VOL. XXX2. NO. WESTFIELD, UNION COUNTY, N. J., FRIDAY, JULY 10, 1914. PRICE 2 CENTS

COUNCIL AWARDS IMPROVEMENT CONTRACTS

Weldon Contracting Company and Charles Lentz to do Work of Macadamizing and Curbing.

OTHER BUSINESS TRANSACTIONS

At the meeting of the town council held on Monday night the contract for the improvement of North street, Webster Place, Lincoln Road and Stannmore Place with macadam, curbs and gutters was awarded to the Weldon Contracting Company. A like contract for the improvement of Lenox avenue was awarded to Charles Lentz. Work on these improvements will begin at once.

Action on the passage of the tax budget ordinance and the ordinance for a bluestone sidewalk on Union avenue in the Fourth ward was laid over until the next meeting. The amended ordinance for the \$41,000 improvement bond issue was passed on final reading. There being no objections received to the work and materials furnished on the improvement of Sinclair place the matter of assessment was referred to the board of assessors. There were no objections to the proposed improvement of Kinball avenue, between Euclid and Harrison avenues and ordinance for this improvement was passed on final reading.

A certificate of indebtedness for \$2,000 was ordered issued and one for improvements amounting to \$5,566.44. Councilman DeCamp of the road committee reported that the conditions were not favorable for the construction of a sewer in Grandview avenue; that the proposed macadamizing of Chestnut street would cost the town about \$1700 and it was not possible for the town to do the work this year. Councilman DeCamp reported favorably on the proposed sewer on Chestnut street between Maple street and Mountain avenue and upon the proposed sidewalk in Highland avenue. Hearings on these two improvements were set for Monday, August 3.

The New York Telephone Company was ordered to repair the roadway in Elm street, between Dudley and Mountain avenues, where the macadam had sunk on account of the telephone conduits. One of the large electric lights was ordered placed at the corner of South and Westfield avenues by the Public Service Electric Company.

The reports of the officers for the month of June were received and read and were as follows: Treasurer's balance \$9,622.42; Building Inspector Moffett reported that he had issued fourteen permits amounting to \$38,122; Town Engineer Vars had issued two sewer permits which amounted to \$6. Chief of Police O'Neill reported that there had been nineteen arrests made; Secretary Harden of the Board of Health reported \$26 for permits issued and Overseer of the Poor Fitch reported a balance on hand of \$225.98.

A communication was read from James E. Grape, secretary of the Park Commission asking the council to issue bonds to the amount of \$25,000 for the improvement of the Broad street and Mountain avenue park. This was referred to the finance committee.

Mayor Evans presided and all the members of the council were present except Councilman Taylor.

CRANFORD'S VENETIAN CARNIVAL A SUCCESS.

Cranford was the mecca for a large number of people from all over the State on the Fourth of July, when the Venetian carnival was held there. Cranford certainly did itself proud and many were the favorable criticisms heard on all sides as to the carnival and the way it was arranged and carried out by those who had it in charge. At the carnival on the river in the evening there were nearly fifty canoes and floats in the water parade and the most of them were of a pretty design and called forth much admiration. The town itself was in gala attire and the place was illuminated from one end to the other with Japanese lanterns.

The crowd was made up in the evening of residents from all the nearby places and more than half of the crowd present was from this town, who went on the trolley, by automobile, train and in many cases some of them walked there.

The children's parade was one of the principal features of the day and consisted of children dressed in quaint, funny and fancy costumes.

In the water pageant in the evening prizes were awarded to the most beautiful canoe, the most novel and to the best float there were also prizes for the best decorated stores.

Altogether Cranford is to be congratulated upon its carnival and its progressiveness in this direction.

PLANT NOT TO CLOSE.

It has been erroneously reported that the Thatcher Furnace Company plant would be closed during July. The local management has not yet received any word from the head office regarding a summer vacation, and so far as is known here the plant will continue in operation throughout the entire month.

PUBLIC PLAYGROUND NOW OPEN

Proving a Veritable Mecca For The Children. New Features of Amusement are Discussed

The Playground in the Washington school park was opened by the Playground Commission last Monday and is the mecca for all the children of the town. The playground and apparatus is under the supervision and direction of Miss Grace Putnam who is assisted by Ira S. Huber, one of the teachers of the school.

All the apparatus used on the playground last year has been put in place and on the opening day there were over two hundred and fifty children who took advantage of the opportunity to play with their friends on the playground.

The Playground Commission had secured additional apparatus for the children, including some much needed gymnasium mats to be placed under the horizontal bars, parallel bars, long chute, etc. Teeter boards were provided for the smaller youngsters and the great sand box was filled afresh with white beach sand for the little tots who would thus be content all day under the shade of the magnificent oaks.

The remarkable success of the playground work last year, when a total attendance of some 9,000 was scored after a late start, encouraged all connected with the playground this season to see a 10,000 record established. It is the intention of the Commission to make the Westfield playground of great value to the community. Tennis nets are provided for those who wish to learn this most fascinating game. A hand ball net will also be in place shortly for the larger children.

Miss Putnam seemed quite proud of the fact that the New Jersey laws extend to her the authority of a police officer, although she has no desire to exercise this power and is most unlikely to ever have occasion to do so. President Penchoen, of the Playground Commission, sent out letters to the parents and guardians of all the children so there should be no doubt as to the hours when the grounds would be open for use. Below we print a copy of this letter which seems very fair and to the point:

To Whom It May Concern:
The Playground on the Washington School Grounds will be open for use and in charge of Miss Putnam, as follows:

DURING JULY—Saturday 8:30 to 11:30 A. M. Sunday, Closed all day. Balance of week 2:00 to 5:00 P. M.

DURING AUGUST—Saturday, 8:30 to 11:30 A. M. Sunday, Closed all day. Balance of week, 2:30 to 12 noon; 2:00 to 5:00 P. M.

At all other times the grounds and apparatus are closed to the children and to the citizens of Westfield, according to the Rules of The Playground Commission.

Attention is respectfully called to the fact that the Laws of New Jersey confer on the members of the Playground Commission and on the person in charge of the grounds, the authority of a Police Officer.

The parents and guardians of children are requested to see that their charges be instructed to remain away from the grounds except during the hours above mentioned and also to impress upon them the necessity for strict obedience to the person in charge of the grounds.

It is the purpose of the Playground Commission to do all possible to increase the happiness of the little folks of Westfield as well as to improve their physical efficiency. Cooperation on the part of all parents and other people of our town will be greatly appreciated.

Signed,
JOHN PENCHOEN,
President.

GIRL IS ARRESTED FOR FORGING CHECKS.

Ada Anthony, a girl 22 years old, employed at the home of Arthur Rie, on Woodland avenue, was arrested by Chief of Police O'Neill on Monday as she was about to try to cash a check for \$45 in one of the local banks.

When the girl was arraigned before Recorder Springstead on Tuesday morning she said that she lived with her mother in the big woods section and that she had passed a bad check on Friday and used the proceeds to buy clothes and to have a good time with over the holiday. She was held to await the action of the Grand Jury.

The girl has served two terms in a New York prison and was arrested by Chief O'Neill over two years ago for forgery and was sent to Trenton at that time.

Miss Alice S. Cooke.

Miss Alice S. Cooke an aunt of A. T. Brady, of Summit avenue, Miss Cooke was about 70 years old. The body was brought to the home of her nephew on Sunday night.

The funeral was held from the home of Mr. Brady on Monday night and was conducted by Rev. John Edgemoor of Cranford. The interment was made on Tuesday in Kensico cemetery, N. Y.

LEAVE OF ABSENCE FOR DR. J. J. SAVITZ

Asks to be Relieved of School Duties for One Year. Big Surprise to Members of Board of Education

Dr. J. J. Savitz has been granted a year's leave of absence from the schools of this town. The request was made by Dr. Savitz at the meeting of the Board of Education on Tuesday night and came as a big surprise to the members as it was not known by any of them except President Dempsey that Dr. Savitz had such a thing in mind. After the request had been read by District Clerk Web-

DR. J. J. SAVITZ

ster the Board members had some discussion in regard to the request and a resolution was introduced and adopted granting the request. The leave of absence will take effect the first of September and will be without pay.

The reason given for Dr. Savitz requesting a year's absence is that he wishes to engage in other educational work and to visit other school systems in this country and probably a trip abroad for the purpose of studying the school systems there and thus the better fit himself for the work here.

Dr. Savitz came to the schools in this town from Boonton in 1901 and since that time has been instrumental in building the schools up to their present high standard of efficiency. He served three terms as county superintendent of schools and in that time the schools under his supervision made rapid strides in efficiency.

The best wishes of the people of this town will be with him while he is away and they express the hope that he will come back to Westfield to resume his work in the schools at the end of the year.

The Board of Education has not decided upon anyone as yet to take Dr. Savitz's place while he is away but no doubt a good man will be picked by the teachers committee to keep up the good work of Dr. Savitz.

Madison Avenue Sunday School Holds Picnic.

The Madison Avenue Mission Chapel Sunday School held a picnic in the woods near the chapel on the Fourth of July which was greatly enjoyed by all who attended. The morning was spent in preparing for the games which were held after a basket lunch had been partaken of under the old oak trees. Lemonade and ice cream were the principal refreshments of the day.

The hundred yard dash, standing and running broad jump were pulled off with great success, although no records were broken. The sixteen winners of the various events had a poloing contest to the amusement of the losers and one of the young ladies won. The fun of the day ended with a ball game between teams captained by "Doc" Gatewood and "Archie" Stiles. The battle was hard fought but "Doc's" team finally won by the score of 9 to 7.

WORK ON NEW SCHOOL BUILDING BEGUN.

Work on the new high school which is to be erected at the corner of Elm and Walnut streets was begun this week.

The trees have been taken down and the building started out. It is expected that ground will be broken today or tomorrow.

SUMMER SCHOOL VERY POPULAR

Many Pupils in Attendance and Much Interest is Being Manifested in the Studies

The summer school opened on Monday with an enrollment of 177. Since that time the attendance has increased until at the present time there are over 200. About fifty of those who are attending the school are in the high school while the remainder is divided among the other grades. The session opens at 8:30 in the morning and closes at noon and the school will continue until July 31, when it will close.

The summer school met with great success last year and promises to do

FORMER RESIDENT DIES IN ROME

Mrs. N. W. Cadwell, Wife of Former Pastor of Presbyterian Church, Succumbs to Illness in Far off Country. Had Many Friends Here

Mrs. V. O. Burtis, of Euclid avenue, received a cablegram on Saturday from Rev. Newton W. Cadwell, a former resident and pastor of the Presbyterian church of this town of the death of his wife, Mrs. Jane Cadwell which occurred in Rome on July 3, after an illness of ten days. Rev. and Mrs. Cadwell left this country for a tour of Europe and to join their son who is in that country on May 30th and the news of Mrs. Cadwell's death is a severe shock to her many friends here.

