at Mid-day.
Morning, Prayer and Sermon at 11 A. M.
Evening Prayer at 4 P. M.

Use Oxygen for Blasting.

Experiments are being conducted in Germany to discover the usability of liquid air and liquid oxygen as explosives for mines, says the Coal Age. The liquid oxygen is mixed with aluminum powder and detonated, producing a force 2½ times that produced by black powder. One advantage that it possesses is that no bad fumes are produced.

Fashioned by Adversity.

Many a man never found himself until he lost all he had. Adversity stripped him only to discover him. Hardships and obstacles are the miller and chisel which shape strong lives into beauty. The hardships of poverty may bring out the diamond in us. We always do our best while fighting desperately and faithfully to attain what the heart covets.

Who Makes Up the Suicides.

According to Dr. Jacques Bertillon, the French statistician, suicide is commonest among liquor sellers, chimney sweeps, butchers, fruiterers and musicians. It is frequent among "camelots," shop assistants, cutlers, hatters, dressers, servants, costars, lawyers, doctors and druggists. It is rare among the clergy, government officials and men leading an active, open-air life.

Saturday Once Thought Unlucky.
Saturday takes its name from Saturn, the Roman Saturnus, and for a long time it was looked on as the unluckiest day of the week.

Good intentions are all right—they either precede good actions, or else they can be used for paving. You know the saying.

Has it ever been in your mind to take more life insurance.

Official paper for Town of Westfield.

Telephone, Westfield 271.

FRIDAY, JUNE 5, 1914.

In response to a request from The Standard, Rev. G. Franklin Ream, pastor of the First Methodist Church, who has just completed his first year's pastorate in this town, has contributed the following editorial:

A Still Better Westfield.

By Rev. G. Franklin Ream

It is an excellent thing to know one's town. It is gratifying to know that there are so many reasons for which the loyal citizen may be justly proud of his town. It is altogether pleasing that that pride should make of every townsman a most enthusiastic booster. But what form shall the boasting take? Shall we become inflated in our pride over present conditions, shouting to all passers-by, "We have the best town in Jersey" or shall we go after still greater things? The pride is pardonable and the shouting is good. But if we expend all our patriotism in the proclamation of improvements already attained, and have set nothing further before us for which to strive, we set ourselves apart from the very spirit of the men who have made the town what it now is. They were striving constantly for better things, more modern improvements, higher civic ideals, and if we would be like them we too must strive for a still better Westfield.

One of the outstanding facts in municipal improvement during the last fifty years has been that property and material things have received the chief consideration. In many a town one of the first proposals to engage public interest was a fire department for the protection of property, then came improved sidewalks, paved streets, police protection, municipal buildings, street railways, electric lights, water supply etc. And it is very natural that these physical considerations should receive first attention. It is the course of nature in all advancing civilization. But as the physical improvements have been gradually catching up with the general public demand the spirit of public interest has been slowly ascending to a high scale. Property and physical considerations have been slowly displaced from primary emphasis by human life considerations. Instead of streets and franchises the public of progressive communities are now caring most about the education of their youth, the care of human health and the fighting of preventable diseases, the better housing of the poor, the relief of the unemployed, the provision of public recreation, etc. This entire new spirit may be summed up under the name of Interest in Public Welfare.

Some cities have already incorporated Boards of Public Welfare into the regular organizations of city administration and the work which is being accomplished is a most striking object lesson to the rest of us who have not yet taken up the more modern method of community life in a co-operative way.

Here are a few of the things which public welfare boards under city administration are already doing: Providing public playgrounds and tennis courts for the many who are unable to possess their own; exercising censorship over moving picture exhibitions in order to protect the young from pistol brandishing villainy and vicious suggestions; the supervision of all places of commercial amusement such as pool rooms and dance halls and whenever possible providing more wholesome substitutes; the instituting of vacant lot gardening by which the non-productive real estate is made productive and the poor are helped into independent self assistance; the operation of a public loan office, and a public employment bureau which at certain seasons of the year are seriously needed; the provision of legal council free to those who are unable to pay for it thus saving the

poor and ignorant from the rapacity of those who would willingly profit by their inability to protect themselves; the establishment of public comfort stations near the center of business sections.

What Westfield has done in the past is worthy of our genuine praise, and the spirit which characterizes Westfield at the present will doubtless put her beside others which may be called truly modern. Our property is well cared for, our public works and improvements are good. Now let us set out on the truly noble policy of protecting and improving the lives of our community.

Why Not Now?

Not the least of the exhibits in our recent "Know Your Town" Exhibition to attract attention was the Park exhibit furnished by Mr. Tuttle under "Parks and Recreations". This exhibit showed the possibilities of development of property now owned by the Town, and it is not at all surprising that strangers expressed wonderment that a town so well equipped in every department, and so up to date as Westfield, should be content to allow property owned by it, and purchased several years ago for a park, to remain as a positive detriment to the health and beauty of the whole town.

While our neighbors wonder and chafe the lack of enterprise and good sense up to the town at large, the citizens of Westfield, who have looked into this matter, wonder how it is our Council can find money for every other class of improvement even to the extending of her road system way beyond the line of definite improvement, and still allow the whole town to suffer from the conditions present on our own property, and to do without the benefits and advantages which such improvement would bring to every citizen of our town.

It is conceded by everybody that we will have a park some day, but why in the name of good sense, can we not have it now? Mr. Mayor and Council, wake up and get busy on the park problem! It will cost money. Everything worth while does; but it will be well worth it to the town and to every citizen who has to pay the taxes.

Enterprise That Counts.

The enterprise of proprietor Flagg, of the Westfield Theatre, in having moving pictures of the opening day exercises of the recent Town Exhibit, is certainly commendable. This brings afresh to our minds this interesting occasion, with the beautiful dances and exercises by the school children, the exhibition of our Fire Department, the drill of the Boys' Brigade, and the presence of our Governor in our town.

After this week's run at the theatre, these reels will go about our state, and prove not only a feature of entertainment and education to those who may see them, but will place our town in an enviable position before the other cities.

Our "Know Your Town" week, with all it has offered in opportunities for Westfield citizens to know and to love their town, will now go abroad and the whole state will know Westfield in the most commendable sort of a way.

Standardized Packages.

Congressman Tuttle has been instrumental in having passed a bill, the purpose of which is to standardize boxes, barrels, packages and all manner of containers in which vegetables and fruits are packed.

We have been wont to consider that a box is a box—whether it is a pill box or a piano box.

It is only right, however, that a package should contain a certain specified number of cubic inches so that a purchaser may know just what he is getting.

Mr. Tuttle was very generously praised for his measure by the National Congress of Weights and Measures which recently met in Washington and he should receive the thanks of every citizen and householder because we have been exploited too long by unprincipled packers by their unlimited variety of measures.