Mr. Cadwell was pastor of the Presbyterian church for twenty years and eleven years ago went to Atlantic City, where he had been pastor of the Olivet Presbyterian church in that city ever since. While living here they made many warm friends. Mrs. Cadwell was a devoted Christian and ideal woman and was interested in everything for good.

Word was received last night that Dr. Cadwell was sick in Rome and that his return to this country had been indefinitely postponed.

Besides her husband and son, Mrs. Cadwell is survived by one daughter, Mrs. J. Allen Davis, who lives in Denver, Colorado.

GARWOOD COUNCIL ORDERS GRADE

Many of Those Opposing Improvement Found to Be Owners of No Property. Street Loiterers to Be Fined Twenty Dollars

The Borough Council passed an ordinance at its meeting Tuesday evening to establish a grade between North and Locust avenues. This action followed as a result of the investigations of the Street Committee who interviewed the signers of a petition opposing the repairing of Centre street. The committee found a number of the opposers are not legal property owners. Mayor Eriksen reported that many of the others had withdrawn their names when the situation had been fully explained to them.

A hearing for more grade ordinances will be held August 4.

Fire Chief Trober reported that a new building in the rear of Silberg's was not fireproof. As this is within the fire limits he recommended that action be taken immediately. The meeting authorized the Fire Committee to serve notice to the owner.

Councilman Carlson reported that the South avenue bridge will need widening as its present width will conflict with the sidewalk line. He added that he had taken up the matter with Mr. Bauer who has promised to give it his attention.

Plans for improving Lincoln avenue were submitted by Engineer Churchill. The Council decided to arrange a joint meeting with Cranford to determine a course of action. The Sewer Committee, comprising Councilmen Kraus, Conover and Carlson was instructed to confer with Cranford on July 15.

An ordinance subjecting anyone loitering on street corners to a fine of \$20 was passed.

The Spruce avenue improvement ordinance was postponed to next meeting.

D'Ambrasio and Co., were awarded the sidewalk contract of 7,000 feet, the cost of which will be \$3,500. Street Commissioner H. Becker was appointed to inspect the laying at thirty cents per hour.

Councilman Conover asked the Council's opinion of the new fire whistle and it was generally agreed that the tone was superior to the former one.

The collector's report showed a balance of \$1,829.56 in the treasury.

The Board of Health reported one marriage, three births and one death for June. Collector Conklin asked to be relieved of \$92.51, uncollected taxes of last year.

The meeting adjourned to July 22.

"THE TWELVE" ORGANIZE TENNIS CLUB IN GARWOOD

A number of young men, who have completed the tennis court on Spruce Avenue and East Street, met at the home of Holan Kjellmark Monday evening and organized, electing the following officers: President, Holan Kjellmark, Secretary and Treasurer, Merrill Conklin. In addition to the ten members who built the tennis court, Mr. North of Cranford, and Mr. Carlson were elected to the club. The membership was limited to twelve and the club called "The Twelve." Rev. Mr. Wellhoefer, of the

A. N. PIERSON FOR ASSEMBLY

Local Man Announces His Candidacy. His Friends Urged Him For the Congressional Race But He Declined This Honor

Although Arthur N. Pierson has been urged by men prominent in county affairs, to make a run for Congress, he has stated that while it is pleasant to find so many people who express their confidence in his ability and fitness for the Congressional honors, the duties of the office would take more time from his many business interests than he could afford to give.

While Mr. Pierson has been active in public affairs for over twenty years, he has never sought office before. On this occasion, however, he has yielded to the demands of his party and consented to stand as a candidate for the Assembly on the Republican ticket.

ARTHUR N. PIERSON

Mr. Pierson has always taken a prominent part in the civic affairs of Westfield and is looked upon as a leader in everything that stands for progress and the higher order of civic advancement.

The presence of Mr. Pierson's name on the Assembly ticket meets with universal approbation from every part of the county.

For a number of years, he has been President of the Westfield Board of Trade and the Town Exhibit, held under the auspices of this organization, proved an excellent opportunity for Mr. Pierson to show his executive ability in engineering this enterprise to its ultimate success.

He is also President of the Town Plan and Art Commission, and actively engaged in philanthropic and church work.

For twenty-five years, Mr. Pierson has conducted a sewer pipe business in New York City, and the firm of which he is the head is recognized as the leading house in this line.

His marked executive ability, combined with his keen interest and insight in public affairs, will, his friends say, make him a strong candidate and a good representative for Union County at Trenton.

GEORGE COUCH'S HOME DESTROYED

Burned to the Ground on Wednesday. Fire Company Responded To Alarm but Had no Water

The home of George Couch in the big woods section of town and near Brightwood avenue, was totally destroyed by fire about eleven o'clock on Wednesday morning. The fire department was called but owing to there being no fire hydrants or water in that section were unable to save the house. The origin of the fire is a mystery. Mr. Couch says that he was upstairs a few minutes before the fire was discovered and that everything was all right. When he came down his wife wanted him to go up again on an errand for her and he found the upper story of the house in a blaze.

The furniture on the first floor was saved but nothing on the second floor. The amount of the loss on the house and furniture is about \$3,000 which is partly covered by insurance.

Presbyterian Chapel was elected an honorary member. The amount of dues and rules of playing on the court were also adopted. "The Twelve" consists of the following members: Holan Kjellmark, Merrill Conklin, William Conklin, Lester Oakes, Joseph Schwab, Henry Tubb, Edw. Johnston, John North, Peter Carlson, William Stillwell, Robert Stillwell, and Allen Henderson.

TOWN IS IN A HEALTHY CONDITION

The Board of Health held its monthly meeting in its rooms in the town hall last Friday night. Considerable business of a routine nature was transacted and several important matters were discussed among the members pertaining to the sanitary condition of the town.

The report of Inspector Carney for the month of June was read and showed that the health of the town was in a comparatively good condition. One case of scarlet fever was reported; one case of diphtheria; three cases of measles; nine cases of chicken pox; two of whooping cough and one of tuberculosis. The report of the inspector as to the condition of the bakeries, dumps and scavengers showed that they were up to the requirements of the sanitary code; 445 inspections were made by the inspector, 200 of them being backyards. Eleven lumbering plans were submitted during the past month and eight were passed.

Inspector Carney reported that the work of destroying the poison ivy in the town was progressing and that already a large portion of the streets had been rid of the ivy.

President J. B. Harrison presided and all the members were present except D. C. Arnold.

CHARLES WIEDELE HIT BY TRAIN

While walking along the Central railroad tracks near the Osborn avenue bridge on Monday night, Charles Wiedele, of 555 Fifteenth avenue, Newark, was hit by a train and badly injured about the head and body. The crew of a pusher engine found Wiedele laying along the track and brought him to the railroad station.

Dr. Charles Decker was summoned and dressed the man's wounds. Wiedele was conscious but could not tell how long he had been laying on the track when the pusher engine crew found him. After his wounds had been dressed he was taken to the police station and later was removed to Muhlenberg hospital. Wiedele told the police authorities that he had a sister, Mrs. E. Bestle in Newark, with whom he lived.

ARRESTED FOR FIGHTING WITH HIS WIFE.

Thomas Kane, of Plainfield was arrested by Officer McNeely on Saturday afternoon on a charge of fighting with his wife. Kane who it is said was under the influence of liquor was driving on South avenue towards Plainfield when he and his wife became engaged in an argument over some money. Kane started in to beat his wife and residents along the avenue heard the screams of the woman for help. The police were notified and officer McNeely responded.

When the woman was taken out of the carriage her nose was bleeding and her dress was saturated with blood. She was taken into the home of Charles Walberg where her wounds were attended to. Kane tried to get away but was caught by McNeely and taken to the police station. He was given a hearing before Recorder Springstead and held to await the action of the Grand Jury.

Celebrates Third Birthday.

George Love Deter entertained a number of his little friends at the home of his parents, Mr. and Mrs. Harry Deter on South avenue, Tuesday afternoon in honor of his third birthday. The afternoon was pleasantly passed in games and music and at four o'clock light refreshments were served. Master George received many pretty and useful presents. Those who were present at the party were Miss Marie Deter, Carrie, Agnes, Margie and Martin Whalen, Charles and Harry Vernon, Lucille Locke, Edith Collins, Emma Hutchings, Paul Van Middeworth, Lillian Thorp, Marion and Margaret Travers, Edna Thompson, Mrs. Deter, Mrs. Elizabeth Deter, Mrs. Locke, Mrs. Millwater, of Plainfield; Mrs. George Lantz, Misses Edna and Florence Thompson, Mrs. E. Nelson, Mrs. Thron, Mrs. Van Middeworth, Mrs. L. Collins, and Mrs. Harry Deter.

MANY ENJOY DANCE.

The informal dance held at the Westfield Golf Club on the night of the fourth was enjoyed by over one hundred members of the club and friends. The ball room of the club house was decorated with the national colors and roses.

The music for the dancing was furnished by Danta of New York. The committee in charge of the dance comprised D. C. Arnold, E. G. Clark, C. R. Cummings, C. P. Worth and C. M. Pohlman.

BENSON—JOHNSON

The wedding of Gustave Benson and Miss Marie Johnson took place at the home of Mr. and Mrs. Charles Walberg, on South avenue, on Saturday night. The wedding which was a very quiet one was attended by only a few intimate friends of the bride and bridegroom. The ceremony was performed by Rev. Abel Ahlquist, of Montclair. The bride was unattended.

After the ceremony a reception was held and later Mr. and Mrs. Benson left for a wedding trip and upon their return will reside in the new home which Mr. Benson has just erected on Pleasant place.

Keeping Young.

One of the most distinguished men in America was asked to write the history of his state. He was more than seventy-two years old. His answer was that he would not care to undertake that work, as he was but little interested in anything that was in the past.—Harper's Weekly.

Fanwood

ARMED MEN IN FANWOOD

Miss Ella Fancher, of Martine avenue, has returned from a visit with relatives in Somerville.

Mrs. C. I. Hall, Miss Claire Hall and Maurice Hall, of South avenue, are sojourning at Atlantic City.

Miss Clara Galvalon, of Newark, was a week-end guest of Mrs. E. J. Rhodes, of Midway avenue.

J. Grant Neilson, of New Brunswick, spent Sunday with his brother, A. R. Neilson, of Martine avenue.

Michael Sinker, of La Grande avenue, is now employed at the Rushmore Dynamo Works in Plainfield.

Mr. and Mrs. Pence, and son and daughter, of Brooklyn, spent the week end with the Misses Kye, of Martine avenue.

Mrs. Putnam and Miss Dorothy Putnam, of Minneapolis, Minn., are the guests of Mrs. Charles Russell, of King street.

Mr. and Mrs. James Thorford, of Belleville, spent the Fourth at the home of Mr. and Mrs. W. Slocum, on Martine avenue.

Paul Phillips, of La Grande avenue, motored to Ashbury Park and Ocean Grove on the "Fourth" and returned home on Sunday.

Mr. and Mrs. Chester Reeder, of Jersey City, visited Mr. Reeder's parents, Mr. and Mrs. E. J. Reeder, of Martine avenue, over the week-end.

Mrs. S. Faulkner Thorpe, of Terrill road, entertained the Misses Margaret L. Denton, Elizabeth W. Burney, and Dorothy M. Strain, of Brooklyn, over the week-end.

Frederick Van Hoesen, son of Mr. and Mrs. S. G. Van Hoesen, of North avenue, was married to Miss Zeta Bruce Voorhees, of Mercer avenue, North Plainfield, on Tuesday evening. The ceremony was performed at the home of the bride's parents.

AMONG FANWOOD CHURCHES

The regular services will be held at All Saints' Episcopal church on Sunday: Celebration of Holy Communion at 7:30, Morning Prayer and Sermon at 11 o'clock. The Rev. G. H. Houghton Butler, minister in charge, will officiate at both services. The superintendent will be in charge of the Sunday school which meets at 10 a. m.

Services at the Methodist church will be as follows on Sunday: Morning service at 10:45; Sunday school at 3 o'clock; evening service at 8 o'clock. The pastor, the Rev. H. K. Carroll will conduct the services.

The Rev. J. Madison Hare, the new pastor has been well received by the congregation of the Baptist church. Services on Sunday will be as usual: Sunday school at 9:30 o'clock; Morning service at 10:45 and meeting of the Young People's Society at 7:30 p. m.

The usual Sunday school session will be held at the Willow Grove chapel on Sunday.

Civil War Mock Currency.

An antiquarian society has recently obtained one of the most interesting collections in the country. It consists of the commercial tokens and mock coins issued by tradesmen during the Civil war when small change of the government stamp became a rarity. There are in the collection about one thousand nine hundred varieties of tokens.

Truth vs. Falsehood.

Truth is irresistible. Falsehood may for a time stay its progress, but it cannot prevent its eventual triumph. An economic fact, founded on nature, will win its way despite the combined forces of those who benefit by inequitable customs and wicked laws. There can be but one conclusion to the battle of truth vs. falsehood.

FIRST IN MICHIGAN

According to the figures filed by the various companies with the Insurance Department of the State, The Prudential led every Life Insurance company operating in Michigan in 1913, by issuing and reviving through its agents in that State during the year 59,377 policies for \$10,888,521 paid-for Life Insurance. A great honor paid to this Company and its agents by the people of Michigan. Furthermore, the Prudential has been the leader in new business in Michigan for the past two years.

MANY COMPLAINTS AGAINST PLAYGROUND

Residents Protest That the Children
And Apparatus are a Nuisance
And Annoyance

At the meeting of the Board of Education held in the Washington school on Tuesday night several residents living in the vicinity of the school were present at the invitation of President Dempsey and made formal protests to the members of the Board against the playground and apparatus in the Washington school park. The residents complained that the noise of the children and apparatus was unbearable and that it worked on the nerves of the older people in the vicinity of the playground. Others thought that the playground was not necessary as there were playgrounds around the homes of the residents and they thought this was enough. Some of those who made protests said that the children who came to the playgrounds ran over the lawns of the residents and tore them up and in some cases destroyed property; that the children were there not only during the hours the playground was open but nights and Sundays and the noise was very annoying. One of the protesters suggested that the clanking of the apparatus could be avoided if the posts on which the apparatus is fastened were wrapped in burlap.

President John H. Pencheon of the Playground Commission was present at the meeting and after the protests had been made to the Board of Education said that it was far from the thoughts of the Commission to have the Playground an annoyance to anyone and that he was glad that the residents had spoken. He asked them to co-operate with the Commission in the playground proposition and assured the protesters that everything would be done that could be done to alleviate the noise and annoyance to the residents. President Dempsey of the Board of Education stated that the Board would do all that they could for the residents but that the whole matter laid with the Playground Commission.

Those who spoke against the playground were Joseph D. Bennett, H. W. Pleister, John D. Barr and Adam Huffman. The district clerk was instructed by the Board to write a communication to the Playground Commission informing them of the protests which had been made.

Other business transacted by the Board was the looking over of several contracts for work on the new school GALLERY-SIX. The contracts are ready for signing and will probably be signed by the time the Board meets again on July 16. J. A. Dennis of the Building and Grounds committee made a report on the cost of the new building and approximates it complete at about \$105,000.

After several bills had been approved and ordered paid the meeting adjourned until July 16.

President Dempsey presided and all the members were present.

STOLEN WIRE FOUND BURIED IN YARD

Railroad Detectives Rounded Up
a Gang of Four Thieves.

Central Railroad Detectives Laverett and Hiney and Chief of Police O'Neill, of this town, rounded up a gang of wire thieves Friday night that have been operating with great success on the tracks from Fanwood and this town. Those apprehended are Charles Ricardo, and Frank Keyes, of this town; Stephano Farino, a Fanwood junkman; and John Hann, of this town. When arraigned before Recorder Springstead in this town, Farino was held in \$200 bail for the Grand Jury and the other three were held in \$100 bonds each.

The Fanwood man is alleged to have received over 1,000 feet of signal wire as stolen goods, the metal being owned by the Western Union. The detectives "shadowed" the place of Farino and apprehended Keyes coming out. He had some of the wire concealed on his person and his arrest resulted in the apprehension of the other three.

After being put through a grueling "third degree" by the detectives Keyes, who is an old hand at the game, admitted that he had some other wire hidden at his home. Guided by the man's confession the officers went to the home of Keyes and found three reels of wire buried in the yard behind a clump of bushes. This gang has been wanted for some time past by the railroad authorities and the catch is considered an important one.

ENJOYED 1200 MILE AUTOMOBILE TRIP.

Mr. and Mrs. H. R. Forster and Mr. and Mrs. H. P. Forster, of Academy Place, returned on Saturday from a 1200 mile auto trip through New York State. On the way home Mr. H. R. Forster had the misfortune to lose a bag which contained a number of valuable articles which he prized very highly. Among the articles was a small clock, a number of toilet articles and an emblem of the Loyal Association which had been presented to him by Union Council. The emblem had his name inscribed on it and his address.

Mr. Forster has notified the police at Newburgh of his loss. The bag was lost between Newburgh and Tuxedo.

The Shopping Sex.

Woman (popping into mourning shop)—"That's a nice little hat in yer window, my dear. Yer might put it by for me, will yer? It's not gone yet, but you never know, do yer?"—TH-MIN.

He Birthday Present.

An attractive little girl at a party was being questioned about a doll she had just received for her birthday. The mother was beaming with delight at the attention her daughter was receiving, when the little girl said: "Why, do you know, the hair on my doll's head comes off just like mamma's."

Daily Thought.

A man who lives right and is right has more power in his silence than another by his words. Character is like bells which ring out sweet music and which, when touched accidentally, resound with sweet music.—Phillips Brooks.

Going to Extremes.

When taken to police headquarters Proud said that his home was in heaven. He is believed to be from Chicago.—Baltimore Sun.

ARE YOUR KIDNEYS WELL?

Many Westfield People Know
the Importance of Healthy
Kidneys.

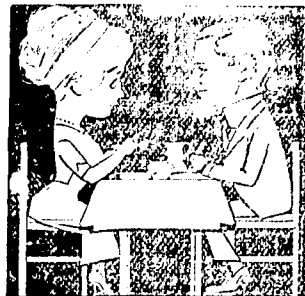

The kidneys filter the blood.
They work night and day.
Well kidneys remove impurities.
Weak kidneys allow impurities to multiply.

No kidney ill should be neglected.
There is possible danger in delay.
If you have backache or urinary troubles.

If you are nervous, dizzy or worn out.
Begin treating your kidneys at once.
Use a proven kidney remedy.
None endorsed like Doan's Kidney Pills.

Recommended by thousands.
Proved by Plainfield testimony.
Thomas Haskard, 827 S. Second Street, Plainfield, N. J., says: "I never hesitate to endorse Doan's Kidney Pills, for my personal experience with them has shown me their merits. Doan's Kidney Pills have relieved me time and time again when I have been suffering from kidney trouble and I owe a great debt to them. You may continue to publish my former endorsement."

Priced 50 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Haskard had. Foster-McMillan Co., Props., Buffalo, N. Y.

FRIDAY, JULY 10, 1914.

Our Play Ground.

The opening of the Playground at Washington School Park this week marks a step in the progress of the development of Westfield. Play is and should ever be recognized as the divine right of the child, and necessary to develop a normal adult. The child must be given every exercise of his awakening talents, but play without direction or supervision is often times as harmful as no play at all, consequently the world wide movement to establish and provide supervised playgrounds is only the outcome of study and recognition of the importance and value of normal childhood.

Since the playground has become a recognized institution in our town, and a competent instructor engaged, we believe that there will be found none to criticize the efforts of the Playground Commission and the Board of Education to provide this much needed institution for the children of Westfield.

Last year, there were some few just complaints of misuse of the grounds and apparatus by older boys, and, more is the pity, by men and women, at other than playground hours.

In guarding this public property and obviating any cause of complaint on the part of neighbors, the police have a duty to perform, which is distinctly theirs, and which we know they will again measure up to.

The laws protecting the playground and its apparatus are especially severe, which gives ample support to those in charge of the grounds, as well as to the police, in bringing to justice offenders of such rules as the Commission have adopted; but we trust that the usual good sense of the citizens of Westfield will prevail and there will be no occasion to invoke the aid of the law for misuse of the apparatus or grounds.

However, the purpose of the institution is to provide a place and apparatus for the children of our town, and, at all hazards, it should be preserved without disturbance to the neighbors for this one purpose.

We wish all success to the playground commission, and feel like voicing the thanks of the community for the assistance rendered the Commission by the Board of Education and the Council in their efforts to give us an up to date supervised playground.

New Park Playground.