Commission Government.

To those who may be interested in the study of Commission Government, either as stated by the Walsh Act or by the Manager Plan, might be interested to read the declaration made by H. W. Waite, the City Manager of Dayton, Ohio, in his speech made before the Conference of Mayors of

GUARDIAN

New York State on Wednesday.

"H. M. Waite, City Manager of Dayton, Ohio, discussed the advantages of the commission manager form of government, warning the city officials that they should not rely too much upon it to bring about efficiency. He said that it made no difference what form of government the city might have, if the people themselves were not interested in it the government would never be a success."

This reinforces the conclusions which all thinking and sober-minded people have come to regarding commission government in any form.

It is a well known fact, proven in all ages, that the government is the product of the people under whatever form it may be found.

White House Tango.

Those who are learning the new summer dances should include the White House Tango, which, according to the latest rule, goes something after this fashion:

One step forward, hesitate.
Three steps backward, hesitate.
Two steps sideways, watch—wait

Every school boy for the last century learned the verses about George Washington, "First in war, first in peace and first in the hearts of his countrymen", but it remains for those of the present day to learn the second stanza to this most popular ditty about our esteemed Secretary of State, "Who is last in war, last in peace, and last in the hearts of his countrymen."

Long Lifetime in Bed.

Fifty-five years in bed is probably a record in that line and is held by Miss Lacey, a spinster of seventy-five, living at Westfield. Although in perfect health, she went to bed when she was twenty with the avowed intention of never leaving it again, and has faithfully kept her word. She is naturally suffering from chronic cramp, but her general health is good.

Bad Effect of Moonlight.

There is scarcely any region on this globe, from the equator to the newly found continent of the arctic circle and the lately discovered south pole, where there is not a general belief in the powerful and deleterious effects of moonlight on fish, newly planted seeds and to a lesser extent on meat which is to become food, says a writer in the New York American.

Tiny English Church.

The smallest church in England at Fairfield, Romney Marsh, was visited recently by the archbishop of Canterbury. The building, an ancient one, is isolated in a meadow surrounded by water. The six painted box pews were filled with visitors. The parson preached from a high pulpit, and his head nearly touched the oak beams.

Jimmie's Conclusion.

Little folk frequently manifest unexpected powers of observation and analysis. Little Jimmie, for instance, was asked if a young lady whom he dearly loved was pretty. "She looks pretty to me," he announced, after a brief period of consideration, "but I don't suppose she's really pretty. I notice Brother Ben don't sit by her side an awful lot when she comes here."

Cautious Eyed Seal.

Seals are still numerous and are disliked by Labrador fishermen. Dr. Grenfell says that he has known a seal to haunt a net persistently that to get any fish the wner had to watch all the while at one end of it, and even then the seal would almost snap off the fisherman's hand as he tried to be first to disentangle the salmon.

Aid to Genius.

Our idea is that there ought to be at least three children in every family, so that if one of them should become a genius the other two could support him.—Ogleston News.

NEWS OF THE CHURCHES

Evening Prayer at 4 P. M.

Use Oxygen for Blasting.

Experiments are being conducted in Germany to discover the usability of liquid air and liquid oxygen as explosives for mines, says the Coal Age. The liquid oxygen is mixed with aluminum powder and detonated, producing a force 2½ times that produced by black powder. One advantage that it possesses is that no bad fumes are produced.

Fashioned by Adversity.

Many a man never found himself until he lost all he had. Adversity stripped him only to discover him. Hardships and obstacles are the miller and chisel which shape strong lives into beauty. The hardships of poverty may bring out the diamond in us. We always do our best while fighting desperately and faithfully to attain what the heart covets.

Who Makes Up the Suicides.

According to Dr. Jacques Burtillon, the French statistician, suicide is common among liquor sellers, chimney sweeps, butchers, fruiterers and musicians. It is frequent among "cannibals," shop assistants, cutlers, hairdressers, servants, costers, lawyers, doctors and druggists. It is rare among the clergy, government officials and men leading an active, open-air life.

Saturday Once Thought Unlucky.

Saturday takes its name from Saturn, the Roman Saturnus, and for a long time it was looked on as the unluckiest day of the week.

Good intentions are all right—they either precede good actions, or else they can be used for paving. You know the saying.

Has it ever been in your mind to take more life insurance.

BROKEN RECORDS AT GOLF CLUB

Last Saturday Will Long be Remembered For Record Play of Contestants

Last Saturday will long be remembered at the Westfield Golf Club links for broken records. New course records, the largest entry list for matches, and many tie scores were some of the events of the day. Never in the history of the club did so many take part in the four-ball foursome event as in the morning. When the last man teed off the scorer announced the number as 68.

There was much rivalry between the teams and when the cards were turned in, M. Hegeman and W. M. Townley were tied for low gross with J. B. Barr and R. S. Gales, score 170. In the afternoon play-off the former pair were victorious with 162. O. Knight and E. G. Clark captured the low net cups with 138.

In the afternoon in the qualifying round for the club championship Fred M. Hegeman broke the course record for 18 holes with a score of 74, 38 out and 36 in, and later in the afternoon did the course in 77 which was exceptional golf for one day's play.

Sixty-six were sent off in play for the qualifying round. The first sixteen to play for the championship cup were: F. M. Hegeman 74, A. E. Keller 85, R. B. Carroll 85, J. B. Barr 86, A. B. Willoughby 87, W. M. Townley 89, A. R. Whitman 89, M. Yamawaki 90, G. G. Abernathy 90, L. J. Dietz 90, C. P. West 90, A. B. Maellefert 91, W. B. Mehl 91, W. J. Willoughby 92, R. S. Gales 92, A. D. Tuttle 94.

The second string of sixteen to qualify will play for a cup offered for the first time by the club which will not only promote better golf but increase the interest in all future match plays. The second sixteen were J. M. Cunningham 94, R. M. Bennett 94, J. E. Cutler 95, F. C. White 96, J. Stewart 96, S. C. Bender 96, J. G. Raine 97, C. E. Halstead 97, W. R. Davies 97, R. O. McIntosh 97, R. T. Townley 99, W. E. Brown 99, C. T. Reeve 99, H. T. Hunting 99, T. Fokin 99, S. Ohki 99.

The first championship round will be played tomorrow as follows: M. Yamawaki vs. W. M. Townley; W. B. Mehl vs. W. J. Willoughby; A. B. Maellefert vs. R. S. Gales; L. J. Dietz vs. G. G. Abernathy; R. B. Carroll vs. A. D. Tuttle; J. B. Barr vs. C. P. West; F. M. Hegeman vs. A. E. Keller; A. R. Whitman vs. A. B. Willoughby.

The second sixteen will pair off as follows: J. M. Cunningham vs. S. C. Bender; J. E. Cutler vs. W. R. Davies; C. E. Halstead vs. R. I. Townley; R. O. McIntosh vs. W. E. Brown; R. M. Bennett vs. C. T. Reeve; H. T. Hunting vs. S. Ohki; F. C. White vs. T. Fokin; J. G. Raine vs. J. Stewart.

In the evening a large number of persons attended the informal dance held at the club house and between the dances went out to the night tennis courts and witnessed the sets which were being played there.

NICHOLAS AND STODDARD WIN TOURNAMENT

At Opening of Stanley Oval Tennis Club Last Saturday

H. C. Nicholas and E. C. Stoddard won the Decoration Day men's doubles tournament at the Stanley Oval Tennis Club last Saturday. This tournament marked the formal opening of the season for this organization.

Owing to the heavy rain which fell early in the day the singles tournament which had been planned for the morning was postponed.

Results in the doubles tournament were as follows: First round: E. Sheild and McAuslan defeated Titus and Simpson 6-2; R. Doerrier and Bunnell defeated Peirce and Ellsworth 6-3; Stoddard and Nicholas defeated Miles and Rowland 6-4. Second round: McAuslan and Rowland defeated Bunnell and Miles 12-10. Finals: Stoddard and Nicholas defeated McAuslan and Rowland 6-1. In the consolation Titus and Peirce defeated Simpson and Ellsworth 7-5.

The Grounds Committee of this Club have had the courts thoroughly resurfaced and they are in better shape this year than ever before.

The Program Committee have arranged the annual ranking tournament which will continue throughout the summer, and which proved so successful last year.

Fixed Tournaments for Fourth of July and Labor Day are also down on the program, together with inter-club matches with the El Mor Tennis Club and several of the clubs in Westfield.

Tennis Play Tomorrow At Golf Club.

The rain of last Saturday morning caused the play on the courts of the Westfield Golf Club to be postponed as the courts did not dry until late in the afternoon. They will be played off tomorrow.

To date fifty-two entries have been received for the golf tournament.

On Saturday there were close and exciting sets played on the night

courts between the hours of 9 and 11, and a large crowd enjoyed these games.

An open mixed doubles tennis tournament will be held by the Westfield Golf Club on Saturdays June 13 and 20. Play will start at 2 P. M. Prizes will be given the winners and runners up. The entrance fee will be \$2 and Wright & Ditson ball will be used. Entries will close on June 11, at 8 o'clock. Entries can be sent to Fred G. Smith, 675 Boulevard, Westfield, or by phone, 474-W Westfield, or 2880 Rector, New York.

The public is invited to the Golf Club to inspect the night tennis courts any evening. These are the first night tennis courts to be installed in the State.

JUNIOR TOURNAMENT.

The Westfield Athletic Club will hold a Junior tournament for the championship of Westfield on the W. A. C. court on June 12. Three prizes will be offered for the teams finishing first, second and third. The entrance fee will be 50 cents per team and the tournament will be open to all boys under 15. Captain Clark will have charge of the entries.

The following teams have already entered: W. A. C. team, Keegan and Townley, Lane and Buncie, Walsh and Pierson, and Swancy and Cairns.

TERRACE PARK CLUB.

The Terrace Park Club opened its courts last Saturday with a large number of the members on the field. The games played were to decide the ranking position of the members for handicapping in the season tournaments. The results were as follows:

Delatour defeated Bartlett, 6-4, 6-4.
Elliot defeated Meyer, 0-6, 6-4, 6-2.
Bettman defeated Brainerd, 7-5, 6-2.
P. Traynor defeated McClintock, 6-3, 4-6, 6-1.
Sinclair defeated F. Traynor, 7-5, 8-6.

CRUTTENDEN'S PITCHING DEFEATS PINGRY.

Last Saturday Cruttenden saved the game for Westfield at Pingry Oval, when he won by outpitching Langstaff in one of the poorest games the High School has played this year. Although the local team won 5-2, it was only Cruttenden's ability to keep Pingry from hitting which saved the game. Crutty struck out seventeen of the Pingry men, gave only two passes, and four hits while he, himself made two of Westfield's runs. Langstaff was almost as good for Pingry striking out thirteen but was more generous with his hits allowing the visitors eleven safe ones, four of which were doubles.

Westfield scored first in the fourth, when a double, a fielder's choice, a hit and an error scored Bill Gilmartin and Cruttenden. Both teams got a brace of tallies in the sixth. Westfield earning hers on a single and two doubles which scored the same men as in the fourth. Pingry was given hers on errors by second, short and third. One more came to Westfield in the ninth on two singles and an error. The run which Cruttenden scored in the sixth was the one-hundredth run scored by the High School this year.

This afternoon, Friday, the High School plays Perth Amboy and should defeat both Perth Amboy and Rahway, who they play next Wednesday, both games at Westfield, the local nine will try to arrange a game with Orange for the State Championship.

JUNIORS AGAIN VICTORS

Defeat Garwood in Exciting Game Played Before Large Crowd

The Westfield Juniors were again victorious on Decoration Day, winning a game from the Garwood Cubs. The game was a very exciting one from start to finish. It was called in the ninth inning because of the unfairness of the umpire.

The Garwoodites got their lonely run in the third, when Keppler missed one of McMahon's out-drops, but the good playing of the locals held them from further scoring.

In the fourth inning the Juniors brought four runs across the plate. They found Hessler for two passes, a single and 3 doubles. With three men on bases and two out, Ryan connected with one of Hessler's curves and landed the ball over the center-fielder's head for an easy double, scoring three men. McMahon walloped the ball in the same place scoring Ryan; Capatelli also found one to his liking and hit for a double, McMahon being called out at the plate.

There was a large crowd there watching the game. McMahon and Hessler were pitching in good form, especially McMahon who struck out twelve batsmen. Hessler fanned nine. Sylvester brought rounds of applause when he captured Quipp's liner in the eighth. The morning game was postponed until tomorrow.

FAST BATTIN TEAM LOSES TO WESTFIELD 9-2.

On Wednesday, Recreation Park was the scene of one of the best games a local team has played this year. Motley, Battin's star pitcher, who has defeated some of the best High School teams in Newark and all this vicinity was no puzzle to the High School after the second inning. Westfield touched him for nine hits, two of which were clean triples, one a good double. Pearsall pitched good ball for the home team, allowing only three hits, all of them singles. The support was good too. Taylor, whose leg was hurt jumping in the County Meet, made two errors, but these were excusable because his injury prevented much speed.