When the new park is opened off Broad Street, the plans will include a model playground which will give the Commission a chance to fairly outdo itself. The Commission is on record as being much in favor of the completion of this park, it being understood, of course, that suitable space will be allotted them. Already tentative plans have been made for a sand bottom wading pool with the possibility of a water ending for the great steel slide, it being the idea of the commission to set this piece of apparatus over to the sole use of the boys in the morning and the girls in the afternoon. Ample space for tennis courts and for basketball play are in mind and it is hoped a building of proper size and architecture will be erected for storage, luncheon, protection from weather and other purposes. The impression made upon those from out of town, while passing through our new park could hardly be estimated as an advertising medium.

Complaints made by nearby residents about the noise coming from the present playground are not without more or less merit. The new park playground would overcome this difficulty and also permit of more efficient work being done by the Commission. As The Standard has advocated steadily, the park completion should not be deferred as new advantages are presenting themselves right along and Westfield has now outgrown the former 'any-old-way-will-do' system.

A High School Par Excellence.

After much hard work and worry, the Board of Education felt warranted in going ahead with the high school contract. The school has been staked out and excavation begun. We are advised by those who have seen and studied the plans that Westfield is to have one of the most up to date schools to be found in our State, and we hope that nothing will interfere with carrying out the plans in every detail. Our only fear is that the Board is figuring too close, and that the \$50,000 available for this purpose is about 10 per cent. less than the Board should have to work on.

Of the four schools which are within the memory of most of us, not one has been built without compromising some of the best and wisest features of the original plans in order to keep the school within the appropriation allowance.

With the memory of our past errors so fresh in our minds, it is quite the common sentiment that we should in this instance furnish this Board with sufficient money to build the school as it should be built, even though it should be necessary to vote another five or ten thousand dollars for this purpose. Under no consideration should we repeat the errors of the past and handicap our educational system by the saving of a few dollars on so important a matter as our high school.

The high school for Westfield will be the biggest and most prominent thing we have ever undertaken, and should be right without any compromise in any way. We believe the people are seriously in earnest and mean to have a high school second to none and that they would not hesitate to vote an additional few dollars to do the thing right.

Our Shade Trees.

As has been so often mentioned not the least crown of glory to Westfield is her trees. We wonder if the Council and Shade Tree Commission really appreciate the exact condition of the trees along our streets. Neglected for so many years, never with intelligent supervision, yet, in spite of it all, they are a source of pride. But this condition is bound to be short lived, as there is hardly a tree along our public highways but what is sick and sorely in need of intelligent care. We are not only accumulating a burden of debt for our town in neglecting the trees, but we are dissipating a most valuable asset by not having a liberal appropriation made each year and expended in an intelligent way by a trained forester.

Can it be with all the intelligence in other matters that our Council and our Shade Tree Commission are not going to wake up to the seriousness of the condition of our shade trees?

The police have a duty in connection with the trees along our street in seeing that horses do not bark them, and that the full extent of the penalty for hitching horses to a tree is meted out to each and every offender. A cribbing horse can in five minutes ruin a tree that has taken 20 or 30 years to produce.

No Unmuzzled Dogs.

Some few weeks ago there was quite an agitation about the dangers attendant upon permitting dogs to run at large unmuzzled. The Mayor issued a proclamation and the Council engaged a special officer. While we understand that a number of dogs have been gathered in and we notice a few wearing muzzles, at the same time entirely too many are seen upon the streets without a muzzle. We hope the authorities will keep at this campaign until the last of the unmuzzled dogs is gathered in or muzzled.

This is one of the matters in which we had better be over cautious than sorry.

The horrors of a human being with rabies are almost too unspeakable to have portrayed to the general public, and it is not probable that we shall ever have to resort to this means to arouse public sentiment to our duty in regard to the necessary precautions against this terrible disease, yet the fact remains that we can hardly take up a newspaper but that we find some life sacrificed which might have been preserved to usefulness and comfort to loved ones, all because the authorities have not exercised every care in the matter.

Must First Have Gratification.

The average man has to become powerful enough to feel sure he has the whiphand in order to be able to forgive his enemies successfully.

Sunday school meets at 12 o'clock.
Junior Society will meet at 3:30 P. M.
Young Peoples Society meets at 7 P. M.
Evening service at 8 o'clock.
Prayer meeting Wednesday evening at 8 o'clock.

First M. E. Church.

10:30 A. M.—Morning worship and sermon—"Lost Lives."
12:00 M.—Sunday School.
6:20 P. M.—Boys' League meeting.
7:00 P. M.—Epworth League.
7:30 P. M.—Organ recital.
7:45 P. M.—Evening Worship and sermon—"Wages and Extra Pay."
G. Franklin Ream, pastor.

Presbyterian Church.

Sunday service in the morning at 10:30. Rev. W. I. Steaus will be in charge.
Bible School meets immediately after the morning service.
Evening worship at 8 o'clock.
Young Peoples Devotional meeting in the Parish House at 7 o'clock.
Regular weekly drill of Boys Brigade Drill Monday evening at 8 o'clock.
Prayer meeting Wednesday evening at 8 o'clock.

St. Paul's Episcopal Church.

Holy Communion at 7:30 A. M. every Sunday.
Second Sunday in the month a second celebration at mid-day.
Morning Prayer and Sermon at 11 A. M.
Rev. W. Northey Jones, Rector in Charge.

Adeline Burton.

Mrs. Adeline Burton, wife of John Burton, of Jerusalem road, died on Monday at the Muhlenberg Hospital, in Plainfield. Mrs. Burton was 52 years old and besides her husband is survived by one daughter, who lives in Brooklyn.

The funeral was held yesterday afternoon from St. Luke's A. M. E. Zion church on Downer street and was conducted by Rev. J. H. Adams, the pastor of the church. Interment was made in Fairview cemetery.

PERSONALS.

Andrew Tompkins returned yesterday afternoon from the Elizabeth General Hospital, much improved in health.

The annual outing of the Merchants Association to Coney Island will be held on the last Wednesday in this month.

Mrs. E. Fernie and Harry Forster, of Brooklyn, are the guests of Mrs. E. Derrick on Cumberland street. Mrs. Fernie is a sister and Mr. Forster a nephew of Mrs. Derrick.

Freshie Council, Royal Arcanum held a meeting last night in Arcanum Hall and there was a goodly number of the members present. After the business session the members enjoyed a watermelon party.

Lynn Clotworthy, son of Mr. and Mrs. Charles W. Clotworthy of First street, had the misfortune to fall from the slide at the Playground yesterday. Lynn was shaken up pretty well but was not seriously injured.

Charles Wiedelo who was hit by a freight train near the Osborn avenue bridge Monday night, has, upon an investigation made by Chief O'Neill found to have had a police record. He was arrested in Newark on February 16, 1912 and sent to the Rahway Reformatory, from which he was paroled April 1, 1913. At the time he was hit by the train the Chief, when he searched him found a .32-calibre revolver fully loaded on his person.

Difference in Lives.

It costs to send. To give a message to the world, to express one's personality in one's time calls for a real expenditure. That is why small and selfish lives are only receivers, while those lives which bless mankind have given of their substance and of their selves.

Extended Insurance

under New York Life Policies is AUTOMATIC in event of lapse; (nearly all Companies' policies provide for extended insurance but many of them require the insured to take action to secure it, otherwise the Policy becomes automatically paid up for a reduced amount.) If a man is taken suddenly ill, or extends his vacation about the time his premium is due, it is some satisfaction to know that it will remain in force for the full amount for a specified time.

We issue Life Policies with disability and income features.

Mysteries.

It is a fact that in every man (not in every woman) there lives a lover; a lover who is called out in all his potentialities often by the most insignificant little things—as long as they come at the psychological moment; the glimpse of a face at an unusual angle, an evanescent attitude, the curve of a cheek often looked at before, perhaps, but then, at the moment, charged with astonishing significance. These are great mysteries, of course.—From "Chance," by Joseph Conrad.

Common Precursor of Cancer.

It is well proved that chronic ulcer of the stomach, gallstones, and many other irritative conditions of the gastro-intestinal tract are a direct cancer menace to a patient. Any swelling, any little growth like a wart, mole or tumor that suddenly or gradually begins to grow, and increases in size, should be removed by surgical means. The removal of chronic irritation, wherever it may be, is the

Poetry and Youth.

If poets sing to the young, and the young hail their own interpreters in poets, it is because the tendency of both is to idealize the romantic of life, finding everywhere in the real a something that is noble and fair, and making the fair yet fiercer and the noble nobler still.—Bulwer

SPORTS

Baseball. Golf. Tennis.

GOLF NOTES.

There were thirty-five entries in the driving contest at the Westfield Golf Links on the Fourth and the first four men were all close up and the judges announced a tie between T. Fukui and W. J. Willoughby. In the play-off Fukui won with a distance of 555 feet.

In the ladies putting contest around the clock there were eighteen entries and not in years has an event been so stubbornly contested. The prizes were handsome and useful and were presented by the Japanese members. Miss Hazel Gardner won first prize with 24 strokes; Miss Gertrude Noe second with 25; Miss Katherine Barr third with 26 and Miss D. Smythe fourth with 27.

This week the qualifying round for the handicap committee cup will be played and this event is open to active and non-resident members.

TO INSTALL AUTOMATIC SPRINKLER.

The Westfield Golf Club is soon to install an automatic sprinkler on its grounds. The pipes will run to all the greens and water will be available at all times. The cost of the improvement will be about \$2,000.

EDAL PLAY HANDICAP WON BY WILCOX.

The attraction on the golf links of the Westfield Golf Club on the morning of the Fourth was the medal play handicap for gross and net scores. There were a large number of contestants.

The gross cup was won by Clement Wilcox with a score of 76. The net score cup was won by H. Fukui with a 68. Fukui was also the winner in the driving competition, making a drive of 555 yards.

In the afternoon there was a putting contest for ladies. This was one of the prettiest golfing events ever seen on the Westfield links. Miss Hazel Gardner was the winner with a 24. Miss Gertrude Noe was second with 25. Miss Katherine Barr and Mrs. Douglas Smythe tied for third place with a score of 26 each. In the play off Miss Barr was the winner.

GARDNER AND SMITH WIN MIXED DOUBLES.

The semi-finals and finals in the mixed doubles tennis tournament at the Westfield Golf Club were played Saturday afternoon before large gallery. The finals were won by Miss Hazel Gardner and F. G. Smith, who defeated H. Randall and Miss Helen Gladwin, 6-0, 6-2.

In the semi-finals F. G. Smith and Miss Gardner defeated George Norman and Miss Helen McAuslin, 6-4, 3-6, 6-4. H. Randall and Miss Gladwin defeated Ernest Alpers and Miss H. Bastine, 6-2, 6-4.

BEECHWOOD CLUB ENJOYS FOURTH.