Martin made the High School's other error when he muffed a long fly. Battin came across with the first run in the second. With one out Pratt drew a base on balls, stole second while Mitchem went out, took third on Markthal's single and scored on a wild pitch. Marenghi started the third for Westfield by striking out but Pearsall, who followed, singled and was advanced by Rabb's single, then with two men on Pat Gilmartin connected for a triple coming home himself on the throw-in. An error, a base on balls and hit batsman followed by a balk gave Battin the only other run they made.

In the fifth Rabb singled, took third on W. Gilmartin's single, and scored when Crutty hit. Taylor was safe on first basemen's error, which scored the two men on base. Three more tallies were hung up in the eighth when Martin was safe on second's error, Danny Gilmartin singled and Underwood cleared the bases with a triple following them in when the fielder made a poor throw.

Cowperthwaite's Curves

Too Much For Garwood.

Westfield took one of the best pitched and fielded games by the score of 4-2, Saturday, at Recreation Park, that has been seen there this season. Garwood's men were the visitors, and eighteen of them went back to the bench on strikes.

Garwood opened the game when Ryan singled as the first man up in the first inning. It was not till the fourth inning that any scoring was done, when Ryan worked Cowperthwaite for a pass and took third on Morrison's single. Watt struck out. Miller did the same. Ryan and Morrison worked the double steal and Ryan crossed the plate with the game's first run, while Adams was waiting for four balls. Morrison stole second and Adams walked. With two and two on Pfaff, the latter, Morrison and Adams started the double steal. Cowperthwaite's throw was high at third and went over Young's head, and Morrison scored on the error. Pfaff ended the inning and Garwood's scoring by going after his third strike and missing.

Westfield came right back in their half. Vallean hit safe, Douglas sacrificed and though he looked safe at first was called out. Vallean took third on the play. Himmelberger was hit on the arm by a pitched ball and went down to first and stole. Worth singled, Vallean scored but Himmelberger stopped at third. Worth stole and he and Himmelberger scored on Young's two base hit. Hunt struck out and Young took third on a passed ball. Cowperthwaite went out at first unassisted, which ended the inning.

The lucky seventh gave Westfield another run. Cowperthwaite was thrown out by the pitcher. Green went out the same way, but when Ryan, Garwood's third baseman misjudged Cruttenden's grounder, he was safe and stole. He then scored on Vallean's hit, but Vallean was out trying to make second, ending the inning.

Himmelberger's hit in the second inning was the longest hit of the season at Recreation Park. Had he had a little more speed it would have been a home run. Good fielding by Garwood in this inning, on the part of Watt, kept Westfield from the plate.

Marsden, Garwood's southpaw, pitched a fine game and will be back here on June 20th with the Maroon Wireless team.

Following is box score:

WESTFIELD GETS FOURTH IN COUNTY MEET.

The poor condition of the local track kept them from winning the County Meet last Saturday. This can be laid directly to the lack of any place to practise. Westfield did show the other teams something about sprinting though. Taylor and C. Clark both won their heats of the hundred and in the finals Taylor had Clark by three yards while Clark was at least four ahead of the third man. Owing to some poor management the 220 was run off right after the 100 and Taylor had to start his heat immediately after having run three races in the 100. He might have won his heat at that if he had not been boxed on the turn. J. Clark won his heat of the 100 handily but was shut out in the semi-finals of the Junior 100 by the two fellows who afterward got first and second.

Ewing led the quarter miles up to the last turn but on the home stretch two men passed him. In the half R. Gotra had hard luck getting third, only in one of the closest races of the day. Hutson, Westfield's other entry, got fifth. Cairns, the only Westfield entry in the mile started out strong and led for three laps but then fell back dropping out of the race at the beginning of the last lap.

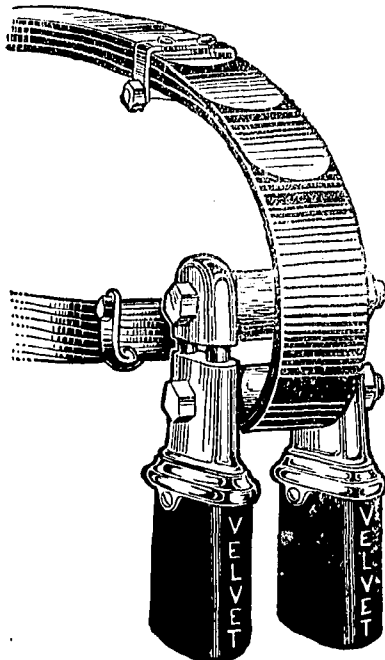

Randall was not up to his usual form in the shot-put, missing a place by two inches but came up in the broad better than he usually jumps. The broad jump should have gone to Clark with Randall second but the referee was not looking when Daylea fouled on the last jump in the broad defeating Clark by an inch on this jump. In the relay Gotra had to be substituted for Taylor, who had been hurt in the broad and he lost about fifty yards, the other men gradually made it up until Ewing was only ten yards behind Bloomfield who won.

Benedict who was in the Senior class in the meet held during the Civic Celebration in 1911 and must be at least 21 now, won the meet for Roselle.

Team scores:—Roselle 27; Plainfield 18; Bloomfield 15; Westfield 14; Pingry 7; Bath 6; Somerville 3; Cranford 0; Summit 0; Rahway 0.

VELVET SHOCK ABSORBERS

Saves 35% of the wear on tires. Prevent broken springs and save your engine and entire car.

PATENTED MARCH 28, 1911

Rides soft as a velvet cushion—absorbs the shocks

Velvet Springs will make your car ride so easily that you would not recognize it as the same car.

CURE YOUR CAR BY USING VELVET SPRINGS

A Wonderful Opportunity for Homebuilders

Sale of 150 Choice Plots in Beautiful Westfield

CHOICE 60 FOOT PLOTS AS LOW AS \$800.

A Reduction of 20% on Regular Prices - June 6, 1914 Afternoon

To have a real home amid ideal environments and yet with every convenience of the large city—is the opportunity that will come to you on June 6th with the Special Sale of building plots in magnificent Westfield Gardens. The number of plots offered at the reduced price will be limited, and the opportunity will be available for the one afternoon only - from 1 P. M. to 5 P. M.

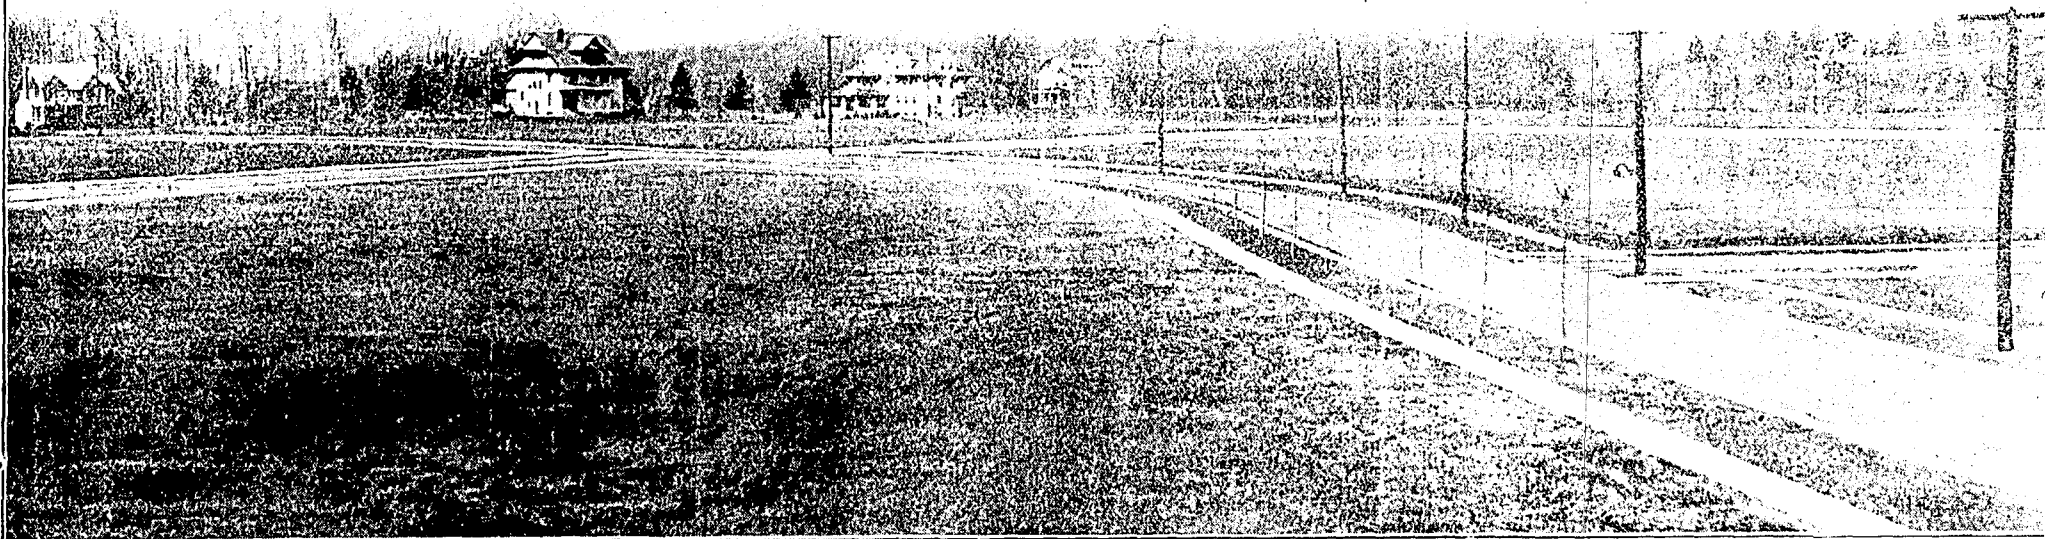

Improvements Completed - Carefully Restricted

We could write column after column about the many attractive features in Westfield Gardens—of the concrete sidewalks and curbs, the wide parkways and macadamized roads, the modern electric street lamps, telephone and electric wiring for the home; the splendid water, gas and sewerage systems—but we would prefer to have you see for yourself how thoroughly these important improvements have been carried out.

You Must See the Property to Know It - Knowing It You Will Want It

**GUARANTEED TITLE
POLICY FREE WITH
EVERY PURCHASE**

**SPECIAL PRICES
ON AFTERNOON
OF SALE ONLY**

An Unusual Investment

A plot in Westfield Gardens is an excellent investment whether you intend to build now or later. Not only is the entire town of Westfield due to grow because of its very progressiveness, but because of its nearness and accessibility to New York City it will be affected by the tremendous and continuous growth in the real estate values of America's greatest metropolis.

Valuable Home Site

Westfield Gardens offers a perfect homesite for the typical American family. Opportunities for recreation abound—riding and driving under the best of conditions for lovers of the horse; the Westfield Country Club with its fine 9 hole course will impress the golfer; fast tennis courts are on every hand, and the entire section surrounding and including the Gardens is well known to motorists and motor-cyclists for its well-laid and well-kept roads. Every plot to be offered on June 6th is of generous size, none being less than 60 feet frontage, with an average depth of 150 feet. Many of the choicest locations are included. Now is the time to see the property. Go to office at Westfield Gardens.

TOMORROW AFTERNOON, JUNE 6

SPECIAL SALE ON THE PREMISES

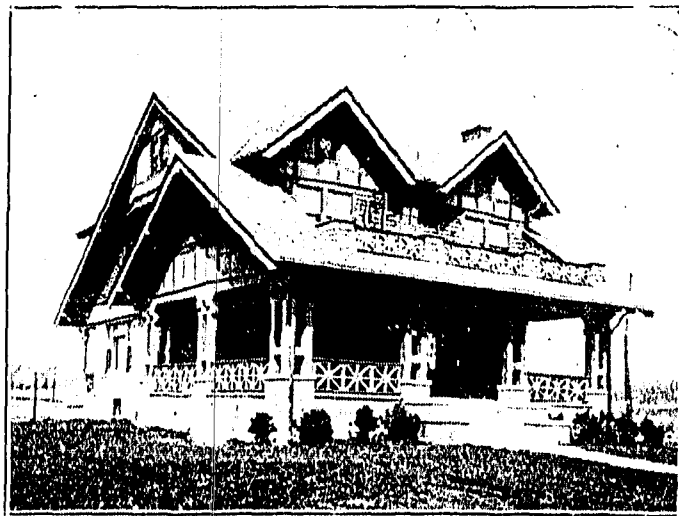

This is Your Opportunity

Reasonable Terms

Quick Transit to New York

About 45 minutes from New York City on Central Railroad of New Jersey. First stop of many express trains.

WILBUR G. QUINCY & CO., WESTFIELD, N. J.
TELEPHONE 629-WESTFIELD

Start of the One Step

Posed by Miss Wilma Winn and Mr. Everett Evans.

THIS picture illustrates the opening step in the so called turkey trot, but what is really the one step. The girl should be held an inch or two away, and both should stand erect. If there is any lean let it be toward the girl. The dance is nothing more than a quick walk in time to the music and must be done on the balls of the feet. Hopping, bending the knees too far and shaking the shoulders and elbows are impossible. The entire movement should be from the hips.

The Maxixe Mercury

Posed by Mr. and Mrs. Rowley Downs.

THIS is the final figure in the Maxixe. It is also the most difficult to do well. The picture illustrates a perfect position for the start of the step. They have taken four walking steps, a half circle, and now the man's knee is touching hers. This is the signal for the jump. Notice how firmly he is holding her shoulder with his right hand.