The Beechwood Tennis Club celebrated the Fourth in a safe and sane manner and the tennis courts of the club were occupied by a large number of the members all day. There were a number of well played matches in the morning. At noon there was a picnic luncheon which was enjoyed by thirty-five members and friends and which was prepared by the ladies the luncheon being spread on tables arranged under the trees. The results of the day's play on the courts was as follows:

Mrs. Vervoort defeated Miss Davidson, 4-6, 6-2, 6-3.

Dilloway defeated Herbert Welch, 7-5.

Herbert Welch defeated Vervoort 6-3.

Harold Welch defeated McCowitt 6-2.

Dilloway and Miss Davidson defeated Meyer and Mrs. Vervoort 6-3.

Misses Burhans and Pearsall defeated Mrs. Vervoort and Mr. Welch, 7-5.

Miss Pearsall and Mrs. Vervoort defeated Miss Burhans and Mrs. Welch 6-1.

Vervoort and Dilloway defeated Meyer and Pierson, 6-1, 6-3.

Meyer and Dilloway defeated Gill and McCowitt, 8-6.

Harold Welch and Dilloway defeated Pierson and McCowitt, 6-4.

McCowitt and Gill defeated Meyer and Dilloway, 6-4.

McCowitt and Dilloway defeated Harold Welch and Meyer, 6-4.

Pierson and Dilloway defeated Welch and Meyer, 6-2.

Vervoort and H. Welch defeated Dilloway and McCowitt, 6-2.

SIX TEAMS WERE ENTERED IN TOURNEY.

Only six teams were entered in the mixed doubles tennis tournament of the Stanley Oval Club on the Fourth owing to the fact that many members were out of town. Miss McAuslin and Mr. Stoddard were the winners. During the afternoon the courts were occupied by many players. The results of the mixed doubles tournament follow:

Miss Gladwin and A. L. Nichols defeated Miss Pelree and D. McAuslin, 6-1.

Miss McAuslin and E. C. Stoddard defeated Mrs. Nichols and R. Doerrer, 6-1.

Miss McAuslin and E. C. Stoddard defeated Miss Gladwin and A. L. Nichols, 6-4.

Miss Pelree and J. C. Pelree defeated Miss Spackelauer and A. Rowland, 6-4.

W. L. Bunnell defeated J. C. Pelree, 7-2.

TO PLAY RETURN GAME TOMORROW

The Westfield A. A., will play a return game at Plainfield tomorrow, and has high hopes of turning the tables on the Queen City boys.

Recorden, Crutenden and Taylor are new members of the team since Plainfield's visit and without doubt make the team look stronger.

WESTFIELD WINS IN THE TENTH

From Saurer Motor Company Team in Hair Raising Game

The Saurer Motor Company baseball team was the attraction at Recreation Park Saturday afternoon in a hair-raising game with the Westfield combination, and only after ten innings of hard fighting was Westfield returned the victor by a score of 5 to 4. The largest crowd of the season was on hand.

Dixon led the attack of the visitors gathering three hits. His double in the second frame was responsible for two runs, while in the sixth his timely single, netted two more. Green's double, Taylor's single and an error brought Westfield two runs in the third. In the seventh two costly errors by first baseman Dixon, followed

TOBIN HAD SOME CLOSE DECISIONS.

by Cowperthwaite's single, resulted in an additional two. And then came the tenth.

With two down, Taylor walked and advanced on Vallean's single. Recorden lined a pretty single over short, Taylor scoring.

Parable of Life.

There is a wireless telegraph apparatus in a certain home and the boys explain that they can only receive but not send. "It takes power to send, and power costs." So they fling out their aerial to catch messages from far and near, and never send a message in return. The incident is a parable of life.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address J. C. HENLEY & CO., Toledo, Ohio. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.

CRANFORD WAS NO MATCH FOR WESTFIELD

Cranford was no match for the fast-going Westfield A. A. at Recreation Park Saturday morning, being whitewashed to the tune of 10 to 0. The visitors resented a poorly balanced team, and Pearsall had little trouble in applying the "goose egg" treatment. Westfield stole thirteen bases, while Cranford registered one.

PROCTOR'S THEATRES.

—THE FIFTH AVENUE—
Since the advent of the *Pantomime* Plays at Proctor's Fifth Avenue Theatre, 28th Street and Broadway, N. Y. City, this always popular playhouse has experienced the most successful period of its career. Finding that the capacity of the Fifth Avenue was far too small for the extremes in Vaudeville, Mr. Proctor, after careful thought, decided on the present scheme. The result was immediate success as proven by the capacity business of the past ten weeks even during the very hot weather. The programme is changed entirely Monday and Thursday. Sunday the house is turned over to a Big Continuous Vaudeville Show, embracing twenty or more vaudeville acts. A splendid Orchestra is added to the Warltizer-Hope-Jones-Unit-Instrument. A three hour show is given the first three days of the week from 11 a. m. to 11 p. m. comprising a big Feature Pantomime Play in four or more parts, three or four selected Comedies, three special Vaudeville novelties and a living Tableau of the big scene in the Feature Photo-Play. Thursday the entire bill is again completely changed and run on the same basis as the first three days. And all of this remarkable entertainment is given to you at the really ridiculous price of Ten Cents; Reserved Sections, 25 Cents.

—THE 125TH STREET—
Harlem five years ago boasted three places of amusement, while to-day there are over twenty, and yet with this remarkable period of progression, Proctor's 125th Street Theatre, between Lexington and Park Avenues, still leads as it did ten years ago. The plan of campaign is identical at this house as in twenty others of Proctor's numerous Vaudeville Enterprises. The 125th St. produces Monday and Thursday from 11 a. m. to 11 p. m. a complete change of program both in Vaudeville and Photo-gram. Over twenty different novelties in Variety, are shown during the week in Vaudeville, and the newest and finest of Motion Pictures are shown between the acts. These latter are limited to short Comedies and Dramas of not over twelve minutes' duration and are really used to avoid waits between Vaudeville Specialties. Harlem boasts no finer nor more beautiful Theatre than Proctor's. Its \$5,000 Electric Sign carrying over 3,500 electric lamps can be seen from one end of Harlem to the other and even from the New Jersey Palisades at night. At a recent straw vote taken among Vaudeville Lovers in Harlem, Proctor's 125th Street Theatre was conceded to be the "Livest Theatrical Enterprise in all Northern New York City."

—THE 23RD STREET—
For twenty years Proctor's 23rd St. Theatre has held its place among Amusement Lovers as the Pioneer Playhouse in New York catering almost exclusively to Ladies and Children. Though the last few years have wrought many changes in the Realm of Entertainment it can safely be said that Proctor's 23rd St. has held its place well and is still in its infancy as to safe, sane, clean and wholesome amusement. Entirely renovated during the past year this cozy little Theatre still enjoys a unique patronage of vaudeville lovers, combined with a goodly portion of Photo-Play patrons. The programs are changed bi-weekly and throughout the seven days there are presented fourteen novelty features every performance.

The prices of admission are trivial in comparison to "what you get" in return, but this one feature if none other has been the cause of 23rd Street's continued success. One may be positively certain at all times, that if this Playhouse is selected for a bi-weekly visit that patrons can be sure of seeing only the most superior vaudeville—cleansed of all objectionable features to ladies and children—the most modern of Photo-Plays and continuous attention at the hands of employees long in the service of Mr. Proctor. Hours of operating 11 a. m. to 11 p. m.

The "Alleged Gentleman."

This quaint notice was recently posted in a Cardiff club. "If the alleged gentleman who took three brushes from Mr. —'s color box imagines they will paint poultry without the assistance of the master hand he is gravely mistaken and therefore may as well return them to their rightful owner."—*Pall Mall Gazette*.

HOW OUR FRIENDS ARE LOST

Lecturer Discovers He Hates Man Whom He Had Hitherto Regarded, With Kindest Feeling.

When the professor met one of his oldest and most intimate friends the day after the lecture he naturally expected some comments on the previous evening's remarks. Many other topics were freely discussed. Finally the lecturer grew uneasy and remarked:

"I was pleased to see you at the hall last night."

"Yes, I was there."

"Fine audience."

"Yes, very nice crowd."

"I always like to see my near friends about me when I lecture," the professor resumed timidly. "Persons who I know can appreciate me, who will sympathize—or rather, who—eh? What did you say?"

"I didn't say anything."

"Oh, I beg your pardon! I thought you did."

"No. Fine day."

"Turning colder, I fancy. Well, I must be moving. Good day."

And the lecturer, as he thoughtfully pursued his way, discovered, to his surprise, that he hated, with a large, tormenting hatred, the man from whom he had just parted, and for whom he had hitherto entertained the warmest esteem and affection.—*New York Times*.

AS TO ALIMONY.

He—Couldn't you learn to love me?
She—I could learn to love anybody. What's your salary?

Dangers of Power.

"So you managed to get that man his appointment?"

"Yes," replied the statesman.

"That was lucky."

"I don't know whether it was or not. Of course, he's my friend as long as he holds the position. But two or three dozen men who would have liked the place are liable to be my enemies forever."

True Enough.

He had received a dollar in change, and was examining it closely. Finally he turned to his companion and said: "Here's a dollar back that I marked and put into circulation only day before yesterday. Surprising, eh?"

"Oh, I don't know. A dollar doesn't go very far these days," replied the other.—*Judge*.

Not Such a Simple Matter.

"You don't believe in peace," said Mr. Dolan.

"I do, indeed," replied Mr. Rafferty.

"I admire peace greatly, but the process of securing it may be difficult. It often takes a fight to determine who shall be doing the talking and laying down the law while peace reigns."

Harsh Criticism.

"My husband hasn't any spunk at all," said the complaining woman.

"Maybe he's trying for the peace prize," replied the comforting neighbor.

"Well, supposing he won it. Somebody would give him a whipping and take it away from him."

Continuous Problem.

"We sent Gladys Ann to cooking school to get her mind off her piano playing," said Mr. Cumrox.

"Did the plan succeed?"

"Yes. Now we're trying to persuade her to study political economy so as to get her mind off the cooking."

Confused.

"I don't believe Henrietta will read any more of her speeches to me," said Mr. Meekton.

"Why not?"

"Yesterday I applauded at the place where her manuscript was marked 'laughter' and laughed where it was marked 'applause.'"

Did Not Retire.

"What made you retire from politics?"

"I didn't retire," replied the statesman who is not working just now. "The word 'retire' suggests voluntary repose. I lapsed into political unconsciousness by being sandbagged."

Measurement.

"I had to pay \$17 for a ticket to Chicago," said one woman.

"It seems expensive," commented the other.