CHRISTIAN SCIENCE

BY

BICKNELL YOUNG, C. S. B.

OF CHICAGO, ILL.

Member of the Board of Lectureship of the Mother Church,
the First Church of Christ, Scientist, Boston, Mass.

SUNDAY, JUNE 7

1914 at 8 P. M.

In the Church Edifice

SPRINGFIELD AVE., COR. MILN ST.

CRANFORD, N. J.

Comfort
No hill too steep
No sand too deep
Long Wheel Base,
Full Elliptic Springs,
Wide Seats—Deep Cushions

You cannot hope for the Jackson degree of comfort in any car into which the Jackson factors of comfort are not built. And there are *very few* cars that do have all these comfort-factors.

Full elliptic springs *both front and rear* form the *ideal* suspension for easy riding. They take up *nearly all* the jar of *bumps*, and what the springs do not take up is taken up by the long wheel base, and the deep spring-and-curved-hair cushions.

The Jackson is *famous* for *comfort*.

Three Great 1914 Models

Comfort distinguishes each of the three great models of 1914 Jackson. "Clanpie Forty," 115 inch wheel base, \$1385. "Maestic," 115 inch wheel base, \$1385. "Sultanic," six-cylinder motor, 132 inch wheel base, for 5-passenger body, \$2150 and \$2300. All models electrically started and lighted and fully equipped.

LEGAL NOTICES.

PROPOSALS FOR BRIDGE.

Sealed proposals will be received by the Committee of the Board of Chosen Freeholders at the Court House, Elizabeth, N. J., at 2:30 P. M., on FRIDAY, JUNE 12, 1914, for the following described work: New Bridge over Brook crossing Tenth Place at Edgewood Avenue, Westfield, N. J. The Bridge to be 66 ft. in length and 8 feet span.

The length of the bridge must be accompanied with a certified check for \$100.00, as a guarantee of good faith as provided by the specifications.

The Committee reserves the right to reject any or all bids as may be deemed best for the interests of the County of Union.

Plans and specifications for the work may be examined at the office of the County Engineer, 120 Broad Street, Elizabeth, N. J.

JACOB L. BAUER, County Engineer. Fees \$18.00

STREET IMPROVEMENTS.

Westfield, N. J.
Sealed proposals will be received by the Board of the Town of Westfield, N. J., at the Town Hall on MONDAY, JUNE 15, 1914, at 8 o'clock P. M., for improving sections of streets in said Town.

The approximate amount of work to be done is as follows: 1100 sq. yds. of Waterbound Macadam, 1000 sq. yds. of Curbed Curb and Gutter, 1000 sq. ft. of Bluestone Curb Rest on Concrete.

Each proposal must be accompanied by a certified check for \$500.00, in favor of the Treasurer of the Town of Westfield, N. J., signed by the bidder, and without condition or endorsement of any kind, as an evidence of good faith and the successful bidder will be required to furnish a Surety Company bond in a penal sum equal to the estimated cost of the work to guarantee the faithful performance of the contract.

Forms of proposal, specifications and contract may be obtained at the office of A. J. Town Engineer, Town Hall, Westfield, N. J.

The Council reserves the right to reject any or all bids, to accept any and to award the contract to the lowest bidder for the best interest of the Town and to reserve the right to award the work in not more than four sections, in accordance with the Ordinance of the Town authorizing its performance.

CHARLES CLARK, Town Clerk. May 12, 1914. Fees \$10.00

AN ORDINANCE TO AUTHORIZE THE TOWN OF WESTFIELD TO ISSUE ITS CORPORATE BONDS FOR THE IMPROVEMENT OF CERTAIN STREETS AND EXTENDING THE TIME WHEN THE SEVERAL AMOUNTS THEREOF SHALL BE DISBURSED.

Be it ordained by the Council of the Town of Westfield, in the County of Union:

1. That the corporate bonds of the Town of Westfield in the sum of Forty-one Thousand Dollars (\$41,000) be issued for the purpose of raising off certain streets and sidewalks for money loaned to the said Town in good faith, and for work performed and materials furnished in the construction of the said streets and sidewalks and for the macadamizing of certain roads under and pursuant to the provisions of an Act of the Legislature of the State of New Jersey entitled, "An Act authorizing the city, towns, townships, and boroughs of this State to fund their floating indebtedness and their authorized bonds," approved March 27, 1907, and the several supplements thereto and amendments thereof.

2. That the said bonds shall bear date the thirtieth day of June, 1914, and shall be issued in the name of the Town of Westfield and under its corporate seal, and shall be signed by the Mayor and by the Town Treasurer, and shall be attested by the Clerk of the Town, and that said bonds shall be known as "Sewer, Sidewalk and Road Bonds", and shall be issued to pay off certain improved streets and sidewalks and for the construction of certain streets and sidewalks and macadamizing of certain roads within the Town.

3. That the said bonds shall be forty-one (41) in number, of the denomination of one Thousand Dollars (\$1000) each, with interest coupons attached for every half year, interest to be paid, or to be received at the option of the holder, that said interest shall be at the rate of four and one-half per cent. per annum, and said bonds shall be deposited of at public or private sale at not less than their par value. The said interest coupons, if attached, shall bear the name of the Town Treasurer and shall be numbered to correspond with the bonds to which they shall be respectively attached. The principal of all the above mentioned bonds, together with the interest thereon, shall be paid out of the fund of the United States of the present standard of weight and fineness.

4. All bonds shall be numbered and registered of such number, the date of said bonds, the date of issuing, and time of payment, shall be made by and under the direction of the Town Treasurer. All a book provided for that purpose. All bonds of which they are issued, and this ordinance, and shall set forth the date upon which this ordinance was adopted.

5. That the principal of said bonds shall be payable at the Peoples National Bank, Westfield, New Jersey, as follows: Forty Thousand Dollars (\$40,000) of the issue shall be due and payable on the thirtieth day of June, 1915, and Four Thousand Dollars (\$4,000) of the issue shall be due and payable on the thirtieth day of June, 1916, and the remaining sum of Five Thousand Dollars (\$5,000) shall be due and payable on the thirtieth day of June, 1917. The interest coupons attached to said bonds shall be payable semi-annually on the thirtieth day of June, 1915, and the thirtieth day of December, 1915, and each year, at the said Peoples National Bank.

6. There shall be set apart from the collections of assessments for the improvement of streets and sidewalks, or for the said bonds, a fund of Five Thousand Dollars (\$5,000) to be applied to the payment of the principal of said bonds, together with a sum sufficient to pay the interest on so many of said bonds as shall be outstanding, and when the same shall become due and payable.

7. This ordinance shall take effect immediately.

Passed and adopted May 12, 1914.

HUNSEY, EVANS, Mayor.

Attest: CHARLES CLARK, Town Clerk.

June 5, 1914. Fees \$12.20

IN CHANCERY OF NEW JERSEY.

TO JOHN J. HEILY AND MARGARET REILLY.

By virtue of an order of the Court of Chancery of New Jersey, made on the day of the day of June, 1914, in a cause wherein Margaret Reilly is complainant, and John J. Heily and Margaret Reilly are defendants, the complainant is hereby ordered to appear and plead, or to answer the bill of the defendant, on or before the tenth day of July next, on or before the tenth day of July next, in default thereof, such decree shall be made against you as the Chancellor shall think equitable and just.

The said bill of complaint is filed to foreclose a mortgage, heretofore given to the said Margaret Reilly, the complainant, by one Charles A. Bauer, the defendant, covering lots in the Town of Westfield, N. J., and you John J. Heily and Margaret Reilly are made defendants therein because you claim to be the owners of the premises covered by the said mortgage.

Attest: CHARLES CLARK, Town Clerk. May 12, 1914. Fees \$10.20

June 5, 1914.

LAWN FESTIVAL.

The Woman's Guild of St. Paul's Church will hold a lawn festival on the Parish House grounds on Saturday, June 13th, from 2 until 10 o'clock P. M. Ice cream, cake and candy will be for sale and a grab bag for the little folks.

Dancing in the Parish House during the evening.

LEGAL NOTICES.

SHERIFF'S SALE—In Chancery of New Jersey, Between Samuel Phillips Savage, complainant, and Clara Justina Person, et al. defendants. F. I. A. for sale of mortgaged premises.

By virtue of the above-stated writ of fieri facias, I shall expose for sale by public vendue and always at the office in the Courthouse, in the City of Elizabeth, N. J., on WEDNESDAY, THE SEVENTEENTH DAY OF JUNE, 1914, at 2 o'clock in the afternoon of said day, all that tract or parcel of lands and premises, situate, lying and being in the town of Westfield in the County of Union and State of New Jersey.

Beginning at a point on the northerly side line of North Avenue, said point being distant four hundred and thirty-five and forty-three hundredths (435.43) feet in a magnetic course of south eighty-eight degrees and forty-five minutes west (S 88° 45' W) along said side line of North Avenue from the northwesterly corner of North Avenue and Clark Street; thence (1) at right angles to said North Avenue, north one degree and fifteen minutes west (N 1° 15' W) a distance of ninety-six and twenty-four hundredths (96.24) feet to a point in the rear line of seventy-one and twenty-seven hundredths (71.27) feet to a point; thence (2) along said last mentioned line south forty-nine degrees and thirty minutes west (S 49° 30' W) a distance of seventy-one and twenty-seven hundredths (71.27) feet to a point; thence (3) at right angles to said North Avenue south one degree and fifteen minutes east (S 1° 15' E) a distance of fifty-one and fifteen hundredths (51.15) feet to a point on the northerly side line of said North Avenue; thence (4) along the northerly side line of North Avenue north eighty-eight degrees and forty-five minutes east (N 88° 45' E) a distance of fifty-five and thirteen hundredths (55.13) feet to the place of beginning.

WILLIAM H. WRIGHT, Sheriff.

BRISK FIRE

SOON SUBDUED.

The fire department was called out about half past nine on Wednesday morning to put out a blaze in a woodshed in addition to the rear of the confectionery store of Peter Musa, on Broad Street. The fire was burning briskly when the firemen arrived but they soon had a stream of water on it and it was but a few minutes before they had it out.

The interior of the frame building was badly burned and the contents damaged by the fire and water. The main store was filled with smoke and water and some of the goods were damaged.

The building is owned by J. B. Macgill. Both the contents of the store and building which were damaged to the amount of several hundred dollars were covered by insurance.

NO PROOF AGAINST

ALLEGED "SPEAKEASY."

The case of the town against Joseph Piazza, an Italian of North Street, charged with conducting an alleged "speakeasy" at his home on that thoroughfare, occupied the attention of the Recorder's court the most of Wednesday morning. Piazza was arrested by Officer Nelson on Tuesday night. There were a host of witnesses summoned in the case, but without exception they all testified in favor of the defendant. The witnesses included Samuel Carter, James Johnson, John Peterson, Fred Easton, James Jones, Frank Quarles, Robert Smith, Nathaniel Rhodes, Stanley Harris, James Robinson, James Gaffney, all colored, and Edward Nolan, a white man.

Piazza declared that he had sold no liquor to anyone. Town Attorney Oliver looked after the interests of the town and after the evidence had been all given Recorder Springfield gave a verdict in favor of the defendant.

MEETS. MEET IN

MONTHLY SESSION.

The June meeting of the Westfield Medical Society was held at the home of Dr. and Mrs. R. R. Sinclair on Elm Street, Tuesday night, and was attended by all the members of the Society.

A feature of the meeting was the reading of an interesting paper by Dr. F. A. Kinch on "The Chauffeur's Fracture." After the reading of the paper the doctors had an informal discussion in which it was brought out that the X-ray is the best means of diagnosing fractures as often times it is hard to distinguish between a fracture and a sprain. At the conclusion of the discussion a social hour was enjoyed and refreshments served.

William Hodge.

William Hodge, 70 years old, died at the home of his son on Prospect Street last Sunday. Mr. Hodge was a carpenter by trade and had lived in this town for the past 80 years.

He is survived by a widow and several children.

Union County
Real Estate Buyers

ought to remember always that just one little flaw in a title to their property may cause them endless annoyance, much worry, more or less expense, and perhaps the loss of a great deal of money, if not the surrender of their home. To guard against all that a guarantee of title is necessary. You are invited to come in and talk it over with the

All cars transfer to the door. One block from Long Island ferry.

See Supt. Phone 7481 Murray Hill

W. & J. SLOANE

Gravity Clock.

Among the smart English novelties seen is the new gravity clock, which does not require winding. The motive power is supplied by the weight of the clock, which takes seven days to travel down upright bars. At the end of the seven days the clock is simply raised to the top again. The clock stands on a handsome mahogany base and the bars are supported from the center of a handsome arch of mahogany.

Independence and Selfishness.

There never has been, is not now, and never will be an occasion where truth to one's self will not be fair to all of one's associates. The happy right for every man and woman, if consistently pursued, will only hasten the bright destiny of every one around them, but the courage to do what you wish without the wisdom to know what is the best is a dangerous power and in it lies all selfishness.

7 Tons of Silver a Month.

A widely known firm of manufacturers of cameras and photographers supplies use between six and seven tons of silver a month for making nitrate of silver. It claims to be the largest consumer of silver bullion in the United States, but the Engineering and Mining Journal expresses the opinion that some of the silversmiths or silver platers may be larger consumers even than this firm.