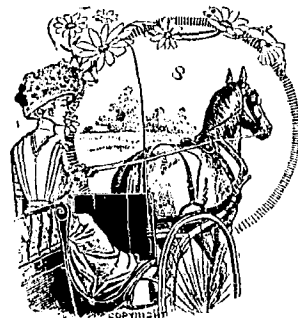

"Terribly. And there wasn't more than a yard and a quarter of the ticket, at that."

Assistance.

"Is your boy, Josh, any help on the farm?"

"Yes," replied Farmer Cornbeard.

"He has told me a whole lot about runnin' an automobile that'll be a great help when I get one."

They Are All Enjoying It

now who need fresh air and sunshine by driving through blossom-laden fields and pure ozone in the country surrounding Westfield in a handsome and comfortable rig, secured at BARTON'S. No need of keeping horses when you can hire one at such reasonable figures as you can at BARTON'S.

Wm. H. Barton,

Livery and Boarding Stables

Opposite Depot WESTFIELD, N. J.

FULL HEAT IN A MINUTE

That's an advantage when you have to heat something quickly in the night.

New Perfection Oil Cook-stove

heats instantly without smoke or smell. It has all the convenience of gas and costs less for fuel than any other stove. It is the best oil-burning device yet produced for cooking purposes.

The New Perfection No. 5 has the new Fireless Cooking Oven, which roasts and bakes perfectly—slow, fast or fireless cooking, to suit every need.

New Perfection Stoves are also made in 1, 2, 3, and 4-burner sizes. No. 5 stove includes broiler and toaster. These utensils can be obtained separately for the smaller sizes. Sad-iron heater and cook-book free with every stove.

At dealers everywhere, or write direct for catalogue.

STANDARD OIL COMPANY (New Jersey) NEWARK

Etruscan Vases.
The famous Etruscan vases were wrongly named, for, though made in Etruria, they were the productions of Greek genius. They are elegant in form and enriched with bands of beautiful foliage and other ornaments, figures and similar objects of a highly artistic character. One class has black figures and ornaments on a red ground—the natural color of the clay; another has the figures of the natural color and the ground painted black. The former class belong to a date about 600 B. C., the latter date about a century later and extend over a period of some 800 or 850 years.

Tobacco in France.
Twenty great factories work up the whole of the tobacco manufactured in France, and the right to retail is jealously guarded by the state. Permits to open tobacco shops are usually granted to widows of officers of the army and navy or of other employees of the government.—*London Telegraph*.

Our First Daguerrotype.
The first daguerrotype ever taken in America was a picture of the Unitarian church, Washington square, New York city. The exposure was made by Professor S. F. B. Morse and occupied fifteen minutes.—*Magazine of American History*.

Sex Ole Cliff Fox.
"Mileory loves company. That's why so many folks get married, by ginger!" —*Detroit Free Press*.

Sundays only. 12-20-13.

Report of Freeholders

The regular monthly meeting of the Board of Chosen Freeholders was held at the Courthouse, Elizabeth, N. J., on Thursday, June 4, 1914, at 2:30 p. m. The meeting was called to order by Director Cady with all the members present.

On motion by Freeholder Wilbur, the reading of the minutes of May 7, 1914, were dispensed with and they were approved as per printed copies on members' desks.

COMMUNICATIONS.

Board of Chosen Freeholders: At a recent meeting of the Board of Managers of the Elizabeth General Hospital and Dispensary, I was authorized and requested to convey to the Board of Freeholders the hospital's hearty thanks for the substantial increase in its county appropriation. It is a great pleasure for me to do this and to express our appreciation of this action by the Board of Freeholders, as it will be a very material aid in the treatment of the free patients from the county. The managers of the hospital also desire the board to know that it is and will at all times be prepared to render a full account to the Board of Freeholders of the free patients treated by it and of the expense which this treatment involves. If at any time the board desires to have such statement we should be glad to render it promptly in any form they may suggest. Of course the books of the hospital will be open at all times to the inspection of the Board of Freeholders. The hospital managers would also be very glad if some or all of the members of the board would from time to time find it convenient to visit the hospital in order that they may see for themselves the amount and kind of work that is being carried on there.

Yours very truly,
FREDERICK J. PAULSEN, President.
County Collector Leavitt announced to the board that he had received similar letters from the Summit Hospital Association, Mulhoberg Hospital, of Plainfield and St. Elizabeth Hospital and Alexian Hospital, of Elizabeth.

On motion by Freeholder Jones this communication was received and ordered placed on file.

May 25, 1914.
I am sending you by express copies of Reports of New York and New Jersey Commission for 1913, also copy of chapter 245, Laws of 1914. Will you kindly deliver same to each member of your board at your next meeting?

Thanking you in advance for your courtesy in this matter, I am,

Yours very truly,
THOMAS McMAHON, Secretary.

On motion by Freeholder Smith this communication was received and ordered placed on file.

May 25, 1914.

Board of Chosen Freeholders: At a meeting of representatives of the Boards of Chosen Freeholders of Bergen, Hudson, Essex, Passaic and Union counties, together with the members of the New York State and New Jersey Interstate Bridge and Tunnel Commissions, held at the Lawyers' Club, 115 Broadway, New York City, on Thursday, May 21, 1914, the following resolution was unanimously adopted:

Resolved, That the Freeholders present confer with their respective boards and report at the next meeting of this committee to be held on Thursday, the 11th day of June, 1914, at the office of the New Jersey Interstate Bridge and Tunnel Commission, 115 Broadway, New York City.

Very respectfully,
THOMAS McMAHON, Secretary.

On motion by Freeholder Smith this communication was received and ordered placed on file.

Whereas, The Borough of Kenilworth lies isolated and inaccessible in between the Township of Union on the northeast and the Township of Cranford on the southwest, and has no direct road connecting it with the populous communities in the north-eastern portion of the county and beyond;

Whereas, A road running northeasterly and southwesterly through Kenilworth would furnish a short-cut highway connecting the populous sections in the north-eastern part of Union county and beyond, with the communities of Cranford, Westfield, Plainfield and the southern portion of the county; and

Whereas, The Borough of Kenilworth, organized in 1907, has not had any aid from the county or State in the building of any road since it was organized, but is in imperative need of a highway through it that shall connect it with the aforesaid adjacent communities; and

Whereas, Such a connecting road will not exceed over one and three-fourths of a mile in length, to join the macadam systems of Union and Cranford Townships, and can be built through Kenilworth without cost to the county for land, and inexpensively otherwise because of no great amount of grading and over a course that will be without any sharp angles, one mile of it being a straight line, and only easy curves in the other portion; and

Whereas, When constructed, such a road would be susceptible of extension in a generally southern direction to and beyond Cranford, Roselle Park, Rahway and on down to the coast resorts, and would furnish a needed short route across country, and be a great general benefit to all localities.

Now, therefore, the Common Council and Mayor of Kenilworth hereby petition your Honorable Board for a road to be improved under your supervision from the corner of Chestnut Avenue and Caldwell place, in the Township of Union, running southwesterly through Kenilworth along the dividing line between the farm of Carl Schuster and the former farm of Hopkins to Upsala College, and thence southwesterly to Twenty-first Street and Washington Avenue, thence connecting with the existing macadam road built by the Borough of Kenilworth to connect with the macadam road of Cranford.

The general plan of such road is sketched on the accompanying diagram.

The representatives of the Borough of Kenilworth would respectfully urge that this petition be referred to the board committee, with the request that an early conference be held between your road committee and the representatives of the Borough of Kenilworth, so that the matter may receive early and proper consideration.

The petition is signed by the Mayor at the direction of the Borough Council of Kenilworth pursuant to a resolution duly passed at a regular meeting held June 3, 1914.

JOHN HILLER, JR., Mayor of Kenilworth Borough.

Dated Kenilworth, N. J., June 3, 1914.

Resolution.

Be it resolved by the Council of the Borough of Kenilworth that the Mayor be and is hereby authorized and directed to draw, sign and present a petition to the Union

County Board of Chosen Freeholders asking for the construction of a county road through the Borough of Kenilworth from the corner of Chestnut Avenue and Caldwell place in Union Township to the northerly terminus of the present macadam of 21st Street, Kenilworth, according to the route sketched on the diagram presented to this council by the Borough engineer at this meeting; and be it further

Resolved, That hereby a committee of three from this council be appointed to meet and confer with the Freeholders' road committee whenever said Freeholders' committee shall invite such a meeting or conference—the said committee of this council to consist of the Mayor and two members of the council to be appointed thereto by him.

Approved June 2, 1914.

JOHN HILLER, JR., Mayor.

Passed by the Borough Council, June 2, 1914.

CHARLES KROMB, Borough Clerk.

On motion by Freeholder Wilbur this communication and accompanying resolution was received and referred to the county road committee.

June 3, 1914.

Board of Freeholders:

Your communication of May 18 to the Mayor and Common Council of the City of Plainfield, calling attention to Chapter 62, of the Laws of 1913, has been referred to me.

The city has no means of knowing what roads have been constructed within its borders by the Board of Freeholders, or under what law any such road may have been constructed. Will you kindly advise me on this subject, giving each of the city's streets which have been improved by the county and the particular act under which each was so improved?

Chapter 62 of the Laws of 1913 is an amendment to Chapter 355 of the Laws of 1913. Chapter 19 of the latter act expressly excepts cities from the provisions of that act. The result is that the Board of Freeholders had no power under that act (1913) to construct any road in the city of Plainfield.

Chapter 62, 1913, being an amendment to the 1912 act, it seems to me would be without force so far as the city is concerned, because no such road can have been built.

There seems to be various other defects in the act of 1913. Among other things the limitation to cities of more than 12,000 population is not indicated in the title.

I will be very glad if you will give me such information as your records disclose as to just what has been done in the city of Plainfield by the county in the way of road improvements, and what authority in each case as above indicated.

Very truly yours,

CHAS. A. REED, Corporation Counsel.

On motion by Freeholder Wilbur this communication was received and referred to the county road committee and county attorney.

May 15, 1914.

Board of Chosen Freeholders:

Your communication in reference to eulverts at Alton and Cooper streets in Plainfield Township received by the Township Committee, and I am instructed to notify you that the matter has been referred to Mr. Samuel Hatfield, who has supervision over the points mentioned.

Yours truly,

E. L. HAND, Clerk.

On motion by Freeholder Wilbur this communication was received and ordered placed on file.

May 23, 1914.

J. Edward Rowe, Board of Chosen Freeholders:

I am enclosing certified copy of resolution adopted by City Council in reference to Baltic street bridge.

Respectfully,

JOHN P. KENAH, City Clerk.