Instantaneous Success of Reorganization Sale Much Merchandise at Half Price and at Less Than Half Price

Counters and tables on First, Second, Third and Fourth Floors crowded with merchandise radically marked down for quick selling, making an event unparalleled in the mercantile history of New Jersey's largest city.

We cannot at this time go into detail of the extraordinary values that more than two weeks of closing has permitted us to prepare for those who become our first customers. Not alone merchandise from our immediate predecessors, but thousands of dollars' worth of absolutely new goods bought at great concessions from the best makers and importers in the land.

When we say that you can buy Shoes, Garments, Millinery, Corsets, Muslin wear, Walsts, Dress Goods, Silks, Leather Goods, Laces and other Wearing Apparel, Upholsteries and Every Day Needs, At Prices One-Quarter One-half and Three-quarters Off W. V. Snyder Co's prices then what this event means in money saving will be better realized.

THE AIM OF THE NEW FIRM

It will be the aim of this new firm to use as its basic foundation the principles of legitimate merchandising to which the respected late W. V. Snyder and his associates devoted the best years of their lives in the upbuilding of a business to which we succeed, and under the new management is to be a store for the distribution of merchandise of merit emphasizing true value.

ABOUT THE STORE'S NEW MERCHANDISE

Thousands of dollars' worth of absolutely new goods have been added and will be on display throughout the store, much of it far under regular price, as concessions from the best importers, manufacturers and wholesale dealers in the United States, as a token of good-will to us in our new undertaking.

Charge Accounts may be renewed and new accounts opened at office, Main Floor, rear.

Commencement Exercises.

The Class of 1914 of the Franklin School are preparing for the commencement exercises to be held on the 26th of June. In addition to a number of essays and orations the class will present "The Hero of Bunker."

The annual entertainment furnished by the other classes will be held on June 12, in the Franklin auditorium.

Girls Club Gives Dance.

The Girls Progressive Club held their annual banquet and dance in Miller's Hall, Cranford, last Wednesday evening.

The club, in addition to their own members, invited those who had aided them in their recent play.

Dancing was enjoyed in the first part of the evening followed by a spread then dancing until twelve.

BUSINESS POINTERS.

Are you going to move? If so, let O'Donnell Bros. do the work for you. Satisfaction guaranteed.—214 Central Avenue. Tel: 543, W.

THE TOWN EXHIBIT! Duplicates of all the photographs exhibited can be had at the BAUMANN STUDIO. Large size or Post Cards.

After you have planted your flower beds with Mandeville & King's excellent seeds, play in a stock of camphor flake and balls, hellebore, whale oil soap, insect powder, arsenite of lead, caustic soda, bordeaux mixture, etc. Gale's Pharmacy.

Before going on your vacation be sure to secure Kodak and Supplies at Gale's Pharmacy.

Of a Different Kind.

"Oh, Will," she said, moving a trifle closer to him, "I am so glad you are not rich! They say that some of these millionaires receive threatening letters saying that something dreadful will happen to them if they don't pay the writers sums of money." "Oh, is that all?" replied Will. "Why, I get plenty of such letters."—Yonkers Statesman.

No One Told Him.

A man was caught in the yards of the Premier Motor Manufacturing company the other day while helping himself to a liberal supply of coal. His captor, grabbing him by the collar, asked: "Who told you to pick up that coal?" "Nobody told me, sir," replied the man. "I just needed it."—Indianapolis News.

World to Be Frozen to Death.

The reckless religious doctrine is that our planet is to perish by fire, but a prominent astronomer holds that its doom and the universe's doom—an inconceivably far-off doom—is to be frozen to death; "the ultimate end is absolute frigidity in the blackness of interstellar night."

Corrected.

No, Clarissa, bolts are not used to rivet caucuses together.—Washington Post

Mr. and Mrs. J. Trober left last Friday for Wilkes-Barre, Pa.

Mr. William Trober passed the week end in Sea Bright, N. J.

Mr. and Mrs. Joseph Krauss have returned from a visit to Egg Harbor City.

Mrs. Harry M. Bull has been visiting her daughter, Mrs. Estelle, in Manasquan.

Mrs. J. T. Stiff returned from Hampton, N. J. Wednesday, where she has been passing a few days.

Mrs. T. S. Brown, of Brooklyn, will pass a few days this week with Mrs. J. M. Cowell, of Locust avenue.

Mrs. Anna Stiff is expected to return from Brattleboro, Vt., sometime this week, where she has been visiting her son, Louis.

Mr. and Mrs. A. Crawford and Mr. and Mrs. Hickey, of Brooklyn, passed the week end with Mr. and Mrs. Albert Frank, of North avenue.

Mountainside

Thomas England is seriously ill at his home in Mountainside.

The Judson Memorial Missionary Society, of Mountainside Chapel, will meet Saturday afternoon at 2 o'clock, at the home of their President, Mrs. Stella Roll.

The Ladies Aid Society of Mountainside Chapel will hold a strawberry festival in the afternoon and evening of June 12, at the chapel.

Branch Mills

Next Sunday will be the election of officers for the ensuing year at the Branch Mills Sunday School.

Mr. and Mrs. Sanford, of Brooklyn, were the guests of Mr. and Mrs. C. T. Pierson over Saturday and Sunday.

Children's Day at Branch Mills Chapel was observed last Sunday. Dr. Stearns gave a very interesting talk, and the children's recitations were especially good. The orchestra of the Presbyterian Church, furnished the music.

Mrs. H. L. Parkhurst will leave soon for Poughkeepsie to attend the graduating exercises of Vassar College, where her daughter, Miss Etta Parkhurst, is completing her course.

Serpent in Old Legends.

The serpent was among the gods of the Land of Egypt, where Moses led his people, and they found it among the gods of the land they were to subdue. Cadmus, the Phoenician who invented letters, became a serpent. Lovers of Wagner will not fail to recall that Alberich transformed himself into a "worm" to guard the stolen Rheingold. But the trail of the serpent may also be traced through the legends of Greece, or for that matter through those of the earlier American peoples.

Guard the Lips and Pen. Speech is the chief revelation of the mind, the first visible form that it takes. As the thought, so the speech. To better one's life in the way of simplicity, one must set a watch on his lips and his pen. Let the word be as genuine as the thought, as artless, as valid; think justly, speak frankly.—Charles Wagner.

A Representative Showing of the Latest Things in Underwear for Women, Girls, Boys and Infants

In presenting our thoroughly complete assortment of Summer underwear we do so secure in the knowledge that, at the prices quoted, no better underwear can be had anywhere.

Every requirement of women, young women, boys, girls, and infants has been thoroughly considered in its selection. Every

garment is cut on the latest of the approved lines and fashioned from materials that hygienically consider Summer underwear requirements.