Whereas, The Board of Freeholders have taken action on the petition of the City Council of this city, requesting that a bridge of suitable design and construction be built over the Elizabeth River at Baltic street, and

Whereas, it is necessary that the approaches to said bridge should be built and improved before the construction of said bridge, now therefore be it

Resolved, That the committee on streets and highways be and it is hereby authorized to proceed at once with the necessary plans and construction of the approaches to the said proposed Baltic street bridge, so that the construction of the said bridge will not be unnecessarily delayed; and be it further

Resolved, That the clerk be directed to forward a copy of this resolution to the Board of Freeholders of Union county.

I, John P. Kenah, clerk of the city of Elizabeth, hereby certify that the foregoing is a full, true and correct copy of the resolution adopted at the meeting of the City Council held May 20, 1914.

Witness my hand and the seal of the seal of the said city, this 23rd of May, A. D. 1914.

JOHN P. KENAH, City Clerk.

On motion by Freeholder Meisel this communication was received and ordered placed on file.

May 27, 1914.

Board of Chosen Freeholders:

Since writing you my letter of the 14th inst. in reference to the damage done to the property of Geissels on Brook street, Linden a similar claim for damages has been placed in my hands by Mr. Frank Kalkish, the owner of lots No. 1393-4 in block No. 42.

On motion by Freeholder Krouse this communication was received and referred to the Freeholder from Linden and the county attorney.

May 11, 1914.

Board of Chosen Freeholders:

I enclose herewith a certified copy of an extract from the minutes of the meeting of this board held May 1, 1914, at which meeting the salary of the secretary of the board was increased from \$1200 to \$1500 per annum. If you wish any further certification or information on this subject, I shall be pleased to confer with you at your convenience. Very truly yours,

JOHN P. KENAH, City Clerk.

On motion by Freeholder Wilbur this communication was received and ordered placed on file.

June 3, 1914.

Dear Sir—At a meeting of the Linden Township Committee held on the 1st inst, the body

Moved and carried that the clerk be instructed to communicate with Freeholder Henry Krouse, requesting him to have pipes or culverts placed at all necessary street crossings throughout the Ziglar property, all of which have culvert built at the intersection of Maple Ave. and Blanche St. as same is in very bad condition.

Respectfully yours,

P. R. ANDERSON, Township Clerk.

County Board of Chosen Freeholders:

On motion by Freeholder Krouse this communication was received and referred to a special committee of 3. The director appointed as said committee Freeholders Krouse, Thompson and Tremblay.

To the Hon. Board of Chosen Freeholders: The undersigned citizens of Elizabeth respectfully petition you to pardon James A. Hauck now serving a term of 6 months in the county jail. This is Mr. Hauck's first offense, and the confinement he is subject to is speedily undermining his health, and fears are entertained that he will be permanently injured unless steps are taken for his release. We trust that the petition will meet with your favorable consideration.

(Signed by 17 citizens.)

On motion by Freeholder Hennessy this communication was received and referred to the committee on discharge of prisoners.

Board of Chosen Freeholders: I enclose herewith certified copy of resolution adopted at the last meeting of the Common Council of the City of Summit. Respectfully,

FREDERICK C. KENTZ, City Clerk.

Be it resolved by the common council of the City of Summit: That the said council hereby petition the Union County Board of Freeholders to take over under their control that portion of Morris Ave. from the Rahway Valley R.R. property to Springfield Ave. intersection, and that portion of Springfield Ave. running from the junction of Morris Avenue westerly to New Providence Borough line in the city of Summit. Dated June 2, 1914.

Approved, FRANCIS H. BERGER, Mayor.

I, Fred C. Kentz, City Clerk of the City of Summit, do hereby certify that the foregoing resolution was duly passed by the common council of said city at a regular meeting held on Tuesday, June 2, 1914.

FREDERICK C. KENTZ, City Clerk.

On motion by Freeholder McNamee this communication and accompanying resolution was received and referred to the county road committee.

Board of Chosen Freeholders: Your auditor respectfully reports—I have examined the books and vouchers of the surrogate, sheriff, register and county clerk for the month of May, and find the same correct. The net receipts are: Surrogate \$1,154 15; sheriff \$798 84; register \$795 21; county clerk \$50 10. Yours respectfully,

BENJAMIN KING, Auditor.

Dated June 3, 1914.

On motion by Freeholder Wilbur this report was received and ordered placed on file.

June 1, 1914.

Board of Chosen Freeholders: Your committee on jail inspection would respectfully report that they have examined the jail, also the books of the warden. No. of prisoners in custody May 1, 63; No. received during month of May 109; No. in custody June 1, '14, 69; No. of days' board, month of May, 2,777. Maintenance—Groceries, etc., \$572 75; salaries \$23 33; cost per prisoner per day .3979.

Respectfully submitted,

JOSEPH PERRY, J. HERVEY DOANE, W. A. BOURDON, Committee.

On motion by Freeholder Wilbur this report was received and ordered placed on file.

Probation Office of Union Co., Elizabeth, June 1, 1914; Statement:

May 1, '14, to cash office fines rec'd to date \$11 00

Fines collected due Essex and Hudson counties \$50 75

Fines collected from Union County probationers 31 00

\$81 75

Respectfully submitted,

C. W. LUTWIG, Chief Probation Officer.

On motion by Freeholder Wilbur this report was received and ordered placed on file.

Board of Chosen Freeholders:

The undersigned committee heretofore appointed to meet with like committees of Hudson, Essex, Bergen and Passaic counties, and the Inter-State Bridge or Tunnel Commission, beg to report that your committee on the twenty-first day of May, 1914, at Lawyers' Club, City of New York, met with said bodies, and with much interest listened to the discussion of the proposed consideration and construction of bridge or tunnel between New York City and New Jersey, and at said meeting the following resolution was adopted:

"Resolved, That the Freeholders present confer with their respective boards and report at the next meeting of this committee to be held on Thursday, the 11th day of June, at 10 a. m., at the office of the New Jersey Interstate Bridge and Tunnel Commission, 115 Broadway, New York City."

Your committee would further report that, after listening to said discussion, and after inspecting the maps and profiles showing the location of said proposed bridge or tunnel, they are of the opinion that said bridge or tunnel would be of great benefit and advantage to the cities and counties which by means of said construction of said bridge or tunnel would be directly connected with the city of New York, but that, by reason of the county of Union being so far removed from said proposed bridge or tunnel, your committee fails to see any special or great advantage to this county, and, taking into consideration the large expense to the county of Union that would necessarily follow the adoption of the provisions of Chapter 215 of the act of the Legislature of 1914, your committee are of the opinion that, at this time, it would be unwise to obligate itself even to the extent of its proportionate share of the full expense necessary to the preparing of plans and specifications and the procuring of estimate and cost of the construction and maintenance of such bridge or tunnel, and would recommend that the further consideration of said proposition be abandoned.

Respectfully submitted,

GEORGE G. TELLER, WILLIAM L. EMANE, BRADFORD JONES, Committee.

On motion by Freeholder Wilbur this report was received and ordered placed on file.

June 4, 1914.

Report of committee on bridge over Calf-Pasture Creek on Linden Avenue, Elizabeth, N. J.

Board of Chosen Freeholders:

Your committee on the above-named work would report that bids have been received for culvert and work awarded to T. Foster Callahan at \$204.25, he being lowest bidder.

W. A. BOURDON, JOSEPH PERRY, W. H. RASPOLPH, Committee.

On motion by Freeholder Wilbur this report was received and ordered placed on file.

Report of Committee on Emerson and Summer Avenue bridges, Plainfield, N. J.

Board of Chosen Freeholders:

Your committee would report that bids have been received for these bridges and the work awarded to Alvin B. DeNise at \$131 for the two bridges, he being the lowest bidder.

J. HERVEY DOANE, BRITTON P. HALL, D. F. HENNESSY, Committee.

On motion by Freeholder Wilbur this report was received and ordered placed on file.

June 4, 1914.

Official Report of Chosen Board of Freeholders.

(Continued from Page 7.)

Roselle Park.

Board of Chosen Freeholders:

Your committee on the above-named work would report that it has examined the culverts asked for, and would recommend the construction of three new cast iron covered culverts, the whole cost not to exceed the sum of \$700.

NOAH WOODRUFF, PETER H. MEISEL, C. A. SMITH, Committee.

On motion by Freeholder Randolph this report was received and ordered placed on file, and the recommendations contained therein were on roll call adopted unanimously.

Report of committee on bridge at Hazelwood avenue, Rahway: The committee appointed to examine the railing and wingwall and foundation and arches of the bridge of the south branch of the Rahway River at Hazelwood Ave. Rahway report: We find part of the railing in bad condition and it should be replaced with new, and also that the foundation and arches need repointing. We therefore recommend that a new railing be placed on the bridge for a length of 125 feet, also the foundation and arches be repointed the total cost not to exceed the sum of \$180.

D. H. TREMBLEY, W. J. THOMPSON, JAMES C. MEYERHOLZ, Committee.

On motion by Freeholder Wilbur this report was received and ordered placed on file, and the recommendations contained therein were on roll call adopted unanimously.

Report of committee on culvert at Munroe and Hillside ave. Hillside township: Your committee on this culvert would report that the culvert is in excellent condition with the exception of the bed of the stream therein. This bed is of sand gravel and has washed out about 12 inches deeper than original depth all through the culverts. In order to preserve the foundations of the culverts and prevent further wash, your committee would recommend the construction of a concrete bed in this culvert for its entire length of about 240 feet at a cost not to exceed the sum of \$225.

JOHN WOODRUFF, W. J. THOMPSON, JAMES C. MEYERHOLZ, Committee.

On motion by Freeholder Wilbur this report was received and ordered placed on file, and the recommendations contained therein were on roll call adopted unanimously.

Report of committee on culverts in Orchard street, etc., Lakeside Park, Rahway, N. J.

Board of Chosen Freeholders: Your committee would respectfully report that this work has been visited by the committee, the county engineer and the county attorney.

It appears that Lakeside Park Realty Co., some five or six years ago, changed the line of a brook running through Lakeside Park so that it was removed from the center of one of the blocks and constructed down the sidewalk line of Orchard street from Jefferson avenue toward St. George avenue. The lots fronting on Orchard street were then for the most part sold.

According to the opinion of the county attorney, your committee would report that the city is liable for the present or future construction of culverts on this stream where it crosses Orchard street, but is not liable for the maintenance of the gutter and construction of a culvert along that portion of Orchard street now occupied by the altered location of the brook.

Your committee would, therefore, recommend the closing off with a fence of the brook crossing on Orchard street, between Jefferson avenue and St. George avenue and would also recommend the construction of a new culvert crossing Orchard street at the upper brook crossing immediately west of Jefferson avenue. The culvert to be about fifty feet in length and the present line of the stream at this point to be altered somewhat and the open portion thereof fenced in. The whole cost of the work not to exceed the sum of \$700.

Your committee would respectfully report that as a part of this work it is recommended that new street inlets be provided at Inman avenue and that the lower end of Inman avenue culverts be reconstructed. The cost not to exceed the sum of \$100.

D. H. TREMBLEY, W. J. THOMPSON, W. H. RANDOLPH, Committee.

On motion by Freeholder Wilbur this report was received and ordered placed on file, and the recommendations contained therein were on roll call adopted unanimously.

Report of committee on Division and Morris avenue culverts, Summit, N. J.

Board of Chosen Freeholders: Your committee on the above named work would report that they have examined the situation and would make the following recommendations.

The present culvert at Division street, near Springfield avenue, Summit, is a tile pipe culvert and is not sufficiently strong to take the street traffic. Your committee would recommend that a new corrugated iron pipe culvert, twenty-four inches in diameter be laid with a concrete bottom and sides and top at this location, but in view of the fact that the county contemplates the improvement this year or next year of Morris avenue, your committee would recommend that this matter be held over until such improvement be made and incorporated in the said improvement.

WILLIAM I. McMANE, GEORGE F. TELLER, BRADFORD JONES, Committee.

On motion by Freeholder Wilbur this report was received and ordered placed on file, and the recommendations contained therein were on roll call adopted unanimously.

Report of committee on bridges in Township of Linden and Borough of Roselle, near St. George avenue.

Board of Chosen Freeholders: Your committee would also recommend the construction of a new bridge on Frank street, near St. George avenue, of a similar size to that on Rivington street, at a cost not to exceed \$1200.

Your committee would also recommend the fencing off entirely of the bridge on Union avenue near Chandler avenue at a cost not to exceed the sum of \$15.

Your committee would further recommend the repair of the bridge on Peach Orchard Brook at Cranford avenue at a cost not to exceed the sum of \$60.

Your committee would further recommend the construction of a new bridge crossing Cranford avenue near St. George avenue, Linden Township, and the closing up of the bridge on the same stream on Middlesex street, near Cranford avenue, the cost not to exceed the sum of \$1,300.

HENRY KROUSE, J. HENRY DOANE, GEORGE T. CARROLL, Committee.

On motion by Freeholder Wilbur this report was received and ordered placed on file, and the recommendations contained therein were on roll call adopted unanimously.

On motion by Freeholder Wilbur this resolution was on roll call adopted unanimously.

By Freeholder Randolph: Resolved, That an assistant be appointed on the Lawrence street bridge, Rahway, until such time as we are able to get power to open and close same, as the bridge is too heavy for one man to turn at the present time, at a salary not exceeding \$300 per year.

On motion by Freeholder Wilbur this resolution was on roll call adopted unanimously.

By Freeholder Perry: Resolved, That the bill of John J. Glynn, for the salary for the month of May, for the amount of \$27.01, be paid by the county collector when properly audited by the Elizabeth drawbridge committee.

On motion by Freeholder Hennessy this resolution was on roll call adopted unanimously.

By Freeholder Deane: Resolved, That the bill of Reilly Bros., for payment on account of sewage disposal plant at the Bonnie Burn Sanatorium, amounting to \$1,001.21, be paid when properly audited by the committee on hospitals and county engineer.

On motion by Freeholder Smith this resolution was on roll call adopted unanimously.

By Freeholder Deane: Resolved, That the bill of John Powers for painting line bridge on Watchung avenue, Plainfield, for the sum of \$40, be paid by the collector when properly audited by the committee on said bridge.

On motion by Freeholder Wilbur this resolution was on roll call adopted unanimously.

By Freeholder Smith: Resolved, That the following are salaried officers of this board at a fixed compensation and said amounts are certain, namely: N. R. Leavitt \$3,000, J. E. Rowe 1,000, Benjamin King 1,500, F. W. Westcott 900, J. L. Bauer 4,500, J. W. Fink 1,200, W. R. Codrington 3,000, and employee Hilda E. Sauer \$720; therefore be it

Resolved, That the county collector be and is hereby authorized to draw warrants as collector to each of the aforesaid parties as said salaries come due and payable for the respective amounts due each of the aforesaid without the necessity of auditing by the committee.

On motion by Freeholder Deane this resolution was on roll call adopted unanimously.

By Freeholder Smith: Resolved, That the county collector be and is hereby authorized to borrow in anticipation of the collection and receipt of taxes, the sum of three hundred thousand dollars (\$300,000), in such sums and at such times as he may deem necessary, on the note of the county, signed by the director of this board and the county collector.

On motion by Freeholder Jones this resolution was on roll call adopted unanimously.

By Freeholder Teller: Resolved, That, after duly considering the proposition regarding the construction of a bridge or tunnel connection from New Jersey to New York City, as contemplated under and by virtue of the provisions of Chapter 245 of the act of the Legislature of New Jersey of 1911, and after considering the expense that would necessarily be attached thereto, and the comparatively meagre benefits that would be derived by the county of Union, it is the sense of this board that it would be unwise for the county of Union at the present time, to enter into said

On motion by Freeholder Wilbur this report was received and ordered placed on file and the recommendations contained therein were on roll call adopted unanimously.

NEW BUSINESS
By Freeholder McMane:

Resolved, That a committee of three be appointed for the purpose of investigating the desirability of providing a suitable culvert to replace present brick culvert on Woodland avenue in the city of Summit, N. J., and report at a subsequent meeting the probable cost of the work.

On motion by Freeholder Hall this resolution was adopted unanimously. The director appointed said committee Freeholders McMane, Darby and Jones.

By Freeholder Noah Woodruff: Resolved, That a committee of three be appointed to examine bridge on Burnett street, at Newark-on-the-Hill, Union township. The committee to report at a subsequent meeting of this board as to the necessity and probable cost of a culvert on Burnett street at this point.

On motion by Freeholder Wilbur this resolution was adopted unanimously. The director appointed said committee Freeholders N. Woodruff, J. Woodruff and Hennessy.

By Freeholder Perry: Resolved, That a committee of three be appointed to examine two small bridges on Fanwood avenue, near Brightwood avenue Westfield N. J., the committee to report at the next meeting of this board as to the advisability of constructing new culverts at those two points together with the probable cost of the work.

On motion by Freeholder Deane this resolution was adopted unanimously. The director appointed said committee Freeholders Perry, Thompson and Bourdon.

By Freeholder Wilbur: Whereas, The bridge over Green Brook on Terrill road at the edge of the city of Plainfield is a wooden bridge and is not in first-class order, and,

Whereas, Terrill road is a county road both in Union county and Somerset county and the bridge in question is probably the only wooden bridge in any county road in Union county; therefore,

Resolved, That a committee of three be appointed to meet with a similar committee from the Somerset County Board of Freeholders, the joint committee to consider the advisability of rebuilding this bridge by placing a new concrete and steel structure in place of the present wooden structure—the committee to report to this board at a subsequent meeting as to the advisability of rebuilding this bridge together with the probable cost of the work to Union county.

On motion by Freeholder Randolph this resolution was adopted unanimously. The director appointed said committee Freeholders Wilbur, Meisel and Bourdon.

By Committee on County Roads: Resolved, That the bridge over Robinson branch on Madison Hill road near the water works Clark Township be repaired by having the buckled members straightened and the rods tightened at a cost not to exceed the sum of \$200.

On motion by Freeholder Wilbur this resolution was on roll call adopted unanimously.

By Freeholder Randolph: Resolved, That Alfred T. Crane be appointed bridge tender on East Milton ave. drawbridge Rahway for one year at a salary of \$300 per year.

On motion by Freeholder Wilbur this resolution was on roll call adopted unanimously.

By Freeholder Randolph: Resolved, That the bill of John J. Glynn, for the salary for the month of May, for the amount of \$27.01, be paid by the county collector when properly audited by the Elizabeth drawbridge committee.

On motion by Freeholder Hennessy this resolution was on roll call adopted unanimously.

By Freeholder Deane: Resolved, That the bill of Reilly Bros., for payment on account of sewage disposal plant at the Bonnie Burn Sanatorium, amounting to \$1,001.21, be paid when properly audited by the committee on hospitals and county engineer.

On motion by Freeholder Smith this resolution was on roll call adopted unanimously.

By Freeholder Deane: Resolved, That the bill of John Powers for painting line bridge on Watchung avenue, Plainfield, for the sum of \$40, be paid by the collector when properly audited by the committee on said bridge.

On motion by Freeholder Wilbur this resolution was on roll call adopted unanimously.

By Freeholder Smith: Resolved, That the following are salaried officers of this board at a fixed compensation and said amounts are certain, namely: N. R. Leavitt \$3,000, J. E. Rowe 1,000, Benjamin King 1,500, F. W. Westcott 900, J. L. Bauer 4,500, J. W. Fink 1,200, W. R. Codrington 3,000, and employee Hilda E. Sauer \$720; therefore be it

Resolved, That the county collector be and is hereby authorized to draw warrants as collector to each of the aforesaid parties as said salaries come due and payable for the respective amounts due each of the aforesaid without the necessity of auditing by the committee.

On motion by Freeholder Deane this resolution was on roll call adopted unanimously.

By Freeholder Smith: Resolved, That the county collector be and is hereby authorized to borrow in anticipation of the collection and receipt of taxes, the sum of three hundred thousand dollars (\$300,000), in such sums and at such times as he may deem necessary, on the note of the county, signed by the director of this board and the county collector.

On motion by Freeholder Jones this resolution was on roll call adopted unanimously.

By Freeholder Teller: Resolved, That, after duly considering the proposition regarding the construction of a bridge or tunnel connection from New Jersey to New York City, as contemplated under and by virtue of the provisions of Chapter 245 of the act of the Legislature of New Jersey of 1911, and after considering the expense that would necessarily be attached thereto, and the comparatively meagre benefits that would be derived by the county of Union, it is the sense of this board that it would be unwise for the county of Union at the present time, to enter into said

project; and be it further

Resolved, That the clerk of this board furnish to the chairman of the committee heretofore appointed by this board in said matter a copy of this resolution to be by him forwarded or presented to the Interstate Commission, at its next meeting to be held on the 11th.

On motion by Freeholder Krouse this resolution was on roll call adopted unanimously.

By Freeholder Krouse:

Whereas the county attorney represents to this board that by reason of the increase of the work in his office during the present year he has been put to considerable expense by reason thereof for stenographer, telephone and clerk hire, all of which have been paid by him, therefore be it

Resolved, That he be allowed and paid the sum of \$50 per month from January 1, 1914, in full for clerk hire, stenographer and telephone and all other charges.

On motion by Freeholder Wilbur this resolution was on roll call adopted unanimously.
